

AGN. NO. _____

MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

November 5, 2014

VOTER REGISTRATION

A recent story by KNBC reported that they had identified at least 442, and possibly thousands more, duplicate voter registrations and other alleged irregularities in the voter file. Even with the understanding that the process of updating or correcting voter records is complex, it is still incumbent upon the County to ensure the accuracy of voter registration, while preserving the right of every eligible voter to exercise his or her right to vote.

I, THEREFORE, MOVE that the Board of Supervisors request the Auditor-Controller to review the alleged duplicate voter registrations and other alleged irregularities in the voter file and report back to the Board in 30 days on the findings.
