

MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

September 30, 2014

The National Association of Financial and Insurance Advisors say that the vast majority of Americans recognize that it is important to own life insurance to safeguard the financial security of their loved ones. The life insurance industry pays roughly \$60 billion to beneficiaries each year, providing a tremendous source of financial relief and security to families that experience the loss of a loved one. Despite the peace of mind that life insurance brings to millions of American families, there are still too many Americans that lack adequate life insurance coverage.

I, THEREFORE, MOVE that the Board of Supervisors hereby proclaim the month of September 2014 as Life Insurance Awareness Month.
