**Welcome!**

The National Association of Commissions for Women (NACW) invites you to attend the 45th Annual Conference and Empowerment Summit in Indianapolis, Indiana, on **July 19-23, 2015** at the **Crowne Plaza Union Station** in Downtown Indianapolis. With a conference theme of **"At the Crossroads of Equality and Justice,"** the conference will attract women and supporters from across the country seeking a renewed spirit and tools to make a difference for women and families in their communities. Our 2015 conference host - the Indiana Commission for Women - is working hard to plan a conference packed full of exciting, informative and energizing information.

About Indianapolis

There's so much to do in Indianapolis, you'll need to stay an extra week! As one of the country's most walkable cities, Indianapolis already promotes active, healthy travel. Numerous parks, paths and recreational amenities make Indy conducive to hosting energetic visitors of all ages and ability. There's a new 8-mile bicycle and pedestrian-friendly Cultural Trail connecting visitors to hotels, restaurants, attractions and cultural districts. The trail is lined with art and landscaping, leading it to garner international attention as a model for urban revitalization. Bicycle rentals are conveniently available throughout downtown at The Bike Hub@City Market and Wheel Fun Rentals in White River State Park, and some hotels provide guests with complimentary bikes during their stay.
