

**Lange Foundation's Safety Net Program Celebrates 1 Year Anniversary with
Animal Adoption Event at Lancaster Animal Shelter**

Celebrating a Year of Helping Pets and Families Stay Together

WHAT: To celebrate its 1 year anniversary, the Lange Foundation's Safety Net Program is partnering with the Lancaster animal shelter to host a special animal adoption event. The event will feature dog adoptions for \$35 or less and discounted cat adoptions. All dogs and cats adopted at the event will go home with a free gift such as a training certificate at PetSmart, a grooming certificate, a pet bed, leash, collar, toy, treat or food. In addition, \$50 spay and neuter certificates will be handed out to pet owners who already have animals at home.

The **Lange Foundation's** Safety Net Program is a unique relief system that offers resources to pet owners who need assistance with care for and keep their pets. Since its launch in August 2015, the Safety Net Program has helped approximately 700 families keep their beloved pets during times of need, rather than surrendering their pets to the already overcrowded shelter.

WHEN: Saturday, August 20, 2016
10:00 AM - 5:00 PM

WHERE: Lancaster Animal Shelter
5210 W Ave I.
Lancaster, CA 93536
