

Informing and Assisting Relative Caregivers Applying for the Approved Relative Caregiver Program

1. All relative caregivers of non-federally eligible foster children who are currently only receiving CalWORKs (or no benefits at all), are informed about the Approved Relative Caregiver (ARC) program;

2. All relative caregivers are assisted in completing the application process for the ARC program (pursuant to Welfare and Institution Code Section 10500, which requires us to help); and

3. In all future cases in which a non-federally-eligible child is placed with a relative caregiver, staff from the Department of Children and Family Services (DCFS) assists the relative caregiver in completing the ARC program application.
