Dear Directors:

ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

1-P June 10, 2014

Sachi A. Hamai
SACHI A. HAMAI
EXECUTIVE OFFICER

AMEND THE SANTA MONICA MOUNTAINS CONSERVANCY'S PROJECT LIST PURSUANT TO SECTION (3), SUBSECTION (d) OF THE SAFE NEIGHBORHOOD PARKS PROPOSITION OF 1996, ALLOCATE SPECIFIED EXCESS GRANT FUNDS AVAILABLE TO THE THIRD SUPERVISORIAL DISTRICT SANTA MONICA MOUNTAINS CONSERVANCY, AND AUTHORIZE ADMINISTRATION OF AN EXCESS FUNDS GRANT TO THE MOUNTAINS RECREATION AND CONSERVATION AUTHORITY FOR THE ESCONDIDO CANYON STONE PROPERTY ACQUISITION PROJECT (THIRD DISTRICT) (3 VOTES)

SUBJECT

The recommended actions will allocate a not-to-exceed amount of \$535,000 of Specified Excess Funds, available to the Third Supervisorial District, to the Santa Monica Mountains Conservancy, who will assign its right to apply for grant funds to the Mountains Recreation and Conservation Authority for the acquisition of two parcels of land in the upper Escondido Canyon watershed between Kanan Dume Road and Latigo Canyon Road.

IT IS RECOMMENDED THAT THE BOARD:

1. Find that the proposed Escondido Canyon Stone Property Acquisition Project is categorically exempt from the California Environmental Quality Act for the reasons stated herein and the reasons reflected in the record of the project.
2. Amend the Santa Monica Mountains Conservancy's project list, most recently amended on February 11, 2014, to add the acquisition of two parcels of land known as the Stone Property.

3. Allocate a not-to-exceed amount of \$535,000 of Specified Excess Funds, available to the Third Supervisorial District pursuant to the Safe Neighborhood Parks Proposition of 1996, to the Santa Monica Mountains Conservancy for a grant to the Mountains Recreation and Conservation Authority for the proposed Escondido Canyon Stone Acquisition Project.

4. Authorize the Director of Parks and Recreation, in his capacity as Director of the Los Angeles County Regional Park and Open Space District, to award a grant, not to exceed \$535,000, for the proposed Escondido Canyon Stone Acquisition Project, after the Santa Monica Mountains Conservancy assigns the right to apply to the Mountains Recreation and Conservation Authority and when applicable conditions have been met, including, but not limited, to clearances from the Departments of Public Works and Regional Planning, and to administer the grant as of the date of this action and pursuant to the procedures in the Procedural Guide for the Santa Monica Mountains Conservancy; otherwise, funds shall remain in the Excess Funds account.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval of the recommended actions will add two parcels of land, known as the Stone Property, to the Santa Monica Mountains Conservancy's (SMMC) project list, and allocate a not-to-exceed amount of \$535,000 of Specified Excess Funds, available to the Third Supervisorial District pursuant to the Safe Neighborhood Parks Proposition of 1996 (1996 Proposition), for a grant to the Mountains Recreation and Conservation Authority (MRCA) for the proposed Escondido Canyon Stone Acquisition Project (Project).

The proposed Project consists of the acquisition of two parcels of land, known as the Stone Property, totaling approximately 77 acres and located in the upper Escondido Canyon watershed between Kanan Dume Road and Latigo Canyon Road, for the preservation of habitat and natural open space. The estimated total project cost is \$1,385,000. The recommended Specified Excess Funds, not to exceed \$535,000, will be supplemented with \$750,000 in State of California Proposition 40 funds and \$100,000 in State of California Habitat Impact Mitigation funds. The SMMC, which is the designated recipient of Specified Excess Funds for projects in the Santa Monica Mountains under the 1996 Proposition, will assign its right to apply for the funds to MRCA.

It is also recommended, that the Director of the Department of Parks and Recreation (Director), in his capacity as Director of the Los Angeles County Regional Park and Open Space District, be authorized to award a grant after SMMC assigns the right to apply for the funds to MRCA, and when applicable conditions have been met, including, but not limited to, grantee qualifications, consistency between the project and requirements of the 1996 Proposition, clearances from the Departments of Public Works (DPW) and Regional Planning (DRP), as well as grantee agreement with the California Environmental Quality Act (CEQA) requirements for the project, and to administer the grant under procedures previously approved by the Board.

Implementation of Strategic Plan Goals

The proposed recommendations further the Board approved County Strategic Plan Goal of Operational Effectiveness (Goal 1) by creating additional publicly-owned open space in the Third Supervisorial District.

FISCAL IMPACT/FINANCING

Sufficient appropriation for the grant, not to exceed \$535,000, is budgeted in the Third Supervisorial

District's portion of the Los Angeles County Regional Park and Open Space District (RPOSD) Excess Funds Project Fund, HD6.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The 1996 Proposition requires that agencies to which funds were allocated under the Safe Neighborhood Parks Propositions of 1992 and 1996 encumber all such funds prior to receiving grants of Excess Funds. SMMC and MRCA have each met this requirement.

The 1996 Proposition requires that funds provided to the SMMC be expended "solely for projects approved by the Board, pursuant to such criteria as the Board may, in its discretion, adopt," provided that those projects are identified in the SMMC's annual work program transmitted to the Governor and State Legislature, and as may be amended from time to time, after noticed public hearings held in November of 2003 and August of 2004.

The 1996 Proposition further provides that the Board may disapprove a project within the boundaries of a city only upon a finding that the acquisition or improvement may impact access to or use of a site identified or proposed for present or future sanitary landfill purposes. In addition, the Board previously adopted procedural requirements requiring a review of proposed SMMC projects relative to their impact on existing or proposed highways, and their consistency with General or Area Plans.

The proposed Project meets the procedural requirements of the 1996 Proposition and has been reviewed in accordance with the SMMC's revised Procedural Guide, adopted by the Board on June 17, 1997.

DPW's and DRP's review of the proposed Project are currently under way, and clearances from each Department will be obtained as a condition of the grant.

The 1996 Proposition provides a method for determining each fiscal year the amount of funds available in the following fiscal year to fund capital improvement projects in addition to the amounts specifically identified for projects in the Safe Neighborhood Parks Propositions of 1992 and 1996. The recommended acquisitions would be funded from the Excess Funds available to the Third Supervisorial District for specified projects.

The Board may establish additional conditions on grants of Excess Funds. The Director would be authorized to award a grant when all applicable conditions have been met.

ENVIRONMENTAL DOCUMENTATION

All public agency projects funded by RPSOD are required to comply with CEQA as a condition of the grant. The lead agency is responsible for preparing the appropriate environmental documentation for the project. MRCA is the lead agency for the proposed Project.

The proposed Project is categorically exempt from CEQA according to Section 15313 of the State CEQA Guidelines, and Class 13 of the County's Environmental Document Reporting Procedures and Guidelines, Appendix G, because the proposed Project consists of acquisition of land for fish and wildlife habitat conservation purposes.

CONTRACTING PROCESS

A Grant Project Agreement will be entered into and administered under authority delegated to the Director and pursuant to the SMMC's Procedural Guide approved by the Board in 1997 and used since then for the administration of similar grant projects. Prior to execution, the Grant Project Agreement will be reviewed and approved as to form by County Counsel.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Approval of these recommendations will authorize the Director to award a grant to the MRCA for the acquisition of two parcels of land totaling approximately 77 acres in the upper Escondido Canyon watershed between Kanan Dume Road and Latigo Canyon Road. It will have no impact on any other RPOSD-funded projects.

CONCLUSION

Please return one adopted copy of this Board letter to the Chief Executive Office, Facilities and Asset Management Division, and one to the Department of Parks and Recreation.

Respectfully submitted,

RUSS GUINEY

Director
