## ARTICLE II

### THE BONDS

SECTION 2.01. *Authorization.* The Board hereby authorizes the issuance of the Bonds in the principal amount of not to exceed \$18,510,000 under and subject to the terms of Article XIII A, Section 1 paragraph (b) of the California Constitution, the Bond Law and this Resolution, for the purpose of raising money for the acquisition or improvement of educational facilities in accordance with the Bond Measure. This Resolution constitutes a continuing agreement between the District and the Owners of all of the Outstanding Bonds to secure the full and final payment of principal thereof and interest and premium thereon, subject to the covenants, agreements, provisions and conditions herein contained. The Bonds shall be issued in two series, consisting of the Series A Bonds and the Series B Bonds. The Series A Bonds are designated the "Westside Union School District (Los Angeles County, California) General Obligation Bonds, 2012 Election, Series A (GO Reauthorization Bonds®)." The Series B Bonds are designated the "Westside Union School District (Los Angeles County, California) General Obligation Bonds, 2012 Election, Series B (GO Reauthorization Bonds®)." Notwithstanding the foregoing provisions of this Section 2.01, the final designation of any series of the Bonds may be modified by a District Representative prior to the Closing Date, upon consultation with Dale Scott & Company Inc. as financial advisor to the District in connection with the issuance of the Bonds.

SECTION 2.02. *Terms of Bonds.*

(a) Form; Numbering. The Bonds shall be issued as fully registered Bonds, without coupons, in the denomination of \$5,000 each or any integral multiple thereof, but in an amount not to exceed the aggregate principal amount of Bonds maturing in the year of maturity of the Bond for which the denomination is specified. Bonds shall be lettered and numbered as the Paying Agent may prescribe.

(b) Date of Bonds. The Bonds shall be dated as of the Closing Date.

(c) CUSIP Identification Numbers. "CUSIP" identification numbers shall be imprinted on the Bonds, but such numbers do not constitute a part of the contract evidenced by the Bonds and any error or omission with respect thereto will not constitute cause for refusal of any purchaser to accept delivery of and pay for the Bonds. Any failure by the District to use CUSIP numbers in any notice to Owners of the Bonds will not constitute an event of default or any violation of the District's contract with the Owners and will not impair the effectiveness of any such notice.

(d) Maturities: Interest. The Bonds shall mature (or, alternatively, be subject to mandatory sinking fund redemption as hereinafter provided) on the dates and in the amounts to be determined upon the sale thereof in accordance with the Bond Purchase Agreement. The Series A Bonds shall have a final maturity date of thirty years or less from the date of issuance. The Series B Bonds shall have a final maturity date of not later than August 1, 2019. The Bonds shall have a ratio of total debt service to principal of not to exceed four to one.

Each Bond will bear interest from the Interest Payment Date next preceding the date of registration and authentication thereof unless (i) it is authenticated as of an Interest Payment Date, in which event it will bear interest from such date, or (ii) it is authenticated prior to an Interest Payment Date and after the close of business on the preceding Record Date, in which event it will bear interest from such Interest Payment Date, or (iii) it is authenticated on or before the first Record Date, in which event it will bear interest from the dated date of the Bonds; *provided, however*, that if at the time of authentication of a Bond, interest is in default thereon, such Bond will bear interest from the Interest Payment Date to which interest has previously been paid or made available for payment thereon.

(e) Payment. Interest on the Bonds (including the final interest payment upon maturity or redemption) is payable by check of the Paying Agent mailed to the Owner thereof at such Owner's address as it appears on the Registration Books at the close of business on the preceding Record Date; provided that at the written request of the Owner of at least \$1,000,000 aggregate principal amount of the Bonds, which written request is on file with the Paying Agent as of any Record Date, interest on such Bonds shall be paid on the succeeding Interest Payment Date to such account as shall be specified in such written request. Principal of and premium (if any) on the Bonds are payable in lawful money of the United States of America upon presentation and surrender at the Principal Office of the Paying Agent.

SECTION 2.03. *Redemption of Bonds.*

(a) Optional Redemption Dates and Prices. The Bonds shall be subject to redemption prior to maturity, at the option of the District, in whole or in part among maturities on such basis as designated by the District and by lot within a maturity, from any available source of funds, on the dates and at the respective redemption prices as set forth in the Bond Purchase Agreement. The Series B Bonds may not be subject to redemption, if so provided in the Bond Purchase Agreement.

(b) Mandatory Sinking Fund Redemption. If and as specified in the Bond Purchase Agreement, any maturity of Bonds will be designated as "Term Bonds" which are subject to mandatory sinking fund redemption on August 1 in each of the years set forth in such bid and in the respective principal amounts determined pursuant to Section 2.02(d), at a redemption price equal to 100% of the principal amount thereof to be redeemed (without premium), together with interest accrued thereon to the date fixed for redemption. If some but not all of such Term Bonds have been redeemed under the preceding subsection (a) of this Section, the aggregate principal amount of such Term Bonds to be redeemed in each year under this subsection (b) will be reduced on a pro rata basis in integral multiples of \$5,000, as designated in written a Written Request of the District filed with the Paying Agent.

(c) Selection of Bonds for Redemption. Whenever less than all of the Outstanding Bonds of any one series and maturity are designated for redemption, the Paying Agent shall select the Outstanding Bonds of such series and maturity to be redeemed by lot in any manner deemed fair by the Paying Agent. For purposes of such selection, each Bond will be deemed to consist of individual bonds of \$5,000 denominations each which may be separately redeemed.

(d) Redemption Procedure. The Paying Agent will cause notice of any redemption to be mailed, first class mail, postage prepaid, at least 30 days but not more than 60 days prior to the date fixed for redemption, to the respective Owners of any Bonds designated for redemption, at their addresses appearing on the Registration Books. Such mailing is not a condition precedent to such redemption and the failure to mail or to receive any such notice will not affect the validity of the proceedings for the redemption of such Bonds. In addition, the Paying Agent will give notice of redemption by telecopy or certified, registered or overnight mail to the Municipal Securities Rulemaking Board and each of the Securities Depositories at least two days prior to such mailing to the Bond Owners.

Such notice shall state the redemption date and the redemption price and, if less than all of the then Outstanding Bonds are to be called for redemption, shall designate the serial numbers of the Bonds to be redeemed by giving the individual number of each Bond or by stating that all Bonds between two stated numbers, both inclusive, or by stating that all of the Bonds of one or more maturities have been called for redemption, and shall require that such Bonds be then surrendered at the Office of the Paying Agent for redemption at the said redemption price, giving notice also that further interest on such Bonds will not accrue from and after the redemption date.

Upon surrender of Bonds redeemed in part only, the District shall execute and the Paying Agent shall authenticate and deliver to the Owner, at the expense of the

District, a new Bond or Bonds, of the same maturity, of authorized denominations in aggregate principal amount equal to the unredeemed portion of the Bond or Bonds.

From and after the date fixed for redemption, if notice of such redemption has been duly given and funds available for the payment of the principal of and interest (and premium, if any) on the Bonds so called for redemption have been duly provided, the Bonds called for redemption will cease to be entitled to any benefit under this Resolution other than the right to receive payment of the redemption price, and no interest will accrue thereon on or after the redemption date specified in the notice. The Paying Agent will cancel all Bonds redeemed under this Section 2.03 and will furnish a certificate of cancellation to the District.

(e) Right to Rescind Notice of Redemption. The District has the right to rescind any notice of the optional redemption of Bonds under subsection (a) of this Section by written notice to the Paying Agent on or prior to the date fixed for redemption. Any notice of redemption shall be cancelled and annulled if for any reason funds will not be or are not available on the date fixed for redemption for the payment in full of the Bonds then called for redemption. The District and the Paying Agent shall have no liability to the Bond Owners or any other party related to or arising from such rescission of redemption. The Paying Agent shall mail notice of such rescission of redemption to the respective Owners of the Bonds designated for redemption, at their addresses appearing on the Registration Books, and also to the Securities Depositories and the Municipal Securities Rulemaking Board.

SECTION 2.04. *Form of Bonds*. The Series A Bonds, the Series B Bonds, the form of the Paying Agent's certificate of authentication and registration and the form of assignment to appear thereon will be substantially in the forms, respectively, with necessary or appropriate variations, omissions and insertions, as permitted or required by this Resolution and the Bond Purchase Agreement, as are set forth in Appendix A attached hereto.

SECTION 2.05. *Execution of Bonds*. The Bonds shall be signed by the facsimile signature of the President of the Board and shall be attested by the facsimile signature of the Clerk of the Board. Only those Bonds bearing a certificate of authentication and registration in the form set forth in Appendix A attached hereto, executed and dated by the Paying Agent, shall be valid or obligatory for any purpose or entitled to the benefits of this Resolution, and such certificate of the Paying Agent is conclusive evidence that the Bonds so registered have been duly authenticated, registered and delivered hereunder and are entitled to the benefits of this Resolution.

SECTION 2.06. *Transfer of Bonds*. Any Bond may, in accordance with its terms, be transferred, upon the Registration Books, by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such Bond for cancellation at the Office at the Paying Agent, accompanied by delivery of a written instrument of transfer in a form approved by the Paying Agent, duly executed. The District may charge a reasonable sum for each new Bond issued upon any transfer.

Whenever any Bond or Bonds is surrendered for transfer, the District shall execute and the Paying Agent shall authenticate and deliver a new Bond or Bonds, for like aggregate principal amount. No transfers of Bonds shall be required to be made (a)

15 days prior to the date established by the Paying Agent for selection of Bonds for redemption or (b) with respect to a Bond which has been selected for redemption.

SECTION 2.07. *Exchange of Bonds.* Bonds may be exchanged at the Office of the Paying Agent for a like aggregate principal amount of Bonds of authorized denominations and of the same series and maturity. The District may charge a reasonable sum for each new Bond issued upon any exchange (except in the case of any exchange of temporary Bonds for definitive Bonds). No exchange of Bonds of any series is required to be made (a) 15 days prior to the date established by the Paying Agent for selection of such series of Bonds for redemption or (b) with respect to a Bond after it has been selected for redemption.

SECTION 2.08. *Registration Books.* The Paying Agent shall keep or cause to be kept sufficient books for the registration and transfer of the Bonds, which shall at all times be open to inspection by the District upon reasonable notice; and, upon presentation for such purpose, the Paying Agent shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on said books, Bonds as herein before provided.

SECTION 2.09. *Book-Entry System.* Except as provided below, DTC shall be the Owner of all of the Bonds, and the Bonds shall be registered in the name of Cede & Co. as nominee for DTC. The Bonds shall be initially executed and delivered in the form of a single fully registered Bond for each maturity date of the Bonds in the full aggregate principal amount of the Bonds maturing on such date. The Paying Agent and the District may treat DTC (or its nominee) as the sole and exclusive owner of the Bonds registered in its name for all purposes of this Resolution, and neither the Paying Agent nor the District shall be affected by any notice to the contrary. The Paying Agent and the District have no responsibility or obligation to any Depository System Participant, any person claiming a beneficial ownership interest in the Bonds under or through DTC or a Depository System Participant, or any other person which is not shown on the register of the District as being an owner, with respect to the accuracy of any records maintained by DTC or any Depository System Participant or the payment by DTC or any Depository System Participant by DTC or any Depository System Participant of any amount in respect of the principal or interest with respect to the Bonds. The District shall cause to be paid all principal and interest with respect to the Bonds only to DTC, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to the principal and interest with respect to the Bonds to the extent of the sum or sums so paid. Except under the conditions noted below, no person other than DTC shall receive a Bond. Upon delivery by DTC to the District of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., the term "Cede & Co." in this Resolution shall refer to such new nominee of DTC.

If the District determines that it is in the best interest of the beneficial owners that they be able to obtain Bonds and delivers a written certificate to DTC and the District to that effect, DTC shall notify the Depository System Participants of the availability through DTC of Bonds. In such event, the District shall issue, transfer and exchange Bonds as requested by DTC and any other owners in appropriate amounts. DTC may determine to discontinue providing its services with respect to the Bonds at any time by giving notice to the District and discharging its responsibilities with respect thereto under applicable law. Under such circumstances (if there is no successor securities

depository), the District shall be obligated to deliver Bonds as described in this Resolution. Whenever DTC requests the District to do so, the District will cooperate with DTC in taking appropriate action after reasonable notice to (a) make available one or more separate Bonds evidencing the Bonds to any Depository System Participant having Bonds credited to its DTC account or (b) arrange for another securities depository to maintain custody of certificates evidencing the Bonds.

Notwithstanding any other provision of this Resolution to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to the principal and interest with respect to such Bond and all notices with respect to such Bond shall be made and given, respectively, to DTC as provided as in the representation letter delivered on the date of issuance of the Bonds.

##### *SECTION 3.01. Sale of Bonds; Approval of Sale Documents.*

(a) Authorization to Sell at Negotiated Sale. Pursuant to Section 53508.9 of the Bond Law, the Board hereby authorizes the negotiated sale of the Bonds to Piper Jaffray & Co., as the Original Purchaser of the Bonds. The Bonds shall be sold to the Original Purchaser under the Bond Purchase Agreement in substantially the form on file with the Clerk of the Board, together with any changes thereto which are approved by a District Representative, whose execution thereof shall be conclusive evidence of the approval of such changes. The Original Purchaser's discount shall not exceed 1.25% of the aggregate principal amount of the Bonds sold thereunder, and the rate of interest on the Bonds shall not exceed 6.00% per annum.

(b) Official Statement. The Board hereby approves and deems nearly final within the meaning of Rule 15c2-12 of the Securities Exchange Act of 1934, the Preliminary Official Statement describing the Bonds in the form on file with the Clerk of the Board. A District Representative shall execute the final Official Statement in the name and on behalf of the District.

(c) Terms and Conditions of Sale. The terms and conditions of the offering and the sale of the Bonds shall be as specified in the Bond Purchase Agreement. Issuance to the extent not paid by the Original Purchaser. All interest and other gain arising from the investment of amounts deposited to the Series A Building Fund shall be retained in the Series A Building Fund and used for the purposes thereof.

At the Written Request of the District filed with the Los Angeles County Office of Education, any amounts remaining on deposit in the Series A Building Fund and not needed for the purposes thereof shall be withdrawn from the Series A Building Fund and transferred to the Series A Debt Service Fund, to be applied to pay the principal of and interest on the Series A Bonds. No provision of this Resolution shall require the Paying Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it has reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

The Paying Agent may execute any of the powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Paying Agent is not responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder.

SECTION 6.04. *Notice to Agents.* The Paying Agent may rely and shall be protected in acting or refraining from acting upon any notice, resolution, request, consent, order, certificate, report, warrant, bond or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or proper parties. The Paying Agent may consult with counsel, who may be counsel to the District, with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith.

Whenever in the administration of its duties under this Resolution the Paying Agent shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of bad faith on the part of the Paying Agent, be deemed to be conclusively proved and established by a certificate of the District, and such certificate shall be full warrant to the Paying Agent for any action taken or suffered under the provisions of this Resolution upon the faith thereof, but in its discretion the Paying Agent may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

- (b) the failure by the District to pay any installment of interest on the Bonds when due;
- (c) the default by the District in the observance of any of the covenants, agreements or conditions on its part contained in this Resolution, in the District Resolution or in the Bonds, and the continuation of such default for a period of 30 days after written notice thereof has been given to a District Representative; or
- (d) the filing by the District of a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America, or if a court of competent jurisdiction approves a petition, seeking reorganization of the District under the federal bankruptcy laws or any other applicable law of the United States of America, or if, under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction assumes custody or control of the District or of the whole or any substantial part of its property.

SECTION 7.02. *Remedies of Bond Owners.* Upon the occurrence and during the continuation of any event of default, any Bond Owner has the right, for the equal benefit and protection of all Bond Owners similarly situated:

- (a) by mandamus, suit, action or proceeding, to compel the District and its members, officers, agents or employees to perform each and every term, provision and covenant contained in this Resolution and in the Bonds, and to require the carrying out of any or all such covenants and agreements of the District and the fulfillment of all duties imposed upon it;

SECTION 7.03. *Remedies Not Exclusive.* No remedy herein conferred upon the Owners of Bonds is exclusive of any other remedy. Each and every remedy is cumulative and may be exercised in addition to every other remedy given hereunder or thereafter conferred on the Bond Owners.

SECTION 7.04. *Non-Waiver.* Nothing in this Article VII or in any other provision of this Resolution or in the Bonds, affects or impairs the obligation of the District, which is absolute and unconditional, to pay the principal of and interest on the Bonds to the respective Owners of the Bonds at the respective dates of maturity, as herein provided, or affects or impairs the right of action against the District, which is also absolute and unconditional, of such Owners to institute suit against the District to enforce such payment by virtue of the contract embodied in the Bonds.

A waiver of any default by any Bond Owner shall not affect any subsequent default or impair any rights or remedies on the subsequent default. No delay or omission of any Owner of any of the Bonds to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein, and every power and remedy conferred upon the Bond Owners by this Article VII may be enforced and exercised from time to time and as often as shall be deemed expedient by the Owners of the Bonds.

If a suit, action or proceeding to enforce any right or exercise any remedy be abandoned or determined adversely to the Bond Owners, the District and the Bond Owners shall be restored to their former positions, rights and remedies as if such suit, action or proceeding had not been brought or taken.

- (ii) by irrevocably depositing, in trust, at or before maturity, money or securities in the necessary amount (as provided in Section 9.02(c) hereof) to pay or redeem such Bonds; or
- (iii) by delivering such Bonds to the Paying Agent for cancellation by it.

If the District pays all Outstanding Bonds and also pays or causes to be paid all other sums payable hereunder by the District, then and in that case, at the election of the District (evidenced by a certificate of a District Representative filed with the Paying Agent, signifying the intention of the District to discharge all such indebtedness and this Resolution), and notwithstanding that any Bonds have not been surrendered for payment, this Resolution and other assets made under this Resolution and all

covenants, agreements and other obligations of the District under this Resolution shall cease, terminate, become void and be completely discharged and satisfied, except only as provided in Section 9.02(b). In such event, upon request of the District, the Paying Agent shall cause an accounting for such period or periods as may be requested by the District to be prepared and filed with the District and shall execute and deliver to the District all such instruments as may be necessary to evidence such discharge and satisfaction, and the Paying Agent shall pay over, transfer, assign or deliver to the District all moneys or securities or other property held by it under this Resolution which are not required for the payment or redemption of Bonds not theretofore surrendered for such payment or redemption.

(b) Discharge of Liability on Bonds. Upon the deposit, in trust, at or before maturity, of money or securities in the necessary amount (as provided in Section 9.02(c) hereof) to pay or redeem any Outstanding Bond (whether upon or prior to its maturity or the redemption date of such Bond), provided that, if such Bond is to be redeemed prior to maturity, notice of such redemption has been given as provided in Section 2.03 or provision satisfactory to the Paying Agent has been made for the giving of such notice, then all liability of the District in respect of such Bond shall cease and be completely discharged, except only that thereafter the Owner thereof shall be entitled only to payment of the principal of and interest on such Bond by the District, and the District shall remain liable for such payment, but only out of such money or securities deposited with the Paying Agent as aforesaid for such payment, provided further, however, that the provisions of Section 9.02(d) shall apply in all events.

The District may at any time surrender to the Paying Agent for cancellation by it any Bonds previously issued and delivered, which the District may have acquired in any manner whatsoever, and such Bonds, upon such surrender and cancellation, shall be deemed to be paid and retired.

(c) Deposit of Money or Securities with Paying Agent. Whenever in this Resolution it is provided or permitted that there be deposited with or held in trust by the Paying Agent money or securities in the necessary amount to pay or redeem any Bonds, the money or securities so to be deposited or held may include money or securities held by the Paying Agent in the funds and accounts established under this Resolution and shall be:

- (i) lawful money of the United States of America in an amount equal to the principal amount of such Bonds and all unpaid interest thereon to maturity, except that, in the case of Bonds which are to be redeemed prior to maturity and in respect of which notice of such redemption has been given as provided in Section 2.03 or provision satisfactory to the Paying Agent has been made for the giving of such notice, the amount to be deposited or held shall be the principal amount or redemption price of such Bonds and all unpaid interest thereon to the redemption date; or
- (ii) Federal Securities (not callable by the issuer thereof prior to maturity) the principal of and interest on which when due, in the opinion of a certified public accountant delivered to the District, will provide money sufficient to pay the principal or redemption price of and all unpaid interest to maturity, or to the redemption date, as the

case may be, on the Bonds to be paid or redeemed, as such principal or redemption price and interest become due, provided that, in the case of Bonds which are to be redeemed prior to the maturity thereof, notice of such redemption has been given as provided in Section 2.03 or provision satisfactory to the Paying Agent has been made for the giving of such notice.

(d) Payment of Bonds After Discharge of Resolution. Notwithstanding any provisions of this Resolution, any moneys held by the Paying Agent in trust for the payment of the principal or redemption price of, or interest on, any Bonds and remaining unclaimed for two years after the principal of all of the Bonds has become due and payable (whether at maturity or upon call for redemption or by acceleration as provided in this Resolution), if such moneys were so held at such date, or two years after the date of deposit of such moneys if deposited after said date when all of the Bonds became due and payable, shall, upon request of the District, be repaid to the District free from the trusts created by this Resolution, and all liability of the Paying Agent with respect to such moneys shall thereupon cease; *provided, however*, that before the repayment of such moneys to the District as aforesaid, the Paying Agent may (at the cost of the District) first mail to the Owners of all Bonds which have not been paid at the addresses shown on the Registration Books a notice in such form as may be deemed appropriate by the Paying Agent, with respect to the Bonds so payable and not presented and with respect to the provisions relating to the repayment to the District of the moneys held for the payment thereof.

SECTION 9.03. *Execution of Documents and Proof of Ownership by Bond Owners.* Any request, declaration or other instrument which this Resolution may require or permit to be executed by Bond Owners may be in one or more instruments of similar tenor, and shall be executed by Bond Owners in person or by their attorneys appointed in writing.

Except as otherwise herein expressly provided, the fact and date of the execution by any Bond Owner or his attorney of such request, declaration or other instrument, or of such writing appointing such attorney, may be proved by the certificate of any notary public or other officer authorized to take acknowledgments of deeds to be recorded in the state in which he purports to act, that the person signing such request, declaration or other instrument or writing acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer.

Except as otherwise herein expressly provided, the ownership of registered Bonds and the amount, maturity, number and date of holding the same shall be proved by the Registration Books.

Any request, declaration or other instrument or writing of the Owner of any Bond shall bind all future Owners of such Bond in respect of anything done or suffered to be done by the District or the Paying Agent in good faith and in accordance therewith.

SECTION 9.04. *Waiver of Personal Liability.* No Board member, officer, agent or employee of the District shall be individually or personally liable for the payment of the principal of or interest on the Bonds; but nothing herein contained shall relieve any such Board member, officer, agent or employee from the performance of any official duty provided by law.

SECTION 9.05. *Limited Duties of County; Indemnification.* The County (including its officers, agents and employees) shall undertake only those duties of the County under this Resolution which are specifically set forth in this Resolution, and even during the continuance of an event of default with respect to the Bonds, no implied covenants or obligations shall be read into this Resolution against the County (including its officers, agents and employees).

The District further agrees to indemnify, defend and save the County (including its officers, agents and employees) harmless against any and all liabilities, costs, expenses, damages and claims which it may incur in the exercise and performance of its powers and duties hereunder which are not due to its negligence or bad faith.

SECTION 9.06. *Destruction of Canceled Bonds.* Whenever in this Resolution provision is made for the surrender to the District of any Bonds which have been paid or canceled under the provisions of this Resolution, a certificate of destruction duly executed by the Paying Agent shall be deemed to be the equivalent of the surrender of such canceled Bonds and the District shall be entitled to rely upon any statement of fact contained in any certificate with respect to the destruction of any such Bonds therein referred to.

SECTION 9.07. *Partial Invalidity.* If any section, paragraph, sentence, clause or phrase of this Resolution shall for any reason be held illegal or unenforceable, such holding shall not affect the validity of the remaining portions of this Resolution. The District hereby declares that it would have adopted this Resolution and each and every other section, paragraph, sentence, clause or phrase hereof and authorized the issue of the Bonds pursuant thereto irrespective of the fact that any one or more sections, paragraphs, sentences, clauses, or phrases of this Resolution may be held illegal, invalid or unenforceable. If, by reason of the judgment of any court, the District is rendered unable to perform its duties hereunder, all such duties and all of the rights and powers of the District hereunder shall be assumed by and vest in the chief financial officer of the District in trust for the benefit of the Bond Owners.

SECTION 9.08. *Effective Date of Resolution.* This Resolution shall take effect from and after the date of its passage and adoption.

This Bond is one of a duly authorized issue of Bonds of the District designated as "Westside Union School District (Los Angeles County, California) General Obligation Bonds, 2012 Election, Series \_\_\_\_ (GO Reauthorization Bonds®)" (the "Bonds"), in an aggregate principal amount of \$\_\_\_\_\_, all of like tenor and date (except for such variation, if any, as may be required to designate varying numbers, maturities, interest rates or redemption and other provisions) and all issued under the provisions of Article 4.5 of Chapter 3 of Part 1 of Division 2 of Title 5 of the California Government Code as in effect on the date of adoption hereof and as amended hereafter (the "Bond Law"), and under a Resolution of the Board of Trustees of the District adopted on March 4, 2014 (the "Resolution"), authorizing the issuance of the Bonds. The issuance of the Bonds has been authorized by the requisite 55% vote of the electors of the District cast at a special bond election held on November 6, 2012, upon the question of issuing bonds in the amount of \$18,510,000.

The Bonds are being issued in the aggregate principal amount of \$\_\_\_\_\_, all subject to the terms and conditions of the Resolution. All capitalized terms herein and not otherwise defined have the meaning given them in the Resolution. Reference is hereby made to the Resolution (copies of which are on file at the office of the Paying Agent) and the Bond Law for a description of the terms on which the Bonds are issued and the rights thereunder of the owners of the Bonds and the rights, duties and immunities of the Paying Agent and the rights and obligations of the District thereunder, to all of the provisions of which Resolution the Owner of this Bond, by acceptance hereof, assents and agrees.

The principal of and interest and redemption premium, if any, on this Bond does not constitute a debt of the County, the State of California, or any of its political subdivisions other than the District, or any of the officers, agents and employees thereof, and neither the County, the State of California, any of its political subdivisions, nor any of the officers, agents and employees thereof shall be liable hereon. In no event shall the principal of and interest and redemption premium, if any, on this Bond be payable out of any funds or properties of the District other than *ad valorem* taxes levied upon all taxable property in the District.

The Bonds of this issue are issuable only as fully registered Bonds in the denominations of \$5,000 or any integral multiple thereof. This Bond is exchangeable and transferable for Bonds of other authorized denominations at the principal corporate trust office of the Paying Agent, by the Registered Owner or by a person legally empowered to do so, upon presentation and surrender hereof to the Paying Agent, together with a request for exchange or an assignment signed by the Registered Owner or by a person legally empowered to do so, in a form satisfactory to the Paying Agent, all subject to the terms, limitations and conditions provided in the Bond Resolution. Any tax or governmental charges shall be paid by the transferor. The District and the Paying Agent may deem and treat the Registered Owner as the absolute owner of this Bond for the purpose of receiving payment of or on account of principal or interest and for all

other purposes, and neither the District nor the Paying Agent shall be affected by any notice to the contrary.

The Bonds maturing on or before August 1, 20\_\_ are not subject to redemption prior to their respective stated maturities. The Bonds maturing on or after August 1, 20\_\_ are subject to redemption prior to maturity as a whole, or in part among maturities on such basis as shall be designated by the District and by lot within a maturity, at the option of the District, from any available source of funds, on August 1, 20\_\_ and on any date thereafter, at a redemption price equal to 100% of the principal amount of Bonds to be redeemed, together with interest thereon to the date fixed for redemption, without premium.

Under certain circumstances as set forth in the Resolution, any such notice of redemption may be rescinded by the District.

Neither the District nor the Paying Agent will be required: (a) to issue or transfer any Bond during a period beginning with the opening of business on the 15<sup>th</sup> calendar day next preceding either any Interest Payment Date or any date of selection of any Bond to be redeemed and ending with the close of business on the Interest Payment Date or a day on which the applicable notice of redemption is given, or (b) to transfer any Bond which has been selected or called for redemption in whole or in part.
