

**MOTION BY SUPERVISOR MARK RIDLEY-THOMAS**

**November 24, 2015**

**Acceptance of Donation from Cal South Soccer Foundation**

The Los Angeles County Department of Parks and Recreation (DPR) was selected to receive an Americo Floor Rider Sander and Trailer (sander and trailer) from the Cal South Soccer Foundation (Foundation) for the gymnasiums overseen by the South Agency. The Foundation was established in 1999 with a passion for growing the game of soccer within Southern California. It is considered a regional resource for financial and logistical support in creating soccer programs and facilities in areas where such a need exists. The South Agency plans to lay out the gymnasium floors for basketball and indoor soccer use, and the sander and trailer will maintain the gymnasium floors more efficiently and effectively.

**I THEREFORE MOVE THAT THE BOARD OF SUPERVISORS:**

Approve and accept the Americo Floor Rider Sander and Trailer donated by the Cal South Soccer Foundation with a value of \$36,379.02 and instruct the Director of Parks and Recreation to send a letter of appreciation to the Cal South Soccer Foundation for this generous donation.
