

MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

December 17, 2013

The Sheriff's December 16 report concerning former employees of the Office of Public Safety indicates that 290 of the 395 were hired by the Sheriff's Department.

I, THEREFORE, MOVE that the Board of Supervisors request the Sheriff to report back in two weeks with the following information:

1. Of the 290 former OPS employees who are currently employed by the Sheriff's Department, how many hold sworn, custody assistant or civilian positions;
2. How many have had performance/conduct issues since joining the Sheriff's Department;
3. How many of those identified in #2 above should not have been hired based on concerns raised during the background process, including prior disciplinary findings against them;
4. What justification was included in the personnel file of each employee who was hired but did not meet the Sheriff's prevailing hiring standards; and,
5. What legal options are available to take against the person responsible even though he is no longer employed by the county.
