

MOTION BY SUPERVISOR DON KNABE

August 26, 2014

On July 27, 2013, at 1:19 a.m., a murder occurred in the parking lot of 11688 South Street, Artesia. Five Asian Boys gang members confronted the victims and shot one of them. The victim was transported to Long Beach Memorial Hospital where he was pronounced dead. Boren Lay was armed with a large caliber revolver and was identified by witnesses as the gunman. Lay is a member of the Asian Boys and frequents the City of Long Beach and surrounding areas.

Detectives felt it would be beneficial to offer a reward, which may prompt reluctant witnesses to come forward and provide information as to the whereabouts of Boren Lay. The Board of Supervisors established a \$10,000 reward on June 4, 2014. That reward is due to expire on September 2, 2014.

I, THEREFORE, MOVE that the Board of Supervisors extend the offer for a \$10,000 reward for information leading to the arrest and conviction of Boren Lay so this heinous crime can be brought to justice. Any callers can remain anonymous.
