S-1  
AGN. NO. \_\_\_)

MOTION BY SUPERVISOR ZEV YAROSLAVSKY

June, 10 2014

Amendment to Item S-1

**I, THEREFORE, MOVE** that:

1. The Board of Supervisors establish the Office of Child Protection (OCP) as a separate entity that reports directly to the Board of Supervisors. The OCP will be housed within the Board of Supervisors Executive Office;
2. The Board of Supervisors immediately undertake an executive search for the Director of the OCP. The Transition team should work with the Board of Supervisors to provide input as to job description, desired qualities and experience for the Director of OCP. The Board of Supervisors will interview candidates and select the Director of OCP;
3. The Transition Team be requested to make recommendations to the Board of Supervisors as to size and scope of the OCP, with the final determination to be made by the Board of Supervisors;
4. Once established, the OCP will be responsible for creating a countywide child safety strategic plan and coordinating all recommendations for integration of services between and amongst all county departments. OCP will be responsible for presenting staffing, funding and any recommendations to accomplish its goals of integration, directly to the Board of Supervisors. County departments to be included in the new countywide child safety strategic plan shall include, but not be limited to:

MOTION

- Department of Child Support Services
- Community Development Commission/Housing Authority
- Sheriff's Department
- Office of District Attorney
- Los Angeles County Office of Education
- Office of County Counsel
- Department of Auditor-Controller

5. Prior to implementation of any of the Blue Ribbon Commission recommendations, the Chief Executive Office will work with all relevant County departments, the Transition Team and/or the OCP to determine cost of implementation and identify a source of funding for Board of Supervisors approval and execution. Chief Executive Office and relevant Departments are also to identify savings within their departments that could offset any of these costs.
