SUBJECT: Request for Information on CDE Foster Youth Grants to LACOE

Dear Supervisor Antonovich:

In response to the March 26, 2013 Motion by the Los Angeles County Board of Education to "Review all current Los Angeles County Office of Education grants from the California Department of Education Foster Youth Services Programs:"

LACOE's initial award of \$2,024,527 for Foster Youth Services Countywide and Juvenile Detention Programs for July 1, 2012 through June 30, 2013 was amended in January. Therefore, the grant award for 2012-13 is \$2,100,000.

In addition, to address the second item: Identify additional grants and funding sources available through this Foster Youth Services program with a report back on current status and potential opportunities for Los Angeles County:

LACOE, with the Department of Children and Family Services, will work to identify local, state, federal and private grant opportunities.

Sincerely,

Arturo Delgado, Ed.D.  
Superintendent of Schools
