(SUPERVISORIAL DISTRICT 5)
(3 VOTES)**

SUBJECT

This action will adopt the findings and orders of the Building Rehabilitation Appeals Board pursuant to Title 26 of the Los Angeles County Code, Building Code, which provides for the arrest and abatement of neighborhood deterioration and the elimination of unsightly, unsafe, and unhealthful conditions, which constitute a public nuisance.

IT IS RECOMMENDED THAT THE BOARD:

Adopt the findings and orders of the Building Rehabilitation Appeals Board that provide for abatement of public nuisances at the following locations:

37850 153rd Street East, Black Butte, California 93591
16537 Mossdale Avenue, Lancaster, California 93535
5225 West Avenue L-2, Quartz Hill, California 93536
5302 West Avenue L-2, Quartz Hill, California 93536
16649 East Avenue T-4, Llano, California 93544

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended action is to provide for abatement of public nuisances through rehabilitation procedures. Title 26 of the Los Angeles County Code, Building Code, provides for a

Building Rehabilitation Appeals Board to hear appeals on matters concerning public nuisances.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provisions of Operational Effectiveness (Goal 1) and Integrated Services Delivery (Goal 3) as it provides services to the public that have a wide-reaching positive effect on the entire community. The action will provide for the arrest and abatement of neighborhood deterioration and the elimination of unsightly, unsafe, and unhealthful conditions, which constitute a public nuisance. Maximize opportunities to measurably improve client and community outcomes and leverage resources through the continuous integration of health, community, and public safety services.

FISCAL IMPACT/FINANCING

There will be no increase in net County cost or negative fiscal impact. Costs of the abatement work are billed to the property owner(s). Failure to pay the bill will cause a special assessment to be placed on the tax bill and a Notice of Abatement Lien will be recorded against the property with the office of the County Registrar-Recorder/County Clerk.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Building Code provides for abatement of public nuisances through rehabilitation procedures contained in Chapter 99.

Government Code Section 25845 requires that the property owner(s) be provided an opportunity to appear before the Board and be heard prior to abatement of the nuisance(s) by the County. However, the Board adopted modified procedures that delegated the required hearing to the Building Rehabilitation Appeals Board with the requirement that the Building Rehabilitation Appeals Board make a written recommendation to the Board.

The Building Rehabilitation Appeals Board has conducted the required hearing for the properties listed below. The Building Rehabilitation Appeals Board considered all competent evidence and testimony offered by all persons pertaining to the matters of the substandard properties. The Building Rehabilitation Appeals Board made a finding of facts in the matter and declared the following properties to be a public nuisance.
