

MOTION BY SUPERVISOR DON KNABE

May 27, 2014

It has come to my attention that the LAC+USC Office of Decedent Affairs has received inquiries about veteran decedents held in the County morgue.

I am outraged to hear about any delays in processing veteran decedents and would like a full report back to the Board of Supervisors next week. Further, if delays occurred, processes need to be changed so that this does not re-occur in the future.

I, THEREFORE, MOVE that the Board of Supervisors instruct the Chief Executive Officer, in conjunction with the Coroner and the Director of Health Services, report back on the feasibility and fiscal impact of transferring the functions of the County morgue to the Coroner's office in 30 days.
