Dear Supervisors:

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

17 February 17, 2015

PATRICK OZAWA
ACTING EXECUTIVE OFFICER

**AWARD OF THREE CONTRACTS FOR LANDSCAPE AND
GROUNDS MAINTENANCE SERVICES FOR MEDIANS IN THE
UNINCORPORATED COUNTY AREAS OF MONTROSE/ALTADENA,
ROAD MAINTENANCE DISTRICT 141/241, AND
ROAD MAINTENANCE DISTRICT 446
(SUPERVISORIAL DISTRICTS 1, 2, 4, AND 5)
(3 VOTES)**

SUBJECT

This action is to award the contracts for landscape and grounds maintenance services for medians in the Montrose/Altadena unincorporated County areas; Road Maintenance District 141/241 in the unincorporated County areas of Florence/Firestone, Willowbrook, and East Rancho Dominguez; and Road Maintenance District 446 in the unincorporated County areas of South Whittier and West Whittier.

IT IS RECOMMENDED THAT THE BOARD:

1. Find that these contracts are categorically exempt from the provisions of the California Environmental Quality Act.
2. Find that these services can be more economically performed by an independent contractor than by County of Los Angeles employees.
3. Award the contract Landscape and Grounds Maintenance Services for Montrose/Altadena to TruGreen Landcare in the annual sum of \$52,690, and instruct the Mayor to execute the contract. This contract will commence on March 1, 2015, or upon the Board's approval, whichever occurs last, for a term of 1 year with four 1-year renewal options and a month-to-month extension up to 6 months

for a maximum potential contract term of 66 months with a potential maximum contract sum of \$289,795.

4. Award the contract Landscape and Grounds Maintenance Services for Road Maintenance District 141/241 to TruGreen Landcare in the annual sum of \$163,133, and instruct the Mayor to execute the contract. This contract will commence on March 1, 2015, or upon the Board's approval, whichever occurs last, for a term of 1 year with four 1-year renewal options and a month-to-month extension up to 6 months for a maximum potential contract term of 66 months with a potential maximum contract sum of \$897,232.

5. Award the contract Landscape and Grounds Maintenance Services for Road Maintenance District 446 to TruGreen Landcare in the annual sum of \$126,530, and instruct the Mayor to execute the contract. This contract will commence on March 1, 2015, or upon the Board's approval, whichever occurs last, for a term of 1 year with four 1-year renewal options and a month-to-month extension up to 6 months for a maximum potential contract term of 66 months with a potential maximum contract sum of \$695,915.

6. Authorize the Director of Public Works or her designee to increase these contracts amount up to an additional 10 percent of the contracts' sum for the initial 1-year term and to annually increase the contracts amount up to an additional 10 percent of the annual contracts sums for renewal option years for unforeseen, additional work within the scope of the contract, if required.

7. Authorize the Director of Public Works or her designee to renew these contracts for each additional renewal option if, in the opinion of the Director of Public Works or her designee, TruGreen Landcare has successfully performed during the previous contract period and the services are still required; to approve and execute amendments to incorporate necessary changes within the scope of work; and to suspend work if, in the opinion of the Director of Public Works or her designee, it is in the best interest of the County of Los Angeles to do so.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended action is to provide landscape and grounds maintenance services for Montrose/Altadena medians, Road Maintenance District (RMD) 141/241 medians, and RMD 446 medians in the unincorporated County areas. The work to be performed includes the maintenance of turf, ground cover, shrubs, and trees; routine application of fertilizers and chemicals; maintenance of irrigation systems; removal of litter from walkways and landscaped areas; and maintenance of low-impact development systems. The Department of Public Works has contracted for these services since 1994.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provisions of Operational Effectiveness/Fiscal Sustainability (Goal 1), and Integrated Services Delivery (Goal 3). The contractor who has the specialized expertise to provide these services accurately, efficiently, timely, and in a responsive and cost-effective manner will support Public Works in meeting these goals.

FISCAL IMPACT/FINANCING

There will be no impact to the County General Fund.

The annual contract sum for landscape and grounds maintenance for the Montrose/Altadena medians is \$52,690 plus 10 percent of the annual contract sum for unforeseen, additional work within the scope of the contract. This amount is based on the unit prices quoted by the contractor.

The annual contract sum for landscape and grounds maintenance for the RMD 141/241 medians is \$163,133 plus 10 percent of the annual contract sum for unforeseen, additional work within the scope of the contract. This amount is based on the unit prices quoted by the contractor.

The annual contract sum for landscape and grounds maintenance for the RMD 446 medians is \$126,530 plus 10 percent of the annual contract sum for unforeseen, additional work within the scope of the contract. This amount is based on the unit prices quoted by the contractor.

Funding for these services, including 10 percent additional funding for contingencies, is available in the First, Second, Fourth, and Fifth Supervisorial Districts' Road Construction Program in the Road Fund Fiscal Year 2014-15 Budget. Funding for the renewal option years, including the 10 percent contingencies, will be requested through the annual budget process.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The recommended contractor for the three contracts is TruGreen Landcare, located in Gardena, California. The contracts will commence on March 1, 2015, or upon the Board's approval, whichever occurs last, for a period of 1 year. With the Board's delegated authority, the Director of Public Works or her designee may renew the contracts for four 1-year renewal options and a month-to-month extension up to 6 months for a maximum potential contract term of 66 months.

These contracts have been executed by TruGreen Landcare and approved as to form by County Counsel (Enclosure A). These recommended contracts were solicited on an open-competitive basis and is in accordance with applicable Federal, State, and County requirements. The contractor is in compliance with the requirements of the Interim Chief Executive Officer and the Board.

The award of these contracts will not result in unauthorized disclosure of confidential information and will be in full compliance with Federal, State, and County regulations. These contracts contain terms and conditions supporting the Board's ordinances, policies, and programs including, but not limited to: the County's Greater Avenues for Independence and General Relief Opportunities for Work Programs (GAIN and GROW), Board Policy No. 5.050; Contract Language to Assist in Placement of Displaced County Workers, Board Policy No. 5.110; Reporting of Improper Solicitations, Board Policy No. 5.060; Notice to Contract Employees of Newborn Abandonment Law (Safely Surrendered Baby Law), Board Policy No. 5.135; Contractor Employee Jury Service Program, Los Angeles County Code, Chapter 2.203; Notice to Employees Regarding the Federal Earned Income Credit (Federal Income Tax Law, Internal Revenue Service Notice 1015); Contractor Responsibility and Debarment, Los Angeles County Code, Chapter 2.202; the Los Angeles County's Child Support Compliance Program, Los Angeles County Code, Chapter 2.200; and Defaulted Property Tax Reduction Program Ordinance, Los Angeles County Code, Chapter 2.206; and the standard Board-directed clauses that provide for contract termination or renegotiation.

Data regarding the proposers' minority participation is on file with Public Works. The contractor was selected upon final analysis and consideration without regard to race, creed, gender, or color.

Proof of the required Comprehensive General and Automobile Liability insurance policies, naming the County as additional insured, and evidence of Workers' Compensation insurance will be obtained from the contractor before any work is assigned.

Pursuant to the applicable memorandum of understanding, the Request for Proposals (RFP) for these contracted services was submitted on September 16, 2014, to the appropriate union for review. The union has not asked to meet with Public Works regarding this solicitation.

This work is being contracted in accordance with procedures authorized under County Charter, Section 44.7, Part 3, and Chapter 2.121 (Contracting with Private Business) of the Los Angeles County Code. The mandatory requirements for contracting set forth in the Los Angeles County Code, Section 2.121.380, have been met.

The contractor has agreed to pay its full-time employees the current Living Wage Rate approved by the Board on February 6, 2007, and to comply with the County's Living Wage reporting requirements. The County's Proposition A and Living Wage Ordinance (LWO) provisions apply to this proposed contract, as County employees can perform these contracted services. The contract complies with all of the requirements of the Los Angeles County Code, Section 2.201. The contractor will pay its full time employees the required minimum rates of \$11.84 per hour without health benefits, or \$9.64 per hour with health benefits of \$2.20 per hour, as specified in the LWO adopted by the Board, and will comply with the County's Living Wage reporting requirements.

Using methodology approved by the Auditor-Controller, the Proposition A cost analysis indicates that the recommended contracted services can be performed more economically by the private sector.

This Proposition A contract does not allow cost-of-living adjustments for any option years.

ENVIRONMENTAL DOCUMENTATION

These services are categorically exempt from the provisions of the California Environmental Quality Act (CEQA). These services are within a class of projects that has been determined not to have a significant effect on the environment in that they meet the criteria set forth in Section 15301 (h) of CEQA.

CONTRACTING PROCESS

On September 17, 2014, Public Works solicited proposals from 333 independent contractors and community business enterprises to accomplish this work. Also, a notice of the RFP was placed on the County's "Doing Business With Us" website (Enclosure B), and an advertisement was placed in the Los Angeles Times.

On October 15, 2014, six proposals were received for the landscape and grounds maintenance services for Montrose/Altadena medians and five proposals were received for RMD 141/241 and RMD 446 medians. The proposals were first reviewed to ensure they met the minimum requirements in the RFP. Four proposals were disqualified in the Montrose/Altadena medians and three proposals were disqualified in the RMD 141/241 and RMD 446 medians for not meeting the minimum requirements of the RFP. The remaining two proposals for the Montrose/Altadena, RMD 141/241, and RMD 446 medians met the minimum requirements and were then evaluated by an evaluation committee consisting of Public Works staff. The evaluation was based on criteria detailed in the RFP, which included price, experience, work plan, financial resources, references, and demonstrated controls over labor/payroll record keeping. The committee utilized the informed averaging methodology for applicable criteria. Based on this evaluation, it is recommended that this

contract be awarded to the highest-rated, apparent responsive, and responsible proposer.

Public Works has accessed available resources to review and assess the proposed contractor's past performance, history of Labor Law violations, and prior performance on County contracts.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The award of these contracts will not result in the displacement of any County employees as these services are presently contracted with the private sector.

CONCLUSION

Please return one adopted copy of this letter along with the Contractor Execute and Department Conform copies to the Department of Public Works, Administrative Services Division. The original Board Execute copy should be retained for your files.

Respectfully submitted,

GAIL FARBER

THIRD: The COUNTY agrees, in consideration of satisfactory performance of the foregoing services in strict accordance with the Contract specifications to the satisfaction of the Director of Public Works, to pay the CONTRACTOR pursuant to the Schedule of Prices set forth in the Proposal and attached hereto as Form PW-2, an amount not to exceed \$52,690 per year or such greater amount as the Board may approve (Maximum Contract Sum).

FOURTH: This Contract's initial term shall be for a period of one year commencing on March 1, 2015, or upon Board approval, whichever occurs last. The COUNTY shall have the sole option to renew this Contract term for up to four additional one-year periods and six month-to-month extensions, for a maximum total Contract term of five years and six months. Each such option and renewal shall be exercised at the sole discretion of the COUNTY. The COUNTY, acting through the Director, may give a written notice of intent to renew this Contract at least ten days prior to the end of each term. At the sole discretion of the COUNTY, in lieu of renewing the Contract for the full one year, this Contract may be renewed on a month-to-month basis, upon written notice to the CONTRACTOR at least ten days prior to the end of a term. The Director will provide a written notice of nonrenewal at least ten days before the last day of any term, in which case this Contract shall expire as

EIGHTH: The CONTRACTOR understands and agrees that only the designated Public Works Contract Manager is authorized to request or order work under this Contract. The CONTRACTOR acknowledges that the designated Contract Manager is not authorized to request or order any work that would result in the CONTRACTOR earning an aggregate compensation in excess of this Contract's Maximum Contract Sum.

NINTH: The CONTRACTOR shall not perform or accept work requests from the Contract Manager or any other person that will cause the Maximum Contract Sum of this Contract to be exceeded. The CONTRACTOR shall monitor the balance of this Contract's Maximum Contract Sum. When the total of the CONTRACTOR'S paid invoices, invoices pending payment, invoices yet to be submitted, and ordered services reaches 75 percent of the Maximum Contract Sum, the CONTRACTOR shall immediately notify the Contract Manager in writing. The CONTRACTOR shall send written notification to the Contract Manager when this Contract is within six months from expiration of the term as provided for hereinabove.

- e. Maintain the turf adjacent to sprinklers at the same height as the surrounding turf. The exception would be if the normal turf height prevents the sprinklers from working properly. In such a case, keep the turf edges trimmed low adjacent to sprinklers to provide optimum water coverage. Likewise, keep turf adjacent to valve

boxes, meter boxes, backflow devices, and other equipment and obstacles at the same height as the surrounding turf.

- v. Prune any runners that start to climb buildings, shrubs, or trees.
- vi. Remove all pruned and/or trimmed plant material from site the same day.
- vii. Maintain pruned shrubs in a natural shape and proper size as a continuous and ongoing operation so plants will not develop stray or undesirable growth.
- viii. Use only hedge trimmers to trim shrubs and hedges. Under no circumstances shall hedge shears or lawn edge trimmers be used as a means of pruning or trimming.
- ix. Replace dead, missing, and unhealthy looking shrubs/plants to maintain full, even, and healthy looking planting beds. Contractor shall submit a proposal for replacement of shrubs to the Contract Manager before beginning installation. Shrubs shall not be replaced with different types except to create or maintain a consistency in design.

 - iii. Trees shall be thinned to increase light and air penetration to the tree's crown and landscape below. Pruning shall provide an even distribution of foliage along large limbs and the lower portion of the crown. Do not remove an excessive amount of inner foliage and small branches. No more than a quarter of the tree's foliage may be removed at one time. Maintain at least half of the foliage on the lower two-thirds of the tree.
 - iv. Reducing cuts for clearance and to prevent encroachment onto private property shall be accomplished by pruning back leaders and branch terminals to lateral branches that are large enough to assume the terminal roles (at least one-third of the diameter of the limb being pruned).

The pruning cut shall be made toward the outside portion of the "collar." If a tree does not produce this characteristic "collar," then make the cut flush to the limb where it is growing.
 - iii. All limbs 12 inches or greater in diameter shall be undercut 12- to 18-inches from the limb's point of attachment to prevent splitting.

d. Pruning Criteria:

- i. Removal of weak, diseased, insect infested, and damaged limbs as recommended by a certified arborist and/or a certified horticulturist.
- ii. Prune all trees for vertical and horizontal clearance. Such clearances are 7 feet for pedestrian areas and walkways, and 14 feet for vehicular roadways.

 - b. The parties are both experienced in the performance of the Contract work.
 - c. The Contract contains a reasonable statement of the work to be performed in order that the expectations of the parties to the Contract are realized. The expectation of Public Works is that the work will be performed with due care in a workmanlike, competent, timely, and cost-efficient manner while the expectation of the Contractor is a realization of a profit through the ability to perform the Contract work in accordance with the terms and conditions of the Contract at the Proposal price.
 - d. The parties are not under any compulsion to contract.
 - e. The Contractor's acceptance of the assessment of liquidated damages against it for unsatisfactory and late performance is by agreement and willingness to be bound as part of the consideration being offered to Public Works for the award of the Contract.
 - f. The liquidated sums specified represent a fair approximation of the damages incurred by Public Works resulting from the Contractor's failure to meet the performance standard as to each item for which an amount of liquidated damages is specified.
7. The Contractor shall pay Public Works, or Public Works may withhold and deduct from monies due the Contractor, liquidated damages in the sum of \$500 for each consecutive calendar day that the Contractor fails to complete work within the time specified unless otherwise provided in this Contract, or approved by Contract Manager.

8. In addition to the above, Public Works may use Exhibit F, Performance Requirements Summary, to evaluate Contractor's performance and assess liquidated damages identified therein.

STANDARD TERMS AND CONDITIONS PERTAINING TO CONTRACT ADMINISTRATION

A. Amendments

1. For any change which affects the Scope of Work, contract sum, payments, or any term or condition included in this Contract, an amendment shall be prepared and executed by Contractor and the Board or if delegated by the Board, the Director, and Contractor.
2. The Board or County's Chief Executive Officer or designee may require the addition and/or change of certain terms and conditions in this Contract during the term of this Contract. County reserves the right to add and/or change such provisions as required by the Board or the Chief Executive Officer. To implement such changes, an amendment or a change order to this Contract shall be prepared by Public Works and signed by the Contractor.
3. County may, at its sole discretion, authorize extensions of time to this Contract's term. Contractor agrees that such extensions of time shall not change any other term or condition of this Contract during the period of such extensions. To implement an extension of time, an amendment to this Contract shall be prepared and executed by Contractor and the Board or if delegated by the Board, the Director, and Contractor. To the extent that extensions of time for Contractor performance do not impact either scope or amount of this Contract, Public Works may, at its sole discretion, grant Contractor extensions of time, provided the aggregate of all such extensions during the life of this Contract shall not exceed 120 days.
4. For any change which does not materially affect the Scope of Work or any other term or condition included under this Contract, a change order shall be prepared by Public Works and signed by the Contractor. If the change order is prepared by the Contractor, it shall be approved by Public Works and signed by the Contractor and the County.

B. Assignment and Delegation

1. Contractor shall not assign its rights or delegate its duties under this Contract, or both, whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this paragraph, County consent shall require a written amendment to this Contract, which is formally approved and executed by Contractor and the Board or if delegated by the Board, the Director and Contractor. Any payments by County to any approved delegate or assignee on any claim

under this Contract shall be deductible, at County's sole discretion, against the claims which Contractor may have against County.

2. Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of this Contract, such disposition is an assignment requiring the prior written consent of County in accordance with applicable provisions of this Contract.
3. Any assumption, assignment, delegation, or takeover of any of Contractor's duties, responsibilities, obligations, or performance of same by any entity other than Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, shall be a material breach of this Contract, which may result in the suspension or termination of this Contract. In the event of such a termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default of Contractor.

C. Authorization Warranty

Contractor represents and warrants that the person(s) executing this Contract for Contractor is an authorized agent who has actual authority to bind Contractor to each and every term, condition, and obligation of this Contract and that all requirements of Contractor have been fulfilled to provide such actual authority.

D. Budget Reduction

In the event that the County's Board of Supervisors adopts, in any fiscal year, a County Budget which provides for reductions in the salaries and benefits paid to the majority of County employees and imposes similar reductions with respect to County Contracts, the County reserves the right to reduce its payment obligation under this Contract correspondingly for that fiscal year and any subsequent fiscal year during the term of this Contract (including any extensions), and the services to be provided by the Contractor under this Contract shall also be reduced correspondingly. Except as set forth in the preceding sentence, the Contractor shall continue to provide all of the services set forth in this Contract. The County's notice to the Contractor regarding said reduction in payment obligation shall be provided within 30 calendar days of the Board's approval of such actions.

E. Complaints

Contractor shall develop, maintain, and operate procedures for receiving, investigating, and responding to any complaints by any individual.

1. Within 12 business days after this Contract's effective date, Contractor shall provide County with Contractor's policy for receiving, investigating, and responding to any complaints by any individual.
2. County will review Contractor's policy and provide Contractor with approval of said plan or with requested changes.
3. If County requests changes in Contractor's policy, Contractor shall make such changes and resubmit the plan within five business days for County approval.
4. If, at any time, Contractor wishes to change Contractor's policy, Contractor shall submit proposed changes to County for approval before implementation.
5. Contractor shall preliminarily investigate all complaints and notify the Contract Manager of the status of the investigation within five business days of receiving the complaint.
6. When complaints cannot be resolved informally, a system of follow-through shall be instituted which adheres to formal plans for specific actions and strict time deadlines.
7. Copies of all written responses shall be sent to the Contract Manager within three business days of mailing to the complainant.

F. Compliance with Applicable Laws

1. Contractor shall comply with all applicable Federal, State, and local laws, rules, regulations, ordinances, or directives, and all provisions required thereby to be included in this Contract are hereby incorporated by reference.
2. Contractor shall defend, indemnify, and hold County harmless from and against any and all liability, damages, costs, and expenses including, but not limited to, defense costs and attorneys' fees arising from or related to any violation on the part of Contractor or its employees, agents, or Subcontractors of any such laws, rules, regulations, ordinances, or directives.

G. Compliance with Civil Rights Laws

Contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000 (e)(1) through 2000 (e)(17), to the end that no person shall, on the grounds of race, creed, color, sex, religion, ancestry, age, condition of physical disability, marital status, political affiliation, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract. Contractor shall comply with its EEO Certification (Form PW-7).

H. Confidentiality

1. Contractor shall maintain the confidentiality of all records obtained from County under this Contract in accordance with all applicable Federal, State, and local laws, ordinances, regulations, and directives relating to confidentiality.
2. Contractor shall inform all of its officers, employees, agents, and Subcontractors providing services hereunder of the confidentiality provisions of this Contract.

I. Conflict of Interest

1. No County employee whose position with County enables such employee to influence the award of this Contract or any competing contract, and no spouse or economic dependent of such employee shall be employed in any capacity by Contractor or have any other direct or indirect financial interest in this Contract. No officer or employee of Contractor who may financially benefit from the performance of the work hereunder shall in any way participate in County's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence County's approval or ongoing evaluation of such work.
2. Contractor represents and warrants that it is aware of, and its authorized officers have read, the provisions of Los Angeles County Code, Section 2.180.010, "Certain Contracts Prohibited," and that execution of this Agreement will not violate those provisions. Contractor shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Contract. Contractor warrants that it is not now aware of any facts that create a conflict of interest. If Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this paragraph shall be a material breach of this Contract

subjecting Contractor to either contract termination for default or debarment proceedings or both. Contractor must sign and adhere to the "Conflict of Interest Certification" (Form PW-5).

J. Consideration of Hiring County Employees Targeted for Layoffs or Former County Employees on Reemployment List

Should Contractor require additional or replacement personnel after the effective date of this Contract to perform the services set forth herein, Contractor shall give first consideration for such employment openings to qualified permanent County employees who are targeted for layoff or qualified, former County employees who are on a reemployment list during the life of this Contract.

K. Consideration of Hiring GAIN and GROW Participants

1. Should Contractor require additional or replacement personnel after the effective date of this Contract, Contractor shall give consideration for any such employment openings to participants in County's Department of Public Social Services' Greater Avenues for Independence (GAIN) Program and General Relief Opportunity for Work (GROW) Program who meet Contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that Contractor will interview qualified candidates. County will refer GAIN and GROW participants by category to Contractor.
2. In the event that both laid-off County employees and GAIN and GROW participants are available for hiring, County employees shall be given first priority.

L. Contractor's Acknowledgment of County's Commitment to Child Support Enforcement

Contractor acknowledges that County places a high priority on the enforcement of child support laws and the apprehension of child support evaders. Contractor understands that it is County's policy to encourage all County Contractors to voluntarily post County's L.A.'s Most Wanted: Delinquent Parents poster in a prominent position at Contractor's place of business. County's Child Support Services Department will supply Contractor with the poster to be used.

M. Contractor's Charitable Activities Compliance

The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring Contractors to complete the Charitable Contributions Certification (Form PW-12), County seeks to ensure that all County Contractors which receive or raise charitable contributions comply with California

law in order to protect County and its taxpayers. A Contractor which receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination for default or debarment proceedings or both. (Los Angeles County Code Chapter 2.202)

N. Contractor's Warranty of Adherence to County's Child Support Compliance Program

1. Contractor acknowledges that County has established a goal of ensuring that all individuals who benefit financially from County through contracts are in compliance with their court-ordered child, family, and spousal support obligations in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.
2. As required by County's Child Support Compliance Program (Los Angeles County Code Chapter 2.200), and without limiting Contractor's duty under this Contract to comply with all applicable provisions of law, Contractor warrants that it is now in compliance and shall during the term of this Contract maintain compliance with the employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family, or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

O. Contractor Performance Evaluation/Corrective Action Measures

County or its agent will evaluate Contractor's performance under this Contract on not less than an annual basis. Such evaluation will include assessing Contractor's compliance with all this Contract's terms and conditions and performance standards. Contractor deficiencies which County determines are severe or continuing and that may place performance of this Contract in jeopardy, if not corrected, will be reported to the Board. The report will include improvement/corrective action measures taken by County and Contractor. If improvement does not occur consistent with the corrective action measures, County may suspend or terminate this Contract for default or impose other penalties as specified in this Contract.

P. Damage to County Facilities, Buildings, or Grounds

1. Contractor shall repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings, or grounds caused by Contractor or employees or agents of Contractor.

2. Such repairs shall be made immediately after Contractor has become aware of such damage, but in no event later than 30 days after the occurrence. If Contractor fails to make timely repairs, County may make any necessary repairs. All costs incurred by County, as determined by County, for such repairs shall be repaid by Contractor by cash payment upon demand. County may deduct from any payment otherwise due Contractor for costs incurred by County to make such repairs.

Q. Employment Eligibility Verification

1. Contractor warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all of its employees performing work under this Contract meet the citizenship or alien status requirements set forth in Federal and State statutes and regulations. Contractor shall obtain, from all covered employees performing services hereunder, all verification and other documentation of employment eligibility status required by Federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986 (P.L. 99-603), or as they currently exist and as they may be hereafter amended. Contractor shall retain all such documentation for all covered employees for the period prescribed by law.
2. Contractor shall indemnify, defend, and hold harmless, the County of Los Angeles, its Special Districts, Elected Officials, Officers, Agents, Employees, and Volunteers from employer sanctions and any other liability which may be assessed against Contractor or County or both in connection with any alleged violation of Federal or State statutes or regulations pertaining to the eligibility for employment of persons performing services under this Contract.

R. Facsimile Representations

At the discretion of County, County may agree to regard facsimile representations of original signatures of Contractor's authorized officers, when appearing in appropriate places on the change notices and amendments prepared pursuant to this Exhibit's Amendments, and received via communications facilities, as legally sufficient evidence that such original signatures have been affixed to change notices and amendments to this Contract, such that the Contractor need not follow up facsimile transmissions of such documents with subsequent (nonfacsimile) transmission of "original" versions of such documents.

S. Fair Labor Standards

Contractor shall comply with all applicable provisions of the Federal Fair Labor Standards Act and shall indemnify, defend, and hold harmless the County of Los Angeles, its Special Districts, Elected Officials, Officers, Agents, Employees,

and Volunteers from any and all liability including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys' fees arising under any wage and hour law, including, but not limited to, the Federal Fair Labor Standards Act, for work performed by Contractor's employees for which County may be found jointly or solely liable.

T. Force Majeure

1. Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Contract, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this subparagraph as "force majeure events").
2. Notwithstanding the foregoing, a default by a subcontractor of Contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, Contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this subparagraph, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.
3. In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

U. Governing Laws, Jurisdiction, and Venue

This Contract shall be governed by, and construed in accordance with the laws of the State of California. To the maximum extent permitted by applicable law, Contractor and County agree and consent to the exclusive jurisdiction of the courts of the State of California for all purposes concerning this Contract and further agree and consent that venue of any action brought in connection with or arising out of this Contract, shall be exclusively in the County of Los Angeles.

V. Most Favored Public Entity

If the Contractor's prices decline, or should the Contractor at any time during the term of this Contract provide the same goods or services under similar quantity

and delivery conditions to the State of California or any county, municipality, or district of the State at prices below those set forth in this Contract, then such lower prices shall be immediately extended to the County.

W. Nondiscrimination and Affirmative Action

1. Contractor certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding companies are and shall be treated equally without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State antidiscrimination laws and regulations.
2. Contractor shall certify to, and comply with, the provisions of Contractor's EEO Certification (Form PW-7).
3. Contractor shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State antidiscrimination laws and regulations. Such action shall include, but not be limited to; employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection of training, including apprenticeship.
4. Contractor certifies and agrees that it will deal with its Subcontractors, bidders, or vendors without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation.
5. Contractor certifies and agrees that it, its affiliates, subsidiaries, or holding companies shall comply with all applicable Federal and State laws and regulations to the end that no person shall, on the grounds of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract.
6. Contractor shall allow County representatives access to Contractor's employment records during regular business hours to verify compliance with the provisions of this paragraph when so requested by County.
7. If County finds that any of the above provisions have been violated, such violation shall constitute a material breach of this Contract upon which County may terminate for default or suspend this Contract. While County

reserves the right to determine independently that the antidiscrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment Practices Commission or the Federal Equal Employment Opportunity Commission that Contractor has violated Federal or State antidiscrimination laws or regulations shall constitute a finding by County that Contractor has violated the antidiscrimination provisions of this Contract.

8. The parties agree that in the event Contractor violates any of the antidiscrimination provisions of this Contract, County shall, at its sole option, be entitled to a sum of \$500 for each violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Contract.

X. Nonexclusivity

Nothing herein is intended nor shall be construed as creating any exclusive arrangement with Contractor. This Contract shall not restrict County from acquiring similar, equal, or like goods and/or services from other entities or sources.

Y. No Payment for Services Provided Following Expiration/Suspension/Termination of Contract

Contractor shall have no claim against County for payment of any money or reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration, suspension, or other termination of this Contract. Should Contractor receive any such payment, it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration/suspension/termination of this Contract shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration/suspension/termination of this Contract.

Z. Notice of Delays

Except as otherwise provided under this Contract, when either party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this Contract, that party shall, within one business day, give notice thereof, including all relevant information with respect thereto, to the other party.

AA. Notice of Disputes

Contractor shall bring to the attention of the Contract Manager any dispute between County and Contractor regarding the performance of services as stated

in this Contract. If the Contract Manager is not able to resolve the dispute, the Director will resolve it.

BB. Notice to Employees Regarding the Federal Earned Income Credit

Contractor shall notify its employees, and shall require each Subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the Federal income tax laws. Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Service Notice 1015 (Exhibit C).

CC. Notices

Notices desired or required to be given under these Specifications, Conditions, or Terms herein or any law now or hereafter in effect may, at the option of the party giving the same, be given by enclosing the same in a sealed envelope addressed to the party for whom intended and by depositing such envelope with postage prepaid with the United States Post Office and any such notice and the envelope containing the same shall be addressed to Contractor at its place of business, or such other place as may be hereinafter designated in writing by Contractor. The notices and envelopes containing the same to County shall be addressed to:

Chief, Administrative Services Division
County of Los Angeles Department of Public Works
P.O. Box 1460
Alhambra, CA 91802-1460

In the event of suspension or termination of this Contract, notices may also be given upon personal delivery to any person whose actual knowledge of such suspension or termination would be sufficient notice to Contractor. Actual knowledge of such suspension or termination by an individual Contractor or by a copartner, if Contractor is a partnership; or by the president, vice president, secretary, or general manager, if Contractor is a corporation; or by the managing agent regularly in charge of the work on behalf of said Contractor shall in any case be sufficient notice.

DD. Publicity

Contractor shall not disclose any details in connection with this Contract to any person or entity except as may be otherwise provided hereunder or required by law. However, in recognizing Contractor's need to identify its services and related clients to sustain itself, County shall not inhibit Contractor from publicizing its role under this Contract within the following conditions:

1. Contractor shall develop all publicity material in a professional manner.

2. During the term of this Contract, Contractor shall not, and shall not authorize another to, publish or disseminate commercial advertisements, press releases, feature articles, or other materials using the name of County without the prior written consent of the Contract Manager. County shall not unreasonably withhold such written consent.
3. Contractor may, without prior written consent of County, indicate in its proposals and sales materials that it has been awarded this Contract with County, provided that the requirements of this paragraph shall apply.

EE. Public Records Act

1. Any documents submitted by Contractor; all information obtained in connection with County's right to audit and inspect Contractor's documents, books, and accounting records pursuant to this Exhibit's Record Retention and Inspection/Audit Settlement, of this Contract; as well as those documents which were required to be submitted in response to the RFP used in the solicitation process for this Contract, become the exclusive property of County. All such documents become a matter of public record and shall be regarded as public records, except those documents that are marked "Trade Secret," "Confidential," or "Proprietary" and are deemed excluded from disclosure under Government Code 6250 et seq. (Public Records Act). County shall not in any way be liable or responsible for the disclosure of any such records including, with limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.
2. In the event County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "Trade Secret," "Confidential," or "Proprietary," Contractor agrees to defend and indemnify County from all costs and expenses, including reasonable attorney's fees, in connection with any requested action or liability arising under the Public Records Act.

FF. Record Retention and Inspection/Audit Settlement

Contractor shall maintain accurate and complete financial records of its activities and operations relating to this Contract in accordance with generally accepted accounting principles. Contractor shall also maintain accurate and complete employment and other records relating to its performance of this Contract. Contractor agrees that County, or its authorized representatives, shall have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Contract. All such material, including, but not limited to, all financial records, bank statements, cancelled checks, or other proof of payment, timecards, sign-in/sign-out sheets, and other time and employment records, and proprietary data and information, shall be kept and

maintained by Contractor and shall be made available to County during the term of this Contract and for a period of five years thereafter unless County's written permission is given to dispose of any such material prior to such time. All such material shall be maintained by Contractor at a location in County, provided that if any such material is located outside County, then, at County's option, Contractor shall pay County for travel, per diem, and other costs incurred by County to examine, audit, excerpt, copy, or transcribe such material at such other location.

1. In the event that an audit of Contractor is conducted specifically regarding this Contract by any Federal or State auditor, or by any auditor or accountant employed by Contractor or otherwise, then Contractor shall file a copy of such audit report with County's Auditor-Controller within 30 days of Contractor's receipt thereof, unless otherwise provided by applicable Federal or State law or under this Contract. Subject to applicable law, County shall make a reasonable effort to maintain the confidentiality of such audit report(s).
2. Failure on the part of Contractor to comply with any of the provisions of this paragraph shall constitute a material breach of this Contract upon which County may suspend or terminate for default or suspend this Contract.
3. If, at any time during the term of this Contract or within five years after the expiration or termination of this Contract, representatives of County conduct an audit of Contractor regarding the work performed under this Contract, and if such audit finds that County's dollar liability for any such work is less than payments made by County to Contractor, then the difference shall be either: a) repaid by Contractor to County by cash payment upon demand or b) at the sole option of County's Auditor-Controller, deducted from any amounts due to Contractor from County, whether under this Contract or otherwise. If such audit finds that County's dollar liability for such work is more than the payments made by County to Contractor, then the difference shall be paid to Contractor by County by cash payment, provided that in no event shall County's maximum obligation for this Contract exceed the funds appropriated by County for the purpose of this Contract.
4. In addition to the above, the Contractor agrees, should the County or its authorized representatives determine, in the County's sole discretion, that it is necessary or appropriate to review a broader scope of the Contractor's records (including, certain records related to non-County contracts) to enable the County to evaluate the Contractor's compliance with the County's Living Wage Program, that the Contractor shall promptly and without delay provide to the County, upon the written request of the County or its authorized representatives, access to and the right to examine, audit, excerpt, copy, or transcribe any and all transactions, activities, or records relating to any of its employees who have provided services to the County under this Contract, including without limitation, records relating to work performed by said employees on the Contractor's

non-County contracts. The Contractor further acknowledges that the foregoing requirement in this subparagraph relative to Contractor's employees who have provided services to the County under this Contract is for the purpose of enabling the County in its discretion to verify the Contractor's full compliance with and adherence to California labor laws and the County's Living Wage Program. All such materials and information, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, shall be kept and maintained by the Contractor and shall be made available to the County during the term of this Contract and for a period of five years thereafter unless the County's written permission is given to dispose of any such materials and information prior to such time. All such materials and information shall be maintained by the Contractor at a location in Los Angeles County, provided that if any such materials and information is located outside Los Angeles County, then, at the County's option, the Contractor shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such materials and information at such other location.

GG. Recycled-Content Paper Products

Consistent with Board policy to reduce the amount of solid waste deposited at County landfills, Contractor agrees to use recycled-content paper to the maximum extent possible under this Contract.

County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of County.
5. Contractor Hearing Board will consider a request for review of a debarment determination only where (1) Contractor has been debarred for a period longer than five years; (2) the debarment has been in effect for at least five years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by Contractor Hearing Board pursuant to the same procedure as for a debarment hearing.
6. Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. Contractor Hearing Board shall present its proposed decision and recommendation to the Board. The Board shall have the right to modify, deny, or adopt the proposed decision and recommendation of Contractor Hearing Board.

E. Subcontractors of Contractor

SECTION 7

COMPLIANCE WITH COUNTY'S JURY SERVICE PROGRAM

A. Jury Service Program

This Contract is subject to the provisions of County's ordinance entitled Contractor Employee Jury Service (Jury Service Program) as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

B. Written Employee Jury Service Policy

1. Unless Contractor has demonstrated to County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employee deposit any fees received for such jury service with Contractor or that Contractor deduct from the Employee's regular pay the fees received for jury service.
2. For purposes of this Section, "Contractor" means a person, partnership, corporation, or other entity which has a contract with County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full-time employee of Contractor. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any Subcontractor to perform services for County under this Contract, the Subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.
3. If Contractor is not required to comply with the Jury Service Program when this Contract commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the

Jury Service Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. County may also require, at any time during this Contract and at its sole discretion, that Contractor demonstrate to County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Jury Service Program.

4. Contractor's violation of this Section of this Contract may constitute a material breach of this Contract. In the event of such material breach, County may, in its sole discretion, suspend or terminate this Contract and/or bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

SECTION 8

SAFELY SURRENDERED BABY LAW PROGRAM

A. Contractor's Acknowledgment of County's Commitment to the Safely Surrendered Baby Law

Contractor acknowledges that County places a high priority on the implementation of the Safely Surrendered Baby Law. Contractor understands that it is County's policy to encourage all County Contractors to voluntarily post County's "Safely Surrendered Baby Law" poster in a prominent position at Contractor's place of business. Contractor will also encourage its Subcontractors, if any, to post this poster in a prominent position in the Subcontractor's place of business. County's Department of Children and Family Services will supply Contractor with the poster to be used. Information on how to receive the poster can be found on the Internet at www.babysafela.org.

B. Notice to Employees Regarding the Safely Surrendered Baby Law

Contractor shall notify and provide to its employees, and shall require each Subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in County, and where and how to safely surrender a baby. The fact sheet is set forth in Exhibit D of this Contract and is also available on the Internet at www.babysafela.org for printing purposes.

SECTION 9

COMPLIANCE WITH COUNTY'S LIVING WAGE PROGRAM

A. Living Wage Program

This Contract is subject to the provisions of County's ordinance entitled Living Wage Program as codified in Sections 2.201.010 through 2.201.100 of the Los Angeles County Code, a copy of which is attached hereto as Form LW-1 and incorporated by reference into and made a part of this Contract.

B. Payment of Living Wage Rates

1. Unless Contractor has demonstrated to County's satisfaction either that Contractor is not an "Employer" as defined under the Living Wage Program (Section 2.201.020 of County Code) or that Contractor qualifies for an exception to the Living Wage Program (Section 2.201.090 of County Code), Contractor shall pay its Employees no less than the applicable hourly living wage rate, as set forth immediately below, for the Employees' services provided to County, including, without limitation, "Travel Time" as defined below in subsection 5 of this Section 9.B under this Contract:
 - a. Not less than \$11.84 per hour if, in addition to the per-hour wage, Contractor contributes less than \$2.20 per hour towards the provision of bona fide health care benefits for its Employees and any dependents; or
 - b. Not less than \$9.64 per hour if, in addition to the per-hour wage, Contractor contributes at least \$2.20 per hour towards the provision of bona fide health care benefits for its Employees and any dependents. Contractor will be deemed to have contributed \$2.20 per hour towards the provision of bona fide health care benefits if the benefits are provided through County Department of Health Services Community Health Plan. If, at any time during this Contract, Contractor contributes less than \$2.20 per hour towards the provision of bona fide health care benefits, Contractor shall be required to pay its Employees the higher hourly living wage rate.
2. For purposes of this Section, "Contractor" includes any Subcontractor engaged by Contractor to perform services for County under this Contract. If Contractor uses any Subcontractor to perform services for County under this Contract, the Subcontractor shall be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract and a copy of the Living Wage Program shall be attached to the subcontract. "Employee" means any individual who is an employee of Contractor under the laws of California, and who is providing full-time services to Contractor, some or all of which are provided to County under this Contract. "Full-time"

means a minimum of 40 hours worked per week, or a lesser number of hours, if the lesser number is a recognized industry standard and is approved as such by County; however, fewer than 35 hours worked per week will not, in any event, be considered full-time.

3. If Contractor is required to pay a living wage when this Contract commences, Contractor shall continue to pay a living wage for the entire term of this Contract, including any option period.
4. If Contractor is not required to pay a living wage when this Contract commences, Contractor shall have a continuing obligation to review the applicability of its "exemption status" from the living wage requirement. Contractor shall immediately notify County if Contractor at any time either comes within the Living Wage Program's definition of "Employer" or if Contractor no longer qualifies for an exception to the Living Wage Program. In either event, Contractor shall immediately be required to commence paying the living wage and shall be obligated to pay the living wage for the remaining term of this Contract, including any option period. County may also require, at any time during this Contract and at its sole discretion, that Contractor demonstrate to County's satisfaction that Contractor either continues to remain outside of the Living Wage Program's definition of "Employer" and/or that Contractor continues to qualify for an exception to the Living Wage Program. Unless Contractor satisfies this requirement within the time frame permitted by County, Contractor shall immediately be required to pay the living wage for the remaining term of this Contract, including any option period.
5. For purposes of Contractor's obligation to pay its Employees the applicable hourly living wage rate under this Contract, "Travel Time" shall have the following two meanings, as applicable: 1) with respect to travel by an Employee that is undertaken in connection with this Contract, Travel Time shall mean any period during which an Employee physically travels to or from a County facility if Contractor pays the Employee any amount for that time or if California law requires Contractor to pay the Employee any amount for that time; and 2) with respect to travel by an Employee between County facilities that are subject to two different contracts between Contractor and County (of which both contracts are subject to the Living Wage Program), Travel Time shall mean any period during which an Employee physically travels to or from, or between such County facilities if Contractor pays the Employee any amount for that time or if California law requires Contractor to pay the Employee any amount for that time.

C. Contractor's Submittal of Certified Monitoring Reports

Contractor shall submit to County certified monitoring reports at a frequency instructed by County. The certified monitoring reports shall list all of Contractor's Employees during the reporting period. The certified monitoring reports shall also

verify the number of hours worked, the hourly wage rate paid, and the amount paid by Contractor for health benefits, if any, for each of its Employees. The certified monitoring reports shall also state the name and identification number of Contractor's current health care benefits plan, and Contractor's portion of the premiums paid as well as the portion paid by each Employee. All certified monitoring reports shall be submitted on forms provided by County, or any other form approved by County which contains the above information. County reserves the right to request any additional information it may deem necessary. If County requests additional information, Contractor shall promptly provide such information. Contractor, through one of its officers, shall certify under penalty of perjury that the information contained in each certified monitoring report is true and accurate.

D. Contractor's Ongoing Obligation to Report Labor Law/Payroll Violations and Claims

During the term of this Contract, if Contractor becomes aware of any labor law/payroll violations or any complaint, investigation, or proceeding ("claim") concerning any alleged labor law/payroll violation (including, but not limited to, any violation or claim pertaining to wages, hours, and working conditions, such as minimum wage, prevailing wage, living wage, the Fair Labor Standards Act, employment of minors, or unlawful employment discrimination), Contractor shall immediately inform County of any pertinent facts known by Contractor regarding the same. This disclosure obligation is not limited to any labor law/payroll violation or claim arising out of Contractor's contract with County, but instead applies to any labor law/payroll violation or claim arising out of any of Contractor's operation in California.

E. County Auditing of Contractor Records

Upon a minimum of 24 hours' written notice, County may audit, at Contractor's place of business, any of Contractor's records pertaining to this Contract, including all documents and information relating to the certified monitoring reports. Contractor is required to maintain all such records in California until the expiration of five years from the date of final payment under this Contract. Authorized agents of County shall have access to all such records during normal business hours for the entire period that records are to be maintained.

F. Notifications to Employees

Contractor shall place County-provided living wage posters at each of Contractor's place of business and locations where Contractor's Employees are working. Contractor shall also distribute County-provided notices to each of its Employees at least once per year. Contractor shall translate posters and handouts into Spanish and any other language spoken by a significant number of Employees.

G. Enforcement and Remedies

If Contractor fails to comply with the requirements of this Section, County shall have the rights and remedies described in this Section in addition to any rights and remedies provided by law or equity.

1. Remedies for Submission of Late or Incomplete Certified Monitoring Reports: If Contractor submits a certified monitoring report to County after the date it is due or if the report submitted does not contain all of the required information or is inaccurate or is not properly certified, any such deficiency shall constitute a breach of this Contract. In the event of any such breach, County may, in its sole discretion, exercise any or all of the following rights/remedies:
 - a. Withholding of Payment: If Contractor fails to submit accurate, complete, timely, and properly certified monitoring reports, County may withhold from payment to Contractor up to the full amount of any invoice that would otherwise be due, until Contractor has satisfied the concerns of County, which may include required submittal of revised certified monitoring reports or additional supporting documentation.
 - b. Liquidated Damages: It is mutually understood and agreed that Contractor's failure to submit an accurate, complete, timely, and properly certified monitoring report will result in damages being sustained by County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for Contractor's breach. Therefore, in the event that a certified monitoring report is deficient, including, but not limited to, being late, inaccurate, incomplete, or uncertified, it is agreed that County may, in its sole discretion, assess against Contractor liquidated damages in the amount of \$100 per monitoring report for each day until County has been provided with a properly prepared, complete, and certified monitoring report. County may deduct any assessed liquidated damages from any payments otherwise due to Contractor.
 - c. Termination/Suspension: Contractor's failure to submit an accurate, complete, timely, and properly certified monitoring report may constitute a material breach of this Contract. In the event of such material breach, County may, in its sole discretion, suspend or terminate this Contract.
2. Remedies for Payment of Less Than the Required Living Wage: If Contractor fails to pay any Employee at least the applicable hourly living

wage rate, such deficiency shall constitute a breach of this Contract. In the event of any such breach, County may, in its sole discretion, exercise any or all of the following rights/remedies:

- a. **Withholding Payment:** If Contractor fails to pay one or more of its Employees at least the applicable hourly living wage rate, County may withhold from any payment otherwise due to Contractor the aggregate difference between the living wage amounts Contractor was required to pay its Employees for a given pay period and the amount actually paid to the Employees for that pay period. County may withhold said amount until Contractor has satisfied County that any underpayment has been cured, which may include required submittal of revised certified monitoring reports or additional supporting documentation.
 - b. **Liquidated Damages:** It is mutually understood and agreed that Contractor's failure to pay any of its Employees at least the applicable hourly living wage rate will result in damages being sustained by County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for Contractor's breach. Therefore, it is agreed that County may, in its sole discretion, assess against Contractor liquidated damages of \$50 per Employee per day for each and every instance of an underpayment to an Employee. County may deduct any assessed liquidated damages from any payments otherwise due to Contractor.
 - c. **Termination/Suspension:** Contractor's failure to pay any of its Employees the applicable hourly living wage rate may constitute a material breach of this Contract. In the event of such material breach, County may, in its sole discretion, suspend or terminate this Contract.
3. **Debarment:** In the event Contractor breaches a requirement of this Section, County may, in its sole discretion, bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach, in accordance with Los Angeles County Code Section 2.202, Determinations of Contractor Nonresponsibility and Contractor Debarment.

H. Use of Full-Time Employees

Contractor shall assign and use full-time Employees of Contractor to provide services under this Contract unless Contractor can demonstrate to the satisfaction of County that it is necessary to use non-full-time Employees based on staffing

efficiency or County requirements for the work to be performed under this Contract. It is understood and agreed that Contractor shall not, under any circumstance, use non-full-time Employees for services provided under this Contract unless and until County has provided written authorization for the use of same. Contractor submitted with its proposal a full-time-Employee staffing plan. If Contractor changes its full-time-Employee staffing plan, Contractor shall immediately provide a copy of the new staffing plan to County.

I. Contractor Retaliation Prohibited

Contractor and/or its Employees shall not take any adverse action which would result in the loss of any benefit of employment, any contract benefit, or any statutory benefit for any Employee, person, or entity who has reported a violation of the Living Wage Program to County or to any other public or private agency, entity, or person. A violation of the provisions of this paragraph may constitute a material breach of this Contract. In the event of such material breach, County may, in its sole discretion, suspend or terminate this Contract.

J. Contractor Standards

During the term of this Contract, Contractor shall maintain business stability, integrity in employee relations, and the financial ability to pay a living wage to its employees. If requested to do so by County, Contractor shall demonstrate to the satisfaction of County that Contractor is complying with this requirement.

K. Neutrality in Labor Relations

Contractor shall not use any consideration received under this Contract to hinder, or to further, organization of, or collective bargaining activities by or on behalf of Contractor's employees, except that this restriction shall not apply to any expenditure made in the course of good faith collective bargaining, or to any expenditure pursuant to obligations incurred under a bona fide collective bargaining agreement, or which would otherwise be permitted under the provisions of the National Labor Relations Act.

Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a Transitional Job Opportunities vendor.

If Contractor has obtained County certification as a Transitional Job Opportunities vendor by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this Contract to which it would not otherwise have been entitled, shall:

2. In addition to the amount described in subdivision (1), be assessed a penalty in the amount of not more than ten percent of the amount of this Contract.
3. Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Nonresponsibility and Contractor Debarment).

The above penalties shall also apply to any entity that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify Public Works of this information prior to responding to a solicitation or accepting a contract award.

 - 1. Pay to County any difference between this Contract amount and what County's costs would have been if this Contract had been properly awarded.
 - 2. In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than 10 percent of the amount of this Contract.
 - 3. Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Nonresponsibility and Contractor Debarment).
- E. The above penalties shall also apply if Contractor is no longer eligible for certification as a result of a change of its status and Contractor failed to notify the State and Internal Services Department of this information.

B. Contractor's Warranty of Compliance with County's Defaulted Property Tax Reduction Program

C. Termination for Breach of Warranty of Compliance with County's Defaulted Property Tax Reduction Program

Failure of Contractor to maintain compliance with the requirements set forth in paragraph B, above, shall constitute default under this Contract. SECTION 13

connection with the Work. Whenever requested by the Contract Manager, the Contractor shall provide a certified copy of each such employee's payroll record ("certified payrolls") at the end of each week for the period ending the previous week. Failure to submit such payroll records will result in the County and/or District withholding from any monies due the Contractor the amount of \$250 for each week in which certified payrolls have not been submitted.

Department of the Treasury
Internal Revenue Service

Notice 1015

(Rev. December 2013)

Have You Told Your Employees About the Earned Income Credit (EIC)?

What is the EIC?

The EIC is a refundable tax credit for certain workers.

Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Allowance Certificate.

Note. You are encouraged to notify each employee whose wages for 2013 are less than \$51,567 that he or she may be eligible for the EIC.

How and When Must I Notify My Employees?

You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must

notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2014.

You must hand the notice directly to the employee or send it by first-class mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice from IRS.gov or by calling 1-800-829-3676.

How Will My Employees Know If They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see Pub. 596, Earned Income Credit (EIC), or the instructions for Form 1040, 1040A, or 1040EZ.

How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2013 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2013 and owes no tax but is eligible for a credit of \$800, he or she must file a 2013 tax return to get the \$800 refund.

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a baby, let her know there are other options. For three days (72 hours) after birth, a baby can be surrendered to staff at any hospital or fire station in Los Angeles County.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregue recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

These audits are kept in customer file and available for review upon request of count staff.

Landscape Quality Audit (LQA) System is TruGreen's first nationwide release of a program that will standardize the audit process. The LQA system will set the standards for the Landscaping Industry. The Landscape Quality Audit process has proven to be a very effective tool to:

- Monitor and improve performance.

- To communicate with customers on a regular basis, monthly, bimonthly, quarterly, or yearly, based on customer preferences and the size of the account.
- To provide proactive suggestions for improvement through corrective actions and enhancements proposals.
- To continuously measure the performance of our team on the job site.
- To provide a tool for the Branch Manager to use to assess the status of all maintenance accounts throughout the year.
- To better gauge the probability of retention of business year to year.

RECORD KEEPING

Record Keeping

1. How employee hours actually worked are tracked.

a. Reporting Locations

Employees report every morning to our main yard or different satellite locations depending on the job site/crew they are currently assigned to. The start time is assigned depending on contractual obligations for their assigned job site/crew, and their shift commences at the time they are assigned to be at our main yard or satellite locations.

b. Daily Reporting

Employees report to their Supervisor every morning and are accounted for when daily tasks are distributed and discussed. At the end of their shift they fill out and sign a daily timesheet which includes start time, lunch time, stop time, and total time worked for that day. Their Supervisor reviews and approves the time sheet and is turned in to the office for payroll inputting.

c. Documenting Records

TruGreen LandCare has created daily timesheets which document the employee's daily working hours including start time, lunch time, stop time, and total time worked for the day along with the locations our employees report to on that given day. The timesheets are signed and approved by the employee and their Supervisor on a daily basis to ensure accuracy and accountability for our employees. Timesheets are turned in daily to the office for payroll inputting, see attached copy.

d. Records Used to Create Payroll

As mentioned above TruGreen LandCare has created daily time sheets which has all information needed to create and document employee's weekly payroll.

e. Mandated Breaks / Meal Periods

It is TruGreen LandCare's policy to provide employees with work breaks and meal breaks during the day, employees are relieved of all work duties during these break. Meal breaks are mandated if the employees work more than six hours per day. This written policy is included in the Employees Handbook given to them at the time of hire or available to them in our office as well as posted throughout our locations. The daily timesheets include a written record of the meal periods and each crew Supervisor and Account Manager is responsible for ensuring that the policy is taken into effect.

2. Payroll Preparation

a. Payroll Payment to Employees

Exempt employees are paid on a weekly basis in a form of a payroll check processed by our Corporate Office. Payroll checks include wages earned for that week as well as any tax deductions, benefits deductions which employees opt to enroll in, and any other miscellaneous garnishments (if applicable). Payroll checks include current weekly totals as well as year to date totals for wages/deductions, hours being paid for the entire week they are being paid for, hours being paid as regular time or overtime per day to provide employees with a better understanding of their hours worked for that week, and it included itemized deductions (i.e. taxes, fica, Medicare, etc)

b. Manual Payroll System

TruGreen LandCare uses a payroll computerized system.

c. Automated Payroll System

TruGreen LandCare's automated payroll system allows us to write off the employee's wages and input the Living Wage rate or any other Prevailing Wage rate that would apply to a given contract ensuring compliance with specific terms of our contracts. Employees automatically get paid their normal wage rate for the other contracts that do not require specific wage rates. *If an employee has multiple wage rates, the computerized payroll system will pick up the multiple wage rates as a "weighted average rate" as per the Department of Industrial Relations for the State of California.*

By overriding the employees wage it allows the payroll system to calculate the specified hours at that given rate. Theses changes in wages are reflected in the Certified Payroll that would be provided to Customers upon their request or per contract agreement.

e. Travel Time

Travel time is spread out and incurred for the jobs worked at on that specific day. Employees working at Los Angeles County contracts will be full time permanent employees assigned to those contracts on a full time basis therefore receiving the Living Wage rate for the entire worked day. In an event that an employee would be assigned to a different job site that does not required the Living Wage rate the employee will be paid the Living Wage rate for the travel time until the employees arrives and commences at a new job site.

f. Overtime Calculation

TruGreen LandCare's automated payroll system automatically calculates the overtime by day and by week. If the wage rate is overridden due to Living Wage or Prevailing Wage rates the system will calculate the overtime on a "weighted average rate" depending on those wages for the hours inputted under those rates.

**COUNTY OF LOS ANGELES CONTRACTOR EMPLOYEE JURY SERVICE PROGRAM
APPLICATION FOR EXCEPTION AND CERTIFICATION FORM**

This contract is subject to the County of Los Angeles Contractor Employee Jury Service Program (Program) (Los Angeles County Code, Chapter 2.203). All contractors and subcontractors must complete this form to either (1) request an exception from the Program requirements or (2) certify compliance. Upon review of the submitted form, the County department will determine, in its sole discretion, whether the bidder or proposer is excepted from the Program.

Company Name: TruGreen LandCare			
Company Address: 1323 W 130th Street			
City:	Gardena	State: CA	Zip Code: 91770
Telephone Number: 310-354-1520			
(Type of Goods or Services): Landscape and Grounds Maintenance			

If you believe the Jury Service Program does not apply to your business, check the appropriate box in Part I (you must attach documentation to support your claim). If the Jury Service Program applies to your business, complete Part II to certify compliance with the Program. Whether you complete Part I or Part II, sign and date this form.

Part I: Jury Service Program Is Not Applicable to My Business

- My business does not meet the definition of "contractor," as defined in the Program as it has not received an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts (this exception is not available if the contract/purchase order itself will exceed \$50,000). I understand that the exception will be lost and I must comply with the Program if my revenues from the County exceed an aggregate sum of \$50,000 in any 12-month period.
- My business is a small business as defined in the Program. It 1) has ten or fewer employees; and, 2) has annual gross revenues in the preceding twelve months which, if added to the annual amount of this contract, are \$500,000 or less; and, 3) is not an affiliate or subsidiary of a business dominant in its field of operation, as defined below. I understand that the exemption will be lost and I must comply with the Program if the number of employees in my business and my gross annual revenues exceed the above limits.

 "Dominant in its field of operation" means having more than ten employees, including full-time and part-time employees, and annual gross revenues in the preceding twelve months, which, if added to the annual amount of the contract awarded, exceed \$500,000.

 "Affiliate or subsidiary of a business dominant in its field of operation" means a business which is at least 20 percent owned by a business dominant in its field of operation, or by partners, officers, directors, majority stockholders, or their equivalent, of a business dominant in that field of operation.
- My business is subject to a Collective Bargaining Agreement that expressly provides that it supersedes all provisions of the Program. **ATTACH THE AGREEMENT.**

Part II: Certification of Compliance

- My business has and adheres to a written policy that provides, on an annual basis, no less than five days of regular pay for actual jury service for full-time employees of the business who are also California residents, or my company will have and adhere to such a policy prior to award of the contract.

I declare under penalty of perjury under the laws of the State of California that the information stated above is true and correct.

TRUGREEN LandCare®

November 2013

Dear TruGreen LandCare Associate:

To engage the best and most talented individuals, we recognize that we must provide a total compensation program that serves the diverse needs of our employees and their families.

The nation as a whole is grappling with the question of how to structure health insurance that addresses the issues of access, cost, and personal responsibility. Rising benefit costs are affecting employers nationwide. Recent surveys show that premium increases are ranging from 8% to 20% and many companies are increasing employee contributions and out-of-pocket costs. The Affordable Care Act (ACA), which is often referred to as Obama Care, has had a significant effect on both employers and employees. We continue to offer health insurance plans that meet the ACA's requirements. Beginning in 2014, under the ACA's individual mandate, most individuals (adults and children) may be required to have health coverage. You and your dependents may be required to have health insurance beginning January 1, 2014. If you and your dependents do not have health insurance, you may have to pay a penalty when you file your taxes. For more information, please go to www.HealthCare.gov.

Recently, we have conducted a comprehensive review of our benefits program. As part of that review, we looked at benefits and costs compared other employers, the increase in health care premiums over time and the portion of that which has been passed on to our employees, and ensuring that we provide employees with a choice of both a PPO medical plan as well as a consumer driven medical plan with a Health Savings Account. Going forward, both TruGreen LandCare and its employees will share higher costs. We will ask you to bear a proportionate share of the increase of the benefits you receive. We are also changing our medical plan options to manage costs while offering you comprehensive coverage. These changes will continue to bring us in line with other employers.

Please take the time to review all of the options available to you. You may evaluate the options and decide that you and/or your dependents may be eligible for premium assistance or coverage through Medicaid or a Children's Health Insurance Program (CHIP) through your state. You may decide that one of the choices available to you on the new Health Insurance Marketplace at www.HealthCare.gov may meet the needs of you and your family. We encourage you to carefully evaluate your options by learning more. The more you know about your options, the better your choice will be.

TruGreen LandCare remains committed to providing a competitive compensation program. If you have questions regarding your benefits, do not hesitate to contact the TruGreen LandCare Benefits Service Center at 866-900-3062.

Thank you for your continued commitment to TruGreen LandCare.

NEW HIRES/REHIRES

PAYING FOR YOUR BENEFITS

If you are an hourly employee and are paid weekly, you pay for your benefits on a weekly basis with premiums based on 52 pay periods in the year. If you are a salaried employee and are paid semimonthly, you pay for your benefits on a semimonthly basis with premiums based on 24 pay periods in the year. Premiums are either paid on a pre-tax basis or on an after-tax basis depending on the benefit. You should review your paycheck carefully each pay period to ensure that your deductions are correct based on your benefit elections. The premiums for each benefit are listed in each section in this Benefits Guide.

If you happen to enroll after your benefits become effective, you will need to pay for the premiums retroactive to the effective date. Your deductions will be doubled in each paycheck until the balance is paid. In addition, if you do not work and are not paid, or do not have sufficient funds in your paycheck to cover your deductions, your deduction amounts go into a deduction balance amount called deductions in arrears. Once you return to work and have sufficient funds, your current benefit deductions will be doubled in each paycheck until the balance is paid. This outstanding deduction balance will be displayed on your paycheck. If you are no longer enrolled in a benefit, but have a balance due, you will be required to pay the entire balance immediately.

MEDICAL/RX INSURANCE

TruGreen LandCare offers two (2) medical plans to eligible employees through BlueCross BlueShield of Tennessee (BCBST): Smart Saver Medical Plan and Choice PPO Medical Plan. The main purpose of these medical plans is to provide preventive care services that can help you stay healthy, to treat minor illnesses and injuries, and to protect your finances against the high costs of treating a serious medical condition. The BCBST medical plans contract with a broad network of doctors, hospitals, and other facilities to offer discounted rates. Please refer to the Summary Plan Description for additional information.

You may choose from the two (2) medical options through BCBST, whichever one best meets your needs and the needs of your family, or you may choose to waive medical coverage. You may also research your options through the Health Insurance Marketplace at www.HealthCare.gov for medical coverage or premium assistance. In addition, you may be eligible for coverage or premium assistance through your state Medicaid/CHIP program and find that one of those options may be more affordable and better meet the needs of you and your family. See information in this Benefits Guide for additional details on these options.

Beginning in 2014, under the Affordable Care Act (ACA) individual mandate, most individuals (adults and children) may be required to have health coverage. Therefore, you and your dependents may be required to have health insurance beginning January 1, 2014. If you and your dependents do not have health insurance, you may have to pay a penalty when you file your taxes. For more information, please go to www.HealthCare.gov.

MEDICAL PLAN FEATURES

Under the medical plans, you have the freedom to choose any provider for your medical care. The amounts you and the plan pay depend on the plan option you choose, and whether you receive care from in-network or out-of-network providers. When you choose in-network providers, the plan pays a higher portion of costs and you pay a smaller amount. When you choose out-of-network providers, the plans usually pay a lower portion of costs and you pay a higher amount. When you use an out-of-network provider, you will have a significantly lower level of benefit and significantly higher out-of-pocket costs.

You can also reduce your out-of-pocket costs when you enroll in either a Health Savings Account (HSA) when you enroll in the Smart Saver Medical Plan or a Health Care Flexible Spending Account when you enroll in the Choice PPO Medical Plan or waive medical coverage. See information in this Benefits Guide for additional details on these options.

Deductible

The plans include plan year deductibles. The deductible is the amount you must pay each year before the plan starts paying for services. With the exception of office visit copays (if applicable), provider services, diagnostic procedures, hospital stay, and surgeries apply to your deductible. For those enrolled in family coverage, any individual may meet the single deductible before the plan start paying for benefits for that individual. See the Medical Plans Highlights chart for details.

Coinsurance

Once the plan year deductible is met, the plans pay a percent of the in- or out-of-network allowed benefit expense. See the Medical Plans Highlights chart for details.

Copay

A copayment (copay) is a fixed amount that is paid for a service, usually a provider's office visit. The Choice PPO Medical Plan includes copays for physician and specialist office visits and generic prescriptions. The Smart Saver Medical Plan does not include copays. See the Medical Plans Highlights chart for details.

Out-of-Pocket Maximum

An annual out-of-pocket maximum is the maximum amount that you will pay each plan year before the plan pays 100% of the allowed benefit. The maximum includes your deductibles, coinsurance, and copays. This maximum does not include your premiums, amounts over the allowed benefit, or expenses that are not covered by the plan. See the Medical Plans Highlights chart for details.

Preventive Care

The medical plans include coverage per plan year for preventive benefits, including annual physicals, immunizations, and screenings, in most cases at 100% for in-network services. See the Medical Plans Highlights chart for details. You can control your health care expenses by getting a check-up and working with your doctors to manage any conditions that you or your family members may have. You can prevent expensive treatment from ever happening and reduce your out-of-pocket costs. Here are a few of the preventive care services. Contact BCBST for additional information on covered services.

- Well Child Care (to age 6)
- Annual Well Woman Exam
- Annual Mammography Screening (40+)
- Annual Cervical Cancer Screening
- Well Care Services (ages 6+)
- Annual Prostate Cancer Screening (50+)
- Immunizations
- and many more...

Prescription Benefit

Both medical plans provide a prescription benefit for both in- and out-of-network pharmacies. Both plans provide a three-tier prescription benefit for generic, formulary, and non-formulary prescriptions. You can save money by using generic prescriptions so be sure to discuss your prescriptions with your doctor to see if a generic option is available.

Prescriptions expenses under the Smart Saver Medical Plan are applied to the medical plan deductibles and out-of-pocket maximums. The Choice PPO Medical plan expenses are applied to separate prescription deductibles and out-of-pocket maximums. All out-of-network prescriptions require that you pay the difference between the in-network benefit and the out-of-network costs. Therefore, your out-of-pocket costs will be significantly higher when you fill your prescription at an out-of-network pharmacy. See the Medical Plans Highlights chart for details. To find a participating pharmacy in your area, go to www.bcbst.com, click on the Learn About tab, go to Pharmacy, and look under the Resources section for the Plus90 Network link.

You can also save money by filling your prescriptions through the BCBST prescription mail order program and obtaining a 90-day supply. To learn more, log on to www.bcbst.com or call Customer Service at 1-800-565-9140.

Medical ID Cards

When you enroll in one of the medical plans, BCBST will mail you and your family members medical ID cards. Additional or replacement cards can be obtained by contacting BCBST directly by phone or by printing one online at www.bcbst.com.

Locating an in-network provider

To locate an in-network provider online, log on to www.bcbst.com, from there click on Find a Doctor or call Customer Service at 1-800-565-9140.

HEALTH SAVINGS ACCOUNT (HSA)

TruGreen LandCare provides eligible employees the opportunity to open a Health Savings Account through Wells Fargo Bank. A Health Savings Account (HSA) is a bank account that you own that allows you to set aside pre-tax dollars from your paycheck to pay for many of your health care expenses.

HEALTH SAVINGS ACCOUNT FEATURES

When you enroll in the Smart Saver Medical Plan, you have the opportunity to open a Health Savings Account. By paying for your out-of-pocket expenses with pre-tax dollars, you reduce the amount of your taxable income. In order to open a Health Savings Account, you must be enrolled in the Smart Saver Medical Plan. Employees enrolled in the Smart Saver Medical Plan cannot participate in the Health Care FSA. You will be required to complete a Health Savings Account Authorization Form to finalize your enrollment.

Contributions

Since enrolling in the Smart Saver Medical Plan offers you premium savings as compared to the Choice PPO plan, you should consider contributing the difference in the cost of the plans. Your take home pay will be the same as if you elected the other plan, but you will have the money in your Health Savings Account to use for expenses rather than on premium costs. In addition, you might want to consider contributing your annual deductible up to the annual maximums listed below.

- The minimum annual contribution through pre-tax payroll deduction is \$240.
- The IRS Limits for contributions to a Health Savings Account for 2014 are \$3,300 for an individual and \$6,550 for a family.
- The IRS allows employees age 55 or older to contribute an additional \$1,000 for catch up contributions.

The funds in your account will roll over annually and earn interest tax free. You will not lose your funds at the end of each plan year. Since the account belongs to you, it is portable and available to you even after you leave TruGreen LandCare.

Debit Card

When you enroll in a Health Savings Account, Wells Fargo Bank will provide you with a debit card. The debit card gives you an easy, automatic way to pay for qualified health care expenses. Funds on your debit card are only available once a contribution has been made to the account. It is important that you save all itemized receipts. With a Health Savings Account, the IRS does not require that the claims be substantiated, but they do require you have this information in the event that they audit your account.

Eligible Expenses

Some examples of eligible qualified health care expenses include:

- Deductibles and coinsurance not covered under the Smart Saver Medical Plan
- Prescriptions not covered under the Smart Saver Medical Plan
- Dental expenses, including deductibles, coinsurance and copays not covered under the dental plans
- Vision expenses, including contact lenses, eye exams and eyeglasses
- Certain over-the-counter medications, if prescribed by a physician

Additional information on Health Savings Accounts is available from Wells Fargo Bank at www.wellsfargo.com/hsa or (866) 884-7374.

HEALTH CARE AND DEPENDENT DAY CARE FLEXIBLE SPENDING ACCOUNTS

TruGreen LandCare offers two types of Flexible Spending Accounts (FSAs) to eligible employees administered through Discovery Benefits: Health Care FSA and Dependent Day Care FSA. FSAs let you set aside pre-tax dollars from your paycheck to pay for many health care and dependent day care expenses. Please refer to the Summary Plan Description for additional information.

HEALTH CARE FSA FEATURES

The Health Care FSA allows you set aside pre-tax dollars from your paycheck to pay or be reimbursed for many health care expenses. The Health Care FSA is a "use it or lose it" account, which means that funds remaining in your account at the end of the plan year will be forfeited. You cannot transfer money from one FSA to another. You cannot claim expenses that are reimbursed through your Health Care FSA as a deduction on your income tax return. Employees enrolled in the Smart Saver Medical Plan cannot participate in the Health Care FSA. If you enroll in an FSA, you must reenroll in your FSA each year during open enrollment if you want to continue your contributions.

Contributions

If eligible, you may make contributions to the Health Care FSA up to the annual IRS maximum listed below. The plan year for the Health Care FSA ends on December 31 of each year; however, expenses may be incurred through March 15th of the following calendar year. For example, claims submitted for the 2014 plan year Health Care FSA can contain expenses incurred up to March 15, 2015. You cannot begin, stop, or change the amount of your Health Care FSA contributions during the calendar year unless you experience a qualifying event (e.g. marriage, divorce, birth, etc.). For additional information, please refer to the Summary Plan Description.

- **The 2014 annual minimum contribution to the Health Care FSA is \$120.**
- **The 2014 annual maximum contribution to the Health Care FSA is \$2,500.**

You have until March 15, 2015 to use the funds in your 2014 account. Make sure you use your funds and submit all your expenses by May 31, 2015 for reimbursement. 2014 funds remaining in your FSA on May 31, 2015 will be forfeited.

If your employment ends and you are enrolled in the health plans, you will be given the option to elect COBRA. If you have funds remaining in your Health Care FSA, by electing COBRA you will be able to continue using your funds by continuing contributions on an after-tax basis through the end of the plan year. If you do not elect COBRA and do not elect to continue your Health Care FSA, you will forfeit the remaining funds in your account. See the COBRA section in this Benefits Guide for additional information on COBRA.

Debit Card

- The debit card from Discovery Benefits is a VISA® card that gives you an easy, automatic way to pay for your qualified health care expenses.
- It's important that you save all itemized receipts. The IRS requires that all FSA reimbursements be substantiated. Discovery Benefits may request a copy of your itemized receipts to validate that the expense was eligible for reimbursement.

Eligible Expenses

Some examples of eligible expenses include:

- Deductibles, coinsurance, and copays not covered under the medical and dental plans
- Vision services, including contact lenses, eye exams, and eyeglasses
- Prescription copays and coinsurance
- Over the counter medications, if prescribed by a physician

DEPENDENT DAY CARE FSA FEATURES

The Health Care FSA allows you set aside pre-tax dollars from your paycheck to be reimbursed for many dependent day care expenses. The Dependent Day Care FSA is a "use it or lose it" account, which means that funds remaining in your account at the end of the plan year will be forfeited. You cannot transfer money from one FSA to another. You cannot claim expenses that are reimbursed through your Dependent Day Care FSA as a deduction on your income tax return. If you enroll in an FSA, you must reenroll in your FSA each year during open enrollment if you want to continue your contributions.

Contributions

If eligible, you may make contributions to the Dependent Day Care FSA up to the annual IRS maximum listed below. The plan year for the Dependent Day FSA ends on December 31 of each plan year. You cannot begin, stop, or change the amount of your Dependent Day Care FSA contributions during the calendar year unless you experience a qualifying event (e.g. marriage, divorce, birth, etc.). However, if you experience a significant increase or decrease in the cost of your dependent day care expenses during the calendar year, you may change your Dependent Day Care FSA contributions. For additional information, please refer to the Summary Plan Description.

- **The 2014 annual minimum contribution to the Dependent Day Care FSA is \$120.**
- **The 2014 annual maximum contribution to the Dependent Day Care FSA is \$5,000.**

Make sure you use your 2014 funds by December 31, 2014 and submit all your expenses by May 31, 2015 for reimbursement. 2014 funds remaining in your FSA on May 31, 2015 will be forfeited.

LIFE INSURANCE BENEFICIARIES

When you enroll in your life insurance through the TruGreen LandCare Benefits Enrollment Portal or the TruGreen LandCare Benefits Service Center, be sure to designate a beneficiary for your life insurance. If you have been married or divorced or had a baby since the last time you updated your beneficiaries you should review your beneficiaries. Even if you are not making any changes to your benefit elections, you should review and update your life insurance beneficiaries.

VOLUNTARY DEPENDENT LIFE INSURANCE

TruGreen LandCare provides eligible employees with the opportunity to elect dependent life insurance through Lincoln Financial Group. Dependent Life insurance covers your spouse and/or children and pays a benefit to you if a covered dependent dies.

VOLUNTARY DEPENDENT LIFE INSURANCES FEATURES

Dependent life insurance is optional. You pay the full cost of any coverage you elect. You are automatically the beneficiary for any dependent coverage. You may choose from the five (5) coverage amounts listed in the table below. The maximum coverage amount for your spouse is \$100,000. The maximum coverage amount for your children is \$25,000 per child. No dependent can have a coverage amount that is more than 100% of your basic and voluntary employee life insurance combined.

If you do not enroll when you are first eligible, and decide to enroll later, you can only choose coverage for your spouse and/or children of \$15,000 and \$2,000 respectively. In addition, you can only increase your coverage amount by one (1) level during each annual open enrollment. Evidence of insurability (EOI) is required for both \$75,000 and \$100,000 amounts of spouse dependent life insurance. If EOI is not completed as required, your spouse will automatically be covered at \$50,000 level, which is the highest coverage amount that does not require EOI.

If your spouse or child also works for TruGreen LandCare and is eligible for basic employee life insurance, you may cover that dependent under the dependent life insurance program. In addition, if you and your spouse are both employees, you both may cover your children as dependents. Please refer to the Summary Plan Description for additional information.

VOLUNTARY ACCIDENTAL DEATH AND DISMEMBERMENT INSURANCE

TruGreen LandCare provides eligible employees with the opportunity to elect accidental death and dismemberment (AD&D) insurance through Lincoln Financial Group.

AD&D INSURANCE FEATURES

Accidental death and dismemberment insurance pays a benefit in the event of certain serious injuries or death due to an accident. You can elect coverage for yourself, your spouse, and/or your children. You must elect coverage for yourself before you can cover your dependents. You are automatically the beneficiary for any benefits paid if a covered dependent dies.

COVERAGE AMOUNTS

You can choose coverage for yourself from \$20,000 to \$100,000 in multiples of \$10,000, or from \$150,000 to \$750,000 in multiples of \$50,000. Please see the table below. The maximum amount of coverage for you is the lesser of 10 times your annual earnings or \$750,000. Your spouse's coverage is 60% of your coverage. Maximum coverage for your spouse is \$450,000. Each child's coverage is 30% of your coverage. Maximum coverage per child is \$25,000.

WHEN BENEFITS ARE PAID

AD&D coverage pays a benefit only if death or certain serious injuries occur as the result of an accident. Death must occur within 365 days of the accident. Injury sustained in the accident must result in one covered loss or more within 365 days of the accident. The accident must occur while you or your dependent is covered under the plan.

SHORT TERM DISABILITY INSURANCE

TruGreen LandCare provides short term disability insurance at no cost to eligible employees through Lincoln Financial Group. Short Term Disability provides a benefit if you are unable to work because of a non-work related illness or injury.

SHORT TERM DISABILITY FEATURES

Your coverage under the short term disability program becomes effective on the first day of the month following completion of 12 consecutive months of full time employment. For employees who transition from ineligible to eligible, any time worked as ineligible will count toward the 12 consecutive month waiting period. The short term disability provides a benefit as a percent of your base salary depending on your length of service with TruGreen LandCare. The short term disability benefit pays 60% of your earnings for 1-5 years of service or 80% of your earnings for 6+ years of service up to \$15,000 per month. Your payments may be reduced by deductible sources of income such as social security benefits and other sources of disability earnings. Your earnings for your short term disability are based on your annual base salary as of October 25 each year or your date of hire, whichever is later.

If Lincoln determines that you are eligible for short term disability payments, benefits begin on the eighth (8th) calendar day of disability for illness or injury and may continue for up to 13 weeks. Absences due to maternity may begin on the first (1st) calendar day. Please refer to the Summary Plan Description for additional information.

LONG TERM DISABILITY INSURANCE

TruGreen LandCare provides eligible employees the opportunity to purchase long term disability insurance through Lincoln Financial Group. Long term disability insurance provides a benefit if you are unable to work on a long term basis because of a non-work related illness or injury.

LONG TERM DISABILITY FEATURES

Your coverage under the long term disability program becomes effective on the date following completion of 12 consecutive months of employment for eligible employees. For employees who transition from ineligible to eligible, any time worked as ineligible will count toward the 12 consecutive month waiting period. Long term disability provides you with the option to elect coverage for up to 50% or 60% of your annual salary to a maximum of \$10,000 per month. Your payments may be reduced by deductible sources of income such as social security benefits and other sources of disability earnings.

If Lincoln determines that you are eligible for long term disability payments, benefits begin after 90 calendar day of disability for illness or injury. If you become disabled before age 60, benefits may be paid until you reach age 65 as long as you remain disabled. If you become disabled after age 60, benefits may be paid for a benefit period ranging from 12 to 60 months depending on your age as long as you remain disabled. Please refer to the Summary Plan Description for additional information.

TruGreen LandCare provides a 401(k) Retirement Plan administered through Prudential. All employees age 18 or older are eligible to participate in the 401(k) Retirement Plan after the completion of 90 days of employment.

401(K) PLAN FEATURES

Automatic Enrollment

As a new hire, you will be automatically enrolled in the 401(k) Plan at a deferral rate of 3% of your eligible pay, unless you decline participation prior to your eligibility date, which is the first of the month following your first 90 days of employment. This deferral amount will be deducted from your paycheck each pay period and invested in an age appropriate GoalMaker® portfolio. GoalMaker is an optional asset allocation program available at no additional cost. As part of your enrollment, you will also be enrolled in the Contribution Acceleration feature that automatically increases your contribution amount by one percent each year. If you are a rehired employee who was previously participating in the 401(k) Plan, your automatic enrollment deferral rate may be a different percentage and will start shortly after your rehired date.

Enrollment Deadlines and Deferral Changes

As a new hire, if you wish to opt out, you must decline enrollment prior to the first of the month following your first 90 days of employment. Otherwise, you will be automatically enrolled in the 401(k) Plan. You can typically contact Prudential as early as within the first two (2) weeks of your hire date. If you are a rehired employee who was previously eligible to participate, you will be automatically enrolled shortly after your rehired date. If you wish to cancel your automatic enrollment, you must contact Prudential as soon as you are rehired. If you wish to have money deducted from your paycheck, no action is required. You can, however, contact Prudential to select your investment funds, elect a deferral rate, and identify beneficiaries.

If at any time you wish to change your deferral or decline enrollment, you may contact Prudential directly on their toll free number at 1-877-778-2100. TERMINATION OF EMPLOYMENT

When you leave the company due to layoff, termination, or retirement, your contributions will end in your last paycheck that includes eligible earnings. Below are the rollover/distribution options if you are a participant at the time you leave the company.

Distribution Options

Approximately 30 days after you leave employment with TruGreen LandCare, Prudential will mail you a distribution package to your address on file. This will provide you with information about your various account distribution options and the applicable tax implications. At the time you leave the company, you may instruct Prudential to rollover your vested account balance to another qualified employer retirement plan or individual retirement account (IRA) or you may initiate a taxable distribution payable to you.

If your vested account balance in the 401(k) plan is less than \$5,000 the account balance will be distributed automatically from the plan. Automatic distributions occur on a quarterly basis. Approximately 30 days before the scheduled automatic distribution date, Prudential will send a letter to you notifying you of the upcoming required distribution. If no response is received by the expiration of the response period and your account balance is between \$1,000 and \$5,000, the account will automatically be rolled over to a new IRA established at Prudential and placed in a money market type investment. If no response is received by the expiration of the response period and your account balance is less than \$1,000, the account will be paid as a taxable distribution directly to you via check. If your vested account balance in the 401(k) plan is \$5,000 or greater, you may keep your balance in the plan until such time as you must start receiving required minimum distributions from your account (currently age 70 ½ under IRS rules). For all rollovers and account distributions, Prudential will send you a Form 1099-R in January of the year following the distribution. The Form 1099-R should be used to complete required tax return filings. For more information about 401(k) plan distribution options, you may contact the Prudential at 877-778-2100.

Loans

At the time you leave the company, you have the option to repay an outstanding 401(k) loan balance, if applicable, in full by the last day of the quarter following the quarter during which your date of termination occurred. If you do not repay the outstanding loan balance in full, the amount will be deemed a distribution to you and will be considered a taxable event during the year it is processed. You will subsequently be required to report the loan as income and pay appropriate taxes as necessary. Prudential will send you a Form 1099-R in January of the year following the deemed distribution. The Form 1099-R should be used to complete required tax filings. For more information about repaying an outstanding loan balance in full, you may contact the Prudential at 877-778-2100.

IMPORTANT NOTICES

IMPORTANT NOTICE FROM TRUGREEN LANDCARE ABOUT YOUR PRESCRIPTION DRUG COVERAGE AND MEDICARE

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with TruGreen LandCare and about your options under Medicare's prescription drug coverage. This information can help you decide whether you want to join a Medicare drug plan. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

If neither you nor any of your covered dependents are eligible for or have Medicare, this notice does not apply to you or your dependents, as the case may be. However, you should still keep a copy of this notice in the event you or a dependent should qualify for coverage under Medicare in the future. Please note, however, that later notices might supersede this notice.

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. TruGreen LandCare has determined that the prescription drug coverage offered by the TruGreen LandCare Employee Health Care Plan ("Plan") is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is considered "creditable" prescription drug coverage. This is important for the reasons described below.

Because your existing coverage is, on average, at least as good as standard Medicare prescription drug coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to enroll in a Medicare drug plan, as long as you later enroll within specific time periods.

Enrolling in Medicare—General Rules

As some background, you can join a Medicare drug plan when you first become eligible for Medicare. If you qualify for Medicare due to age, you may enroll in a Medicare drug plan during a seven-month initial enrollment period. That period begins three months prior to your 65th birthday, includes the month you turn 65, and continues for the ensuing three months. If you qualify for Medicare due to disability or end-stage renal disease, your initial Medicare Part D enrollment period depends on the date your disability or treatment began. For more information you should contact Medicare at the telephone number or web address listed below.

Late Enrollment and the Late Enrollment Penalty

If you decide to wait to enroll in a Medicare drug plan you may enroll later, during Medicare Part D's annual enrollment period, which runs each year from October 15 through December 7. But as a general rule, if you delay your enrollment in Medicare Part D, after first becoming eligible to enroll, you may have to pay a higher premium (a penalty).

If after your initial Medicare Part D enrollment period you go **63 continuous days or longer without "creditable" prescription drug coverage** (that is, prescription drug coverage that's at least as good as Medicare's prescription drug coverage), your monthly Part D premium may go up by at least 1 percent of the premium you would have paid had you enrolled timely, for every month that you did not have creditable coverage.

For example, if after your Medicare Part D initial enrollment period you go 19 months without coverage, your premium may be at least 19 percent higher than the premium you otherwise would have paid. You may have to pay this higher premium for as long as you have Medicare prescription drug coverage. However, there are some important exceptions to the late enrollment penalty.

Special Enrollment Period Exceptions to the Late Enrollment Penalty

There are "special enrollment periods" that allow you to add Medicare Part D coverage months or even years after you first became eligible to do so, without a penalty. For example, if after your Medicare Part D initial enrollment period you lose or decide to leave employer-sponsored or union-sponsored health coverage that includes "creditable" prescription drug coverage, you will be eligible to join a Medicare drug plan at that time.

In addition, if you otherwise lose other creditable prescription drug coverage (such as under an individual policy) through no fault of your own, you will be able to join a Medicare drug plan, again without penalty. These special enrollment periods end two months after the month in which your other coverage ends.

Compare Coverage

You should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. See the Plan's summary plan description for a summary of the Plan's prescription drug coverage. If you don't have a copy, you can get one by contacting us at the telephone number or address listed below.

Coordinating Other Coverage With Medicare Part D

Generally speaking, if you decide to join a Medicare drug plan while covered under the TruGreen LandCare Plan due to your employment (or someone else's employment, such as a spouse or parent); your coverage under the TruGreen LandCare Plan will not be affected. For most persons covered under the Plan, the Plan will pay prescription drug benefits first, and Medicare will determine its payments second. For more information about this issue of what program pays first and what program pays second, see the Plan's summary plan description or contact Medicare at the telephone number or web address listed below.

If you do decide to join a Medicare drug plan and drop your TruGreen LandCare prescription drug coverage, be aware that you and your dependents may not be able to get this coverage back. To regain coverage you would have to re-enroll in the Plan, pursuant to the Plan's eligibility and enrollment rules. You should review the Plan's summary plan description to determine if and when you are allowed to add coverage.

NOTICE OF RIGHT TO DESIGNATE PRIMARY CARE PROVIDER AND OF NO OBLIGATION FOR PRE-AUTHORIZATION FOR OB/GYN CARE

You do not need prior authorization from TruGreen LandCare Employee Health Care Plan or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior

NOTICE OF SPECIAL ENROLLMENT RIGHTS

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to later enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage).

Loss of eligibility includes but is not limited to:

- Loss of eligibility for coverage as a result of ceasing to meet the plan's eligibility requirements (i.e., legal separation, divorce, cessation of dependent status, death of an employee, termination of employment, reduction in the number of hours of employment);
- Loss of HMO coverage because the person no longer resides or works in the HMO service area and no other coverage option is available through the HMO plan sponsor;
- Elimination of the coverage option a person was enrolled in, and another option is not offered in its place;
- Failing to return from an FMLA leave of absence; and
- Loss of coverage under Medicaid or the Children's Health Insurance Program (CHIP).

Unless the event giving rise to your special enrollment right is a loss of coverage under Medicaid or CHIP, you must request enrollment within 31 days after your or your dependent's(s) other coverage ends (or after the employer that sponsors that coverage stops contributing toward the coverage).

If the event giving rise to your special enrollment right is a loss of coverage under Medicaid or CHIP, you may request enrollment under this plan within **60 days** of the date you or your dependent(s) lose such coverage under Medicaid or CHIP. Similarly, if you or your dependent(s) become eligible for a state-granted premium subsidy toward this plan, you may request enrollment under this plan within **60 days** after the date Medicaid or CHIP determine that you or the dependent(s) qualify for the subsidy.

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 31 days after the marriage, birth, adoption, or placement for adoption.

To request special enrollment or obtain more information, contact: TruGreen LandCare Benefits Service Center number is (866) 900-3062.

HEALTH INSURANCE MARKETPLACE NOTICE

New Health Insurance Marketplace Coverage Options and Your Health Coverage

PART A: General Information

When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.¹

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution -as well as your employee contribution to employer-offered coverage- is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact TruGreen LandCare Benefits Service Center at (866) 900-3062.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit www.HealthCare.gov for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

¹An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

PART B: Information About Health Coverage Offered by Your Employer

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

3. Employer name TruGreen LandCare, LLC		4. Employer Identification Number (EIN) 36-4313318	
5. Employer address 9416 Doctor Perry Rd		6. Employer phone number (301) 874-3300	
7. City Ijamsville	8. State MD	9. ZIP code 21754	
10. Who can we contact about employee health coverage at this job? TruGreen LandCare Benefits Service Center			
11. Phone number (if different than above) (866) 900-3062		12. Email address	

Here is some basic information about health coverage offered by this employer:

- As your employer, we offer a health plan to:
 - All employees.
 - Some employees. Eligible employees are:
 - ✦ Regular, Full-Time Employees (except Laborers and Seasonal Employees) scheduled to work 30 or more hours per week
- With respect to dependents:
 - We do offer coverage. Eligible dependents are:
 - ✦ Legal Spouses and dependent children to age 26. In CA only, eligible dependents include registered domestic partners and their dependent children to age 26.
 - We do not offer coverage.
- If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

**Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

MEDICAID

Medicaid is a federal and state-funded program that provides medical and health-related services to certain low-income individuals. If your income is at or below 133% of the federal poverty level, you may be eligible for Medicaid.

For additional information on Medicaid eligibility and enrollment, you should contact your State Medicaid office or visit www.healthcare.gov and search for Medicaid. See the chart below for contact information. You may also contact the TruGreen LandCare Benefits Service Center for additional information.

PREMIUM ASSISTANCE UNDER MEDICAID AND THE CHILDREN'S HEALTH INSURANCE PROGRAM (CHIP)

If you or your children are eligible for Medicaid or CHIP and you are eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage. These states use funds from their Medicaid or CHIP programs to help people who are eligible for these programs, but also have access to health insurance through their employer. If you or your children are not eligible for Medicaid or CHIP, you will not be eligible for these premium assistance programs.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a state listed below, you can contact your state Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, you can contact your state Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, you can ask the state if it has a program that might help you pay the premiums for an employer-sponsored plan.

Once it is determined that you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must permit you to enroll in your employer plan if you are not already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, you can contact the Department of Labor electronically at www.askebsa.dol.gov or by calling toll-free 1-866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2013. You should contact your state for further information on eligibility—

The COUNTY shall have the sole option to renew this Contract term for up to four additional one-year periods and six month-to-month extensions, for a maximum total Contract term of five years and six months. Each such option and renewal shall be exercised at the sole discretion of the COUNTY. The COUNTY, acting through the Director, may give a written notice of intent to renew this Contract at least ten days prior to the end of each term. - d. Complete all edging of turf and clean up in one continuous operation and in a manner that result in a well-defined, V-shaped edge that extends into the soil.
- e. Maintain the turf adjacent to sprinklers at the same height as the surrounding turf. The exception would be if the normal turf height prevents the sprinklers from working properly. In such a case, keep the turf edges trimmed low adjacent to sprinklers to provide optimum water coverage. Likewise, keep turf adjacent to valve

boxes, meter boxes, backflow devices, and other equipment and obstacles at the same height as the surrounding turf.

- f. Keep all groundcover and flower bed areas maintained next to turf areas neatly edged and all grass invasions eliminated.
- g. Clear walkways, planting areas, curb, and gutters immediately following each edging operation to ensure removal of accumulated debris and to limit hazardous and unsightly conditions.

 - Hand or mechanical removal
 - Cultivation
 - Chemical Eradication (Refer to Section S, Use of Chemicals)
 - Mulching
- d. Not perform chemical eradication without first receiving permission from the Contract Manager.
- e. Maintain, in a weed-free condition, developed areas of a facility that have become denuded.

- f. Leave in a natural state, designated areas by County of a facility so that the plants' root systems are utilized to stabilize the soil. However, such areas may occasionally need to be mowed or otherwise controlled to a given height for appearance or fire suppression reasons.

- a. Inspect and pick up litter thoroughly and completely to ensure a neat appearance in all areas being maintained by removing paper, nondecorative rocks, glass, trash, siltation, erosion and other accumulated debris and undesirable materials.
- b. Perform litter control operations along, but not limited to, turf, walkways, adjacent roadway gutters, service roads, between and around planted areas, steps, planters, drains, areas on slopes from the toe or top of slope to 10 feet up or down the slope adjacent to developed areas, and catch basins.

- ii. Trim all designated formal plant materials to maintain formal hedges and topiary work.
- iii. Remove all dead shrubs.
- iv. Remove all dead, diseased, unsightly branches, vines, or other growth as they develop. All groundcover shall be pruned to maintain a neat edge along planter box walls.
- v. Prune any runners that start to climb buildings, shrubs, or trees.
- vi. Remove all pruned and/or trimmed plant material from site the same day.
- vii. Maintain pruned shrubs in a natural shape and proper size as a continuous and ongoing operation so plants will not develop stray or undesirable growth.
- viii. Use only hedge trimmers to trim shrubs and hedges. Under no circumstances shall hedge shears or lawn edge trimmers be used as a means of pruning or trimming.
- ix. Replace dead, missing, and unhealthy looking shrubs/plants to maintain full, even, and healthy looking planting beds. Contractor shall submit a proposal for replacement of shrubs to the Contract Manager before beginning installation. Shrubs shall not be replaced with different types except to create or maintain a consistency in design.
- x. Report all structural weaknesses to the Contract Manager, such as split crotch or limbs, diseased or decayed limbs, or severe damage.
- xi. Place special emphasis on public safety during pruning operations, particularly when adjacent to roadways.
- xii. Remove and dispose of all trimming and debris off-site at the end of each day's work at Contractor's expense.
- xiii. Remove and dispose off-site all trees, which are downed by either natural or unnatural causes. Where possible, stumps shall be removed to 12 inches below grade, wood chips removed, and backfilled with topsoil to grade.

- b. Trees - prune trees to maintain good tree health and structure to enhance the appearance and provide the proper vertical and horizontal clearances as follows:
- i. All trees shall be pruned to remove dead, crowded, rubbing, and/or hazardous limbs and branches.
 - ii. Cuts shall be made according to a certified arborist and/or a certified horticulturist's standards. Typically pruning cuts shall be perpendicular to the branch just outside of the raised branch bark collar.
 - iii. Trees shall be thinned to increase light and air penetration to the tree's crown and landscape below. Pruning shall provide an even distribution of foliage along large limbs and the lower portion of the crown. Do not remove an excessive amount of inner foliage and small branches. No more than a quarter of the tree's foliage may be removed at one time. Maintain at least half of the foliage on the lower two-thirds of the tree.
 - iv. Reducing cuts for clearance and to prevent encroachment onto private property shall be accomplished by pruning back leaders and branch terminals to lateral branches that are large enough to assume the terminal roles (at least one-third of the diameter of the limb being pruned).
 - v. Mature trees should be pruned only to remove dead or potentially hazardous limbs.
 - vi. Properly stake and tie trees as necessary. Tree ties shall be inspected at least once a year to prevent bark wounds caused by abrasion. Removal of tree stakes shall be considered as soon as possible to encourage tree

development.

- c. Shrubs - prune shrubs to encourage healthy growth habits and shape in order to retain their natural form and proportionate size as follows:
- i. Restrict growth of shrubbery to area behind curbs and walkways within planter beds by trimming.
 - ii. Rapid healing of pruning wounds is dependent upon where the cut is made when removing limbs. Never leave short stubs. Some trees produce a corky ring of growth where a limb originates. The pruning cut shall be made toward the outside portion of the "collar." If a tree does not produce this characteristic "collar," then make the cut flush to the limb where it is growing.
 - iii. All limbs 12 inches or greater in diameter shall be undercut 12- to 18-inches from the limb's point of attachment to prevent splitting.
 - iv. All limbs shall be lowered to the ground using a method that prevents damage to the remaining limbs.
 - v. All equipment utilized shall be clean, sharp, and expressly designed for tree pruning.
 - vi. Climbing spurs shall not be used.
 - vii. Topping trees shall not be permitted. Topping causes decay and can create hazards by producing multiple shoots that are weakly attached and often fail. The central leader shall be allowed to develop to prevent disfigurement and future hazards.

- d. Pruning Criteria:
 - i. Removal of weak, diseased, insect infested, and damaged limbs as recommended by a certified arborist and/or a certified horticulturist.
 - ii. Prune all trees for vertical and horizontal clearance. Such clearances are 7 feet for pedestrian areas and walkways, and 14 feet for vehicular roadways.
 - iii. Remove all crossed or rubbing limbs unless removal will result in large gaps in the general outline. Limbs should extend alternately from the trunk on 12- or 24-inch spacing.
 - iv. Thin all trees of smaller limbs to distribute the foliage evenly.
 - v. Trim and shape all trees to provide a symmetrical appearance typical of the species.
 - vi. Cut all suckers and sprouts flush with the trunk or limb.

The Contractor shall aerate, renovate, or verticut, seed and top dress, or seed cover (spread evenly over the entire area to a uniform depth of 1/4 inch) in this sequence.
- d. Use sod when deemed necessary by the Contract Manager. Contractor may be entitled to additional compensation for the cost of the sod only provided that the loss of turf was proven to be not due to the negligence of the Contractor.
- e. Overseed at a rate of five pounds per 1,000 square feet and reseeded of bare areas shall be sown at a rate of 8 pounds per 1,000 square feet. The following seed specifications shall be used for all overseeding and reseeded:

This may include day time watering during freezing weather to prevent icy conditions and manual operation of the irrigation system and/or hand watering with portable sprinklers during periods of windy or inclement weather. A soil probe shall be used to a depth of 12 inches to determine the water penetration by random testing of the root zones.
- iii. Regulate watering to avoid interference with any use of the roadways, pavements, walks, or areas designated for scheduled special events.
- iv. For the areas where wind creates problems of spraying

water onto private property or road right of ways, Contractor shall set the controllers to operate during time of day with lowest wind velocity, which would normally occur at night or early morning hours.

- v. Control the irrigation system in such a way as not to cause any excessively wet or "water-logged" areas, which could interfere with the ability to mow turf. "In lawn" trees and other planting shall be protected from over watering and runoff drowning.
- vi. Water new turf (up through the sixth mowing) immediately after mowing. Well established turf shall not be watered for at least four hours after mowing.
- vii. Water all groundcover areas as needed to maintain a healthy condition with appropriate care being taken not to over water in shady areas.

- xi. Ensure that all personnel working on the irrigation system are fully trained in all phases of landscape irrigation systems and can easily identify and isolate problems and perform the proper testing and inspection of the irrigation system and the maintenance of the sprinkler heads. This knowledge of landscape irrigation systems shall include, but not be limited to, the operation, maintenance, adjustment, and repair of said systems and their components.

7. All regulations and safety precautions listed in the "Pesticide Information and Safety Manual" published by the University of California shall be adhered to by the Contractor.
8. Chemicals shall be applied when air currents are still, so as to prevent drifting onto adjacent property and toxic exposure to persons whether or not they are in or near the area of application.

11. Contractor must store the pesticides properly.

U. AB 939 County Diversion Requirements

The California Integrated Waste Management Act of 1989 (AB 939) requires that all cities and counties in the State of California divert materials going to landfill by 50 percent by the year 2000. To assist in achieving this mandate, all contractors handling landscape materials for Public Works shall be required to divert all landscape materials from any landfills and cogeneration facilities. Landscape material utilized for alternate daily landfill cover is currently acceptable for diversion credit. Contractor shall be required to seek "recycling" alternatives for these organic, biodegradable landscape materials. Acceptable "recycling" alternatives would include the utilization of these materials as feedstock for composting, co-composting, mulching, soil amendment, and wood chip products.

The Contractor shall be required to arrange for the chipping and transport of all landscape materials to their selected processor with all cost to be borne by the Contractor. In addition, the Contractor shall provide proof of delivery of the

material and weight tickets (from an approved public or private scale) or a signed statement of verification that all above AB 939 requirements have been met.

V. Removal of Debris

All debris derived from these services shall be removed from Public Works property and become the property of the Contractor. The Contractor shall dispose of all debris from these services in a legally established area appropriate for type of debris being disposed. Disposal shall be at the Contractor's expense. The Contractor shall not allow any debris from its operations under this Contract to be deposited in the storm drains and/or gutters in violation of the National Pollutant Discharge Elimination System (NPDES).

The Contractor is advised that due to the nature of this Contract, discarded hazardous waste may be encountered or created during the performance of this Contract. In the event an unknown substance or hazardous material is discovered, the Contractor shall immediately notify the Contract Manager. The Contractor shall NOT attempt to remove any hazardous waste or perform any type of hazardous waste remediation not included under the Scope of Work of this Contract, including identifying, containing, cleaning, moving, disposing, etc. The Contractor shall exercise extreme caution in the event unknown waste is encountered.

W. National Pollutant Discharge Elimination System

The Contractor shall not allow any debris from its operations under this Contract to be deposited into the storm drains and/or gutters in violation of the NPDES.

X. Responsibilities of the Contractor

1. Contractor shall account for all work required in this Exhibit A, Scope of Work, whether or not it is specified in Form PW-2, Schedule of Prices.
2. The Contractor or its managing employee shall have a minimum of three years of experience providing landscape maintenance services.
3. The Contractor's on-site supervising employee(s) shall have at least three years of experience supervising landscaping services.
4. The Contractor must maintain a valid and active State Contractor's Class C-27 (Landscaping Contractor) license.
5. The Contractor and/or Subcontractor(s) must maintain a valid and active State of California Department of Pesticide Regulation Pest Control Business license.

6. The Contractor and/or Subcontractor(s) must maintain a valid and active State of California Qualified Applicator license.
7. Prior to performing any tree work, the Contractor and/or Subcontractor(s) shall provide a staff with a valid and active certified arborist and/or a certified horticulturist.

Y. Responsibilities of Public Works

The County may perform periodic inspections of the work location(s) as determined necessary or requested by the Contract Manager.

Z. Project Safety Official

The Contractor shall designate in writing a Project Safety Official who shall be thoroughly familiar with the Contractor's Injury and Illness Prevention Program and Code of Safe Practices. The Contractor's Project Safety Official shall be available at all times to abate any potential safety hazards and shall have the authority and responsibility to shut down an operation, if necessary. Failure by the Contractor to provide the required Project Safety Official shall be grounds for Public Works to direct the cessation of all work activities and operations at no cost to Public Works until such time as the Contractor is in compliance.

AA. Performance Requirements and Liquidated Damages

1. Public Works will evaluate the Contractor's performance of this Contract's tasks and may assess liquidated damages if the tasks are not performed adequately.
2. The methods and standards by which Contractor's performance will be evaluated include, but are not limited to, review, sampling, and complaints.
3. Failure to perform contract work in accordance with these Specifications is considered unacceptable. Public Works may cite the Contractor for a discrepancy for any incident of failure to comply with these Specifications or other unacceptable performance. In the case of continuing discrepancies, Public Works may cite the Contractor for a separate discrepancy each day the discrepancy continues.
4. The Contractor shall immediately correct unacceptable performance, and shall explain in writing, within seven work days of the date of the discrepancy that caused the unacceptable performance, how and when the performance will be returned to acceptable levels and how the unacceptable performance will be prevented in the future. After considering the incident, the Contractor's statement and any history of unacceptable performance, the Contract Manager may excuse the incident or elect any remedy provided by this Contract.

5. In any case of the Contractor's failure to meet certain specified performance requirements, Public Works may, in lieu of other remedies provided by law or the Contract, assess liquidated damages in specified sums and deduct them from any regularly scheduled payment to the Contractor. However, neither the provision of a sum of liquidated damages for nonperformance or untimely or inadequate performance nor Public Works' acceptance of liquidated damages shall be construed to waive Public Works' right to reimbursement for damage to its property or indemnification against third-party claims.
6. The amounts of liquidated damages have been set in recognition of the following circumstances existing at the time of the formation of the Contract:
 - a. All of the time limits and acts required to be done by both parties are of the essence of the Contract.
 - b. The parties are both experienced in the performance of the Contract work.
 - c. The Contract contains a reasonable statement of the work to be performed in order that the expectations of the parties to the Contract are realized. The expectation of Public Works is that the work will be performed with due care in a workmanlike, competent, timely, and cost-efficient manner while the expectation of the Contractor is a realization of a profit through the ability to perform the Contract work in accordance with the terms and conditions of the Contract at the Proposal price.
 - d. The parties are not under any compulsion to contract.
 - e. The Contractor's acceptance of the assessment of liquidated damages against it for unsatisfactory and late performance is by agreement and willingness to be bound as part of the consideration being offered to Public Works for the award of the Contract.
 - f. The liquidated sums specified represent a fair approximation of the damages incurred by Public Works resulting from the Contractor's failure to meet the performance standard as to each item for which an amount of liquidated damages is specified.
7. The Contractor shall pay Public Works, or Public Works may withhold and deduct from monies due the Contractor, liquidated damages in the sum of \$500 for each consecutive calendar day that the Contractor fails to complete work within the time specified unless otherwise provided in this Contract, or approved by Contract Manager.

8. In addition to the above, Public Works may use Exhibit F, Performance Requirements Summary, to evaluate Contractor's performance and assess liquidated damages identified therein.

STANDARD TERMS AND CONDITIONS PERTAINING TO CONTRACT ADMINISTRATION

A. Amendments

1. For any change which affects the Scope of Work, contract sum, payments, or any term or condition included in this Contract, an amendment shall be prepared and executed by Contractor and the Board or if delegated by the Board, the Director, and Contractor.
2. The Board or County's Chief Executive Officer or designee may require the addition and/or change of certain terms and conditions in this Contract during the term of this Contract. County reserves the right to add and/or change such provisions as required by the Board or the Chief Executive Officer. To implement such changes, an amendment or a change order to this Contract shall be prepared by Public Works and signed by the Contractor.
3. County may, at its sole discretion, authorize extensions of time to this Contract's term. Contractor agrees that such extensions of time shall not change any other term or condition of this Contract during the period of such extensions. To implement an extension of time, an amendment to this Contract shall be prepared and executed by Contractor and the Board or if delegated by the Board, the Director, and Contractor. To the extent that extensions of time for Contractor performance do not impact either scope or amount of this Contract, Public Works may, at its sole discretion, grant Contractor extensions of time, provided the aggregate of all such extensions during the life of this Contract shall not exceed 120 days.
4. For any change which does not materially affect the Scope of Work or any other term or condition included under this Contract, a change order shall be prepared by Public Works and signed by the Contractor. If the change order is prepared by the Contractor, it shall be approved by Public Works and signed by the Contractor and the County.

B. Assignment and Delegation

1. Contractor shall not assign its rights or delegate its duties under this Contract, or both, whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this paragraph, County consent shall require a written amendment to this Contract, which is formally approved and executed by Contractor and the Board or if delegated by the Board, the Director and Contractor. Any payments by County to any approved delegate or assignee on any claim

under this Contract shall be deductible, at County's sole discretion, against the claims which Contractor may have against County.

2. Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of this Contract, such disposition is an assignment requiring the prior written consent of County in accordance with applicable provisions of this Contract.
3. Any assumption, assignment, delegation, or takeover of any of Contractor's duties, responsibilities, obligations, or performance of same by any entity other than Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, shall be a material breach of this Contract, which may result in the suspension or termination of this Contract. In the event of such a termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default of Contractor.

C. Authorization Warranty

Contractor represents and warrants that the person(s) executing this Contract for Contractor is an authorized agent who has actual authority to bind Contractor to each and every term, condition, and obligation of this Contract and that all requirements of Contractor have been fulfilled to provide such actual authority.

D. Budget Reduction

In the event that the County's Board of Supervisors adopts, in any fiscal year, a County Budget which provides for reductions in the salaries and benefits paid to the majority of County employees and imposes similar reductions with respect to County Contracts, the County reserves the right to reduce its payment obligation under this Contract correspondingly for that fiscal year and any subsequent fiscal year during the term of this Contract (including any extensions), and the services to be provided by the Contractor under this Contract shall also be reduced correspondingly. Except as set forth in the preceding sentence, the Contractor shall continue to provide all of the services set forth in this Contract. The County's notice to the Contractor regarding said reduction in payment obligation shall be provided within 30 calendar days of the Board's approval of such actions.

E. Complaints

Contractor shall develop, maintain, and operate procedures for receiving, investigating, and responding to any complaints by any individual.

1. Within 12 business days after this Contract's effective date, Contractor shall provide County with Contractor's policy for receiving, investigating, and responding to any complaints by any individual.
2. County will review Contractor's policy and provide Contractor with approval of said plan or with requested changes.
3. If County requests changes in Contractor's policy, Contractor shall make such changes and resubmit the plan within five business days for County approval.
4. If, at any time, Contractor wishes to change Contractor's policy, Contractor shall submit proposed changes to County for approval before implementation.
5. Contractor shall preliminarily investigate all complaints and notify the Contract Manager of the status of the investigation within five business days of receiving the complaint.
6. When complaints cannot be resolved informally, a system of follow-through shall be instituted which adheres to formal plans for specific actions and strict time deadlines.
7. Copies of all written responses shall be sent to the Contract Manager within three business days of mailing to the complainant.

F. Compliance with Applicable Laws

1. Contractor shall comply with all applicable Federal, State, and local laws, rules, regulations, ordinances, or directives, and all provisions required thereby to be included in this Contract are hereby incorporated by reference.
2. Contractor shall defend, indemnify, and hold County harmless from and against any and all liability, damages, costs, and expenses including, but not limited to, defense costs and attorneys' fees arising from or related to any violation on the part of Contractor or its employees, agents, or Subcontractors of any such laws, rules, regulations, ordinances, or directives.

G. Compliance with Civil Rights Laws

Contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000 (e)(1) through 2000 (e)(17), to the end that no person shall, on the grounds of race, creed, color, sex, religion, ancestry, age, condition of physical disability, marital status, political affiliation, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract. Contractor shall comply with its EEO Certification (Form PW-7).

H. Confidentiality

1. Contractor shall maintain the confidentiality of all records obtained from County under this Contract in accordance with all applicable Federal, State, and local laws, ordinances, regulations, and directives relating to confidentiality.
2. Contractor shall inform all of its officers, employees, agents, and Subcontractors providing services hereunder of the confidentiality provisions of this Contract.

I. Conflict of Interest

1. No County employee whose position with County enables such employee to influence the award of this Contract or any competing contract, and no spouse or economic dependent of such employee shall be employed in any capacity by Contractor or have any other direct or indirect financial interest in this Contract. No officer or employee of Contractor who may financially benefit from the performance of the work hereunder shall in any way participate in County's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence County's approval or ongoing evaluation of such work.
2. Contractor represents and warrants that it is aware of, and its authorized officers have read, the provisions of Los Angeles County Code, Section 2.180.010, "Certain Contracts Prohibited," and that execution of this Agreement will not violate those provisions. Contractor shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Contract. Contractor warrants that it is not now aware of any facts that create a conflict of interest. If Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this paragraph shall be a material breach of this Contract

subjecting Contractor to either contract termination for default or debarment proceedings or both. Contractor must sign and adhere to the "Conflict of Interest Certification" (Form PW-5).

J. Consideration of Hiring County Employees Targeted for Layoffs or Former County Employees on Reemployment List

Should Contractor require additional or replacement personnel after the effective date of this Contract to perform the services set forth herein, Contractor shall give first consideration for such employment openings to qualified permanent County employees who are targeted for layoff or qualified, former County employees who are on a reemployment list during the life of this Contract.

K. Consideration of Hiring GAIN and GROW Participants

1. Should Contractor require additional or replacement personnel after the effective date of this Contract, Contractor shall give consideration for any such employment openings to participants in County's Department of Public Social Services' Greater Avenues for Independence (GAIN) Program and General Relief Opportunity for Work (GROW) Program who meet Contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that Contractor will interview qualified candidates. County will refer GAIN and GROW participants by category to Contractor.
2. In the event that both laid-off County employees and GAIN and GROW participants are available for hiring, County employees shall be given first priority.

L. Contractor's Acknowledgment of County's Commitment to Child Support Enforcement

Contractor acknowledges that County places a high priority on the enforcement of child support laws and the apprehension of child support evaders. Contractor understands that it is County's policy to encourage all County Contractors to voluntarily post County's L.A.'s Most Wanted: Delinquent Parents poster in a prominent position at Contractor's place of business. County's Child Support Services Department will supply Contractor with the poster to be used.

M. Contractor's Charitable Activities Compliance

The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring Contractors to complete the Charitable Contributions Certification (Form PW-12), County seeks to ensure that all County Contractors which receive or raise charitable contributions comply with California

law in order to protect County and its taxpayers. A Contractor which receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination for default or debarment proceedings or both. (Los Angeles County Code Chapter 2.202)

N. Contractor's Warranty of Adherence to County's Child Support Compliance Program

1. Contractor acknowledges that County has established a goal of ensuring that all individuals who benefit financially from County through contracts are in compliance with their court-ordered child, family, and spousal support obligations in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.
2. As required by County's Child Support Compliance Program (Los Angeles County Code Chapter 2.200), and without limiting Contractor's duty under this Contract to comply with all applicable provisions of law, Contractor warrants that it is now in compliance and shall during the term of this Contract maintain compliance with the employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family, or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

O. Contractor Performance Evaluation/Corrective Action Measures

County or its agent will evaluate Contractor's performance under this Contract on not less than an annual basis. Such evaluation will include assessing Contractor's compliance with all this Contract's terms and conditions and performance standards. Contractor deficiencies which County determines are severe or continuing and that may place performance of this Contract in jeopardy, if not corrected, will be reported to the Board. The report will include improvement/corrective action measures taken by County and Contractor. If improvement does not occur consistent with the corrective action measures, County may suspend or terminate this Contract for default or impose other penalties as specified in this Contract.

P. Damage to County Facilities, Buildings, or Grounds

1. Contractor shall repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings, or grounds caused by Contractor or employees or agents of Contractor.

2. Such repairs shall be made immediately after Contractor has become aware of such damage, but in no event later than 30 days after the occurrence. If Contractor fails to make timely repairs, County may make any necessary repairs. All costs incurred by County, as determined by County, for such repairs shall be repaid by Contractor by cash payment upon demand. County may deduct from any payment otherwise due Contractor for costs incurred by County to make such repairs.

Q. Employment Eligibility Verification

1. Contractor warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all of its employees performing work under this Contract meet the citizenship or alien status requirements set forth in Federal and State statutes and regulations. Contractor shall obtain, from all covered employees performing services hereunder, all verification and other documentation of employment eligibility status required by Federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986 (P.L. 99-603), or as they currently exist and as they may be hereafter amended. Contractor shall retain all such documentation for all covered employees for the period prescribed by law.
2. Contractor shall indemnify, defend, and hold harmless, the County of Los Angeles, its Special Districts, Elected Officials, Officers, Agents, Employees, and Volunteers from employer sanctions and any other liability which may be assessed against Contractor or County or both in connection with any alleged violation of Federal or State statutes or regulations pertaining to the eligibility for employment of persons performing services under this Contract.

R. Facsimile Representations

At the discretion of County, County may agree to regard facsimile representations of original signatures of Contractor's authorized officers, when appearing in appropriate places on the change notices and amendments prepared pursuant to this Exhibit's Amendments, and received via communications facilities, as legally sufficient evidence that such original signatures have been affixed to change notices and amendments to this Contract, such that the Contractor need not follow up facsimile transmissions of such documents with subsequent (nonfacsimile) transmission of "original" versions of such documents.

S. Fair Labor Standards

Contractor shall comply with all applicable provisions of the Federal Fair Labor Standards Act and shall indemnify, defend, and hold harmless the County of Los Angeles, its Special Districts, Elected Officials, Officers, Agents, Employees,

and Volunteers from any and all liability including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys' fees arising under any wage and hour law, including, but not limited to, the Federal Fair Labor Standards Act, for work performed by Contractor's employees for which County may be found jointly or solely liable.

T. Force Majeure

1. Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Contract, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this subparagraph as "force majeure events").
2. Notwithstanding the foregoing, a default by a subcontractor of Contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, Contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this subparagraph, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.
3. In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

U. Governing Laws, Jurisdiction, and Venue

This Contract shall be governed by, and construed in accordance with the laws of the State of California. To the maximum extent permitted by applicable law, Contractor and County agree and consent to the exclusive jurisdiction of the courts of the State of California for all purposes concerning this Contract and further agree and consent that venue of any action brought in connection with or arising out of this Contract, shall be exclusively in the County of Los Angeles.

V. Most Favored Public Entity

If the Contractor's prices decline, or should the Contractor at any time during the term of this Contract provide the same goods or services under similar quantity

and delivery conditions to the State of California or any county, municipality, or district of the State at prices below those set forth in this Contract, then such lower prices shall be immediately extended to the County.

W. Nondiscrimination and Affirmative Action

1. Contractor certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding companies are and shall be treated equally without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State antidiscrimination laws and regulations.
2. Contractor shall certify to, and comply with, the provisions of Contractor's EEO Certification (Form PW-7).
3. Contractor shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State antidiscrimination laws and regulations. Such action shall include, but not be limited to, employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection of training, including apprenticeship.
4. Contractor certifies and agrees that it will deal with its Subcontractors, bidders, or vendors without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation.
5. Contractor certifies and agrees that it, its affiliates, subsidiaries, or holding companies shall comply with all applicable Federal and State laws and regulations to the end that no person shall, on the grounds of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract.
6. Contractor shall allow County representatives access to Contractor's employment records during regular business hours to verify compliance with the provisions of this paragraph when so requested by County.
7. If County finds that any of the above provisions have been violated, such violation shall constitute a material breach of this Contract upon which County may terminate for default or suspend this Contract. While County

reserves the right to determine independently that the antidiscrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment Practices Commission or the Federal Equal Employment Opportunity Commission that Contractor has violated Federal or State antidiscrimination laws or regulations shall constitute a finding by County that Contractor has violated the antidiscrimination provisions of this Contract.

8. The parties agree that in the event Contractor violates any of the antidiscrimination provisions of this Contract, County shall, at its sole option, be entitled to a sum of \$500 for each violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Contract.

X. Nonexclusivity

Nothing herein is intended nor shall be construed as creating any exclusive arrangement with Contractor. This Contract shall not restrict County from acquiring similar, equal, or like goods and/or services from other entities or sources.

Y. No Payment for Services Provided Following Expiration/Suspension/Termination of Contract

Contractor shall have no claim against County for payment of any money or reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration, suspension, or other termination of this Contract. Should Contractor receive any such payment, it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration/suspension/termination of this Contract shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration/suspension/termination of this Contract.

Z. Notice of Delays

Except as otherwise provided under this Contract, when either party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this Contract, that party shall, within one business day, give notice thereof, including all relevant information with respect thereto, to the other party.

AA. Notice of Disputes

Contractor shall bring to the attention of the Contract Manager any dispute between County and Contractor regarding the performance of services as stated

in this Contract. If the Contract Manager is not able to resolve the dispute, the Director will resolve it.

BB. Notice to Employees Regarding the Federal Earned Income Credit

Contractor shall notify its employees, and shall require each Subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the Federal income tax laws. Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Service Notice 1015 (Exhibit C).

CC. Notices

Any documents submitted by Contractor; all information obtained in connection with County's right to audit and inspect Contractor's documents, books, and accounting records pursuant to this Exhibit's Record Retention and Inspection/Audit Settlement, of this Contract; as well as those documents which were required to be submitted in response to the RFP used in the solicitation process for this Contract, become the exclusive property of County. All such documents become a matter of public record and shall be regarded as public records, except those documents that are marked "Trade Secret," "Confidential," or "Proprietary" and are deemed excluded from disclosure under Government Code 6250 et seq. (Public Records Act). County shall not in any way be liable or responsible for the disclosure of any such records including, with limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.
2. In the event County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "Trade Secret," "Confidential," or "Proprietary," Contractor agrees to defend and indemnify County from all costs and expenses, including reasonable attorney's fees, in connection with any requested action or liability arising under the Public Records Act.

3. If, at any time during the term of this Contract or within five years after the expiration or termination of this Contract, representatives of County conduct an audit of Contractor regarding the work performed under this Contract, and if such audit finds that County's dollar liability for any such work is less than payments made by County to Contractor, then the difference shall be either: a) repaid by Contractor to County by cash payment upon demand or b) at the sole option of County's Auditor-Controller, deducted from any amounts due to Contractor from County, whether under this Contract or otherwise. If such audit finds that County's dollar liability for such work is more than the payments made by County to Contractor, then the difference shall be paid to Contractor by County by cash payment, provided that in no event shall County's maximum obligation for this Contract exceed the funds appropriated by County for the purpose of this Contract.
4. In addition to the above, the Contractor agrees, should the County or its authorized representatives determine, in the County's sole discretion, that it is necessary or appropriate to review a broader scope of the Contractor's records (including, certain records related to non-County contracts) to enable the County to evaluate the Contractor's compliance with the County's Living Wage Program, that the Contractor shall promptly and without delay provide to the County, upon the written request of the County or its authorized representatives, access to and the right to examine, audit, excerpt, copy, or transcribe any and all transactions, activities, or records relating to any of its employees who have provided services to the County under this Contract, including without limitation, records relating to work performed by said employees on the Contractor's

non-County contracts. The Contractor further acknowledges that the foregoing requirement in this subparagraph relative to Contractor's employees who have provided services to the County under this Contract is for the purpose of enabling the County in its discretion to verify the Contractor's full compliance with and adherence to California labor laws and the County's Living Wage Program. All such materials and information, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, shall be kept and maintained by the Contractor and shall be made available to the County during the term of this Contract and for a period of five years thereafter unless the County's written permission is given to dispose of any such materials and information prior to such time. Failure of County to enforce at anytime, or from time to time, any provision of this Contract shall not be construed as a waiver thereof.

LL. Warranty Against Contingent Fees

1. Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee excepting bona fide employees or bona fide established commercial or selling agencies maintained by Contractor for the purpose of securing business.

Any County maintained insurance or self-insurance coverage shall be in excess of and not contribute to any Contractor coverage.
8. Waivers of Subrogation: To the fullest extent permitted by law, the Contractor hereby waives its rights and its insurer(s)' rights of recovery against County under all the Required Insurance for any loss arising from or relating to this Contract. The Contractor shall require its insurers to execute any waiver of subrogation endorsements which may be necessary to effect such waiver.
9. Subcontractor Insurance Coverage Requirements: Contractor shall include all Subcontractors as insureds under Contractor's own policies, or shall provide County with each Subcontractor's separate evidence of

insurance coverage. Contractor shall be responsible for verifying each Subcontractor complies with the Required Insurance provisions herein, and shall require that each Subcontractor name the County of Los Angeles, its Special Districts, Elected Officials, Officers, Agents, Employees, Volunteers, and Contractor as additional insureds on the Subcontractor's General Liability policy. Contractor shall obtain County's prior review and approval of any Subcontractor request for modification of the Required Insurance.

10. Deductibles and Self-Insured Retentions (SIRs): Contractor's policies shall not obligate the County to pay any portion of any Contractor deductible or SIR. The County retains the right to require Contractor to reduce or eliminate policy deductibles and SIRs as respects the County, or to provide a bond guaranteeing Contractor's payment of all deductibles and SIRs, including all related claims investigation, administration and defense expenses. Such bond shall be executed by a corporate surety licensed to transact business in the State of California.
11. Claims Made Coverage: If any part of the Required Insurance is written on a claims made basis, any policy retroactive date shall precede the effective date of this Contract. Contractor understands and agrees it shall maintain such coverage for a period of not less than three years following Contract expiration, termination or cancellation.
12. Application of Excess Liability Coverage: Contractors may use a combination of primary, and excess insurance policies which provide coverage as broad as ("follow form" over) the underlying primary policies, to satisfy the Required Insurance provisions.
13. Separation of Insureds: All liability policies shall provide cross-liability coverage as would be afforded by the standard ISO (Insurance Services Office, Inc.) separation of insureds provision with no insured versus insured exclusions or limitations.
14. Alternative Risk Financing Programs: The County reserves the right to review, and then approve, Contractor use of self-insurance, risk retention groups, risk purchasing groups, pooling arrangements and captive insurance to satisfy the Required Insurance provisions. The County of Los Angeles, its Special Districts, Elected Officials, Officers, Agents, Employees, and Volunteers shall be designated as an Additional Covered Party under any approved program.
15. County Review and Approval of Insurance Requirements: The County reserves the right to review and adjust the Required Insurance provisions, conditioned upon County's determination of changes in risk exposures.

E. Compensation for County Costs

In the event that the Contractor fails to comply with any of the indemnification or insurance requirements of this Contract, and such failure to comply results in any costs to the County, the Contractor shall pay full compensation for all costs incurred by the County.

F. Insurance Coverage Requirements

1. Commercial General Liability insurance (providing scope of coverage equivalent to ISO policy form CG 00 01), naming The County of Los Angeles, its Special Districts, Elected Officials, Officers, Agents, Employees, and Volunteers as an additional insured, with limits of not less than:

If applicable to Contractor's operations, coverage also shall be arranged to satisfy the requirements of any Federal workers or workmen's compensation law or any federal occupational disease law.

SECTION 6

CONTRACTOR RESPONSIBILITY AND DEBARMENT

A. Responsible Contractor

A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness as well as quality, fitness, capacity, and experience to satisfactorily perform the contract. It is County's policy to conduct business only with responsible Contractors.

B. Chapter 2.202 of the County Code

Contractor is hereby notified that, in accordance with Chapter 2.202 of County Code, if County acquires information concerning the performance of Contractor on this or other contracts which indicates that Contractor is not responsible, County may, in addition to other remedies provided in this Contract, debar Contractor from bidding or proposing on, being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and suspend or terminate any or all existing contracts Contractor may have with County.

C. Nonresponsible Contractor

County may debar a Contractor if the Board finds, in its discretion, that Contractor has done any of the following: (1) violated any term of a contract with County or a nonprofit corporation created by County; (2) committed an act or omission which negatively reflects on Contractor's quality, fitness, or capacity to perform a contract with County, any other public entity, or a nonprofit corporation created by County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or offense which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against County or any other public entity.

D. Contractor Hearing Board

1. If there is evidence that Contractor may be subject to debarment, Public Works will notify Contractor in writing of the evidence which is the basis for the proposed debarment and will advise Contractor of the scheduled date for a debarment hearing before Contractor Hearing Board.
2. Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. Contractor and/or Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, Contractor Hearing Board will prepare a tentative proposed decision, which shall contain a recommendation

regarding whether Contractor should be debarred, and, if so, the appropriate length of time of the debarment. Contractor and Public Works shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board.

3. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of Contractor Hearing Board shall be presented to the Board. The Board shall have the right to modify, deny, or adopt the proposed decision and recommendation of Contractor Hearing Board.
4. If a Contractor has been debarred for a period longer than five years, that Contractor may, after the debarment has been in effect for at least five years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of County.
5. Contractor Hearing Board will consider a request for review of a debarment determination only where (1) Contractor has been debarred for a period longer than five years; (2) the debarment has been in effect for at least five years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by Contractor Hearing Board pursuant to the same procedure as for a debarment hearing.
6. Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. Contractor Hearing Board shall present its proposed decision and recommendation to the Board. The Board shall have the right to modify, deny, or adopt the proposed decision and recommendation of Contractor Hearing Board.

E. Subcontractors of Contractor

These terms shall also apply to Subcontractors of County Contractors.

SECTION 7

COMPLIANCE WITH COUNTY'S JURY SERVICE PROGRAM

A. Jury Service Program

This Contract is subject to the provisions of County's ordinance entitled Contractor Employee Jury Service (Jury Service Program) as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

B. Written Employee Jury Service Policy

1. Unless Contractor has demonstrated to County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employee deposit any fees received for such jury service with Contractor or that Contractor deduct from the Employee's regular pay the fees received for jury service.
2. For purposes of this Section, "Contractor" means a person, partnership, corporation, or other entity which has a contract with County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full-time employee of Contractor. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any Subcontractor to perform services for County under this Contract, the Subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.
3. If Contractor is not required to comply with the Jury Service Program when this Contract commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the

Jury Service Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. County may also require, at any time during this Contract and at its sole discretion, that Contractor demonstrate to County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Jury Service Program.

4. Contractor's violation of this Section of this Contract may constitute a material breach of this Contract. In the event of such material breach, County may, in its sole discretion, suspend or terminate this Contract and/or bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

SECTION 8

SAFELY SURRENDERED BABY LAW PROGRAM

A. Contractor's Acknowledgment of County's Commitment to the Safely Surrendered Baby Law

Contractor acknowledges that County places a high priority on the implementation of the Safely Surrendered Baby Law. Contractor understands that it is County's policy to encourage all County Contractors to voluntarily post County's "Safely Surrendered Baby Law" poster in a prominent position at Contractor's place of business. Contractor will also encourage its Subcontractors, if any, to post this poster in a prominent position in the Subcontractor's place of business. County's Department of Children and Family Services will supply Contractor with the poster to be used. Information on how to receive the poster can be found on the Internet at www.babysafela.org.

B. Notice to Employees Regarding the Safely Surrendered Baby Law

Contractor shall notify and provide to its employees, and shall require each Subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in County, and where and how to safely surrender a baby. The fact sheet is set forth in Exhibit D of this Contract and is also available on the Internet at www.babysafela.org for printing purposes.

SECTION 9

COMPLIANCE WITH COUNTY'S LIVING WAGE PROGRAM

A. Living Wage Program

This Contract is subject to the provisions of County's ordinance entitled Living Wage Program as codified in Sections 2.201.010 through 2.201.100 of the Los Angeles County Code, a copy of which is attached hereto as Form LW-1 and incorporated by reference into and made a part of this Contract.

B. Payment of Living Wage Rates

1. Unless Contractor has demonstrated to County's satisfaction either that Contractor is not an "Employer" as defined under the Living Wage Program (Section 2.201.020 of County Code) or that Contractor qualifies for an exception to the Living Wage Program (Section 2.201.090 of County Code), Contractor shall pay its Employees no less than the applicable hourly living wage rate, as set forth immediately below, for the Employees' services provided to County, including, without limitation, "Travel Time" as defined below in subsection 5 of this Section 9.B under this Contract:
 - a. Not less than \$11.84 per hour if, in addition to the per-hour wage, Contractor contributes less than \$2.20 per hour towards the provision of bona fide health care benefits for its Employees and any dependents; or
 - b. Not less than \$9.64 per hour if, in addition to the per-hour wage, Contractor contributes at least \$2.20 per hour towards the provision of bona fide health care benefits for its Employees and any dependents. Contractor will be deemed to have contributed \$2.20 per hour towards the provision of bona fide health care benefits if the benefits are provided through County Department of Health Services Community Health Plan. If, at any time during this Contract, Contractor contributes less than \$2.20 per hour towards the provision of bona fide health care benefits, Contractor shall be required to pay its Employees the higher hourly living wage rate.
2. For purposes of this Section, "Contractor" includes any Subcontractor engaged by Contractor to perform services for County under this Contract. If Contractor uses any Subcontractor to perform services for County under this Contract, the Subcontractor shall be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract and a copy of the Living Wage Program shall be attached to the subcontract. "Employee" means any individual who is an employee of Contractor under the laws of California, and who is providing full-time services to Contractor, some or all of which are provided to County under this Contract. "Full-time"

means a minimum of 40 hours worked per week, or a lesser number of hours, if the lesser number is a recognized industry standard and is approved as such by County; however, fewer than 35 hours worked per week will not, in any event, be considered full-time.

3. If Contractor is required to pay a living wage when this Contract commences, Contractor shall continue to pay a living wage for the entire term of this Contract, including any option period.
4. If Contractor is not required to pay a living wage when this Contract commences, Contractor shall have a continuing obligation to review the applicability of its "exemption status" from the living wage requirement. Contractor shall immediately notify County if Contractor at any time either comes within the Living Wage Program's definition of "Employer" or if Contractor no longer qualifies for an exception to the Living Wage Program. In either event, Contractor shall immediately be required to commence paying the living wage and shall be obligated to pay the living wage for the remaining term of this Contract, including any option period. County may also require, at any time during this Contract and at its sole discretion, that Contractor demonstrate to County's satisfaction that Contractor either continues to remain outside of the Living Wage Program's definition of "Employer" and/or that Contractor continues to qualify for an exception to the Living Wage Program. Unless Contractor satisfies this requirement within the time frame permitted by County, Contractor shall immediately be required to pay the living wage for the remaining term of this Contract, including any option period.
5. For purposes of Contractor's obligation to pay its Employees the applicable hourly living wage rate under this Contract, "Travel Time" shall have the following two meanings, as applicable: 1) with respect to travel by an Employee that is undertaken in connection with this Contract, Travel Time shall mean any period during which an Employee physically travels to or from a County facility if Contractor pays the Employee any amount for that time or if California law requires Contractor to pay the Employee any amount for that time; and 2) with respect to travel by an Employee between County facilities that are subject to two different contracts between Contractor and County (of which both contracts are subject to the Living Wage Program), Travel Time shall mean any period during which an Employee physically travels to or from, or between such County facilities if Contractor pays the Employee any amount for that time or if California law requires Contractor to pay the Employee any amount for that time.

C. Contractor's Submittal of Certified Monitoring Reports

Contractor shall submit to County certified monitoring reports at a frequency instructed by County. The certified monitoring reports shall list all of Contractor's Employees during the reporting period. The certified monitoring reports shall also

verify the number of hours worked, the hourly wage rate paid, and the amount paid by Contractor for health benefits, if any, for each of its Employees. The certified monitoring reports shall also state the name and identification number of Contractor's current health care benefits plan, and Contractor's portion of the premiums paid as well as the portion paid by each Employee. All certified monitoring reports shall be submitted on forms provided by County, or any other form approved by County which contains the above information. County reserves the right to request any additional information it may deem necessary. If County requests additional information, Contractor shall promptly provide such information. Contractor, through one of its officers, shall certify under penalty of perjury that the information contained in each certified monitoring report is true and accurate.

D. Contractor's Ongoing Obligation to Report Labor Law/Payroll Violations and Claims

During the term of this Contract, if Contractor becomes aware of any labor law/payroll violations or any complaint, investigation, or proceeding ("claim") concerning any alleged labor law/payroll violation (including, but not limited to, any violation or claim pertaining to wages, hours, and working conditions, such as minimum wage, prevailing wage, living wage, the Fair Labor Standards Act, employment of minors, or unlawful employment discrimination), Contractor shall immediately inform County of any pertinent facts known by Contractor regarding the same. This disclosure obligation is not limited to any labor law/payroll violation or claim arising out of Contractor's contract with County, but instead applies to any labor law/payroll violation or claim arising out of any of Contractor's operation in California.

E. County Auditing of Contractor Records

Upon a minimum of 24 hours' written notice, County may audit, at Contractor's place of business, any of Contractor's records pertaining to this Contract, including all documents and information relating to the certified monitoring reports. Contractor is required to maintain all such records in California until the expiration of five years from the date of final payment under this Contract. Authorized agents of County shall have access to all such records during normal business hours for the entire period that records are to be maintained.

F. Notifications to Employees

Contractor shall place County-provided living wage posters at each of Contractor's place of business and locations where Contractor's Employees are working. Contractor shall also distribute County-provided notices to each of its Employees at least once per year. Contractor shall translate posters and handouts into Spanish and any other language spoken by a significant number of Employees.

G. Enforcement and Remedies

If Contractor fails to comply with the requirements of this Section, County shall have the rights and remedies described in this Section in addition to any rights and remedies provided by law or equity.

1. Remedies for Submission of Late or Incomplete Certified Monitoring Reports: If Contractor submits a certified monitoring report to County after the date it is due or if the report submitted does not contain all of the required information or is inaccurate or is not properly certified, any such deficiency shall constitute a breach of this Contract. In the event of any such breach, County may, in its sole discretion, exercise any or all of the following rights/remedies:
 - a. Withholding of Payment: If Contractor fails to submit accurate, complete, timely, and properly certified monitoring reports, County may withhold from payment to Contractor up to the full amount of any invoice that would otherwise be due, until Contractor has satisfied the concerns of County, which may include required submittal of revised certified monitoring reports or additional supporting documentation.
 - b. Liquidated Damages: It is mutually understood and agreed that Contractor's failure to submit an accurate, complete, timely, and properly certified monitoring report will result in damages being sustained by County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for Contractor's breach. Therefore, in the event that a certified monitoring report is deficient, including, but not limited to, being late, inaccurate, incomplete, or uncertified, it is agreed that County may, in its sole discretion, assess against Contractor liquidated damages in the amount of \$100 per monitoring report for each day until County has been provided with a properly prepared, complete, and certified monitoring report. County may deduct any assessed liquidated damages from any payments otherwise due to Contractor.
 - c. Termination/Suspension: Contractor's failure to submit an accurate, complete, timely, and properly certified monitoring report may constitute a material breach of this Contract. In the event of such material breach, County may, in its sole discretion, suspend or terminate this Contract.
2. Remedies for Payment of Less Than the Required Living Wage: If Contractor fails to pay any Employee at least the applicable hourly living

wage rate, such deficiency shall constitute a breach of this Contract. In the event of any such breach, County may, in its sole discretion, exercise any or all of the following rights/remedies:

- a. **Withholding Payment:** If Contractor fails to pay one or more of its Employees at least the applicable hourly living wage rate, County may withhold from any payment otherwise due to Contractor the aggregate difference between the living wage amounts Contractor was required to pay its Employees for a given pay period and the amount actually paid to the Employees for that pay period. County may withhold said amount until Contractor has satisfied County that any underpayment has been cured, which may include required submittal of revised certified monitoring reports or additional supporting documentation.
 - b. **Liquidated Damages:** It is mutually understood and agreed that Contractor's failure to pay any of its Employees at least the applicable hourly living wage rate will result in damages being sustained by County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for Contractor's breach. Therefore, it is agreed that County may, in its sole discretion, assess against Contractor liquidated damages of \$50 per Employee per day for each and every instance of an underpayment to an Employee. County may deduct any assessed liquidated damages from any payments otherwise due to Contractor.
 - c. **Termination/Suspension:** Contractor's failure to pay any of its Employees the applicable hourly living wage rate may constitute a material breach of this Contract. In the event of such material breach, County may, in its sole discretion, suspend or terminate this Contract.
3. **Debarment:** In the event Contractor breaches a requirement of this Section, County may, in its sole discretion, bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach, in accordance with Los Angeles County Code Section 2.202, Determinations of Contractor Nonresponsibility and Contractor Debarment.

H. Use of Full-Time Employees

Contractor shall assign and use full-time Employees of Contractor to provide services under this Contract unless Contractor can demonstrate to the satisfaction of County that it is necessary to use non-full-time Employees based on staffing

efficiency or County requirements for the work to be performed under this Contract. It is understood and agreed that Contractor shall not, under any circumstance, use non-full-time Employees for services provided under this Contract unless and until County has provided written authorization for the use of same. Contractor submitted with its proposal a full-time-Employee staffing plan. If Contractor changes its full-time-Employee staffing plan, Contractor shall immediately provide a copy of the new staffing plan to County.

I. Contractor Retaliation Prohibited

Contractor and/or its Employees shall not take any adverse action which would result in the loss of any benefit of employment, any contract benefit, or any statutory benefit for any Employee, person, or entity who has reported a violation of the Living Wage Program to County or to any other public or private agency, entity, or person. A violation of the provisions of this paragraph may constitute a material breach of this Contract. In the event of such material breach, County may, in its sole discretion, suspend or terminate this Contract.

J. Contractor Standards

During the term of this Contract, Contractor shall maintain business stability, integrity in employee relations, and the financial ability to pay a living wage to its employees. If requested to do so by County, Contractor shall demonstrate to the satisfaction of County that Contractor is complying with this requirement.

K. Neutrality in Labor Relations

Contractor shall not use any consideration received under this Contract to hinder, or to further, organization of, or collective bargaining activities by or on behalf of Contractor's employees, except that this restriction shall not apply to any expenditure made in the course of good faith collective bargaining, or to any expenditure pursuant to obligations incurred under a bona fide collective bargaining agreement, or which would otherwise be permitted under the provisions of the National Labor Relations Act.

Contractor shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a Transitional Job Opportunity vendor.

Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a Transitional Job Opportunities vendor.

If Contractor has obtained County certification as a Transitional Job Opportunities vendor by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this Contract to which it would not otherwise have been entitled, shall:

1. Pay to the County any difference between the contract amount and what the County's costs would have been if the contract had been properly awarded.
2. In addition to the amount described in subdivision (1), be assessed a penalty in the amount of not more than ten percent of the amount of this Contract.
3. Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Nonresponsibility and Contractor Debarment).

The above penalties shall also apply to any entity that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify Public Works of this information prior to responding to a solicitation or accepting a contract award.

SECTION 11

If Contractor has obtained County certification as a Local Small Business Enterprise by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this Contract to which it would not otherwise have been entitled, shall:
 - 1. Pay to County any difference between this Contract amount and what County's costs would have been if this Contract had been properly awarded.
 - 2. In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than 10 percent of the amount of this Contract.
 - 3. Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Nonresponsibility and Contractor Debarment).
- E. The above penalties shall also apply if Contractor is no longer eligible for certification as a result of a change of its status and Contractor failed to notify the State and Internal Services Department of this information.

B. Contractor's Warranty of Compliance with County's Defaulted Property Tax Reduction Program

C. Termination for Breach of Warranty of Compliance with County's Defaulted Property Tax Reduction Program

Failure of Contractor to maintain compliance with the requirements set forth in paragraph B, above, shall constitute default under this Contract. Without limiting the rights and remedies available to County under any other provision of this contract, failure of Contractor to cure such default within 10 days of notice shall be grounds upon which County may terminate this contract and/or pursue debarment of Contractor, pursuant to County Code Chapter 2.206.

SECTION 13

A. Prevailing Wages

The Director of the California Department of Industrial Relations has established the general prevailing rate of per diem wages for each craft, classification, type of worker, or mechanic needed to execute public works and improvements. connection with the Work. Whenever requested by the Contract Manager, the Contractor shall provide a certified copy of each such employee's payroll record ("certified payrolls") at the end of each week for the period ending the previous week. Failure to submit such payroll records will result in the County and/or District withholding from any monies due the Contractor the amount of \$250 for each week in which certified payrolls have not been submitted.

Notice 1015

(Rev. December 2013)

Have You Told Your Employees About the Earned Income Credit (EIC)?

What is the EIC?

The EIC is a refundable tax credit for certain workers.

Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Allowance Certificate.

Note. You are encouraged to notify each employee whose wages for 2013 are less than \$51,567 that he or she may be eligible for the EIC.

How and When Must I Notify My Employees?

You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must

notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2014.

You must hand the notice directly to the employee or send it by first-class mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice from IRS.gov or by calling 1-800-829-3676.

How Will My Employees Know If They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see Pub. 596, Earned Income Credit (EIC), or the instructions for Form 1040, 1040A, or 1040EZ.

How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2013 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2013 and owes no tax but is eligible for a credit of \$800, he or she must file a 2013 tax return to get the \$800 refund.

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

The Safely Surrendered Baby Law allows parents to give their newborn child to hospital or fire station staff within three days (72 hours) after birth. The parent does not have to give up the baby forever. The parent can change their mind and bring the baby back within 14 days. The parent can also choose to place the baby for adoption. The parent can also choose to place the baby in a safe and loving home. The parent can also choose to place the baby in a safe and loving home. The parent can also choose to place the baby in a safe and loving home.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a baby, let her know there are other options. For three days (72 hours) after birth, a baby can be surrendered to staff at any hospital or fire station in Los Angeles County.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro permite que un padre o madre que recién ha nacido un bebé puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregue recibirá un brazalete igual.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregue recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Ángeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé; esto servía como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del periodo de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

RECORD KEEPING

Record Keeping

1. How employee hours actually worked are tracked.

a. Reporting Locations

Employees report every morning to our main yard or different satellite locations depending on the job site/crew they are currently assigned to. The start time is assigned depending on contractual obligations for their assigned job site/crew, and their shift commences at the time they are assigned to be at our main yard or satellite locations.

b. Daily Reporting

Employees report to their Supervisor every morning and are accounted for when daily tasks are distributed and discussed. At the end of their shift they fill out and sign a daily timesheet which includes start time, lunch time, stop time, and total time worked for that day. Their Supervisor reviews and approves the time sheet and is turned in to the office for payroll inputting.

c. Documenting Records

TruGreen LandCare has created daily timesheets which document the employee's daily working hours including start time, lunch time, stop time, and total time worked for the day along with the locations our employees report to on that given day. The timesheets are signed and approved by the employee and their Supervisor on a daily basis to ensure accuracy and accountability for our employees. Timesheets are turned in daily to the office for payroll inputting, see attached copy.

d. Records Used to Create Payroll

As mentioned above TruGreen LandCare has created daily time sheets which has all information needed to create and document employee's weekly payroll.

e. Mandated Breaks / Meal Periods

It is TruGreen LandCare's policy to provide employees with work breaks and meal breaks during the day, employees are relieved of all work duties during these break. Meal breaks are mandated if the employees work more than six hours per day. This written policy is included in the Employees Handbook given to them at the time of hire or available to them in our office as well as posted throughout our locations. The daily timesheets include a written record of the meal periods and each crew Supervisor and Account Manager is responsible for ensuring that the policy is taken into effect.

2. Payroll Preparation

a. Payroll Payment to Employees

Exempt employees are paid on a weekly basis in a form of a payroll check processed by our Corporate Office. Payroll checks include wages earned for that week as well as any tax deductions, benefits deductions which employees opt to enroll in, and any other miscellaneous garnishments (if applicable). Payroll checks include current weekly totals as well as year to date totals for wages/deductions, hours being paid for the entire week they are being paid for, hours being paid as regular time or overtime per day to provide employees with a better understanding of their hours worked for that week, and it included itemized deductions (i.e. taxes, fica, Medicare, etc)

b. Manual Payroll System

TruGreen LandCare uses a payroll computerized system.

c. Automated Payroll System

TruGreen LandCare's automated payroll system allows us to write off the employee's wages and input the Living Wage rate or any other Prevailing Wage rate that would apply to a given contract ensuring compliance with specific terms of our contracts. Employees automatically get paid their normal wage rate for the other contracts that do not require specific wage rates. *If an employee has multiple wage rates, the computerized payroll system will pick up the multiple wage rates as a "weighted average rate" as per the Department of Industrial Relations for the State of California.* By overriding the employees wage it allows the payroll system to calculate the specified hours at that given rate. These changes in wages are reflected in the Certified Payroll that would be provided to Customers upon their request or per contract agreement.

e. Travel Time

Travel time is spread out and incurred for the jobs worked at on that specific day. Employees working at Los Angeles County contracts will be full time permanent employees assigned to those contracts on a full time basis therefore receiving the Living Wage rate for the entire worked day. In an event that an employee would be assigned to a different job site that does not required the Living Wage rate the employee will be paid the Living Wage rate for the travel time until the employees arrives and commences at a new job site.

f. Overtime Calculation

TruGreen LandCare's automated payroll system automatically calculates the overtime by day and by week. If the wage rate is overridden due to Living Wage or Prevailing Wage rates the system will calculate the overtime on a "weighted average rate" depending on those wages for the hours inputted under those rates.

**COUNTY OF LOS ANGELES CONTRACTOR EMPLOYEE JURY SERVICE PROGRAM
APPLICATION FOR EXCEPTION AND CERTIFICATION FORM**

This contract is subject to the County of Los Angeles Contractor Employee Jury Service Program (Program) (Los Angeles County Code, Chapter 2.203). All contractors and subcontractors must complete this form to either (1) request an exception from the Program requirements or (2) certify compliance. Upon review of the submitted form, the County department will determine, in its sole discretion, whether the bidder or proposer is excepted from the Program.

Company Name: TruGreen LandCare			
Company Address: 1323 W 130th Street			
City:	Gardena	State: CA	Zip Code: 91770
Telephone Number: 310-354-1520			
(Type of Goods or Services): Landscape and Grounds Maintenance			

If you believe the Jury Service Program does not apply to your business, check the appropriate box in Part I (you must attach documentation to support your claim). If the Jury Service Program applies to your business, complete Part II to certify compliance with the Program. Whether you complete Part I or Part II, sign and date this form.

Part I: Jury Service Program Is Not Applicable to My Business

- My business does not meet the definition of "contractor," as defined in the Program as it has not received an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts (this exception is not available if the contract/purchase order itself will exceed \$50,000). I understand that the exception will be lost and I must comply with the Program if my revenues from the County exceed an aggregate sum of \$50,000 in any 12-month period.

- My business is a small business as defined in the Program. It 1) has ten or fewer employees; and, 2) has annual gross revenues in the preceding twelve months which, if added to the annual amount of this contract, are \$500,000 or less; and, 3) is not an affiliate or subsidiary of a business dominant in its field of operation, as defined below. I understand that the exemption will be lost and I must comply with the Program if the number of employees in my business and my gross annual revenues exceed the above limits.

 "Dominant in its field of operation" means having more than ten employees, including full-time and part-time employees, and annual gross revenues in the preceding twelve months, which, if added to the annual amount of the contract awarded, exceed \$500,000.

 "Affiliate or subsidiary of a business dominant in its field of operation" means a business which is at least 20 percent owned by a business dominant in its field of operation, or by partners, officers, directors, majority stockholders, or their equivalent, of a business dominant in that field of operation.

- My business is subject to a Collective Bargaining Agreement that expressly provides that it supersedes all provisions of the Program. **ATTACH THE AGREEMENT.**

Part II: Certification of Compliance

- My business has and adheres to a written policy that provides, on an annual basis, no less than five days of regular pay for actual jury service for full-time employees of the business who are also California residents, or my company will have and adhere to such a policy prior to award of the contract.

I declare under penalty of perjury under the laws of the State of California that the information stated above is true and correct.

TRUGREEN LandCare®

November 2013

Dear TruGreen LandCare Associate:

To engage the best and most talented individuals, we recognize that we must provide a total compensation program that serves the diverse needs of our employees and their families.

The nation as a whole is grappling with the question of how to structure health insurance that addresses the issues of access, cost, and personal responsibility. Rising benefit costs are affecting employers nationwide. Recent surveys show that premium increases are ranging from 8% to 20% and many companies are increasing employee contributions and out-of-pocket costs. The Affordable Care Act (ACA), which is often referred to as Obama Care, has had a significant effect on both employers and employees. We continue to offer health insurance plans that meet the ACA's requirements. Beginning in 2014, under the ACA's individual mandate, most individuals (adults and children) may be required to have health coverage. You and your dependents may be required to have health insurance beginning January 1, 2014. If you and your dependents do not have health insurance, you may have to pay a penalty when you file your taxes. For more information, please go to www.HealthCare.gov.

Recently, we have conducted a comprehensive review of our benefits program. As part of that review, we looked at benefits and costs compared other employers, the increase in health care premiums over time and the portion of that which has been passed on to our employees, and ensuring that we provide employees with a choice of both a PPO medical plan as well as a consumer driven medical plan with a Health Savings Account. Going forward, both TruGreen LandCare and its employees will share higher costs. We will ask you to bear a proportionate share of the increase of the benefits you receive. We are also changing our medical plan options to manage costs while offering you comprehensive coverage. These changes will continue to bring us in line with other employers.

Please take the time to review all of the options available to you. You may evaluate the options and decide that you and/or your dependents may be eligible for premium assistance or coverage through Medicaid or a Children's Health Insurance Program (CHIP) through your state. You may decide that one of the choices available to you on the new Health Insurance Marketplace at www.HealthCare.gov may meet the needs of you and your family. We encourage you to carefully evaluate your options by learning more. The more you know about your options, the better your choice will be.

TruGreen LandCare remains committed to providing a competitive compensation program. If you have questions regarding your benefits, do not hesitate to contact the TruGreen LandCare Benefits Service Center at 866-900-3062.

Thank you for your continued commitment to TruGreen LandCare.

ELIGIBILITY

Eligibility for employees and dependents is defined as follows:

EMPLOYEES

- Regular, Full Time employees who are scheduled to work 30 or more hours per week. [Laborers, Seasonal, Temporary, and Part Time (scheduled to work less than 30 hours per week) employees are not eligible.]

While not all employees are eligible for the full benefits package, Laborers, Seasonal, Temporary, and Part Time (scheduled to work less than 30 hours per week) employees are eligible for a select set of benefits. Please refer to the sections in this Benefits Guide that indicate that all employees are eligible to identify that select set of benefits.

DEPENDENTS

- Your legal spouse, unless eligible for health benefits through his/her employer
- Your dependent children to age 26. Children include natural children, stepchildren, foster children, adopted children, children placed for adoption, and children the employee is legally obligated to support.

Special Dependent Eligibility Rule for CA Employees only for Medical, Dental, and Vision:

- Your registered domestic partner, unless eligible for health benefits through his/her employer. A registered domestic partner must have a Certificate of Registration of Domestic Partnership from the state of CA.
- Dependent children of your registered domestic partner to age 26.

Beginning in 2014, if you add a dependent to your benefits, you will be required to provide proof (e.g. marriage certificate, birth certificate) that your dependent meets the eligibility requirements to be covered under the benefit plans. If you are unable to provide proof of eligibility, the dependent will not be added to your coverage. In addition, during 2014, TruGreen LandCare will conduct a dependent eligibility audit. We will ask all employees with dependents to provide proof that each enrolled dependent meets the eligibility requirements under the benefit plans. If during this audit, you are unable to provide proof of eligibility, the ineligible dependent will be removed from the plan. Please note that you may be required to reimburse TruGreen LandCare for any claims paid on behalf of the ineligible dependent for the period for which your dependent was ineligible. Please refer to the Summary Plan Description for additional information on dependent eligibility.

BENEFIT ELECTIONS OR CHANGES

Generally, benefit elections or changes can only be made at specific times during the plan year. These times include at the time of hire/rehire, open enrollment, becoming newly eligible for benefits, or due to a qualifying event.

NEW HIRES/REHIRES

If eligible, you must enroll in your benefits by the day prior to the first of the month coincident with or following 60 days of employment. After this initial opportunity, you can only enroll in or make changes to your benefits during certain times, such as due to a qualifying event or open enrollment. Each benefit has a waiting period. Therefore, your benefits effective dates vary for each benefit. Please refer to the chart below for the effective dates.

New Hires/Rehires Eligibility	
Plan	Eligibility Effective Dates
Medical, Dental, Vision, Health Savings Account, Health Care FSA, Dependent Care FSA	1st of the month coincident with or following 60 days of employment
Basic Life, Voluntary Life, Dependent Life, AD&D, Legal	1st of the month coincident with or following 3 months of employment
STD, LTD	On the date following completion of 12 consecutive months of employment

For example, an employee with a hire date of March 1, 2014, Medical, Health Savings Account, Dental, Vision, Health Care FSA, and Dependent Care FSA will be effective on May 1, 2014; Basic Employee Life, Voluntary Employee Life, Dependent Life, AD&D, and Legal Services will be effective on June 1, 2014; and Short Term Disability and Long Term Disability will be on March 1, 2015. Please refer to the Summary Plan Description for additional information.

NEWLY ELIGIBLE

When you become newly eligible for benefits, you must enroll within 30 days of the date that you become eligible for benefits. Most benefits become effective on the first of the month following the date of the event (e.g. Part Time to Full Time, job code/title change, seasonal to non-seasonal) as long as you have met the new hire/rehire waiting period. Each benefit has a waiting period. Therefore, your benefits effective dates vary for each benefit. Please refer to the chart below for the effective dates.

Newly Eligible	
Plan	Eligibility Effective Dates
Medical, Dental, Vision, Health Savings Account, Health Care FSA, Dependent Care FSA	1st of the month coincident with or following the event date
Basic Life, Voluntary Life, Dependent Life, AD&D, Legal	1st of the month coincident with or following the event date
STD, LTD	On the date following completion of 12 consecutive months of employment, including any time worked as ineligible

For example, an employee who is promoted to a benefits eligible position on March 1, 2014, Medical, Health Savings Account, Dental, Vision, Health Care FSA, and Dependent Care FSA, Basic Employee Life, Voluntary Employee Life, Dependent Life, AD&D, and Legal Services will be effective on April 1, 2014; and Short Term Disability and Long Term Disability will begin on the date following completion of 12 months of consecutive employment. Time worked in an ineligible class counts toward the 12 consecutive months. Please refer to the Summary Plan Description for additional information.

ANNUAL OPEN ENROLLMENT

Eligible employees may make changes during open enrollment. Open enrollment typically takes place in November each year. Generally, benefits elected during open enrollment become effective on January 1. **Open Enrollment for the 2014 plan year will be from November 12, 2013 through November 21, 2013 at 12:00 midnight, ET.**

QUALIFYING EVENTS

If you experience a qualifying event during the year, you may be permitted to make changes to your benefits as long as the changes requested are consistent with the qualifying event. You have 31 days from the date of the event to elect your benefits.

Qualifying events, as defined by the IRS, include, but are not limited to, the events listed below.

- Birth or adoption
- Marriage
- Divorce or legal separation
- Increase or decrease in work hours, e.g. part-time to full-time or vice versa
- Dependent gains or loses eligibility for coverage
- Dependent gains or loses coverage under another plan
- Gain or loss in eligibility for Medicare or Medicaid
- Significant change in cost of dependent care services for Dependent Care FSA

Benefits become effective on the first of the month following or coincident with the qualifying event, unless the qualifying event is a birth or adoption. If a birth or adoption occurs, benefit elections will become effective on the date of the birth or adoption. Please refer to the chart below for the effective dates.

Qualifying Events	
Plan	Eligibility Effective Dates
Medical, Dental, Vision, Health Savings Account, Health Care FSA, Dependent Care FSA	1st of the month coincident with or following the event date
Basic Life	n/a
Voluntary Life, Dependent Life, AD&D, Legal	1st of the month coincident with or following the event date
STD, LTD	n/a

For example, if an employee gets married on March 1, 2014, benefits become effective on April 1, 2014. Please refer to the Summary Plan Description for additional information.

PAYING FOR YOUR BENEFITS

If you are an hourly employee and are paid weekly, you pay for your benefits on a weekly basis with premiums based on 52 pay periods in the year. If you are a salaried employee and are paid semimonthly, you pay for your benefits on a semimonthly basis with premiums based on 24 pay periods in the year. Premiums are either paid on a pre-tax basis or on an after-tax basis depending on the benefit. You should review your paycheck carefully each pay period to ensure that your deductions are correct based on your benefit elections. The premiums for each benefit are listed in each section in this Benefits Guide.

If you happen to enroll after your benefits become effective, you will need to pay for the premiums retroactive to the effective date. Your deductions will be doubled in each paycheck until the balance is paid. In addition, if you do not work and are not paid, or do not have sufficient funds in your paycheck to cover your deductions, your deduction amounts go into a deduction balance amount called deductions in arrears. Once you return to work and have sufficient funds, your current benefit deductions will be doubled in each paycheck until the balance is paid. This outstanding deduction balance will be displayed on your paycheck. If you are no longer enrolled in a benefit, but have a balance due, you will be required to pay the entire balance immediately.

MEDICAL/RX INSURANCE

TruGreen LandCare offers two (2) medical plans to eligible employees through BlueCross BlueShield of Tennessee (BCBST): Smart Saver Medical Plan and Choice PPO Medical Plan. The main purpose of these medical plans is to provide preventive care services that can help you stay healthy, to treat minor illnesses and injuries, and to protect your finances against the high costs of treating a serious medical condition. The BCBST medical plans contract with a broad network of doctors, hospitals, and other facilities to offer discounted rates. Please refer to the Summary Plan Description for additional information.

You may choose from the two (2) medical options through BCBST, whichever one best meets your needs and the needs of your family, or you may choose to waive medical coverage. You may also research your options through the Health Insurance Marketplace at www.HealthCare.gov for medical coverage or premium assistance. In addition, you may be eligible for coverage or premium assistance through your state Medicaid/CHIP program and find that one of those options may be more affordable and better meet the needs of you and your family. See information in this Benefits Guide for additional details on these options.

Beginning in 2014, under the Affordable Care Act (ACA) individual mandate, most individuals (adults and children) may be required to have health coverage. Therefore, you and your dependents may be required to have health insurance beginning January 1, 2014. If you and your dependents do not have health insurance, you may have to pay a penalty when you file your taxes. For more information, please go to www.HealthCare.gov.

MEDICAL PLAN FEATURES

Under the medical plans, you have the freedom to choose any provider for your medical care. The amounts you and the plan pay depend on the plan option you choose, and whether you receive care from in-network or out-of-network providers. When you choose in-network providers, the plan pays a higher portion of costs and you pay a smaller amount. When you choose out-of-network providers, the plans usually pay a lower portion of costs and you pay a higher amount. When you use an out-of-network provider, you will have a significantly lower level of benefit and significantly higher out-of-pocket costs.

You can also reduce your out-of-pocket costs when you enroll in either a Health Savings Account (HSA) when you enroll in the Smart Saver Medical Plan or a Health Care Flexible Spending Account when you enroll in the Choice PPO Medical Plan or waive medical coverage. See information in this Benefits Guide for additional details on these options.

Deductible

The plans include plan year deductibles. The deductible is the amount you must pay each year before the plan starts paying for services. With the exception of office visit copays (if applicable), provider services, diagnostic procedures, hospital stay, and surgeries apply to your deductible. For those enrolled in family coverage, any individual may meet the single deductible before the plan start paying for benefits for that individual. See the Medical Plans Highlights chart for details.

Coinsurance

Once the plan year deductible is met, the plans pay a percent of the in- or out-of-network allowed benefit expense. See the Medical Plans Highlights chart for details.

Copay

A copayment (copay) is a fixed amount that is paid for a service, usually a provider's office visit. The Choice PPO Medical Plan includes copays for physician and specialist office visits and generic prescriptions. The Smart Saver Medical Plan does not include copays. See the Medical Plans Highlights chart for details.

Out-of-Pocket Maximum

An annual out-of-pocket maximum is the maximum amount that you will pay each plan year before the plan pays 100% of the allowed benefit. The maximum includes your deductibles, coinsurance, and copays. This maximum does not include your premiums, amounts over the allowed benefit, or expenses that are not covered by the plan. See the Medical Plans Highlights chart for details.

Preventive Care

The medical plans include coverage per plan year for preventive benefits, including annual physicals, immunizations, and screenings, in most cases at 100% for in-network services. See the Medical Plans Highlights chart for details. You can control your health care expenses by getting a check-up and working with your doctors to manage any conditions that you or your family members may have. You can prevent expensive treatment from ever happening and reduce your out-of-pocket costs. Here are a few of the preventive care services. Contact BCBST for additional information on covered services.

- Well Child Care (to age 6)
- Annual Well Woman Exam
- Annual Mammography Screening (40+)
- Annual Cervical Cancer Screening
- Well Care Services (ages 6+)
- Annual Prostate Cancer Screening (50+)
- Immunizations
- and many more...

Prescription Benefit

Both medical plans provide a prescription benefit for both in- and out-of-network pharmacies. Both plans provide a three-tier prescription benefit for generic, formulary, and non-formulary prescriptions. You can save money by using generic prescriptions so be sure to discuss your prescriptions with your doctor to see if a generic option is available.

Prescriptions expenses under the Smart Saver Medical Plan are applied to the medical plan deductibles and out-of-pocket maximums. The Choice PPO Medical plan expenses are applied to separate prescription deductibles and out-of-pocket maximums. All out-of-network prescriptions require that you pay the difference between the in-network benefit and the out-of-network costs. Therefore, your out-of-pocket costs will be significantly higher when you fill your prescription at an out-of-network pharmacy. See the Medical Plans Highlights chart for details. To find a participating pharmacy in your area, go to www.bcbst.com, click on the Learn About tab, go to Pharmacy, and look under the Resources section for the Plus90 Network link.

You can also save money by filling your prescriptions through the BCBST prescription mail order program and obtaining a 90-day supply. To learn more, log on to www.bcbst.com or call Customer Service at 1-800-565-9140.

Medical ID Cards

When you enroll in one of the medical plans, BCBST will mail you and your family members medical ID cards. Additional or replacement cards can be obtained by contacting BCBST directly by phone or by printing one online at www.bcbst.com.

Locating an in-network provider

To locate an in-network provider online, log on to www.bcbst.com, from there click on Find a Doctor or call Customer Service at 1-800-565-9140.

HEALTH SAVINGS ACCOUNT (HSA)

TruGreen LandCare provides eligible employees the opportunity to open a Health Savings Account through Wells Fargo Bank. A Health Savings Account (HSA) is a bank account that you own that allows you to set aside pre-tax dollars from your paycheck to pay for many of your health care expenses.

HEALTH SAVINGS ACCOUNT FEATURES

When you enroll in the Smart Saver Medical Plan, you have the opportunity to open a Health Savings Account. By paying for your out-of-pocket expenses with pre-tax dollars, you reduce the amount of your taxable income. In order to open a Health Savings Account, you must be enrolled in the Smart Saver Medical Plan. Employees enrolled in the Smart Saver Medical Plan cannot participate in the Health Care FSA. You will be required to complete a Health Savings Account Authorization Form to finalize your enrollment.

Contributions

Since enrolling in the Smart Saver Medical Plan offers you premium savings as compared to the Choice PPO plan, you should consider contributing the difference in the cost of the plans. Your take home pay will be the same as if you elected the other plan, but you will have the money in your Health Savings Account to use for expenses rather than on premium costs. In addition, you might want to consider contributing your annual deductible up to the annual maximums listed below.

- The minimum annual contribution through pre-tax payroll deduction is \$240.
- The IRS Limits for contributions to a Health Savings Account for 2014 are \$3,300 for an individual and \$6,550 for a family.
- The IRS allows employees age 55 or older to contribute an additional \$1,000 for catch up contributions.

The funds in your account will roll over annually and earn interest tax free. You will not lose your funds at the end of each plan year. Since the account belongs to you, it is portable and available to you even after you leave TruGreen LandCare.

Debit Card

When you enroll in a Health Savings Account, Wells Fargo Bank will provide you with a debit card. The debit card gives you an easy, automatic way to pay for qualified health care expenses. Funds on your debit card are only available once a contribution has been made to the account. It is important that you save all itemized receipts. With a Health Savings Account, the IRS does not require that the claims be substantiated, but they do require you have this information in the event that they audit your account.

Eligible Expenses

Some examples of eligible qualified health care expenses include:

- Deductibles and coinsurance not covered under the Smart Saver Medical Plan
- Prescriptions not covered under the Smart Saver Medical Plan
- Dental expenses, including deductibles, coinsurance and copays not covered under the dental plans
- Vision expenses, including contact lenses, eye exams and eyeglasses
- Certain over-the-counter medications, if prescribed by a physician

Additional information on Health Savings Accounts is available from Wells Fargo Bank at www.wellsfargo.com/hsa or (866) 884-7374.

DENTAL BENEFITS

TruGreen LandCare offers three (3) dental options for eligible employees to choose from: a Base PPO, a Buy-Up PPO, and a Dental HMO (DHMO).

The plans encourage regular checkups and preventive treatment. The dental plans contract with a network of providers who offer discounted rates. Please refer to the Summary Plan Description for additional information.

PPO PLAN FEATURES

MetLife is the insurance company for the Dental Base PPO and Dental Buy-Up PPO plans.

HEALTH CARE AND DEPENDENT DAY CARE FLEXIBLE SPENDING ACCOUNTS

TruGreen LandCare offers two types of Flexible Spending Accounts (FSAs) to eligible employees administered through Discovery Benefits: Health Care FSA and Dependent Day Care FSA. FSAs let you set aside pre-tax dollars from your paycheck to pay for many health care and dependent day care expenses. Please refer to the Summary Plan Description for additional information.

HEALTH CARE FSA FEATURES

The Health Care FSA allows you set aside pre-tax dollars from your paycheck to pay or be reimbursed for many health care expenses. The Health Care FSA is a "use it or lose it" account, which means that funds remaining in your account at the end of the plan year will be forfeited. You cannot transfer money from one FSA to another. You cannot claim expenses that are reimbursed through your Health Care FSA as a deduction on your income tax return. Employees enrolled in the Smart Saver Medical Plan cannot participate in the Health Care FSA. If you enroll in an FSA, you must reenroll in your FSA each year during open enrollment if you want to continue your contributions.

Contributions

If eligible, you may make contributions to the Health Care FSA up to the annual IRS maximum listed below. The plan year for the Health Care FSA ends on December 31 of each year; however, expenses may be incurred through March 15th of the following calendar year. For example, claims submitted for the 2014 plan year Health Care FSA can contain expenses incurred up to March 15, 2015. You cannot begin, stop, or change the amount of your Health Care FSA contributions during the calendar year unless you experience a qualifying event (e.g. marriage, divorce, birth, etc.). For additional information, please refer to the Summary Plan Description.

- **The 2014 annual minimum contribution to the Health Care FSA is \$120.**
- **The 2014 annual maximum contribution to the Health Care FSA is \$2,500.**

You have until March 15, 2015 to use the funds in your 2014 account. Make sure you use your funds and submit all your expenses by May 31, 2015 for reimbursement. 2014 funds remaining in your FSA on May 31, 2015 will be forfeited.

If your employment ends and you are enrolled in the health plans, you will be given the option to elect COBRA. If you have funds remaining in your Health Care FSA, by electing COBRA you will be able to continue using your funds by continuing contributions on an after-tax basis through the end of the plan year. If you do not elect COBRA and do not elect to continue your Health Care FSA, you will forfeit the remaining funds in your account. See the COBRA section in this Benefits Guide for additional information on COBRA.

Debit Card

- The debit card from Discovery Benefits is a VISA® card that gives you an easy, automatic way to pay for your qualified health care expenses.
- It's important that you save all itemized receipts. The IRS requires that all FSA reimbursements be substantiated. Discovery Benefits may request a copy of your itemized receipts to validate that the expense was eligible for reimbursement.

Eligible Expenses

Some examples of eligible expenses include:

- Deductibles, coinsurance, and copays not covered under the medical and dental plans
- Vision services, including contact lenses, eye exams, and eyeglasses
- Prescription copays and coinsurance
- Over the counter medications, if prescribed by a physician

DEPENDENT DAY CARE FSA FEATURES

The Health Care FSA allows you set aside pre-tax dollars from your paycheck to be reimbursed for many dependent day care expenses. The Dependent Day Care FSA is a "use it or lose it" account, which means that funds remaining in your account at the end of the plan year will be forfeited. You cannot transfer money from one FSA to another. You cannot claim expenses that are reimbursed through your Dependent Day Care FSA as a deduction on your income tax return. If you enroll in an FSA, you must reenroll in your FSA each year during open enrollment if you want to continue your contributions.

Contributions

If eligible, you may make contributions to the Dependent Day Care FSA up to the annual IRS maximum listed below. The plan year for the Dependent Day FSA ends on December 31 of each plan year. You cannot begin, stop, or change the amount of your Dependent Day Care FSA contributions during the calendar year unless you experience a qualifying event (e.g. marriage, divorce, birth, etc.). However, if you experience a significant increase or decrease in the cost of your dependent day care expenses during the calendar year, you may change your Dependent Day Care FSA contributions. For additional information, please refer to the Summary Plan Description.

- **The 2014 annual minimum contribution to the Dependent Day Care FSA is \$120.**
- **The 2014 annual maximum contribution to the Dependent Day Care FSA is \$5,000.**

Make sure you use your 2014 funds by December 31, 2014 and submit all your expenses by May 31, 2015 for reimbursement. 2014 funds remaining in your FSA on May 31, 2015 will be forfeited.

Some examples of eligible expenses include:

- Child day care expenses for children under 13

LIFE INSURANCE BENEFICIARIES

When you enroll in your life insurance through the TruGreen LandCare Benefits Enrollment Portal or the TruGreen LandCare Benefits Service Center, be sure to designate a beneficiary for your life insurance. If you have been married or divorced or had a baby since the last time you updated your beneficiaries you should review your beneficiaries. Even if you are not making any changes to your benefit elections, you should review and update your life insurance beneficiaries.

VOLUNTARY DEPENDENT LIFE INSURANCE

TruGreen LandCare provides eligible employees with the opportunity to elect dependent life insurance through Lincoln Financial Group. Dependent Life insurance covers your spouse and/or children and pays a benefit to you if a covered dependent dies.

VOLUNTARY DEPENDENT LIFE INSURANCES FEATURES

Dependent life insurance is optional. You pay the full cost of any coverage you elect. You are automatically the beneficiary for any dependent coverage. You may choose from the five (5) coverage amounts listed in the table below. The maximum coverage amount for your spouse is \$100,000. The maximum coverage amount for your children is \$25,000 per child. No dependent can have a coverage amount that is more than 100% of your basic and voluntary employee life insurance combined.

If you do not enroll when you are first eligible, and decide to enroll later, you can only choose coverage for your spouse and/or children of \$15,000 and \$2,000 respectively. In addition, you can only increase your coverage amount by one (1) level during each annual open enrollment. Evidence of insurability (EOI) is required for both \$75,000 and \$100,000 amounts of spouse dependent life insurance. If EOI is not completed as required, your spouse will automatically be covered at \$50,000 level, which is the highest coverage amount that does not require EOI.

If your spouse or child also works for TruGreen LandCare and is eligible for basic employee life insurance, you may cover that dependent under the dependent life insurance program. In addition, if you and your spouse are both employees, you both may cover your children as dependents. Please refer to the Summary Plan Description for additional information.

VOLUNTARY ACCIDENTAL DEATH AND DISMEMBERMENT INSURANCE

TruGreen LandCare provides eligible employees with the opportunity to elect accidental death and dismemberment (AD&D) insurance through Lincoln Financial Group.

AD&D INSURANCE FEATURES

Accidental death and dismemberment insurance pays a benefit in the event of certain serious injuries or death due to an accident. You can elect coverage for yourself, your spouse, and/or your children. You must elect coverage for yourself before you can cover your dependents. You are automatically the beneficiary for any benefits paid if a covered dependent dies.

COVERAGE AMOUNTS

You can choose coverage for yourself from \$20,000 to \$100,000 in multiples of \$10,000, or from \$150,000 to \$750,000 in multiples of \$50,000. Please see the table below. The maximum amount of coverage for you is the lesser of 10 times your annual earnings or \$750,000. Your spouse's coverage is 60% of your coverage. Maximum coverage for your spouse is \$450,000. Each child's coverage is 30% of your coverage. Maximum coverage per child is \$25,000.

WHEN BENEFITS ARE PAID

AD&D coverage pays a benefit only if death or certain serious injuries occur as the result of an accident. Death must occur within 365 days of the accident. Injury sustained in the accident must result in one covered loss or more within 365 days of the accident. The accident must occur while you or your dependent is covered under the plan.

TruGreen LandCare provides short term disability insurance at no cost to eligible employees through Lincoln Financial Group. Short Term Disability provides a benefit if you are unable to work because of a non-work related illness or injury.

SHORT TERM DISABILITY FEATURES

Your coverage under the short term disability program becomes effective on the first day of the month following completion of 12 consecutive months of full time employment. For employees who transition from ineligible to eligible, any time worked as ineligible will count toward the 12 consecutive month waiting period. The short term disability provides a benefit as a percent of your base salary depending on your length of service with TruGreen LandCare. The short term disability benefit pays 60% of your earnings for 1-5 years of service or 80% of your earnings for 6+ years of service up to \$15,000 per month. Your payments may be reduced by deductible sources of income such as social security benefits and other sources of disability earnings. Your earnings for your short term disability are based on your annual base salary as of October 25 each year or your date of hire, whichever is later.

If Lincoln determines that you are eligible for short term disability payments, benefits begin on the eighth (8th) calendar day of disability for illness or injury and may continue for up to 13 weeks. Absences due to maternity may begin on the first (1st) calendar day. Please refer to the Summary Plan Description for additional information.

Your payments may be reduced by deductible sources of income such as social security benefits and other sources of disability earnings.

If Lincoln determines that you are eligible for long term disability payments, benefits begin after 90 calendar day of disability for illness or injury. 401(K) PLAN FEATURES

Automatic Enrollment

As a new hire, you will be automatically enrolled in the 401(k) Plan at a deferral rate of 3% of your eligible pay, unless you decline participation prior to your eligibility date, which is the first of the month following your first 90 days of employment. ADDITIONAL INFORMATION

Prudential will mail you a Retirement Workbook within your first 90 days of employment to the address you provided to TruGreen LandCare. Please review this Retirement Workbook carefully.

In addition, please review the TruGreen LandCare LLC 401(k) Plan required Notices for additional information about the Plan. Please refer to the Summary Plan Description for additional information.

TERMINATION OF EMPLOYMENT

When you leave the company due to layoff, termination, or retirement, your contributions will end in your last paycheck that includes eligible earnings. Below are the rollover/distribution options if you are a participant at the time you leave the company.

Distribution Options

Approximately 30 days after you leave employment with TruGreen LandCare, Prudential will mail you a distribution package to your address on file. This will provide you with information about your various account distribution options and the applicable tax implications. At the time you leave the company, you may instruct Prudential to rollover your vested account balance to another qualified employer retirement plan or individual retirement account (IRA) or you may initiate a taxable distribution payable to you.

If your vested account balance in the 401(k) plan is less than \$5,000 the account balance will be distributed automatically from the plan. Automatic distributions occur on a quarterly basis. Approximately 30 days before the scheduled automatic distribution date, Prudential will send a letter to you notifying you of the upcoming required distribution. If no response is received by the expiration of the response period and your account balance is between \$1,000 and \$5,000, the account will automatically be rolled over to a new IRA established at Prudential and placed in a money market type investment. If no response is received by the expiration of the response period and your account balance is less than \$1,000, the account will be paid as a taxable distribution directly to you via check. If your vested account balance in the 401(k) plan is \$5,000 or greater, you may keep your balance in the plan until such time as you must start receiving required minimum distributions from your account (currently age 70 ½ under IRS rules). For all rollovers and account distributions, Prudential will send you a Form 1099-R in January of the year following the distribution. The Form 1099-R should be used to complete required tax return filings. For more information about 401(k) plan distribution options, you may contact the Prudential at 877-778-2100.

Loans

At the time you leave the company, you have the option to repay an outstanding 401(k) loan balance, if applicable, in full by the last day of the quarter following the quarter during which your date of termination occurred. If you do not repay the outstanding loan balance in full, the amount will be deemed a distribution to you and will be considered a taxable event during the year it is processed. You will subsequently be required to report the loan as income and pay appropriate taxes as necessary. Prudential will send you a Form 1099-R in January of the year following the deemed distribution. The Form 1099-R should be used to complete required tax filings. For more information about repaying an outstanding loan balance in full, you may contact the Prudential at 877-778-2100.

COBRA (AND OTHER BENEFITS AFTER YOU TERMINATE EMPLOYMENT)

MEDICAL, DENTAL, VISION, AND HEALTH CARE SPENDING ACCOUNT COVERAGE

COBRA coverage is a temporary continuation of health care coverage when it otherwise would end because of a life event known as a qualifying event, such as termination of employment.

If your employment ends, or you or your dependents lose eligibility under the plan, your coverage will end on your termination date, or date of loss of eligibility. You or your dependent will be given the option to elect COBRA to continue your elected medical, dental, vision, and Health Care Flexible Spending Account benefits. Once a COBRA event occurs, Discovery Benefits, our COBRA Administrator, will mail you a COBRA continuation notice and a COBRA election notice within 14 days after receiving notice of your termination from service. You will also be sent a Certification of Group Health Plan Coverage (HIPAA Certificate). This information will be sent to the last address that you provided to TruGreen LandCare. You may call Discovery Benefits at (866) 451-3399 for questions or to make elections.

Please note that if you have remaining funds in your Health Care FSA, by electing COBRA you will be able to continue using your funds as well as continue contributing on an after-tax basis your monthly elected amount through the end of the plan year. If you do not elect COBRA and do not elect to continue your Health Care FSA, you will forfeit the remaining funds in your account.

IMPORTANT NOTICES

IMPORTANT NOTICE FROM TRUGREEN LANDCARE ABOUT YOUR PRESCRIPTION DRUG COVERAGE AND MEDICARE

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with TruGreen LandCare and about your options under Medicare's prescription drug coverage. This information can help you decide whether you want to join a Medicare drug plan. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

If neither you nor any of your covered dependents are eligible for or have Medicare, this notice does not apply to you or your dependents, as the case may be. However, you should still keep a copy of this notice in the event you or a dependent should qualify for coverage under Medicare in the future. Please note, however, that later notices might supersede this notice.

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. TruGreen LandCare has determined that the prescription drug coverage offered by the TruGreen LandCare Employee Health Care Plan ("Plan") is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is considered "creditable" prescription drug coverage. This is important for the reasons described below.

Because your existing coverage is, on average, at least as good as standard Medicare prescription drug coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to enroll in a Medicare drug plan, as long as you later enroll within specific time periods.

Enrolling in Medicare—General Rules

As some background, you can join a Medicare drug plan when you first become eligible for Medicare. If you qualify for Medicare due to age, you may enroll in a Medicare drug plan during a seven-month initial enrollment period. That period begins three months prior to your 65th birthday, includes the month you turn 65, and continues for the ensuing three months. If you qualify for Medicare due to disability or end-stage renal disease, your initial Medicare Part D enrollment period depends on the date your disability or treatment began. For more information you should contact Medicare at the telephone number or web address listed below.

Late Enrollment and the Late Enrollment Penalty

If you decide to wait to enroll in a Medicare drug plan you may enroll later, during Medicare Part D's annual enrollment period, which runs each year from October 15 through December 7. But as a general rule, if you delay your enrollment in Medicare Part D, after first becoming eligible to enroll, you may have to pay a higher premium (a penalty).

If after your initial Medicare Part D enrollment period you go **63 continuous days or longer without "creditable" prescription drug coverage** (that is, prescription drug coverage that's at least as good as Medicare's prescription drug coverage), your monthly Part D premium may go up by at least 1 percent of the premium you would have paid had you enrolled timely, for every month that you did not have creditable coverage.

For example, if after your Medicare Part D initial enrollment period you go 19 months without coverage, your premium may be at least 19 percent higher than the premium you otherwise would have paid. You may have to pay this higher premium for as long as you have Medicare prescription drug coverage. However, there are some important exceptions to the late enrollment penalty.

Special Enrollment Period Exceptions to the Late Enrollment Penalty

There are "special enrollment periods" that allow you to add Medicare Part D coverage months or even years after you first became eligible to do so, without a penalty. For example, if after your Medicare Part D initial enrollment period you lose or decide to leave employer-sponsored or union-sponsored health coverage that includes "creditable" prescription drug coverage, you will be eligible to join a Medicare drug plan at that time.

In addition, if you otherwise lose other creditable prescription drug coverage (such as under an individual policy) through no fault of your own, you will be able to join a Medicare drug plan, again without penalty. These special enrollment periods end two months after the month in which your other coverage ends.

Compare Coverage

You should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. See the Plan's summary plan description for a summary of the Plan's prescription drug coverage. If you don't have a copy, you can get one by contacting us at the telephone number or address listed below.

Coordinating Other Coverage With Medicare Part D

Generally speaking, if you decide to join a Medicare drug plan while covered under the TruGreen LandCare Plan due to your employment (or someone else's employment, such as a spouse or parent); your coverage under the TruGreen LandCare Plan will not be affected. For most persons covered under the Plan, the Plan will pay prescription drug benefits first, and Medicare will determine its payments second. For more information about this issue of what program pays first and what program pays second, see the Plan's summary plan description or contact Medicare at the telephone number or web address listed below.

If you do decide to join a Medicare drug plan and drop your TruGreen LandCare prescription drug coverage, be aware that you and your dependents may not be able to get this coverage back. To regain coverage you would have to re-enroll in the Plan, pursuant to the Plan's eligibility and enrollment rules. You should review the Plan's summary plan description to determine if and when you are allowed to add coverage.

For More Information About This Notice or Your Current Prescription Drug Coverage

Contact the person listed below for further information, or call (866) 900-3062. NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through TruGreen LandCare changes. You also may request a copy.

For More Information About Your Options Under Medicare Prescription Drug Coverage

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and whether or not you are required to pay a higher premium (a penalty).

NOTICE OF RIGHT TO DESIGNATE PRIMARY CARE PROVIDER AND OF NO OBLIGATION FOR PRE-AUTHORIZATION FOR OB/GYN CARE

You do not need prior authorization from TruGreen LandCare Employee Health Care Plan or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior

authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact the BCBST at (800) 565-9140.

NOTICE OF SPECIAL ENROLLMENT RIGHTS

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to later enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage).

Loss of eligibility includes but is not limited to:

- Loss of eligibility for coverage as a result of ceasing to meet the plan's eligibility requirements (i.e., legal separation, divorce, cessation of dependent status, death of an employee, termination of employment, reduction in the number of hours of employment);
- Loss of HMO coverage because the person no longer resides or works in the HMO service area and no other coverage option is available through the HMO plan sponsor;
- Elimination of the coverage option a person was enrolled in, and another option is not offered in its place;
- Failing to return from an FMLA leave of absence; and
- Loss of coverage under Medicaid or the Children's Health Insurance Program (CHIP).

Unless the event giving rise to your special enrollment right is a loss of coverage under Medicaid or CHIP, you must request enrollment within 31 days after your or your dependent's(s') other coverage ends (or after the employer that sponsors that coverage stops contributing toward the coverage).

If the event giving rise to your special enrollment right is a loss of coverage under Medicaid or CHIP, you may request enrollment under this plan within **60 days** of the date you or your dependent(s) lose such coverage under Medicaid or CHIP. Similarly, if you or your dependent(s) become eligible for a state-granted premium subsidy toward this plan, you may request enrollment under this plan within **60 days** after the date Medicaid or CHIP determine that you or the dependent(s) qualify for the subsidy.

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 31 days after the marriage, birth, adoption, or placement for adoption.

To request special enrollment or obtain more information, contact: TruGreen LandCare Benefits Service Center number is (866) 900-3062.

HEALTH INSURANCE MARKETPLACE NOTICE

New Health Insurance Marketplace Coverage Options and Your Health Coverage

PART A: General Information

When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.¹

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution - as well as your employee contribution to employer-offered coverage - is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact TruGreen LandCare Benefits Service Center at (866) 900-3062.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit www.HealthCare.gov for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

¹ An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

PART B: Information About Health Coverage Offered by Your Employer

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

3. Employer name TruGreen LandCare, LLC		4. Employer Identification Number (EIN) 36-4313318	
5. Employer address 9416 Doctor Perry Rd		6. Employer phone number (301) 874-3300	
7. City Ijamsville	8. State MD	9. ZIP code 21754	
10. Who can we contact about employee health coverage at this job? TruGreen LandCare Benefits Service Center			
11. Phone number (if different than above) (866) 900-3062		12. Email address	

Here is some basic information about health coverage offered by this employer:

- As your employer, we offer a health plan to:
 - All employees.
 - Some employees. Eligible employees are:
 - ✧ Regular, Full-Time Employees (except Laborers and Seasonal Employees) scheduled to work 30 or more hours per week
- With respect to dependents:
 - We do offer coverage. Eligible dependents are:
 - ✧ Legal Spouses and dependent children to age 26. In CA only, eligible dependents include registered domestic partners and their dependent children to age 26.
 - We do not offer coverage.
- If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

**Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

MEDICAID

Medicaid is a federal and state-funded program that provides medical and health-related services to certain low-income individuals. If your income is at or below 133% of the federal poverty level, you may be eligible for Medicaid.

For additional information on Medicaid eligibility and enrollment, you should contact your State Medicaid office or visit www.healthcare.gov and search for Medicaid. See the chart below for contact information. You may also contact the TruGreen LandCare Benefits Service Center for additional information.

PREMIUM ASSISTANCE UNDER MEDICAID AND THE CHILDREN'S HEALTH INSURANCE PROGRAM (CHIP)

If you or your children are eligible for Medicaid or CHIP and you are eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage. These states use funds from their Medicaid or CHIP programs to help people who are eligible for these programs, but also have access to health insurance through their employer. If you or your children are not eligible for Medicaid or CHIP, you will not be eligible for these premium assistance programs.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a state listed below, you can contact your state Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, you can contact your state Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, you can ask the state if it has a program that might help you pay the premiums for an employer-sponsored plan.

Once it is determined that you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must permit you to enroll in your employer plan if you are not already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, you can contact the Department of Labor electronically at www.askebsa.dol.gov or by calling toll-free 1-866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2013. You should contact your state for further information on eligibility—

INSTRUCTIONS

The contractor selected through this RFP process will be required to comply with State and Federal labor regulations and record keeping requirements. The objective of this questionnaire is to determine the appropriateness, scope, and suitability of the procedures the Proposer uses and the internal controls in place to ensure compliance with State and Federal labor regulations and record keeping requirements. In order to appropriately evaluate this area (Part I, Section 4.D, Evaluation Criteria), it is critical that the Proposer submit a detailed description of the processes and the steps associated with those processes.

Answer all questions thoroughly and in the same sequence as provided below. If a question is not applicable, indicate with "N/A" and explain why such question is not applicable. Provide additional details to ensure a clear picture of the Proposer's processes and controls. As used in this questionnaire, the term Proposer includes the business entity that will provide the proposed services. Attach an actual sample copy of timesheet, paycheck, and pay stub.

THIRD: The COUNTY agrees, in consideration of satisfactory performance of the foregoing services in strict accordance with the Contract specifications to the satisfaction of the Director of Public Works, to pay the CONTRACTOR pursuant to the Schedule of Prices set forth in the Proposal and attached hereto as Form PW-2, an amount not to exceed \$126,530 per year or such greater amount as the Board may approve (Maximum Contract Sum).

FOURTH: This Contract's initial term shall be for a period of one year commencing on March 1, 2015, or upon Board approval, whichever occurs last. The COUNTY shall have the sole option to renew this Contract term for up to four additional one-year periods and six month-to-month extensions, for a maximum total Contract term of five years and six months. Each such option and renewal shall be exercised at the sole discretion of the COUNTY. The COUNTY, acting through the Director, may give a written notice of intent to renew this Contract at least ten days prior to the end of each term. At the sole discretion of the COUNTY, in lieu of renewing the Contract for the full one year, this Contract may be renewed on a month-to-month basis, upon written notice to the CONTRACTOR at least ten days prior to the end of a term. The Director will provide a written notice of nonrenewal at least ten days before the last day of any term, in which case this Contract shall expire as

EIGHTH: The CONTRACTOR understands and agrees that only the designated Public Works Contract Manager is authorized to request or order work under this Contract. The CONTRACTOR acknowledges that the designated Contract Manager is not authorized to request or order any work that would result in the CONTRACTOR earning an aggregate compensation in excess of this Contract's Maximum Contract Sum.

NINTH: The CONTRACTOR shall not perform or accept work requests from the Contract Manager or any other person that will cause the Maximum Contract Sum of this Contract to be exceeded. The CONTRACTOR shall monitor the balance of this Contract's Maximum Contract Sum. When the total of the CONTRACTOR'S paid invoices, invoices pending payment, invoices yet to be submitted, and ordered services reaches 75 percent of the Maximum Contract Sum, the CONTRACTOR shall immediately notify the Contract Manager in writing. The CONTRACTOR shall send written notification to the Contract Manager when this Contract is within six months from expiration of the term as provided for hereinabove.

- d. Mow turf species to appropriate height. Mowing heights may vary according to use parameters such as for special events and conditions. In general, cutting height shall be 2- to 3-inches high.

In such a case, keep the turf edges trimmed low adjacent to sprinklers to provide optimum water coverage. Likewise, keep turf adjacent to valve

boxes, meter boxes, backflow devices, and other equipment and obstacles at the same height as the surrounding turf.

 - Hand or mechanical removal
 - Cultivation
 - Chemical Eradication (Refer to Section S, Use of Chemicals)
 - Mulching
- d. Not perform chemical eradication without first receiving permission from the Contract Manager.
- e. Maintain, in a weed-free condition, developed areas of a facility that have become denuded.

- f. Leave in a natural state, designated areas by County of a facility so that the plants' root systems are utilized to stabilize the soil. However, such areas may occasionally need to be mowed or otherwise controlled to a given height for appearance or fire suppression reasons.

- a. Inspect and pick up litter thoroughly and completely to ensure a neat appearance in all areas being maintained by removing paper, nondecorative rocks, glass, trash, siltation, erosion and other accumulated debris and undesirable materials.
- b. Perform litter control operations along, but not limited to, turf, walkways, adjacent roadway gutters, service roads, between and around planted areas, steps, planters, drains, areas on slopes from the toe or top of slope to 10 feet up or down the slope adjacent to developed areas, and catch basins.
- c. At sites with trash containers for the general public, remove all trash from containers at least once per week. Complete trash pickup before the end of the workday.

5. Raking

- a. The Contractor shall remove accumulation of leaves from all landscaped areas including beds, planters, turf, and areas under trees.
- b. During leaf drop periods (autumn through winter), when there is an abundance of fallen leaves, mowing leaves on turf areas is not permitted. Contractor shall rake and pick up leaves from turf before commencing mowing operations.

6. Shrub/Hedge/Tree Pruning and Trimming

- a. General
 - i. Prune all plant materials where necessary to maintain access and safe vehicular and pedestrian visibility and clearance and to prevent or eliminate hazardous situations.

- ii. Trim all designated formal plant materials to maintain formal hedges and topiary work.
- iii. Remove all dead shrubs.
- iv. Remove all dead, diseased, unsightly branches, vines, or other growth as they develop. All groundcover shall be pruned to maintain a neat edge along planter box walls.
- v. Prune any runners that start to climb buildings, shrubs, or trees.
- vi. Remove all pruned and/or trimmed plant material from site the same day.
- vii. Maintain pruned shrubs in a natural shape and proper size as a continuous and ongoing operation so plants will not develop stray or undesirable growth.
- viii. Use only hedge trimmers to trim shrubs and hedges. Under no circumstances shall hedge shears or lawn edge trimmers be used as a means of pruning or trimming.
- ix. Replace dead, missing, and unhealthy looking shrubs/plants to maintain full, even, and healthy looking planting beds. Contractor shall submit a proposal for replacement of shrubs to the Contract Manager before beginning installation. Shrubs shall not be replaced with different types except to create or maintain a consistency in design.
- x. Report all structural weaknesses to the Contract Manager, such as split crotch or limbs, diseased or decayed limbs, or severe damage.
- xi. Place special emphasis on public safety during pruning operations, particularly when adjacent to roadways.
- xii. Remove and dispose of all trimming and debris off-site at the end of each day's work at Contractor's expense.
- xiii. Remove and dispose off-site all trees, which are downed by either natural or unnatural causes. Where possible, stumps shall be removed to 12 inches below grade, wood chips removed, and backfilled with topsoil to grade.
- xiv. Do not "...take, possess, or needlessly destroy the nest eggs

of any bird..." in accordance with Fish and Game Code, Section 3503. In case of an accidental take, the Contractor shall contact the California Department of Fish and Game at (562) 590-5185.

- xv. Do not trim palm trees during the bird nesting season of March 15 through August 31, unless otherwise approved by the Contract Manager.
 - xvi. Prune trees as seasonally proper according to a certified arborist and/or a certified horticulturist.
- b. Trees - prune trees to maintain good tree health and structure to enhance the appearance and provide the proper vertical and horizontal clearances as follows:
- i. All trees shall be pruned to remove dead, crowded, rubbing, and/or hazardous limbs and branches.
 - ii. Cuts shall be made according to a certified arborist and/or a certified horticulturist's standards. Typically pruning cuts shall be perpendicular to the branch just outside of the raised branch bark collar.
 - iii. Trees shall be thinned to increase light and air penetration to the tree's crown and landscape below. Pruning shall provide an even distribution of foliage along large limbs and the lower portion of the crown. Do not remove an excessive amount of inner foliage and small branches. No more than a quarter of the tree's foliage may be removed at one time. Maintain at least half of the foliage on the lower two-thirds of the tree.
 - iv. Reducing cuts for clearance and to prevent encroachment onto private property shall be accomplished by pruning back leaders and branch terminals to lateral branches that are large enough to assume the terminal roles (at least one-third of the diameter of the limb being pruned).
 - v. Mature trees should be pruned only to remove dead or potentially hazardous limbs.
 - vi. Properly stake and tie trees as necessary. Tree ties shall be inspected at least once a year to prevent bark wounds caused by abrasion. Removal of tree stakes shall be considered as soon as possible to encourage tree

development.

- vii. Routinely inspect trees for insects and diseases. Approved chemical sprays shall be applied, if required, for the following insect and disease infections: aphids, mealy bugs, mites, snails, whiteflies, thrips, gophers, fungus diseases, etc.
 - viii. A certified arborist and/or a certified horticulturist shall conduct a site visit and provide a written report to the Contract Manager before and after any pruning of trees.
- c. Shrubs - prune shrubs to encourage healthy growth habits and shape in order to retain their natural form and proportionate size as follows:
- i. Restrict growth of shrubbery to area behind curbs and walkways within planter beds by trimming.
 - ii. Rapid healing of pruning wounds is dependent upon where the cut is made when removing limbs. Never leave short stubs. Some trees produce a corky ring of growth where a limb originates. The pruning cut shall be made toward the outside portion of the "collar." If a tree does not produce this characteristic "collar," then make the cut flush to the limb where it is growing.
 - iii. All limbs 12 inches or greater in diameter shall be undercut 12- to 18-inches from the limb's point of attachment to prevent splitting.
 - iv. All limbs shall be lowered to the ground using a method that prevents damage to the remaining limbs.

If the Contractor fails to provide and maintain these devices and services and Public Works is required to alleviate said condition, the total charges of labor, equipment and materials, including overhead and transportation, accrued by Public Works for such work will be deducted from any monies due the Contractor.

The excess costs to be deducted from payments to the Contractor by County will be presented to the Contractor by the Contract Manager prior to actual deduction to allow for explanations.

Q. Storage Facilities

Public Works will not provide storage facilities for the Contractor.

R. NonInterference

The Contractor is advised that due to the nature of this Contract, discarded hazardous waste may be encountered or created during the performance of this Contract. In the event an unknown substance or hazardous material is discovered, the Contractor shall immediately notify the Contract Manager. The Contractor shall NOT attempt to remove any hazardous waste or perform any type of hazardous waste remediation not included under the Scope of Work of this Contract, including identifying, containing, cleaning, moving, disposing, etc. The Contractor shall exercise extreme caution in the event unknown waste is encountered.

The County may perform periodic inspections of the work location(s) as determined necessary or requested by the Contract Manager.

Z. Project Safety Official

The Contractor shall designate in writing a Project Safety Official who shall be thoroughly familiar with the Contractor's Injury and Illness Prevention Program and Code of Safe Practices. The Contractor's Project Safety Official shall be available at all times to abate any potential safety hazards and shall have the authority and responsibility to shut down an operation, if necessary. Failure by the Contractor to provide the required Project Safety Official shall be grounds for Public Works to direct the cessation of all work activities and operations at no cost to Public Works until such time as the Contractor is in compliance.

AA. Performance Requirements and Liquidated Damages

1. Public Works will evaluate the Contractor's performance of this Contract's tasks and may assess liquidated damages if the tasks are not performed adequately.
2. The methods and standards by which Contractor's performance will be evaluated include, but are not limited to, review, sampling, and complaints.
3. Failure to perform contract work in accordance with these Specifications is considered unacceptable. Public Works may cite the Contractor for a discrepancy for any incident of failure to comply with these Specifications or other unacceptable performance. In the case of continuing discrepancies, Public Works may cite the Contractor for a separate discrepancy each day the discrepancy continues.
4. The Contractor shall immediately correct unacceptable performance, and shall explain in writing, within seven work days of the date of the discrepancy that caused the unacceptable performance, how and when the performance will be returned to acceptable levels and how the unacceptable performance will be prevented in the future. After considering the incident, the Contractor's statement and any history of unacceptable performance, the Contract Manager may excuse the incident or elect any remedy provided by this Contract.

5. In any case of the Contractor's failure to meet certain specified performance requirements, Public Works may, in lieu of other remedies provided by law or the Contract, assess liquidated damages in specified sums and deduct them from any regularly scheduled payment to the Contractor. However, neither the provision of a sum of liquidated damages for nonperformance or untimely or inadequate performance nor Public Works' acceptance of liquidated damages shall be construed to waive Public Works' right to reimbursement for damage to its property or indemnification against third-party claims.
6. The amounts of liquidated damages have been set in recognition of the following circumstances existing at the time of the formation of the Contract:
 - a. All of the time limits and acts required to be done by both parties are of the essence of the Contract.
 - b. The parties are both experienced in the performance of the Contract work.
 - c. The Contract contains a reasonable statement of the work to be performed in order that the expectations of the parties to the Contract are realized. The expectation of Public Works is that the work will be performed with due care in a workmanlike, competent, timely, and cost-efficient manner while the expectation of the Contractor is a realization of a profit through the ability to perform the Contract work in accordance with the terms and conditions of the Contract at the Proposal price.
 - d. The parties are not under any compulsion to contract.
 - e. The Contractor's acceptance of the assessment of liquidated damages against it for unsatisfactory and late performance is by agreement and willingness to be bound as part of the consideration being offered to Public Works for the award of the Contract.
 - f. The liquidated sums specified represent a fair approximation of the damages incurred by Public Works resulting from the Contractor's failure to meet the performance standard as to each item for which an amount of liquidated damages is specified.
7. The Contractor shall pay Public Works, or Public Works may withhold and deduct from monies due the Contractor, liquidated damages in the sum of \$500 for each consecutive calendar day that the Contractor fails to complete work within the time specified unless otherwise provided in this Contract, or approved by Contract Manager.

8. In addition to the above, Public Works may use Exhibit F, Performance Requirements Summary, to evaluate Contractor's performance and assess liquidated damages identified therein.

K. Consideration of Hiring GAIN and GROW Participants

1. Should Contractor require additional or replacement personnel after the effective date of this Contract, Contractor shall give consideration for any such employment openings to participants in County's Department of Public Social Services' Greater Avenues for Independence (GAIN) Program and General Relief Opportunity for Work (GROW) Program who meet Contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that Contractor will interview qualified candidates. County will refer GAIN and GROW participants by category to Contractor.
2. In the event that both laid-off County employees and GAIN and GROW participants are available for hiring, County employees shall be given first priority.

L. Contractor's Acknowledgment of County's Commitment to Child Support Enforcement

Contractor acknowledges that County places a high priority on the enforcement of child support laws and the apprehension of child support evaders. Contractor understands that it is County's policy to encourage all County Contractors to voluntarily post County's L.A.'s Most Wanted: Delinquent Parents poster in a prominent position at Contractor's place of business. County's Child Support Services Department will supply Contractor with the poster to be used.

M. Contractor's Charitable Activities Compliance

The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring Contractors to complete the Charitable Contributions Certification (Form PW-12), County seeks to ensure that all County Contractors which receive or raise charitable contributions comply with California

law in order to protect County and its taxpayers. A Contractor which receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination for default or debarment proceedings or both. (Los Angeles County Code Chapter 2.202)

N. Contractor's Warranty of Adherence to County's Child Support Compliance Program

1. Contractor acknowledges that County has established a goal of ensuring that all individuals who benefit financially from County through contracts are in compliance with their court-ordered child, family, and spousal support obligations in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.
2. As required by County's Child Support Compliance Program (Los Angeles County Code Chapter 2.200), and without limiting Contractor's duty under this Contract to comply with all applicable provisions of law, Contractor warrants that it is now in compliance and shall during the term of this Contract maintain compliance with the employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family, or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

O. Contractor Performance Evaluation/Corrective Action Measures

County or its agent will evaluate Contractor's performance under this Contract on not less than an annual basis. Such evaluation will include assessing Contractor's compliance with all this Contract's terms and conditions and performance standards. Contractor deficiencies which County determines are severe or continuing and that may place performance of this Contract in jeopardy, if not corrected, will be reported to the Board. The report will include improvement/corrective action measures taken by County and Contractor. If improvement does not occur consistent with the corrective action measures, County may suspend or terminate this Contract for default or impose other penalties as specified in this Contract.

P. Damage to County Facilities, Buildings, or Grounds

1. Contractor shall repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings, or grounds caused by Contractor or employees or agents of Contractor.

2. Such repairs shall be made immediately after Contractor has become aware of such damage, but in no event later than 30 days after the occurrence. If Contractor fails to make timely repairs, County may make any necessary repairs. All costs incurred by County, as determined by County, for such repairs shall be repaid by Contractor by cash payment upon demand. County may deduct from any payment otherwise due Contractor for costs incurred by County to make such repairs.

Q. Employment Eligibility Verification

1. Contractor warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all of its employees performing work under this Contract meet the citizenship or alien status requirements set forth in Federal and State statutes and regulations. Contractor shall obtain, from all covered employees performing services hereunder, all verification and other documentation of employment eligibility status required by Federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986 (P.L. 99-603), or as they currently exist and as they may be hereafter amended. Contractor shall retain all such documentation for all covered employees for the period prescribed by law.
2. Contractor shall indemnify, defend, and hold harmless, the County of Los Angeles, its Special Districts, Elected Officials, Officers, Agents, Employees, and Volunteers from employer sanctions and any other liability which may be assessed against Contractor or County or both in connection with any alleged violation of Federal or State statutes or regulations pertaining to the eligibility for employment of persons performing services under this Contract.

R. Facsimile Representations

At the discretion of County, County may agree to regard facsimile representations of original signatures of Contractor's authorized officers, when appearing in appropriate places on the change notices and amendments prepared pursuant to this Exhibit's Amendments, and received via communications facilities, as legally sufficient evidence that such original signatures have been affixed to change notices and amendments to this Contract, such that the Contractor need not follow up facsimile transmissions of such documents with subsequent (nonfacsimile) transmission of "original" versions of such documents.

S. Fair Labor Standards

Contractor shall comply with all applicable provisions of the Federal Fair Labor Standards Act and shall indemnify, defend, and hold harmless the County of Los Angeles, its Special Districts, Elected Officials, Officers, Agents, Employees,

and Volunteers from any and all liability including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys' fees arising under any wage and hour law, including, but not limited to, the Federal Fair Labor Standards Act, for work performed by Contractor's employees for which County may be found jointly or solely liable.

T. Force Majeure

1. Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Contract, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this subparagraph as "force majeure events").
2. Notwithstanding the foregoing, a default by a subcontractor of Contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, Contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this subparagraph, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.
3. In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

U. Governing Laws, Jurisdiction, and Venue

This Contract shall be governed by, and construed in accordance with the laws of the State of California. To the maximum extent permitted by applicable law, Contractor and County agree and consent to the exclusive jurisdiction of the courts of the State of California for all purposes concerning this Contract and further agree and consent that venue of any action brought in connection with or arising out of this Contract, shall be exclusively in the County of Los Angeles.

V. Most Favored Public Entity

If the Contractor's prices decline, or should the Contractor at any time during the term of this Contract provide the same goods or services under similar quantity

and delivery conditions to the State of California or any county, municipality, or district of the State at prices below those set forth in this Contract, then such lower prices shall be immediately extended to the County.

W. Nondiscrimination and Affirmative Action

1. Contractor certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding companies are and shall be treated equally without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State antidiscrimination laws and regulations.
2. Contractor shall certify to, and comply with, the provisions of Contractor's EEO Certification (Form PW-7).
3. Contractor shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State antidiscrimination laws and regulations. Such action shall include, but not be limited to, employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection of training, including apprenticeship.
4. Contractor certifies and agrees that it will deal with its Subcontractors, bidders, or vendors without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation.
5. Contractor certifies and agrees that it, its affiliates, subsidiaries, or holding companies shall comply with all applicable Federal and State laws and regulations to the end that no person shall, on the grounds of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract.
6. Contractor shall allow County representatives access to Contractor's employment records during regular business hours to verify compliance with the provisions of this paragraph when so requested by County.
7. If County finds that any of the above provisions have been violated, such violation shall constitute a material breach of this Contract upon which County may terminate for default or suspend this Contract. While County

reserves the right to determine independently that the antidiscrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment Practices Commission or the Federal Equal Employment Opportunity Commission that Contractor has violated Federal or State antidiscrimination laws or regulations shall constitute a finding by County that Contractor has violated the antidiscrimination provisions of this Contract.

8. The parties agree that in the event Contractor violates any of the antidiscrimination provisions of this Contract, County shall, at its sole option, be entitled to a sum of \$500 for each violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Contract.

X. Nonexclusivity

Nothing herein is intended nor shall be construed as creating any exclusive arrangement with Contractor. This Contract shall not restrict County from acquiring similar, equal, or like goods and/or services from other entities or sources.

Y. No Payment for Services Provided Following Expiration/Suspension/Termination of Contract

Contractor shall have no claim against County for payment of any money or reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration, suspension, or other termination of this Contract. Should Contractor receive any such payment, it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration/suspension/termination of this Contract shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration/suspension/termination of this Contract.

Z. Notice of Delays

Except as otherwise provided under this Contract, when either party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this Contract, that party shall, within one business day, give notice thereof, including all relevant information with respect thereto, to the other party.

AA. Notice of Disputes

Contractor shall bring to the attention of the Contract Manager any dispute between County and Contractor regarding the performance of services as stated

in this Contract. If the Contract Manager is not able to resolve the dispute, the Director will resolve it.

BB. Notice to Employees Regarding the Federal Earned Income Credit

Contractor shall notify its employees, and shall require each Subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the Federal income tax laws. Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Service Notice 1015 (Exhibit C).

CC. Notices

Notices desired or required to be given under these Specifications, Conditions, or Terms herein or any law now or hereafter in effect may, at the option of the party giving the same, be given by enclosing the same in a sealed envelope addressed to the party for whom intended and by depositing such envelope with postage prepaid with the United States Post Office and any such notice and the envelope containing the same shall be addressed to Contractor at its place of business, or such other place as may be hereinafter designated in writing by Contractor. The notices and envelopes containing the same to County shall be addressed to:

Chief, Administrative Services Division
County of Los Angeles Department of Public Works
P.O. Box 1460
Alhambra, CA 91802-1460

In the event of suspension or termination of this Contract, notices may also be given upon personal delivery to any person whose actual knowledge of such suspension or termination would be sufficient notice to Contractor. Actual knowledge of such suspension or termination by an individual Contractor or by a copartner, if Contractor is a partnership; or by the president, vice president, secretary, or general manager, if Contractor is a corporation; or by the managing agent regularly in charge of the work on behalf of said Contractor shall in any case be sufficient notice.

DD. Publicity

Contractor shall not disclose any details in connection with this Contract to any person or entity except as may be otherwise provided hereunder or required by law. However, in recognizing Contractor's need to identify its services and related clients to sustain itself, County shall not inhibit Contractor from publicizing its role under this Contract within the following conditions:

1. Contractor shall develop all publicity material in a professional manner.

2. During the term of this Contract, Contractor shall not, and shall not authorize another to, publish or disseminate commercial advertisements, press releases, feature articles, or other materials using the name of County without the prior written consent of the Contract Manager. County shall not unreasonably withhold such written consent.
3. Contractor may, without prior written consent of County, indicate in its proposals and sales materials that it has been awarded this Contract with County, provided that the requirements of this paragraph shall apply.

EE. Public Records Act

1. Any documents submitted by Contractor; all information obtained in connection with County's right to audit and inspect Contractor's documents, books, and accounting records pursuant to this Exhibit's Record Retention and Inspection/Audit Settlement, of this Contract; as well as those documents which were required to be submitted in response to the RFP used in the solicitation process for this Contract, become the exclusive property of County. All such documents become a matter of public record and shall be regarded as public records, except those documents that are marked "Trade Secret," "Confidential," or "Proprietary" and are deemed excluded from disclosure under Government Code 6250 et seq. (Public Records Act). County shall not in any way be liable or responsible for the disclosure of any such records including, with limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.
2. In the event County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "Trade Secret," "Confidential," or "Proprietary," Contractor agrees to defend and indemnify County from all costs and expenses, including reasonable attorney's fees, in connection with any requested action or liability arising under the Public Records Act.

FF. Record Retention and Inspection/Audit Settlement

Contractor shall maintain accurate and complete financial records of its activities and operations relating to this Contract in accordance with generally accepted accounting principles. Contractor shall also maintain accurate and complete employment and other records relating to its performance of this Contract. Contractor agrees that County, or its authorized representatives, shall have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Contract. All such material, including, but not limited to, all financial records, bank statements, cancelled checks, or other proof of payment, timecards, sign-in/sign-out sheets, and other time and employment records, and proprietary data and information, shall be kept and

maintained by Contractor and shall be made available to County during the term of this Contract and for a period of five years thereafter unless County's written permission is given to dispose of any such material prior to such time. All such material shall be maintained by Contractor at a location in County, provided that if any such material is located outside County, then, at County's option, Contractor shall pay County for travel, per diem, and other costs incurred by County to examine, audit, excerpt, copy, or transcribe such material at such other location.

1. In the event that an audit of Contractor is conducted specifically regarding this Contract by any Federal or State auditor, or by any auditor or accountant employed by Contractor or otherwise, then Contractor shall file a copy of such audit report with County's Auditor-Controller within 30 days of Contractor's receipt thereof, unless otherwise provided by applicable Federal or State law or under this Contract. Subject to applicable law, County shall make a reasonable effort to maintain the confidentiality of such audit report(s).
2. Failure on the part of Contractor to comply with any of the provisions of this paragraph shall constitute a material breach of this Contract upon which County may suspend or terminate for default or suspend this Contract.
3. If, at any time during the term of this Contract or within five years after the expiration or termination of this Contract, representatives of County conduct an audit of Contractor regarding the work performed under this Contract, and if such audit finds that County's dollar liability for any such work is less than payments made by County to Contractor, then the difference shall be either: a) repaid by Contractor to County by cash payment upon demand or b) at the sole option of County's Auditor-Controller, deducted from any amounts due to Contractor from County, whether under this Contract or otherwise. If such audit finds that County's dollar liability for such work is more than the payments made by County to Contractor, then the difference shall be paid to Contractor by County by cash payment, provided that in no event shall County's maximum obligation for this Contract exceed the funds appropriated by County for the purpose of this Contract.
4. In addition to the above, the Contractor agrees, should the County or its authorized representatives determine, in the County's sole discretion, that it is necessary or appropriate to review a broader scope of the Contractor's records (including, certain records related to non-County contracts) to enable the County to evaluate the Contractor's compliance with the County's Living Wage Program, that the Contractor shall promptly and without delay provide to the County, upon the written request of the County or its authorized representatives, access to and the right to examine, audit, excerpt, copy, or transcribe any and all transactions, activities, or records relating to any of its employees who have provided services to the County under this Contract, including without limitation, records relating to work performed by said employees on the Contractor's

non-County contracts. The Contractor further acknowledges that the foregoing requirement in this subparagraph relative to Contractor's employees who have provided services to the County under this Contract is for the purpose of enabling the County in its discretion to verify the Contractor's full compliance with and adherence to California labor laws and the County's Living Wage Program. All such materials and information, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, shall be kept and maintained by the Contractor and shall be made available to the County during the term of this Contract and for a period of five years thereafter unless the County's written permission is given to dispose of any such materials and information prior to such time. All such materials and information shall be maintained by the Contractor at a location in Los Angeles County, provided that if any such materials and information is located outside Los Angeles County, then, at the County's option, the Contractor shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such materials and information at such other location.

HH. Contractor's Employee Criminal Background Investigation

Each of the Contractor's staff performing services under this Contract who is in a designated sensitive position, as determined by the County in County's sole discretion, shall undergo and pass a background investigation to the satisfaction of County as a condition of beginning and continuing to perform services under this Contract. Such background investigation must be obtained through fingerprints submitted to the California Department of Justice to include State and local-level review, which may include, but shall not be limited to, criminal conviction information. The fees associated with the background investigation shall be at the expense of the Contractor, regardless if the member of Contractor's staff passes or fails the background investigation.

II. Subcontracting

The requirements of this Contract may not be subcontracted by Contractor without the advance written approval of County. Any attempt by Contractor to subcontract without the prior written consent of County may be deemed a material breach of this Contract and the County may suspend or terminate for this Contract default.

1. If Contractor desires to subcontract, Contractor shall provide the following information promptly at County's request:
 - a. A description of the work to be performed by the Subcontractor.
 - b. A draft copy of the proposed subcontract.
 - c. Other pertinent information and/or certifications requested by County.
2. Contractor shall indemnify and hold County harmless with respect to the activities of each and every Subcontractor in the same manner and to the same degree as if such Subcontractor(s) were Contractor employees.
3. Contractor shall remain fully responsible for all performances required of it under this Contract, including those that the Contractor has determined to subcontract, notwithstanding County's approval of Contractor's proposed subcontract.
4. County's consent to subcontract shall not waive County's right to prior and continuing approval of any and all personnel, including Subcontractor employees, providing services under this Contract. Contractor is responsible to notify its Subcontractors of this County right.
5. County's Contract Manager is authorized to act for and on behalf of County with respect to approval of any subcontract and Subcontractor employees.
6. Contractor shall be solely liable and responsible for all payments or other compensation to all Subcontractors and their officers, employees, agents, and successors in interest arising through services performed hereunder, notwithstanding County's consent to subcontract.
7. Contractor shall obtain certificates of insurance, which establish that the Subcontractor maintains all the programs of insurance required by County from each approved Subcontractor. Contractor shall ensure delivery of all such documents to Administrative Services Division, P.O. Box 1460, Alhambra, California 91802-1460, before any Subcontractor employee may perform any work hereunder.
8. Employee Leasing is prohibited.

JJ. Validity

If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances shall not be affected thereby.

KK. Waiver

No waiver by County of any breach of any provision of this Contract shall constitute a waiver of any other breach of said provision or of any other provision of this Contract. Failure of County to enforce at anytime, or from time to time, any provision of this Contract shall not be construed as a waiver thereof.

LL. Warranty Against Contingent Fees

1. Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee excepting bona fide employees or bona fide established commercial or selling agencies maintained by Contractor for the purpose of securing business.
2. For breach of this warranty, County shall have the right, in its sole discretion, to suspend or terminate this Contract for default, deduct from amounts owing to the Contractor, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

MM. Time Off for Voting

The Contractor shall notify its employees, and shall require each subcontractor to notify and provide to its employees, information regarding the time off for voting law (Elections Code Section 14000). Not less than ten days before every Statewide election, every Contractor and subcontractors shall keep posted conspicuously at the place of work, if practicable, or elsewhere where it can be seen as employees come or go to their place of work, a notice setting forth the provisions of Section 14000.

SECTION 3

TERMINATIONS/SUSPENSIONS

A. Termination/Suspension for Breach of Warranty to Maintain Compliance with County's Child Support Compliance Program

Failure of Contractor to maintain compliance with the requirements set forth in this Exhibit's Contractor's Warranty of Adherence to County's Child Support Compliance Program shall constitute a default under this Contract. Without limiting the rights and remedies available to County under any other provision of this Contract, failure of Contractor to cure such default within 90 calendar days of written notice shall be grounds upon which the County may suspend or terminate this Contract pursuant to this Exhibit's Termination/Suspension for Default, and pursue debarment of Contractor pursuant to Los Angeles County Code Chapter 2.202.

B. Termination/Suspension for Convenience

1. This Contract may be suspended or terminated, in whole or in part, from time to time, when such action is deemed by County, in its sole discretion, to be in its best interest. Suspension or termination of work hereunder shall be effected by notice of suspension or termination to Contractor specifying the extent to which performance of work is suspended or terminated and the date upon which such suspension or termination becomes effective. The date upon which such suspension or termination becomes effective shall be no less than ten days after the notice is sent.

 - b. Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required under this Contract; or
 - c. Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this Contract, or of any obligations of this Contract and in either case, fails to demonstrate convincing progress toward a cure within five working days (or such longer period as County may authorize in writing) after receipt of written notice from County specifying such failure.
2. In the event County suspends or terminates this Contract in whole or in part pursuant to this paragraph, County may procure, upon such terms and in such manner, as County may deem appropriate, goods and services similar to those so suspended or terminated. Contractor shall be liable to County for any and all excess costs incurred by County, as determined by County, for such similar goods and services. Contractor shall continue the performance of this Contract to the extent not suspended or terminated under the provisions of this paragraph.
3. Except with respect to defaults of any Subcontractor, Contractor shall not be liable for any excess costs of the type identified in subparagraph "2" above, if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of Contractor. Such causes may include, but are not limited to, acts of God or of the public enemy, acts of County in either its sovereign or contractual capacity, acts of the Federal or State government in its sovereign capacity, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of Contractor. If the failure to perform is caused by the default of a Subcontractor, and if such default arises out of causes beyond the control of both Contractor and Subcontractor, and without the fault or negligence of either of them, Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the

Subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required delivery schedule.

4. If, after County has given notice of termination or suspension under the provisions of this paragraph, it is determined by County that Contractor was not in default under the provisions of this paragraph or that the default was excusable under the provisions of this paragraph, the rights and obligations of the parties shall be the same as if the notice of termination or suspension had been issued pursuant to this Exhibit's Termination/Suspension for Convenience.
5. The rights and remedies of County provided in this paragraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.
6. As used herein, the terms "Subcontractor" and "Subcontractors" mean subcontractor at any tier.

D. Termination/Suspension for Improper Consideration

1. County may, by written notice to Contractor, immediately suspend or terminate the right of Contractor to proceed under this Contract if it is found that consideration, in any form, was offered or given by Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment, extension of this Contract, or the making of any determinations with respect to Contractor's performance pursuant to this Contract. In the event of such termination or suspension, County shall be entitled to pursue those same remedies against Contractor as it could pursue in the event of default by Contractor.
2. Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to County manager charged with the supervision of the employee or to County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.

In the event that funds are not appropriated for this Contract, then this Contract may be suspended or terminated as of June 30 of the last fiscal year for which funds were appropriated. County will notify Contractor in writing of any such nonallocation of funds at the earliest possible date.

Cancellation of or Changes in Insurance: Contractor shall provide County with, or Contractor's insurance policies shall contain a provision that County shall receive, written notice of cancellation or any change in Required Insurance, including insurer, limits of coverage, term of coverage or policy period. The written notice shall be provided to County at least ten days in advance of cancellation for nonpayment of premium and 30 days in advance for any other cancellation or policy change. Failure to provide written notice of cancellation or any change in Required Insurance may constitute a material breach of the Contract, in the sole discretion of the County, upon which the County may suspend or terminate this Contract.
5. Failure to Maintain Insurance: Contractor's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance shall constitute a material breach of the Contract, upon which County immediately may withhold payments due to Contractor, and/or suspend or terminate this Contract. Alternatively, the County may purchase the Required Insurance, and without further notice to Contractor, deduct the premium cost from sums due to Contractor or pursue Contractor reimbursement.

8. Waivers of Subrogation: To the fullest extent permitted by law, the Contractor hereby waives its rights and its insurer(s)' rights of recovery against County under all the Required Insurance for any loss arising from or relating to this Contract. The Contractor shall require its insurers to execute any waiver of subrogation endorsements which may be necessary to effect such waiver.
9. Subcontractor Insurance Coverage Requirements: Contractor shall include all Subcontractors as insureds under Contractor's own policies, or shall provide County with each Subcontractor's separate evidence of

insurance coverage. Contractor shall be responsible for verifying each Subcontractor complies with the Required Insurance provisions herein, and shall require that each Subcontractor name the County of Los Angeles, its Special Districts, Elected Officials, Officers, Agents, Employees, Volunteers, and Contractor as additional insureds on the Subcontractor's General Liability policy. Contractor shall obtain County's prior review and approval of any Subcontractor request for modification of the Required Insurance.

10. Deductibles and Self-Insured Retentions (SIRs): Contractor's policies shall not obligate the County to pay any portion of any Contractor deductible or SIR. The County retains the right to require Contractor to reduce or eliminate policy deductibles and SIRs as respects the County, or to provide a bond guaranteeing Contractor's payment of all deductibles and SIRs, including all related claims investigation, administration and defense expenses. Such bond shall be executed by a corporate surety licensed to transact business in the State of California.
11. Claims Made Coverage: If any part of the Required Insurance is written on a claims made basis, any policy retroactive date shall precede the effective date of this Contract. Contractor understands and agrees it shall maintain such coverage for a period of not less than three years following Contract expiration, termination or cancellation.

14. Alternative Risk Financing Programs: The County reserves the right to review, and then approve, Contractor use of self-insurance, risk retention groups, risk purchasing groups, pooling arrangements and captive insurance to satisfy the Required Insurance provisions. The County of Los Angeles, its Special Districts, Elected Officials, Officers, Agents, Employees, and Volunteers shall be designated as an Additional Covered Party under any approved program.

CONTRACTOR RESPONSIBILITY AND DEBARMENT

A. Responsible Contractor

A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness as well as quality, fitness, capacity, and experience to satisfactorily perform the contract. It is County's policy to conduct business only with responsible Contractors.

B. Chapter 2.202 of the County Code

Contractor is hereby notified that, in accordance with Chapter 2.202 of County Code, if County acquires information concerning the performance of Contractor on this or other contracts which indicates that Contractor is not responsible, County may, in addition to other remedies provided in this Contract, debar Contractor from bidding or proposing on, being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and suspend or terminate any or all existing contracts Contractor may have with County.

C. Nonresponsible Contractor

County may debar a Contractor if the Board finds, in its discretion, that Contractor has done any of the following: (1) violated any term of a contract with County or a nonprofit corporation created by County; (2) committed an act or omission which negatively reflects on Contractor's quality, fitness, or capacity to perform a contract with County, any other public entity, or a nonprofit corporation created by County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or offense which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against County or any other public entity.

D. Contractor Hearing Board

1. If there is evidence that Contractor may be subject to debarment, Public Works will notify Contractor in writing of the evidence which is the basis for the proposed debarment and will advise Contractor of the scheduled date for a debarment hearing before Contractor Hearing Board.
2. Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. Contractor and/or Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, Contractor Hearing Board will prepare a tentative proposed decision, which shall contain a recommendation

regarding whether Contractor should be debarred, and, if so, the appropriate length of time of the debarment. Contractor and Public Works shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board.

3. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of Contractor Hearing Board shall be presented to the Board. The Board shall have the right to modify, deny, or adopt the proposed decision and recommendation of Contractor Hearing Board.
4. If a Contractor has been debarred for a period longer than five years, that Contractor may, after the debarment has been in effect for at least five years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of County.

Upon receiving an appropriate request, Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by Contractor Hearing Board pursuant to the same procedure as for a debarment hearing.
6. Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. Contractor Hearing Board shall present its proposed decision and recommendation to the Board. The Board shall have the right to modify, deny, or adopt the proposed decision and recommendation of Contractor Hearing Board.

The policy may provide that Employee deposit any fees received for such jury service with Contractor or that Contractor deduct from the Employee's regular pay the fees received for jury service.
2. For purposes of this Section, "Contractor" means a person, partnership, corporation, or other entity which has a contract with County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. If Contractor uses any Subcontractor to perform services for County under this Contract, the Subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.
3. If Contractor is not required to comply with the Jury Service Program when this Contract commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the

Jury Service Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. County may also require, at any time during this Contract and at its sole discretion, that Contractor demonstrate to County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Jury Service Program.

4. Contractor's violation of this Section of this Contract may constitute a material breach of this Contract. In the event of such material breach, County may, in its sole discretion, suspend or terminate this Contract and/or bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

SECTION 8

SAFELY SURRENDERED BABY LAW PROGRAM

A. Contractor's Acknowledgment of County's Commitment to the Safely Surrendered Baby Law

Contractor acknowledges that County places a high priority on the implementation of the Safely Surrendered Baby Law. Contractor will also encourage its Subcontractors, if any, to post this poster in a prominent position in the Subcontractor's place of business. County's Department of Children and Family Services will supply Contractor with the poster to be used. Information on how to receive the poster can be found on the Internet at www.babysafela.org.

B. Notice to Employees Regarding the Safely Surrendered Baby Law

Contractor shall notify and provide to its employees, and shall require each Subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in County, and where and how to safely surrender a baby. The fact sheet is set forth in Exhibit D of this Contract and is also available on the Internet at www.babysafela.org for printing purposes.

SECTION 9

COMPLIANCE WITH COUNTY'S LIVING WAGE PROGRAM

A. Living Wage Program

This Contract is subject to the provisions of County's ordinance entitled Living Wage Program as codified in Sections 2.201.010 through 2.201.100 of the Los Angeles County Code, a copy of which is attached hereto as Form LW-1 and incorporated by reference into and made a part of this Contract.

B. Payment of Living Wage Rates

1. Unless Contractor has demonstrated to County's satisfaction either that Contractor is not an "Employer" as defined under the Living Wage Program (Section 2.201.020 of County Code) or that Contractor qualifies for an exception to the Living Wage Program (Section 2.201.090 of County Code), Contractor shall pay its Employees no less than the applicable hourly living wage rate, as set forth immediately below, for the Employees' services provided to County, including, without limitation, "Travel Time" as defined below in subsection 5 of this Section 9.B under this Contract:
 - a. Not less than \$11.84 per hour if, in addition to the per-hour wage, Contractor contributes less than \$2.20 per hour towards the provision of bona fide health care benefits for its Employees and any dependents; or
 - b. Not less than \$9.64 per hour if, in addition to the per-hour wage, Contractor contributes at least \$2.20 per hour towards the provision of bona fide health care benefits for its Employees and any dependents. Contractor will be deemed to have contributed \$2.20 per hour towards the provision of bona fide health care benefits if the benefits are provided through County Department of Health Services Community Health Plan. If, at any time during this Contract, Contractor contributes less than \$2.20 per hour towards the provision of bona fide health care benefits, Contractor shall be required to pay its Employees the higher hourly living wage rate.
2. For purposes of this Section, "Contractor" includes any Subcontractor engaged by Contractor to perform services for County under this Contract. If Contractor uses any Subcontractor to perform services for County under this Contract, the Subcontractor shall be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract and a copy of the Living Wage Program shall be attached to the subcontract. "Employee" means any individual who is an employee of Contractor under the laws of California, and who is providing full-time services to Contractor, some or all of which are provided to County under this Contract. "Full-time"

means a minimum of 40 hours worked per week, or a lesser number of hours, if the lesser number is a recognized industry standard and is approved as such by County; however, fewer than 35 hours worked per week will not, in any event, be considered full-time.

3. If Contractor is required to pay a living wage when this Contract commences, Contractor shall continue to pay a living wage for the entire term of this Contract, including any option period.
4. If Contractor is not required to pay a living wage when this Contract commences, Contractor shall have a continuing obligation to review the applicability of its "exemption status" from the living wage requirement. Contractor shall immediately notify County if Contractor at any time either comes within the Living Wage Program's definition of "Employer" or if Contractor no longer qualifies for an exception to the Living Wage Program. In either event, Contractor shall immediately be required to commence paying the living wage and shall be obligated to pay the living wage for the remaining term of this Contract, including any option period. County may also require, at any time during this Contract and at its sole discretion, that Contractor demonstrate to County's satisfaction that Contractor either continues to remain outside of the Living Wage Program's definition of "Employer" and/or that Contractor continues to qualify for an exception to the Living Wage Program. Unless Contractor satisfies this requirement within the time frame permitted by County, Contractor shall immediately be required to pay the living wage for the remaining term of this Contract, including any option period.
5. For purposes of Contractor's obligation to pay its Employees the applicable hourly living wage rate under this Contract, "Travel Time" shall have the following two meanings, as applicable: 1) with respect to travel by an Employee that is undertaken in connection with this Contract, Travel Time shall mean any period during which an Employee physically travels to or from a County facility if Contractor pays the Employee any amount for that time or if California law requires Contractor to pay the Employee any amount for that time; and 2) with respect to travel by an Employee between County facilities that are subject to two different contracts between Contractor and County (of which both contracts are subject to the Living Wage Program), Travel Time shall mean any period during which an Employee physically travels to or from, or between such County facilities if Contractor pays the Employee any amount for that time or if California law requires Contractor to pay the Employee any amount for that time.

C. Contractor's Submittal of Certified Monitoring Reports

Contractor shall submit to County certified monitoring reports at a frequency instructed by County. The certified monitoring reports shall list all of Contractor's Employees during the reporting period. The certified monitoring reports shall also

verify the number of hours worked, the hourly wage rate paid, and the amount paid by Contractor for health benefits, if any, for each of its Employees. The certified monitoring reports shall also state the name and identification number of Contractor's current health care benefits plan, and Contractor's portion of the premiums paid as well as the portion paid by each Employee. All certified monitoring reports shall be submitted on forms provided by County, or any other form approved by County which contains the above information. County reserves the right to request any additional information it may deem necessary. If County requests additional information, Contractor shall promptly provide such information. Contractor, through one of its officers, shall certify under penalty of perjury that the information contained in each certified monitoring report is true and accurate.

D. Contractor's Ongoing Obligation to Report Labor Law/Payroll Violations and Claims

During the term of this Contract, if Contractor becomes aware of any labor law/payroll violations or any complaint, investigation, or proceeding ("claim") concerning any alleged labor law/payroll violation (including, but not limited to, any violation or claim pertaining to wages, hours, and working conditions, such as minimum wage, prevailing wage, living wage, the Fair Labor Standards Act, employment of minors, or unlawful employment discrimination), Contractor shall immediately inform County of any pertinent facts known by Contractor regarding the same. This disclosure obligation is not limited to any labor law/payroll violation or claim arising out of Contractor's contract with County, but instead applies to any labor law/payroll violation or claim arising out of any of Contractor's operation in California.

E. County Auditing of Contractor Records

Upon a minimum of 24 hours' written notice, County may audit, at Contractor's place of business, any of Contractor's records pertaining to this Contract, including all documents and information relating to the certified monitoring reports. Contractor is required to maintain all such records in California until the expiration of five years from the date of final payment under this Contract. Authorized agents of County shall have access to all such records during normal business hours for the entire period that records are to be maintained.

F. Notifications to Employees

Contractor shall place County-provided living wage posters at each of Contractor's place of business and locations where Contractor's Employees are working. Contractor shall also distribute County-provided notices to each of its Employees at least once per year. Contractor shall translate posters and handouts into Spanish and any other language spoken by a significant number of Employees.

G. Enforcement and Remedies

If Contractor fails to comply with the requirements of this Section, County shall have the rights and remedies described in this Section in addition to any rights and remedies provided by law or equity.

1. Remedies for Submission of Late or Incomplete Certified Monitoring Reports: If Contractor submits a certified monitoring report to County after the date it is due or if the report submitted does not contain all of the required information or is inaccurate or is not properly certified, any such deficiency shall constitute a breach of this Contract. In the event of any such breach, County may, in its sole discretion, exercise any or all of the following rights/remedies:
 - a. Withholding of Payment: If Contractor fails to submit accurate, complete, timely, and properly certified monitoring reports, County may withhold from payment to Contractor up to the full amount of any invoice that would otherwise be due, until Contractor has satisfied the concerns of County, which may include required submittal of revised certified monitoring reports or additional supporting documentation.
 - b. Liquidated Damages: It is mutually understood and agreed that Contractor's failure to submit an accurate, complete, timely, and properly certified monitoring report will result in damages being sustained by County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for Contractor's breach. Therefore, in the event that a certified monitoring report is deficient, including, but not limited to, being late, inaccurate, incomplete, or uncertified, it is agreed that County may, in its sole discretion, assess against Contractor liquidated damages in the amount of \$100 per monitoring report for each day until County has been provided with a properly prepared, complete, and certified monitoring report. County may deduct any assessed liquidated damages from any payments otherwise due to Contractor.
 - c. Termination/Suspension: Contractor's failure to submit an accurate, complete, timely, and properly certified monitoring report may constitute a material breach of this Contract. In the event of such material breach, County may, in its sole discretion, suspend or terminate this Contract.
2. Remedies for Payment of Less Than the Required Living Wage: If Contractor fails to pay any Employee at least the applicable hourly living

wage rate, such deficiency shall constitute a breach of this Contract. In the event of any such breach, County may, in its sole discretion, exercise any or all of the following rights/remedies:

- a. **Withholding Payment:** If Contractor fails to pay one or more of its Employees at least the applicable hourly living wage rate, County may withhold from any payment otherwise due to Contractor the aggregate difference between the living wage amounts Contractor was required to pay its Employees for a given pay period and the amount actually paid to the Employees for that pay period. County may withhold said amount until Contractor has satisfied County that any underpayment has been cured, which may include required submittal of revised certified monitoring reports or additional supporting documentation.
 - b. **Liquidated Damages:** It is mutually understood and agreed that Contractor's failure to pay any of its Employees at least the applicable hourly living wage rate will result in damages being sustained by County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for Contractor's breach. Therefore, it is agreed that County may, in its sole discretion, assess against Contractor liquidated damages of \$50 per Employee per day for each and every instance of an underpayment to an Employee. County may deduct any assessed liquidated damages from any payments otherwise due to Contractor.
 - c. **Termination/Suspension:** Contractor's failure to pay any of its Employees the applicable hourly living wage rate may constitute a material breach of this Contract. In the event of such material breach, County may, in its sole discretion, suspend or terminate this Contract.
3. **Debarment:** In the event Contractor breaches a requirement of this Section, County may, in its sole discretion, bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach, in accordance with Los Angeles County Code Section 2.202, Determinations of Contractor Nonresponsibility and Contractor Debarment.

H. Use of Full-Time Employees

Contractor shall assign and use full-time Employees of Contractor to provide services under this Contract unless Contractor can demonstrate to the satisfaction of County that it is necessary to use non-full-time Employees based on staffing

efficiency or County requirements for the work to be performed under this Contract. It is understood and agreed that Contractor shall not, under any circumstance, use non-full-time Employees for services provided under this Contract unless and until County has provided written authorization for the use of same. Contractor submitted with its proposal a full-time-Employee staffing plan. If Contractor changes its full-time-Employee staffing plan, Contractor shall immediately provide a copy of the new staffing plan to County.

I. Contractor Retaliation Prohibited

Contractor and/or its Employees shall not take any adverse action which would result in the loss of any benefit of employment, any contract benefit, or any statutory benefit for any Employee, person, or entity who has reported a violation of the Living Wage Program to County or to any other public or private agency, entity, or person. A violation of the provisions of this paragraph may constitute a material breach of this Contract. In the event of such material breach, County may, in its sole discretion, suspend or terminate this Contract.

J. Contractor Standards

During the term of this Contract, Contractor shall maintain business stability, integrity in employee relations, and the financial ability to pay a living wage to its employees. If requested to do so by County, Contractor shall demonstrate to the satisfaction of County that Contractor is complying with this requirement.

K. Neutrality in Labor Relations

Contractor shall not use any consideration received under this Contract to hinder, or to further, organization of, or collective bargaining activities by or on behalf of Contractor's employees, except that this restriction shall not apply to any expenditure made in the course of good faith collective bargaining, or to any expenditure pursuant to obligations incurred under a bona fide collective bargaining agreement, or which would otherwise be permitted under the provisions of the National Labor Relations Act.

Department of the Treasury
Internal Revenue Service

Notice 1015

(Rev. December 2013)

Have You Told Your Employees About the Earned Income Credit (EIC)?

What is the EIC?

The EIC is a refundable tax credit for certain workers.

Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Allowance Certificate.

Note. You are encouraged to notify each employee whose wages for 2013 are less than \$51,567 that he or she may be eligible for the EIC.

How and When Must I Notify My Employees?

You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must

notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2014.

You must hand the notice directly to the employee or send it by first-class mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice from IRS.gov or by calling 1-800-829-3676.

How Will My Employees Know If They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see Pub. 596, Earned Income Credit (EIC), or the instructions for Form 1040, 1040A, or 1040EZ.

How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2013 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2013 and owes no tax but is eligible for a credit of \$800, he or she must file a 2013 tax return to get the \$800 refund.

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows a parent or other person who has just given birth to a baby to safely surrender the baby to staff at any hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a baby, let her know there are other options. For three days (72 hours) after birth, a baby can be surrendered to staff at any hospital or fire station in Los Angeles County.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCIA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés *Sin Peligro*

Los recién nacidos pueden ser entregados en forma segura al personal de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles

Sin pena. Sin culpa. Sin nombres.

En el Condado de Los Ángeles: 1-877-BABY SAFE • 1-877-222-9723

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés Sin Peligro?

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregue recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California?

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés Sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del periodo de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

These audits are kept in customer file and available for review upon request of count staff.

Landscape Quality Audit (LQA) System is TruGreen's first nationwide release of a program that will standardize the audit process. Implementing the LQA system will allow us to perform Landscape Quality Audits with efficiency and integrity while providing our customers and management a tool to monitor our performance. The LQA system will set the standards for the Landscaping Industry. The Landscape Quality Audit process has proven to be a very effective tool to:

- Monitor and improve performance.
- Improve proactive communication with customers.
- Create greater customer loyalty.
- Even out the peaks and valleys in our service.

Customer satisfaction will be confirmed by the client's signature on the audit forms, thus reducing the need for rework at job site. Additionally, a copy of the audit form shall be provided to the customer. The Landscape Quality Audit (LQA) system was created with six key elements in mind:

- To communicate with customers on a regular basis, monthly, bimonthly, quarterly, or yearly, based on customer preferences and the size of the account.
- To provide proactive suggestions for improvement through corrective actions and enhancements proposals.
- To continuously measure the performance of our team on the job site.
- To provide a tool for the Branch Manager to use to assess the status of all maintenance accounts throughout the year.
- To better gauge the probability of retention of business year to year.
- To provide a tool to measure customer satisfaction on a regular basis.

RECORD KEEPING

Record Keeping

1. How employee hours actually worked are tracked.

a. Reporting Locations

Employees report every morning to our main yard or different satellite locations depending on the job site/crew they are currently assigned to. The start time is assigned depending on contractual obligations for their assigned job site/crew, and their shift commences at the time they are assigned to be at our main yard or satellite locations.

b. Daily Reporting

Employees report to their Supervisor every morning and are accounted for when daily tasks are distributed and discussed. At the end of their shift they fill out and sign a daily timesheet which includes start time, lunch time, stop time, and total time worked for that day. Their Supervisor reviews and approves the time sheet and is turned in to the office for payroll inputting.

c. Documenting Records

TruGreen LandCare has created daily timesheets which document the employee's daily working hours including start time, lunch time, stop time, and total time worked for the day along with the locations our employees report to on that given day. The timesheets are signed and approved by the employee and their Supervisor on a daily basis to ensure accuracy and accountability for our employees. Timesheets are turned in daily to the office for payroll inputting, see attached copy.

d. Records Used to Create Payroll

As mentioned above TruGreen LandCare has created daily time sheets which has all information needed to create and document employee's weekly payroll.

e. Mandated Breaks / Meal Periods

It is TruGreen LandCare's policy to provide employees with work breaks and meal breaks during the day, employees are relieved of all work duties during these break. Meal breaks are mandated if the employees work more than six hours per day. This written policy is included in the Employees Handbook given to them at the time of hire or available to them in our office as well as posted throughout our locations. The daily timesheets include a written record of the meal periods and each crew Supervisor and Account Manager is responsible for ensuring that the policy is taken into effect.

2. Payroll Preparation

a. Payroll Payment to Employees

Exempt employees are paid on a weekly basis in a form of a payroll check processed by our Corporate Office. Payroll checks include wages earned for that week as well as any tax deductions, benefits deductions which employees opt to enroll in, and any other miscellaneous garnishments (if applicable). Payroll checks include current weekly totals as well as year to date totals for wages/deductions, hours being paid for the entire week they are being paid for, hours being paid as regular time or overtime per day to provide employees with a better understanding of their hours worked for that week, and it included itemized deductions (i.e. taxes, fica, Medicare, etc)

b. Manual Payroll System

TruGreen LandCare uses a payroll computerized system.

c. Automated Payroll System

TruGreen LandCare's automated payroll system allows us to write off the employee's wages and input the Living Wage rate or any other Prevailing Wage rate that would apply to a given contract ensuring compliance with specific terms of our contracts. Employees automatically get paid their normal wage rate for the other contracts that do not require specific wage rates. *If an employee has multiple wage rates, the computerized payroll system will pick up the multiple wage rates as a "weighted average rate" as per the Department of Industrial Relations for the State of California.*

By overriding the employees wage it allows the payroll system to calculate the specified hours at that given rate. Theses changes in wages are reflected in the Certified Payroll that would be provided to Customers upon their request or per contract agreement.

e. Travel Time

Travel time is spread out and incurred for the jobs worked at on that specific day. Employees working at Los Angeles County contracts will be full time permanent employees assigned to those contracts on a full time basis therefore receiving the Living Wage rate for the entire worked day. In an event that an employee would be assigned to a different job site that does not required the Living Wage rate the employee will be paid the Living Wage rate for the travel time until the employees arrives and commences at a new job site.

f. Overtime Calculation

TruGreen LandCare's automated payroll system automatically calculates the overtime by day and by week. If the wage rate is overridden due to Living Wage or Prevailing Wage rates the system will calculate the overtime on a "weighted average rate" depending on those wages for the hours inputted under those rates.

TRUGREEN LandCare®

November 2013

Dear TruGreen LandCare Associate:

To engage the best and most talented individuals, we recognize that we must provide a total compensation program that serves the diverse needs of our employees and their families.

The nation as a whole is grappling with the question of how to structure health insurance that addresses the issues of access, cost, and personal responsibility. Rising benefit costs are affecting employers nationwide. Recent surveys show that premium increases are ranging from 8% to 20% and many companies are increasing employee contributions and out-of-pocket costs. The Affordable Care Act (ACA), which is often referred to as Obama Care, has had a significant effect on both employers and employees. We continue to offer health insurance plans that meet the ACA's requirements. Beginning in 2014, under the ACA's individual mandate, most individuals (adults and children) may be required to have health coverage. You and your dependents may be required to have health insurance beginning January 1, 2014. If you and your dependents do not have health insurance, you may have to pay a penalty when you file your taxes. For more information, please go to www.HealthCare.gov.

Recently, we have conducted a comprehensive review of our benefits program. As part of that review, we looked at benefits and costs compared other employers, the increase in health care premiums over time and the portion of that which has been passed on to our employees, and ensuring that we provide employees with a choice of both a PPO medical plan as well as a consumer driven medical plan with a Health Savings Account. Going forward, both TruGreen LandCare and its employees will share higher costs. We will ask you to bear a proportionate share of the increase of the benefits you receive. We are also changing our medical plan options to manage costs while offering you comprehensive coverage. These changes will continue to bring us in line with other employers.

Please take the time to review all of the options available to you. You may evaluate the options and decide that you and/or your dependents may be eligible for premium assistance or coverage through Medicaid or a Children's Health Insurance Program (CHIP) through your state. You may decide that one of the choices available to you on the new Health Insurance Marketplace at www.HealthCare.gov may meet the needs of you and your family. We encourage you to carefully evaluate your options by learning more. The more you know about your options, the better your choice will be.

TruGreen LandCare remains committed to providing a competitive compensation program. If you have questions regarding your benefits, do not hesitate to contact the TruGreen LandCare Benefits Service Center at 866-900-3062.

Thank you for your continued commitment to TruGreen LandCare.

ELIGIBILITY

Eligibility for employees and dependents is defined as follows:

EMPLOYEES

- Regular, Full Time employees who are scheduled to work 30 or more hours per week. [Laborers, Seasonal, Temporary, and Part Time (scheduled to work less than 30 hours per week) employees are not eligible.]

While not all employees are eligible for the full benefits package, Laborers, Seasonal, Temporary, and Part Time (scheduled to work less than 30 hours per week) employees are eligible for a select set of benefits. Please refer to the sections in this Benefits Guide that indicate that all employees are eligible to identify that select set of benefits.

DEPENDENTS

- Your legal spouse, unless eligible for health benefits through his/her employer
- Your dependent children to age 26. Children include natural children, stepchildren, foster children, adopted children, children placed for adoption, and children the employee is legally obligated to support.

Special Dependent Eligibility Rule for CA Employees only for Medical, Dental, and Vision:

- Your registered domestic partner, unless eligible for health benefits through his/her employer. A registered domestic partner must have a Certificate of Registration of Domestic Partnership from the state of CA.
- Dependent children of your registered domestic partner to age 26.

Beginning in 2014, if you add a dependent to your benefits, you will be required to provide proof (e.g. marriage certificate, birth certificate) that your dependent meets the eligibility requirements to be covered under the benefit plans. If you are unable to provide proof of eligibility, the dependent will not be added to your coverage. In addition, during 2014, TruGreen LandCare will conduct a dependent eligibility audit. We will ask all employees with dependents to provide proof that each enrolled dependent meets the eligibility requirements under the benefit plans. If during this audit, you are unable to provide proof of eligibility, the ineligible dependent will be removed from the plan. Please note that you may be required to reimburse TruGreen LandCare for any claims paid on behalf of the ineligible dependent for the period for which your dependent was ineligible. Please refer to the Summary Plan Description for additional information on dependent eligibility.

BENEFIT ELECTIONS OR CHANGES

Generally, benefit elections or changes can only be made at specific times during the plan year. These times include at the time of hire/rehire, open enrollment, becoming newly eligible for benefits, or due to a qualifying event.

NEW HIRES/REHIRES

If eligible, you must enroll in your benefits by the day prior to the first of the month coincident with or following 60 days of employment. After this initial opportunity, you can only enroll in or make changes to your benefits during certain times, such as due to a qualifying event or open enrollment. Each benefit has a waiting period. Therefore, your benefits effective dates vary for each benefit. Please refer to the chart below for the effective dates.

New Hires/Rehires Eligibility	
Plan	Eligibility Effective Dates
Medical, Dental, Vision, Health Savings Account, Health Care FSA, Dependent Care FSA	1st of the month coincident with or following 60 days of employment
Basic Life, Voluntary Life, Dependent Life, AD&D, Legal	1st of the month coincident with or following 3 months of employment
STD, LTD	On the date following completion of 12 consecutive months of employment

For example, an employee with a hire date of March 1, 2014, Medical, Health Savings Account, Dental, Vision, Health Care FSA, and Dependent Care FSA will be effective on May 1, 2014; Basic Employee Life, Voluntary Employee Life, Dependent Life, AD&D, and Legal Services will be effective on June 1, 2014; and Short Term Disability and Long Term Disability will be on March 1, 2015. Please refer to the Summary Plan Description for additional information.

NEWLY ELIGIBLE

When you become newly eligible for benefits, you must enroll within 30 days of the date that you become eligible for benefits. Most benefits become effective on the first of the month following the date of the event (e.g. Part Time to Full Time, job code/title change, seasonal to non-seasonal) as long as you have met the new hire/rehire waiting period. Each benefit has a waiting period. Therefore, your benefits effective dates vary for each benefit. Please refer to the chart below for the effective dates.

Newly Eligible	
Plan	Eligibility Effective Dates
Medical, Dental, Vision, Health Savings Account, Health Care FSA, Dependent Care FSA	1st of the month coincident with or following the event date
Basic Life, Voluntary Life, Dependent Life, AD&D, Legal	1st of the month coincident with or following the event date
STD, LTD	On the date following completion of 12 consecutive months of employment, including any time worked as ineligible

For example, an employee who is promoted to a benefits eligible position on March 1, 2014, Medical, Health Savings Account, Dental, Vision, Health Care FSA, and Dependent Care FSA, Basic Employee Life, Voluntary Employee Life, Dependent Life, AD&D, and Legal Services will be effective on April 1, 2014; and Short Term Disability and Long Term Disability will begin on the date following completion of 12 months of consecutive employment. Time worked in an ineligible class counts toward the 12 consecutive months. Please refer to the Summary Plan Description for additional information.

ANNUAL OPEN ENROLLMENT

Eligible employees may make changes during open enrollment. Open enrollment typically takes place in November each year. Generally, benefits elected during open enrollment become effective on January 1. **Open Enrollment for the 2014 plan year will be from November 12, 2013 through November 21, 2013 at 12:00 midnight, ET.**

QUALIFYING EVENTS

If you experience a qualifying event during the year, you may be permitted to make changes to your benefits as long as the changes requested are consistent with the qualifying event. You have 31 days from the date of the event to elect your benefits.

Qualifying events, as defined by the IRS, include, but are not limited to, the events listed below.

- Birth or adoption
- Marriage
- Divorce or legal separation
- Increase or decrease in work hours, e.g. part-time to full-time or vice versa
- Dependent gains or loses eligibility for coverage
- Dependent gains or loses coverage under another plan
- Gain or loss in eligibility for Medicare or Medicaid
- Significant change in cost of dependent care services for Dependent Care FSA

Benefits become effective on the first of the month following or coincident with the qualifying event, unless the qualifying event is a birth or adoption. If a birth or adoption occurs, benefit elections will become effective on the date of the birth or adoption. Please refer to the chart below for the effective dates.

Qualifying Events	
Plan	Eligibility Effective Dates
Medical, Dental, Vision, Health Savings Account, Health Care FSA, Dependent Care FSA	1st of the month coincident with or following the event date
Basic Life	n/a
Voluntary Life, Dependent Life, AD&D, Legal	1st of the month coincident with or following the event date
STD, LTD	n/a

For example, if an employee gets married on March 1, 2014, benefits become effective on April 1, 2014. Please refer to the Summary Plan Description for additional information.

PAYING FOR YOUR BENEFITS

If you are an hourly employee and are paid weekly, you pay for your benefits on a weekly basis with premiums based on 52 pay periods in the year. If you are a salaried employee and are paid semimonthly, you pay for your benefits on a semimonthly basis with premiums based on 24 pay periods in the year. Premiums are either paid on a pre-tax basis or on an after-tax basis depending on the benefit. You should review your paycheck carefully each pay period to ensure that your deductions are correct based on your benefit elections. The premiums for each benefit are listed in each section in this Benefits Guide.

If you happen to enroll after your benefits become effective, you will need to pay for the premiums retroactive to the effective date. Your deductions will be doubled in each paycheck until the balance is paid. In addition, if you do not work and are not paid, or do not have sufficient funds in your paycheck to cover your deductions, your deduction amounts go into a deduction balance amount called deductions in arrears. Once you return to work and have sufficient funds, your current benefit deductions will be doubled in each paycheck until the balance is paid. This outstanding deduction balance will be displayed on your paycheck. If you are no longer enrolled in a benefit, but have a balance due, you will be required to pay the entire balance immediately.

MEDICAL/RX INSURANCE

TruGreen LandCare offers two (2) medical plans to eligible employees through BlueCross BlueShield of Tennessee (BCBST): Smart Saver Medical Plan and Choice PPO Medical Plan. The main purpose of these medical plans is to provide preventive care services that can help you stay healthy, to treat minor illnesses and injuries, and to protect your finances against the high costs of treating a serious medical condition. The BCBST medical plans contract with a broad network of doctors, hospitals, and other facilities to offer discounted rates. Please refer to the Summary Plan Description for additional information.

You may choose from the two (2) medical options through BCBST, whichever one best meets your needs and the needs of your family, or you may choose to waive medical coverage. You may also research your options through the Health Insurance Marketplace at www.HealthCare.gov for medical coverage or premium assistance. In addition, you may be eligible for coverage or premium assistance through your state Medicaid/CHIP program and find that one of those options may be more affordable and better meet the needs of you and your family. See information in this Benefits Guide for additional details on these options.

Beginning in 2014, under the Affordable Care Act (ACA) individual mandate, most individuals (adults and children) may be required to have health coverage. Therefore, you and your dependents may be required to have health insurance beginning January 1, 2014. If you and your dependents do not have health insurance, you may have to pay a penalty when you file your taxes. For more information, please go to www.HealthCare.gov.

MEDICAL PLAN FEATURES

Under the medical plans, you have the freedom to choose any provider for your medical care. The amounts you and the plan pay depend on the plan option you choose, and whether you receive care from in-network or out-of-network providers. When you choose in-network providers, the plan pays a higher portion of costs and you pay a smaller amount. When you choose out-of-network providers, the plans usually pay a lower portion of costs and you pay a higher amount. When you use an out-of-network provider, you will have a significantly lower level of benefit and significantly higher out-of-pocket costs.

You can also reduce your out-of-pocket costs when you enroll in either a Health Savings Account (HSA) when you enroll in the Smart Saver Medical Plan or a Health Care Flexible Spending Account when you enroll in the Choice PPO Medical Plan or waive medical coverage. See information in this Benefits Guide for additional details on these options.

Deductible

The plans include plan year deductibles. The deductible is the amount you must pay each year before the plan starts paying for services. With the exception of office visit copays (if applicable), provider services, diagnostic procedures, hospital stay, and surgeries apply to your deductible. For those enrolled in family coverage, any individual may meet the single deductible before the plan start paying for benefits for that individual. See the Medical Plans Highlights chart for details.

Coinsurance

Once the plan year deductible is met, the plans pay a percent of the in- or out-of-network allowed benefit expense. See the Medical Plans Highlights chart for details.

Copay

A copayment (copay) is a fixed amount that is paid for a service, usually a provider's office visit. The Choice PPO Medical Plan includes copays for physician and specialist office visits and generic prescriptions. The Smart Saver Medical Plan does not include copays. See the Medical Plans Highlights chart for details.

Out-of-Pocket Maximum

An annual out-of-pocket maximum is the maximum amount that you will pay each plan year before the plan pays 100% of the allowed benefit. The maximum includes your deductibles, coinsurance, and copays. This maximum does not include your premiums, amounts over the allowed benefit, or expenses that are not covered by the plan. See the Medical Plans Highlights chart for details.

Preventive Care

The medical plans include coverage per plan year for preventive benefits, including annual physicals, immunizations, and screenings, in most cases at 100% for in-network services. See the Medical Plans Highlights chart for details. You can control your health care expenses by getting a check-up and working with your doctors to manage any conditions that you or your family members may have. You can prevent expensive treatment from ever happening and reduce your out-of-pocket costs. Here are a few of the preventive care services. Contact BCBST for additional information on covered services.

- Well Child Care (to age 6)
- Annual Well Woman Exam
- Annual Mammography Screening (40+)
- Annual Cervical Cancer Screening
- Well Care Services (ages 6+)
- Annual Prostate Cancer Screening (50+)
- Immunizations
- and many more...

Prescription Benefit

Both medical plans provide a prescription benefit for both in- and out-of-network pharmacies. Both plans provide a three-tier prescription benefit for generic, formulary, and non-formulary prescriptions. You can save money by using generic prescriptions so be sure to discuss your prescriptions with your doctor to see if a generic option is available.

Prescriptions expenses under the Smart Saver Medical Plan are applied to the medical plan deductibles and out-of-pocket maximums. The Choice PPO Medical plan expenses are applied to separate prescription deductibles and out-of-pocket maximums. All out-of-network prescriptions require that you pay the difference between the in-network benefit and the out-of-network costs. Therefore, your out-of-pocket costs will be significantly higher when you fill your prescription at an out-of-network pharmacy. See the Medical Plans Highlights chart for details. To find a participating pharmacy in your area, go to www.bcbst.com, click on the Learn About tab, go to Pharmacy, and look under the Resources section for the Plus90 Network link.

You can also save money by filling your prescriptions through the BCBST prescription mail order program and obtaining a 90-day supply. To learn more, log on to www.bcbst.com or call Customer Service at 1-800-565-9140.

Medical ID Cards

When you enroll in one of the medical plans, BCBST will mail you and your family members medical ID cards. Additional or replacement cards can be obtained by contacting BCBST directly by phone or by printing one online at www.bcbst.com.

Locating an in-network provider

To locate an in-network provider online, log on to www.bcbst.com, from there click on Find a Doctor or call Customer Service at 1-800-565-9140.

HEALTH SAVINGS ACCOUNT (HSA)

TruGreen LandCare provides eligible employees the opportunity to open a Health Savings Account through Wells Fargo Bank. A Health Savings Account (HSA) is a bank account that you own that allows you to set aside pre-tax dollars from your paycheck to pay for many of your health care expenses.

HEALTH SAVINGS ACCOUNT FEATURES

When you enroll in the Smart Saver Medical Plan, you have the opportunity to open a Health Savings Account. By paying for your out-of-pocket expenses with pre-tax dollars, you reduce the amount of your taxable income. In order to open a Health Savings Account, you must be enrolled in the Smart Saver Medical Plan. Employees enrolled in the Smart Saver Medical Plan cannot participate in the Health Care FSA. You will be required to complete a Health Savings Account Authorization Form to finalize your enrollment.

Contributions

Since enrolling in the Smart Saver Medical Plan offers you premium savings as compared to the Choice PPO plan, you should consider contributing the difference in the cost of the plans. Your take home pay will be the same as if you elected the other plan, but you will have the money in your Health Savings Account to use for expenses rather than on premium costs. In addition, you might want to consider contributing your annual deductible up to the annual maximums listed below.

- The minimum annual contribution through pre-tax payroll deduction is \$240.
- The IRS Limits for contributions to a Health Savings Account for 2014 are \$3,300 for an individual and \$6,550 for a family.
- The IRS allows employees age 55 or older to contribute an additional \$1,000 for catch up contributions.

The funds in your account will roll over annually and earn interest tax free. You will not lose your funds at the end of each plan year. Since the account belongs to you, it is portable and available to you even after you leave TruGreen LandCare.

Debit Card

When you enroll in a Health Savings Account, Wells Fargo Bank will provide you with a debit card. The debit card gives you an easy, automatic way to pay for qualified health care expenses. Funds on your debit card are only available once a contribution has been made to the account. It is important that you save all itemized receipts. With a Health Savings Account, the IRS does not require that the claims be substantiated, but they do require you have this information in the event that they audit your account.

Eligible Expenses

Some examples of eligible qualified health care expenses include:

- Deductibles and coinsurance not covered under the Smart Saver Medical Plan
- Prescriptions not covered under the Smart Saver Medical Plan
- Dental expenses, including deductibles, coinsurance and copays not covered under the dental plans
- Vision expenses, including contact lenses, eye exams and eyeglasses
- Certain over-the-counter medications, if prescribed by a physician

Additional information on Health Savings Accounts is available from Wells Fargo Bank at www.wellsfargo.com/hsa or (866) 884-7374.

DENTAL BENEFITS

TruGreen LandCare offers three (3) dental options for eligible employees to choose from: a Base PPO, a Buy-Up PPO, and a Dental HMO (DHMO).

Getting regular dental care is an important part of taking care of your health. Since dental care can be costly, electing a dental plan can help offset some of your expenses. The plans encourage regular checkups and preventive treatment. The dental plans contract with a network of providers who offer discounted rates. Please refer to the Summary Plan Description for additional information.

PPO PLAN FEATURES

MetLife is the insurance company for the Dental Base PPO and Dental Buy-Up PPO plans.

MetLife Dental ID Cards

HEALTH CARE AND DEPENDENT DAY CARE FLEXIBLE SPENDING ACCOUNTS

TruGreen LandCare offers two types of Flexible Spending Accounts (FSAs) to eligible employees administered through Discovery Benefits: Health Care FSA and Dependent Day Care FSA. FSAs let you set aside pre-tax dollars from your paycheck to pay for many health care and dependent day care expenses. Please refer to the Summary Plan Description for additional information.

HEALTH CARE FSA FEATURES

The Health Care FSA allows you set aside pre-tax dollars from your paycheck to pay or be reimbursed for many health care expenses. The Health Care FSA is a "use it or lose it" account, which means that funds remaining in your account at the end of the plan year will be forfeited. You cannot transfer money from one FSA to another. You cannot claim expenses that are reimbursed through your Health Care FSA as a deduction on your income tax return. Employees enrolled in the Smart Saver Medical Plan cannot participate in the Health Care FSA. If you enroll in an FSA, you must reenroll in your FSA each year during open enrollment if you want to continue your contributions.

Contributions

If eligible, you may make contributions to the Health Care FSA up to the annual IRS maximum listed below. The plan year for the Health Care FSA ends on December 31 of each year; however, expenses may be incurred through March 15th of the following calendar year. For example, claims submitted for the 2014 plan year Health Care FSA can contain expenses incurred up to March 15, 2015. You cannot begin, stop, or change the amount of your Health Care FSA contributions during the calendar year unless you experience a qualifying event (e.g. marriage, divorce, birth, etc.). For additional information, please refer to the Summary Plan Description.

- **The 2014 annual minimum contribution to the Health Care FSA is \$120.**
- **The 2014 annual maximum contribution to the Health Care FSA is \$2,500.**

You have until March 15, 2015 to use the funds in your 2014 account. Make sure you use your funds and submit all your expenses by May 31, 2015 for reimbursement. 2014 funds remaining in your FSA on May 31, 2015 will be forfeited.

If your employment ends and you are enrolled in the health plans, you will be given the option to elect COBRA. If you have funds remaining in your Health Care FSA, by electing COBRA you will be able to continue using your funds by continuing contributions on an after-tax basis through the end of the plan year. If you do not elect COBRA and do not elect to continue your Health Care FSA, you will forfeit the remaining funds in your account. See the COBRA section in this Benefits Guide for additional information on COBRA.

Debit Card

- The debit card from Discovery Benefits is a VISA® card that gives you an easy, automatic way to pay for your qualified health care expenses.
- It's important that you save all itemized receipts. The IRS requires that all FSA reimbursements be substantiated. Discovery Benefits may request a copy of your itemized receipts to validate that the expense was eligible for reimbursement.

Eligible Expenses

Some examples of eligible expenses include:

- Deductibles, coinsurance, and copays not covered under the medical and dental plans
- Vision services, including contact lenses, eye exams, and eyeglasses
- Prescription copays and coinsurance
- Over the counter medications, if prescribed by a physician

DEPENDENT DAY CARE FSA FEATURES

The Health Care FSA allows you set aside pre-tax dollars from your paycheck to be reimbursed for many dependent day care expenses. The Dependent Day Care FSA is a "use it or lose it" account, which means that funds remaining in your account at the end of the plan year will be forfeited. You cannot transfer money from one FSA to another. You cannot claim expenses that are reimbursed through your Dependent Day Care FSA as a deduction on your income tax return. If you enroll in an FSA, you must reenroll in your FSA each year during open enrollment if you want to continue your contributions.

Contributions

If eligible, you may make contributions to the Dependent Day Care FSA up to the annual IRS maximum listed below. The plan year for the Dependent Day FSA ends on December 31 of each plan year. You cannot begin, stop, or change the amount of your Dependent Day Care FSA contributions during the calendar year unless you experience a qualifying event (e.g. marriage, divorce, birth, etc.). However, if you experience a significant increase or decrease in the cost of your dependent day care expenses during the calendar year, you may change your Dependent Day Care FSA contributions. For additional information, please refer to the Summary Plan Description.

- **The 2014 annual minimum contribution to the Dependent Day Care FSA is \$120.**
- **The 2014 annual maximum contribution to the Dependent Day Care FSA is \$5,000.**

Make sure you use your 2014 funds by December 31, 2014 and submit all your expenses by May 31, 2015 for reimbursement. 2014 funds remaining in your FSA on May 31, 2015 will be forfeited.

Reimbursement of Expenses

You will need to submit your receipts for reimbursement of your eligible expenses to Discovery Benefits. There is no debit card with the Dependent Day Care FSA.

Eligible Expenses

Some examples of eligible expenses include:

- Child day care expenses for children under 13
- Adult dependent day care expenses

LIFE INSURANCE BENEFICIARIES

When you enroll in your life insurance through the TruGreen LandCare Benefits Enrollment Portal or the TruGreen LandCare Benefits Service Center, be sure to designate a beneficiary for your life insurance. If you have been married or divorced or had a baby since the last time you updated your beneficiaries you should review your beneficiaries. Even if you are not making any changes to your benefit elections, you should review and update your life insurance beneficiaries.

VOLUNTARY DEPENDENT LIFE INSURANCE

TruGreen LandCare provides eligible employees with the opportunity to elect dependent life insurance through Lincoln Financial Group. Dependent Life insurance covers your spouse and/or children and pays a benefit to you if a covered dependent dies.

VOLUNTARY DEPENDENT LIFE INSURANCES FEATURES

Dependent life insurance is optional. You pay the full cost of any coverage you elect. You are automatically the beneficiary for any dependent coverage. You may choose from the five (5) coverage amounts listed in the table below. The maximum coverage amount for your spouse is \$100,000. The maximum coverage amount for your children is \$25,000 per child. No dependent can have a coverage amount that is more than 100% of your basic and voluntary employee life insurance combined.

If you do not enroll when you are first eligible, and decide to enroll later, you can only choose coverage for your spouse and/or children of \$15,000 and \$2,000 respectively. In addition, you can only increase your coverage amount by one (1) level during each annual open enrollment. Evidence of insurability (EOI) is required for both \$75,000 and \$100,000 amounts of spouse dependent life insurance. If EOI is not completed as required, your spouse will automatically be covered at \$50,000 level, which is the highest coverage amount that does not require EOI.

If your spouse or child also works for TruGreen LandCare and is eligible for basic employee life insurance, you may cover that dependent under the dependent life insurance program. In addition, if you and your spouse are both employees, you both may cover your children as dependents. Please refer to the Summary Plan Description for additional information.

VOLUNTARY ACCIDENTAL DEATH AND DISMEMBERMENT INSURANCE

TruGreen LandCare provides eligible employees with the opportunity to elect accidental death and dismemberment (AD&D) insurance through Lincoln Financial Group.

AD&D INSURANCE FEATURES

Accidental death and dismemberment insurance pays a benefit in the event of certain serious injuries or death due to an accident. You can elect coverage for yourself, your spouse, and/or your children. You must elect coverage for yourself before you can cover your dependents. You are automatically the beneficiary for any benefits paid if a covered dependent dies.

COVERAGE AMOUNTS

You can choose coverage for yourself from \$20,000 to \$100,000 in multiples of \$10,000, or from \$150,000 to \$750,000 in multiples of \$50,000. Please see the table below. The maximum amount of coverage for you is the lesser of 10 times your annual earnings or \$750,000. Your spouse's coverage is 60% of your coverage. Maximum coverage for your spouse is \$450,000. Each child's coverage is 30% of your coverage. Maximum coverage per child is \$25,000.

WHEN BENEFITS ARE PAID

AD&D coverage pays a benefit only if death or certain serious injuries occur as the result of an accident. Death must occur within 365 days of the accident. Injury sustained in the accident must result in one covered loss or more within 365 days of the accident. The accident must occur while you or your dependent is covered under the plan.

SHORT TERM DISABILITY FEATURES

Your coverage under the short term disability program becomes effective on the first day of the month following completion of 12 consecutive months of full time employment. For employees who transition from ineligible to eligible, any time worked as ineligible will count toward the 12 consecutive month waiting period. The short term disability provides a benefit as a percent of your base salary depending on your length of service with TruGreen LandCare. The short term disability benefit pays 60% of your earnings for 1-5 years of service or 80% of your earnings for 6+ years of service up to \$15,000 per month. Your payments may be reduced by deductible sources of income such as social security benefits and other sources of disability earnings. Your earnings for your short term disability are based on your annual base salary as of October 25 each year or your date of hire, whichever is later.

If Lincoln determines that you are eligible for short term disability payments, benefits begin on the eighth (8th) calendar day of disability for illness or injury and may continue for up to 13 weeks. Your payments may be reduced by deductible sources of income such as social security benefits and other sources of disability earnings.

If Lincoln determines that you are eligible for long term disability payments, benefits begin after 90 calendar day of disability for illness or injury. ADDITIONAL INFORMATION

In addition, please review the TruGreen LandCare LLC 401(k) Plan required Notices for additional information about the Plan. Please refer to the Summary Plan Description for additional information.

TERMINATION OF EMPLOYMENT

When you leave the company due to layoff, termination, or retirement, your contributions will end in your last paycheck that includes eligible earnings. Below are the rollover/distribution options if you are a participant at the time you leave the company.

Distribution Options

Approximately 30 days after you leave employment with TruGreen LandCare, Prudential will mail you a distribution package to your address on file. This will provide you with information about your various account distribution options and the applicable tax implications. At the time you leave the company, you may instruct Prudential to rollover your vested account balance to another qualified employer retirement plan or individual retirement account (IRA) or you may initiate a taxable distribution payable to you.

If your vested account balance in the 401(k) plan is less than \$5,000 the account balance will be distributed automatically from the plan. Automatic distributions occur on a quarterly basis. Approximately 30 days before the scheduled automatic distribution date, Prudential will send a letter to you notifying you of the upcoming required distribution. If no response is received by the expiration of the response period and your account balance is between \$1,000 and \$5,000, the account will automatically be rolled over to a new IRA established at Prudential and placed in a money market type investment. If no response is received by the expiration of the response period and your account balance is less than \$1,000, the account will be paid as a taxable distribution directly to you via check. If your vested account balance in the 401(k) plan is \$5,000 or greater, you may keep your balance in the plan until such time as you must start receiving required minimum distributions from your account (currently age 70 ½ under IRS rules). For all rollovers and account distributions, Prudential will send you a Form 1099-R in January of the year following the distribution. The Form 1099-R should be used to complete required tax return filings. For more information about 401(k) plan distribution options, you may contact the Prudential at 877-778-2100.

Loans

At the time you leave the company, you have the option to repay an outstanding 401(k) loan balance, if applicable, in full by the last day of the quarter following the quarter during which your date of termination occurred. If you do not repay the outstanding loan balance in full, the amount will be deemed a distribution to you and will be considered a taxable event during the year it is processed. You will subsequently be required to report the loan as income and pay appropriate taxes as necessary. Prudential will send you a Form 1099-R in January of the year following the deemed distribution. The Form 1099-R should be used to complete required tax filings. For more information about repaying an outstanding loan balance in full, you may contact the Prudential at 877-778-2100.

COBRA (AND OTHER BENEFITS AFTER YOU TERMINATE EMPLOYMENT)

MEDICAL, DENTAL, VISION, AND HEALTH CARE SPENDING ACCOUNT COVERAGE

COBRA coverage is a temporary continuation of health care coverage when it otherwise would end because of a life event known as a qualifying event, such as termination of employment.

If your employment ends, or you or your dependents lose eligibility under the plan, your coverage will end on your termination date, or date of loss of eligibility. You or your dependent will be given the option to elect COBRA to continue your elected medical, dental, vision, and Health Care Flexible Spending Account benefits. Once a COBRA event occurs, Discovery Benefits, our COBRA Administrator, will mail you a COBRA continuation notice and a COBRA election notice within 14 days after receiving notice of your termination from service. You will also be sent a Certification of Group Health Plan Coverage (HIPAA Certificate). This information will be sent to the last address that you provided to TruGreen LandCare. You may call Discovery Benefits at (866) 451-3399 for questions or to make elections.

Please note that if you have remaining funds in your Health Care FSA, by electing COBRA you will be able to continue using your funds as well as continue contributing on an after-tax basis your monthly elected amount through the end of the plan year. If you do not elect COBRA and do not elect to continue your Health Care FSA, you will forfeit the remaining funds in your account.

IMPORTANT NOTICES

IMPORTANT NOTICE FROM TRUGREEN LANDCARE ABOUT YOUR PRESCRIPTION DRUG COVERAGE AND MEDICARE

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with TruGreen LandCare and about your options under Medicare's prescription drug coverage. This information can help you decide whether you want to join a Medicare drug plan. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

If neither you nor any of your covered dependents are eligible for or have Medicare, this notice does not apply to you or your dependents, as the case may be. However, you should still keep a copy of this notice in the event you or a dependent should qualify for coverage under Medicare in the future. Please note, however, that later notices might supersede this notice.

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. TruGreen LandCare has determined that the prescription drug coverage offered by the TruGreen LandCare Employee Health Care Plan ("Plan") is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is considered "creditable" prescription drug coverage. This is important for the reasons described below.

Because your existing coverage is, on average, at least as good as standard Medicare prescription drug coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to enroll in a Medicare drug plan, as long as you later enroll within specific time periods.

Enrolling in Medicare—General Rules

As some background, you can join a Medicare drug plan when you first become eligible for Medicare. If you qualify for Medicare due to age, you may enroll in a Medicare drug plan during a seven-month initial enrollment period. That period begins three months prior to your 65th birthday, includes the month you turn 65, and continues for the ensuing three months. If you qualify for Medicare due to disability or end-stage renal disease, your initial Medicare Part D enrollment period depends on the date your disability or treatment began. For more information you should contact Medicare at the telephone number or web address listed below.

Late Enrollment and the Late Enrollment Penalty

If you decide to wait to enroll in a Medicare drug plan you may enroll later, during Medicare Part D's annual enrollment period, which runs each year from October 15 through December 7. But as a general rule, if you delay your enrollment in Medicare Part D, after first becoming eligible to enroll, you may have to pay a higher premium (a penalty).

If after your initial Medicare Part D enrollment period you go **63 continuous days or longer without "creditable" prescription drug coverage** (that is, prescription drug coverage that's at least as good as Medicare's prescription drug coverage), your monthly Part D premium may go up by at least 1 percent of the premium you would have paid had you enrolled timely, for every month that you did not have creditable coverage.

For example, if after your Medicare Part D initial enrollment period you go 19 months without coverage, your premium may be at least 19 percent higher than the premium you otherwise would have paid. You may have to pay this higher premium for as long as you have Medicare prescription drug coverage. However, there are some important exceptions to the late enrollment penalty.

Special Enrollment Period Exceptions to the Late Enrollment Penalty

There are "special enrollment periods" that allow you to add Medicare Part D coverage months or even years after you first became eligible to do so, without a penalty. For example, if after your Medicare Part D initial enrollment period you lose or decide to leave employer-sponsored or union-sponsored health coverage that includes "creditable" prescription drug coverage, you will be eligible to join a Medicare drug plan at that time.

In addition, if you otherwise lose other creditable prescription drug coverage (such as under an individual policy) through no fault of your own, you will be able to join a Medicare drug plan, again without penalty. These special enrollment periods end two months after the month in which your other coverage ends.

Compare Coverage

You should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. See the Plan's summary plan description for a summary of the Plan's prescription drug coverage. If you don't have a copy, you can get one by contacting us at the telephone number or address listed below.

Coordinating Other Coverage With Medicare Part D

Generally speaking, if you decide to join a Medicare drug plan while covered under the TruGreen LandCare Plan due to your employment (or someone else's employment, such as a spouse or parent); your coverage under the TruGreen LandCare Plan will not be affected. For most persons covered under the Plan, the Plan will pay prescription drug benefits first, and Medicare will determine its payments second. For more information about this issue of what program pays first and what program pays second, see the Plan's summary plan description or contact Medicare at the telephone number or web address listed below.

If you do decide to join a Medicare drug plan and drop your TruGreen LandCare prescription drug coverage, be aware that you and your dependents may not be able to get this coverage back. To regain coverage you would have to re-enroll in the Plan, pursuant to the Plan's eligibility and enrollment rules. You should review the Plan's summary plan description to determine if and when you are allowed to add coverage.

For More Information About This Notice or Your Current Prescription Drug Coverage

Contact the person listed below for further information, or call (866) 900-3062. NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through TruGreen LandCare changes. You also may request a copy.

For More Information About Your Options Under Medicare Prescription Drug Coverage

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and whether or not you are required to pay a higher premium (a penalty).

NOTICE OF RIGHT TO DESIGNATE PRIMARY CARE PROVIDER AND OF NO OBLIGATION FOR PRE-AUTHORIZATION FOR OB/GYN CARE

You do not need prior authorization from TruGreen LandCare Employee Health Care Plan or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior

authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact the BCBST at (800) 565-9140.

NOTICE OF SPECIAL ENROLLMENT RIGHTS

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to later enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage).

Loss of eligibility includes but is not limited to:

- Loss of eligibility for coverage as a result of ceasing to meet the plan's eligibility requirements (i.e., legal separation, divorce, cessation of dependent status, death of an employee, termination of employment, reduction in the number of hours of employment);
- Loss of HMO coverage because the person no longer resides or works in the HMO service area and no other coverage option is available through the HMO plan sponsor;
- Elimination of the coverage option a person was enrolled in, and another option is not offered in its place;
- Failing to return from an FMLA leave of absence; and
- Loss of coverage under Medicaid or the Children's Health Insurance Program (CHIP).

Unless the event giving rise to your special enrollment right is a loss of coverage under Medicaid or CHIP, you must request enrollment within 31 days after your or your dependent's(s) other coverage ends (or after the employer that sponsors that coverage stops contributing toward the coverage).

If the event giving rise to your special enrollment right is a loss of coverage under Medicaid or CHIP, you may request enrollment under this plan within **60 days** of the date you or your dependent(s) lose such coverage under Medicaid or CHIP. Similarly, if you or your dependent(s) become eligible for a state-granted premium subsidy toward this plan, you may request enrollment under this plan within **60 days** after the date Medicaid or CHIP determine that you or the dependent(s) qualify for the subsidy.

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 31 days after the marriage, birth, adoption, or placement for adoption.

To request special enrollment or obtain more information, contact: TruGreen LandCare Benefits Service Center number is (866) 900-3062.

HEALTH INSURANCE MARKETPLACE NOTICE

New Health Insurance Marketplace Coverage Options and Your Health Coverage

PART A: General Information

When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.¹

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution -as well as your employee contribution to employer-offered coverage- is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact TruGreen LandCare Benefits Service Center at (866) 900-3062.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit www.HealthCare.gov for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

¹An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

PART B: Information About Health Coverage Offered by Your Employer

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

3. Employer name TruGreen LandCare, LLC		4. Employer Identification Number (EIN) 36-4313318	
5. Employer address 9416 Doctor Perry Rd		6. Employer phone number (301) 874-3300	
7. City Ijamsville	8. State MD	9. ZIP code 21754	
10. Who can we contact about employee health coverage at this job? TruGreen LandCare Benefits Service Center			
11. Phone number (if different than above) (866) 900-3062		12. Email address	

Here is some basic information about health coverage offered by this employer:

- As your employer, we offer a health plan to:
 - All employees.
 - Some employees. Eligible employees are:
 - ✦ Regular, Full-Time Employees (except Laborers and Seasonal Employees) scheduled to work 30 or more hours per week
- With respect to dependents:
 - We do offer coverage. Eligible dependents are:
 - ✦ Legal Spouses and dependent children to age 26. In CA only, eligible dependents include registered domestic partners and their dependent children to age 26.
 - We do not offer coverage.
- If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

**Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

MEDICAID

Medicaid is a federal and state-funded program that provides medical and health-related services to certain low-income individuals. If your income is at or below 133% of the federal poverty level, you may be eligible for Medicaid.

For additional information on Medicaid eligibility and enrollment, you should contact your State Medicaid office or visit www.healthcare.gov and search for Medicaid. See the chart below for contact information. You may also contact the TruGreen LandCare Benefits Service Center for additional information.

PREMIUM ASSISTANCE UNDER MEDICAID AND THE CHILDREN'S HEALTH INSURANCE PROGRAM (CHIP)

If you or your children are eligible for Medicaid or CHIP and you are eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage. These states use funds from their Medicaid or CHIP programs to help people who are eligible for these programs, but also have access to health insurance through their employer. If you or your children are not eligible for Medicaid or CHIP, you will not be eligible for these premium assistance programs.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a state listed below, you can contact your state Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, you can contact your state Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, you can ask the state if it has a program that might help you pay the premiums for an employer-sponsored plan.

Once it is determined that you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must permit you to enroll in your employer plan if you are not already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, you can contact the Department of Labor electronically at www.askebsa.dol.gov or by calling toll-free 1-866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2013. You should contact your state for further information on eligibility—

Note: This cost methodology is to show, in detail, how the Proposer arrived at the proposed contract price. This methodology is to reflect employee classifications to be used (e.g., landscape maintenance laborer, working supervisor, etc.); hours to be worked daily, weekly, and annually by each classification; hourly and annual wages to be paid to each classification; estimated annual payroll taxes; estimated annual allowances for vacation, sick, holiday, health and welfare, and pension. Proposer's costs for insurance, supplies, equipment, overhead, and any other miscellaneous costs are to be shown as requested. These costs, plus the gross labor costs and projected profit, must match the total to the Proposer's annual price as quoted in Form PW-2, Schedule of Prices. When there is a discrepancy between the price quoted in Form PW-2, Schedule of Prices, and this cost methodology, Form LW-8, the correctly calculated price indicated in Form PW-2, Schedule of Prices, shall prevail.

The above information was compiled from records that are available to me at this time and I declare under penalty of perjury that the information is true and accurate within the requirements of the proposal.
