

MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

AUGUST 20, 2013

A resident in the community of unincorporated Covina has expressed a concern of speeding on Via Verde Street between Holt Avenue and Covina Hills Road recently due to a hazardous waste spill due to a speeding truck that overturned.

I, THEREFORE, MOVE that the Board of Supervisors direct the Director of Public Works to conduct a Traffic Investigation Study to determine the alternatives to slowing the traffic on Via Verde Street to safe speeds including conducting an Engineering and Traffic Survey which would allow the California Highway Patrol to enforce the speed limit using radar equipment. The Director of Public Works is to report back on her findings within 30 days.
