The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

PATRICK OZAWA
ACTING EXECUTIVE OFFICER

Dear Supervisors:

AWARD A SPECIAL TAX ADMINISTRATION SERVICES CONTRACT FOR THE COUNTY OF LOS ANGELES PUBLIC LIBRARY SPECIAL TAX PROGRAM (ALL SUPERVISORIAL DISTRICTS) (3 VOTES)

SUBJECT

The Public Library is recommending that the Board of Supervisors (Board) approve the proposed contract with Harris & Associates, Inc. to provide specialized tax administration services for the Public Library's Special Tax Program as a result of a Request for Proposal (RFP) released on June 23, 2015.

IT IS RECOMMENDED THAT THE BOARD:

1. Approve and instruct the Mayor to sign the proposed contract with Harris & Associates, Inc. to provide special tax program administration services to the Public Library for a period of three years, with two one-year renewal options, and month-to-month extensions not to exceed a total of six months, at an annual contract sum not to exceed \$28,150.00, which is comprised of the Contractor's fee of \$21,500.00 and an annual estimate for unanticipated work of \$2,150.00; and an additional amount of \$4,500.00 for an audit of the special tax parcel database as requested by the Public Library. The contract will become effective upon your Board's approval.
2. Approve and delegate authority to the County Librarian, or designee, to approve unanticipated work within the scope of the contract.
3. Approve and delegate authority to the County Librarian, or designee, to execute amendments to exercise two renewal one-year options and month-to-month extensions not to exceed six months under the terms of the contract.

4. Approve and delegate authority to the County Librarian, or designee, to execute amendments to modify the terms of the Statement of Work that do not materially alter the Contract, and/or add/change certain terms and conditions in the Contract, as may be required by the Board or Chief Executive Office and to adjust the Contractor's annual fee included in the annual contract sum due to such changes, if any.

5. Approve and delegate authority to the County Librarian, or designee, to execute a substantially similar contract to the next highest ranked proposer identified in the RFP process to ensure the continuity of specialized tax administration services in the event of early contract termination with the recommended Contractor approved as to form by County Counsel.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

In June 1997, voters approved a special tax (Prop L) to provide funding for library services in 11 cities (Cudahy, Culver City, Duarte, El Monte, La Cañada-Flintridge, Lakewood, Lomita, Lynwood, Maywood, Santa Clarita and West Hollywood) and unincorporated areas serviced by the Public Library excluding the unincorporated areas within the boundaries of the Altadena Library District and the Palos Verdes Library District. In 2011, the City of Santa Clarita withdrew from the County Library system reducing the number of cities to 10 cities.

In Fiscal Year 2015-16 the Special Tax Rate will be levied to approximately 400,000 parcels within these 10 cities and the designated unincorporated area of the County generating approximately \$11,969,000 in revenues to partially offset increases in the operating costs allowing the Public Library to maintain library services at the highest supportable levels at each of the libraries serving these communities.

The specialized tax administration services which include identifying and reporting the special tax levies have been performed under an agreement with Harris & Associates, Inc. since 1999. The current agreement expires on September 3, 2015.

Approval of the recommended actions will ensure the continued administration and support of the Public Library's Special Tax Program without interruption. The recommended contract will become effective upon your Board's approval.

Implementation of Strategic Plan Goals

Approval of the recommended award is consistent with the County's Strategic Plan Goals in the area of Operational Effectiveness/Fiscal Sustainability (Goal 1) by providing ongoing contractual Special Tax consulting services which supports mandated and voter-approved operations of the Public Library.

FISCAL IMPACT/FINANCING

The Public Library anticipates an annual expenditure of approximately \$28,150 under the Proposed Contract for both the routine work required to process the levy for the tax bills, and as-needed unanticipated work, which will be paid on a scheduled fee-for-service basis as specified in the Contract. If no such need arises, the funding for unanticipated work will not be expended. The Contract also provides for an audit at a lump sum cost of \$4,500.00 to assure the accuracy of the parcel information used to levy the special tax.

The revenue generated by the Public Library's special tax is used to fund service levels in 68 libraries serving the areas subject to the special tax. The special tax is levied as a flat-rate-per-parcel, currently at \$29.90, and generates approximately \$11,969,000 each year to support library services in the communities subject to the special tax. Approval of the recommended action is necessary to process the levy for the tax bills and collection of this revenue.

The administrative costs of this Special Tax Program, including the cost of providing this recommended service Contract, are financed by the special tax revenue. There is no net County cost for this contracted service. Funding has been included in the Public Library's operating budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Since 1999, the Public Library obtained special tax administration services from Harris & Associates, Inc. under a sole source agreement. At the recommendation of County Counsel, the Public Library issued an RFP for a competitive bid to replace this sole source agreement.

The Board is authorized to approve this Contract pursuant to Government Code Section 31000. This RFP was exempt from Proposition A because the services are part-time and intermittent.

Under the provisions of Section 2.121.250 through Section 2.121.420 of the Los Angeles County Code, proposals were solicited for the provision of special tax administration services. All requirements of County Code Section 2.121.380 have been met and there is no conflict of interest.

On final analysis and consideration of the awards, the recommended contractor was selected without regard to gender, race, color, creed, or national origin.

The proposed contract contains a provision, (which the recommended contractor agrees), that requires the contractor to give first consideration for any employment openings to qualified permanent County employees who are targeted for layoffs or on the County's re-employment list during the life of the contract. The recommended contractor further agrees to comply with all County standard terms and conditions, including indemnification and insurance requirements, Child Support Compliance Program, Defaulted Property Tax Reduction Program, Jury Service Program and the Safely Surrendered Baby Law.

The recommended Contract with Harris & Associates, Inc. shall commence upon the Board's approval, for a three (3) year term, with two (2) one-year and six (6) month-to-month extensions at the option of the Public Library in accordance with the Term of the Contract, for a maximum term of five (5) years and six (6) months. The Contractor is in compliance with all Board, CEO, and Counsel's requirements. Additionally, the Contract contains performance standards, including liquidated damages for substandard and/or non-performance.

The attached Contract with Harris & Associates, Inc. (Attachment C) has been reviewed and approved as to form by County Counsel.

ENVIRONMENTAL DOCUMENTATION

The recommended actions are not subject to the California Environmental Quality Act (CEQA) because they do not constitute a project according to Section 15378 of CEQA.

CONTRACTING PROCESS

On June 23, 2015, proposals were solicited through the Internal Services Department's purchasing website and from vendors listed in the County Office of Affirmative Action Compliance's Community Business Enterprise (CBE) Database (Attachment A).

Advertisements were placed in the Los Angeles Times, Sentinel Newspaper, and Eastside Sun.

On July 15, 2015, the Public Library received a total of four proposals. Two proposals from Psomas and David Taussig & Associates, Inc. were disqualified for being non-responsive in the request to submit missing documentation. Two proposals from SCI Consulting Group and Harris & Associates, Inc. were evaluated in July 2015 utilizing the informed averaging scoring method and rated on the following criteria: proposer's qualifications; proposer's approach to providing required services; and cost. All related evaluation materials and scoring documents were retained. The Public Library also reviewed available resources to assess the recommended contractors' past performance, and history of labor law violations. The CBE information summary for the recommended contractor is in Attachment B.

The Proposal submitted by Harris & Associates, Inc., was the highest ranked, lowest cost, and most responsive and responsible of the Proposals evaluated. Harris & Associates, Inc. met all of the minimum RFP requirements and its Proposal was complete and detailed. The Proposal clearly demonstrated that Harris & Associates, Inc. has a good understanding of the scope of work to be performed and the complexity of the Public Library's service requirements. Harris & Associates, Inc. has verifiable experience providing Special Tax Consulting Services as required by the Public Library.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Award of this service Contract will allow the Public Library to continue the ongoing successful administration of the Public Library's Special Tax Program.

CONCLUSION

Please return to the Public Library two fully conformed copies of the contract with original signatures.

If there are any questions or there is a need for additional information, please contact me at (562) 940-8412.

8.0 STANDARD TERMS AND CONDITIONS

8.1 AMENDMENTS

8.1.1 For any change which affects the scope of work, term, contract sum, payments, or any term or condition included under this Contract, an amendment to the Contract will be prepared and executed by the Contractor and by the Board, for the exceptions that (a) the Term of the Contract was not otherwise authorized by section 4.0 and (b) the County Librarian is expressly authorized to increase or decrease the Contract Sum set forth in Section 5.0, Contract Sum, not to exceed ten percent (10%) of the annual Contract Sum, originally approved by the Board, pursuant to Paragraph 8.1.4 and to increase the Contract Sum to modify the annual estimate for unanticipated work included in the annual Contract sum, not to exceed ten percent (10%) of the annual contractor's fee, based on future approved changes to the annual contractor's fee. Any such changes will be in writing and signed by the Contractor and by the County Librarian or her designee.

8.1.2 The Board or Chief Executive Officer (CEO) or designee may require the addition and/or change of certain terms and conditions in the Contract during the term of this Contract. The County reserves the right to add and/or change such provisions as required by the Board or CEO. To implement such changes, an Amendment to the Contract will be prepared and executed by the Contractor and by the County Librarian or her designee.

8.1.3 The County Librarian or her designee or Board, may at her sole discretion, authorize extensions of time as defined in Section 4.0 - Term of Contract. The Contractor agrees that such extensions of

time will not change any other term or condition of this Contract during the period of such extensions. To implement an extension of time, an Amendment to the Contract will be prepared and executed by the Contractor and by the County Librarian or her designee or the Board.

8.2 ASSIGNMENT AND DELEGATION

- 8.2.1 The Contractor will not assign its rights or delegate its duties under this Contract, or both, whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment or delegation without such consent will be null and void. For purposes of this Paragraph, County consent will require a written Amendment to the Contract, which is formally approved and executed by the parties. Any payments by the County to any approved delegatee or assignee on any claim under this Contract will be deductible, at County's sole discretion, against the claims, which the Contractor may have against the County.
- 8.2.2 Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Contract, such disposition is an assignment requiring the prior written consent of County in accordance with applicable provisions of this Contract.
- 8.2.3 Any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any person or entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, will be a material breach of the Contract which may result in the termination of this Contract. In the event of such termination, County will be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

8.3 AUTHORIZATION WARRANTY

The Contractor represents and warrants that the person executing this Contract for the Contractor is an authorized agent who has actual authority to bind the Contractor to each and every term, condition, and obligation of

this Contract and that all requirements of the Contractor have been fulfilled to provide such actual authority.

8.4 BUDGET REDUCTIONS

In the event that the Board adopts, in any fiscal year, a County Budget which provides for reductions in the salaries and benefits paid to the majority of County employees and imposes similar reductions with respect to County contracts, the County reserves the right to reduce its payment obligation under this Contract correspondingly for that fiscal year and any subsequent fiscal year during the term of this Contract (including any extensions), and the services to be provided by the Contractor under this Contract will also be reduced correspondingly. The County's notice to the Contractor regarding said reduction in payment obligation will be provided within thirty (30) calendar days of the Board's approval of such actions. Except as set forth in the preceding sentence, the Contractor will continue to provide all of the services set forth in this Contract.

8.5 COMPLAINTS

The Contractor will develop, maintain and operate procedures for receiving, investigating and responding to complaints.

- 8.5.1 Within (ten) 10 business days after the Contract effective date, the Contractor will provide the County with the Contractor's policy for receiving, investigating and responding to user complaints.
- 8.5.2 The County will review the Contractor's policy and provide the Contractor with approval of said plan or with requested changes.
- 8.5.3 If the County requests changes in the Contractor's policy, the Contractor will make such changes and resubmit the plan within five (5) business days for County approval.
- 8.5.4 If, at any time, the Contractor wishes to change the Contractor's policy, the Contractor will submit proposed changes to the County for approval before implementation.
- 8.5.5 The Contractor will preliminarily investigate all complaints and notify the County's Project Manager of the status of the investigation within five (5) days of receiving the complaint.
- 8.5.6 When complaints cannot be resolved informally, a system of follow-through will be instituted which adheres to formal plans for specific actions and strict time deadlines.

8.5.7 Copies of all written responses will be sent to the County's Project Manager within three (3) days of mailing to the complainant.

8.6 COMPLIANCE WITH APPLICABLE LAW

8.6.1 In the performance of this Contract, Contractor will comply with all applicable Federal, State and local laws, rules, regulations, ordinances, directives, guidelines, policies and procedures, and all provisions required thereby to be included in this Contract are hereby incorporated herein by reference.

8.6.2 Contractor will indemnify, defend, and hold harmless County, its officers, employees, and agents, from and against any and all claims, demands, damages, liabilities, losses, costs, and expenses, including, without limitation, defense costs and legal, accounting and other expert, consulting or professional fees, arising from, connected with, or related to any failure by Contractor, its officers, employees, agents, or subcontractors, to comply with any such laws, rules, regulations, ordinances, directives, guidelines, policies, or procedures, as determined by County in its sole judgment. Any legal defense pursuant to Contractor's indemnification obligations under this Sub-section 8.6 will be conducted by Contractor and performed by counsel selected by Contractor and approved by County. Notwithstanding the preceding sentence, County will have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County will be entitled to retain its own counsel, including, without limitation, County Counsel, and reimbursement from Contractor for all such costs and expenses incurred by County in doing so. Contractor will not have the right to enter into any settlement, agree to any injunction or other equitable relief, or make any admission, in each case, on behalf of County without County's prior written approval.

8.7 COMPLIANCE WITH CIVIL RIGHTS LAWS

The Contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000 (e) (1) through 2000 (e) (17), to the end that no person will, on the grounds of race, creed, color, sex, religion, ancestry, age, condition of physical handicap, marital status, political affiliation, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract. The Contractor will comply with Exhibit D – Contractor's EEO Certification.

8.8 COMPLIANCE WITH THE COUNTY'S JURY SERVICE PROGRAM

8.8.1 Jury Service Program:

This Contract is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code, a copy of which is attached as Exhibit H and incorporated by reference into and made a part of this Contract.

8.8.2 Written Employee Jury Service Policy:

1. Unless the Contractor has demonstrated to the County's satisfaction either that the Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that the Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), the Contractor will have and adhere to a written policy that provides that its Employees will receive from the Contractor, on an annual basis, no less than five (5) days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.
2. For purposes of this Paragraph, "Contractor" means a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any twelve (12) month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full-time employee of the Contractor. "Full-time" means forty (40) hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of ninety (90) days or less within a twelve (12) month period are not considered full-time for purposes of the Jury Service Program. If the Contractor uses any Subcontractor to perform services for the County under the Contract, the Subcontractor will also be subject to the provisions of this Paragraph. The provisions of this Paragraph will be inserted into any such subcontract

agreement and a copy of the Jury Service Program will be attached to the agreement.

3. If the Contractor is not required to comply with the Jury Service Program when the Contract commences, the Contractor will have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and the Contractor will immediately notify the County if the Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if the Contractor no longer qualifies for an exception to the Jury Service Program. In either event, the Contractor will immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Contract and at its sole discretion, that the Contractor demonstrate, to the County's satisfaction that the Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that the Contractor continues to qualify for an exception to the Program.
4. The Contractor's violation of this Paragraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract and/or bar the Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

8.9 CONFLICT OF INTEREST

- 8.9.1 No County employee whose position with the County enables such employee to influence the award of this Contract or any competing Contract, and no spouse or economic dependent of such employee, will be employed in any capacity by the Contractor or have any other direct or indirect financial interest in this Contract. No officer or employee of the Contractor who may financially benefit from the performance of work hereunder will in any way participate in the County's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County's approval or ongoing evaluation of such work.
- 8.9.2 The Contractor will comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Contract. The Contractor warrants that it is not now aware of any facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest,

it will immediately make full written disclosure of such facts to the County. Full written disclosure will include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this Paragraph will be a material breach of this Contract.

8.10 CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFF/OR RE-EMPLOYMENT LIST

Should the Contractor require additional or replacement personnel after the effective date of this Contract to perform the services set forth herein, the Contractor will give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Contract.

8.11 CONSIDERATION OF HIRING GAIN/GROW PROGRAM PARTICIPANTS

8.11.1 Should the Contractor require additional or replacement personnel after the effective date of this Contract, the Contractor will give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet the Contractor's minimum qualifications for the open position. For this purpose, consideration will mean that the Contractor will interview qualified candidates. The County will refer GAIN/GROW participants by job category to the Contractor. Contractors will report all job openings with job requirements to: GAINGROW@dpss.lacounty.gov to obtain a list of qualified GAIN/GROW job candidates.

8.11.2 In the event that both laid-off County employees and GAIN/GROW participants are available for hiring, County employees will be given first priority.

8.12 CONTRACTOR RESPONSIBILITY AND DEBARMENT

8.12.1 Responsible Contractor

A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible Contractors.

8.12.2 Chapter 2.202 of the County Code

The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, a copy of which is attached as Exhibit K and incorporated by reference into and made a part of this Contract, if the County acquires information concerning the performance of the Contractor on this or other contracts which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Contract, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five (5) years but may exceed five (5) years or be permanent if warranted by the circumstances, and terminate any or all existing contracts the Contractor may have with the County.

8.12.3 Non-responsible Contractor

The County may debar a Contractor if the Board finds, in its discretion, that the Contractor has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County, (2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.

8.12.4 Contractor Hearing Board

1. If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
2. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative will be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board will prepare a tentative proposed decision, which will contain a recommendation regarding whether the Contractor should

be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department will be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

3. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board will be presented to the Board of Supervisors. The Board of Supervisors will have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.
4. If a Contractor has been debarred for a period longer than five (5) years, that Contractor may after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.
5. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Contractor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board will conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing will be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.
6. The Contractor Hearing Board's proposed decision will contain a recommendation on the request to reduce the

period of debarment or terminate the debarment. The Contractor Hearing Board will present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors will have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

8.12.5 Subcontractors of Contractor

These terms will also apply to Subcontractors of County Contractors.

8.13 CONTRACTOR'S ACKNOWLEDGEMENT OF COUNTY'S COMMITMENT TO THE SAFELY SURRENDERED BABY LAW

The Contractor acknowledges that the County places a high priority on the implementation of Exhibit I – Safely Surrendered Baby Law. The Contractor understands that it is the County's policy to encourage all County Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The Contractor will also encourage its Subcontractors, if any, to post this poster in a prominent position in the Subcontractor's place of business. The County's Department of Children and Family Services will supply the Contractor with the poster to be used. Information on how to receive the poster can be found on the Internet at www.babysafela.org.

8.14 CONTRACTOR'S WARRANTY OF ADHERENCE TO COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM

8.14.1 The Contractor acknowledges that the County has established a goal of ensuring that all individuals who benefit financially from the County through contract are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers.

8.14.2 As required by the County's Child Support Compliance Program (County Code Chapter 2.200) and without limiting the Contractor's duty under this Contract to comply with all applicable provisions of law, the Contractor warrants that it is now in compliance and will during the term of this Contract maintain in compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and will implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family or Spousal Support,

pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

8.15 COUNTY'S QUALITY ASSURANCE PLAN

The County or its agent will evaluate the Contractor's performance under this Contract on not less than an annual basis. Such evaluation will include assessing the Contractor's compliance with all Contract terms and conditions and performance standards. Contractor deficiencies which the County determines are severe or continuing and that may place performance of the Contract in jeopardy if not corrected will be reported to the Board of Supervisors.

The report will include improvement/corrective action measures taken by the County and the Contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate this Contract or impose other penalties as specified in this Contract.

8.16 DAMAGE TO COUNTY FACILITIES, BUILDINGS OR GROUNDS

8.16.1 The Contractor will repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings, or grounds caused by the Contractor or employees or agents of the Contractor. Such repairs will be made immediately after the Contractor has become aware of such damage, but in no event later than thirty (30) days after the occurrence, unless otherwise approved by the County.

8.16.2 If the Contractor fails to make timely repairs, County may make any necessary repairs. All costs incurred by County, as determined by County, for such repairs will be repaid by the Contractor by cash payment upon demand or deduction from future invoices as determined by the County.

8.17 EMPLOYMENT ELIGIBILITY VERIFICATION

8.17.1 The Contractor warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all its employees performing work under this Contract meet the citizenship or alien status requirements set forth in Federal and State statutes and regulations. The Contractor will obtain, from all employees performing work hereunder, all verification and other documentation of employment eligibility status required by Federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986, (P.L. 99-603), or as they currently exist and as they may be hereafter amended. The

Contractor will retain all such documentation for all covered employees for the period prescribed by law.

8.17.2 The Contractor will indemnify, defend, and hold harmless, the County, its agents, officers, and employees from employer sanctions and any other liability which may be assessed against the Contractor or the County or both in connection with any alleged violation of any Federal or State statutes or regulations pertaining to the eligibility for employment of any persons performing work under this Contract.

8.18 FACSIMILE REPRESENTATIONS

The County and the Contractor hereby agree to regard facsimile representations of original signatures of authorized officers of each party, when appearing in appropriate places on the Amendments prepared pursuant to Sub-section 8.1, and received via communications facilities, as legally sufficient evidence that such original signatures have been affixed to Amendments to this Contract, such that the parties need not follow up facsimile transmissions of such documents with subsequent (non-facsimile) transmission of "original" versions of such documents.

8.19 FAIR LABOR STANDARDS

The Contractor will comply with all applicable provisions of the Federal Fair Labor Standards Act and will indemnify, defend, and hold harmless the County and its agents, officers, and employees from any and all liability, including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys' fees arising under any wage and hour law, including, but not limited to, the Federal Fair Labor Standards Act, for work performed by the Contractor's employees for which the County may be found jointly or solely liable.

8.20 FORCE MAJEURE

8.20.1 Neither party will be liable for such party's failure to perform its obligations under and in accordance with this Contract, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this Paragraph as "force majeure events").

- 8.20.2 Notwithstanding the foregoing, a default by a subcontractor of Contractor will not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, Contractor will not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this Paragraph, the term “subcontractor” and “subcontractors” mean subcontractors at any tier.
- 8.20.3 In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

8.21 GOVERNING LAW, JURISDICTION, AND VENUE

This Contract will be governed by, and construed in accordance with, the laws of the State of California. The Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Contract and further agrees and consents that venue of any action brought hereunder will be exclusively in the County of Los Angeles.

8.22 INDEPENDENT CONTRACTOR STATUS

- 8.22.1 This Contract is by and between the County and the Contractor and is not intended, and will not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between the County and the Contractor. The employees and agents of one party will not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever.
- 8.22.2 The Contractor will be solely liable and responsible for providing to, or on behalf of, all persons performing work pursuant to this Contract all compensation and benefits. The County will have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of the Contractor.
- 8.22.3 The Contractor understands and agrees that all persons performing work pursuant to this Contract are, for purposes of Workers' Compensation liability, solely employees of the Contractor and not employees of the County. The Contractor will

be solely liable and responsible for furnishing any and all Workers' Compensation benefits to any person as a result of any injuries arising from or connected with any work performed by or on behalf of the Contractor pursuant to this Contract.

8.22.4 The Contractor will adhere to the provisions stated in Sub-section 7.5 - Confidentiality.

8.23 INDEMNIFICATION

The Contractor will indemnify, defend and hold harmless the County, its Special Districts, elected and appointed officers, employees, agents and volunteers (County Indemnitees) from and against any and all liability, including but not limited to demands, claims, actions, fees, costs, and expenses (including attorney and expert witness fees), arising from and/or relating to this Contract, except for such loss or damage arising from the sole negligence or willful misconduct of the County indemnitees.

8.24 GENERAL PROVISIONS FOR ALL INSURANCE COVERAGE

Without limiting Contractor's indemnification of County, and in the performance of this Contract and until all of its obligations pursuant to this Contract have been met, Contractor will provide and maintain at its own expense insurance coverage satisfying the requirements specified in Sub-sections 8.24 and 8.25 of this Contract. These minimum insurance coverage terms, types and limits (the "Required Insurance") also are in addition to and separate from any other contractual obligation imposed upon Contractor pursuant to this Contract. The County in no way warrants that the Required Insurance is sufficient to protect the Contractor for liabilities which may arise from or relate to this Contract.

8.24.1 Evidence of Coverage and Notice to County

- Certificate(s) of insurance coverage (Certificate) satisfactory to County, and a copy of an Additional Insured endorsement confirming County and its Agents (defined below) has been given Insured status under the Contractor's General Liability policy, will be delivered to County at the address shown below and provided prior to commencing services under this Contract.
- Renewal Certificates will be provided to County on or about, but no later than ten (10) days following Contractor's policy expiration dates. The County reserves the right to obtain complete, certified copies of any required Contractor and/or Sub-Contractor insurance policies at any time.

- Certificates will identify all Required Insurance coverage types and limits specified herein, reference this Contract by name or number, and be signed by an authorized representative of the insurer(s). The Insured party named on the Certificate will match the name of the Contractor identified as the contracting party in this Contract. Certificates will provide the full name of each insurer providing coverage, its NAIC (National Association of Insurance Commissioners) identification number, its financial rating, the amounts of any policy deductibles or self-insured retentions exceeding fifty thousand (\$50,000.00) dollars, and list any County required endorsement forms.
- Neither the County's failure to obtain, nor the County's receipt of, or failure to object to a non-complying insurance certificate or endorsement, or any other insurance documentation or information provided by the Contractor, its insurance broker(s) and/or insurer(s), will be construed as a waiver of any of the Required Insurance provisions.

Certificates and copies of any required endorsements will be sent to the County's Project Director at the physical or electronic address herein provided in Exhibit E - County's Administration.

Contractor also will promptly report to County any injury or property damage accident or incident, including any injury to a Contractor employee occurring on County property, and any loss, disappearance, destruction, misuse, or theft of County property, monies or securities entrusted to Contractor. Contractor also will promptly notify County of any third party claim or suit filed against Contractor or any of its Sub-Contractors which arises from or relates to this Contract, and could result in the filing of a claim or lawsuit against Contractor and/or County.

8.24.2 Additional Insured Status and Scope of Coverage

The County of Los Angeles, its Special Districts, Elected Officials, Officers, Agents, Employees and Volunteers (collectively County and its Agents) will be provided additional insured status under Contractor's General Liability policy with respect to liability arising out of Contractor's ongoing and completed operations performed on behalf of the County. County and its Agents additional insured status will apply with respect to liability and defense of suits arising out of the Contractor's acts or omissions, whether such liability is attributable to the Contractor or to the County. The full policy limits and scope of protection also will apply to the County

and its Agents as an additional insured, even if they exceed the County's minimum Required Insurance specifications herein. Use of an automatic additional insured endorsement form is acceptable providing it satisfies the Required Insurance provisions herein.

8.24.3 Cancellation of or Changes in Insurance

Contractor will provide County with, or Contractor's insurance policies will contain a provision that County will receive, written notice of cancellation or any change in Required Insurance, including insurer, limits of coverage, term of coverage or policy period. The written notice will be provided to County at least ten (10) days in advance of cancellation for non-payment of premium and thirty (30) days in advance for any other cancellation or policy change. Failure to provide written notice of cancellation or any change in Required Insurance may constitute a material breach of the Contract, in the sole discretion of the County, upon which the County may suspend or terminate this Contract.

8.24.4 Failure to Maintain Insurance

Contractor's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance will constitute a material breach of the Contract, upon which County immediately may withhold payments due to Contractor, and/or suspend or terminate this Contract. County, at its sole discretion, may obtain damages from Contractor resulting from said breach. Alternatively, the County may purchase the Required Insurance, and without further notice to Contractor, deduct the premium cost from sums due to Contractor or pursue Contractor reimbursement.

8.24.5 Insurer Financial Ratings

Coverage will be placed with insurers acceptable to the County with A.M. Best ratings of not less than A:VII unless otherwise approved by County.

8.24.6 Contractor's Insurance Will Be Primary

Contractor's insurance policies, with respect to any claims related to this Contract, will be primary with respect to all other sources of coverage available to Contractor. Any County maintained insurance or self-insurance coverage will be in excess of and not contribute to any Contractor coverage.

8.24.7 Waivers of Subrogation

To the fullest extent permitted by law, the Contractor hereby waives its rights and its insurer(s)' rights of recovery against County under all the Required Insurance for any loss arising from or relating to this Contract. The Contractor will require its insurers to execute any waiver of subrogation endorsements which may be necessary to effect such waiver.

8.24.8 Sub-Contractor Insurance Coverage Requirements

Contractor will include all Sub-Contractors as insureds under Contractor's own policies, or will provide County with each Sub-Contractor's separate evidence of insurance coverage. Contractor will be responsible for verifying each Sub-Contractor complies with the Required Insurance provisions herein, and will require that each Sub-Contractor name the County and Contractor as additional insureds on the Sub-Contractor's General Liability policy. Contractor will obtain County's prior review and approval of any Sub-Contractor request for modification of the Required Insurance.

8.24.9 Deductibles and Self-Insured Retentions (SIRs)

Contractor's policies will not obligate the County to pay any portion of any Contractor deductible or SIR. The County retains the right to require Contractor to reduce or eliminate policy deductibles and SIRs as respects the County, or to provide a bond guaranteeing Contractor's payment of all deductibles and SIRs, including all related claims investigation, administration and defense expenses. Such bond will be executed by a corporate surety licensed to transact business in the State of California.

8.24.10 Claims Made Coverage

If any part of the Required Insurance is written on a claims-made basis, any policy retroactive date will precede the effective date of this Contract. Contractor understands and agrees it will maintain such coverage for a period of not less than three (3) years following Contract expiration, termination or cancellation.

8.24.11 Application of Excess Liability Coverage

Contractors may use a combination of primary and excess insurance policies which provide coverage as broad as the underlying primary policies, to satisfy the Required Insurance provisions.

8.24.12 **Separation of Insureds**

8.26 LIQUIDATED DAMAGES

8.26.1 If, in the judgment of the County Librarian, or her designee, the Contractor is deemed to be non-compliant with the terms and obligations assumed hereby, the County Librarian, or her designee, at her option, in addition to, or in lieu of, other remedies provided herein, may withhold the entire monthly payment or deduct pro rata from the Contractor's invoice for work not performed. A description of the work not performed and the amount to be withheld or deducted from payments to the Contractor from the County, will be forwarded to the Contractor by the County Librarian, or her designee, in a written notice describing the reasons for said action.

8.26.2 If the County Librarian, or her designee, determines that there are deficiencies in the performance of this Contract that the County Librarian, or her designee, deems are correctable by the Contractor over a certain time span, the County Librarian, or her designee, will provide a written notice to the Contractor to correct the deficiency within specified time frames. Should the Contractor fail to correct deficiencies within said time frame, the County Librarian, or her designee, may: (a) Deduct from the Contractor's payment, pro rata, those applicable portions of the Contract Sum;

and/or (b) Deduct liquidated damages. The parties agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of the Contractor to correct a deficiency within the specified time frame. The parties hereby agree that under the current circumstances a reasonable estimate of such damages is One Hundred Dollars (**\$100**) per day per infraction or as specified in the Performance Requirement Summary (PRS) Chart, as defined in Exhibit A, Exhibit 2, hereunder, and that the Contractor will be liable to the County for liquidated damages in said amount. Said amount will be deducted from the County's payment to the Contractor; and/or (c) Upon giving five (5) day notice to the Contractor for failure to correct the deficiencies, the County may correct any and all deficiencies and the total costs incurred by the County for completion of the work by an alternate source, whether it be County forces or separate private Contractor, will be deducted and forfeited from the payment to the Contractor from the County, as determined by the County.

8.26.3 The action noted in Paragraph 8.26.2 will not be construed as a penalty, but as adjustment of payment to the Contractor to recover the County cost due to the failure of the Contractor to complete or comply with the provisions of this Contract.

8.26.4 This Sub-section will not, in any manner, restrict or limit the County's right to damages for any breach of this Contract provided by law or as specified in the PRS or Paragraph 8.26.2, and will not, in any manner, restrict or limit the County's right to terminate this Contract as agreed to herein.

8.27 MOST FAVORED PUBLIC ENTITY

If the Contractor's prices decline, or should the Contractor at any time during the term of this Contract provide the same goods or services under similar quantity and delivery conditions to the State of California or any county, municipality, or district of the State at prices below those set forth in this Contract, then such lower prices will be immediately extended to the County.

8.28 NONDISCRIMINATION AND AFFIRMATIVE ACTION

8.28.1 The Contractor certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding companies are and will be treated equally without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all

- 8.28.5 The Contractor certifies and agrees that it, its affiliates, subsidiaries, or holding companies will comply with all applicable Federal and State laws and regulations to the end that no person will, on the grounds of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract.
- 8.28.6 The Contractor will allow County representatives access to the Contractor's employment records during regular business hours to verify compliance with the provisions of this Sub-section 8.28 when so requested by the County.
- 8.28.7 If the County finds that any provisions of this Sub-section 8.28 have been violated, such violation will constitute a material breach of this Contract upon which the County may terminate or suspend this Contract. While the County reserves the right to determine independently that the anti-discrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment and Housing Commission or the Federal Equal Employment Opportunity Commission that the Contractor has violated Federal or State anti-discrimination laws or regulations will constitute a finding by the County that the

Contractor has violated the anti-discrimination provisions of this Contract.

8.28.8 The parties agree that in the event the Contractor violates any of the anti-discrimination provisions of this Contract, the County will, at its sole option, be entitled to the sum of Five Hundred Dollars **(\$500)** for each such violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Contract.

8.29 NON EXCLUSIVITY

Nothing herein is intended nor will be construed as creating any exclusive arrangement with the Contractor. This Contract will not restrict the County from acquiring similar, equal or like goods and/or services from other entities or sources.

8.30 NOTICE OF DELAYS

Except as otherwise provided under this Contract, when either party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this Contract, that party will, within one (1) business day, give notice thereof, including all relevant information with respect thereto, to the other party.

8.31 NOTICE OF DISPUTES

The Contractor will bring to the attention of the County Contract Project Manager and/or the County's Project Director any dispute between the County and the Contractor regarding the performance of services as stated in this Contract. 8.32 NOTICE TO EMPLOYEES REGARDING THE FEDERAL EARNED INCOME CREDIT

The Contractor will notify its employees, and will require each Subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the federal income tax laws. Such notice will be provided in accordance with the requirements set forth in Internal Revenue Service Notice No. 1015.

8.33 NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW

The Contractor will notify and provide to its employees, and will require each Subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. Addresses may be changed by either party giving ten (10) days' prior written notice thereof to the other party. The County Librarian, or her designee, will have the authority to issue all notices or demands required or permitted by the County under this Contract.

8.35 PROHIBITION AGAINST INDUCEMENT OR PERSUASION

Notwithstanding the above, the Contractor and the County agree that, during the term of this Contract and for a period of one (1) year thereafter, neither party will in any way intentionally induce or persuade any employee of one party to become an employee or agent of the other party. No bar exists against any hiring action initiated through a public announcement.

8.36 PUBLIC RECORDS ACT

8.36.1 Any documents submitted by the Contractor; all information obtained in connection with the County's right to audit and inspect the Contractor's documents, books, and accounting records pursuant to Sub-section 8.38 - Record Retention and Inspection/Audit Settlement of this Contract; as well as those documents which were required to be submitted in response to the Request for Proposals (RFP) used in the solicitation process for this Contract, become the exclusive property of the County. All such documents become a matter of public record and will be regarded as public records. Exceptions will be those elements in the California Government Code Section 6250 et seq. (Public Records Act) and which are marked "trade secret", "confidential", or "proprietary". The County will not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

8.36.2 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "trade secret", "confidential", or "proprietary", the Contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

8.37 PUBLICITY

8.37.1 The Contractor will not disclose any details in connection with this Contract to any person or entity except as may be otherwise provided hereunder or required by law. However, in recognizing the Contractor's need to identify its services and related clients to sustain itself, the County will not inhibit the Contractor from publishing its role under this Contract within the following conditions:

- The Contractor will develop all publicity material in a professional manner; and
- During the term of this Contract, the Contractor will not, and will not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of the County without the prior written consent of the County's Project Director. The County will not unreasonably withhold written consent.

8.37.2 The Contractor may, without the prior written consent of County, indicate in its proposals and sales materials that it has been awarded this Contract with the County of Los Angeles, provided that the requirements of this Sub-section 8.37 will apply.

8.38 RECORD RETENTION AND INSPECTION/AUDIT SETTLEMENT

The Contractor will maintain accurate and complete financial records of its activities and operations relating to this Contract in accordance with generally accepted accounting principles. The Contractor will also maintain accurate and complete employment and other records relating to its performance of this Contract. The Contractor agrees that the County, or its authorized representatives, will have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Contract. All such material, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, will be kept and maintained by the Contractor and will be made available to the County

during the term of this Contract and for a period of five (5) years thereafter unless the County's written permission is given to dispose of any such material prior to such time. All such material will be maintained by the Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the County's option, the Contractor will pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.

- 8.38.1 In the event that an audit of the Contractor is conducted specifically regarding this Contract by any Federal or State auditor, or by any auditor or accountant employed by the Contractor or otherwise, then the Contractor will file a copy of such audit report with the County's Auditor-Controller within thirty (30) days of the Contractor's receipt thereof, unless otherwise provided by applicable Federal or State law or under this Contract. Subject to applicable law, the County will make a reasonable effort to maintain the confidentiality of such audit report(s).
- 8.38.2 Failure on the part of the Contractor to comply with any of the provisions of this Sub-section 8.38 will constitute a material breach of this Contract upon which the County may terminate or suspend this Contract.
- 8.38.3 If, at any time during the term of this Contract or within five (5) years after the expiration or termination of this Contract, representatives of the County conduct an audit of the Contractor regarding the work performed under this Contract, and if such audit finds that the County's dollar liability for any such work is less than payments made by the County to the Contractor, then the difference will be either: a) repaid by the Contractor to the County by cash payment upon demand or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the Contractor from the County, whether under this Contract or otherwise. If such audit finds that the County's dollar liability for such work is more than the payments made by the County to the Contractor, then the difference will be paid to the Contractor by the County by cash payment, provided that in no event will the County's maximum obligation for this Contract exceed the funds appropriated by the County for the purpose of this Contract.

8.39 RECYCLED BOND PAPER

Consistent with the Board's policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use recycled-content paper to the maximum extent possible on this Contract.

8.40 SUBCONTRACTING

- 8.40.1 The requirements of this Contract may not be subcontracted by the Contractor **without the advance approval of the County**. Any attempt by the Contractor to subcontract without the prior consent of the County may be deemed a material breach of this Contract.
- 8.40.2 If the Contractor desires to subcontract, the Contractor will provide the following information promptly at the County's request:
- A description of the work to be performed by the Subcontractor;
 - A draft copy of the proposed subcontract; and
 - Other pertinent information and/or certifications requested by the County.
- 8.40.3 The Contractor will indemnify and hold the County harmless with respect to the activities of each and every Subcontractor in the same manner and to the same degree as if such Subcontractor(s) were the Contractor employees.
- 8.40.4 The Contractor will remain fully responsible for all performances required of it under this Contract, including those that the Contractor has determined to subcontract, notwithstanding the County's approval of the Contractor's proposed subcontract.
- 8.40.5 The County's consent to subcontract will not waive the County's right to prior and continuing approval of any and all personnel, including Subcontractor employees, providing services under this Contract. The Contractor is responsible to notify its Subcontractors of this County right.
- 8.40.6 The County Librarian or her designee is authorized to act for and on behalf of the County with respect to approval of any subcontract and Subcontractor employees. After approval of the subcontract by the County, Contractor will forward a fully executed subcontract to the County for their files.
- 8.40.7 The Contractor will be solely liable and responsible for all payments or other compensation to all Subcontractors and their officers, employees, agents, and successors in interest arising through services performed hereunder, notwithstanding the County's consent to subcontract.
- 8.40.8 The Contractor will obtain certificates of insurance, which establish that the Subcontractor maintains all the programs of insurance

required by the County from each approved Subcontractor. The Contractor will ensure delivery of all such documents to:

County of Los Angeles Public Library
Contract Services Coordinator
7400 East Imperial Highway, Downey, CA 90242

before any Subcontractor employee may perform any work hereunder.

8.41 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM

Failure of the Contractor to maintain compliance with the requirements set forth in Sub-section 8.14 - Contractor's Warranty of Adherence to County's Child Support Compliance Program, will constitute default under this Contract. Without limiting the rights and remedies available to the County under any other provision of this Contract, failure of the Contractor to cure such default within ninety (90) calendar days of written notice will be grounds upon which the County may terminate this Contract pursuant to Sub-section 8.43 - Termination for Default and pursue debarment of the Contractor, pursuant to County Code Chapter 2.202.

8.42 TERMINATION FOR CONVENIENCE

8.42.1 This Contract may be terminated, in whole or in part, from time to time, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder will be effected by notice of termination to the Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective will be no less than ten (10) days after the notice is sent.

8.42.2 After receipt of a notice of termination and except as otherwise directed by the County, the Contractor will:

- Stop work under this Contract on the date and to the extent specified in such notice, and
- Complete performance of such part of the work as will not have been terminated by such notice.

8.42.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of the Contractor under this Contract will be maintained by the Contractor in accordance with

Sub-section 8.38, Record Retention and Inspection/Audit Settlement.

8.43 TERMINATION FOR DEFAULT

8.43.1 The County may, by written notice to the Contractor, terminate the whole or any part of this Contract, if, in the judgment of County Contract Project Director:

- Contractor has materially breached this Contract; or
- Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Contract; or
- Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this Contract, or of any obligations of this Contract and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.

8.43.2 In the event that the County terminates this Contract in whole or in part as provided in Paragraph 8.43.1, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. The Contractor will be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The Contractor will continue the performance of this Contract to the extent not terminated under the provisions of this Paragraph.

8.43.3 Except with respect to defaults of any Subcontractor, the Contractor will not be liable for any such excess costs of the type identified in Paragraph 8.43.2 if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a Subcontractor, and if such default arises out of causes beyond the control of both the Contractor and

Subcontractor, and without the fault or negligence of either of them, the Contractor will not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this Paragraph, the term "Subcontractor(s)" means Subcontractor(s) at any tier.

- 8.43.4 If, after the County has given notice of termination under the provisions of this Sub-section 8.43, it is determined by the County that the Contractor was not in default under the provisions of this Sub-section 8.43, or that the default was excusable under the provisions of Paragraph 8.43.3, the rights and obligations of the parties will be the same as if the notice of termination had been issued pursuant to Sub-Section 8.42 - Termination for Convenience.
- 8.43.5 The rights and remedies of the County provided in this Sub-section 8.43 will not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.44 TERMINATION FOR IMPROPER CONSIDERATION

- 8.44.1 The County may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Contract if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment, or extension of this Contract or the making of any determinations with respect to the Contractor's performance pursuant to this Contract. In the event of such termination, the County will be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.
- 8.44.2 The Contractor will immediately report any attempt by a County officer or employee to solicit such improper consideration. The report will be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.
- 8.44.3 Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

8.45 TERMINATION FOR INSOLVENCY

8.45.1 The County may terminate this Contract forthwith in the event of the occurrence of any of the following:

- Insolvency of the Contractor. The Contractor will be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not the Contractor is insolvent within the meaning of the Federal Bankruptcy Code;
- The filing of a voluntary or involuntary petition regarding the Contractor under the Federal Bankruptcy Code;
- The appointment of a Receiver or Trustee for the Contractor; or
- The execution by the Contractor of a general assignment for the benefit of creditors.

8.45.2 The rights and remedies of the County provided in this Sub-section 8.45 will not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.46 TERMINATION FOR NON-ADHERENCE OF COUNTY LOBBYIST ORDINANCE

The Contractor, and each County Lobbyist or County Lobbying firm as defined in County Code Section 2.160.010 retained by the Contractor, will fully comply with the County's Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of the Contractor or any County Lobbyist or County Lobbying firm retained by the Contractor to fully comply with the County's Lobbyist Ordinance will constitute a material breach of this Contract, upon which the County may in its sole discretion, immediately terminate or suspend this Contract.

8.47 TERMINATION FOR NON-APPROPRIATION OF FUNDS

Notwithstanding any other provision of this Contract, the County will not be obligated for the Contractor's performance hereunder or by any provision of this Contract during any of the County's future fiscal years unless and until the Board appropriates funds for this Contract in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract will terminate as of June 30 of the last fiscal year for which funds were appropriated. The County will notify the

Contractor in writing of any such non-allocation of funds at the earliest possible date.

8.48 VALIDITY

If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances will not be affected thereby.

8.49 WAIVER

No waiver by the County of any breach of any provision of this Contract will constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Contract will not be construed as a waiver thereof. The rights and remedies set forth in this Sub-section 8.49 will not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.50 WARRANTY AGAINST CONTINGENT FEES

8.50.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

8.50.2 For breach of this warranty, the County will have the right to terminate this Contract and, at its sole discretion, deduct from the Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

8.51 WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM

Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

Unless Contractor qualifies for an exemption or exclusion, Contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this contract will maintain compliance, with Los Angeles County Code Chapter 2.206, a copy of which is attached

as Exhibit J and incorporated by reference into and made a part of this Contract.

8.52 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM

Failure of Contractor to maintain compliance with the requirements set forth in Sub-section 8.51 "Warranty of Compliance with County's Defaulted Property Tax Reduction Program" will constitute default under this contract. Without limiting the rights and remedies available to County under any other provision of this contract, failure of Contractor to cure such default within ten (10) days of notice will be grounds upon which County may terminate this contract and/or pursue debarment of Contractor, pursuant to County Code Chapter 2.206.

8.53 TIME OFF FOR VOTING

The Contractor will notify its employees, and will require each subcontractor to notify and provide to its employees, information regarding the time off for voting law (Elections Code Section 14000). Not less than 10 days before every statewide election, every Contractor and subcontractors will keep posted conspicuously at the place of work, if practicable, or elsewhere where it can be seen as employees come or go to their place of work, a notice setting forth the provisions of Section 14000.

9.1.1 This Contract is subject to the provisions of the County's ordinance entitled Local Small Business Enterprise Preference Program, as codified in Chapter 2.204 of the Los Angeles County Code.

9.1.2 The Contractor will not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a Local Small Business Enterprise.

9.1.3 The Contractor will not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a Local Small Business Enterprise.

9.1.4 If the Contractor has obtained certification as a Local Small Business Enterprise by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this contract to which it would not otherwise have been entitled, will:

1. Pay to the County any difference between the contract amount and what the County's costs would have been if the contract had been properly awarded;
2. In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than ten percent (10%) of the amount of the contract; and
3. Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Non-responsibility and Contractor Debarment).

The above penalties will also apply to any business that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify the state and Internal Services Department (ISD) of this information prior to responding to a solicitation or accepting a contract award.

9.2 OWNERSHIP OF MATERIALS, SOFTWARE AND COPYRIGHT

9.2.1 County will be the sole owner of all right, title and interest, including copyright, in and to all software, plans, diagrams, facilities, and tools (hereafter "materials") which are originated or created through the Contractor's work pursuant to this Contract. The Contractor, for valuable consideration herein provided, will execute all documents necessary to assign and transfer to, and vest in the County all of the Contractor's right, title and interest in and to such original materials, including any copyright, patent and trade secret rights which arise pursuant to the Contractor's work under this Contract.

9.2.2 During the term of this Contract and for five (5) years thereafter, the Contractor will maintain and provide security for all of the Contractor's working papers prepared under this Contract. County will have the right to inspect, copy and use at any time during and subsequent to the term of this Contract, any and all such working papers and all information contained therein.

- 9.2.3 Any and all materials, software and tools which are developed or were originally acquired by the Contractor outside the scope of this Contract, which the Contractor desires to use hereunder, and which the Contractor considers to be proprietary or confidential, must be specifically identified by the Contractor to the County's Project Manager as proprietary or confidential, and will be plainly and prominently marked by the Contractor as "Proprietary" or "Confidential" on each appropriate page of any document containing such material.
- 9.2.4 The County will use reasonable means to ensure that the Contractor's proprietary and/or confidential items are safeguarded and held in confidence. The County agrees not to reproduce, distribute or disclose to non-County entities any such proprietary and/or confidential items without the prior written consent of the Contractor.
- 9.2.5 Notwithstanding any other provision of this Contract, the County will not be obligated to the Contractor in any way under Paragraph 9.2.4 for any of the Contractor's proprietary and/or confidential items which are not plainly and prominently marked with restrictive legends as required by Paragraph 9.2.3 or for any disclosure which the County is required to make under any state or federal law or order of court.

STATEMENT OF WORK

1.0 BACKGROUND

After the passage of Proposition 218 in November 1996, the County of Los Angeles Public Library (Public Library) was prohibited from continuing the Community Facilities District (CFD) property assessments. As a result, the County presented and the voters approved a ballot measure (Proposition L) on June 3, 1997 which established a Special Tax to provide funding for the Public Library to replace the revenues that were lost from the passage of Prop 218. The revenues generated for the 2012-13 fiscal year total \$11.4 million dollars.

The ballot measure specified that the revenues generated from the Special Tax levy are to be dedicated exclusively to support library services in the communities subject to the Special Tax and initially authorized a Special Tax of \$22.00 per year on all taxable parcels, regardless of size or type of property. The current Special Tax rate per parcel is \$29.31. The revenue generated by the Special Tax is used to increase service levels in sixty-eight (68) libraries serving the areas subject to the Special Tax. These include fifty-six (56) libraries located in unincorporated areas, and twelve (12) libraries in the ten (10) cities listed below. The Special Tax is levied on approximately 400,000 parcels per year in the unincorporated areas of the County served by the Public Library and the cities of: Cudahy, Culver City, Duarte, El Monte, La Canada-Flintridge, Lakewood, Lomita, Lynwood, Maywood, and West Hollywood and is subject to an annual Consumer Price Index (CPI) adjustment effective on July 1 adjusted for inflation in the same manner as the general *ad valorem* property tax and cannot exceed two percent (2%) per year.

DIRECT ASSESSMENT INTRODUCTION

This is the fiscal year 2014-2015 version of the Los Angeles County Auditor-Controller Direct Assessment Submission Procedure Manual. This manual has been created for use by taxing agencies that submit their direct assessments to the Los Angeles County Auditor-Controller for processing.

The following is a summary of important items and major changes that were made to this year's Direct Assessment (DA) process:

- All DA agencies are required to submit their original input in 25 byte format via DAWeb System Application, except DA accounts handled by the Auditor-Controller Systems Division and accounts with 2 million transactions or greater.
- All legal documents such as Resolution/Ordinance, Billing Agreement, Agency Information Sheet and Data Transmittal must be uploaded to the DAWeb prior to submission of the original data file (**see DAWeb virtual tutorial or DAWeb application procedure manual**).
- Please ensure that the **Phone Number to be Listed on the Tax Bill on your Agency Information Sheet** is filled out correctly. Several agencies placed the incorrect phone number on their Agency Information Sheets last fiscal year, resulting in taxpayers being directed to the incorrect phone number. **The Agency Information Sheet has been revised**. Please ensure that you **use the revised version** when uploading.
- The Auditor-Controller requires that each agency provide a current copy of their Resolution/Ordinance and Billing Agreement annually, even if no changes have taken place. **Indicate your agencies' account number(s) in the top right hand corner**.
- The Auditor-Controller requires DA agencies to upload their Engineering Reports or other supporting documents to show calculation methodology.
- A virtual tutorial is available on the DAWeb site to assist with using DAWeb.
- The Auditor-Controller no longer faxes or mails exception reports. The exception reports can now be accessed by clicking the DA Exception Report link under Help Menu Options on the DAWeb site.
- When a parcel undergoes a parcel change, if the new parcel is billed on the Unsecured tax roll due to a change in ownership, the DA amounts are dropped. Beginning this fiscal year, the Auditor-Controller will be providing agencies a report of DA amounts that are dropped in this situation.

Questions regarding any portion of these procedures should be directed to the Auditor-Controller Tax Division, **Aquilla Ivery-Simmons** of the **Direct Assessment Processing Unit** at **(213) 893-2344**.

DIRECT ASSESSMENT CYCLE

- May 1st - July 15th** Requests for assignment of the New Accounts will be processed if received by our office as early as **May 1st** and no later than **July 15th**. **See page v for further instructions.**

3.0 DA PUBLIC UTILITY AND CHECK DIGIT PROCEDURES

3.1 PUBLIC UTILITY PARCEL CONVERSION PROCEDURE

The Public Utility parcel numbers also consist of 10 digits. Please read below for the procedure of converting Public Utility parcels:

1. If the utility is **OTHER THAN** a railroad company, enter the County Parcel Number as follows:

<u>Digits</u>	<u>Total digits (10)</u>	<u>Content</u>
1	1	"9" (9 is the first prefix of the map book)
2-5	4	Utility Company Number
6-10	5	"00001"

NOTE: Always add 0 or 0s in front of the company number if it has fewer than 4 digits.

E.g.: So Cal Edison Company
Company number 148

<u>Prefix of Map Book</u>	<u>Utility Company Number</u>	<u>Tax Rate Area</u>
9	148	00001

County Parcel Number is **9014800001**.

2. If the utility is a **railroad** company, enter the County parcel number as follows:

<u>Digits</u>	<u>Total digits (10)</u>	<u>Content</u>
1	1	"9" (9 is the first prefix of the map book)
2-5	4	Utility Company Number
6-10	5	County Tax Rate Area

NOTE: Always add 0 or 0s in front of the company number if it has fewer than 4 digits.

E.g.: Southern Pacific Railroad
Company number 007
County TRA 01020

<u>Prefix of Map Book</u>	<u>Utility Company Number</u>	<u>Tax Rate Area</u>
9	007	01020

County Parcel Number is **9000701020**.

3.0 DA PUBLIC UTILITY AND CHECK DIGIT PROCEDURES

3.2

CHECK DIGIT ALGORITHM CALCULATION PROCEDURE

The Check Digit is a form of parcel number validation. The calculated check digit number is arrived at by using the following algorithm:

a. List your parcel number. **2 0 2 0 4 1 8 0 3 7**

b. Start with the first digit of the parcel number **step a** and multiply every other digit by 2.

1	3	5	7	9
2	2	4	8	3
4	4	8	16	6

c. Sum the resulting totals from **step b**. If the answer in step b contains two digits, add the number individually to get one number (e.g. 16 would be 1+6)

$$\begin{array}{cccccc} 4 & 4 & 8 & 16 & 6 & \\ \hline 4 & 4 & 8 & 1 & 6 & 6 \end{array}$$

$$4 + 4 + 8 + 1 + 6 + 6 = 29$$

d. Go back to parcel number starting with **step a** and add every other number starting with the second digit from parcel number.

$$0 + 0 + 1 + 0 + 7 = 8$$

e. Add the total result from **step c** to the total result from **step d**.

$$\begin{array}{r} \text{Total} = \quad 29 \\ \quad + 8 \\ \hline \quad 37 \end{array}$$

Note: If last digit calculated in step e is zero, check digit is zero.

f. Subtract the last digit of the total in **step e** from 10.

$$10 - 7 = 3$$

The end result is the check digit = 3.

320	Transaction is attempting to post a new direct assessment with amount equal to zero
430	Transaction is attempting to post a new direct assessment with an invalid direct assessment account number
460	Transaction is attempting to update a roll year greater than the current roll year

*NOTE: These errors often occur because agencies submit direct assessments on parcels that have undergone a parcel change or on non-billable parcels. A primary example of a non-billable parcel would be a Common Area parcel. Common Area generally occurs within condominium projects and planned neighborhood projects. The assessed value on Common Area parcels are deliberately set low (\$9) so that a tax bill will not be issued. To minimize these errors, it is suggested that each agency identify and omit assessments for non-billable parcels. It is recommended that the charges be allocated to parcels adjoining the Common Area parcels.

5.0 DA ON PARCELS UNDERGOING PARCEL CHANGE

5.1 PARCEL CHANGE CURRENT YEAR PROCESSING

If the Parcel Change occurs during the current Roll Year, there are two options available:

- OPTION 1** Allocate existing direct assessment amounts to new billable parcel(s). This option will automatically divide amount of direct assessment levied on old parcel (parcel undergoing change) equally to new billable parcel(s) being created and placed equally divided amount(s) on new parcel(s).
- OPTION 2** Drop the assessments from the roll. When new parcel(s) replace old parcel direct assessment will be deleted. It will be the sole responsibility of the taxing agency to directly bill the party liable for any direct assessments dropped from the roll.

Indicate on the Agency Information Sheet (see page 18 Appendix I) the option you select for each direct assessment account.

The Auditor-Controller may refund paid direct assessments for properties undergoing Parcel Change for the current Roll Year during the current Roll Year.

E.g. Parcel Change in the 2014-2015 fiscal year affects the tax bill for that same year (fiscal year 2014-2015).

The Los Angeles County Assessor has developed an automated methodology for managing direct assessments for properties undergoing a "Parcel Change." "Parcel Change" is the term that describes the process which takes place when a change in the legal description of a parcel results in it changing into one or more new parcels, or many parcels into one parcel.

The Auditor-Controller will process increases after extension of tax roll by request to direct assessments on parcels that have undergone a parcel change. All such requests will be subject to the **\$13.00** service charge per assessment per parcel and year/sequence being adjusted. New parcels must be billed on the Secured Tax Roll before taxing agencies submit requests. Taxing agencies choosing **Option 1** may submit Current Year Correction Forms increasing and decreasing amounts for direct assessments that were divided equally on the new parcels or or dropped due to a multiple parcel change.

Under both Option 1 and Option 2, Direct Assessments for parcels undergoing a parcel change will be dropped from the tax roll under the following conditions:

- After pro-ration, any unpaid portion of Direct Assessments levied on parcels undergoing a parcel change due to an acquisition of the property by a public entity.
- Direct Assessments for parcels undergoing a multiple parcel change. Multiple parcel change is defined as a parcel being divided into more than 4 parcels.
- When a parcel undergoes a parcel change, if the new parcel is billed on the Unsecured tax roll due to a change in ownership, the DA amounts are dropped. The Auditor-Controller will provide agencies a report of DA amounts that are dropped in this situation.

5.0 DA ON PARCELS UNDERGOING PARCEL CHANGE**AGENCY REPORTS**

The following hard copy reports identify direct assessments on parcels that have undergone a Parcel Change:

1. **Report of Direct Assessment Activity (see page 16, FIG. 5.1)**

This non-accumulated report is available after each parcel change update. The parcel change system updates approximately once per week from September to June.

- a. If **Option 1** has been selected by the agency, the report will indicate by direct assessment account number the old and new parcel numbers, the direct assessment amount on the old parcel at the time of parcel change, and the amount allocated to the new parcels.
- b. If **Option 2** has been selected by the agency, the report will indicate by agency account number the old parcel number, the direct assessment amount on the old parcel at the time of parcel change, and the amount dropped from the roll.

2. **Agency Summary Report - Hard Copy (see page 17, FIG. 5.2)**

This non-accumulated report is available after each parcel change update. The parcel change system updates approximately once per week from September to June.

- a. If **Option 1** has been selected by the agency, the report will provide the total direct assessment amount on the old parcels at the time of parcel change, and the total amount allocated to the new parcels for each parcel change update.
- b. If **Option 2** has been selected by agency, the report will indicate total direct assessment amount on old parcel at time of parcel change, and amount dropped from the roll for each parcel change update.

Note: Any mapping questions regarding parcel changes should be directed to the Office of the Assessor, Mapping and GIS Services at (213) 974-7352.

5.0 DA ON PARCELS UNDERGOING PARCEL CHANGE**5.2 PARCEL CHANGE PRIOR YEAR PROCESSING**

If the Parcel Change occurs for a prior Roll Year (e.g. Parcel Change for 2012 Roll Year made during 2013 Fiscal Year), the direct assessments will be handled as follows:

1. If the direct assessment was fully paid on the old parcel when the Parcel Change occurred, regardless of whether the parcel was current or delinquent, the full amount of the direct assessments will remain on the old parcel and will not be dropped from the Tax Roll.
2. If any portion of the direct assessment remained unpaid when the parcel change occurred, the unpaid amount of the direct assessment will be dropped from the Tax Roll. Collection will be the responsibility of the taxing agency.

AGENCY REPORTS**Report of Delinquent Parcel Activity - Hard Copy (see page 17, FIG. 5.3)**

This report is available by direct assessment account number and includes a list of the old parcels for which taxes were not paid timely and were subject to being dropped from the Tax Roll. In addition, the report provides a list of the old parcels.

Note: Hard Copy Agency Report(s) such as:

Report of Direct Assessment Activity (see page 16, FIG. 5.1), Agency Summary Report (see page 17, FIG. 5.2) and Report of Delinquent Parcel Activity (see page 17, FIG. 5.3) are only available upon request on an annual basis.

All requests for hard copy reports must be sent to:

Auditor-Controller, Tax Division
Direct Assessment Processing Unit
500 W. Temple Street, Room 153
Los Angeles, CA 90012
C/O Aquilla Ivery-Simmons

The Purchaser more specifically understands that Government Code Section 6254.21 requires that no person, business, or association shall publicly post or publicly display on the Internet the home address or telephone number of any elected or appointed official if that official has made a written demand of that person, business, or association to not disclose his or her name, address, or telephone number. The person, business, or association that receives the written demand of an elected or appointed official shall remove the official's home address or telephone number from public display on the Internet within 48 hours of delivery of the written demand, and shall continue to ensure that this information is not reposted on the same Internet Web site, subsidiary site, or any other Internet Web site maintained by the recipient of the written demand. 3. Duplication and Resale of Assessor Property Records: The Assessor property records provided to the Purchaser are for the exclusive use of the Purchaser only. JURY SERVICE ORDINANCE

Title 2 ADMINISTRATION
Chapter 2.203.010 through 2.203.090
CONTRACTOR EMPLOYEE JURY SERVICE

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. SAFELY SURRENDERED BABY LAW

Safely Surrendered

No shame. No blame. No names.

In Los Angeles County: 1-877-BABY SAFE • 1-877-222-9723

www.babysafela.org

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés *Sin Peligro*

Los recién nacidos pueden ser entregados en forma segura al personal de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles

Sin pena. Sin culpa. Sin nombres.

En el Condado de Los Ángeles: 1-877-BABY SAFE • 1-877-222-9723

www.babysafela.org

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre o el adulto que lo entregue recibirá un brazaletes igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazaletes con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

The Board of Supervisors finds that significant revenues are lost each year as a result of taxpayers who fail to pay their tax obligations on time. The delinquencies impose an economic burden upon the County and its taxpayers. Therefore, the Board of Supervisors establishes the goal of ensuring that individuals and businesses that benefit financially from contracts with the County fulfill their property tax obligation. 2.202.010 Findings and declarations.

A. The board of supervisors finds that, in order to promote integrity in the county's contracting processes and to protect the public interest, the county's policy shall be to conduct business only with responsible contractors. The board of supervisors further finds that debarment is to be imposed only in the public interest for the county's protection and not for the purpose of punishment.

B. Determinations of contractor non-responsibility and contractor debarment shall be made in accordance with the procedures set forth in the ordinance codified in this chapter and implementation instructions issued by the auditor-controller. (Ord. 2005-0066 § 1, 2005: Ord. 2000-0011 § 1 (part), 2000.)

2.202.020 Definitions.

For purposes of this chapter, the following definitions apply:

A. "Contractor" means a person, partnership, corporation, or other entity who has contracted with, or is seeking to contract with, the county or a nonprofit corporation created by the county to provide goods to, or perform services for or on behalf of, the county or a nonprofit corporation created by the county. A contractor includes a contractor, subcontractor, vendor, or any person or entity who or which owns an interest of 10 percent or more in a contractor, subcontractor, or vendor.

B. "Contract" means any agreement to provide goods to, or perform services for or on behalf of, the county or a nonprofit corporation created by the county.

C. "Debarment" means an action taken by the county which results in a contractor being prohibited from bidding or proposing on, being awarded and/or performing work on a contract with the county. A contractor who has been determined by the county to be subject to such a prohibition is "debarred."

D. "Department head" means either the head of a department responsible for administering a particular contract for the county or the designee of same.

E. "County" means the county of Los Angeles, any public entities for which the board of supervisors is the governing body, and any joint powers authorities of which the county is a member that have adopted county contracting procedures.

Title 2 ADMINISTRATION
DETERMINATIONS OF CONTRACTOR NON-RESPONSIBILITY
AND CONTRACTOR DEBARMENT

F. "Contractor hearing board" means the persons designated to preside over contractor debarment hearings and make recommendations on debarment to the board of supervisors.

G. Determination of "non-responsibility" means an action taken by the county which results in a contractor who submitted a bid or proposal on a particular contract being prohibited from being awarded and/or performing work on that contract. A contractor who has been determined by the county to be subject to such a prohibition is "non-responsible" for purposes of that particular contract.

H. "Bid or proposal" means a bid, proposal, or any other response to a solicitation submitted by or on behalf of a contractor seeking an award of a contract. (Ord. 2005-0066 § 2, 2005: Ord. 2004-0009 § 1, 2004: Ord. 2000-0011 § 1 (part), 2000.)

2.202.030 Determination of contractor non-responsibility.

A. Prior to a contract being awarded by the county, the county may determine that a contractor submitting a bid or proposal is non-responsible for purposes of that contract. In the event that the county determines that a contractor is non-responsible for a particular contract, said contractor shall be prohibited from being awarded and/or performing work on that contract.

B. The county may declare a contractor to be non-responsible for purposes of a particular contract if the county, in its discretion, finds that the contractor has done any of the following: (1) violated a term of a contract with the county or a nonprofit corporation created by the county; (2) committed an act or omission which negatively reflects on the contractor's quality, fitness, or capacity to perform a contract with the county, any other public entity, or a nonprofit corporation created by the county, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or omission which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the county or any other public entity.

C. The decision by the county to find a contractor non-responsible for a particular contract is within the discretion of the county. The seriousness and extent of the contractor's acts, omissions, patterns, or practices as well as any relevant mitigating or aggravating factors, including those described in Subsection 2.202.040 (E) below, may be considered by the county in determining whether a contractor should be deemed non-responsible.

D. Before making a determination of non-responsibility pursuant to this chapter, the department head shall give written notice to the contractor of the basis for the proposed non-responsibility determination, and shall advise the contractor that a non-responsibility hearing will be scheduled on a date certain. Thereafter, the department head shall conduct a hearing where evidence on the proposed non-responsibility determination is presented. The contractor and/or attorney or other authorized representative of the contractor shall be afforded an opportunity to appear at the non-responsibility hearing and to submit documentary evidence, present witnesses, and offer rebuttal evidence. After such hearing, the department head shall prepare a proposed decision, which shall contain a recommendation regarding whether the contractor should be found non-responsible with respect to the contract(s) at issue. A record of the hearing, the proposed decision, and any recommendation shall be presented to the board of supervisors. The board of supervisors may, in its discretion, limit any further hearing to the presentation of evidence not previously presented. The board of supervisors shall have the right to modify,

deny, or adopt the proposed decision and recommendation of the department head. A non-responsibility finding shall become final upon approval by the board of supervisors. (Ord. 2005-0066 § 3, 2005: Ord. 2004-0009 § 2, 2004: Ord. 2000-0011 § 1 (part), 2000.)

2.202.040 Debarment of contractors.

A. The county may debar a contractor who has had a contract with the county in the preceding three years and/or a contractor who has submitted a bid or proposal for a new contract with the county.

B. The county may debar a contractor if the county finds, in its discretion, that the contractor has done any of the following: (1) violated a term of a contract with the county or a nonprofit corporation created by the county; (2) committed an act or omission which negatively reflects on the contractor's quality, fitness, or capacity to perform a contract with the county, any other public entity, or a nonprofit corporation created by the county, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or omission which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the county or any other public entity.

C. The decision by the county to debar a contractor is within the discretion of the county. The seriousness and extent of the contractor's acts, omissions, patterns, or practices as well as any relevant mitigating or aggravating factors, including those described in Subsection (E) below, may be considered by the county in determining whether to debar a contractor and the period of debarment. Generally, the period of debarment should not exceed five years. However, if circumstances warrant, the county may impose a longer period of debarment up to and including permanent debarment.

D. To impose a debarment period of longer than five years, and up to and including permanent debarment, in addition to the grounds described in Subsection (B) above, the county shall further find that the contractor's acts or omissions are of such an extremely serious nature that removal of the contractor from future county contracting opportunities for the specified period is necessary to protect the county's interests.

E. Mitigating and aggravating factors that the county may consider in determining whether to debar a contractor and the period of debarment include but are not limited to:

- (1) The actual or potential harm or impact that results or may result from the wrongdoing.
- (2) The frequency and/or number of incidents and/or duration of the wrongdoing.
- (3) Whether there is a pattern or prior history of wrongdoing.
- (4) A contractor's overall performance record. For example, the county may evaluate the contractor's activity cited as the basis for the debarment in the broader context of the contractor's overall performance history.
- (5) Whether a contractor is or has been debarred, found non-responsible, or disqualified by another public entity on a basis of conduct similar to one or more of the grounds for debarment specified in this Section.
- (6) Whether a contractor's wrongdoing was intentional or inadvertent. For example, the county may consider whether and to what extent a contractor planned, initiated, or carried out the

Title 2 ADMINISTRATION
DETERMINATIONS OF CONTRACTOR NON-RESPONSIBILITY
AND CONTRACTOR DEBARMENT

wrongdoing.

(7) Whether a contractor has accepted responsibility for the wrongdoing and recognizes the seriousness of the misconduct that led to the grounds for debarment and/or has taken corrective action to cure the wrongdoing, such as establishing ethics training and implementing programs to prevent recurrence.

(8) Whether and to what extent a contractor has paid or agreed to pay criminal, civil, and administrative liabilities for the improper activity, and to what extent, if any, has the contractor made or agreed to make restitution.

(9) Whether a contractor has cooperated fully with the county during the investigation, and any court or administrative action. In determining the extent of cooperation, the county may consider when the cooperation began and whether the contractor disclosed all pertinent information known to the contractor.

(10) Whether the wrongdoing was pervasive within a contractor's organization.

(11) The positions held by the individuals involved in the wrongdoing.

(12) Whether a contractor's principals participated in, knew of, or tolerated the offense.

(13) Whether a contractor brought the activity cited as a basis for the debarment to the attention of the county in a timely manner.

(14) Whether a contractor has fully investigated the circumstances surrounding the cause for debarment and, if so, made the result of the investigation available to the county.

(15) Whether a contractor had effective standards of conduct and internal control systems in place at the time the questioned conduct occurred.

(16) Whether a contractor has taken appropriate disciplinary action against the individuals responsible for the activity which constitutes the cause for debarment.

(17) Other factors that are appropriate to the circumstances of a particular case.

F. Before making a debarment determination pursuant to this chapter, the department head shall give written notice to the contractor of the basis for the proposed debarment, and shall advise the contractor that a debarment hearing will be scheduled on a date certain. The contractor hearing board shall conduct a hearing where evidence on the proposed debarment is presented. The contractor and/or attorney or other authorized representative must be given an opportunity to appear at the debarment hearing and to submit documentary evidence, present witnesses, and offer rebuttal evidence at that hearing. After such hearing, the contractor hearing board shall prepare a proposed decision, which shall contain a recommendation regarding whether the contractor should be debarred and, if so, the appropriate length of time for the debarment. A record of the hearing, the proposed decision, and any recommendation shall be presented to the board of supervisors. The board of supervisors may, in its discretion, limit any further hearing to the presentation of evidence not previously presented. The board of supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the contractor hearing board. A debarment finding shall become final upon the approval of the board of supervisors.

G. In making a debarment determination, the board of supervisors may also, in its discretion and consistent with the terms of any existing contracts that the contractor may have with the county, terminate any or all such existing contracts. In the event that any existing contract is terminated by the board of supervisors, the county shall maintain the right to pursue all other rights and remedies provided by the contract and/or applicable law.

H. With respect to a contractor who has been debarred for a period longer than five years, the

Title 2 ADMINISTRATION
DETERMINATIONS OF CONTRACTOR NON-RESPONSIBILITY
AND CONTRACTOR DEBARMENT

contractor may, after the debarment has been in effect for at least five years, request that the county review the debarment determination to reduce the period of debarment or terminate the debarment. The county may consider a contractor's request to review a debarment determination based upon the following circumstances: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the county. A request for review shall be in writing, supported by documentary evidence, and submitted to the chair of the contractor hearing board. The chair of the contractor hearing board may either: 1) determine that the written request is insufficient on its face and deny the contractor's request for review; or (2) schedule the matter for consideration by the contractor hearing board which shall hold a hearing to consider the contractor's request for review, and, after the hearing, prepare a proposed decision and a recommendation to be presented to the board of supervisors. The board of supervisors may, in its discretion, limit any further hearing to the presentation of evidence not previously presented. The board of supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the contractor hearing board. A reduction of the period of the debarment or termination of the debarment shall become final upon the approval of the board of supervisors. (Ord. 2005-0066 § 4, 2005: Ord. 2004-0009 § 3, 2004: Ord. 2000-0011 § 1 (part), 2000.)

2.202.050 Pre-emption.

In the event any contract is subject to federal and/or state laws that are inconsistent with the terms of the ordinance codified in this chapter, such laws shall control. (Ord. 2000-0011 § 1 (part), 2000.)

2.202.060 Severability.

If any section, subsection, subpart or provision of this chapter, or the application thereof to any person or circumstances, is held invalid, the remainder of the provisions of this chapter and the application of such to other persons or circumstances shall not be affected thereby. (Ord. 2000-0011 § 1 (part), 2000.)
