SACHI A. HAMAI
EXECUTIVE OFFICER

**FISH AND GAME PROPAGATION FUND GRANT AWARDS
(FOURTH SUPERVISORIAL DISTRICT)
(3-VOTES)**

SUBJECT

Recommending approval to award grant funds from the Fish & Game Commission to stock fish at the Cerritos Community Regional Park and La Mirada Community Regional Park during calendar year 2014.

IT IS RECOMMENDED THAT THE BOARD:

Approve the Fish and Game Propagation Fund Grant request totaling \$5,000, to stock fish at the following parks and recreational areas for two events to be held during calendar year 2014, sponsored by the Los Angeles County Fourth Supervisorial District:

1. 2014 Cerritos Youth Fishing Derby at Cerritos Community Regional Park, 19700 South Bloomfield Avenue in Cerritos, in the amount of \$2,500.
2. 2014 Knabe Katch Fishing Derby at La Mirada Community Regional Park, 13701 South Adelfa Drive in La Mirada, in the amount of \$2,500.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The Commission has determined that the grant requests will promote education, conservation and the propagation of fish and game thus benefiting Los Angeles County and the State of California.

At its meeting of January 9, 2014, the Los Angeles County Fish and Game Commission approved

two grant requests from the Fourth Supervisorial District, totaling \$5,000 to stock fish for two fishing events to be held during calendar year 2014 at the Cerritos Community Regional Park and La Mirada Community Regional Park, located in the Fourth Supervisorial District.

The Cerritos Youth and the Knabe Katch Fishing Derbies are annual events for children ages 2-15 years old, during the months of June and September, respectively. The events include generous lake stocking of catfish, a pancake breakfast provided by community based organizations, angling lessons provided by the California State Department of Fish and Wildlife "Fishing in the City" program, souvenir photos and awards. The purpose of these events is to provide the residents and visitors of Los Angeles County with quality recreational opportunities that promote a healthy lifestyle and strengthen the community through diverse physical, educational and cultural programming.

Since 1952, the Commission has supported activities and projects that promote the best methods for the propagation and protection of fish and game in the State and County of Los Angeles. The stocking of fish at County parks and recreation areas supports this endeavor, by providing opportunities and encouraging the sport of fishing to the many residents within the community.

Implementation of Strategic Plan Goals

The provision of funding for these events is consistent with the County's Strategic Plan Goal No. 1 and 3 (Operational Effectiveness & Integrated Services Delivery). In addition to enhancing the community's knowledge and understanding of conservation and the propagation of fish and game, the events will provide a safe and healthy environment increasing accessibility to County cultural, recreational and lifelong learning facilities and programs.

FISCAL IMPACT/FINANCING

There is no impact to the General Fund. The approved expenditure will be charged to the Fish and Game Propagation Fund, which has sufficient funds to cover the cost. The Los Angeles County Fish and Game Propagation Fund is financed from a percentage of penalty assessments collected relating to fish and game code violations in Los Angeles County.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Section 13100 et seq. of the Fish and Game Code establishes guidelines for the expenditure of fines levied for fish and game code violations. It includes enhancing fish and game activities including protection, conservation, propagation, and preservation of fish and wildlife.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

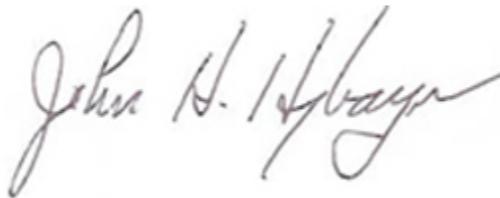

This Board action enhances the education, conservation and the propagation of fish and game thus benefiting Los Angeles County and the State of California.

The Honorable Board of Supervisors
