The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

APPROVAL OF CONTRACT FOR
WRITING EVALUATION SERVICES WITH CPS HR CONSULTING
(ALL SUPERVISORIAL DISTRICTS - 3 VOTES)

SUBJECT

The Los Angeles County (County) Department of Human Resources (DHR) is requesting the Board’s approval and delegated authority to execute a Contract with CPS HR Consulting (CPS) to provide writing evaluation services for the writing proficiency assessments of various County-wide employment examinations.

IT IS RECOMMENDED THAT THE BOARD:

1. Authorize the DHR Director of Personnel (Director), or designee, to execute a Contract, substantially similar to Exhibit I, with CPS, effective upon execution, for an initial term of three (3) years, and with up to two (2) consecutive and automatic one-year extension options, one year at a time, for the provision of writing evaluation services, at an estimated cost of $157,500 for the initial three-year term.

2. Delegate authority to the Director, or designee, to: i) exercise options to extend the term of the Contract for up to two (2) years; and ii) execute amendments to the Contract to add, delete and/or change certain non-substantive terms and conditions, as well as terms and conditions required by the Board or the Chief Executive Office, and to maintain compliance with applicable law, subject to review and approval by County Counsel.

To Enrich Lives Through Effective and Caring Service
PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

DHR administers an estimated 21 County-wide employment examinations with writing proficiency assessments to approximately 1,200 to 2,000 job candidates per year (approximately 4,500 in years when the Management Fellows Program exam is administered). Since March 2014, DHR has procured writing evaluation services for these examinations through annual purchase orders with CPS. The number of County exams with a writing proficiency assessment, and the corresponding need for writing evaluation services, has been increasing over the past five years and is expected to continue to increase in future years. DHR is recommending a Contract as a long-term solution to this increased need. Board approval of the recommended Contract will enable the County to contract with CPS to provide continued and uninterrupted writing evaluation services on a part-time and as-needed basis for three (3) years from the date of execution with up to two (2) automatic one-year extension options.

Implementation of Strategic Plan Goals

The recommended actions support County’s Strategic Plan Goal III - “Operational Effectiveness, Fiscal Responsibility, and Accountability” by assuring the availability of cost-effective writing evaluation services that are a required part of the County’s employment examination and talent assessment process.

FISCAL IMPACT/FINANCING

The Contract does not guarantee a minimum amount of business, and DHR will only accrue an obligation when work is performed. Services are provided on an as-needed basis. Costs for these Contract services vary each year based on departmental usage. Historic Countywide annual costs for these services totaled $48,472 for FY 18-19 and $45,575 for FY 19-20, to date. The total estimated amount for services in FY 20-21 is $42,000, $73,500 in FY 21-22 and $42,000 in FY 22-23, for a total estimated amount of $157,500 for the initial three-year term. Expenses incurred are fully offset by billings to County departments utilizing the services. Funding is included in the FY 2019-20 Recommended Budget, and funding for subsequent years will be included in each fiscal year’s budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

DHR currently procures writing evaluation services with CPS through purchase orders. To avoid exceeding the Annual Limitation on service purchase orders for employment examination and talent assessment projects, DHR recommends entering into a Contract for these services.

County Counsel has reviewed and approved Exhibit I as to form.
The Honorable Board of Supervisors  
May 5, 2020  
Page 3

The department has evaluated and determined that the Living Wage Program (County Code Section 2.121) does not apply to the recommended Contract.

**CONTRACTING PROCESS**

On November 6, 2019, DHR issued an Invitation for Bids (IFB) for Writing Evaluation Services. DHR sent notifications of the IFB to three vendors that it researched and identified as providers of exam scoring services. The IFB was also posted on the County's Contracting website. Two vendors submitted proposals. CPS was determined to have the most responsive, responsible and lowest cost bid and is therefore being recommended by DHR for a Writing Evaluation Services Contract. Upon the Board's approval, the Director, or designee, will execute a Contract with CPS substantially similar to the attached Exhibit I.

**IMPACT ON CURRENT SERVICES (OR PROJECTS)**

Approval of the recommendations will allow DHR to continue obtaining uninterrupted writing evaluation services that are integral to the County’s examination process.

**CONCLUSION**

Upon approval by the Board, please return three (3) adopted copies of this Board letter to DHR. It is requested that the Executive Officer notify DHR’s Administrative Services Division at (213) 974-1454 when the documents are available.

Respectfully submitted,

LISA M. GARRETT  
Director of Personnel

The responsibilities of the County’s Project Manager include:

- meeting with the Contractor’s Project Manager on a regular basis; and

- inspecting any and all tasks, deliverables, goods, services, or other work provided by or on behalf of the Contractor.

The County’s Project Manager is not authorized to make any changes in any of the terms and conditions of this Contract and is not authorized to further obligate County in any respect whatsoever.
6.3 County’s Contract Project Monitor

The County’s Project Monitor is responsible for overseeing the day-
to-day administration of this Contract. The Project Monitor reports to
the County’s Project Manager.

7.0 ADMINISTRATION OF CONTRACT - CONTRACTOR

7.1 Contractor’s Project Manager

7.1.1 The Contractor’s Project Manager is designated in Exhibit F

County in writing of any change in the name or address of
the Contractor’s Project Manager.

7.1.2 The Contractor’s Project Manager shall be responsible for
the Contractor’s day-to-day activities as related to this
Contract and shall coordinate with County’s Project
Manager and County’s Contract Project Monitor on a regular
basis.

7.2 Approval of Contractor’s Staff

The County has the absolute right to approve or disapprove all of the
Contractor’s staff performing work hereunder and any proposed
changes in the Contractor’s staff, including, but not limited to, the
Contractor’s Project Manager.

7.3 Intentionally Omitted

7.4 Background and Security Investigations

7.4.1 Each of the Contractor’s staff performing services under this
Contract who is in a designated sensitive position, as
determined by the County in the County’s sole discretion, shall
undergo and pass a background investigation to the
satisfaction of the County as a condition of beginning and
continuing to perform services under this Contract. Such
background investigation must be obtained through
fingerprints submitted to the California Department of Justice
to include state, local, and federal-level review, which may
include, but shall not be limited to criminal conviction
information. The fees associated with the background
investigation shall be at the expense of the Contractor,
regardless if the member of the Contractor’s staff passes or
fails the background investigation.
7.4.2 If a member of the Contractor’s staff does not pass the background investigation, the County may request that the member of the Contractor's staff be immediately removed from performing services under the Contract at any time during the term of the Contract. The County will not provide to the Contractor or to the Contractor's staff any information obtained through the County’s background investigation.

7.4.3 The County, in its sole discretion, may immediately deny or terminate facility access to any member of the Contractor's staff that does not pass such investigation to the satisfaction of the County or whose background or conduct is incompatible with County facility access.

7.4.4 Disqualification of any member of the Contractor’s staff pursuant to this Paragraph 7.4 shall not relieve the Contractor of its obligation to complete all work in accordance with the terms and conditions of this Contract.

7.5 Confidentiality

7.5.1 The Contractor shall maintain the confidentiality of all records and information in accordance with all applicable federal, state and local laws, rules, regulations, ordinances, directives, guidelines, policies and procedures relating to confidentiality, including, without limitation, County policies concerning information technology security and the protection of confidential records and information.

7.5.2 The Contractor shall indemnify, defend, and hold harmless the County, its officers, employees, and agents, from and against any and all claims, demands, damages, liabilities, losses, costs and expenses, including, without limitation, defense costs and legal, accounting and other expert, consulting, or professional fees, arising from, connected with, or related to any failure by the Contractor, its officers, employees, agents, or subcontractors, to comply with this Paragraph 7.5, as determined by the County in its sole judgment. Any legal defense pursuant to the Contractor’s indemnification obligations under this Paragraph 7.5 shall be conducted by the Contractor and performed by counsel selected by the Contractor and approved by the County. Notwithstanding the preceding sentence, the County shall have the right to participate in any such defense at its sole cost and expense, except that in the event the Contractor fails to provide the County with a full and adequate defense, as determined by the County in its sole judgment, the County
shall be entitled to retain its own counsel, including, without limitation, County Counsel, and reimbursement from the Contractor for all such costs and expenses incurred by the County in doing so. The Contractor shall not have the right to enter into any settlement, agree to any injunction, or make any admission, in each case, on behalf of the County without the County's prior written approval.

7.5.3 The Contractor shall inform all of its officers, employees, agents and subcontractors providing services hereunder of the confidentiality provisions of this Contract.

7.5.4 The Contractor shall cause each employee performing services covered by this Contract to sign and adhere to the provisions of the “Contractor Employee Acknowledgment and Confidentiality Agreement,” Exhibit G2.

7.5.5 The Contractor shall cause each non-employee performing services covered by this Contract to sign and adhere to the provisions of the “Contractor Non-Employee Acknowledgment and Confidentiality Agreement,” Exhibit G3.

8.0 STANDARD TERMS AND CONDITIONS

8.1 Amendments and Change Notices

8.1.1 For any change which affects the scope of work, term, Contract Sum, payments, or any term or condition included under this Contract, an Amendment shall be prepared and executed by the Contractor and the Director, or designee.

8.1.2 For any change which does not materially affect the scope of work or any other term or condition included under this Contract, a Change Notice may be prepared in writing and signed by the County’s Project Director, or designee, and the Contractor’s Project Manager.

8.1.3 The County’s Board of Supervisors or Chief Executive Officer or designee may require the addition and/or change of certain terms and conditions in the Contract during the term of this Contract. The County reserves the right to add and/or change such provisions as required by the County’s Board of Supervisors or Chief Executive Officer. To implement such changes, an Amendment to the Contract shall be prepared and executed by the Contractor and by the Director, or designee.
8.1.4 The Director, or designee, may at his/her sole discretion, authorize extensions of time as defined in Paragraph 4.0 - Term of Contract. The Contractor agrees that such extensions of time shall not change any other term or condition of this Contract during the period of such extensions. To implement an extension of time, an Amendment to the Contract shall be prepared and executed by the Contractor and by the Director, or designee.

8.2 Assignment and Delegation/Mergers or Acquisitions

8.2.1 The Contractor shall notify the County of any pending acquisitions/mergers of its company unless otherwise legally prohibited from doing so. If the Contractor is restricted from legally notifying the County of pending acquisitions/mergers, then it should notify the County of the actual acquisitions/mergers as soon as the law allows and provide to the County the legal framework that restricted it from notifying the County prior to the actual acquisitions/mergers.

8.2.2 The Contractor shall not assign its rights or delegate its duties under this Contract, or both, whether in whole or in part, without the prior written consent of the County, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this sub-paragraph, County consent shall require a written amendment to the Contract, which is formally approved and executed by the parties. Any payments by the County to any approved delegate or assignee on any claim under this Contract shall be deductible, at the County’s sole discretion, against the claims, which the Contractor may have against the County.

8.2.3 Shareholders, partners, members, or other equity holders of the Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of the Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Contract, such disposition is an assignment requiring the prior written consent of the County in accordance with applicable provisions of this Contract.

8.2.4 Any assumption, assignment, delegation, or takeover of any of the Contractor’s duties, responsibilities, obligations, or performance of same by any entity other than the Contractor,
whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without the County's express prior written approval, shall be a material breach of the Contract which may result in the termination of this Contract. In the event of such termination, the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

8.3 Authorization Warranty

The Contractor represents and warrants that the person executing this Contract for the Contractor is an authorized agent who has actual authority to bind the Contractor to each and every term, condition, and obligation of this Contract and that all requirements of the Contractor have been fulfilled to provide such actual authority.

8.4 Budget Reductions

In the event that the County's Board of Supervisors adopts, in any fiscal year, a County Budget which provides for reductions in the salaries and benefits paid to the majority of County employees and imposes similar reductions with respect to County Contracts, the County reserves the right to reduce its payment obligation under this Contract correspondingly for that fiscal year and any subsequent fiscal year during the term of this Contract (including any extensions), and the services to be provided by the Contractor under this Contract shall also be reduced correspondingly. The County's notice to the Contractor regarding said reduction in payment obligation shall be provided within thirty (30) calendar days of the Board’s approval of such actions. Except as set forth in the preceding sentence, the Contractor shall continue to provide all of the services set forth in this Contract.

8.5 Complaints

The Contractor shall develop, maintain and operate procedures for receiving, investigating and responding to complaints.

8.5.1 Within ten (10) Business Days after Contract effective date, the Contractor shall provide the County with the Contractor’s policy for receiving, investigating and responding to user complaints.

8.5.2 The County will review the Contractor’s policy and provide the Contractor with approval of said plan or with requested changes.
8.5.3 If the County requests changes in the Contractor’s policy, the Contractor shall make such changes and resubmit the plan within ten (10) Business Days for County approval.

8.5.4 If, at any time, the Contractor wishes to change the Contractor’s policy, the Contractor shall submit proposed changes to the County for approval before implementation.

8.5.5 The Contractor shall preliminarily investigate all complaints and notify the County’s Project Manager of the status of the investigation within five (5) Business Days of receiving the complaint.

8.5.6 When complaints cannot be resolved informally, a system of follow-through shall be instituted which adheres to formal plans for specific actions and strict time deadlines.

8.5.7 Copies of all written responses shall be sent to the County’s Project Manager within five (5) Business Days of mailing to the complainant.

8.6 Compliance with Applicable Laws

8.6.1 In the performance of this Contract, the Contractor shall comply with all applicable federal, state and local laws, rules, regulations, ordinances, directives, guidelines, policies and procedures, and all provisions required thereby to be included in this Contract are hereby incorporated herein by reference.

8.6.2 The Contractor shall indemnify, defend, and hold harmless County, its officers, employees, and agents, from and against any and all claims, demands, damages, liabilities, losses, costs, and expenses, including, without limitation, defense costs and legal, accounting and other expert, consulting or professional fees, arising from, connected with, or related to any failure by the Contractor, its officers, employees, agents, or subcontractors, to comply with any such laws, rules, regulations, ordinances, directives, guidelines, policies, or procedures, as determined by the County in its sole judgment. Any legal defense pursuant to the Contractor’s indemnification obligations under this Paragraph 8.6 shall be conducted by the Contractor and performed by counsel selected by the Contractor and approved by the County. Notwithstanding the preceding sentence, the County shall have the right to participate in any such defense at its sole cost and expense, except that in the event the Contractor fails to provide the County with a full and adequate defense, as determined by the County in its sole judgment, the County
shall be entitled to retain its own counsel, including, without limitation, County Counsel, and reimbursement from the Contractor for all such costs and expenses incurred by the County in doing so. The Contractor shall not have the right to enter into any settlement, agree to any injunction or other equitable relief, or make any admission, in each case, on behalf of the County without the County’s prior written approval.

8.7 Compliance with Civil Rights Laws

The Contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000 (e) (1) through 2000 (e) (17), to the end that no person shall, on the grounds of race, creed, color, sex, religion, ancestry, age, condition of physical handicap, marital status, political affiliation, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract. The Contractor shall comply with Exhibit D - Contractor’s EEO Certification.

8.8 Compliance with County’s Jury Service Program

8.8.1 Jury Service Program:

This Contract is subject to the provisions of the County’s ordinance entitled Contractor Employee Jury Service (“Jury Service Program”) as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code, a copy of which is attached as Exhibit H and incorporated by reference into and made a part of this Contract.

8.8.2 Written Employee Jury Service Policy.

1. Unless the Contractor has demonstrated to the County’s satisfaction either that the Contractor is not a “Contractor” as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that the Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), the Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the
Contractor deduct from the Employee’s regular pay the fees received for jury service.

2. For purposes of this sub-paragraph, “Contractor” means a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of $50,000 or more in any 12-month period under one or more County contracts or subcontracts. “Employee” means any California resident who is a full-time employee of the Contractor. “Full-time” means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If the Contractor uses any Subcontractor to perform services for the County under the Contract, the Subcontractor shall also be subject to the provisions of this sub-paragraph. The provisions of this sub-paragraph shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.

3. If the Contractor is not required to comply with the Jury Service Program when the Contract commences, the Contractor shall have a continuing obligation to review the applicability of its “exception status” from the Jury Service Program, and the Contractor shall immediately notify the County if the Contractor at any time either comes within the Jury Service Program’s definition of “Contractor” or if the Contractor no longer qualifies for an exception to the Jury Service Program. In either event, the Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Contract and at its sole discretion, that the Contractor demonstrate to the County’s satisfaction that the Contractor either continues to remain outside of the Jury Service Program’s definition of “Contractor” and/or that the Contractor continues to qualify for an exception to the Program.
4. The Contractor’s violation of this sub-paragraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract and/or bar the Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

8.9 Conflict of Interest

8.9.1 No County employee whose position with the County enables such employee to influence the award of this Contract or any competing Contract, and no spouse or economic dependent of such employee, shall be employed in any capacity by the Contractor or have any other direct or indirect financial interest in this Contract. No officer or employee of the Contractor who may financially benefit from the performance of work hereunder shall in any way participate in the County’s approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County’s approval or ongoing evaluation of such work.

8.9.2 The Contractor shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Contract. The Contractor warrants that it is not now aware of any facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to the County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this sub-paragraph shall be a material breach of this Contract.

8.10 Consideration of Hiring County Employees Targeted for Layoff or Re-Employment List

Should the Contractor require additional or replacement personnel after the effective date of this Contract to perform the services set forth herein, the Contractor shall give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Contract.
8.11 Consideration of Hiring GAIN-GROW Participants

8.11.1 Should the Contractor require additional or replacement personnel after the effective date of this Contract, the Contractor shall give consideration for any such employment openings to participants in the County’s Department of Public Social Services Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet the Contractor’s minimum qualifications for the open position. For this purpose, consideration shall mean that the Contractor will interview qualified candidates. The County will refer GAIN/GROW participants by job category to the Contractor. Contractors shall report all job openings with job requirements to: GAINROW@DPSS.LACOUNTY.GOV and BSERVICES@WDACS.LACOUNTY.GOV and DPSS will refer qualified GAIN/GROW job candidates.

8.11.2 In the event that both laid-off County employees and GAIN/GROW participants are available for hiring, County employees shall be given first priority.

8.12 Contractor Responsibility and Debarment

8.12.1 Responsible Contractor

A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County’s policy to conduct business only with responsible Contractors.

8.12.2 Chapter 2.202 of the County Code

The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other contracts which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Contract, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing Contracts the Contractor may have with the County.
8.12.3 Non-responsible Contractor

The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County, (2) committed an act or omission which negatively reflects on the Contractor’s quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.

8.12.4 Contractor Hearing Board

1. If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

2. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor’s representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

3. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.
4. If a Contractor has been debarred for a period longer than five (5) years, that Contractor may, after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.

5. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Contractor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

6. The Contractor Hearing Board’s proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

8.12.5 Subcontractors of Contractor

These terms shall also apply to Subcontractors of County Contractors.
8.13 Contractor’s Acknowledgement of County’s Commitment to the Safely Surrendered Baby Law

The Contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the County’s policy to encourage all County contractors to voluntarily post the County’s “Safely Surrendered Baby Law” poster, in Exhibit I, in a prominent position at the contractor’s place of business. The Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor’s place of business. Information and posters for printing are available at www.babysafela.org.

8.14 Contractor’s Warranty of Adherence to County’s Child Support Compliance Program

8.14.1 The Contractor acknowledges that the County has established a goal of ensuring that all individuals who benefit financially from the County through Contract are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers.

8.14.2 As required by the County’s Child Support Compliance Program (County Code Chapter 2.200) and without limiting the Contractor’s duty under this Contract to comply with all applicable provisions of law, the Contractor warrants that it is now in compliance and shall during the term of this Contract maintain in compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

8.15 County’s Quality Assurance Plan

The County or its agent(s) will monitor the Contractor’s performance under this Contract on not less than an annual basis. Such monitoring will include assessing the Contractor’s compliance with all Contract terms and conditions and performance standards. Contractor deficiencies which the County determines are significant or continuing and that may place performance of the Contract in jeopardy if not corrected will be reported to the Board of Supervisors and listed in the appropriate contractor performance database. The report to the Board
will include improvement/corrective action measures taken by the County and the Contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate this Contract or impose other penalties as specified in this Contract.

8.16 Intentionally Omitted

8.17 Employment Eligibility Verification

8.17.1 The Contractor warrants that it fully complies with all federal and state statutes and regulations regarding the employment of aliens and others and that all its employees performing work under this Contract meet the citizenship or alien status requirements set forth in federal and state statutes and regulations. The Contractor shall obtain, from all employees performing work hereunder, all verification and other documentation of employment eligibility status required by federal and state statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986, (P.L. 99-603), or as they currently exist and as they may be hereafter amended. The Contractor shall retain all such documentation for all covered employees for the period prescribed by law.

8.17.2 The Contractor shall indemnify, defend, and hold harmless, the County, its agents, officers, and employees from employer sanctions and any other liability which may be assessed against the Contractor or the County or both in connection with any alleged violation of any federal or state statutes or regulations pertaining to the eligibility for employment of any persons performing work under this Contract.

8.18 Facsimile Representations

The County and the Contractor hereby agree to regard facsimile representations of original signatures of authorized officers of each party, when appearing in appropriate places on the Amendments and Change Notices prepared pursuant to Sub-paragraph 8.1, and received via communications facilities, as legally sufficient evidence that such original signatures have been affixed to Amendments and Change Notices to this Contract, such that the parties need not follow up facsimile transmissions of such documents with subsequent (non-facsimile) transmission of “original” versions of such documents.
8.19 Fair Labor Standards

The Contractor shall comply with all applicable provisions of the Federal Fair Labor Standards Act and shall indemnify, defend, and hold harmless the County and its agents, officers, and employees from any and all liability, including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys’ fees arising under any wage and hour law, including, but not limited to, the Federal Fair Labor Standards Act, for work performed by the Contractor’s employees for which the County may be found jointly or solely liable.

8.20 Force Majeure

8.20.1 Neither party shall be liable for such party’s failure to perform its obligations under and in accordance with this Contract, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party’s subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this sub-paragraph as “force majeure events”).

8.20.2 Notwithstanding the foregoing, a default by a subcontractor of the Contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both the Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, the Contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this sub-paragraph, the term “subcontractor” and “subcontractors” mean subcontractors at any tier.

8.20.3 In the event the Contractor’s failure to perform arises out of a force majeure event, the Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.
8.21 Governing Law, Jurisdiction, and Venue

This Contract shall be governed by, and construed in accordance with, the laws of the State of California. The Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Contract and further and consents that venue of any action brought hereunder shall be exclusively in the County of Los Angeles.

8.22 Independent Contractor Status

8.22.1 This Contract is by and between the County and the Contractor and is not intended, and shall not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between the County and the Contractor. The employees and agents of one party shall not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever.

8.22.2 The Contractor shall be solely liable and responsible for providing to, or on behalf of, all persons performing work pursuant to this Contract all compensation and benefits. The County shall have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, federal, state, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of the Contractor.

8.22.3 The Contractor understands and agrees that all persons performing work pursuant to this Contract are, for purposes of Workers' Compensation liability, solely employees of the Contractor and not employees of the County. The Contractor shall be solely liable and responsible for furnishing any and all Workers' Compensation benefits to any person as a result of any injuries arising from or connected with any work performed by or on behalf of the Contractor pursuant to this Contract.

8.22.4 The Contractor shall adhere to the provisions stated in Subparagraph 7.5 - Confidentiality.

8.23 Indemnification

The Contractor shall indemnify, defend and hold harmless the County, its Special Districts, elected and appointed officers, employees, agents and volunteers (“County Indemnitees”) from and against any and all liability, including but not limited to demands, claims, actions, fees, costs and expenses (including attorney and
expert witness fees), arising from and/or relating to this Contract, except for such loss or damage arising from the sole negligence or willful misconduct of the County Indemnitees.

8.24 General Provisions for All Insurance Coverage

Without limiting the Contractor’s indemnification of the County, and in the performance of this Contract and until all of its obligations pursuant to this Contract have been met, the Contractor shall provide and maintain at its own expense insurance coverage satisfying the requirements specified in Sub-paragraph 8.24 and Sub-paragraph 8.25 of this Contract. These minimum insurance coverage terms, types and limits (the “Required Insurance”) also are in addition to and separate from any other contractual obligation imposed upon the Contractor pursuant to this Contract. The County in no way warrants that the Required Insurance is sufficient to protect the Contractor for liabilities which may arise from or relate to this Contract.

8.24.1 Evidence of Coverage and Notice to County

- Certificate(s) of insurance coverage (Certificate) satisfactory to the County, and a copy of an Additional Insured endorsement confirming the County and its Agents (defined below) has been given Insured status under the Contractor’s General Liability policy, shall be delivered to the County at the address shown below and provided prior to commencing services under this Contract.

- Renewal Certificates shall be provided to the County not less than 10 days prior to the Contractor’s policy expiration dates. The County reserves the right to obtain complete, certified copies of any required Contractor and/or Sub-Contractor insurance policies at any time.

- Certificates shall identify all Required Insurance coverage types and limits specified herein, reference this Contract by name or number, and be signed by an authorized representative of the insurer(s). The Insured party named on the Certificate shall match the name of the Contractor identified as the contracting party in this Contract. Certificates shall provide the full name of each insurer providing coverage, its NAIC (National Association of Insurance Commissioners) identification number, its financial rating, the amounts of any policy deductibles or self-insured retentions exceeding fifty thousand ($50,000.00) dollars, and list any County required endorsement forms.
Neither the County’s failure to obtain, nor the County’s receipt of, or failure to object to a non-complying insurance certificate or endorsement, or any other insurance documentation or information provided by the Contractor, its insurance broker(s) and/or insurer(s), shall be construed as a waiver of any of the Required Insurance provisions.

Certificates and copies of any required endorsements shall be sent to:

County of Los Angeles
Department of Human Resources - Countywide Talent Assessment
3333 Wilshire Blvd., Ste. 350
Los Angeles, CA 90010
Attention: Ani Ismailian

The Contractor also shall promptly report to the County any injury or property damage accident or incident, including any injury to a Contractor employee occurring on County property, and any loss, disappearance, destruction, misuse, or theft of County property, monies or securities entrusted to the Contractor. 8.38.3 If, at any time during the term of this Contract or within five (5) years after the expiration or termination of this Contract, representatives of the County conduct an audit of the Contractor regarding the work performed under this Contract, and if such audit finds that the County’s dollar liability for any such work is less than payments made by the County to the Contractor, then the difference shall be either: a) repaid by the Contractor to the County by cash payment upon demand or b) at the sole option of the County’s Auditor-Controller, deducted from any amounts due to the Contractor from the County, whether under this Contract or otherwise. If such audit finds that the County’s dollar liability for such work is more than the payments made by the County to the Contractor, then the difference shall be paid to the Contractor by the County by cash payment, provided that in no event shall the County’s maximum obligation for this Contract exceed the funds appropriated by the County for the purpose of this Contract.

8.40.5 The County's consent to subcontract shall not waive the County's right to prior and continuing approval of any and all personnel, including Subcontractor employees, providing services under this Contract. The Contractor is responsible to notify its Subcontractors of this County right.

8.40.6 The County's Project Director is authorized to act for and on behalf of the County with respect to approval of any subcontract and Subcontractor employees. Failure of the Contractor to maintain compliance with the requirements set forth in Sub-paragraph 8.14 - Contractor’s Warranty of Adherence to County’s Child Support Compliance Program, shall constitute default under this Contract. Without limiting the rights and remedies available to the County under any other provision of this Contract, failure of the Contractor to cure such default within ninety (90) calendar days of written notice shall be grounds upon which the County may terminate this Contract pursuant to Sub-paragraph 8.43 - Termination for Default and pursue debarment of the Contractor, pursuant to County Code Chapter 2.202.

8.42 Termination for Convenience

8.42.1 This Contract may be terminated, in whole or in part, from time to time, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by notice of termination to the Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than ten (10) days after the notice is sent.

8.42.2 After receipt of a notice of termination and except as otherwise directed by the County, the Contractor shall:

- Stop work under this Contract on the date and to the extent specified in such notice, and
- Complete performance of such part of the work as shall not have been terminated by such notice.

8.43.2 In the event that the County terminates this Contract in whole or in part as provided in Sub-paragraph 8.43.1, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. The Contractor shall be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The Contractor shall continue the performance of this Contract to the extent not terminated under the provisions of this sub-paragraph.

8.43.3 Except with respect to defaults of any Subcontractor, the Contractor shall not be liable for any such excess costs of the type identified in Sub-paragraph 8.43.2 if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of federal or state governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a Subcontractor, and if such default arises out of causes beyond the control of both the Contractor and Subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this Sub-paragraph 8.43.3, the terms "Subcontractor" and "Subcontractors" mean Subcontractor(s) at any tier.
8.43.4 If, after the County has given notice of termination under the provisions of this Sub-paragraph 8.43, it is determined by the County that the Contractor was not in default under the provisions of this Sub-paragraph 8.43, or that the default was excusable under the provisions of Sub-paragraph 8.43.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Sub-paragraph 8.42 - Termination for Convenience.

8.43.5 The rights and remedies of the County provided in this Sub-paragraph 8.43 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.44 Termination for Improper Consideration

8.44.1 The County may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Contract if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment, or extension of this Contract or the making of any determinations with respect to the Contractor's performance pursuant to this Contract. In the event of such termination, the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

8.44.2 The Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller’s Employee Fraud Hotline at (800) 544-6861.

8.47 Termination for Non- Appropriation of Funds

Notwithstanding any other provision of this Contract, the County shall not be obligated for the Contractor’s performance hereunder or by any provision of this Contract during any of the County’s future fiscal years unless and until the County’s Board of Supervisors appropriates funds for this Contract in the County’s Budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the
application of such provision to other persons or circumstances shall not be affected thereby.

8.49 Waiver

No waiver by the County of any breach of any provision of this Contract shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Contract shall not be construed as a waiver thereof. The rights and remedies set forth in this Subparagraph 8.49 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.50 Warranty Against Contingent Fees

8.50.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

The Contractor, its employees and subcontractors acknowledge and certify receipt and understanding of the CPOE. Failure of the Contractor, its employees or its subcontractors to uphold the County's expectations of a workplace free from harassment and discrimination, including inappropriate conduct based on a protected characteristic, may subject the contractor to termination of contractual agreements as well as civil liability.

The County shall inform the Contractor as soon as practicable of any claim or action alleging such infringement or unauthorized disclosure, and shall support the Contractor's defense and settlement thereof.

9.2.2 In the event any equipment, part thereof, or software product becomes the subject of any complaint, claim, or proceeding alleging infringement or unauthorized disclosure, such that the County's continued use of such item is formally restrained, enjoined, or subjected to a risk of damages, the Contractor, at its sole expense, and providing that the County's continued use of the system is not materially impeded, shall either:

Upon receipt of this document, the Contractor is required to respond in writing to the County Contract Project Monitor within five (5) workdays, acknowledging the reported discrepancies or presenting contrary evidence. A plan for correction of all deficiencies identified in the Contract Discrepancy Report shall be submitted to the County Contract Project Monitor within ten (10) workdays.

In any case of apparent inconsistency between Services as stated in the Contract and the SOW and this PRS, the meaning apparent in the Contract and the SOW will prevail. If any Service seems to be created in this PRS which is not clearly and forthrightly set forth in the Contract and the SOW, that apparent Service will be null and void and place no requirement on Contractor.

JURY SERVICE ORDINANCE
2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

2.203.020 Definitions.

The following definitions shall be applicable to this chapter:

   3. Is not an affiliate or subsidiary of a business dominant in its field of operation.

SAFELY SURRENDERED BABY LAW
SAFELY SURRENDERED BABY LAW

No shame. No blame. No names.

In Los Angeles County: 1-877-BABY SAFE • 1-877-222-9723
www.babysafela.org
Safely Surrendered Baby Law

What is the Safety Surrendered Baby Law?
California’s Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

How does it work?
A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?
Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-340-4000.

Can only a parent bring in the baby?
No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?
No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult is present at the hospital or fire station.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a baby, let her know there are other options. For three days (72 hours) after birth, a baby can be surrendered to staff at any hospital or fire station in Los Angeles County.

A baby’s story
Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby’s aunt and stated the baby’s mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklelet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Does the parent or surrendering adult have to tell anyone to the people taking the baby?
No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?
The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?
Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?
The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby’s death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.
Ley de Entrega de Bebés Sin Peligro

Los recién nacidos pueden ser entregados en forma segura al personal de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles

En el Condado de Los Ángeles: 1-877-BABY SAFE • 1-877-222-9723
www.babysafela.org
¿Cómo funciona?
El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregó recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?
Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Ángeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?
No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entregan al bebé deben llamar antes de llevar al bebé?
No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?
No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llenen un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviado en otro momento.

¿Qué pasará con el bebé?
El bebé será examinado y le brindarán atención médica. Cuando se den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?
Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, puedenirse en cualquier momento.

¿Por qué se está haciendo esto en California?
La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en bañeros o en sitios públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber olovido su embarazo, por temor a lo que pasará si sus familias se enteran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muchos a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a ocurrir esta tragedia en California.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Ángeles.

Historia de un bebé
A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Humber-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé, esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del periodo de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franquico pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Ángeles, California 90012

Dear Supervisors:

APPROVAL TO USE INFORMATION TECHNOLOGY FUND TO UPDATE MOBILE DIGITAL COMPUTERS AND APPROVE APPROPRIATION ADJUSTMENT
(ALL SUPERVISORIAL DISTRICTS – 4 VOTES)
(FISCAL YEAR 2019-20)

CIO RECOMMENDATION: APPROVE (X)

SUBJECT

The Los Angeles County (County) Sheriff’s Department is requesting Board approval to utilize $1,970,000 from the County’s Information Technology Fund (ITF) for the replacement of end-of-life Mobile Digital Computers.

IT IS RECOMMENDED THAT THE BOARD:

1. Approve and authorize the utilization of $1,970,000 from ITF to replace end-of-life Mobile Digital Computers that are having a detrimental effect on the County departments’ operations.

2. Direct the Chief Executive Office (CEO) to transfer the requested ITF funds to the Sheriff’s Department for the acquisition of new Mobile Digital Computers.

3. Approve a Fiscal Year 2019-20 appropriation adjustment in ITF to reallocate $1,970,000 from Services and Supplies (S&S) to Other Financing Uses, and to increase the Sheriff’s Department’s S&S budget.
PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The Mobile Digital Computer (MDC) Project was initiated in 2011. The purpose of the MDC Project was to upgrade the existing legacy Mobile Digital Terminal (MDT) with newer and more robust MDC’s.

The newer MDC’s allow deputies in the field better access to the Sheriff’s Department’s Computer Aided Dispatch (CAD) System to receive/answer calls for service as well as providing them more access to numerous other law enforcement applications.

MDC’s reduce radio traffic by allowing information to appear on the computer. The initial 2,700 MDC’s were installed in Sheriff’s Department’s patrol cars with a one-time funding and no ongoing maintenance and/or replacement plans were included in the Sheriff’s Department’s budget.

Over the last 8 years, approximately 500 newer MDC’s as well as memory upgrades and screen replacements were purchased, but these purchases were adhoc and the majority of older MDC’s are still deployed today. To date, the total number of MDC’s deployed has grown to 3,200 with approximately 500+ in disrepair due to hardware failure.

The MDC fleet has now reached a critical point as most MDC’s are of the older model that are 8 years old, are out of warranty, and are breaking on a much more frequent basis.

If replacement MDC’s are not purchased, Sheriff’s deputies will be unable to receive calls for service via the Sheriff’s Department’s CAD System and calls for service will need to be voiced over the already overburdened radio system, affecting the efficiency of the operation.

Implementation of Strategic Plan Goals

The recommended action is consistent with the principles of the County’s Strategic Plan, Strategy III.3, Pursue Operational Effectiveness, Fiscal Responsibility and Accountability. Specifically, by allowing the Sheriff’s Department’s communications to operate effectively and efficiently by providing new devices.

FISCAL IMPACT/FINANCING
ITF was established to fund Countywide or multi-department technology projects that improve the delivery of services to the public, generate operational improvements to one or more departments or programs, and improve inter-departmental or inter-agency collaboration. The County’s Information Technology Investment Board (ITIB) has approved using ITF to pay for the replacement computers. The last Board recommendation will approve an appropriation adjustment in ITF to reallocate $1,970,000 from S&S to Other Financing Uses, and increase the Sheriff's Department's S&S budget to purchase MDC’s.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

At the recommendation of the Chief Information Officer (CIO), ITIB has approved this request recognizing MDC’s that are not functioning properly present a risk to the Sherriff’s deputies that rely on MDC’s to conduct their business. ITIB has shifted the approval of the funds from the Legacy Modernization Fund to the ITF. In order to receive the funds the Sherriff’s Department has agreed to the requirements and will provide an implementation progress update.

The CIO has reviewed this Board Letter and recommends approval. The CIO further determines that a CIO Analysis is not required for the recommended action as it represents a one-time purchase of computers.

IMPACT ON CURRENT SERVICES

Approval will ensure continued services and uninterrupted operation of MDC equipment utilized by the Sheriff’s Department's Communications and Fleet Management Bureau.

CONTRACTING PROCESS

The acquisition of MDC’s falls under the statutory authority of the County Purchasing Agent and will be accomplished in accordance with the County’s purchasing policies and procedures.

CONCLUSION

Upon approval by the Board and the Executive Office, the Board of Supervisors is requested to return one adopted stamped Board letter to the Sheriff.

Explaination of change

Appropriation adjustment needed to reallocate $1,970,000 in the ITF and Sheriff’s Department’s budget to purchase MDCs.

The MDCs allow deputies in the field better access to the Sheriff’s Department Computer-Aided Dispatch (CAD) system to receive/answer calls for service as well as providing them more access to numerous other law enforcement applications. To date, the total number of MDCs deployed has grown to 3,200 with approximately 500+ in disrepair due to hardware failure. If replacement MDCs are not purchased, Deputy Sheriff’s will be unable to receive calls for service via Sheriff’s Department’s CAD System and calls for service will need to be voiced over the already overburdened radio system, effecting the efficiency of the operation. This adjustment will increase the Department’s S&S appropriation offset by Operating Transfers In from the Information Technology Infrastructure Fund (ITF).

(3 VOTES)

SUBJECT

Public Works is seeking Board approval to amend a consultant services agreement with Parsons Constructors, Inc., to provide services necessary for program level implementation, administration, and management of the recently approved Community Workforce Agreement and for its implementation on the Martin Luther King, Jr. Medical Campus Behavioral Health Center Renovation project and upcoming covered projects.

IT IS RECOMMENDED THAT THE BOARD:

1. Find that the proposed amendment to the consultant services agreement is not a project pursuant to the California Environmental Quality Act.

2. Approve and delegate authority to the Director of Public Works or his designee to execute Amendment 1 to Agreement PW15127 with Parsons Constructors, Inc., to provide the services necessary for program level implementation, administration, and management of the Community Workforce Agreement and for its implementation on the Martin Luther King, Jr. Medical Campus Behavioral Health Center Renovation project and upcoming covered projects for $797,900 by increasing the original contract amount of $120,000 to a not-to-exceed amount of $917,900.

3. Delegate authority to Director of Public Works or his designee to supplement the amended contract amount of $917,900 by up to 25 percent based on workload requirements.
4. Delegate authority to the Director of Public Works or his designee to extend the contract, which currently expires on September 26, 2020, for up to two 1-year extension options based upon project demands and level of satisfaction with services provided. The expiration of the agreement shall also be subject to the following condition: where services for a given project have been authorized in writing by the County but are not completed by the consultant prior to the stated expiration date, the expiration date will be automatically extended solely to allow for the completion of such services.

5. Delegate authority to the Director of Public Works or his designee to authorize additional services and extend the contract expiration date as necessary to complete those additional services when those additional services are previously unforeseen, related to a previously assigned scope of work, and are necessary for the completion of the project.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

Approval of the recommended actions will determine that the activity is not a project under the California Environmental Quality Act (CEQA) and authorize Public Works to execute an amendment to Parsons Constructors, Inc., Consultant Services Agreement PW15127 to provide program level administration and management services for the implementation of the terms and conditions of the executed Community Workforce Agreement (CWA) and its implementation for the Martin Luther King, Jr. Medical Campus (MLK) Behavioral Health Center (BHC) Renovation project (formerly named King-Drew Reuse project) and upcoming Board-approved covered CWA projects.

Background

On March 21, 2017, and July 10, 2018, the Board authorized the Chief Executive Officer (CEO), in consultation with County Counsel; Public Works; Workforce Development, Aging and Community Services; and Consumer and Business Affairs to negotiate with the Los Angeles/Orange Counties Building and Construction Trades Council for a CWA to be applied to a number of specifically identified major capital projects including the BHC project.

On September 26, 2017, the Board authorized execution of a consultant services agreement with Parsons to assist the County in outreach and negotiation services for development of a CWA for those major capital projects. The County team, with the assistance of Parsons, completed the negotiations with the Los Angeles/Orange Counties Building and Construction Trades Council and on November 12, 2019, the Board authorized its execution.
Parsons will provide support by implementing the CWA at a programmatic and project level. For the programmatic level, Parsons is to assist in establishing and administering the policy and procedures required under the CWA. For the project level, Parsons is to assist Public Works by providing administration and management services for the MLK BHC Renovation project and upcoming Board-approved covered CWA projects. These programmatic and project level services will include, but are not limited to, providing labor and contractor relations, training and education, compliance, reporting, labor dispute resolution, and implementing work and economic opportunities to maximize career opportunities for local residents and targeted workers. Public Works recommends that the Board authorize amending Parsons’ agreement to increase the contract by a not-to-exceed amount of $797,900.

Approval of the recommendation to supplement the amended amount of $797,900 by up to 25 percent will allow Public Works to rapidly utilize the programmatic and/or project level services to support the implementation of the CWA.

**Implementation of Strategic Plan Goals**

These recommendations support the County Strategic Plan: Strategy II.1, Drive Economic and Workforce Development in the County, and Objective II.1.2, Support Small Businesses and Social Enterprises, and Objective II.1.3, Coordinate Workforce Development, by supporting the wellness of our communities and by increasing job opportunities for high risk youth, adults, and low to moderate income residents.

**FISCAL IMPACT/FINANCING**

The recommended amendment to Parsons’ Consultant Services Agreement PW15127 is for $797,900, which brings the not-to-exceed amount to a total of $917,900 for the contracted services to be provided. Of the $797,900 not-to-exceed amount, $170,000 will be funded by the MLK BHC Renovation project, $382,755 will be funded by upcoming Board-approved covered CWA projects, and $245,145 for program level support and staff training will be funded by the Project and Facility Development Fund. Sufficient funds are available within the previously Board-approved project budget for the MLK BHC Renovation project, and upcoming covered projects to fund the service requested.
FACTS AND PROVISIONS/LEGAL REQUIREMENTS

A standard amendment to the consultant services amendment in the form previously approved by County Counsel will be used.

ENVIRONMENTAL DOCUMENTATION

Execution of the CWA was previously determined by the Board as not constituting a project under CEQA. The recommended actions are not a project pursuant to CEQA because they are activities that are excluded from the definition of a project by Public Resources Code Section 21065 and Section 15378(b)(5) of the State CEQA Guidelines. The proposed action is an administrative activity of government that will not result in direct or indirect physical changes in the environment.

Upon the Board's approval of the recommended actions, Public Works will file a Notice of Exemption with the Registrar-Recorder/County Clerk in accordance with Section 21152 of the State CEQA Guidelines.

CONTRACTING PROCESS

On March 22, 2017, Public Works issued a Request for Proposals for labor relations services to both negotiate a CWA and for subsequent implementation, administration, and management services should a CWA be executed. The contract opportunity was listed on the County's "Doing Business With Us" and "Do Business with Public Works" websites. Public Works also informed the local small business enterprises about this business opportunity for those certified by the Department of Consumer and Business Affairs.

Participation by Community Business Enterprises (CBE) in the project is encouraged through Public Works’ CBE Outreach Program and by monitoring the good faith efforts of contractors to utilize CBE.

On September 26, 2017, the Board authorized Public Works to enter into a consultant services agreement with Parsons to provide the initial labor relations services to assist in the negotiation of the CWA for the specified major capital projects in the amount of $120,000. Public Works is recommending approval of an amendment with Parsons for $797,900 not-to-exceed amount to provide programmatic and project levels implementation, administration, and management services for the executed CWA. Such services were included in the scope of work of the Request for Proposals. Public Works has reviewed Parson's proposal for these services, and it is considered reasonable for the scope of work.
Public Works has evaluated and determined that Los Angeles County Code Chapter 2.201 (Living Wage Program) does not apply to this agreement. This consultant services agreement is exempt from the requirements of Proposition A because the services are required on a part-time and intermittent basis. Public Works notified the Union on this solicitation.

The consultant services agreement includes a Cost-of-Living Adjustment provision in accordance with Board Policy No. 5.070.

**IMPACT ON CURRENT SERVICES (OR PROJECTS)**

Approval of the recommended actions will have no negative impact on current County services or projects during the performance of the recommended consultant services agreement.

**CONCLUSION**

Please return one adopted copy of this Board letter to Public Works, Project Management Division I.

Respectfully submitted,

MARK PESTRELLA
