

MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

JANUARY 27, 2004

**President Ronald Reagan Day**

Transferring his talents and energies from the motion picture industry to public service, Ronald Reagan brought to the halls of government graciousness, dignity, and a determination to improve our nation and preserve liberty for people worldwide.

Employing old-fashioned common sense and hope, Governor Reagan brought California back from the brink of bankruptcy to restore its greatness and the faith of its people in good government.

Known as the Great Communicator, President Reagan’s leadership led to the collapse of the Berlin Wall and paved the way for the dismantling of the Soviet Union.

As his health declined, he shared with his fellow Americans the news of his illness, increasing awareness and financial support for Alzheimer’s research.

I, THEREFORE, MOVE that the Board of Supervisors proclaim February 6, 2004, his 93rd birthday, as “President Ronald Reagan Day” throughout the County of Los Angeles.
