

MOTION BY MAYOR MICHAEL D. ANTONOVICH

SEPTEMBER 22, 2015

Residents are concerned about speeding traffic along Elizabeth Street between Oxford Avenue and Allen Avenue in the unincorporated community of Altadena. Elizabeth Street is a residential roadway with a posted speed limit of 25 mph, and is identified as one of the Suggested Routes to School for students walking and biking to and from Webster Elementary School.

Speed cushions are effective in reducing local speeds under certain roadway conditions which are present on Elizabeth Street, thereby, enhancing the quality of life for residents in the neighborhood.

I, THEREFORE, MOVE that the Board of Supervisors instruct the Director of Public Works to install speed cushions along Elizabeth Street between Oxford Avenue and Allen Avenue within the next 6 weeks.
