The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

APPROVAL OF NEW LEGAL ENTITY AGREEMENT WITH HELPLINE YOUTH COUNSELING, INC. FOR FISCAL YEARS 2003-2004, 2004-2005, AND 2005-2006 (SUPERVISORIAL DISTRICT 4) (3 VOTES)

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and instruct the Director of Mental Health or his designee to prepare, sign, and execute a new Legal Entity (LE) Agreement with a substance abuse service provider, Helpline Youth Counseling, Inc. (Helpline), substantially similar in format to Attachment I, for the provision of outpatient mental health services to seriously emotionally disturbed (SED) children and adolescents with co-occurring emotional and substance abuse problems and their families. The term of this new LE Agreement will be effective upon Board approval for Fiscal Years (FY) 2003-2004, 2004-2005, and 2005-2006. A six-month pro-rated Maximum Contract Amount (MCA) for this new Agreement is $75,000, which will be funded by existing budgeted appropriation in the amount of $31,522 of Early and Periodic Screening, Diagnosis, and Treatment (EPSDT) – State General Funds (SGF), $39,975 of Federal Financial Participation (FFP) Medi-Cal, and $3,503 of Realignment revenue for the 10% County growth match. An annualized MCA for each FY 2004-2005 and 2005-2006 is $150,000, funded by $67,500 of EPSDT-SGF, $75,000 of FFP Medi-Cal, and $7,500 of Realignment revenue for the 10% County growth match.

2. Delegate authority to the Director of Mental Health or his designee to prepare, sign, and execute future amendments to this LE Agreement with Helpline and establish as a new MCA the aggregate of the original contract and all amendments, provided that: 1) the County's total payments to contractor under the Agreement for each fiscal year shall not exceed a change of twenty percent from the applicable revised Maximum Contract Amount; 2) any increase shall be used to provide additional services or to reflect program and/or policy changes; 3) the Board of Supervisors has appropriated sufficient funds for all changes; 4) approval of County Counsel and the Chief Administrative Officer or his designee is obtained prior to any such Amendment; 5) the parties may by written Amendment mutually agree to reduce programs or services without reference to the twenty percent limitation; and 6) the Director of Mental Health shall notify the Board of Supervisors of Agreement changes in writing within 30 days after execution of each Amendment.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

Board approval is required to enter into a new LE Agreement with Helpline for the provision of mental health, targeted case management, medication support, and crisis intervention services to SED children and adolescents with co-occurring emotional and substance abuse problems. The new contractor is required to have a contract with the Department of Mental Health (DMH) to become Short-Doyle/Medi-Cal (SD/MC) certified. SD/MC certification will allow this new contractor to provide SD/MC reimbursable services, as defined in the Agreement, and to establish access to the EPSDT program revenues to cover the cost of services. The EPSDT program provides medically necessary services to Medi-Cal eligible beneficiaries under 21 years of age to correct or ameliorate a physical or mental disability or condition, even if the service is not included in the State's Medicaid Plan.

This new LE Agreement will enable Helpline to generate Medi-Cal revenues for providing mental health services and enhancing treatment services beyond what its substance abuse treatment program currently provides as part of its contract with the County of Los Angeles - Department of Health Services (DHS), Office of Alcohol and Drug Program Administration (ADPA).

Implementation of Strategic Plan Goals

The recommended Board actions are consistent with the County's Programmatic Goals 5 and 7, Children and Families' Well-Being and Health and Mental Health, within the Countywide Strategic Plan. Board approval will strengthen the mental health services delivery system and improve accessibility across County departments.

FISCAL IMPACT/FINANCING

There is no increase in net County cost. Appropriation in the amount of $75,000 is included in DMH's FY 2003-2004 Adopted Budget for this new Agreement. The annualized amount of $150,000 for FYs 2004-2005 and 2005-2006 will be requested during each of the respective fiscal year's budget process. The annualized amount will be funded by $67,500 EPSDT-SGF, $75,000 FFP Medi-Cal, and $7,500 of Realignment revenue for the 10% County growth match.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

In December 2002, the Auditor-Controller (A-C) conducted an investigation of an allegation of Helpline's preparation and submission of fictitious audited financial statements to County and concluded that the Director of Helpline was responsible. Subsequently, the A-C met with Helpline's new Board of Directors' Chairperson and reviewed their corrective action plan which called for the immediate resignation of the Executive Director and the hiring of new management. In a memo dated June 5, 2003 to your Board, the A-C concluded that Helpline's corrective action plan provided assurance that similar problems will not recur. Accordingly, the A-C determined that there was "no compelling reason" to stop contracting with Helpline and, therefore, recommended that the County continue contracting with Helpline and that County departments "actively monitor contract compliance."

On October 16, 2003, the Chief Administrative Office (CAO) informed DMH of the outcome of the A-C's investigation of the allegation against Helpline and concurred with the A-C's recommendation that it was appropriate to proceed with a contract with Helpline provided that DMH "actively monitor contract compliance." As a follow-up to the A-C's recommendation and the concurrence of County Counsel and the CAO, DMH is requesting your Board's approval of a new Agreement with Helpline, the seventh and last agency that submitted a negotiation package, which has been previously approved by DMH's management, for contracting mental health services to children and adolescents with co-occurring emotional and substance abuse problems.

Helpline, a non-profit agency, currently serves adolescents with co-occurring emotional, alcohol and drug abuse problems. The agency is located at 12440 E. Firestone Boulevard, Suite 1000, Norwalk, California 90250, in Supervisorial District 4.

Clinical and administrative staff of DMH are assigned to supervise and administer agreements, monitor contract compliance, evaluate programs to ensure that quality services are being provided to clients, and ensure that departmental policies are being followed.

The LE Agreement format has been updated to include Board-mandated and CAO provisions regarding contract notification within six months of expiration and 75% of the MCA incurred, the Preamble, a revised signature page for the Director of Mental Health or his designee, and a revised financial summary which includes the County growth match. The revised LE Agreement format has been approved as to form by County Counsel. The proposed actions have been reviewed by the CAO and DMH's Program and Financial Services administration.

The completed County of Los Angeles Community Business Enterprise (LAC/CBE) Program, Firm/Organization Information form is Attachment II.

CONTRACTING PROCESS

On December 3, 1999, DHS' ADPA issued a solicitation for Requests for Proposals (RFP) for Adolescent Intervention, Treatment, and Recovery Program Services. The deadline to submit a letter of intent was December 30, 1999, and February 1, 2000, for the proposal. Your Board approved the selection of 13 agencies on October 31, 2000.

Subsequently, ADPA and DMH held a meeting with alcohol and drug youth treatment providers and representatives from other County departments to discuss treatment and recovery services for adolescents with co-occurring emotional, alcohol and drug abuse problems. The meeting also focused on DMH's EPSDT program and provision of technical assistance to those agencies which were awarded contracts to provide youth alcohol and drug treatment services. It was anticipated that should mental health services be contracted with DMH, those services would generate additional EPSDT-SGF and FFP Medi-Cal revenue without the direct expenditure of County General Funds.

A total of seven agencies, including Helpline, submitted negotiation packages to DMH for contracting mental health services to children and adolescents served in their substance abuse treatment programs. Following the submission of these negotiation packages, DMH learned of an allegation against Helpline regarding misrepresentation of financial audit reports to the County and of an investigation by the A-C. Due to this serious

concern over the allegation, DMH withdrew Helpline from the Board letter filed on May 22, 2003 and proceeded with only six agencies for the provision of outpatient mental health services to minors with co-occurring emotional and substance abuse problems. On June 3, 2003, your Board approved new LE Agreements and one Amendment to an existing LE Agreement with those six contractors.

Upon Board approval of this new LE Agreement with the seventh substance abuse service provider, Helpline will be able to generate additional EPSDT-SGF and FFP Medi-Cal revenue for the provision of mental health, targeted case management, medication support, and crisis intervention services. Consequently, the new contractor will be able to integrate mental health services into its overall substance abuse treatment program for SED children and adolescents and their families.

IMPACT ON CURRENT SERVICES

Board approval will allow DMH to augment contracted mental health services throughout the county for SED children and adolescents who have co-occurring mental and substance abuse disorders.

CONCLUSION

The Department of Mental Health will need one (1) copy of the adopted Board's action. It is requested that the Executive Officer of the Board notifies the Department of Mental Health's Contracts Development and Administration Division at (213) 738-4684, when these documents are available.

Respectfully submitted,

1. TERM:

A. Initial Period: The Initial Period of this Agreement shall commence on _____ and shall continue in full force and effect through _____.

B. Automatic Renewal Period(s): After the Initial Period, this Agreement shall be automatically renewed two additional periods without further action by the parties hereto unless either party desires to terminate this Agreement at the end of either the Initial Period or First Automatic Renewal Period and gives written notice to the other party not less than thirty days prior to the end of the Initial Period or at the end of the First Automatic Renewal Period, as applicable.

C. Termination:

(1) This Agreement may be terminated by either party at any time without cause by giving at least thirty days prior written notice to the other party.

(2) This Agreement may be terminated by County immediately:

(a) If County determines that:

i. Any Federal, State, and/or County funds are not available for this Agreement or any portion thereof; or

ii. Contractor has failed to initiate delivery of services within 30 days of the commencement date of this Agreement; or

Services provided by Contractor shall be the same regardless of the patient's/client's ability to pay or source of payment.

Contractor shall be responsible for delivering services to new clients to the extent that funding is provided by County. Where Contractor determines that services to new clients can no longer be delivered, Contractor shall provide 30 days prior notice to County. Contractor shall also thereafter make referrals of new clients to County or other appropriate agencies.

Contractor shall not be required to provide the notice in the preceding paragraph when County reduces funding to Contractor, either at the beginning or during the fiscal year. In addition, when County cuts the funding for a particular program provided by Contractor, Contractor shall not be responsible for continuing services for those clients linked to that funding. Contractor shall also thereafter make referrals of those clients to County or other appropriate agencies.

substantial deviation may occur.

4. FINANCIAL PROVISIONS:

A. General: This Agreement provides for reimbursement as provided in this Paragraph 4 (FINANCIAL PROVISIONS), Subparagraph J (1) (Payment) and as shown on the Financial Page(s). The Contractor will comply with all requirements necessary for reimbursement as established by Federal, State and local statutes, laws, ordinances, rules, regulations, manuals, policies, guidelines and directives. Under no circumstances can the total Maximum Contract Amount of this Agreement be increased or decreased without a properly executed amendment.

(1) Capitated Rate: A fixed amount, including all revenue, interest and return, per enrolled individual/member paid monthly to Contractor for providing comprehensive mental health services/activities as required in that period for the covered individuals/members. All fees paid by or paid on behalf of an enrolled individual/member receiving services/activities hereunder and all other revenue, interest and return resulting from services/activities and/or funds hereunder shall be deducted from the Capitated Rate.

(2) Cost Reimbursement: County agrees to reimburse Contractor during the term of this Agreement for the actual and allowable costs, less all fees paid by or on behalf of patients/clients receiving services/activities hereunder and all other revenue, interest and return resulting from services/activities and/or funds paid by County to Contractor hereunder but not to exceed the Maximum Reimbursable Amount per visit as shown on the Financial Summary and the maximum number of allowable visits stipulated in the Fee-For-Service Medi-Cal Specialty Mental Health Services Provider Manual when Contractor is providing mental health services, specialty mental health services and/or Title XIX Medi-Cal Administrative Activities hereunder in accordance with WIC Sections 5704, 5707, 5709, 5710, 5714, 5716, 5717, 5718, 5719, 5720, 5721, 5723, and 14132.44; CCR Titles 9 and 22; SDMH Policy Letters; CR/DC Manual; RO/TCM Manual; DMH policies and procedures; and all other applicable Federal, State, and local laws, ordinances, rules, regulations manuals, guidelines, and directives.

Baseline increases imposed by the State will be imposed on the Contractor in like percentages.

EPSDT funds are part of the Maximum Contract Amount(s) of this Agreement and shall be paid by County to Contractor solely in County's capacity as the EPSDT claim intermediary between the Contractor and the State.

Notwithstanding any other provision of this Agreement, in the event that Contractor provides EPSDT services reimbursable under the State's EPSDT mandate claim process, in excess of the Contractor's Fiscal Year _____ base of $_____, Contractor shall be

paid by County from EPSDT funds upon receipt from the State. The CGF allocated on the Financial Summary Page for EPSDT baseline services is designated solely for EPSDT eligible services and no CGF in this category shall be transferred to any other category on said Financial Summary Page. In the event that EPSDT funds are not available to pay EPSDT claims or that State denies any or all of the EPSDT claims submitted by County on behalf of Contractor, Contractor shall indemnify and hold harmless County for any and all liability for payment of any or all of the denied EPSDT claims or for the unavailability of EPSDT funds to pay for EPSDT claims. Contractor shall be solely liable and responsible for all data and information submitted by Contractor to County in support of all claims for EPSDT funds submitted by County as the fiscal intermediary.

(4) IMD: County agrees to reimburse Contractor during the term of this Agreement for providing IMD mental health services/activities in accordance with State laws and regulations.

This Maximum Contract Amount includes Cash Flow Advance which is repayable through cash and/or appropriate SFC units and/or actual and allowable costs as authorized by other provisions of this Agreement. Notwithstanding any other provision of this Agreement, in no event shall County pay Contractor more than this Maximum Contract Amount for Contractor's performance hereunder during the Initial Period. Furthermore, Contractor shall inform County when up to seventy-five percent (75%) of the Maximum Contract Amount has been incurred. Contractor shall send such notice to those persons and addresses which are set forth in Paragraph 57 (NOTICES).

H. Government Funding Restrictions: This Agreement shall be subject to any restrictions, limitations, or conditions imposed by State, including, but not limited to, those contained in State's Budget Act, which may in any way affect the provisions or funding of this Agreement. This Agreement shall also be subject to any additional restrictions, limitations, or conditions imposed by the Federal government which may in any way affect the provisions or funding of this Agreement.

I. Patient/Client Eligibility, UMDAP Fees, Third Party Revenue, and Interest:

(1) Contractor shall comply with all County, State, and Federal requirements and procedures, as described in WIC Sections 5709, 5710 and 5721, relating to: (1) the determination and collection of patient/client fees for services hereunder based on UMDAP and DMH's Revenue Manual, (2) the eligibility of patients/clients for Short-Doyle/Medi-Cal, Medicare, private insurance, or other third party revenue, and (3) the collection, reporting and deduction of all patient/client and other revenue for patients/clients receiving services hereunder. (1) For each month of the term of this Agreement, Contractor shall submit to County a claim for each applicable row (payer funding source) identified on the Financial Summary and Rate Schedule, in the form and content specified by County. Each monthly claim shall be submitted within sixty days of Contractor's receipt of County's MIS reports for the last date mental health services were provided during the particular month and within sixty days of the last date Title XIX Medi-Cal Administrative Activities were provided during the particular month.

(a) Capitated Rate: Contractor's monthly claim to County shall show all Contractor's enrolled individuals/members covered by the Capitated Rate Program and all other revenue, interest and return resulting from services/activities and/or funds paid by County to Contractor hereunder for the particular month.

(b) Cost Reimbursement: Contractor's monthly claim to County shall show

all Contractor's actual and allowable costs and all other revenue, interest and return resulting from services/activities and/or funds paid by County to Contractor hereunder for the particular month. The County may make provisional reimbursement, subject to final settlement to cost. All provisional reimbursement shall be based upon specialty mental health services actually provided as shown on County's Claims Systems reports. Contractor certifies that all units of service claimed by Contractor on a provisional reimbursement basis are true and accurate claims for reimbursement.

(c) For IMDs Only: Those Institutions for Mental Disease which are licensed as Skilled Nursing Facilities (SNF) by SDHS are, thereby, entitled by law to the rates established by SDHS for Skilled Nursing Facilities. The IMD rate consists of a basic SNF rate and a STP rate, or a MHRC rate. Contractor's monthly claim to County shall be for those patient days that have been approved in writing by the County and shall be separately itemized by each patient day. Claims shall be submitted to County within 30 days of the end of the billing period. Monthly claims shall be reviewed and approved by County.

(d) Negotiated Rate: Contractor's monthly claim to County shall be separately itemized by each SFC to show the payment calculation for each SFC by multiplying the SFC units as shown on MIS reports by the applicable NR for such SFC as shown on the Financial Summary, except that for PATH and SAMHSA services, Contractor's monthly claim shall show Contractor's actual and allowable costs, less all fees paid by or on behalf of patients/clients receiving services hereunder and all other revenue, interest and return resulting from services/activities and/or funds paid by County to Contractor hereunder.

(1) DMH shall have the option to deny payment for services when documentation of clinical work does not meet minimum State and County standards.

(2) Final reimbursement to Contractor shall not exceed the listed rates as shown on the Financial Summary. (3) For Organizational Providers only. Provisional reimbursement shall be based on the rates shown on the Provisional Rate Schedule(s) as published and periodically revised as supplements to the Los Angeles County DMH Fee-For-Service Medi-Cal Specialty Mental Health Services Provider Manual by the DMH, Office of Managed Care and distributed to DMH Organizational Providers and to the Los Angeles County DMH Contracts Development and Administration Division.

Further, Contractor agrees to hold harmless both the State and beneficiary in the event County cannot or will not pay for services performed by Contractor pursuant to this Agreement.

(2) On the basis of this monthly claim and after Director's review and approval of the monthly claim, Contractor shall receive from County payment of Contractor's claimed amount for NR services, actual and allowable costs for all cost reimbursed services and activities, and claimed amount for Capitated Rate, less all revenue, interest and return resulting from services/activities and/or funds paid by County to Contractor hereunder, including, but not limited to, all Medicare, patient/client fees, private insurance, and any other revenue, interest and return as described in Subsection 7 of Subparagraph I (Patient/Client Eligibility, UMDAP Fees, Third Party Revenue, and Interest).

The monthly claim and subsequent payment shall be made in accordance with County policies and procedures. If a claim is not submitted as required by County, then payment shall be withheld until County is in receipt of a complete and correct claim and such claim has been reviewed and approved by Director.

If Contractor has received any Cash Flow Advance pursuant to Subparagraph K (Cash Flow Advances In Expectation of Services/Activities To Be Rendered), then Director may, in his discretion, at any time, make adjustments to any of Contractor's monthly claims as necessary to ensure that Contractor shall not be paid by County a sum in excess of the amount determined by multiplying the SFC units as shown on MIS reports by the applicable NR for such SFC as shown on the Financial Summary for NR services and/or Contractor's actual and allowable costs of providing mental health services and Title XIX Medi-Cal Administrative Activities and/or a sum in excess of the amount determined by multiplying the Capitated Rate by the applicable enrolled individuals/members for Capitated Rate Contractors, or the Maximum Contract Amount for such Fiscal Year as shown in Subparagraphs B (Reimbursement for Initial Period) or C (Reimbursement If Agreement Is Automatically Renewed), whichever is less, less all revenue, interest and return resulting from services/activities and/or funds paid by County to Contractor hereunder. Contractor may request in writing, and shall receive if requested, DMH's computations for determining any adjustment to Contractor's monthly claim.

(3) All monthly claims shall be subject to adjustment based upon the MIS reports, EOB data, and/or Contractor's Annual Cost Report which shall supersede and take precedence over all claims.

(4) All monthly claims shall be based on mental health services actually provided as shown on MIS reports and/or Title XIX Medi-Cal Administrative Activities actually provided as shown by State-approved time studies prepared or actual and allowable costs for State approved units of activities reported by Contractor. Contractor certifies that all units of services reported by Contractor into MIS are true and accurate claims for reimbursement.

(5) EPSDT Title XIX Medi-Cal funds, and Title XIX Short-Doyle/Medi-Cal FFP funds shall be paid by County to Contractor only for State approved claims for EPSDT Title XIX Medi-Cal

and/or Title XIX Short-Doyle/Medi-Cal SFC units provided to eligible Medi-Cal beneficiaries. EPSDT Title XIX Medi-Cal funds, and Title XIX Short-Doyle/Medi-Cal FFP funds shall be paid by County to Contractor only in arrears, only for the period of time Contractor is certified as a Title XIX Short-Doyle/Medi-Cal provider, only to the extent that eligible FFP matching funds are available under this Agreement, and only after County has received EPSDT and FFP payment from State.

(6) Title XIX Medi-Cal Administrative Activities FFP funds shall be paid by County to Contractor only for State approved claims for Title XIX Medi-Cal Administrative Activities based on time studies prepared or actual and allowable costs for units of activities reported by Contractor. Title XIX Medi-Cal Administrative Activities FFP funds shall be paid by County to Contractor only in arrears and only if Contractor is authorized as a Title XIX Medi-Cal Administrative Activities provider, only to the extent that eligible FFP matching funds are available under this Agreement, and only after County has received FFP payment from State.

(7) EPSDT and FFP funds shall be paid by County to Contractor solely in County's capacity as the fiscal intermediary for EPSDT Title XIX Medi-Cal services, Title XIX Short-Doyle/Medi-Cal services, and Title XIX Medi-Cal Administrative Activities. Each Fiscal Year of the term of this Agreement, County shall pay to Contractor FFP funds only to the extent that the applicable Maximum Contract Amount has eligible State and/or local funds which qualify as the match to FFP, as required by Federal and/or State laws, regulations, manuals, guidelines, and directives.

(8) EPSDT Title XIX Medi-Cal services funds, Title XIX Short-Doyle/Medi-Cal services FFP funds, Title XIX Medi-Cal Administrative Activities FFP funds, shall be paid by County to Contractor solely in County's capacity as the fiscal intermediary for EPSDT Title XIX Medi-Cal services, Title XIX Short-Doyle/Medi-Cal services, Title XIX Medi-Cal Administrative Activities. Each Fiscal Year of the term of this Agreement, County shall pay to Contractor EPSDT Title XIX Medi-Cal services, and/or Title XIX Short-Doyle/Medi-Cal services, and/or Title XIX Medi-Cal Administrative Activities funds only to the extent required by Federal laws, regulations, manuals, guidelines, and directives.

(9) Notwithstanding any other provision of this Agreement, in the event that Contractor provides EPSDT Title XIX Medi-Cal services pursuant to the EPSDT provisions of this Agreement in excess of Contractor's EPSDT baseline as identified in Paragraph 4 (FINANCIAL PROVISIONS), Subparagraph A (3) (EPSDT) as calculated with SDMH service approval data, and County does not meet the Fiscal Year 1994-95 base as adjusted by the State, Contractor shall be paid by County from a CGF risk reserve pool established for this purpose. The CGF risk reserve pool funds shall be maintained in accordance with County policies and procedures and shall be for the SDMH general fund portion of the individual Contractor's EPSDT approved services.

(10) County pays any EPSDT-SGF (Early and Periodic Screening, Diagnosis, and Treatment–State General Funds) local matching funds in excess of the EPSDT baseline as identified in Paragraph 4 (FINANCIAL PROVISIONS), Subparagraph A (3) (EPSDT) and Medi-Cal Federal Financial

Participation Funds (FFP) to Contractor solely in County's capacity as the EPSDT-SGF and FFP intermediary between the Contractor and the State. Solely to assist the County in expeditiously processing and initially paying Contractor (because of the internal accounting necessity for appropriation authority) for such claims for payment pending reimbursement from the state, the Maximum Contract Amount(s) of this Agreement shall include EPSDT-SGF and/or FFP. This will establish legal authorization by the Board of Supervisors to make expenditures for the services and/or activities identified on the Financial Summary and Service Exhibit(s) of this Agreement, pending reimbursement by the state. To the extent Contractor exceeds the EPSDT-SGF and/or FFP amount(s) included in this Agreement, such excess will be paid to Contractor only upon Contract Amendment approved by the Board of Supervisors, or from an Appropriation Account set up to record the Board's specific authorization to spend EPSDT-SGF and FFP in excess of the Maximum Contract Amount(s).

Contractor understands and agrees that County's assistance in processing and, as an intermediary for the State and Federal governments, initially paying for EPSDT-SGF and FFP in accordance with the above is subject to reimbursement from the State and does not render County in any way responsible for the substantive obligation to be ultimately fiscally responsible for payment for Contractor's claims for payment for these services. Contractor's entitlement to payment for such services, or claimed services, is entirely dependent upon compliance with the law and regulations related to same. In the event of a dispute regarding entitlement for payment, Contractor agrees that County is not liable for payment for such claims and will not pursue any such claims for payment against County.

K. Cash Flow Advance In Expectation of Services/Activities To Be Rendered:

For each month of each fiscal year, County will reimburse Contractor based upon the County and/or State and/or federal government(s) processing of the reimbursement claims for rendered services/activities submitted by Contractor to the County subject to claim edits, and future settlements and audit processes. However, for each month of each fiscal year not to exceed three (3) or five (5) consecutive months, or portion thereof, as described below, and for such month the County and/or State and/or federal government(s) have not made payment, and/or such payment is less than $1/12^{th}$ of the Maximum Contract Amount, Contractor may request in writing from County a monthly County General Fund Cash Flow Advance as herein described.

Cash Flow Advance shall consist of, and shall be payable only from, the Maximum Contract Amount appropriation approved by County's Board of Supervisors for the particular fiscal year in which the costs are to be incurred and upon which the request(s) is (are) based.

Cash Flow Advance is intended to provide cash flow to Contractor pending Contractor's rendering and billing of eligible services/activities, as identified by Paragraph 3, DESCRIPTION OF SERVICES/ACTIVITIES of this Agreement, to the County and/or State and/or federal government(s), and the County and/or State and/or federal government(s) have made payment for such

services/activities. Contractor may request each monthly Cash Flow Advance only for such services/activities and only when there is no reimbursement from other public or private sources for such services/activities.

The Cash Flow Advance amount for any particular month will be reduced by County payments of actual reimbursement claims received by County from the Contractor. The County's claims payment process is initiated immediately upon County receipt from Contractor of a reimbursement claim. If such Contractor reimbursement claim is received at any time during either the initial three (3) or two (2) additional consecutive months, the monthly payment to Contractor will include the payment for such actual reimbursement claim thereby reducing the Cash Flow Advance disbursement amount for that particular month.

Cash Flow Advance is based upon the following:

(1) Each month of each fiscal year not to exceed three (3) consecutive months, or portion thereof, that this Agreement is in effect, Contractor may request, separately for each month, in writing from County a monthly County General Fund Cash Flow Advance for any funds which may be part of the Maximum Contract Amount for such fiscal year as identified on the Financial Summary Page. Contractor shall specify in their request the amount of the monthly Cash Flow Advance not to exceed $_____ per month and the total Cash Flow Advance for the three (3) months shall not exceed $_____. The Cash Flow Advance monthly amount is 1/12th of Maximum Contract Amount as identified on the Financial Summary Page, annualized Maximum Contract Amount if a partial year.

(2) A Contractor providing EPSDT Short-Doyle Medi-Cal services as part of this Agreement, may for two (2) additional consecutive months, or portion thereof, that this Agreement is in effect, request, separately for each month, in writing from County a monthly County General Fund Cash Flow Advance for any FFP and/or EPSDT-SGF funds designated for clients less than 21 years of age which may be part of the Maximum Contract Amount for such fiscal year as shown on the Financial Summary Page. Contractor shall specify in their request the amount of the monthly Cash Flow Advance not to exceed $_____ per month for each of the two (2) additional consecutive months and the total Cash Flow Advance for the two (2) additional consecutive months shall not exceed $_____.

The Cash Flow Advance monthly amount for each of the two (2) consecutive months is:

(1) 1/12th of the Maximum Contract Amount for EPSDT-SGF as identified on the Financial Summary Page, annualized Maximum Contract Amount if a partial year plus;

(2) An amount equal to the 1/12th of the Maximum Contract Amount for EPSDT-SGF that is the Cash Flow Advance component for the anticipated FFP financial participation to be provided by the federal government for services provided to EPSDT Medi-Cal beneficiaries.

Upon receipt of a request, Director, in his sole discretion, shall determine whether to approve the Cash Flow Advance request and, if approved, whether the request is approved in whole or in part. The time schedules and examples for County claims payment, and the 3 and 5 months Cash Flow

Advance disbursement(s) and Contractor repayment of Cash Flow Advance funds to County by means of a County offset to Contractor claims to County are incorporated herein as Attachment V.

County identifies if Contractor's units of service and State FFP & EPSDT-SGF approvals are meeting or exceeding the contracted levels and if not Cash Flow Advance recovery is initiated to ensure Contractor completes repayment of the Cash Flow Advance with units of services by the time the Contractor's fiscal year's twelfth month of claims are received and processed.

Any County and/or State and/or federal government(s) approved Contractor reimbursement claims for eligible services/activities in excess of the actual unpaid Cash Flow Advance County to Contractor will be disbursed in accordance with the terms and conditions of this Agreement.

Should Contractor request and receive Cash Flow Advance, Contractor shall exercise cash management of such Cash Flow Advance in a prudent manner.

(1) For IMD, PHF and Mental Health Rehabilitation Center Contractors Only: The amount of a Cash Flow Advance payment shall be based on 95% of the average daily census for the last two months of the preceding fiscal year.

R. County Audit Settlements: If, at any time during the term of this Agreement or at any time after the expiration or termination of this Agreement, authorized representatives of County conduct an audit of Contractor regarding the mental health services and/or Title XIX Medi-Cal Administrative Activities provided hereunder and if such audit finds that County's dollar liability for such services and/or administrative activities is less than payments made by County to Contractor, then the difference shall be due by Contractor to County, unless Contractor files an appeal with County, in which case the amount due, if any, will be determined upon the completion of the appeal. Contractor shall pay County according to the method described in Subparagraph S (Payments Due to County/Method of Payment).

County, at its sole option, may obtain damages from Contractor resulting from said breach. Alternatively, County may purchase such required insurance coverage, and without further notice to Contractor, County may deduct from sums due to Contractor any premium costs advanced by County for such insurance.

Additionally, County approval of any subcontract shall not be construed in any way to constitute the determination of the allowability or appropriateness of any cost or payment under this Agreement.

F. In the event that County consents to any subcontracting, such consent shall be subject to County's right to give prior and continuing approval of any and all subcontractor personnel providing services under such subcontract. Contractor shall assure that any subcontractor personnel not approved by County shall be immediately removed from the provision of any services under the particular subcontract or that other action is taken as requested by County. I. In the event that County consents to any subcontracting, such consent shall apply to each particular subcontract only and shall not be, or be construed to be, a waiver of this Paragraph 27 or a blanket consent to any further subcontracting.

J. In the event that County consents to any subcontracting, Contractor shall be solely liable and responsible for any and all payments and/or other compensation to all subcontractors and their officers, employees, and agents. County shall have no liability or responsibility whatsoever for any payment and/or other compensation for any subcontractors or their officers, employees, and agents.

A. Contractor shall obtain and maintain in effect during the term of this Agreement, all licenses, permits, registrations, accreditations, and certificates (including, but not limited to, certification as a Short-Doyle/Medi-Cal provider if Title XIX Short-Doyle/Medi-Cal services are provided hereunder), as required by all Federal, State, and local laws, ordinances, rules, regulations, manuals, guidelines, and directives, which are applicable to Contractor's facility(ies) and services under this Agreement. A copy of each such license, permit, registration, accreditation, and certificate (including, but not limited to, certification as a Short-Doyle/Medi-Cal provider if Title XIX Short-Doyle/Medi-Cal services are provided hereunder) as required by all applicable Federal, State, and local laws, ordinances, rules, regulations, manuals, guidelines and directives shall be provided, in duplicate, to DMH's Contracts Development and Administration Division.

B. If Contractor is a participant in the Short-Doyle/Medi-Cal program, Contractor shall keep fully informed of all current Short-Doyle/Medi-Cal Policy Letters, including, but not limited to, procedures for maintaining Medi-Cal certification of all its facilities.

32. TERMINATION FOR INSOLVENCY:

A. County may terminate this Agreement immediately in the event of the occurrence of any of the following:

(1) Insolvency of Contractor. Contractor shall be deemed to be insolvent if it has ceased to pay its debts for at least sixty days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not Contractor is insolvent within the meaning of the Federal Bankruptcy Code.

(2) The filing of a voluntary or involuntary petition regarding Contractor under the Federal Bankruptcy Code.

(3) The appointment of a Receiver or Trustee for Contractor.

(4) The execution by Contractor of a general assignment for the benefit of creditors.

B. The rights and remedies of County provided in this Paragraph 32 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

33. TERMINATION FOR DEFAULT:

A. County may, by written notice of default to Contractor, terminate this Agreement immediately in any one of the following circumstances:

(1) If, as determined in the sole judgment of County, Contractor fails to perform any services within the times specified in this Agreement or any extension thereof as County may authorize in writing; or

(2) If, as determined in the sole judgment of County, Contractor fails to perform and/or comply with any of the other provisions of this Agreement or so fails to make progress as to endanger performance of this Agreement in accordance with its terms, and in either of these two circumstances, does not cure such failure within a period of five days (or such longer period as County may authorize in writing) after receipt of notice from County specifying such failure.

B. In the event that County terminates this Agreement as provided in Subparagraph A, County may procure, upon such terms and in such manner as County may deem appropriate, services similar to those so terminated, and Contractor shall be liable to County for any reasonable excess costs incurred by County, as determined by County, for such similar services.

C. The rights and remedies of County provided in this Paragraph 33 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

34. TERMINATION FOR IMPROPER CONSIDERATION: County may, by written notice to Contractor, immediately terminate the right of Contractor to proceed under this Agreement if it is found that consideration, in any form, was offered or given by Contractor, either directly or through an intermediary, to any County officer, employee or agent with the intent of securing the Agreement or securing favorable treatment with respect to the award, amendment or extension of the Agreement or the making of any determinations with respect to the Contractor's performance pursuant to the

Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by the Contractor.

Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (213) 974-0914 or (800) 544-6861.

Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

35. SEVERABILITY: If any provision of this Agreement or the application thereof to any person or circumstance is held invalid, the remainder of this Agreement and the application of such provision to other persons or circumstances shall not be affected thereby.

36. CAPTIONS AND PARAGRAPH HEADINGS: Captions and paragraph headings used in this Agreement are for convenience only and are not a part of this Agreement and shall not be used in construing this Agreement.

37. ALTERATION OF TERMS: No addition to, or alteration of, the terms of the body of this Agreement, or the Financial Summary or Service Exhibit(s) hereto, whether by written or oral understanding of the parties, their officers, employees or agents, shall be valid and effective unless made in the form of a written amendment to this Agreement which is formally approved and executed by the parties in the same manner as this Agreement.

38. ENTIRE AGREEMENT: The body of this Agreement; all attachments; Financial Summary(ies), Service Delivery Site Exhibit, and Service Exhibit(s) _____ _____,attached hereto and incorporated herein by reference; and Contractor's Negotiation Package for this Agreement, as approved in writing by Director, including any addenda thereto as approved in writing by Director, which are hereby incorporated herein by reference but not attached; shall constitute the complete and exclusive statement of understanding between the parties which supersedes all previous agreements, written or oral, and all other communications between the parties relating to the subject matter of this Agreement. In the event of any conflict or inconsistency in the definition or interpretation of any word, responsibility, or schedule, or the contents or description of any service or other work, or otherwise, between the body of this Agreement and the other referenced documents, or between such other documents, such conflict or inconsistency shall be resolved by giving precedence first to the body of this Agreement and its definitions and then to such other documents according to the following priority:

A. Financial Summary(ies)

B. Service Delivery Site Exhibit

C. Service Exhibit(s)

D. Contractor's Negotiation Package.

39. WAIVER: No waiver by County of any breach of any provision of this Agreement shall constitute a waiver of any other breach of such provision. Failure of County to enforce at any time, or from time to time, any provision of this Agreement shall not be construed as a waiver thereof. The rights and remedies set forth in this Paragraph 39 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

40. EMPLOYMENT ELIGIBILITY VERIFICATION: Contractor warrants that it fully complies with all Federal statutes and regulations regarding employment of aliens and others and that all its employees performing services hereunder meet the citizenship or alien status requirements set forth in Federal statutes and regulations. Contractor shall obtain, from all covered employees performing services hereunder, all verification and other documentation of employment eligibility status required by Federal statutes and regulations as they currently exist and as they may be hereafter amended. Contractor shall retain all such documentation for the period prescribed by law. Contractor shall indemnify, defend, and hold harmless County, its officers and employees from and against any employer sanctions and any other liability which may be assessed against Contractor or County in connection with any alleged violation of any Federal statutes or regulations pertaining to the eligibility for employment of persons performing services under this Agreement.

41. PUBLIC ANNOUNCEMENTS AND LITERATURE: In public announcements and literature distributed by Contractor for the purpose of apprising patients/clients and the general public of the nature of its treatment services, Contractor shall clearly indicate that the services which it provides under this Agreement are funded by the County of Los Angeles.

42. PURCHASES:

A. Purchase Practices: Contractor shall fully comply with all Federal, State and County laws, ordinances, rules, regulations, manuals, guidelines, and directives, in acquiring all furniture, fixtures, equipment, materials, and supplies. Such items shall be acquired at the lowest possible price or cost if funding is provided for such purposes hereunder.

B. Proprietary Interest of County: In accordance with all applicable Federal, State and County laws, ordinances, rules, regulations, manuals, guidelines and directives, County shall retain all proprietary interest, except the use during the term of this Agreement, in all furniture, fixtures, equipment, materials, and supplies, purchased or obtained by Contractor using any County funds. Upon the expiration or termination of this Agreement, the discontinuance of the business of Contractor, the failure of Contractor to comply with any of the provisions of this Agreement, the bankruptcy of Contractor or its giving an assignment for the benefit of creditors, or the failure of Contractor to satisfy any judgment against it within thirty days of filing, County shall have the right to take immediate possession of all such furniture, removable fixtures, equipment, materials, and supplies, without any claim for reimbursement whatsoever on the part of Contractor. County, in conjunction with Contractor, shall attach identifying labels on all such property indicating the proprietary interest of County.

C. Inventory Records, Controls and Reports: Contractor shall maintain accurate and complete inventory records and controls for all furniture, fixtures, equipment, materials, and supplies, purchased or obtained using any County funds. Within ninety days following the execution of this Agreement, Contractor shall provide Director with an accurate and complete inventory report of all furniture, fixtures, equipment, materials, and supplies, purchased or obtained using any County funds. The inventory report shall be prepared by Contractor on a form or forms designated by Director, certified and signed by an authorized officer of Contractor, and one copy thereof shall be delivered to County within thirty days of any change in the inventory. Within five days after the expiration or termination of the Agreement, Contractor shall submit to County six copies of the same inventory report updated to the expiration or termination date of the Agreement, certified and signed by an authorized officer of Contractor, based on a physical count of all items of furniture, fixtures, equipment, materials, and supplies, as of such expiration or termination date.

D. Protection of Property in Contractor's Custody: Contractor shall maintain vigilance and take all reasonable precautions, to protect all furniture, fixtures, equipment, materials, and supplies, purchased or obtained using any County funds, against any damage or loss by fire, burglary, theft, disappearance, vandalism or misuse. In the event of any burglary, theft, disappearance, or vandalism of any item of furniture, fixtures, equipment, materials, and supplies, Contractor shall immediately notify the police and make a written report thereof, including a report of the results of any investigation which may be made. In the event of any damage or loss of any item of furniture, fixtures, equipment, materials, and supplies, from any cause, Contractor shall immediately send Director a detailed, written report. Contractor shall contact DMH's Administrative Services Division for instructions for disposition of any such property which is worn out or unusable.

E. Disposition of Property in Contractor's Custody: Upon the termination of the funding of any program covered by this Agreement, or upon the expiration or termination of this Agreement, or at any other time that County may request, Contractor shall: (1) provide access to and render all necessary assistance for physical removal by County or its authorized representatives of any or all furniture, fixtures, equipment, materials, and supplies, purchased or obtained using any County funds, in the same condition as such property was received by Contractor, reasonable wear and tear excepted, or (2) at Director's option, deliver any or all items of such property to a location designated by Director. Any disposition, settlement or adjustment connected with such property shall be in accordance with all applicable Federal, State and County laws, ordinances, rules, regulations, manuals, guidelines and directives.

43. AUTHORIZATION WARRANTY: Contractor represents and warrants that the person executing this Agreement for Contractor is an authorized agent who has actual authority to bind Contractor to each and every term, condition, and obligation of this Agreement and that all requirements of Contractor have been fulfilled to provide such actual authority.

44. RESTRICTIONS ON LOBBYING: If any Federal funds are to be used to pay for any of Contractor's services under this Agreement, Contractor shall fully comply with all certification and disclosure requirements prescribed by Section 319 of Public Law 101-121 (31 United States Code Section 1352) and any implementing regulations, and shall ensure that each of its subcontractors receiving funds under this Agreement also fully complies with all such certification and disclosure requirements.

45. CERTIFICATION OF DRUG-FREE WORK PLACE: Contractor certifies and agrees that Contractor and its employees shall comply with DMH's policy of maintaining a drug-free work place. Contractor and its employees shall not manufacture, distribute, dispense, possess, or use any controlled substances as defined in 21 United States Code Section 812, including, but not limited to, marijuana, heroin, cocaine, and amphetamines, at any of Contractor's facilities or work sites or County's facilities or work sites. If Contractor or any of its employees is convicted of or pleads nolo contendere to any criminal drug statute violation occurring at any such facility or work site, then Contractor, within five days thereafter, shall notify Director in writing.

46. COUNTY LOBBYISTS: Contractor and each County lobbyist or County lobbying firm as defined in Los Angeles County Code Section 2.160.010, retained by Contractor, shall fully comply with County's Lobbyist Ordinance, Los Angeles County Code Chapter 2.160. Failure on the part of Contractor or any County lobbyist or County lobbying firm retained by Contractor to fully comply with County's Lobbyist Ordinance shall constitute a material breach of this Agreement upon which County may immediately terminate or suspend this Agreement.

47. MAINTENANCE STANDARDS FOR SERVICE DELIVERY SITES: Contractor shall assure that all locations where services are provided under this Agreement are operated at all times in accordance with all County community standards with regard to property maintenance and repair, graffiti abatement, refuse removal, fire safety, landscaping, and in full compliance with all applicable local laws, ordinances, and regulations relating to the property. County's periodic monitoring visits to Contractor's facility(ies) shall include a review of compliance with this Paragraph 47.

48. CHILD SUPPORT COMPLIANCE PROGRAM:

A. Contractor's Acknowledgement of County's Commitment to Child Support Enforcement: The Contractor acknowledges that the County places a high priority on the enforcement of child support laws and the apprehensive of child support evaders. The Contractor understands that it is the County's policy to encourage all County Contractors to voluntarily post the County's "LA's Most Wanted: Delinquent Parent's" poster in a prominent position at the Contractor's place of business. The County's Child Support Services Department will supply the Contractor with the poster to be used.

B. Contractor's Warranty of Adherence to County's Child Support Compliance Program:

(1) The Contractor acknowledges that the County has established a goal of ensuring that all individuals who benefit financially from the County through Purchase Order or

Agreement are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers.

(2) As required by the County's Child Support Compliance Program (County Code Chapter 2.200) and without limiting the Contractor's duty under this Agreement to comply with all applicable provisions of law, the Contractor warrants that it is now in compliance and shall during the term of this Agreement maintain compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

49. NOTICE TO EMPLOYEES REGARDING THE FEDERAL EARNED INCOME CREDIT: Contractor shall notify its employees, and shall require each subcontractor to notify its employees, that they may be eligible for the federal Earned Income Credit under the federal income tax laws. Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Service Notice 1015.

50. USE OF RECYCLED-CONTENT PAPER PRODUCTS: Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use recycled-content paper to the maximum extent possible on the Project.

51. CONTRACTOR RESPONSIBILITY AND DEBARMENT: The following requirements set forth in the Ordinance are effective for this Agreement, except to the extent applicable State and/or Federal laws are inconsistent with the terms of the Ordinance.

A. A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible contractors.

B. The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other Agreements which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Agreement, debar the Contractor from bidding on County contracts for a specified period of time not to exceed 3 years, and terminate any or all existing contracts the Contractor may have with the County.

C. The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated any term of an Agreement with the County, (2) committed any act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the County or any other public entity, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim

against the County or any other public entity.

D. If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

E. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a proposed decision, which shall contain a recommendation regarding whether the contractor should be debarred, and, if so, the appropriate length of time of the debarment. If the Contractor fails to avail itself of the opportunity to submit evidence to the Contractor Hearing Board, the Contractor may be deemed to have waived all rights of appeal.

F. A record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny or adopt the proposed decision and recommendation of the Hearing Board.

G. These terms shall also apply to subcontractors/subconsultants of County Contractors.

52. CONTRACTOR'S EXCLUSION FROM PARTICIPATION IN A FEDERALLY FUNDED PROGRAM:

Contractor hereby warrants that neither it nor any of its staff members is restricted or excluded from providing services under any health care program funded by the Federal government, directly or indirectly, in whole or in part, and that Contractor will notify Director within thirty (30) calendar days in writing of: (1) any event that would require Contractor or a staff member's mandatory exclusion from participation in a Federally funded health care program; and (2) any exclusionary action taken by any agency of the Federal government against Contractor or one or more staff members barring it or the staff members from participation in a Federally funded health care program, whether such bar is direct or indirect, or whether such bar is in whole or in part.

There are a variety of different reasons why an individual or entity may be excluded from participating in a Federally funded health care program. Sometimes, the exclusion is mandatory and in other cases the OIG has the discretion not to exclude.

The mandatory bases for exclusion include: (1) felony convictions for program related crimes, including fraud or false claims, or for offenses related to the dispensing or use of controlled substances, or (2) convictions related to patient abuse.

Permissive exclusions may be based on: (1) conviction of a misdemeanor related to fraud or financial misconduct involving a government program; (2) obstructing an investigation; (3) failing to provide access to documents or premises as required by federal healthcare program officials; (4) conviction of a misdemeanor related to controlled substances; (5) failing to disclose information about

the entity itself, its subcontractors or its significant business transactions; (6) loss of a state license to practice a healthcare profession; (7) default on a student loan given in connection with education in a health profession; (8) charging excessive amounts to a Federally funded health care program or furnishing services of poor quality or which are substantially in excess of the needs of the patients; (9) paying a kickback or submitting a false or fraudulent claim. Persons controlling or managing excluded entities who knew of the conduct leading to the exclusion can themselves be excluded, and entities which are owned and controlled by excluded individuals can also be excluded.

Contractor shall indemnify and hold County harmless against any and all loss or damage County may suffer arising from any Federal exclusion of Contractor or its staff members from such participation in a Federally funded health care program. Contractor shall provide the certification set forth in Attachment VI as part of its obligation under this Paragraph 52.

Failure by Contractor to meet the requirements of this Paragraph 52 shall constitute a material breach of Agreement upon which County may immediately terminate or suspend this Agreement.

53. HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT: The parties acknowledge the existence of the Health Insurance Portability and Accountability Act of 1996 and its implementing regulations ("HIPAA"). Contractor understands and agrees that it is a *"Covered Entity"* under HIPAA and, as such, has obligations with respect to the confidentiality, privacy, and security of patients' medical information, and must take certain steps to preserve the confidentiality of this information, both internally and externally, including the training of staff and the establishment of proper procedures for the release of such information, including the use of appropriate consents and authorizations specified under HIPAA.

The parties acknowledge their separate and independent obligations with respect to HIPAA, and that such obligations relate to *transactions and code sets*, *privacy*, and *security*. Contractor understands and agrees that it is separately and independently responsible for compliance with HIPAA in all these areas and that County has not undertaken any responsibility for compliance on Contractor's behalf. Contractor has not relied, and will not in any way rely, on County for legal advice or other representations with respect to Contractor's obligations under HIPAA, but will independently seek its own counsel and take the necessary measures to comply with the law and its implementing regulations.

Contractor and County understand and agree that each is independently responsible for HIPAA compliance and agree to take all necessary and reasonable actions to comply with the requirements of HIPAA law and implementing regulations related to Transactions and Code Sets, Privacy, and Security. Each party further agrees to indemnify and hold harmless the other party (including their officers, employees and agents), for its failure to comply with HIPAA.

54. COMPLIANCE WITH JURY SERVICE PROGRAM:

A Jury Service Program: This Agreement is subject to the provisions of the County's

ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

B Written Employee Jury Service Policy:

(1) Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

(2) For purposes of this Section, "Contractor" means a person, partnership, corporation or other entity which has an Agreement with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of $50,000 or more in any 12-month period under one or more County Agreements or subcontracts. "Employee" means any California resident who is a full-time employee of Contractor. "Full-time" means 40 hours or more worked per week or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the County under the Agreement, the subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract Agreement and a copy of the Jury Service Program shall be attached to the Agreement.

(3) If Contractor is not required to comply with the Jury Service Program when the Agreement commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Agreement and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.

(4) Contractor's violation of this section of the Agreement may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Agreement and/or bar Contractor from the award of future County Agreements for a period of time

consistent with the seriousness of the breach.

55. NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW: The Contractor shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is set forth in **Attachment VII** of this Agreement and is also available on the Internet at www.babysafela.org for printing purposes.

56. CONTRACTOR'S ACKNOWLEDGEMENT OF COUNTY'S COMMITMENT TO THE SAFELY SURRENDERED BABY LAW: The Contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the County's policy to encourage all County Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. The County's Department of Children and Family Services will supply the Contractor with the poster to be used.

57. NOTICES: All notices or demands required or permitted to be given under this Agreement shall be in writing and shall be delivered with signed receipt or mailed by first class, registered or certified mail, postage pre-paid, addressed to the parties at the following addresses and to the attention of the persons named. Director shall have the authority to execute all notices or demands which are required or permitted by County under this Agreement. Addresses and persons to be notified may be changed by either party by giving ten days prior written notice thereof to the other party.

SAFELY SURRENDERED BABY LAW FACT SHEET

No shame.
No blame.

Newborns can be safely given up at any Los Angeles County hospital emergency room or fire station.

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

Does the parent have to call before bringing in the baby?

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

Does a parent have to tell anything to the people taking the baby?

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

A baby's story

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.

It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.

Sin pena.
Sin culpa.
Sin peligro.

Los recién nacidos pueden ser entregados en forma segura en la sala de emergencia de cualquier hospital o en un cuartel de bomberos del Condado de Los Angeles.

¿Qué es la Ley de Entrega de Bebés Sin Peligro?

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden empezar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

¿Los padres deben llamar antes de llevar al bebé?

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

¿Qué ocurrirá con el bebé?

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

¿Qué pasará con el padre/madre?

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

¿Por qué California hace esto?

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

Historia de un bebé

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

Cada recién nacido merece una oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele qué otras opciones tiene.

Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.

PREAMBLE

COUNTY OF LOS ANGELES
DEPARTMENT OF MENTAL HEALTH

PREAMBLE

For nearly a decade, the County has collaborated with its community partners to enhance the capacity of the health and human services system to improve the lives of children and families. These efforts require, as a fundamental expectation, that the County's contracting partners share the County and community's commitment to provide health and human services that support achievement of the County's vision, goals, values, and adopted outcomes. Key to these efforts is the integration of service delivery systems and the adoption of the Customer Service and Satisfaction Standards.

The County of Los Angeles' Vision is to improve the quality of life in the County by providing responsive, efficient, and high quality public services that promote the self-sufficiency, well-being and prosperity of individuals, families, business and communities. This philosophy of teamwork and collaboration is anchored in the shared values of:

- Responsiveness
- Professionalism
- Accountability
- Compassion
- Integrity
- Commitment
- A Can-Do Attitude
- Respect for Diversity

These shared values are encompassed in the County Strategic Plan's eight goals: 1) Service Excellence; 2) Workforce Excellence; 3) Organizational Effectiveness; 4) Fiscal Responsibility; 5) Children and Families' Well-Being; 6) Community Services; 7) Health and Mental Health; and 8) Public Safety. Improving the well-being of children and families requires coordination, collaboration, and integration of services across functional and jurisdictional boundaries, by and between County departments/agencies, and community and contracting partners.

The basic conditions that represent the well-being we seek for all children and families in Los Angeles County are delineated in the following five outcomes, adopted by the Board of Supervisors in January 1993.

- Good Health;
- Economic Well-Being;
- Safety and Survival;
- Emotional and Social Well-Being; and
- Education and Workforce Readiness.

Recognizing no single strategy - in isolation - can achieve the County's outcomes of well-being for children and families, consensus has emerged among County and community leaders that making substantial improvements in integrating the County's health and human services system is necessary to significantly move toward achieving these outcomes. The County has also established the following values and goals for guiding this effort to integrate the health and human services delivery system:

- ✔ Families are treated with respect in every encounter they have with the health, educational, and social services systems.
- ✔ Families can easily access a broad range of services to address their needs, build on their strengths, and achieve their goals.
- ✔ There is no "wrong door": wherever a family enters the system is the right place.

- ✔ Families receive services tailored to their unique situations and needs.
- ✔ Service providers and advocates involve families in the process of determining service plans, and proactively provide families with coordinated and comprehensive information, services, and resources.
- ✔ The County service system is flexible, able to respond to service demands for both the Countywide population and specific population groups.
- ✔ The County service system acts to strengthen communities, recognizing that just as individuals live in families, families live in communities.
- ✔ In supporting families and communities, County agencies work seamlessly with public and private service providers, community-based organizations, and other community partners.
- ✔ County agencies and their partners work together seamlessly to demonstrate substantial progress towards making the system more strength-based, family-focused, culturally-competent, accessible, user-friendly, responsive, cohesive, efficient, professional, and accountable.
- ✔ County agencies and their partners focus on administrative and operational enhancements to optimize the sharing of information, resources, and best practices while also protecting the privacy rights of families.
- ✔ County agencies and their partners pursue multi-disciplinary service delivery, a single service plan, staff development opportunities, infrastructure enhancements, customer service and satisfaction evaluation, and revenue maximization.
- ✔ County agencies and their partners create incentives to reinforce the direction toward service integration and a seamless service delivery system.
- ✔ The County human service system embraces a commitment to the disciplined pursuit of results accountability across systems. Specifically, any strategy designed to improve the County human services system for children and families should ultimately be judged by whether it helps achieve the County's five outcomes for children and families: good health, safety and survival, economic well-being, social and emotional well-being, and education and workforce readiness.

The County, its clients, contracting partners, and the community are working together to develop practical ways to make County services more accessible, customer friendly, better integrated, and outcome-focused. Several departments have identified shared themes in their strategic plans for achieving these goals including: making an effort to become more consumer/client-focused; valuing community partnerships and collaborations; emphasizing values and integrity; and using a strengths-based and multi-disciplinary team approach. County departments are also working to provide the Board of Supervisors and the community with a better understanding of how resources are being utilized, how well services are being provided, and what are the results of the services: is anyone better off?

The County of Los Angeles health and human service departments and their partners are working together to achieve the following ***Customer Service And Satisfaction Standards*** in support of improving outcomes for children and families.
