NOW, THEREFORE, be it resolved by the Board of Education of the Arcadia Unified School District, as follows:

Section 1. Recitals. The Board hereby finds and determines that the foregoing recitals are true and correct.

Section 2. Issue Authorized. The Board hereby authorizes the issuance of the Series B Bonds, in an aggregate principal amount not to exceed $27,000,000. The District is issuing the Series B Bonds pursuant to the terms of Chapter 3, Part 1, Division 2, Title 5 of the California Government Code (commencing with Section 53400).

Section 3. Bond Counsel. The Board hereby terminates the 2006 Bond Counsel Agreement. Pursuant to a request for proposal process conducted by the Designated Officers with various qualified bond counsel firms (including Stradling Yocca Carlson & Rauth), the law firm of Kronick, Moskovitz, Tiedemann & Girard, a Professional Corporation, is hereby retained as bond counsel ("Bond Counsel") to the District with respect to the Series B Bonds. The Designated Officers, and each of them individually, are hereby authorized to execute and deliver a legal services agreement with such firm and keep such agreement on file with the Secretary of the Board.

Section 4. Financial Advisor. The Board hereby approves the firm of Government Financial Strategies Inc. to serve as the District’s financial advisor (the "Financial Advisor") with respect to the Series B Bonds.
Section 5. Approval of Bond Issuance Agreement. The Board hereby approves the form of the Bond Issuance Agreement (the “Bond Issuance Agreement”) by the District for the benefit of the bond owners, as presented to this meeting and on file with the Secretary of the Board. The President, Vice President, Secretary, and Clerk of the Board, the Superintendent, and the Assistant Superintendent of Business Services of the District, and their respective designees (the “Designated Officers”), or their designees, and each of them individually, are hereby authorized for and in the name of and on behalf of the District, to execute and deliver the Bond Issuance Agreement in substantially that form, with such changes therein as the Designated Officer or Officers executing the Bond Issuance Agreement, with the advice of Bond Counsel, may require or approve. The execution of the Bond Issuance Agreement by a Designated Officer or Officers shall constitute conclusive evidence of such officer’s or officers’ and the Board’s approval of such changes. The date, respective principal amounts of each maturity, the interest rates, interest payment dates, denominations, form, registration privileges, place or places of payment, terms of redemption, and other terms of the Series B Bonds shall be as provided in the Bond Issuance Agreement, as finally executed.

Section 6. Approval of Continuing Disclosure Certificate. The Board hereby approves the form of the Continuing Disclosure Certificate relating to the Series B Bonds. A copy of the Continuing Disclosure Certificate has been presented to this meeting and is on file with the Secretary of the Board. The Authorized Representatives, or their designee, are hereby authorized, for and on behalf of the District, to execute and deliver the Continuing Disclosure Certificate in substantially said form, with such changes therein as such officer, with the advice of Bond Counsel, may require or approve, such approval to be conclusively evidenced by the execution and delivery thereof.

Section 7. Approval of Method of Sale and Bond Purchase Agreements. The Board hereby authorizes the sale of the Series B Bonds to an underwriter or underwriters pursuant to bond purchase agreements (the “Bond Purchase Agreements”) in an aggregate principal amount not to exceed $27,000,000. The Board hereby further authorizes the sale of the Series B Bonds (1) in the form of current interest bonds (the “Current Interest Bonds”) with an underwriter’s discount in an amount not to exceed 2.00% of the principal amount of the Current Interest Bonds and (2) in the form of capital appreciation bonds (the “Capital Appreciation Bonds”) with an underwriter’s discount in an amount not to exceed 4.00% of the principal amount of the Capital Appreciation Bonds. Upon the recommendation of the Financial Advisor, the Designated Officers, and each of them individually, on behalf of this Board, are hereby authorized to negotiate the final terms of the sale of the Series B Bonds with an underwriter or underwriters, selected by such Designated Officers based on a competitive process conducted by the Financial Advisor, and to execute and deliver the Bond Purchase Agreements to an underwriter or underwriters (individually and collectively the “Underwriter”). The method of sale described above has been selected by the Board because it offers greater flexibility than a public sale process in setting and changing the time and terms of the sale.

The estimated costs associated with the issuance of the Series B Bonds, including the expenses of Bond Counsel, the Financial Advisor, the rating agency and other services and including an estimated underwriter(s) discount and premium for municipal bond insurance (if any), are $720,000.
Section 8. Approval of Official Statement. The Board hereby approves the form of Official Statement presented to this meeting and on file with the Secretary of the Board. The Designated Officers, or their designees, are hereby authorized and directed to execute the Official Statement in substantially that form, with such changes as the Designated Officers, upon the advice of the Financial Advisor and Bond Counsel, may require or approve, which approval shall be conclusively evidenced by the execution and delivery thereof. The Board hereby authorizes and directs the Underwriter to distribute copies of the Official Statement in preliminary form to persons who may be interested in the purchase of the Series B Bonds and to deliver copies of the final Official Statement to the purchasers of the Series B Bonds. The Board hereby authorizes and directs the Designated Officers, or their designees, to deliver to the Underwriter certification to the effect that the District deems the preliminary Official Statement, in the form approved by the Designated Officers to be final and complete as of its date.

Section 9. Bond Structure. The sale of the Series B Bonds is proposed to include Capital Appreciation Bonds. Based on an analysis by the Financial Advisor, and for purposes of satisfying the requirements of Education Code section 15146, the Board hereby acknowledges and discloses the following information related to the proposed sale and issuance of the Series B Bonds:

Per Education Code 15146(b)(3), “the reason bonds that allow for the compounding of interest are being recommended” is because they help achieve the funds for the District’s facilities needs within the statutory tax levy constraint.

Per Education Code 15146(b)(4), “a copy of the disclosure made by the underwriter in compliance with Rule G-17 adopted by the federal Municipal Securities Rulemaking Board” is not required per Interpretive Notice Concerning the Application of MSRB Rule G-17 to Underwriters of Municipal Securities dated August 2, 2012.

*Note: overall cost includes both total debt service cost over financing term and upfront costs.

Section 10. Valid Obligations. The Board hereby determines that all acts and conditions necessary to be performed by the District or to have been met precedent to and in the issuing of the Series B Bonds in order to make them legal, valid, and binding general obligations of the District have been performed and have been met, or will at the time of delivery of the Series B Bonds have been performed and have been met, in regular and due form as required by law; that the full faith and credit of the District are hereby pledged for the timely payment of the principal and interest on the Series B Bonds; and that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Series B Bonds.

Section 11. Paying Agent. The Board hereby appoint the Los Angeles County (the “County”) Treasurer and Tax Collector to act as the authenticating agent, bond registrar, transfer agent and paying agent (collectively, the “Paying Agent”) for the Series B Bonds. The County Treasurer and Tax Collector is authorized to contract with any third party to perform the services of the Paying Agent. The District acknowledges that ongoing expenses and fees of the Paying Agent
and all other fees and costs incurred in connection with the Series B Bonds will be paid by the District.

Section 12. Building Fund and Debt Service Fund. (A) Building Fund. The District hereby requests that the County Auditor-Controller establish and create and/or maintain the “Arcadia Unified School District, 2006 Election, Series B Building Fund,” (the “Building Fund”) and keep each fund separate and distinct from all other District and County funds. The District hereby further requests that the County Treasurer and Tax Collector deposit the proceeds of the sale of the Series B Bonds (except any premium or accrued interest received from the sale) into the Building Fund for use by the District to pay the costs of the school facilities described in the bond measures approved by the voters of the District and costs of issuance of the Series B Bonds.

(B) Debt Service Fund. The District hereby requests that the County Auditor-Controller establish and create and/or maintain the “Arcadia Unified School District, 2006 Election, Series B Debt Service Fund,” (the “Debt Service Fund”) and keep each fund separate and distinct from all other District and County funds. The District hereby further requests that the County Treasurer and Tax Collector deposit any premium received from the sale of the Series B Bonds into the Debt Service Fund. The District hereby further requests that the County Auditor-Controller withdraw from the Debt Service Funds and transfer to the Paying Agent at the times requested by the District the amounts required to pay debt service on the Series B Bonds and to pay the fees and expenses of the Paying Agent.

Section 13. Official Intent. The District intends to undertake the construction, repair and acquisition of school facilities and equipment, described in the bond measures, to serve the District (the “Improvements”). The District intends to use the proceeds of its Series B Bonds described in this Resolution to finance the Improvements. The District expects to pay certain capital expenditures (the “Reimbursement Expenditures”) in connection with the Improvements prior to the issuance by it of the indebtedness for the purpose of financing the costs of the Improvements on a long-term basis. The District reasonably expects that the Series B Bonds debt obligations will be issued by it for the purpose of financing the cost of the Improvements on a long-term basis and that certain of the proceeds of such debt obligations will be used to reimburse the District for the Reimbursement Expenditures.

The Board hereby declares the District’s official intent to use a portion of the proceeds of the proposed indebtedness to reimburse the District for the Reimbursement Expenditures. The foregoing statement is a declaration of official intent that is made under and only for the purpose of establishing compliance with the requirements of Treasury Regulations section 1.150-2 and Section 54A(d)(2)(D) of the Internal Revenue Code of 1986, as amended.

Section 14. Authorization of Officers to Execute Documents. The Board hereby authorizes and directs the Designated Officers or their respective designees, and each of them individually, to do any and all things, to take any and all actions, and to execute and deliver any and all documents that they may deem necessary or advisable in order to complete the sale, issuance, and delivery of the Series B Bonds and otherwise to carry out, give effect to, and comply with the terms and intent of this Resolution. All actions heretofore taken by such officers and staff that are in conformity with the purposes and intent of this Resolution are hereby ratified, confirmed and approved in all respects.
Section 15. **Levy of Tax.** The District hereby requests the County Board of Supervisors to take any and all actions as may be required by the County or otherwise necessary in order to arrange for the levy and collection of taxes for payment of the Series B Bonds, and the deposit and investment of the Series B Bond proceeds.

Section 16. **Effective Date.** This resolution shall take effect immediately upon its passage.
