Dear Supervisors:

ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

12 January 14, 2014

Sachi A. Hamai
SACHI A. HAMAI
EXECUTIVE OFFICER

**FIVE-YEAR LEASE
CHIEF EXECUTIVE OFFICE
222 SOUTH HILL STREET, LOS ANGELES
(FIRST DISTRICT)
(3 VOTES)**

SUBJECT

A five-year lease for 30,905 rentable square feet of office and storage space and 110 parking spaces for the Chief Executive Office.

IT IS RECOMMENDED THAT THE BOARD:

1. Find that the proposed lease is categorically exempt from the provisions of the California Environmental Quality Act pursuant to Class 1 of the Environmental Document Reporting Procedures and Guidelines adopted by the Board, per Section 15301 of the State of California Environmental Quality Act Guidelines (Existing Facilities).
2. Approve and instruct the Chairman to sign the five-year lease with CRJ, LLC, a California Limited Liability Company (Landlord). The lease will be effective upon Board approval and will provide the Chief Executive Office uninterrupted use of 30,905 rentable square feet of office and storage space, and 110 parking spaces included in the full-service gross rental rate. The maximum annual total lease cost is \$720,045. The lease costs are 100 percent net County cost.
3. Authorize the Chief Executive Officer to implement the project.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The lease for 25,137 rentable square feet of office space comprising the third, fourth, and fifth floors commenced on March 6, 2000. Thereafter, three separate administrative lease acquisitions followed: 1,118 square feet of storage space on the first floor on November 1, 2001, an additional 1,892 rentable square feet of office space on the second floor on June 19, 2006, and an additional 2,758 rentable square feet of office space on the sixth floor on March 20, 2007. The Chief Executive Office (CEO) Real Estate Division (RED) occupies the entire third and fourth floors, the Service Integration Branch (SIB) occupies the entire fifth floor, a portion of the sixth floor, and a small part of the first floor for storage space, and the County Disaster Administrative Services (CDAT) occupies a portion of the second floor.

The facility provides office space in close proximity to CEO management and administrative support operations at the Kenneth Hahn Hall of Administration (KHHOA). These leases have been transacted due to the lack of available space in the KHHOA. It is centrally located adjacent to a parking lot for staff and visitors, and provides easy access to public transportation, roads, and freeways.

The proposed lease will consolidate the existing four leases that are currently on holdover and provide RED, SIB, and CDAT continued and uninterrupted occupancy pending future plans. Since the cost to relocate the programs would be prohibitively expensive, the re-lease of the facility will avoid the expense of tenant improvements (TI), telecommunications, and low voltage wiring at a new location. The Landlord, at its sole cost, will upgrade the tenant's premises with paint and carpet. The Landlord will also replace or repair all Heating, Ventilation, and Air Conditioning (HVAC) units within the premises and upgrade the base building with a seismic retrofit to County standard. The seismic retrofit will improve the building's performance by preventing collapse and reducing the risk of loss of life and injury when subjected to a 475-year mean recurrence interval earthquake.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan Goal of Operational Effectiveness (Goal 1) directs that we maximize the effectiveness of process, structure, and operations to support timely delivery of customer-oriented and efficient public services; and the Goal of Fiscal Sustainability (Goal 2) directs that we strengthen and enhance the County's capacity to sustain essential County services through proactive and prudent fiscal policies and stewardship. The proposed lease supports these goals with a facility to support CEO services and is in conformance with the Asset Management Principles as outlined in Attachment A.

FISCAL IMPACT/FINANCING

The initial annual base rent of \$720,045, comprises the total annual lease costs for the facility. Sufficient funding for the proposed lease is included in the Fiscal Year (FY) 2013-14 Rent Expense budget. The CEO has sufficient funding in its FY 2013-14 operating budget to cover the projected lease costs, which are 100 percent net County cost. Attachment B is an overview of the lease changes.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The proposed lease will provide RED, SIB, and CDAT uninterrupted use of 30,905 square feet of office and storage space and 110 surface parking spaces included in the rent. The proposed lease includes the following provisions:

- A five-year lease term that will commence within 60 days after adoption by the Board of Supervisors subject to performance of preconditions by Landlord, or the County may terminate the lease upon written notice to the Landlord.
- A full-service gross lease structure whereby the Landlord will be responsible for all operating costs associated with the County's occupancy.
- A County right to cancel the lease at or any time after 36 months of the lease term upon 180 days prior written notice.
- The Landlord, at its sole cost, will provide upgrades to the base building including seismic retrofit to County standard, replacement or repair of all HVAC units, and will upgrade the tenant's premises with paint and carpet for the new lease term.
- Annual Consumer Price Index (CPI) rental adjustments capped at 5 percent.
- The County will have two five-year options to renew the lease under the same terms and conditions at 95 percent of fair market rental value.
- A County right to lease additional space upon 30 days prior written notice.
- A County right to reduce the sixth floor premises in its entirety upon 60 days prior written notice.
- A mutual right to cancel the lease at or any time during the option terms upon 365 days prior written notice.

The CEO Real Estate staff surveyed the immediate area to determine the availability of comparable and more economical sites. Staff was unable to identify any sites in the surveyed area that could accommodate this requirement more economically. Based upon the survey, staff has established that the annual rental range for similar space is between \$18 and \$30 per square foot on a full-service gross basis, plus parking. Therefore, the proposed annual rental rate of \$23.30, including parking, is at the lower range of the full-service gross market rates for this area. Attachment C shows all County-owned and leased facilities within a five-mile radius of the subject facility and there are no suitable County-owned or leased facilities available for the program.

The Department of Public Works inspected the facility and has found it suitable for County occupancy subject to seismic retrofit to County standard. Notification letters have been sent pursuant to Government Code Sections 25351 and 65402. The preparation of premises work will be completed in compliance with the Americans with Disabilities Act (ADA) and applicable building codes. Additionally, the Landlord has ensured path of travel requirements have been or will be met.

A childcare facility is not feasible for the department at the proposed leased premises.

ENVIRONMENTAL DOCUMENTATION

The CEO concluded that this project is exempt from the California Environmental Quality Act (CEQA) as specified in Class 1 of the Environmental Document Reporting Procedures and Guidelines adopted by the Board, and Section 15301 of the State CEQA Guidelines (Existing Facilities).

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The proposed lease will allow the CEO RED, SIB, and CDAT to continue to provide the necessary office space for these County requirements and the department concurs with the proposed recommendation.

CONCLUSION

It is requested that the Executive Office, Board of Supervisors return two originals of the executed lease and the adopted, stamped Board letter and two certified copies of the Minute Order to the CEO, Real Estate Division at 222 South Hill Street, Fourth Floor, Los Angeles, CA 90012.

Respectfully submitted,

(a) Landlord does hereby lease to Tenant, and Tenant does hereby lease from Landlord, upon the terms and conditions herein set forth, the Premises described in Section 1 and Exhibit A attached hereto, a total of approximately 30,905 rentable square feet more particularly described as follows: approximately 29,787 rentable square feet of office space consisting of 1,892 rentable square feet on the second floor, approximately 8,401 rentable square feet on the third floor, approximately 8,368 rentable square feet on the fourth floor, approximately 8,368 rentable square feet on the fifth floor, approximately 2,758 rentable square feet on the sixth floor, and approximately 1,118 rentable square feet of storage space on the first floor.

(b) Tenant shall have the right within 90 days of approval of this Lease by the Board of Supervisors of the County of Los Angeles ("Board of Supervisors") to field-measure and verify the exact footage of the Premises and/or the Building. All measurements shall be taken in accordance with the methods of measuring rentable/usable area as described in the Standard Method for Measuring Floor Area in Office Buildings, ANSI Z65.1-1996, as promulgated by the Building Owners and Management Association ("BOMA") International except that no penthouse mechanical room space shall be included in the measurement. Should this measurement be less than the square footage stated above, Tenant shall have the right to adjust such square footage and reduce the Basic Rent in Section 1 accomplished by the mutual execution

of a memorandum of understanding between the Landlord and the Tenant. Landlord acknowledges the space has been marketed at the above-indicated rental amount and in the event of subsequent physical measurements, Landlord agrees there will be no adjustment made to either the square footage or the Basic Rent in the event the measured square footage exceeds the amount represented by Landlord. Should Landlord and Tenant not agree with respect to the results of the measurement conducted pursuant to this subsection (b) Landlord shall appoint an independent firm or person who is experienced in making such measurements whose determination with respect to which measurement is correct shall be final and binding upon the parties. Landlord and Tenant shall share equally in the fees of such firm.

3. COMMON AREAS

Tenant may use the following areas ("Common Areas") in common with Landlord and other tenants of the Building: the entrances, lobbies and other public areas of the Building, walkways, landscaped areas, driveways necessary for access to the Premises, parking areas and other common facilities designated by Landlord from time to time for common use of all tenants of the Building. Tenant shall comply with all reasonable, non-discriminatory rules and regulations regarding the use of the Common Areas established by Landlord.

4. COMMENCEMENT AND EXPIRATION DATES

(a) Term. The term of this Lease shall commence upon the Commencement Date and terminate on the Termination Date. The Commencement Date shall begin as defined in Section 1.1(g), provided the Premises are in compliance with all of the following: (1) the shell and core of the Building are complete and in compliance with all applicable laws and codes, and all of the building systems are operational to the extent necessary to service the Premises; (2) Landlord has sufficiently completed all the permitting requirements for the required work to be performed by Landlord in accordance with Exhibit "F" of this Lease and has commenced the preliminary and permitted seismic retrofit of the Building pursuant to the Los Angeles County Department of Public Works Real Property Acquisition and Evaluation Policy, such that Tenant can conduct normal business operations from the Premises; and (3) Tenant has been provided with the number of parking privileges and spaces to which it is entitled under this Lease.

(b) Termination Right If the Commencement Date has not occurred within 60 days from the Projected Commencement Date, subject to Tenant Delays or Force Majeure Delays as provided in Landlord's Work Letter, which has been executed concurrently herewith, Tenant may thereafter, at any time before the Commencement Date occurs, terminate this Lease effective upon the giving of written notice to Landlord and the parties shall have no further obligations to one another hereunder.

(c) Early Termination Tenant shall have the right to terminate this Lease at any time after the Early Termination Notice Date, as defined in Section 1, by giving Landlord not less than 180 days prior written notice executed by the Chief Executive Officer of Tenant. Tenant shall reimburse Landlord for the cost of the unamortized base tenant improvements from the time of Lease termination.

(d) Options to Renew

(i) Terms of Options. Provided that no material Default has occurred and is continuing under the Lease at the time the option is exercised, Tenant shall have two (2) options to renew this Lease for an additional period of sixty (60) months each (respectively, the "First Extension Term" and the "Second Extension Term", and collectively, the "Extension Term(s)").

(ii) Exercise of Option. Tenant must exercise its options to extend this Lease by:

(a) Giving Landlord written notice of its intention to do so (its "Notice of Intent") which shall be no later than one-hundred-eighty (180) days prior to the end of the initial Term, or the First Extension Term, as applicable, and

(b) After Market Rental Value has been determined as provided below, and after the Board of Supervisors has approved the exercise of the option to renew, by giving written notice of its election to exercise such option. It is understood that Tenant will not exercise its option until after the Board of Supervisors has approved doing so, which will not be prior to the determination of the Market Rental Value as provided below. If the Board of Supervisors has not approved the exercise of such option prior to ninety (90) days after the expiration of the Term of this Lease as then in effect, Tenant shall be entitled to a holdover tenancy as provided in this Lease.

(iii) Terms and Conditions of the Extension Terms. The Extension Terms shall be on all the terms and conditions of this Lease, except that the Basic Rent during the Extension Terms shall be equal to ninety-five percent (95%) of Market Rental Value for the Premises as of the commencement of the applicable Extension Term ("Adjusted Market Rental Value") to be determined as set forth below, and Landlord shall have no additional obligation for free rent, leasehold improvements or for any other tenant inducements for the Extension Terms, and Tenant or Landlord shall have the right to terminate this Lease at any time during the Extension Term(s) by giving the other party not less than 365 days prior written notice.

(iv) Agreement on Basic Rent. Landlord and Tenant shall have ninety (90) days after Landlord receives the Notice of Intent in which to agree on the Basic Rent during the applicable Extension Term. Basic Rent during the Extension Term(s) shall be the Adjusted Market Rental Value of the Premises calculated as of the date Tenant gives its Notice of Intent with respect to its first and second options to extend.

(v) Market Rental Value. The term "Market Rental Value" shall be the rental rate that comparable Premises in the market in which the Premises is located would command for the same term as the Extension Term on the open market at the time Tenant provides its Notice of Intent, as determined jointly by Landlord and Tenant. For purposes hereof, the term "comparable Premises" shall mean premises in a Building similar in size and location to the Building, excluding any improvements installed by Tenant in the Building. In determining the Market Rental Value, appropriate consideration shall be given to Tenant's credit worthiness; the annual amount per rentable square foot that Landlord has accepted in current transactions between non-affiliated parties from new, non-expansion, non-renewal and non-equity tenants of comparable credit-worthiness for comparable premises for a comparable use for a comparable period of time; the annual rental rates per square foot; the standard of measurement by which the rentable square footage is measured; the ratio of rentable square feet to usable square feet; the type of escalation clause (e.g., whether increases in additional rent are determined on a net or gross basis, and if gross, whether such

increases are determined according to a base year or a base dollar amount expense stop); the extent of Tenant's liability under the lease; parking rights and obligations; signage rights; abatement provisions reflecting free rent and/or no rent during the period of construction or subsequent to the commencement date as to the space in question; brokerage commissions, if any, which would be payable by Landlord in similar transactions; length of the lease term; size and location of the Building being leased; and other general applicable conditions of tenancy for such comparable transactions.

(vi) Opinions. Landlord shall submit its opinion of Market Rental Value to Tenant within fifteen (15) days after Landlord's receipt of the Notice of Intent, and Tenant shall respond thereto within ten (10) days thereafter by either (a) accepting Landlord's opinion of Market Rental Value (in which case, such Market Rental Value shall be used to determine Basic Rent during the Extension Term) or (b) submitting Tenant's opinion of Market Rental Value. If Landlord and Tenant cannot agree upon the Market Rental Value of the Premises within fifteen (15) days thereafter, then Landlord and Tenant within five (5) days shall each submit to each other their final written statement of Market Rental Value ("Final Statement"). Within ten (10) days thereafter Landlord and Tenant shall together appoint one real estate appraiser (who shall be a Member of the American Institute of Real Estate Appraisers, (or if both Landlord and Tenant agree, a certified property manager with ten (10) years experience) who will determine whether Landlord's or Tenant's Final Statement of Market Rental Value is the closest to the actual (in such appraiser's opinion) Market Rental Value of the Premises. If Landlord and Tenant cannot mutually agree upon an appraiser within said ten (10) day period, Tenant may apply to the Presiding Judge of the Superior Court for Los Angeles County, requesting said Judge to appoint an M.A.I. qualified appraiser. The appraiser so appointed shall promptly determine whether Landlord's or Tenant's Final Statement of Market Rental Value is the closest to the actual (in such appraisers' opinion) Market Rental Value of the Premises, and such Final Statement of Market Rental Value shall be the Market Rental Value used in determining Basic Rent during the Extension Term. The fees and expenses of the appraiser shall be borne equally by Landlord and Tenant. The appraiser appointed or selected pursuant to this Section shall have a minimum of ten years' experience appraising commercial properties in Los Angeles County.

(vii) Amendment of Lease. Immediately after the Board of Supervisors approves the exercise of any option granted pursuant to this Section 33, and such option is exercised, Landlord and Tenant shall execute an amendment to this Lease setting forth the new Basic Rent in effect.

5. RENT

Tenant shall pay Landlord the Basic Rent stated in Section 1 during the Term hereof within 15 days after a claim therefor for each such month has been filed by Landlord with the Auditor of the County of Los Angeles (the "County") prior to the first day of each month. Basic Rent for any partial month shall be prorated in proportion to the number of days in such month.

(a) CPI. From and after the first anniversary of the Commencement Date, on the first day of the first full calendar month thereafter (the "Adjustment Date") and on every anniversary of the Adjustment Date thereafter, Basic Rent shall be adjusted by applying the CPI Formula set forth below. The "Basic Index" shall be the Index published for the month of the preceding year.

(b) CPI Formula. The Index means the Consumer Price Index for all Urban Consumers for the Los Angeles-Anaheim-Riverside area, all items published by the United States Department of Labor, Bureau of Labor Statistics (1982-84=100). The "CPI Formula" means Basic Rent multiplied by a fraction, the numerator being the Index published for the month immediately preceding the month the adjustment is to be effective, and the denominator being the Index published for the month of the preceding year. If the Index is changed so that the Index differs from that used as of the preceding year of the Lease, the Index shall be converted in accordance with the conversion factor published by the United States Department of Labor, Bureau of Labor Statistics. If the Index is discontinued or revised during the Term of this Lease, such other governmental Index or computation with which it is replaced shall be used in order to obtain substantially the same results as would be obtained if the Index had not been discontinued or revised.

(c) Illustration of Formula. The formula for determining the new rent shall be as follows:

$$\begin{aligned} & \frac{\text{New Index}}{\text{Base Index}} \quad \times \text{ (Preceding Years' Basic Rent)} \\ & \pm \text{ Amount needed to amortize Tenant's Additional Tenant} \\ & \text{Improvements, if any} \\ & \pm \text{ Amount needed to amortize change order costs, if any} \\ & = \text{Monthly Basic Rent} \end{aligned}$$

(d) Limitations on CPI Adjustment. In no event shall the monthly Basic Rent adjustment based upon the CPI Formula result in an annual increase greater than five percent (5%) per year of the Basic Rent. In no event shall the monthly rent be adjusted by the CPI Formula to result in a lower monthly Basic Rent than was payable during the previous year of the Lease.

6. USES

The Premises are to be used only for the uses set forth in Section 1 and for no other business or purpose; however, Landlord shall not unreasonably withhold its consent to a change of use.

7. HOLDOVER

If Tenant remains in possession of the Premises or any part thereof after the expiration of the Term of this Lease, such occupancy shall be a tenancy which is terminable only upon 90 days written notice from Landlord or 90 days written notice from the Chief Executive Officer of Tenant at the last monthly Basic Rent payable under this Lease (as such Basic Rent may be adjusted from time to time in accordance with this Lease) plus all other charges payable under this Lease, and subject to all of the terms, covenants and conditions of this Lease.

8. COMPLIANCE WITH LAW

Tenant shall, at Tenant's expense, comply promptly with all applicable statutes, ordinances, rules, regulations, orders and requirements in effect during the term hereof,

regulating the use, occupancy or improvement of the Premises by Tenant. Landlord, not Tenant, shall, at its sole cost, at all times cause the Premises and the Building to comply with all applicable statutes, ordinances, rules, regulations, orders and requirements in effect and binding upon Tenant or Landlord during the term hereof, including without limitation, the Americans with Disabilities Act, except to the extent such compliance is made necessary as a result of Tenant's particular use of or alterations or improvements to the Premises.

9. DAMAGE OR DESTRUCTION

(a) Damage. In the event any portion of the Premises is damaged by fire or any other cause rendering the Premises totally or partially inaccessible or unusable and the Premises may be restored to a complete architectural unit of the same value, condition and character that existed immediately prior to such casualty in less than 180 days, then Landlord shall promptly, at Landlord's expense, repair such damage and this Lease shall continue in full force and effect. If all or any portion of the Premises shall be made untenable by fire or other casualty, Landlord shall immediately secure the area to prevent injury to persons and/or vandalism to the improvements. Landlord shall promptly, but in any event within ten days, cause an architect or general contractor selected by Landlord to provide Landlord and Tenant with a written estimate of the amount of time required to substantially complete the repair and restoration of the Premises and make the Premises tenantable again using standard working methods. The failure to do so shall be a material default hereunder. Basic Rent shall abate to the extent that the Premises are unusable by Tenant. Tenant waives the provisions of California Civil Code Sections 1932(2) and 1933(4) with respect to any partial or total destruction of the Premises.

(b) Tenant Termination Right. In the event any portion of the Premises is damaged by fire or any other cause rendering the Premises totally or partially inaccessible or unusable and the Premises will not be restored to a complete architectural unit of the same value, condition and character that existed immediately prior to such casualty in less than 180 days for any reason, then Tenant may terminate this Lease by giving written notice within ten days after notice from Landlord specifying such time period of repair; and this Lease shall terminate and the Basic Rent shall be abated from the date the Premises became untenable. In the event that Tenant does not elect to terminate this Lease, Landlord shall promptly commence and diligently prosecute to completion the repairs to the Building or Premises.

(c) Damage In Last Year. Notwithstanding the foregoing provisions, if any material destruction to the Premises occurs during the last year of the Term, either Landlord or Tenant may terminate this Lease by giving notice to the other not more than 30 days after such destruction, in which case (a) Landlord shall have no obligation to restore the Premises, (b) Landlord may retain all insurance proceeds relating to such destruction, and (c) this Lease shall terminate as of the date which is 30 days after such written notice of termination.

(d) Default By Landlord. If Landlord is required to repair and restore the Premises as provided for in this Section and Landlord should fail to thereafter pursue

said repair and restoration work with reasonable diligence to completion, Tenant may (a) declare a default hereunder, or (b) perform or cause to be performed the restoration work and deduct the cost thereof plus interest thereon at ten percent (10%) per annum, from the Basic Rent next due as a charge against the Landlord.

10. REPAIRS AND MAINTENANCE

(a) Landlord Representations. Landlord represents to Tenant that (i) the Premises, the Building and all Common Areas, (including electrical, heating, ventilating and air conditioning ("HVAC"), mechanical, plumbing, gas and fire/life safety systems in the Building and similar building service systems) comply with all current laws, codes, and ordinances, including use the Americans With Disabilities Act; and are in reasonable good working order and condition; (ii) the Building and Premises comply with all covenants, conditions, restrictions and underwriter's requirements; (iii) the Premises, Building and Common Areas are free of the presence of any Hazardous Materials (as hereinafter defined); and (iv) Landlord has not received any notice from any governmental agency that the Building or the Premises are in violation of any law or regulation. Landlord represents, based upon a professional inspection of the Premises and the Building and the Asbestos Report that the Premises and the Building contain no asbestos containing materials (other than as may be reflected in the Asbestos Report). Landlord shall, prior to Tenant's occupancy, abate, at Landlord's sole cost and expense, all asbestos containing materials to the extent required by law and provide Tenant with an updated report from a licensed California Asbestos contractor to that effect.

(b) Landlord Obligations. Landlord shall keep and maintain in good repair and working order and promptly make repairs to and perform maintenance upon and replace as needed: (i) the structural elements of the Building, including without limitation, all permanent exterior and interior walls, floors and ceilings, roof, concealed plumbing, stairways, concealed electrical systems and telephone intrabuilding network cable (ii) mechanical (including HVAC), electrical, plumbing and fire/life safety systems serving the Building (iii) the Common Areas; (iv) exterior windows of the Building; and (v) elevators serving the Building. Landlord, at its sole cost and expense, shall also perform all maintenance and repairs to the Premises, and shall keep the Premises in good condition and repair, reasonable wear and tear excepted. Landlord's repair obligations include, without limitation, repairs to: (1) the floor covering (if such floor covering is carpeting it shall be replaced as needed but not less often than after five years of use); (2) interior partitions; (3) doors; (4) the interior side of demising walls (which shall be repainted as needed but not less often than every five years); and (5) signage.

(c) Tenant Obligations. Without limiting Landlord's Obligations, Tenant shall, at Tenant's sole expense, be responsible for the cost of repairing any area damaged by Tenant or Tenant's agents, employees, invitees and visitors and the repair of low voltage electronic, phone and data cabling and related equipment that is installed by or for the exclusive benefit of Tenant. All repairs and replacements shall: (a) be made and performed by contractors or mechanics approved by Tenant, which consent shall not be unreasonably withheld or delayed; (b) be at least equal in quality, value and utility to the original work or installation; and (c) be in accordance with all laws.

(d) Tenant's Right to Repair. If Tenant provides written notice (or oral notice in the event of an emergency such as damage or destruction to or of any portion

of the Building structure and/or the Building systems and/or anything that could cause material disruption to Tenant's business) to Landlord of an event or circumstance which requires the action of Landlord with respect to repair and/or maintenance, and Landlord fails to provide such action within a reasonable period of time, given the circumstances, after the giving of such notice, but in any event not later than five days after the giving of such notice, then Tenant may proceed to take the required action (provided, however, that no such notice shall be required in the event of an emergency which threatens life or where there is imminent danger to property or a possibility that a failure to take immediate action could cause a material disruption in Tenant's normal and customary business activities). Tenant shall have access to the Building to the extent necessary to perform the work contemplated by this provision. If such action was required under the terms of this Lease to have been taken by Landlord and was not taken by Landlord within such period (unless such notice was not required as provided above), and Tenant took such required action, then Tenant shall be entitled to prompt reimbursement by Landlord of Tenant's reasonable costs and expenses in having taken such action plus interest thereon at ten percent (10%) per annum. If not reimbursed by Landlord within ten days, Tenant shall be entitled to deduct from Basic Rent payable by Tenant under this Lease the amount set forth in its invoice for such work. The remedies provided in this Section are in addition to the remedies provided in Section 14.

11. SERVICES AND UTILITIES

Landlord shall furnish the following services and utilities to the Premises:

(a) Heating, Ventilation and Air Conditioning. Landlord shall furnish heating, ventilation and air conditioning ("HVAC"), during Normal Working Hours Monday through Friday 6:30 AM to 6:30 PM, and Saturday from 8:00 AM to 1:00 PM, except County holidays, in amounts required for the use and occupancy of the Premises for normal office purposes to a standard comparable to other first-class buildings and not less than the standard set forth in Exhibit D attached hereto. Tenant may request after-hours use of HVAC, Monday through Friday 7:00 PM to 6:00 AM, and Saturday from 1:00 PM to Monday 6:00 AM

Landlord will provide the After Hours HVAC at the "Actual Cost" defined as the actual costs incurred by Landlord in providing any particular service. There shall be no start-up charges and minimum usage for After Hours HVAC service. The foregoing direct charges shall be payable by Tenant as Additional Rent. The rate for After Hours HVAC currently is forty dollars (\$40) per hour which Landlord and Tenant acknowledge is appropriate in accordance with the foregoing, and Landlord shall be entitled to increase such charge from time to time, upon at least thirty (30) days prior written notice to Tenant, but only to reflect increases in the cost of labor, electricity, water and water treatment in connection therewith.

In the event Landlord fails or refuses to pay any or all of the charges when due, Tenant may give Landlord ten (10) calendar days prior written notice and thereafter pay directly such charges and deduct the payments from the installments of rent next due as a charge against the Landlord, or the Tenant, at its sole discretion, may surrender the Premises and shall not be liable for any further rental under this Lease.

(b) Electricity. Landlord shall furnish to the Premises the amount of electric current provided for in the Working Drawings (if applicable) but in any event not less than seven watts of electric current (connected load) per square foot of

Rentable Square Feet in the Premises, for power and lighting and electric current for HVAC, and Landlord shall provide the existing or new transformers or subpanels on each floor of the Premises necessary for Tenant to utilize such capacity in the Premises.

(c) Elevators. Landlord shall furnish freight and passenger elevator services to the Premises during Normal Working Hours. During all other hours, Landlord shall furnish passenger elevator cab service in the elevator bank serving the Premises on an as needed basis, and, by prior arrangement with Landlord's building manager, freight elevator service.

(d) Water. Landlord shall make available water for normal lavatory and potable water meeting all applicable governmental standards for drinking purposes in the Premises.

(e) Janitorial. Landlord shall provide janitorial service on five nights per week generally consistent with that furnished in comparable office buildings in the County of Los Angeles, but not less than the services set forth in the specifications set forth in Exhibit E attached hereto.

(f) Access. Landlord shall furnish to Tenant's employees and agents access to the Building, Premises and Common Areas on a seven day per week, 24 hour per day basis, subject to compliance with such reasonable security measures as shall from time to time be in effect for the Building.

12. LANDLORD ACCESS

Tenant shall permit Landlord and its agents to enter the Premises upon prior written notice for the purpose of inspecting the Premises for any reasonable purpose. If Landlord temporarily closes any portion of the Building or Premises, Basic Rent shall be prorated based upon the percentage of the Premises or Building rendered untenable and not used by Tenant. Landlord shall have the right at any and all times to enter the Premises in the event of an emergency.

13. TENANT DEFAULT

(a) Default. The occurrence of any one or more of the following events (a "Tenant Default") shall constitute a material default and breach of this Lease by Tenant:

(i) The failure by Tenant to make any payment of Basic Rent or any other payment required to be made by Tenant hereunder (except to the extent an offset is expressly permitted hereunder), as and when due and if the failure continues for a period of ten days after written notice to Tenant;

(ii) The failure by Tenant to observe or perform any of the other covenants, conditions or provisions of this Lease, where such failure shall continue for a period of 30 days after written notice from Landlord specifying in detail the nature of the Tenant Default; provided, however, if more than 30 days are reasonably required for its cure then Tenant shall not be deemed to be in default if Tenant commences such cure within said 30-day period and thereafter diligently prosecutes such cure to completion.

(b) Termination. Tenant agrees that if a Tenant Default should occur and should not be cured within the time periods set forth above, it shall be lawful for Landlord to terminate this Lease upon the giving of written notice to Tenant. In addition thereto, Landlord shall have such other rights or remedies as may be provided by law.

(c) No Effect on Indemnity. Nothing in this Article shall be deemed to affect either Landlord or Tenant's right to indemnification under any indemnification clause or clauses set forth in this Lease.

14. LANDLORD DEFAULT

(a) Remedies. In addition to the provisions for Landlord's default provided by Sections 9(d), 10(c) 19 and 20(b), Landlord shall be in default ("Landlord Default") in the performance of any obligation required to be performed by Landlord under this Lease if Landlord has failed to perform such obligation within five days after the giving of written notice with respect thereto by Tenant (which notice shall be, if appropriate, the same notice given under Section 10(c)) ; provided, however, that if the nature of the Landlord Default is such that the same cannot reasonably be cured within such five day period, Landlord shall not be deemed to be in Landlord Default if Landlord shall within such period commence such cure and thereafter diligently prosecute the same to completion. If the Landlord Default is of such a nature that it materially and substantially interferes with Tenant's occupancy and use of the Premises and if such Landlord Default is not cured within the foregoing cure period, then Tenant shall have the right, at its option, with or without further notice or demand of any kind to Landlord or any other person, to any one or more of the following described remedies in addition to all other rights and remedies provided at law or in equity or elsewhere herein: (i) to remedy such default or breach and deduct the costs thereof (including but not limited to attorneys' fees) plus interest at the rate of ten (10%) per annum from the installments of Basic Rent next falling due; (ii) to pursue the remedy of specific performance; (iii) to seek money damages for loss arising from Landlord's failure to discharge its obligations under this Lease or offset such damages against Basic Rent next coming due; and/or (iv) to terminate this Lease.

(b) Waiver. Nothing herein contained shall relieve Landlord from its duty to effect the repair, replacement, correction or maintenance required to restore any affected services, or to perform any other obligations to the standard prescribed in this Lease, nor shall this Section be construed to obligate Tenant to undertake any such work.

(c) Emergency. Notwithstanding the foregoing cure period, Tenant may cure any default without notice where the failure promptly to cure such default would, in the reasonable opinion of Tenant, create or allow to persist an emergency condition or materially and adversely affect the operation of Tenant's business in the Premises.

15. ASSIGNMENT AND SUBLETTING

Tenant may assign, mortgage, encumber or otherwise transfer this Lease or sublet the whole or any part of the Premises without first obtaining Landlord's prior consent: provided, however, that no such assignment, subletting or other transfer shall relieve

Tenant of any liability under this Lease unless Landlord has given its written consent thereto, which Landlord shall not unreasonably withhold if the assignee has a financial condition which is reasonably sufficient for it to be responsible for all future obligations under this Lease.

16. ALTERATIONS AND ADDITIONS

(a) Landlord Consent. Tenant shall not make any structural alterations, improvements, additions, or utility installations in or about the Premises (collectively, "Alterations") without first obtaining the written consent of Landlord, which consent shall not be unreasonably withheld, conditioned or delayed. However, Landlord's consent shall not be required for any Alteration that satisfies all of the following criteria: (1) complies with all Laws; (2) is not visible from the exterior of the Premises or Building; (3) will not materially affect the systems or structure of the Building; and (4) does not unreasonably interfere with the normal and customary business office operations of other tenants in the Building. If Landlord fails to respond in writing within 30 days of such request, Landlord shall be deemed to approve the Alterations.

(b) End of Term. Any Alterations not removed by Tenant shall become the property of Landlord and remain upon and be surrendered with the Premises at the expiration of the Term.

17. CONDEMNATION

(a) Controlling Terms. If during the Term, or during the period of time between the execution of this Lease and the Commencement Date, there is any taking of all or any part of the Premises or any interest in this Lease by Condemnation (as defined below), this Section shall determine the rights and obligations of Tenant and Landlord. "Condemnation" shall mean the exercise of any governmental power to take title to any portion of the Premises, whether by legal proceedings or otherwise, by a Condemnor (as defined below) or a voluntary sale or transfer by Landlord to any Condemnor, either under threat of a Condemnor's exercise of such power or while legal proceedings are pending for the exercise of such power. "Condemnor" shall mean any public or quasi-public authority, or private corporation or individual, having the power of Condemnation.

(b) Total Taking. If the Premises are totally taken by Condemnation, this Lease shall terminate on the date the Condemnor has a right to possession of the Premises (the "Date of Taking").

(c) Partial Taking. If any portion, but not all, of the Premises is taken by Condemnation, this Lease shall remain in effect, except that Tenant may elect to terminate this Lease if, in Tenant's reasonable judgment, the remaining portion of the Premises (including the space available for parking) is rendered unsuitable for Tenant's continued use of the Premises. If Tenant elects to so terminate this Lease, Tenant must exercise its right to terminate by giving notice to Landlord within 30 days after the date that the nature and the extent of the Condemnation have been determined (the "Determination Date"), which notice shall set forth the date of termination. Such

termination date shall not be earlier than 30 days nor later than 90 days after Tenant has notified Landlord of its election to terminate; except that this Lease shall terminate on the Date of Taking if the Date of Taking falls on a date before the date of termination as designated by Tenant. If Tenant does not so notify Landlord within 30 days after the Determination Date, all obligations of Tenant under this Lease shall remain in effect, except that Basic Rent shall be equitably abated.

(d) Restoration. Notwithstanding the preceding paragraph, if, within 30 days after the Determination Date, Landlord notifies Tenant that Landlord at its cost will add to the remaining Premises so that the area of the Premises and the space available for parking, will be substantially the same after the Date of Taking as they were before the Date of Taking, and Landlord commences the restoration promptly and, subject to reasonable allowance for delays that are not caused by Landlord, completes it within 90 days after Landlord so notifies Tenant, this Lease shall continue in effect. All obligations of Tenant under this Lease shall remain in effect, except that Basic Rent shall be equitably abated or reduced during the period from the Date of Taking until the completion of such restoration.

(e) Award. The Award (as defined below) shall be divided between Landlord and Tenant as their respective interests may appear. "Award" shall mean all compensation, sums or anything of value awarded, paid or received on a total or partial Condemnation of the Premises.

(f) Waiver of Statute. Landlord and Tenant hereby waive the provision of California Code of Civil Procedure Section 1265.130 allowing Landlord or Tenant to petition the superior court to terminate this Lease in the event of a partial taking of the Premises.

18. INDEMNIFICATION.

(a) Tenant's Indemnity. Tenant shall indemnify, defend and hold Landlord harmless from and against all loss, cost and expense, including attorneys' fees, arising from any injury or damage to any person or property, occurring in or about the Building or Premises as a result of any negligent act, omission or willful misconduct of Tenant or its employees, or arising from any breach or default under this Lease by Tenant. The foregoing provisions shall not be construed to make Tenant responsible for loss, damage, liability or expense resulting from injuries to third parties caused by the negligence or willful misconduct of Landlord, or its officers, contractors, licensees, agents, employees or invitees. Nothing in this Lease shall be construed to waive, limit, or supersede any of Tenant's rights or immunities under the California Labor Code, including but not limited to a waiver pursuant to Labor Code section 3864.

(b) Landlord's Indemnity. Landlord shall indemnify, defend and hold Tenant harmless from and against all loss, cost and expense, including attorneys' fees, arising from any injury or damage to any person or property, occurring in or about the Building or Premises as a result of any negligent act, omission or willful misconduct of Landlord, or its officers, contractors, licensees, agents, employees, guests, or visitors,

or arising from any breach or default under this Lease by Landlord. The foregoing provisions shall not be construed to make Landlord responsible for loss, damage, liability or expense resulting from injuries to third parties caused by the negligence or willful misconduct of Tenant, or its officers, contractors, licensees, agents, employees or invitees.

19. INSURANCE.

(a) Landlord's Insurance. During the term of this Lease, Landlord shall maintain the following insurance:

(i) Commercial property insurance which shall (1) cover damage to Landlord's property, including improvements and betterments, from perils covered by the causes-of-loss special form (ISO form CP 10 30), and include ordinance or law coverage (and coverage against acts of terrorism to the extent such coverage is reasonably available and priced at commercially reasonable rates); and (2) be written for full replacement cost of the property, with a deductible of no greater than 5% of the property value. Landlord shall carry insurance on any furniture and furnishings which will become the property of Tenant at the expiration of the Term and on all modular furniture installed in the Premises. Insurance proceeds shall be payable to Landlord and Tenant as their interests may appear and be utilized for repair and restoration of the Premises.

(ii) General liability insurance (written on ISO policy form CG 00 01 or its equivalent) with limits of not less than the following: (1) per occurrence and general aggregate amount of \$5,000,000; (2) products/completed operations aggregate of \$2,000,000; and (3) personal and advertising injury of \$1,000,000.

(iii) Failure by Landlord to maintain the insurance required by this Section and deliver evidence thereof as required by this Lease or to use any insurance proceeds to timely repair and restore the Premises shall constitute a material breach of this Lease.

(b) Insurance Requirements. All insurance policies required to be maintained by Landlord under this Lease shall be issued by insurance companies which have a Best's Rating of "AVII" or better and which are qualified to do business in the State of California. All liability and property damage and other casualty policies of Landlord shall be written as primary policies, not contributing with, and not in excess of coverage which Tenant may carry.

(c) Certificates. Landlord shall deliver to Tenant on the Commencement Date of this Lease and thereafter at least 15 days prior to expiration of any insurance required to be carried hereunder, certificates of insurance evidencing this coverage with limits not less than those specified above. Certificates shall include the address of the leased premises and must document that each party has named the other as an additional insured (or its equivalent) on its general liability and property insurance policy, and that Tenant has been named a loss payee on Landlord's commercial property insurance policy, as required. Further, all certificates shall expressly provide that no less than 30 days' prior written notice shall be given to Tenant in the event of

material change to, expiration or cancellation of the coverages or policies evidenced by the certificates.

(d) Waiver of Subrogation. Landlord and Tenant each hereby waive their rights of subrogation against one another to the extent it is covered by the property insurance policies required to be carried hereunder. Landlord shall cause its insurance carriers to consent to the foregoing waiver of rights of subrogation against Tenant.

20. PARKING.

(a) Tenant's Rights. Tenant shall have the right to the number of exclusive parking stalls set forth in Section 1 without charge for the Term of this Lease described as follows: twelve (12) off-street parking stalls in the Building Second Floor, and twenty (20) off-street parking stalls in the Building Levels P-2 and P-3. Tenant shall also have the right to the number of non-exclusive parking stalls set forth in Section 1 without charge for the Term of this Lease described as follows: seventy-eight (78) off-street in-and-out parking spaces in the surface parking lot adjacent to the Building, more particularly identified as 230, 236, and 240 South Hill Street, and 213, 229, and 245 South Broadway Street. No tandem parking shall be permitted and Tenant shall be entitled to full in/out privileges. Tenant's parking rights shall be subject to reasonable parking rules and regulations adopted by Landlord from time to time, provided that such procedures shall be uniformly applied to all tenants. Tenant acknowledges that all other parking spaces are not for the exclusive use of Tenant, rather, all such parking spaces are to be used on a non-exclusive, first-come, first-served basis by Tenant and other tenants, occupants, licensees, invitees, and permittees of the Building.

In the event Landlord is unable to provide tenant up to, but not more than, seventy-eight (78) off-street parking spaces in the surface parking lot adjacent to the Building, Landlord, at its sole cost and expense, shall provide for the non-exclusive use by Tenant during the term of this Lease and Agreement, or during any renewal or holdover period as the case may be, at not more than the herein prevailing rate, seventy-eight (78) off-street in-and-out parking spaces located on site or at the following structured and surface parking lots: 1) 235 South Hill Street; 2) 252 South Hill Street; 3) 213 South Spring Street; 4) 200 South Broadway Street; 5) 208 South Broadway Street; 6) 201 South Spring Street; 7) 236 South Broadway Street; 8) 239 South Spring Street; 9) 245 South Spring Street; and 10) 130 South Olive Street. Tandem spaces may be included if Landlord provides parking on-site with valet or attendant service. Landlord shall make its best effort to provide all parking on-site. Landlord shall make its best effort to contract for the use of the Preferred Off-Site Parking in the order of preference specified in this paragraph 20. Cost alone shall not be an exclusionary factor in determining which structure(s) or lot(s) shall be excluded from consideration. Rather, cost and availability shall be the determining factors. Landlord shall use best effort to provide Tenant with seventy-eight (78) off-street in-and-out parking spaces at all times.

(b) Remedies. Landlord acknowledges that it is a material term of this Lease that Tenant receive all of the Parking Spaces to which it is entitled under this Lease for the entire Term of this Lease and that it would be impracticable and extremely difficult to fix the actual damages for a breach of such provisions. It is therefore agreed

that if, for any reason whatsoever, a material number of the Parking Spaces required above are not available to Tenant, (in addition to the rights given to Tenant under Section 14 and Sections 9 and 17 in the event of casualty or condemnation) Tenant may (a) terminate this Lease by giving written notice of such termination to Landlord, which notice shall be effective 30 days thereafter or (b) deduct from the Basic Rent thereafter accruing hereunder an amount each month equal to the Basic Rent times the percentage of Parking Spaces not so provided times 1.5 but such deduction from Basic Rent shall be not less than ten percent (10%) nor more than one hundred percent (100%).

21. ENVIRONMENTAL MATTERS

(a) Hazardous Materials. Tenant shall not cause nor permit, nor allow any of Tenant's employees, agents, customers, visitors, invitees, licensees, contractors, assignees or subtenants to cause or permit, any Hazardous Materials to be brought upon, stored, manufactured, generated, blended, handled, recycled, treated, disposed or used on, under or about the Premises, the Building or the Common Areas, except for routine office and janitorial supplies in usual and customary quantities stored, used and disposed of in accordance with all applicable Environmental Laws. As used herein, "Hazardous Materials" means any chemical, substance, material, controlled substance, object, condition, waste, living organism or combination thereof, whether solid, semi solid, liquid or gaseous, which is or may be hazardous to human health or safety or to the environment due to its radioactivity, ignitability, corrosivity, reactivity, explosivity, toxicity, carcinogenicity, mutagenicity, phytotoxicity, infectiousness or other harmful or potentially harmful properties or effects, including, without limitation, molds, toxic levels of bacteria, tobacco smoke within the Premises, petroleum and petroleum products, asbestos, radon, polychlorinated biphenyls (PCBs), refrigerants (including those substances defined in the Environmental Protection Agency's "Refrigerant Recycling Rule," as amended from time to time) and all of those chemicals, substances, materials, controlled substances, objects, conditions, wastes, living organisms or combinations thereof which are now or become in the future listed, defined or regulated in any manner by any Environmental Law based upon, directly or indirectly, such properties or effects. As used herein, "Environmental Laws" means any and all federal, state or local environmental, health and/or safety-related laws, regulations, standards, decisions of courts, ordinances, rules, codes, orders, decrees, directives, guidelines, permits or permit conditions, currently existing and as amended, enacted, issued or adopted in the future which are or become applicable to Tenant, the Premises, the Building or the Common Areas.

(b) Landlord Indemnity. Landlord shall indemnify, protect, defend (by counsel acceptable to Tenant) and hold harmless Tenant from and against any and all claims, judgments, causes of action, damage, penalties, fine, taxes, costs, liabilities, losses and expenses arising at any time during or after the Term as a result (directly or indirectly) of or in connection with the presence of Hazardous Materials on, under or about the Premises, Building or Common Areas or other violation of laws relating to Hazardous Materials other than caused by Tenant. This indemnity shall include, without limitation, the cost of any required or necessary repair, cleanup or detoxification, and the preparation and implementation of any closure, monitoring or other required plans,

as such action is required by local or state laws or any governmental agency. Landlord shall promptly deliver to Tenant a copy of any notice received from any governmental agency during the Term of this Lease concerning the presence of Hazardous Materials in the Building or the Premises. Landlord's obligations pursuant to the foregoing indemnity shall survive the expiration or termination of this Lease. A default by Landlord under this Section shall constitute a material default under this Lease.

22. ESTOPPEL CERTIFICATES.

Tenant shall, within 30 days after written request of Landlord, execute, acknowledge and deliver to Landlord or its designee a written statement in the form of Document II in the Supplemental Lease Documents delivered to Landlord concurrently herewith (properly completed) but shall have no other obligation to deliver any other form of estoppel certificate. It is intended that any such statement delivered pursuant to this Section may be relied upon by a prospective purchaser of Landlord's interest or holder of any mortgage upon Landlord's interest in the Premises.

23. LIENS

Tenant shall keep its interest in this Lease and the Premises free from any liens arising out of any work performed or materials ordered or obligations incurred by Tenant. Landlord shall keep its interest in this Lease and the Premises free from any liens which would impair the interest of Tenant hereunder and hereby indemnifies and holds Tenant harmless from any liability or loss from any such lien.

24. SUBORDINATION AND MORTGAGES

(a) Subordination and Non-Disturbance. Tenant agrees, at Landlord's option, to subordinate this Lease to the lien of any mortgages or deeds of trust now or hereafter in force against the Building; provided, however, Tenant's obligation to subordinate this Lease is expressly conditioned upon Tenant receiving a written agreement in the form of Document I in the Supplemental Lease Documents delivered to Landlord concurrently herewith and provided further that no such subordination shall affect any option to extend the Term of this Lease, right of first offer to lease additional premises, option to purchase or right of first offer to purchase the Property which may be included herein.

(b) Existing Deeds of Trust. The beneficiary under any existing deed of trust affecting the Building shall provide a written agreement to Tenant in the form of Document I in the Supplemental Lease Documents delivered to Landlord concurrently herewith within 30 days after the execution of this Lease.

(c) Request for Notice. Landlord acknowledges that Tenant intends to record a Request for Notice with respect to any mortgages or deeds of trust affecting the Property in the form of Document V in the Supplemental Lease Documents delivered to Landlord concurrently herewith.

(d) Notice of Default. If any mortgagee or beneficiary under a deed of trust affecting the Property gives written notice of its name and address to Tenant by

registered mail requesting any such notice with reference to this Section, Tenant agrees to use its best efforts (but without liability for failure to do so) to give such mortgagee a copy of any notice of default served upon Landlord hereunder which could permit Tenant to terminate this Lease and an additional ten (10) days within which to cure such default.

25. SURRENDER OF POSSESSION

Subject to casualty, at the expiration of the Term of this Lease, whether by lapse of time or otherwise, Tenant shall promptly and peacefully surrender the Premises to Landlord in a "broom-clean" condition. Tenant may (but shall not be required to) remove, at its own expense, all fixtures, equipment and all other personal property placed or installed in or upon the Premises by Tenant, or under its authority (including any modular furniture).

26. SIGNAGE

Tenant shall be permitted to install at the Premises reasonably appropriate signs that conform with any and all applicable laws and ordinances.

27. QUIET ENJOYMENT

So long as Tenant is not in default hereunder, Tenant shall have the right to the quiet and peaceful enjoyment and possession of the Premises and the Common Areas during the Term of this Lease, subject to the terms and conditions of this Lease.

28. GENERAL

(a) Headings. Titles to Sections of this Lease are not a part of this Lease and shall have no effect upon the construction or interpretation of any part hereof.

(b) Successors and Assigns. All of the covenants, agreements, terms and conditions contained in this Lease shall inure to and be binding upon the Landlord and Tenant and their respective successors and assigns.

(c) Brokers. Landlord and Tenant each represent and warrant to each other that it has not engaged any broker, finder or other person who would be entitled to any commission or fees in respect of the negotiation, execution or delivery of this Lease other than as disclosed to the other in writing and shall indemnify and hold harmless each other against any loss, cost, liability or expense incurred by the other party as a result of any claim asserted by any such broker, finder or other person on the basis of any arrangements or agreements made or alleged to have been made in variance with this representation. Tenant shall receive from Landlord or Landlord's broker, within ten (10) days after the execution of this Lease, an amount equal to 50% of all commissions due to Landlord's broker as a result of the execution of this Lease.

(d) Entire Agreement. This Lease (and the Landlord's Work Letter and Supplemental Lease Documents) is the final and complete expression of Landlord and Tenant relating in any manner to the leasing, use and occupancy of the Premises, to Tenant's use of the Building and other matters set forth in this Lease. No prior agreements or understanding pertaining to the same shall be valid or of any force or

effect and the covenants and agreements of this Lease shall not be altered, modified or added to except in writing signed by both Landlord and Tenant.

(e) Severability. Any provision of this Lease which shall prove to be invalid, void or illegal shall in no way affect, impair or invalidate any other provision hereof and the remaining provisions hereof shall nevertheless remain in full force and effect.

(f) Notices. All notices and communications to any party hereunder shall be in writing and shall be deemed properly given if delivered personally, sent by registered or certified mail, postage prepaid, or by a recognized overnight commercial messenger providing proof of delivery, facsimile (electronically confirmed) to Landlord's Address for Notice and Tenant's Address for Notice as set forth in Section 1. Any notice so given shall be deemed to have been given as of the date of delivery (whether accepted or refused) established by U.S. Post Office return receipt or the overnight carrier's proof of delivery, as the case may be. Any such notice not so given shall be deemed given upon receipt of the same by the party to whom the same is to be given.

(g) Governing Law and Forum. This Lease shall be governed by and construed in accordance with the internal laws of the State of California. Any litigation with respect to this Lease shall be conducted in the County of Los Angeles, State of California.

(h) Waivers. No waiver by Landlord or Tenant of any provision hereof shall be deemed a waiver of any other provision hereof or of any subsequent breach by Landlord or Tenant of the same or any other provision. Landlord's or Tenant's consent to or approval of any act shall not be deemed to render unnecessary the obtaining of Landlord's or Tenant's consent to or approval of any subsequent act by Landlord or Tenant.

(i) Time of Essence. Time is of the essence for the performance of all of the obligations specified hereunder.

(j) Consent. Whenever any consent is required by Landlord or Tenant hereunder, such consent shall not be unreasonably withheld, conditioned or delayed and, unless otherwise specifically provided herein, shall be deemed granted if not refused within ten (10) days after written request is made therefore, together with all necessary information.

(k) Community Business Enterprises. Landlord shall complete and deliver to Tenant concurrently with the execution hereof a Community Business Enterprises form set forth as Document III in the Supplemental Lease Documents delivered to Landlord concurrently herewith.

(l) Memorandum of Lease. If requested by Tenant, Landlord and Tenant shall execute and acknowledge a Memorandum of Lease in the form of Document IV in the Supplemental Lease Documents delivered to Landlord concurrently herewith, which Memorandum may be recorded by Tenant in the Official Records of Los Angeles County.

29. AUTHORITY

Only the Board of Supervisors has the authority, by formally approving and/or executing this Lease, to bind the County to the terms included herein. Each individual executing this Lease on behalf of Tenant represents and warrants that he or she is duly authorized to execute and deliver this Lease on behalf of Tenant, and that this Lease is binding upon Tenant in accordance with its terms. Landlord understands that no material terms of this Lease may be altered or deleted, nor may any new material terms be added to this Lease, without the express written approval of the Board of Supervisors, either through an amendment to the Lease or by other formal board action. No County officer, employee, agent or independent contractor has any authority to alter, add or delete the material terms of this Lease and Landlord may not rely upon any representations to the contrary. This limitation of authority applies to all material terms of the Lease including, without limitation, any monetary ceiling established for Tenant Improvements or other project costs of Landlord which are subject to reimbursement by County. County shall not reimburse Landlord for any expenses which exceed this ceiling. Notwithstanding the foregoing, the Chief Executive Officer of the County or its delegee (the "Chief Executive Officer") may take any administrative act on behalf of Tenant hereunder which does not have the effect of increasing Basic Rent or other financial obligations of Tenant under this Lease, including without limitation, granting any approvals, terminating this Lease in the manner provided herein by an Early Termination Notice or otherwise, signing estoppel certificates, signing the Commencement Date Memorandum and Confirmation of Lease Terms or subordinating this Lease. Each individual executing this Lease on behalf of Landlord represents and warrants that he or she is duly authorized to execute and deliver this Lease on behalf of Landlord, and that this Lease is binding upon Landlord in accordance with its terms.

30. ACKNOWLEDGMENT BY LANDLORD

Landlord acknowledges that it is aware of the following provisions:

(a) Consideration of GAIN Program Participants. Should Landlord require additional or replacement personnel after the effective date of this Lease, Landlord shall give consideration for any such employment, openings to participants in the County Department of Public Social Services' Greater Avenues for Independence ("GAIN") Program who meet Landlord's minimum qualifications for the open position. The County will refer GAIN participants by job category to Landlord.

(b) Solicitation of Consideration. It is improper for any County officer, employee or agent to solicit consideration in any form from a landlord with the implication, suggestion or statement that the landlord's provision of the consideration may secure more favorable treatment for the landlord in the award of the Lease or that landlord's failure to provide such consideration may negatively affect the County's consideration of the landlord's offer to lease. A landlord shall not offer or give, either directly or through an intermediary, consideration in any form to a County officer, employee or agent for the purpose of securing favorable treatment with respect to the award of the Lease.

Landlord shall immediately report any attempt by a County officer, employee or agent to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the

County Auditor-Controller's Employee Fraud Hotline at (213) 974-0914 or (800) 544-6861. Failure to report such solicitation may result in the landlord's submission being eliminated from consideration.

(c) Landlord Assignment.

(i) Landlord may assign, transfer, mortgage, hypothecate or encumber Landlord's right, title and interest in and to this Lease or any portion thereof (including the right to receive rental payments but excluding its duties and obligations hereunder), and Landlord may execute any and all instruments providing for the payment of Basic Rent directly to an assignee or transferee, but only if the conditions set forth in this Section are met.

(ii) Any document or agreement purporting to assign, transfer, mortgage, hypothecate or encumber Landlord's right, title and interest in and to this Lease or any portion thereof, is hereinafter referred to as a "Security Agreement." Any Security Agreement which is executed without full compliance with the requirements of this Section shall be void.

(iii) Each assignee or transferee under the Security Agreement shall certify and agree in writing that such assignee or transferee has read and is familiar with the requirements of Sections 5950-5955 of the California Government Code, which prohibits the offer or sale of any security constituting a fractional interest in this Lease or any portion thereof, without the prior written consent of the County. Notwithstanding the foregoing, the County hereby acknowledges and agrees that Landlord shall have the right to encumber the Property with CMBS (collateralized mortgage backed securities) financing or other traditional real estate financing. However, Landlord may not encumber the Property through any type of bond financing vehicle, including but not limited to certificate of participation financing.

(iv) Violation by Landlord of the provisions of Section 5951 of the California Government Code will constitute a material breach of this Lease, upon which the County may impose damages in an amount equal to the greater of (a) \$500,000 or (b) 10% of the aggregate principal portion of all rental payments payable by the County during the entire Term of this Lease, it being expressly agreed that the aforesaid amount shall be imposed as liquidated damages, and not as a forfeiture or penalty. It is further specifically agreed that the aforesaid amount is presumed to be the amount of damages sustained by reason of any such violation, because from the circumstances and nature of the violation it would be impracticable and extremely difficult to fix actual damages. In addition, the County may exercise or pursue any other right or remedy it may have under this Lease or applicable law.

(v) Landlord shall give the County notice and a copy of each Security Agreement and any other instrument relating thereto (including, but not limited to, instruments providing for the payment of Basic Rent directly to an assignee or transferee) at least two weeks prior to the effective date thereof.

(vi) Landlord shall not furnish any information concerning County or the subject matter of this Lease (including, but not limited to, offering memoranda,

financial statements, economic and demographic information, and legal opinions rendered by the office of counsel for the County) to any person or entity, except with County's prior written consent. Landlord shall indemnify, defend and hold County and its officers, agents and employees harmless from and against all claims and liability alleged to arise from the inaccuracy or incompleteness of any information furnished by Landlord in violation of this Section.

(vii) The provisions of this Section shall be binding upon and applicable to the parties hereto and their respective successors and assigns. Whenever in this Section Landlord is referred to, such reference shall be deemed to include Landlord's successors or assigns, and all covenants and agreements by or on behalf of Landlord herein shall bind and apply to Landlord's successors and assigns whether so expressed or not.

31. IRREVOCABLE OFFER

In consideration for the time and expense that Tenant will invest, including, but not limited to, lease preparation, and legal review conducted in reliance on Landlord's agreement to lease the Premises to Tenant under the terms of this Lease, Landlord irrevocably offers to enter into this Lease and not to revoke this offer until the Irrevocable Offer Expiration Date, as defined in Section 1.

32. PREPARATION OF PREMISES

(d) Landlord, at its sole cost and expense, shall paint the entire Premises, install new carpet squares throughout the entire Premises, which installation shall include without limitation the lifting and replacement of the modular furniture, replace all non-functioning HVAC units with new units, and repair all mal-functioning HVAC units within the Premises. Landlord shall perform all Preparation of Premises work after normal business hours and on weekends, or during normal business hours as long as there is no disruption of office operations. Landlord shall complete the Preparation of the Premises work within one sixty (60) days of the Lease Commencement Date (the "Completion Deadline").

(e) The Completion Deadline shall be delayed on a one-to-one basis for each day Landlord's Preparation of Premises is delayed by:

(i) Acts or omissions of Lessee or of any employees or agents of Lessee (including without limitation change orders in the work), or

(ii) Any act of God which Lessor could not have reasonably foreseen and provided for, or

(iii) Any strikes, boycotts or like obstructive acts by employees or agents of Lessor or labor organizations which Lessor cannot overcome with reasonable effort and could not reasonably have foreseen and provided for, or

(iv) Any war or declaration of a state of national emergency, or

(v) The imposition by government action or authority of restrictions upon the procurement of labor or materials necessary for the completion of the Building and/or Premises.

(c) In the event Landlord should fail, neglect or refuse to commence work on Tenant's Preparation of Premises as required by this Paragraph 33, or fail, neglect or refuse to pursue Tenant's Preparation of Premises with reasonable diligence to completion, then Tenant at its sole discretion may perform or cause to be performed said Preparation of Premises and deduct the cost thereof from the installments of rent next due as a charge to the Landlord.

The Premises shall meet all applicable City, County, State and Federal building codes, regulations and ordinances required for beneficial occupancy before the Preparation of Premises shall be deemed complete.

(d) If Tenant's Preparation of Premises has not been completed within sixty (60) days from the Lease Commencement Date, Tenant may, at its option:

(i) Cancel the Lease upon thirty (30) days written notice to Landlord; or

(ii) Upon thirty (30) days written notice to Landlord, assume the responsibility for providing the Preparation of Premises itself.

(e) If Tenant elects to provide the Preparation of Premises itself, then:

(i) Tenant, its officers, employees, agents, contractors and assignees, shall have free access to the Premises at all reasonable times for the purpose of the Preparation of Premises and for any other purposes reasonably related thereto; and

(ii) Rent shall be reduced by Tenant's total expense in providing the Preparation of Premises, including any financing charges for capital and a reasonable amount for Tenant's administrative costs, and including without limitation interest at the rate of ten percent (10%). The rent reduction schedule shall be as mutually agreed between the parties or, if no such agreement is made, Tenant's total expense shall be fully amortized in equal monthly amounts over the remaining Lease term.

33. Right of First Offer to Lease Additional Premises.

(a) Provided that no material Default has occurred and is continuing under the Lease, if at any time prior to the last twelve (12) months of the Term, Landlord intends to offer leasable space located contiguous to the Premises (the "Additional Premises") for lease to third parties or to accept an offer of a third party to lease the Additional Premises, Landlord shall first give written notice to Tenant of the rental rate and other material terms upon which Landlord is willing to lease the Additional Premises ("Landlord's Lease Notice"). Landlord's Lease Notice shall constitute an offer to lease the Additional Premises to Tenant at the rental rate and upon the terms and conditions contained in Landlord's Lease Notice and shall state the anticipated date of availability of the Additional Premises. Tenant shall have thirty (30) days after receipt of Landlord's Lease Notice to accept such offer. Tenant shall accept such offer, if at all, only by delivery to Landlord of Tenant's irrevocable written commitment to lease the Additional Premises at the rental rate and upon the terms and conditions contained in Landlord's Lease Notice (the "Expansion Commitment").

(b) If Tenant delivers to Landlord the Expansion Commitment within such thirty (30) day period, all (but not part) of the Additional Premises shall be leased

to Tenant commencing on the earlier of (a) the date Tenant first uses the Additional Premises for the Permitted Use; or (b) thirty (30) days after Landlord provides Tenant with possession of the Additional Premises and continuing for a period of time coterminous with the remaining Term, including any options to extend the Term. Tenant shall lease the Additional Premises upon the same terms, conditions and covenants as are contained in the Lease except that (i) the Basic Rent for the Additional Premises shall be at the rate set forth in Landlord's Lease Notice, and (ii) any terms and conditions set forth in Landlord's Lease Notice that vary from the terms and conditions of the Lease shall control.

(c) Except as otherwise set forth in Landlord's Lease Notice, possession of the Additional Premises shall be delivered to Tenant on an "as-is" basis. Landlord shall prepare, and Landlord and Tenant shall execute and deliver, a written agreement modifying and supplementing the Lease and specifying that the Additional Premises are part of the Premises and, except as otherwise specified in Landlord's Lease Notice, subject to all of the terms and conditions of the Lease.

(d) Time is of the essence with respect to the exercise by Tenant of its rights granted hereunder. In the event Tenant fails to deliver to Landlord Tenant's Expansion Commitment within the thirty (30) day period prescribed above, all rights of Tenant to lease the Additional Premises shall terminate and Landlord shall have no further obligation to notify Tenant of any proposed leasing of the Additional Premises, and Landlord shall thereafter have the unconditional right to lease the Additional Premises to third parties or to accept offers from third parties to lease the Additional Premises without further obligation to Tenant. The rights granted to Tenant under this Section 33 shall not apply to any sales or similar transfers of the Additional Premises.

(e) Consideration for Tenant's Right of First Offer to Lease Additional Premises are the mutual rights and obligations between the parties, including but not limited to payment of Rent, under this Lease.

34. Right to Reduce the Premises.

At or any time during the original term of this lease, or the Extension Term(s), as the case may be, Tenant, in its sole discretion and upon not less than sixty (60) days prior written notice by Chief Executive Office letter to Landlord, shall have the right to reduce the sixth floor leased Premises in its entirety.

In the event Tenant elects to reduce the leased premises, the monthly base rent shall be reduced in an amount proportionate to the reduction in the leased area of the Premises. Tenant shall provide sixty (60) days prior written notification to Landlord indicating the reduction to the leased premises, the new monthly base rent and the effective date of such reduction.

All measurements of the reduction area shall be in accordance with the methods of measuring rentable area as described in the Standard Method for Measuring Floor Area in Office Buildings, ANSI Z65.1-1996, as promulgated by the Building Owners and Management Association (BOMA) International.

In the event of such reduction, the parking spaces allocated to Tenant shall be reduced in an amount proportionate to the reduction in the leased area of the Premises, and any subsequent Rental Adjustments pursuant to Paragraph 5 herein shall also be reduced accordingly.

IN WITNESS WHEREOF this Lease has been executed the day and year first above set forth.

To the extent that the Base Building Improvements must be changed or added to in order to accommodate the special needs of Tenant in the Premises, such changes or additions shall be considered Tenant Improvements (as defined below) only to the extent such changes or additions are specifically described in Addendum B hereto.

2.2. Additional Costs Not Tenant Improvement Costs

- a. In the event that the Building as initially constructed does not comply with current life-fire safety codes, disabled access codes (including, without limitation, the ADA), and/or earthquake safety codes, and Landlord incurs increased design or construction costs that it would not have incurred had the Building been in compliance with such codes, such costs shall not be included in the calculation of Tenant Improvement Costs as defined below and Tenant shall have no financial responsibility for such costs.
- b. Any work that Landlord must undertake to cause the Premises to comply with the access requirements of the ADA or make existing building systems, including, but not limited to, electrical service and HVAC equipment, fully operational shall be at Landlord's sole cost and expense. Tenant Improvement Costs shall not include any costs associated with (i) asbestos abatement or compliance with the

Hazardous Materials provision of the Lease, including all expenses associated with curing any "Sick Building Syndromes", (ii) fire sprinkler system installation or upgrade, (iii) conversion of air conditioning systems to eliminate use of CFC refrigerants that are harmful to the atmosphere, (iv) utility costs incurred during construction, (v) costs incurred in order to cause the Premises to comply with any mechanical or electrical requirements set forth in the Lease, or (v) supervision or overhead costs of Landlord.

- c. Landlord shall be solely responsible for all costs and expenses necessary to increase permitted structural floor loading in order to accommodate Tenant's libraries, file rooms, unusual live loads and other such uses.

2.3. Base Building Plans

Landlord has delivered to Tenant "as built" plans and specifications for the Building in an AutoCAD 2000 format. In the event Tenant incurs additional costs because such plans and specifications are incomplete or inaccurate, such increased costs will be reimbursed to Tenant and any delay caused thereby shall not be a Tenant Delay, as defined below.

3. SELECTION OF ARCHITECT AND ENGINEER

The Architect and the Engineer shall be selected by Landlord subject to Tenant's consent, which consent shall not be unreasonably withheld, and which consent (or refusal to consent for reasonable reasons) shall be granted within three (3) business days after Landlord has submitted the name of the Architect and the Engineer to Tenant together with detailed proposals outlining the cost for design/engineering services. This procedure shall be repeated until the Architect and the Engineer is/are finally approved by Tenant and written consent has been delivered to and received by Landlord.

4. SELECTION OF CONTRACTOR

The Final Plans, as defined below, and a proposed construction contract approved by Tenant, shall be submitted to contractors, selected by Landlord and approved by Tenant, sufficient in number so that a minimum of three (3) bids are received. Each approved contractor shall be requested to submit a sealed fixed price contract bid price (on such contract form as Landlord shall designate) to construct the Tenant Improvements designated on the Final Plans. Landlord and Tenant shall jointly open and review the bids. Landlord and Tenant, after adjustments for inconsistent assumptions, shall select the most qualified bidder offering the lowest price and such contractor ("Contractor") shall enter into a construction contract

("Construction Contract") with Landlord consistent with the terms of the bid to construct the Tenant Improvements.

5. PREPARATION OF PLANS AND SPECIFICATIONS AND CONSTRUCTION SCHEDULE

5.1. Preparation of Space Plan

Concurrently with the execution of this Lease, Tenant shall submit to Landlord a space plan and specifications for the Premises showing all demising walls, corridors, entrances, exits, doors, interior partitions, and the locations of all offices, conference rooms, computer rooms, mini-service kitchens, and the reception area, library, and file room (the "Space Plan").

The Working Drawings may be submitted in one or more stages and at one or more times. Landlord shall provide Tenant the Working Drawings, or such portion as has from time to time been submitted, for review. Landlord shall be solely responsible for insuring that the Working Drawings fully comply with all applicable building codes and are free from errors or omissions on the part of the Architect.

5.3. Preparation and Approval of Engineering Drawings

Landlord shall cause the Architect to coordinate all engineering drawings prepared by the Engineer, showing complete mechanical, electrical, plumbing, and HVAC plans ("Engineering Drawings") to be integrated into the Working Drawings. The Engineering Drawings may be submitted in one or more stages and at one or more times for Tenant's review.

5.4. Integration of Working Drawings and Engineering Drawings into Final Plans

After Tenant has approved the Engineering Drawings, Landlord shall cause the Architect to integrate the approved Working Drawings with the approved Engineering Drawings (collectively "Final Plans") and deliver five (5) sets of the Final Plans to Tenant. The Final Plans shall be suitable for plan check review and permitting by local agencies having jurisdiction, for the layout,

improvement and finish of the Premises consistent with the design and construction of the Base Building Improvements, including electrical and mechanical drawings, capacity reports, dimensioned partition plans, floor and wall finish plans, reflected ceiling plans, power, telephone communications and data plans, life safety devices, construction detail sheets including millwork detail plans showing the location of partitions, light fixtures, electrical outlets, telephone outlets, sprinklers, doors, equipment specifications (including weight specifications and cooling requirements) and power requirements (including voltage, amps, phase, and special plugs and connections), wall finishes, floor coverings, millwork and other Tenant Improvements.

5.5. Approval of Plans by Tenant

Approval by Tenant shall not be deemed to be a representation by Tenant as to the adequacy or correctness of the design of the Tenant Improvements.

5.6. Schedule

Within thirty (30) days after the Plan Submission Date, Landlord shall submit to Tenant a detailed construction schedule, subject to approval by Tenant which approval shall not be unreasonably withheld, setting forth the dates specific completion of certain project benchmarks including, but not limited to, completion of Working Drawings, completion of Engineering Drawings, submission of plans to local jurisdiction for review, issuance of building permit, submission of plans to contractors for bidding, award of construction contract, construction commencement, construction completion, Projected Commencement Date and other similar dates. As the construction continues, Landlord shall amend the schedule from time to time to reflect any changes to the projected dates.

Within three (3) days after the Plan Submission Date, Landlord shall submit to Tenant a preliminary budget (the "Preliminary Budget") in a format similar to Addendum C attached hereto. Such budget shall be revised into final form within ten (10) days from of the date the Contractor is selected and will be referred to herein as the "Final Construction Budget". Tenant shall have five (5) days from the date of receipt of the Final Construction Budget to approve or disapprove the Final Construction Budget. Construction of the Tenant Improvements shall not begin until such time as Tenant indicates its approval or disapproval of the Final Construction Budget or the five (5) day period expires without any response from Tenant. In the event Tenant disapproves the Final Construction Budget due to matters related to cost and the Final Construction Budget is ten percent (10%) or more higher in

cost than was projected in the Preliminary Construction Budget, then any delay caused by the necessity to rebid or redesign the Tenant Improvements shall not be considered a Tenant Delay. Landlord shall review the Space Plan, Working Drawings, Engineering Drawings and Final Plans at its sole cost and expense. No fee for profit, overhead or general conditions in connection with the construction of the Tenant Improvements shall be included in the Final Construction Budget unless approved by Tenant.

6.2. Additional Tenant Improvement Allowance

Costs of Tenant Improvements shall include costs for furniture, telecommunications equipment, soft costs and any other costs designated in writing by Tenant in the aggregate not to exceed the Base Tenant Improvement Allowance, the Additional Tenant Improvement Allowance and costs of Change Orders, as defined below ("Tenant Improvement Costs"). Landlord shall be solely responsible for any delay or increased cost in completing the Tenant Improvements except for delays or costs arising from Tenant Delays as defined below. It is anticipated that the Tenant Improvement Costs will exceed the Tenant Improvement Allowance so that Tenant may authorize Landlord to pay the overage in an amount not exceeding the Additional Tenant Improvement Allowance. The amount of the Additional Tenant Improvement Allowance shall be paid to Landlord as provided herein.

6.3. Method of Payment

That portion of the Additional Tenant Improvement Allowance used to pay for the Tenant Improvement Costs may, at Tenant's election be paid to Landlord:

7. CONSTRUCTION OF TENANT IMPROVEMENTS

7.1. Tenant Improvements

Tenant Improvements to be constructed by Landlord are described more particularly on Addendum B hereto. If any work required by the Final Plans is not described on Addendum B hereto the work shall be performed by Landlord at its own cost and expense and not included in the cost of Tenant Improvements.

7.2. Bids

Landlord shall submit three (3) sealed fixed price bids for the construction of the Tenant Improvements to Tenant for its review prior to the award of the Construction Contract. The bids shall be jointly opened and reviewed. The bids shall include an itemized list of all materials and labor and shall include all additional costs, including architects and engineering fees, permits, reasonable contractor's profit and overhead, and project management fees. Three (3) bids for the purchase and installation of the office furniture system, prepared by the furniture dealer, shall be included in the construction estimates, if applicable.

c. Clean-Up and Substandard Work

Landlord will be responsible for all clean-up with respect to the Tenant Improvements, whether in the Premises themselves or in other areas utilized by Landlord or its contractors, and agrees to reimburse Tenant for any and all expenses incurred by Tenant by reason of substandard work performed by Landlord's contractor or contractors (as reasonably determined by Tenant according to the usual standards of work in the Building) or as a result of inadequate clean-up.

9.2. Tenant may opt to finance the lump-sum payment for the cost of modular furniture through lease-purchase financing with a third-party Landlord (Creditor"). In the event the Tenant elects to enter into a lease-purchase financing of the furniture and telecommunications equipment (the "Personal Property") through a Creditor, Landlord expressly agrees as follows:

- a. The Personal Property shall not become part of the realty or real property, but shall remain personal property removable by the Creditor and its assigns, provided that any damage occasioned by such removal shall be repaired by Creditor.

During this thirty (30) day period, the Landlord shall be responsible for any telephone/data equipment delivered to the site for programming prior to the Projected Commencement Date.

13. DELAY

13.1. Tenant Delays and Force Majeure Delays

Except as set forth herein, no delay in the completion of construction of the Tenant Improvements shall be considered in the determination of the Commencement Date of the Lease and, except as set forth herein or in the Lease, under no circumstance shall Tenant be charged with any delay whatsoever as a result of delay in the construction of Tenant Improvements.

Subject to the provisions of Section 13.2, the Projected Commencement Date set forth in the Lease shall be extended one (1) day for each day that:

- (i) Tenant fails or refuses to give authorizations or approvals within the time periods required herein but only to the extent such delays delay the commencement or completion of construction of the Tenant Improvements (referred to herein as "Tenant Delay(s)"); or

c. Concurrent Delays

Tenant Delays and Force Majeure Delays shall be recognized hereunder only to the extent the same are not concurrent with any other Tenant Delay or Force Majeure Delay which is effective hereunder. For example, if there are ten (10) days of Tenant Delays and four (4) days of Force Majeure Delays which occur during the same ten (10) day period of such Tenant Delays, then the Projected Commencement Date would be extended by only ten (10) days; on the other hand, if such Tenant Delays and Force Majeure Delays did not

occur during the same period, the Projected Commencement Date would be extended by fourteen (14) days.

d. Change Orders

Landlord may not claim that a Change Order requested by Tenant was the cause of a delay in the construction of the Tenant Improvements unless the anticipated delay is specified in writing in the Change Order authorization.

14. TENANT REMEDIES

If Landlord fails to obtain the building permit to construct the Tenant Improvements within a reasonable time, taking all factors into consideration, or if Tenant Improvements have not been completed within sixty (60) days from the Projected Commencement Date, Tenant may, at its option:

- a. Cancel the Lease upon thirty (30) days written notice to Landlord; or
- b. Upon thirty (30) days written notice to Landlord, assume the responsibility for providing the Tenant Improvements itself. If Tenant elects to provide tenant improvements itself, then:

The rent reduction schedule shall be as mutually agreed to between the parties or, if no such agreement is made, Tenant's Total Expense shall be fully amortized in equal monthly amounts over five (5) years and deducted from the rent payable hereunder.

Any default by Landlord under the terms of this Landlord's Work Letter shall constitute a default under the Lease and shall entitle Tenant to exercise all remedies set forth in the Lease.

15. REPRESENTATIVES

15.1. Tenant Representative

Tenant has designated Tenant's Work Letter Representative as its sole representative with respect to the matters set forth in this Landlord's Work Letter who, until further notice to Landlord, shall have the full authority and responsibility to act on behalf of Tenant as required in this Work Letter and whose address, for purposes of any notices to be given regarding matters
