**WHEREAS**, a duly called election (the "Election") was held in the Downey Unified School District (the "District"), Los Angeles County (the "County"), State of California, on November 4, 2014 (the "Election"), at which the following proposition (the "Bond Measure") was submitted to the qualified electors of the District:

"To upgrade classrooms, improve education for each student by upgrading science labs for 21st Century technology and career/vocational training, improve school security/fire safety, repair old bathrooms and plumbing, improve disabled access, electrical systems/wiring, and repair, construct, and acquire educational facilities, sites, and equipment, shall Downey Unified School District issue \$248,000,000 in bonds, at legal rates, requiring independent audits, citizens' oversight, no money for administrators' salaries/pensions, and all funds used locally?"

**WHEREAS**, at such Election the Bond Measure received the affirmative vote of 55% or more of the qualified voters of the District, as certified by the Registrar of Voters of the County in its official canvassing of the votes (the "Authorization");

**WHEREAS**, at this time this Board of Education of the District (the "Board") has determined that it is necessary and desirable to issue the first series of bonds under the Authorization in an aggregate principal amount not-to-exceed \$50,000,000, and to be styled as "Downey Unified School District (Los Angeles County, California) Election of 2014 General Obligation Bonds, Series A" (the "Bonds");

**WHEREAS**, pursuant to Article 4.5 of Chapter 3 of Part 1 of Division 2 of Title 5 of the Government Code of the State of California (the "Government Code"), the Bonds are authorized to be issued by the District, for purposes set forth in the ballot submitted to the voters at the Election;

**WHEREAS**, this Board desires to authorize the issuance of the Bonds in one or more Series of Taxable or Tax-Exempt Current Interest Bonds (as such terms are defined herein);

**WHEREAS**, the District has not filed with nor received from the County office of education having jurisdiction over the District a qualified or negative certification in its most recent interim financial report pursuant to Section 42131 of the California Education Code (the "Education Code");

**WHEREAS**, this Board desires to appoint certain professionals to provide services related to the issuance of the Bonds; and

**WHEREAS**, all acts, conditions and things required by law to be done or performed have been done and performed in strict conformity with the laws authorizing the issuance of general obligation bonds of the District, and the indebtedness of the District, including this proposed issue of Bonds, is within all limits prescribed by law;

NOW, THEREFORE, BE IT FOUND, DETERMINED AND RESOLVED BY THE BOARD OF EDUCATION OF THE DOWNEY UNIFIED SCHOOL DISTRICT, LOS ANGELES COUNTY, CALIFORNIA, AS FOLLOWS:

**SECTION 1. Authorization for Issuance of the Bonds.** To raise money for the purposes authorized by the voters of the District at the Election, and to pay all necessary legal, financial, engineering and contingent costs in connection therewith, the Board hereby authorizes the issuance of the Bonds pursuant to Article 4.5 of Chapter 3 of Part 1 of Division 2 of Title 5 of the Government Code and orders such Bonds sold at a competitive sale in one or more Series of Taxable or Tax-Exempt Current Interest Bonds, with appropriate series designation if more than one Series is issued, such that the Bonds shall be dated as of a date to be determined by the Authorized Officers (defined below), shall bear interest at a rate not to exceed that authorized at the Election, shall be payable upon such terms and provisions as shall be set forth in the Bonds, shall mature on the dates and in the amounts set forth in the Official Statement (defined herein), and shall be in an aggregate principal amount not-to-exceed \$50,000,000, for some or all of the purposes authorized at the Election (the "Projects").

**SECTION 2. Paying Agent.** This Board hereby appoints the Paying Agent, as defined herein, to serve as the paying agent, bond registrar, transfer agent and authentication agent for the Bonds on behalf of the District. This Board hereby approves the payment of the reasonable fees and expenses of the Paying Agent as they shall become due and payable. The fees and expenses of the Paying Agent which are not paid as a cost of issuance of the Bonds may be paid in each year from *ad valorem* property taxes levied and collected for the payment thereof, insofar as permitted by law, including specifically by Section 15232 of the Education Code.

**SECTION 3. Approval of the Notice Inviting Proposals for Purchase of Bonds.** The competitive sale of the Bonds shall be undertaken pursuant to the Notice Inviting Proposals for Purchase of Bonds, and the Notice of Intention To Sell, set forth in Exhibits C and D hereto. The Superintendent of the District (the "Superintendent") or the Assistant Superintendent of Business Services (the "Assistant Superintendent of Business Services" and together with the Superintendent, the "Authorized Officers") each alone, are hereby authorized to execute the Notice of Intention to Sell attached hereto as Exhibit D (the "Notice of Intention") and to cause the Notice of Intention to be published in The Bond Buyer once at least five (5) days prior to the date set to receive bids.

The terms and conditions of the offering and the sale of the Bonds shall be as specified in the Notice Inviting Proposals for Purchase of Bonds. The Board shall award the sale of the Bonds by acceptance of the bids with the lowest true interest cost with respect to the Bonds, so long as the principal amount of the Bonds does not exceed \$50,000,000 and the true interest cost does not exceed 8.0%.

Keygent LLC, the financial advisor to the District (the "Financial Advisor"), is hereby authorized and directed to cause to be furnished to prospective bidders a reasonable number of copies

of the Notice Inviting Proposals for Purchase of Bonds and a reasonable number of copies of the Official Statement.

The Board hereby approves the competitive sale of the Bonds and determines that a competitive sale contributes to the District's goal of achieving the lowest overall cost of funds. The Board estimates that the costs associated with the issuance and purchase of the Bonds and any such costs which the successful bidder or bidders agrees to pay pursuant to the Notice Inviting Proposals for Purchase of Bonds, will equal approximately 0.50% of the principal amount of the Bonds.

The Financial Advisor and/or Stradling Yocca Carlson & Rauth, a Professional Corporation, San Francisco, California ("Bond Counsel"), are hereby authorized and directed to open the bids at the time and place specified in the Notice Inviting Proposals for Purchase of Bonds and to present the same to the Authorized Officers. The Financial Advisor and/or Bond Counsel are hereby authorized and directed to receive and record the receipt of all bids made pursuant to the Notice Inviting Proposals for Purchase of Bonds; to cause said bids to be examined for compliance with the Notice Inviting Proposals for Purchase of Bonds; and to cause computations to be made as to which bidder has bid the lowest true interest cost with respect to the Bonds, as provided in the Notice Inviting Proposals for Purchase of Bonds, along with a report as to the foregoing and any other matters deemed pertinent to the award of the Bonds and the proceedings for the issuance thereof.

(iii) Redemption Notice. (c) At least 20 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given by (i) registered or certified mail, postage prepaid, or (ii) overnight delivery service, to one of the Information Services.

(d) Provide the Redemption Notice to such other persons as may be required pursuant to the Continuing Disclosure Certificate.

A certificate of the Paying Agent or the District that a Redemption Notice has been given as provided herein shall be conclusive as against all parties. Neither failure to receive any Redemption Notice nor any defect in any such Redemption Notice so given shall affect the sufficiency of the proceedings for the redemption of the affected Bonds. Each check issued or other transfer of funds made by the Paying Agent for the purpose of redeeming Bonds shall bear or include the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer. Such Redemption Notice may state that no representation is made as to the accuracy or correctness of CUSIP numbers printed thereon, or on the Bonds.

With respect to any notice of optional redemption of Bonds (or portions thereof) pursuant to Section 5(b)(i) hereof, unless upon the giving of such notice such Bonds or portions thereof shall be deemed to have been defeased pursuant to Section 18 hereof, such notice shall state that such redemption shall be conditional upon the receipt by an independent escrow agent selected by the District on or prior to the date fixed for such redemption of the moneys necessary and sufficient to pay the Principal of, premium, if any, and interest on such Bonds (or portions thereof) to be redeemed, and that if such moneys shall not have been so received, said notice shall be of no force and effect, no portion of the Bonds shall be subject to redemption on such date and such Bonds shall not be required to be redeemed on such date. In the event that such Redemption Notice contains such a condition and such moneys are not so received, the redemption shall not be made and the Paying Agent shall within a reasonable time thereafter (but in no event later than the date originally set for redemption) give notice to the persons to whom and in the manner in which the Redemption Notice was given that such moneys were not so received. In addition, the District shall have the right to rescind any Redemption Notice, by written notice to the Paying Agent, on or prior to the date fixed for such redemption. The Paying Agent shall distribute a notice of the rescission of such notice in the same manner as such notice was originally provided.

(iv) Partial Redemption of Bonds. Upon the surrender of any Bond redeemed in part only, the Paying Agent shall execute and deliver to the Owner thereof a new Bond or Bonds of like tenor and maturity and of authorized denominations equal in Transfer Amounts to the unredeemed portion of the Bond surrendered. Such partial redemption shall be valid upon payment of the amount required to be paid to such Owner, and the District shall be released and discharged thereupon from all liability to the extent of such payment.

(v) Effect of Redemption Notice. Notice having been given as aforesaid, and the moneys for the redemption (including the interest to the applicable date of redemption) having been set aside as provided in Section 18 hereof, the Bonds to be redeemed shall become due and payable on such date of redemption.

If on such redemption date, money for the redemption of all the Bonds to be redeemed as provided in Section 5(b) hereof, together with interest accrued to such redemption date, shall be held in trust as provided in Section 18 hereof so as to be available therefor on such redemption date, and if a Redemption Notice thereof shall have been given as aforesaid, then from and after such redemption date, interest with respect to the Bonds to be redeemed shall cease to accrue and become payable. All money held for the redemption of Bonds shall be held in trust for the account of the Owners of the Bonds to be so redeemed.

(vii) Bonds No Longer Outstanding. When any Bonds (or portions thereof), which have been duly called for redemption prior to maturity under the provisions of this Resolution, or with respect to which irrevocable instructions to call for redemption prior to maturity at the earliest redemption date have been given to the Paying Agent, in form satisfactory to it, and sufficient moneys shall be held irrevocably in trust for the payment of the redemption price of such Bonds or portions thereof, and accrued interest with respect thereto to the date fixed for redemption, all as provided in this Resolution, then such Bonds shall no longer be deemed Outstanding and shall be surrendered to the Paying Agent for cancellation.

All Bonds paid at maturity or redeemed prior to maturity pursuant to the provisions of this Section 5 shall be cancelled upon surrender thereof and be delivered to or upon the order of the District. All or any portion of a Bond purchased by the District shall be cancelled by the Paying Agent.

(c) Book-Entry System.

(i) Election of Book-Entry System. The Bonds shall initially be delivered in the form of a separate single fully-registered bond (which may be typewritten) for each maturity date of such Bonds in authorized denominations. The ownership of each such Bond shall be registered in the Bond Register in the name of the Nominee, as nominee of the Depository and ownership of the Bonds, or any portion thereof may not thereafter be transferred except as provided in Section 5(c)(i)(4).

With respect to book-entry Bonds, the District and the Paying Agent shall have no responsibility or obligation to any Participant or to any person on behalf of which such a Participant holds an interest in such book-entry Bonds. Without limiting the immediately preceding sentence, the District and the Paying Agent shall have no responsibility or obligation with respect to (i) the accuracy of the records of the Depository, the Nominee, or any Participant with respect to any ownership interest in book-entry Bonds, (ii) the delivery to any Participant or any other person, other than an Owner as shown in the Bond Register, of any notice with respect to book-entry Bonds, including any Redemption Notice, (iii) the selection by the Depository and its Participants of the beneficial interests in book-entry Bonds to be prepaid in the event the District redeems the Bonds in part, or (iv) the payment by the Depository or any Participant or any other person, of any amount with respect to Principal of, premium, if any, or interest on the book-entry Bonds. The District and the Paying Agent may treat and consider the person in whose name each book-entry Bond is registered in the Bond Register as the absolute Owner of such book-entry Bond for the purpose of payment of Principal of, premium and interest on and to such Bond, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Paying Agent shall pay all Principal of, premium, if any, and interest on the Bonds only to or upon the order of the respective Owner, as shown in the Bond Register, or his respective attorney duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to payment of Principal of, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No person other than an Owner, as

shown in the Bond Register, shall receive a certificate evidencing the obligation to make payments of Principal of, premium, if any, and interest on the Bonds. Upon delivery by the Depository to the Owner and the Paying Agent, of written notice to the effect that the Depository has determined to substitute a new nominee in place of the Nominee, and subject to the provisions herein with respect to the Record Date, the word Nominee in this Resolution shall refer to such nominee of the Depository.

1. Delivery of Letter of Representations. In order to qualify the book-entry Bonds for the Depository's book-entry system, the District and the Paying Agent shall execute and deliver to the Depository a Letter of Representations. The execution and delivery of a Letter of Representations shall not in any way impose upon the District or the Paying Agent any obligation whatsoever with respect to persons having interests in such book-entry Bonds other than the Owners, as shown on the Bond Register. By executing a Letter of Representations, the Paying Agent shall agree to take all action necessary at all times so that the District will be in compliance with all representations of the District in such Letter of Representations. In addition to the execution and delivery of a Letter of Representations, the District and the Paying Agent shall take such other actions, not inconsistent with this Resolution, as are reasonably necessary to qualify book-entry Bonds for the Depository's book-entry program.

2. Selection of Depository. In the event (i) the Depository determines not to continue to act as securities depository for book-entry Bonds, or (ii) the District determines that continuation of the book-entry system is not in the best interest of the Beneficial Owners of the Bonds or the District, then the District will discontinue the book-entry system with the Depository. If the District determines to replace the Depository with another qualified securities depository, the District shall prepare or direct the preparation of a new single, separate, fully registered bond for each maturity date of such Outstanding book-entry Bond, registered in the name of such successor or substitute qualified securities depository or its Nominee as provided in subsection (4) hereof. If the District fails to identify another qualified securities depository to replace the Depository, then the Bonds shall no longer be restricted to being registered in such Bond Register in the name of the Nominee, but shall be registered in whatever name or names the Owners transferring or exchanging such Bonds shall designate, in accordance with the provisions of this Section 5(c).

3. Payments and Notices to Depository. Notwithstanding any other provision of this Resolution to the contrary, so long as all Outstanding Bonds are held in book entry form and registered in the name of the Nominee, all payments by the District or the Paying Agent with respect to Principal of, premium, if any, or interest on the Bonds and all notices with respect to such Bonds, including notices of redemption, shall be made and given, respectively to the Nominee, as provided in the Letter of Representations or as otherwise required or instructed by the Depository and agreed to by the Paying Agent notwithstanding any inconsistent provisions herein.

4. Transfer of Bonds to Substitute Depository.

(A) The Bonds shall be initially issued as described in the Official Statement described herein. Registered ownership of such Bonds, or any portions thereof, may not thereafter be transferred except:

(1) to any successor of DTC or its nominee, or of any substitute depository designated pursuant to Section 5(c)(i)(4)(A)(2) ("Substitute Depository");

provided that any successor of DTC or Substitute Depository shall be qualified under any applicable laws to provide the service proposed to be provided by it;

(2) to any Substitute Depository, upon (1) the resignation of DTC or its successor (or any Substitute Depository or its successor) from its functions as depository, or (2) a determination by the District that DTC (or its successor) is no longer able to carry out its functions as depository; provided that any such Substitute Depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(3) to any person as provided below, upon (1) the resignation of DTC or its successor (or any Substitute Depository or its successor) from its functions as depository, or (2) a determination by the District that DTC or its successor (or Substitute Depository or its successor) is no longer able to carry out its functions as depository.

(B) In the case of any transfer pursuant to Section 5(c)(i)(4)(A)(1) or (2), upon receipt of all Outstanding Bonds by the Paying Agent, together with a written request of the District to the Paying Agent designating the Substitute Depository, a single new Bond, which the District shall prepare or cause to be prepared, shall be executed and delivered for each maturity of Bonds then Outstanding, registered in the name of such successor or such Substitute Depository or their Nominees, as the case may be, all as specified in such written request of the District. In the case of any transfer pursuant to Section 5(c)(i)(4)(A)(3), upon receipt of all Outstanding Bonds by the Paying Agent, together with a written request of the District to the Paying Agent, new Bonds, which the District shall prepare or cause to be prepared, shall be executed and delivered in such denominations and registered in the names of such persons as are requested in such written request of the District, provided that the Paying Agent shall not be required to deliver such new Bonds within a period of less than sixty (60) days from the date of receipt of such written request from the District.

(C) In the case of a partial redemption or an advance refunding of any Bonds evidencing a portion of the Principal maturing in a particular year, DTC or its successor (or any Substitute Depository or its successor) shall make an appropriate notation on such Bonds indicating the date and amounts of such reduction in Principal, in form acceptable to the Paying Agent, all in accordance with the Letter of Representations. The Paying Agent shall not be liable for such Depository's failure to make such notations or errors in making such notations.

(D) The District and the Paying Agent shall be entitled to treat the person in whose name any Bond is registered as the Owner thereof for all purposes of this Resolution and any applicable laws, notwithstanding any notice to the contrary received by the Paying Agent or the District; and the District and the Paying Agent shall not have responsibility for transmitting payments to, communicating with, notifying, or otherwise dealing with any Beneficial Owners of the Bonds. Neither the District nor the Paying Agent shall have any responsibility or obligation, legal or otherwise, to any such Beneficial Owners or to any other party, including DTC or its successor (or Substitute Depository or its successor), except to the Owner of any Bonds, and the Paying Agent may rely conclusively on its records as to the identity of the Owners of the Bonds.

**SECTION 6. Execution of the Bonds.** The Bonds shall be signed by the President of the Board, or other member of the Board authorized to sign on behalf of the President, by their manual or facsimile signature and countersigned by the manual or facsimile signature of the Clerk of or Secretary to the Board, or the designee thereof, all in their official capacities. No Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under this Resolution unless and until the certificate of authentication printed on the Bond is signed by the Paying Agent as authenticating agent. Authentication by the Paying Agent shall be conclusive evidence that the Bond so authenticated has been duly issued, signed and delivered under this Resolution and is entitled to the security and benefit of this Resolution.

**SECTION 7. Paying Agent; Transfer and Exchange.** So long as any of the Bonds remain Outstanding, the District will cause the Paying Agent to maintain and keep at its principal office all books and records necessary for the registration, exchange and transfer of the Bonds as provided in this Section. Subject to the provisions of Section 8 below, the person in whose name a Bond is registered on the Bond Register shall be regarded as the absolute Owner of that Bond for all purposes of this Resolution. Payment of or on account of the Principal of, premium, if any, and interest on any Bond shall be made only to or upon the order of such Owner; neither the District nor the Paying Agent shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section. All such payments shall be valid and effectual to satisfy and discharge the District's liability upon the Bonds, including interest, to the extent of the amount or amounts so paid.

Any Bond may be exchanged for a Bond of like Series, tenor, maturity and Transfer Amount upon presentation and surrender at the principal office of the Paying Agent, together with a request for exchange signed by the Owner or by a person legally empowered to do so in a form satisfactory to the Paying Agent. A Bond may be transferred on the Bond Register only upon presentation and surrender of the Bond at the principal office of the Paying Agent together with an assignment executed by the Owner or by a person legally empowered to do so in a form satisfactory to the Paying Agent. Upon exchange or transfer, the Paying Agent shall complete, authenticate and deliver a new bond or bonds of like tenor and of any authorized denomination or denominations requested by the Owner equal to the Transfer Amount of the Bond surrendered and bearing or accruing interest at the same rate and maturing on the same date.

If any Bond shall become mutilated, the District, at the expense of the Owner of said Bond, shall execute, and the Paying Agent shall thereupon authenticate and deliver, a new Bond of like Series, tenor, maturity and Transfer Amount in exchange and substitution for the Bond so mutilated, but only upon surrender to the Paying Agent of the Bond so mutilated. If any Bond issued hereunder shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Paying Agent and, if such evidence be satisfactory to the Paying Agent and indemnity for the Paying Agent and the District satisfactory to the Paying Agent shall be given by the Owner, the District, at the expense of the Owner, shall execute, and the Paying Agent shall thereupon authenticate and deliver, a new Bond of like Series, tenor, maturity and Transfer Amount in lieu of and in substitution for the Bond so lost, destroyed or stolen (or if any such Bond shall have matured or shall have been called for redemption, instead of issuing a substitute Bond the Paying Agent may pay the same without surrender thereof upon receipt of indemnity satisfactory to the Paying Agent and the District). The Paying Agent may require payment of a reasonable fee for each new Bond issued under this paragraph and of the expenses which may be incurred by the District and the Paying Agent.

If signatures on behalf of the District are required in connection with an exchange or transfer, the Paying Agent shall undertake the exchange or transfer of Bonds only after the new Bonds are signed by the authorized officers of the District. In all cases of exchanged or transferred Bonds, the District shall sign and the Paying Agent shall authenticate and deliver Bonds in accordance with the provisions of this Resolution. All fees and costs of transfer shall be paid by the requesting party. Those charges may be required to be paid before the procedure is begun for the exchange or transfer. All Bonds issued upon any exchange or transfer shall be valid obligations of the District, evidencing the same debt, and entitled to the same security and benefit under this Resolution as the Bonds surrendered upon that exchange or transfer.

Any Bond surrendered to the Paying Agent for payment, retirement, exchange, replacement or transfer shall be cancelled by the Paying Agent. The District may at any time deliver to the Paying Agent for cancellation any previously authenticated and delivered Bonds that the District may have acquired in any manner whatsoever, and those Bonds shall be promptly cancelled by the Paying Agent. Written reports of the surrender and cancellation of Bonds shall be made to the District by the Paying Agent as requested by the District. The cancelled Bonds shall be retained for three years, then returned to the District or destroyed by the Paying Agent as directed by the District.

Neither the District nor the Paying Agent will be required to (a) issue or transfer any Bonds during a period beginning with the opening of business on the 16th day next preceding either any Bond Payment Date or any date of selection of Bonds to be redeemed and ending with the close of business on the Bond Payment Date or any day on which the applicable Redemption Notice is given or (b) transfer any Bonds which have been selected or called for redemption in whole or in part.

**SECTION 8. Payment.** Payment of interest on any Bond shall be made on any Bond Payment Date to the person appearing on the registration books of the Paying Agent as the Owner thereof as of the Record Date immediately preceding such Bond Payment Date, such interest to be paid by wire transfer or check mailed to such Owner on the Bond Payment Date at his or her address as it appears on such registration books or at such other address as he or she may have filed with the Paying Agent for that purpose on or before the Record Date. The Owner in an aggregate Principal Amount of One Million Dollars (\$1,000,000) or more may request in writing to the Paying Agent that such Owner be paid interest by wire transfer to the bank and account number on file with the Paying Agent as of the Record Date. The Principal, and redemption premiums, if any, payable on the Bonds shall be payable upon maturity or redemption upon surrender at the principal office of the Paying Agent. The Principal of, premiums, if any, and interest on, the Bonds shall be payable in lawful money of the United States of America. The Paying Agent is hereby authorized to pay the Bonds when duly presented for payment at maturity, and to cancel all Bonds upon payment thereof. The Bonds are obligations of the District payable solely from the levy of *ad valorem* property taxes upon all property within the District subject to taxation, which taxes shall be without limit as to rate or amount. The Bonds do not constitute an obligation of the County except as provided in this Resolution, and no part of any fund of the County is pledged or obligated to the payment of the Bonds.

**SECTION 9. Form of Bonds.** The Bonds shall be in substantially the form as set forth in Exhibit A hereto, allowing those officials executing the Bonds to make the insertions and deletions necessary to conform the Bonds to this Resolution and the Official Statement and to correct any defect or inconsistency therein or to cure any ambiguity or omission therein.

**SECTION 10. Delivery of Bonds.** The proper officials of the District shall cause the Bonds to be prepared and, following their sale, shall have the Bonds signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Bonds, to the original purchaser upon payment of the purchase price therefor.

**SECTION 11. Deposit of Proceeds of Bonds.** (a) The purchase price received from the sale of the Bonds, to the extent of the Principal Amount thereof, shall be paid to the County to the credit of the fund hereby authorized to be created to be known as the "Downey Unified School District Election of 2014 General Obligation Bonds, Series A Building Fund" (the "Building Fund") of the District, shall be kept separate and distinct from all other District and County funds, and those proceeds shall be used solely for the purpose for which the Bonds are being issued and provided further that such proceeds shall be applied solely to the purposes authorized by the voters of the District at the Election. The County shall have no responsibility for assuring the proper use of the Bond proceeds by the District. The Building Fund may contain subaccounts if the Bonds are issued in more than one Series. The purchase price received to the extent of any accrued interest and any net original issue premium, shall be paid to the County to the credit of the fund hereby authorized to be created to be known as the "Downey Unified School District Election of 2014 General Obligation Bonds, Series A Debt Service Fund" (the "Debt Service Fund") for the Bonds and used for payment of Principal of and interest on the Bonds, and for no other purpose. The Debt Service Fund may contain subaccounts if the Bonds are issued in more than one Series. Interest earnings on monies held in the Building Fund shall be retained in the Building Fund. Interest earnings on monies held in the Debt Service Fund shall be retained in the Debt Service Fund. Any excess proceeds of the Bonds not needed for the authorized purposes set forth herein for which the Bonds are being issued upon written notice from the District shall be transferred to the Debt Service Fund and applied to the payment of Principal of and interest on the Bonds. If, after payment in full of the Bonds, there remain excess proceeds, any such excess amounts shall be transferred to the general fund of the District.

The costs of issuance of the Bonds are hereby authorized to be paid either from premium withheld by the purchaser upon the sale of the Bonds, or from the Principal Amount of the Bonds. To the extent costs of issuance are paid from such proceeds, the District, may direct that a portion of the proceeds of the Bonds received from the purchaser, in an amount not to exceed 2.0% of the Principal Amount of the Bonds, in lieu of being deposited into the Building Fund, be deposited in a costs of issuance account to be held by a fiscal agent of the District appointed for such purpose.

(b) Moneys in the Debt Service Fund and the Building Fund shall be invested, after consultation with the County, in Permitted Investments. If at the time of issuance the District determines to issue the Bonds as Tax-Exempt Bonds without regard to the Internal Revenue Code "temporary period" restrictions, all investment of Bond proceeds shall be subject to paragraph (1) below; and the District, in consultation with the County, may provide for an agent to assist the County in investing funds pursuant to paragraph (1) below. If the District fails to direct the County or its agent, as the case may be, the County or its agent shall invest or cause the funds in the Building Fund to be invested in Qualified Permitted Investments, subject to the provisions of paragraph (1) below, until such time as the District provides written direction to invest such funds otherwise. Neither the County nor its officers and agents, as the case may be, shall have any responsibility or obligation to determine the tax consequences of any investment. The interest earned on the moneys deposited to the Building Fund shall be applied as set forth in subparagraph (1)(C) below:

(1) Covenant Regarding Investment of Proceeds.

(A) Permitted Investments. Beginning on the delivery date, and at all times until expenditure for authorized purposes, not less than 95% of the proceeds of the Bonds deposited in the Building Fund, including investment earnings thereon, will be invested in Qualified Permitted Investments. Notwithstanding the preceding provisions of this Section, for purposes of this paragraph, amounts derived from the disposition or redemption of Qualified Permitted Investments and held pending reinvestment or redemption for a period of not more than 30 days may be invested in Permitted Investments. The District hereby authorizes investments made pursuant to this Resolution with maturities exceeding five years.

(B) Recordkeeping and Monitoring Relating to Building Fund.

i. Information Regarding Permitted Investments. The District hereby covenants that it will record or cause to be recorded with respect to each Permitted Investment in the Building Fund the following information: purchase date; purchase price; information establishing the Fair Market Value of such Permitted Investment; face amount; coupon rate; periodicity of interest payments; disposition price; disposition date; and any accrued interest received upon disposition.

ii. Information in Qualified Non-AMT Mutual Funds. The District hereby covenants that, with respect to each investment of proceeds of the Bonds in a Qualified Non-AMT Mutual Fund pursuant to paragraph (1)(A) above, in addition to recording, or causing to be recorded, the information set forth in paragraph (1)(B)(i) above, it will retain a copy of each IRS information reporting form and account statement provided by such Qualified Non-AMT Mutual Fund.

iii. Monthly Investment Fund Statements. The District covenants that it will obtain, at the beginning of each month following the delivery date, a statement of the investments in the Building Fund detailing the nature, amount and value of each investment as of such statement date.

iv. Retention of Records. The District hereby covenants that it will retain the records referred to in paragraph (1)(B)(i) and each IRS information reporting form referred to in paragraph (1)(B)(ii) with its books and records with

respect to the Bonds until three years following the last date that any obligation comprising the Bonds is retired.

(C) Interest Earned on Permitted Investments. The interest earned on the moneys deposited in the Building Fund shall be deposited in the Building Fund and used for the purposes of that fund.

Except as required to satisfy the requirements of Section 148(f) of the Code, interest earned on the investment of moneys held in the Debt Service Fund shall be retained in the Debt Service Fund and used by the County to pay the Principal of and interest on the Bonds when due.

**SECTION 12. Rebate Fund.** The following provisions shall apply to any Bonds issued as Tax-Exempt Bonds.

(a) The District shall create and establish a special fund designated the "Downey Unified School District Election of 2014 General Obligation Bonds, Series A Rebate Fund" (the "Rebate Fund"). All amounts at any time on deposit in the Rebate Fund shall be held in trust, to the extent required to satisfy the requirement to make rebate payments to the United States (the "Rebate Requirement") pursuant to Section 148 of the Code, and the Treasury Regulations promulgated thereunder (the "Treasury Regulations"). Such amounts shall be free and clear of any lien hereunder and shall be governed by this Section and by the Tax Certificate to be executed by the District in connection with the Tax-Exempt Bonds (the "Tax Certificate").

(b) Within 45 days of the end of each fifth Bond Year (as such term is defined in the Tax Certificate), (1) the District shall calculate or cause to be calculated with respect to the Bonds the amount that would be considered the "rebate amount" within the meaning of Section 1.148-3 of the Treasury Regulations, using as the "computation date" for this purpose the end of such Bond Year, and (2) the District shall deposit to the Rebate Fund from amounts on deposit in the other funds established hereunder or from other District funds, if and to the extent required, amounts sufficient to cause the balance in the Rebate Fund to be equal to the "rebate amount" so calculated. The District shall not be required to deposit any amount to the Rebate Fund in accordance with the preceding sentence, if the amount on deposit in the Rebate Fund prior to the deposit required to be made under this subsection (b) equals or exceeds the "rebate amount" calculated in accordance with the preceding sentence. Such excess may be withdrawn from the Rebate Fund to the extent permitted under subsection (g) of this Section. The District shall not be required to calculate the "rebate amount" and shall not be required to deposit any amount to the Rebate Fund in accordance with this subsection (b), with respect to all or a portion of the proceeds of the Bonds (including amounts treated as proceeds of the Bonds) (1) to the extent such proceeds satisfy the expenditure requirements of Section 148(f)(4)(B) or Section 148(f)(4)(C) of the Code or Section 1.148-7(d) of the Treasury Regulations, whichever is applicable, and otherwise qualify for the exception to the Rebate Requirement pursuant to whichever of said sections is applicable, (2) to the extent such proceeds are subject to an election by the District under Section 148(f)(4)(C)(vii) of the Code to pay a one and one-half percent (1½%) penalty in lieu of arbitrage rebate in the event any of the percentage expenditure requirements of Section 148(f)(4)(C) are not satisfied, or (3) to the extent such proceeds qualify for the exception to arbitrage rebate under Section 148(f)(4)(A)(ii) of the Code for amounts in a "bona fide debt service fund." In such event, and with respect to such amounts, the District shall not be required to deposit any amount to the Rebate Fund in accordance with this subsection (b).

(c) Any funds remaining in the Rebate Fund after redemption of all the Bonds and any amounts described in paragraph (2) of subsection (d) of this Section, or provision made therefor satisfactory to the District, including accrued interest, shall be remitted to the District.

(d) Subject to the exceptions contained in subsection (b) of this Section to the requirement to calculate the "rebate amount" and make deposits to the Rebate Fund, the District shall pay to the United States, from amounts on deposit in the Rebate Fund,

(1) not later than 60 days after the end of (i) the fifth Bond Year, and (ii) each fifth Bond Year thereafter, an amount that, together with all previous rebate payments, is equal to at least 90% of the "rebate amount" calculated as of the end of such Bond Year in accordance with Section 1.148-3 of the Treasury Regulations; and

(2) not later than 60 days after the payment of all Bonds, an amount equal to 100% of the "rebate amount" calculated as of the date of such payment (and any income attributable to the "rebate amount" determined to be due and payable) in accordance with Section 1.148-3 of the Treasury Regulations.

(e) In the event that, prior to the time any payment is required to be made from the Rebate Fund, the amount in the Rebate Fund is not sufficient to make such payment when such payment is due, the District shall calculate (or have calculated) the amount of such deficiency and deposit an amount equal to such deficiency into the Rebate Fund prior to the time such payment is due.

(f) Each payment required to be made pursuant to subsection (d) of this Section shall be made to the Internal Revenue Service, on or before the date on which such payment is due, and shall be accompanied by Internal Revenue Service Form 8038-T, such form to be prepared or caused to be prepared by the District.

(g) In the event that immediately following the calculation required by subsection (b) of this Section, but prior to any deposit made under said subsection, the amount on deposit in the Rebate Fund exceeds the "rebate amount" calculated in accordance with said subsection, the District may withdraw the excess from the Rebate Fund and credit such excess to the Debt Service Fund.

(h) The District shall retain records of all determinations made hereunder until three years after the complete retirement of the Bonds.

(i) Notwithstanding anything in this Resolution to the contrary, the Rebate Requirement shall survive the payment in full or defeasance of the Bonds.

**SECTION 13. Security for the Bonds.** There shall be levied on all the taxable property in the District, in addition to all other taxes, a continuing direct *ad valorem* property tax annually during the period the Bonds are Outstanding in an amount sufficient to pay the Principal of and interest on the Bonds when due, which moneys when collected will be placed in the Debt Service Fund of the District, and which moneys, pursuant to Government Code Sections 5450 and 5451, are hereby pledged to the payment of the Principal of and interest on the Bonds when and as the same fall due, and for no other purpose.

The moneys in the Debt Service Fund, to the extent necessary to pay the Principal of and interest on the Bonds as the same become due and payable, shall be transferred by the Treasurer to the

Paying Agent which, in turn, shall pay such moneys to DTC to pay such Principal and interest. DTC will thereupon make payments of Principal of and interest on the Bonds to the DTC Participants who will thereupon make payments of such Principal and interest to the Beneficial Owners of the Bonds. Any moneys remaining in the Debt Service Fund after the Bonds and the interest thereon have been paid in full, or provision for such payment has been made, shall be transferred to the general fund of the District, pursuant to Education Code Section 15234.

**SECTION 14. Arbitrage Covenant.** The District covenants that it will restrict the use of the proceeds of the Bonds in such manner and to such extent, if any, as may be necessary, so that the Bonds will not constitute arbitrage bonds under Section 148 of the Code and the applicable regulations prescribed thereunder or any predecessor section. Calculations for determining arbitrage requirements are the sole responsibility of the District.

**SECTION 15. Conditions Precedent.** The Board determines that all acts and conditions necessary to be performed by the Board or to have been met precedent to and in the issuing of the Bonds in order to make them legal, valid and binding general obligations of the District have been performed and have been met, or will at the time of delivery of the Bonds have been performed and have been met, in regular and due form as required by law; and that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Bonds.

**SECTION 16. Official Statement.** The Preliminary Official Statement relating to the Bonds, substantially in the form on file with the Secretary to the Board is hereby approved and the Authorized Officers, each alone, are hereby authorized and directed, for and in the name and on behalf of the District, to deliver such Preliminary Official Statement to the Financial Advisor, as the case may be, to be used in connection with the offering and sale of the Bonds. The Authorized Officers, each alone, are hereby authorized and directed, for and in the name and on behalf of the District, to deem the Preliminary Official Statement "final" pursuant to 15c2-12 of the Securities Exchange Act of 1934, prior to its distribution and to execute and deliver to the purchaser of the Bonds a final Official Statement, substantially in the form of the Preliminary Official Statement, with such changes therein, deletions therefrom and modifications thereto as the Authorized Officer executing the same shall approve. Execution of the Official Statement shall conclusively evidence the District's approval of the Official Statement.

**SECTION 17. Insurance.** In the event the District purchases bond insurance for the Bonds, and to the extent that the Bond Insurer makes payment of the Principal of interest on the Bonds, it shall become the Owner of such Bonds with the right to payment of such Principal or interest, and shall be fully subrogated to all of the Owners' rights, including the Owners' rights to payment thereof. To evidence such subrogation (i) in the case of subrogation as to claims that were past due interest, the Paying Agent shall note the Bond Insurer's rights as subrogee on the registration books for the Bonds maintained by the Paying Agent upon receipt of a copy of the cancelled check issued by the Bond Insurer for the payment of such interest to the Owners of the Bonds, and (ii) in the case of subrogation as to claims for past due Principal, the Paying Agent shall note the Bond Insurer as subrogee on the registration books for the Bonds maintained by the Paying Agent upon surrender of the Bonds by the Owners thereof to the Bond Insurer or the insurance trustee for the Bond Insurer.

**SECTION 18. Defeasance.** All or any portion of the Outstanding maturities of the Bonds may be defeased prior to maturity in the following ways:

(a) Cash: by irrevocably depositing with an independent escrow agent selected by the District an amount of cash which, together with amounts transferred from the Debt Service Fund, if any, is sufficient to pay all Bonds Outstanding and designated for defeasance (including all Principal thereof, accrued interest thereon and redemption premiums, if any) at or before their maturity date; or

(b) Government Obligations: by irrevocably depositing with an independent escrow agent selected by the District noncallable Government Obligations together with amounts transferred from the Debt Service Fund, if any, and any other cash, if required, in such amount as will, together with interest to accrue thereon, in the opinion of an independent certified public accountant, be fully sufficient to pay and discharge all Bonds Outstanding and designated for defeasance (including all Principal thereof, accrued interest thereon and redemption premiums, if any) at or before their maturity date;

then, notwithstanding that any of such Bonds shall not have been surrendered for payment, all obligations of the District with respect to all such designated Outstanding Bonds shall cease and terminate, except only the obligation of the independent escrow agent selected by the District to pay or cause to be paid from funds deposited pursuant to paragraphs (a) or (b) of this Section, to the Owners of such designated Bonds not so surrendered and paid all sums due with respect thereto.

For purposes of this Section, Government Obligations shall mean:

Direct and general obligations of the United States of America, or obligations that are unconditionally guaranteed as to principal and interest by the United States of America (which may consist of obligations of the Resolution Funding Corporation that constitute interest strips). In the case of direct and general obligations of the United States of America, Government Obligations shall include evidences of direct ownership of proportionate interests in future interest or principal payments of such obligations. Investments in such proportionate interests must be limited to circumstances where (i) a bank or trust company acts as custodian and holds the underlying United States obligations; (ii) the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor of the underlying United States obligations; and (iii) the underlying United States obligations are held in a special account, segregated from the custodian's general assets, and are not available to satisfy any claim of the custodian, any person claiming through the custodian, or any person to whom the custodian may be obligated; provided that all such obligations are rated or assessed at least as high as direct and general obligations of the United States of America by either Moody's Investors Service ("Moody's") or Standard & Poor's Ratings Services, a Standard & Poor's Financial Services LLC business ("S&P").

**SECTION 19. Nonliability of County.** Notwithstanding anything to the contrary contained herein, in the Bonds or in any other document mentioned herein, neither the County, nor its officials, officers, employees or agents shall have any liability hereunder or by reason hereof or in connection with the transactions contemplated hereby, the Bonds are not a debt of the County or a pledge of the County's full faith and credit, and the Bonds and any liability in connection therewith shall be paid solely from *ad valorem* property taxes lawfully levied to pay the Principal of or interest on the Bonds, which taxes shall be unlimited as to rate or amount.

**SECTION 20. Indemnification of County.** The District shall defend, indemnify and hold harmless the County, its officials, officers, agents and employees ("Indemnified Parties") against any and all losses, claims, damages or liabilities, joint or several, to which such Indemnified Parties may

become subject based in whole or in part upon any acts or omission related to the Bonds, except with regard to the County's responsibilities under Section 22 hereof. The District shall also reimburse the Indemnified Parties for any legal or other costs and expenses incurred in connection with investigating or defending any such claims or liabilities, except with regard to the County's responsibilities under Section 22 hereof.

**SECTION 21. Reimbursement of County Costs.** The District shall reimburse the County for all costs and expenses incurred by the County, its officials, officers, agents and employees in issuing or otherwise in connection with the issuance of the Bonds.

**SECTION 22. Request to County to Levy Tax; Estimate of Tax Levy.** The Board of Supervisors and officers of the County are obligated by statute to provide for the levy and collection of *ad valorem* property taxes in each year sufficient to pay all Principal of and interest coming due on the Bonds in such year, and to pay from such taxes all amounts due on the Bonds. The District hereby requests the Board of Supervisors of the County to annually levy a tax upon all taxable property in the District sufficient to pay all such Principal and interest coming due on the Bonds in such year, and to pay from such taxes all amounts due on the Bonds.

**SECTION 23. Other Actions.** (a) Officers of the Board and District officials and staff are hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all documents which they may deem necessary or advisable in order to proceed with the issuance of the Bonds and otherwise carry out, give effect to and comply with the terms and intent of this Resolution. Such actions heretofore taken by such officers, officials and staff are hereby ratified, confirmed and approved.

(b) The Board hereby appoints Keygent LLC as the Financial Advisor and Stradling Yocca Carlson & Rauth, a Professional Corporation, as Bond Counsel and Disclosure Counsel, with respect to the issuance of the Bonds.

(c) The provisions of this Resolution as they relate to the Bonds may be amended by the Official Statement.

(d) Based on the information provided to this Board regarding the projects expected to be financed from proceeds of the Bonds, the Board hereby finds that, to the extent the issuance of Bonds includes Long Current Interest Bonds (as defined herein), the useful life of any facility financed with such Long Current Interest Bonds will equal or exceed the maturity of such Long Current Interest Bonds, as shall be further evidenced by a certificate of the District substantially in the form attached as Exhibit B hereto.

**SECTION 24. Resolution to Treasurer.** The Secretary to this Board is hereby directed to provide a certified copy of this Resolution to the Treasurer, or similar officer, of the County immediately following its adoption.

**SECTION 25. Continuing Disclosure.** The District hereby covenants and agrees that it will comply with and carry out all of the provisions of that certain Continuing Disclosure Certificate executed by the District and dated as of the Dated Date, as originally executed and as it may be amended from time to time in accordance with the terms thereof. The Board hereby approves the form of the Continuing Disclosure Certificate appended to the form of Preliminary Official Statement on file with the Secretary to the Board as of the date hereof, and the Authorized Officers are hereby authorized

to execute and deliver such Continuing Disclosure Certificate with such changes therein and modifications thereto as shall be approved by the Authorized Officer executing the same, such approval to be conclusively evidenced by such execution and delivery. Any Bond Holder may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the District to comply with its obligations under this Section. Noncompliance with this Section shall not result in acceleration of the Bonds.

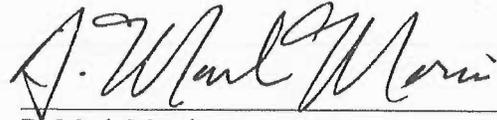

**SECTION 26. Effective Date.** This Resolution shall take effect immediately upon its passage.

**SECTION 27. Further Actions Authorized.** It is hereby covenanted that the District, and its appropriate officials, have duly taken all actions necessary to be taken by them, and will take any additional actions necessary to be taken by them, for carrying out the provisions of this Resolution.

**SECTION 28. Recitals.** All the recitals in this Resolution above are true and correct and this Board so finds, determines and represents.

Interest is payable by check or draft mailed by the Paying Agent on each Bond Payment Date to the Registered Owner of this bond (or one or more predecessor bonds) as shown and at the address appearing on the Register at the close of business on the 15th day of the calendar month next preceding that Bond Payment Date (the "Record Date"). The Owner of Bonds in the aggregate principal amount of \$1,000,000 or more may request in writing to the Paying Agent that the Owner be paid interest by wire transfer to the bank and account number on file with the Paying Agent as of the Record Date.

This bond is one of an authorization of bonds approved to raise money for the purposes authorized by voters of the District at the Election (defined herein) and to pay all necessary legal, financial, engineering and contingent costs in connection therewith under authority of and pursuant to the laws of the State of California, and the requisite vote of the electors of the District cast at a general election held on November 4, 2014 (the "Election"), upon the question of issuing bonds in the amount

This bond is being issued under the provisions of Article 4.5 of Chapter 3 of Part 1 of Division 2 of Title 5 of the California Government Code. This bond and the issue of which this bond is one are payable as to both principal and interest solely from the proceeds of the levy of *ad valorem* property taxes on all property subject to such taxes in the District, which taxes are unlimited as to rate or amount in accordance with California Education Code Sections 15250 and 15252.

The bonds of this issue comprise \$\_\_\_\_\_ principal amount of Current Interest Bonds, of which this bond is a part (collectively, the "Bonds").

The District and the Paying Agent may deem and treat the Registered Owner as the absolute owner of this bond for the purpose of receiving payment of or on account of principal or interest and for all other purposes, and neither the District nor the Paying Agent shall be affected by any notice to the contrary.

Neither the District nor the Paying Agent will be required to (a) issue or transfer any Bond during a period beginning with the opening of business on the 16th day next preceding either any Bond Payment Date or any date of selection of Bonds to be redeemed and ending with the close of business on the Bond Payment Date or day on which the applicable notice of redemption is given or (b) transfer any Bond which has been selected or called for redemption in whole or in part.

The Bonds maturing on August 1, 20\_\_, are subject to redemption prior to maturity from mandatory sinking fund payments on August 1 of each year, on and after August 1, 20\_\_, at a redemption price equal to the principal amount thereof, together with accrued interest to the date fixed for redemption, without premium. The principal amount represented by such Bonds to be so redeemed and the dates therefor and the final principal payment date are as indicated in the following table:

If less than all of the Bonds of any one maturity shall be called for redemption, the particular Bonds or portions of Bonds of such maturity to be redeemed shall be selected by lot by the Paying Agent in such manner as the Paying Agent may determine; provided, however, that the portion of any

Bond to be redeemed shall be in the principal amount of \$5,000 or some multiple thereof. If less than all of the Bonds stated to mature on different dates shall be called for redemption, the particular Bonds or portions thereof to be redeemed shall be called by the Paying Agent in any order directed by the District and, if not so directed, in the inverse order of maturity.

Reference is made to the Bond Resolution for a more complete description of certain defined terms used herein, as well as the provisions, among others, with respect to the nature and extent of the security for the Bonds of this Series, the rights, duties and obligations of the District, the Paying Agent and the Registered Owners, and the terms and conditions upon which the Bonds are issued and secured. **I. Issue:**

The Bonds will be dated the date of delivery, will be in the denomination of \$5,000 each, or integral multiples thereof, and will bear interest from the date of delivery of the Bonds to the maturity of each of the Bonds at the rate or rates such that the true interest cost (the "TIC") shall not exceed \_\_\_\_%, with interest payable semiannually on February 1 and August 1 of each year during the term of each of the Bonds, commencing February 1, 2016. The Bonds will mature on August 1 in each of the years set forth in the following schedule:

<b>MATURITY DATE (AUGUST 1)</b>	<b>PRINCIPAL AMOUNT*</b>
---	------------------------------

**II. Option to Elect Term Bonds:**

---

\* Preliminary, subject to change.

mandatory sinking fund so that the sinking fund redemption payments shall equal the corresponding serial bond maturity amounts.

### **III. Adjustment of Principal Amounts:**

The estimated principal amounts of each maturity of Bonds set forth above reflect certain assumptions of the District and the Financial Advisor with respect to the likely interest rates of the winning bid or bids. Following the determination of the successful bidder or bidders, the Assistant Superintendent of Business Services, on behalf of the District, reserves the right to increase or decrease the principal amount of each maturity of the Bonds, in \$5,000 increments of principal amounts. Such adjustment shall be made within 26 hours of the bid opening and in the sole discretion of the District, upon recommendation of the Financial Advisor. In the event of any such adjustment, no rebidding or recalculation of the bids submitted will be required or permitted and the successful bid or bids may not be withdrawn, and the successful bidder will not be permitted to change the interest rate(s) in its bid for the Bonds. The percentage compensation to be paid to the successful bidder will not change if the maturity schedule is adjusted.

### **IV. Interest Rates:**

All bids for the purchase of the Bonds must state the rate or rates of interest to be paid for each maturity of Bonds offered and bid price for such Bonds. All Bonds of the same maturity must bear the same rate of interest and no Bond may bear more than one rate. The maximum interest rate bid for each maturity may not exceed \_\_\_\_\_ (\_\_\_\_%), and the TIC shall not exceed \_\_\_\_\_ percent (\_\_\_\_%). Bidders may specify any number of different rates to be borne on the Bonds; provided that, all interest rates must be in multiples of 1/8 or 1/20 of one percent and a zero rate of interest cannot be specified. Interest will be computed on the basis of a 360-day year consisting of 12 30-day months.

### **V. Redemption:**

The Bonds maturing on or before August 1, 20\_\_ are not subject to optional redemption prior to their respective maturity dates. The Bonds maturing on or after August 1, 20\_\_ are subject to optional redemption prior to their respective stated maturity dates at the option of the District, from any source of available funds, as a whole or in part on any date on or after August 1, 20\_\_, at a redemption price equal to the principal amount of the Bonds called for redemption, together with accrued interest to the date fixed for redemption, without premium.

### **VI. Notice of Redemption:**

Notice of redemption of any Bond will be mailed to the Registered Owner of each Bond to be redeemed in whole or in part at the address shown on the registration records maintained by U.S. Bank National Association, as the Paying Agent (as defined herein); such mailing to be not more than 45 nor less than 20 days prior to the date set for redemption. U.S. Bank National Association has been appointed as the agent of the Treasurer and Tax Collector of Los Angeles County to act as the paying agent for the Bonds (the "Paying Agent"). Neither failure to receive such notice nor any defect in any notice so mailed shall affect the sufficiency of the proceedings for the redemption of Bonds.

**VII. Costs of Issuance:**

[The winning bidder will not be required to pay any costs of issuance associated with the Bonds, except as described in Sections XVII and XXIV. Such costs of issuance, [excluding][including] the winning bidder's compensation, will be paid by the District solely from the aggregate proceeds of the Bonds eligible to be deposited into the Building Fund (as such term is defined in the Preliminary Official Statement) held by Los Angeles County on behalf of the District. [The winning bidder's compensation will be paid by the District from the premium generated from the sale of the Bonds.] The District reserves the right to instruct the winning bidder of the Bonds to retain from the premium generated from the sale of the Bonds an amount equal to the winning bidder's compensation. The District further reserves the right to instruct the winning bidder to wire a portion of the purchase price, in amount not to exceed [2.0%] of the principal amount of the Bonds, to U.S. Bank National Association in its capacity as costs of issuance custodian for the Bonds.]

By the submission of its bid pursuant to the provisions hereof, each bidder will be deemed to have represented that its underwriting discount shall not exceed \_\_\_% of the principal amount of the Bonds.

**VIII. Premium/Discount Bonds:**

[The District has elected to deposit the premium generated upon the sale of the Bonds, net of the winning bidder's compensation, into the debt service fund established therefor, to be used to pay interest on the Bonds.] Premium deposited into the debt service fund may not be used to pay principal of the Bonds. Bidders may not bid a price for more than \_\_\_% of the aggregate principal amount of the Bonds.

No bid submitted at a price less than the aggregate par value of the Bonds will be considered.

**IX. Registration of Bonds as to Principal and Interest and Place of Payment:**

The Bonds, when delivered, will be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"). DTC will act as securities depository of the Bonds. Individual purchases will be made in book-entry form only, in the denominations of \$5,000 and integral multiples thereof. Purchasers will not receive physical certificates representing their interest in the Bonds purchased. Principal and interest are payable in lawful money of the United States of America and will be paid to DTC which in turn will remit such amounts to the beneficial owners of the Bonds through DTC's Participants, as described in the Preliminary Official Statement.

**X. Authority:**

The Bonds will be issued pursuant to the Constitution and laws of the State of California and pursuant to Article 4.5 of Chapter 3 of Part 1 of Division 2 of Title 5 of the Government Code of the State of California. The issuance of the Bonds was authorized by the requisite fifty-five percent vote of the qualified electors of the District voting at an election held on November 4, 2014.

**XI. Security:**

Both the principal of and interest on the Bonds are payable solely from an *ad valorem* property tax levied against all of the property within the District subject to taxation by the District, without limitation as to rate or amount (except certain personal property which is taxable at limited rates).

**XII. Form of Bid:**

All bids must be submitted electronically via PARITY, pursuant to the procedures described below, and all such bids shall be deemed to constitute a Bid for Purchase of the Bonds and shall be deemed to incorporate by reference all of the terms and conditions of this Notice Inviting Proposals for Purchase of Bonds. The submission of a bid electronically via PARITY shall constitute and be deemed the bidder's signature on the Bid for Purchase of the Bonds.

**XIII. Procedures Regarding Electronic Bidding:**

Bids must be submitted electronically via PARITY in accordance with this Notice Inviting Proposals for Purchase of Bonds, until [9:00 a.m.], California Time, on \_\_\_\_\_, 2015, but no bid will be received after the time for receiving bids specified above. To the extent any instructions or directions set forth in PARITY conflict with this Notice Inviting Proposals for Purchase of Bonds, the terms of this Notice Inviting Proposals for Purchase of Bonds shall control. For further information about PARITY, potential bidders may contact the District's Financial Advisor, Chet Wang of Keygent LLC at (310) 322-4222 or PARITY at i-Deal at (212) 849-5021. In the event that a bid for the Bonds is submitted via PARITY, the bidder further agrees that:

1. Once the bids are communicated electronically via PARITY to the District as described herein, each bid will constitute a Bid for Purchase of the Bonds and shall be deemed to be an irrevocable offer to purchase the Bonds on the terms provided in this Notice Inviting Proposals for Purchase of Bonds. If a bid submitted electronically via PARITY is accepted by the District, the terms of the Bid for Purchase of the Bonds and the Notice Inviting Proposals for Purchase of Bonds and the information that is electronically transmitted through PARITY (including information about the purchase price of the Bonds, the coupon interest rate or rates to be borne by the various maturities of the Bonds, the initial public offering price of each maturity and any other information included in such transmission) shall form a contract and the successful bidder shall be bound by the terms of such contract.

2. PARITY is not an agent of the District, and the District shall have no liability whatsoever based on any bidder's use of PARITY, including but not limited to any failure by PARITY to correctly or timely transmit information provided by the District or information provided by the bidder.

3. The District may choose to discontinue use of electronic bidding via PARITY by issuing a notification to such effect via PARITY's internet site ([www.tm3.com](http://www.tm3.com)) no later than 1:00 P.M. (California Time) on the last business day prior to the date of sale. In such case, a substitute bidding arrangement will be described in an amended Notice Inviting Proposals for Purchase of Bonds.

4. For purposes of submitting all Bids for Purchase of the Bonds, the time as maintained on PARITY shall constitute the official time. No bid received after the deadline shall be considered. In any case, each bid must be in accordance with the terms and conditions set forth in this official Notice Inviting Proposals for Purchase of Bonds.

5. Each bidder shall be solely responsible to make necessary arrangements to access PARITY for purposes of submitting its bid in a timely manner and in compliance with this Notice Inviting Proposals for Purchase of Bonds. Neither the District nor i-Deal shall have any duty or obligation to undertake such registration to bid for any prospective bidder or to provide or assure such access to any qualified prospective bidder, and neither the District nor i-Deal shall be responsible for a bidder's failure to register to bid or for proper operation of, or have any liability for any delays or interruptions of, or any damages caused by, PARITY. The District is using PARITY as a communication mechanism, and not as the District's agent, to conduct the electronic bidding for the Bonds. By using PARITY, each bidder agrees to hold the District harmless for any harm or damages caused to such bidder in connection with its use of PARITY for bidding on the Bonds.

**XIV. Estimate of True Interest Cost:**

Bidders are requested (but not required) to supply an estimate of the total true interest cost to the District on the basis of their respective bids, which shall be considered as informative only and not binding on either the bidder or the Board of Education of the District.

**XV. Deposit:**

Except as otherwise provided below, the successful bidder will be required to provide a good faith deposit (the "Deposit") in the form of a wire transfer made payable to

Downey Unified School District  
in the amount of  
\$\_\_\_\_\_

prior to the official award. The wire transfer must be transmitted in immediately available funds and sent to the account of the District at Los Angeles County Treasurer and Tax Collector at the wire address specified in section XXIII herein. The Financial Advisor will request the apparent winning bidder to immediately wire the Deposit (as provided in Section XXIII hereto) and provide the Federal wire reference number of such Deposit to the Financial Advisor within 90 minutes of such request by the Financial Advisor. The Bonds will not be officially awarded to a bidder who has not submitted a Deposit in the form of a wire transfer, together with its Federal wire reference number, as provided above.

No interest on the Deposit will accrue to any bidder. The Deposit (without accruing interest) of the winning bidder will be applied to the purchase price of the Bonds. In the event the winning bidder fails to honor its accepted bid, the Deposit plus any interest accrued on the Deposit will be retained by the District. Any investment income earned on the Deposit will be paid to the successful bidder in the event the District is unable to deliver the Bonds. Deposits accompanying bids other than the bid which is accepted will be returned promptly upon the determination of the best bidder.

#### **XVI. Qualification for Sale; Blue Sky:**

The purchaser will assume responsibility for taking any action necessary to qualify the Bonds for offer and sale in jurisdictions other than California, and for complying with the laws of all jurisdictions on resale of the Bonds, and shall indemnify, defend and hold harmless the District and their respective officers and officials from any loss or damage resulting from any failure to comply with any such law. Compliance with Blue Sky Laws shall be the sole responsibility of the purchaser, and the purchaser shall pay all fees and disbursements related to the qualification of the bonds for sale under the securities or Blue Sky laws of various jurisdictions. The District will furnish such information and take such action not inconsistent with law as the purchaser may request and the District shall deem necessary or appropriate to qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions of the United States of America as may be designated by the purchaser, provided, however, that the District shall not execute a general or special consent to service of process or qualify to do business in connection with such qualification or determination in any jurisdiction. **The purchaser will not offer to sell, or solicit any offer to buy, the Bonds in any jurisdiction where it is unlawful for such purchaser to make such offer, solicitation or sale, and the purchaser shall comply with the Blue Sky and other securities laws and regulations of the states and jurisdictions.**

#### **XVII. CUSIP Numbers and Other Fees:**

CUSIP numbers will be applied for and will be printed on the Bonds and the cost of printing thereof and service bureau assignment will be the purchaser's responsibility. Any delay, error or omission with respect thereto will not constitute cause for the purchaser to refuse to accept delivery of and pay for the Bonds. The successful bidder shall also be required to pay all fees required by The Depository Trust Company, Bond Market Association, Municipal Securities Rulemaking Board, and any other similar entity imposing a fee in connection with the issuance of the Bonds (see, "—California Debt and Investment Advisory Commission" below).

#### **XVIII. Legal Opinion:**

The Bonds are sold with the understanding that the purchaser will be furnished with the approving opinion of Bond Counsel, Stradling Yocca Carlson & Rauth, a Professional Corporation. A copy of the opinion will be attached to the Bonds. Said attorneys have been retained by the District as Bond Counsel and in such capacity are to render their opinion only upon the legality of the Bonds under California law and on the exemption of the interest income on such Bonds from federal and State of California income taxes. Fees of Bond Counsel will be paid by the District from the costs of issuance.

#### **XIX. Tax-Exempt Status:**

In the opinion of Bond Counsel, under existing laws, interest on the Bonds is exempt from all present State of California personal income taxes, and assuming compliance with certain covenants made by the District, interest on the Bonds is not includable in the gross income of the Owners of the Bonds for federal income tax purposes, provided that such interest may be included in the calculation for certain taxes, including the corporate alternative minimum tax. Should changes in the law cause Bond Counsel's opinion to change prior to delivery of the Bonds to the purchaser, the purchaser will be relieved of its responsibility to pick up and pay for the Bonds, and in that event its Deposit will be returned.

**XX. Certification of Reoffering Price:**

As soon as practicable, but not later than one day prior to the date of delivery of the Bonds, the successful bidder must submit to the District a certificate regarding the issue price of the Bonds, substantially in the form attached as Exhibit A hereto. The final form of such certificate shall be in a form and substance satisfactory to Bond Counsel, and shall include such additional information as may be required thereby.

**XXI. Award:**

The Bonds will be awarded to the responsible bidder submitting the best responsive bid, considering the coupon interest rate or rates and the purchase price specified in the bid. The best bid will be the bid that conforms with the provisions of this Notice Inviting Proposals for Purchase of Bonds and represents the lowest TIC to the District for the Bonds, taking into consideration the interest rate specified, and premium thereon, if any. The TIC is the discount rate that, when compounded semiannually and used to discount all debt service payments on the Bonds back to the date of delivery of such Bonds, results in an amount equal to the purchase price bid for said Bonds. In the event that two or more bidders offer bids for the Bonds at the same lowest TIC, the District will determine by lottery which bidder will be awarded the Bonds. For the purpose of calculating the TIC, the mandatory sinking fund payments, if any, shall be treated as serial maturities in such years. The determination of the bid representing the lowest TIC will be made without regard to any adjustments made or contemplated to be made after the award by the Financial Advisor on behalf of the District, as described herein under "Adjustment of Principal Amounts," even if such adjustments have the effect of raising the TIC of the successful bid to a level higher than the bid containing the next lowest TIC prior to adjustment.

**XXII. Prompt Award:**

The Assistant Superintendent of Business Services of the District, or his designee, will take action awarding the Bonds or rejecting all bids not later than twenty-six (26) hours after the expiration of the time herein prescribed for the receipt of bid proposals, unless such time of award is waived by the successful bidder. Notice of the award will be given promptly to the successful bidder.

**XXIII. Delivery:**

Delivery of the Bonds will be made to the purchaser through DTC upon payment of the purchase price in federal funds payable to or for the account of the District at the Los Angeles County Treasurer and Tax Collector, 500 West Temple Street, Los Angeles, California 90012, *Wire Transfer to: Bank of America National Association, \_\_\_\_\_, crediting account name: "Los Angeles County Treasurer" and account number \_\_\_\_\_, Ref: Downey Unified School District Election of 2014 General Obligation Bonds, Series A, Attn: \_\_\_\_\_ (phone: (\_\_\_\_) \_\_\_\_\_).* The Closing will take place at the offices of Stradling Yocca Carlson & Rauth, a Professional Corporation, 44 Montgomery Street, Suite 4200, San Francisco, California 94104, or at the purchaser's request and expense, at any other place mutually agreeable to both the District and the purchaser, on \_\_\_\_\_, 2015.

#### **XXIV. California Debt Advisory and Investment Commission:**

The successful bidder will be required, pursuant to State of California law, to pay any fees to the California Debt and Investment Advisory Commission (“CDIAC”). CDIAC will invoice the successful bidder after the closing of the Bonds.

#### **XXV. No Litigation and Non-Arbitrage:**

The District will deliver a certificate stating that no litigation is pending affecting the issuance and sale of the Bonds. The District will also deliver an arbitration certificate covering its reasonable expectations concerning the Bonds and the use of proceeds thereof.

#### **XXVI. Official Statement:**

The District will make available a Preliminary Official Statement relating to the Bonds, a copy of which, along with related documents, will be furnished upon request made by mail to Keygent LLC, 999 North Sepulveda Boulevard, Suite 500, El Segundo, California 90245, Attn: Chet Wang, chet.wang@keygentcorp.com, the District’s Financial Advisor, or telephoned to said Financial Advisor at (310) 322-4222. Such Preliminary Official Statement, together with any supplements thereto, shall be in a form “deemed final” by the District for the purposes of SEC Rule 15c2-12(b)(1), but is subject to revision, amendment and completion in a final version thereof (the “Official Statement”).

Each bidder must read the entire Preliminary Official Statement prior to bidding on the Bonds, to obtain information essential to the making of an informed decision to bid. This Notice Inviting Proposals for Purchase of Bonds contains certain information for general reference only, and is not a complete summary of the issue. The Internet posting of the Preliminary Official Statement does not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of, the securities described in the Preliminary Official Statement, in any jurisdiction in which such offer, solicitation, or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction.

Copies of the Official Statement will be made available to the purchaser without charge, up to an amount of 10 copies, within seven business days of the date of sale and additional copies will be made available upon request at the purchaser’s expense.

The District will deliver, at the closing, a certificate executed by an authorized officer of the District, acting in their official capacity, to the effect that the Official Statement does not contain any untrue statement of a material fact, or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they are made, not misleading.

The District undertakes that for a certain period of up to twenty-five (25) days following the end of the “underwriting period” as defined in Rule 15c2-12(b)(5) promulgated under the Securities Exchange Act of 1934 (the “Rule”), it will (i) apprise the winning bidder if any event shall occur, or information comes to the attention of the District that, in the reasonable judgment of the District, is reasonably likely to cause the Official Statement (whether or not previously supplemented or amended) to contain any untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, and (ii) if requested by the winning bidder, prepare a supplement to the final

Official Statement with respect to such event or information. The District will presume, unless notified in writing by the winning bidder, that the end of the underwriting period will occur on the date of the delivery of the Bonds. By making a bid on the Bonds, the winning bidder agrees (i) to disseminate to all members of the underwriting syndicate, if any, copies of the final Official Statement, including any supplements prepared by the District, and to file a copy of the final Official Statement, including any supplements prepared by the District, with the Municipal Securities Rulemaking Board (the "MSRB") through its Electronic Municipal Market Access ("EMMA" system (as provided by the Rule) within one business day after receipt thereof from the District or its designee, but in any event, no later than the date of closing and (ii) to take any and all other actions necessary to comply with the applicable rules of the Securities and Exchange Commission and the MSRB governing the offering, sale and delivery of the Bonds to the ultimate purchasers.

**XXVII. Continuing Disclosure:**

In order to assist bidders in complying with the Rule, the District will undertake in a Continuing Disclosure Certificate to provide certain annual financial information and notices of the occurrence of listed events enumerated therein. A description of this undertaking and a form of the Continuing Disclosure Certificate is included in the Preliminary Official Statement.

**XXVIII. Ratings:**

Standard & Poor's Ratings Service, a Standard & Poor's Financial Services LLC business and Moody's Investors Service have assigned to the Bonds the ratings shown on the cover page of the Preliminary Official Statement or, if not so indicated, will be available upon request from the Financial Advisor. Such ratings reflect only the views of such organizations and explanation of the significance of such ratings may be obtained from them as follows: Standard & Poor's, 55 Water Street, New York, New York 10041, (212) 438-2000, and Moody's Investors Service, 7 World Trade Center at 250 Greenwich Street, New York, New York 10007, (212) 553-1658. There is no assurance that the ratings will continue for any given period of time or that they will not be revised downward or withdrawn entirely by either of the rating agencies, if, in the judgment of such agency, circumstances so warrant. Any such downward revision or withdrawal of such rating may have an adverse effect on the market price of the Bonds.

**XXIX. Right to Cancel, Postpone, or Reschedule Sale:**

The District reserves the right to cancel, postpone or reschedule the sale of the Bonds upon notice given through the Bloomberg News Service, Thomson Municipal Market Monitor (www.tm3.com) or *The Bond Buyer* not later than 1:00 p.m. (California time) on the day prior to the date bids are to be received. If the sale is postponed, bids will be received at the place set forth above, at the date and time as the District shall determine. Notice of the new sale date and time, if any, will be given through Bloomberg News Service, Thomson Municipal Market Monitor (www.tm3.com) or *The Bond Buyer* no later than twenty-three (23) hours prior to the new time bids are to be received. As an accommodation to bidders, telephone or fax notice of the postponement of the sale date and of the new sale date will be given to any bidder requesting such notice from the Financial Advisor. Failure of any bidders to receive such notice shall not affect the legality of the sale.

**XXX. Additional Information:**
