SMALL CRAFT HARBOR COMMISSION MINUTES
May 10, 2017

Commissioners: Allyn Rifkin, Chair; David Lumian, Vice Chair; Vanessa Delgado; Dennis Alfieri (excused absence)

Department of Beaches and Harbors (DBH): Brock Ladewig, Deputy Director; Steve Penn, Chief of Asset Management Division; Michael G. Rodriguez, Chief Property Manager; Amir Tadros, Real Property Agent II

County: Amy Caves, Principal Deputy County Counsel; Deputy Sheriff Brett Carlson, Deputy Sheriff Richard Nichols

Item 1- Call to Order and Pledge of Allegiance
Chair Rifkin called the meeting to order at 10:10 a.m. and read the Commission’s policy on public comment. The Pledge of Allegiance was led by Michael Bozarth, United States Coast Guard Auxiliary

Item 2- Approval of Minutes

Motion to approve February 8, 2017, Meeting Minutes by Vice Chair Lumian, seconded by Commissioner Delgado, unanimously approved.

Ayes: 3 – Chair Rifkin, Vice Chair Lumian, and Ms. Delgado

Item 3 – Communication from the Public
Captain Alex Bailan requested to change the Ongoing Activities Report so that the items are listed by priority.

Eliot Zimmerman invited the Commissioners for a water tour to observe the traffic in the harbor. He also expressed concern with the limited space on the water ways.

Item 4 – Communication with the Commissioners
Chair Rifkin disclosed his attendance at a Blue Water Sailing School (Blue Water Sailing) tour, guided by Mr. Zimmerman, who pointed out the traffic congestion within the marina.

Item 5a – Marina Sheriff
Sergeant Carlson & Deputy Sheriff Nichols presented the crime statistics and liveaboard report.

Vice Chair Lumian inquired about the number of liveaboards permitted in the marina, and if boat Airbnb operations require a liveaboard permit.
Deputy Nichols replied that there is no limit to liveaboard permits and stated that the boat owner would need to arrange Airbnb operations with their anchorage or dockmaster. He further explained that the Airbnb issue is a civil matter and the Sheriff handles enforcement issues.

Sergeant Carlson added that they also went on a tour with Blue Water Sailing, and mentioned that they were able to gain a different perspective for law enforcement.

**Item 5b – MdR and Beach Special Events**
Carol Baker reported the temporary relocation of the farmers market to parking lot 5, the new beach-shuttle hours, and announced the pop-up art event, “ARTsea,” at Marina Beach.

**Item 5c – Marina Boating Section Report**
Michael Blenk reported that Anchorage 47 has a 4% vacancy which consists of small-size slips (22ft-24ft); Parcel 77 power boat storage is completely full; and mast-up storage has sixty spaces open, due to the recent boat auction.

Chair Rifkin asked if they have a sense of Uber’s operation in the Marina.

Carol Baker replied that they only notice Uber usage when they have events.

**Item 5d – Marina del Rey Convention and Visitor’s Bureau Report**
Janet Zaldua reported that CB Ellis Hotel Consulting will perform an Economic Impact report on tourism in Marina del Rey. She added that from 2012 through 2016 there’s been a 73% growth. She also reported the hotel occupancy rate for 2016 was 83.8%, which is a 4.9% increase from 2015. She announced the success of the Free Ride program, which averages 500 rides a week. She further reported that the 2017 Visitor Destination Guide is available for distribution and that they will be conducting visitor profile studies to help improve the visitor’s experience.

**Item 6a – Venice Dual Force Main Project Update**
Tonya Durrell, the City of Los Angeles (City) Public Works Public Information Director, introduced herself and mentioned that she is the community outreach point of contact for the Venice Dual Force Main Project.

Richard Sutherland, with the construction management team for the Bureau of Engineering on the Waste Water Conveyance Construction Division, provided the presentation.

Chair Rifkin asked for the Los Angeles County liaison.

Richard Sutherland stated that they have been working with Josie Gutierrez, and with John Kelly from the Department of Beaches and Harbors (DBH).

Commissioner Delgado asked if the project is solely a City project with DBH only assisting with access.
Richard Sutherland replied affirmatively.

Vice Chair Lumian expressed concern for the residences and businesses along Via Marina. He requested that they facilitate traffic-control to reduce impact for those affected.

Tonya Durrell replied that they are mindful to those concerns and are committed to working in partnership.

Chair Rifkin inquired about the Via Marina Task Force, and how often they meet.

Richard Sutherland replied that they conduct a quarterly meeting with all projects along Via Marina, including AMLI, Marriott Hotel, Wetland County Project and some utility companies.

Chair Rifkin requested renaming the web-address to avoid confusion.

Tonya Durrell replied that they would look into it.

Item 6b –Harbor Master Report on Marina del Rey’s Marine Operations

Sergeant Brett Carlson and Deputy Richard Nichol provided the report.

Michael Bozarth, United States Coast Guard Auxiliary, provided a presentation on paddle-craft safety.

Lieutenant Lisa Fanning, Investigating Officer at Sector Los Angeles - Long Beach, and Lieutenant Commander Nathan Menefee, Senior Investigating Officer at Coast Guard Sector Los Angeles - Long Beach, introduced themselves.

Mark Lavine, expressed concern about the issues surrounding the Stand-up Paddle Boards (SUP).

Commissioner Delgado stated that the presentation was great and requested that it be available via DBH website.

Steve Penn replied that it would be provided on the website for public access.

Vice Chair Lumian disclosed his membership with the Canoe Association and mentioned that he’s also an SUP and Kayak instructor. He inquired if paddle board deaths occurring on inland waters has been greater than the deaths in coastal areas.

Michael Bozarth replied that based on the data he presented, Mr. Lumian is correct.

Vice Chair Lumian also inquired about the Navigational Rules regarding paddle boarding.

Michael Bozarth replied that there are no SUP rules, because they were designed in the late 70s and have not been updated to handle SUPs.
Vice Chair Lumian inquired about vessel safety checks for SUPs.

Michael Bozarth replied that they perform safety checks for kayaks, canoes, SUPs, and rafts. He added that individuals can request a safety check via the Auxiliary US Coast Guard Website, free of charge.

Vice Chair Lumian asked the Harbor Master about certain cases where they allowed SUPs.

Deputy Nichols stated that it’s agreements are between UCLA, LMU, and several SUP rental businesses in the marina; however, navigational rules and education needs to be provided.

Vice Chair Lumian inquired about the number of rental companies.

Deputy Nichols redirected the question to DBH staff.

Vice Chair Lumian stated he wants to know how many rental companies are in Marina del Rey and the requirements to become a SUP and kayak rental business.

Steve Penn stated that the permitting process is handled by DBH through the lease agreements currently in place, provided that the particular area allows for such activity, such as Fisherman’s Village. He further explained that vendors go to Fisherman’s Village to inquire about space availability to conduct their business, and if there is availability, they enter into a sublease agreement. Once the sublease is tentatively reached, they send it to DBH for approval, and the agreements are strictly reviewed from the contractual perspective. Vendors are expected to comply with all Federal and State rules and regulations.

Vice Chair Lumian suggested a fieldtrip to Alamedas Bay, where they can observe a group that provides training to individuals before they go out on kayaks & paddle boards.

Chair Rifkin commented that it’s important to make SUPs safe and suggested researching the idea of restricting the areas for SUPs.

Captain Alex Bailan spoke about the growing concerns with crossing SUPs in front of large moving vessels, and how to prevent collisions. He also mentioned the importance of knowing the navigational rules.

Patricia Younis expressed concern about the illegal rental businesses and mentioned that she googled “paddle boarding rentals” in Marina del Rey and was surprised to find thirty-five companies within the marina. She further explained that she has seen them firsthand operating out of their trucks at the launch ramp and at Mother’s beach. She mentioned the importance of safety and of “taxing” those individuals running illegal businesses.
Deputy Nichols spoke about the two County ordinances that the Sheriff’s department enforces regarding illegal charters. He further explained that Dock 52 and Dock 55 are currently the designated areas for legal charter operations.

Lt. Lisa Fanning stated that she investigates any reportable marine casualty and illegal charter operations. She explained that they’re concerned with the safety of crew members, passengers and the environment. She spoke about the importance of their presence and explained their safety boarding process. She further explained that they have issued nine “Captain of the Port Orders” for uninspected vessel operators to cease operation, seven of which were issued in Marina del Rey.

Lt. Commander Nathan Menefee stated that the primary concern for the US Coast Guard is safety. He further explained the US Coast Guard’s requirements for legally operating 6-pack charter boats. He also stated that there are more extensive regulations for a charter of more than 6 passengers. He added that they are doing their best to combat this issue, and are actively looking on social media, internet listings to target them and shut them down.

Sergeant Carlson added that the community should report illegal charters to the dock master.

Steve Penn thanked the Sheriff and US Coast Guard for their presentations.

**Item 6c – Parcel 141 Lease Amendment (Decennial Rent Adjustment)**

Michael Rodriguez presented the staff report.

Chair Rifkin asked if the change from 5 years to 10 years is consistent with the other Board-approved leases.

Michael Rodriguez answered affirmatively.

**Motion to approve by Vice Chair Lumian, seconded by Commissioner Delgado, unanimously approved.**

**Ayes: 3 – Chair Rifkin, Vice Chair Lumian, and Ms. Delgado**

Steve Penn asked Michael Rodriguez to provide the commissioners with the illegal charter update report.

Michael Rodriguez explained the enforcement process between DBH and the other agencies such as dock masters, US Coast Guard, and the Los Angeles County Treasurer and Tax Collector.

Eliot Zimmerman spoke about the importance of the community’s participation in reporting illegal charters, SUPs at Marina Beach, and illegal SUP operations.
Item 8 – Staff Reports
Steve Penn provided the staff reports.

Commissioner Delgado inquired about the merging of the Design Control Board and the Small Craft Harbor Commission.

Steve Penn replied that there has not been a final report issued, nor a strong indication that there will be a merger.

Vice Chair Lumian suggested having a harbor safety meeting with the different entities in the harbor, before the summer season. He requested a presentation on “How to become a legal charter”, and a report on Parcel 43 new dock encroachment.

Steve Penn replied that staff will provide the updates at the next meeting.

Captain Alex Bailan spoke about Fisherman’s Village and asked if there’s a way to pressure the lessee to move forward.

Adjournment
Vice Chair Rifkin adjourned the meeting at 12:26 p.m.
Commissioners: Allyn Rifkin, Chair; David Lumian, Vice Chair (excused absence); Vanessa Delgado; Dennis Alfieri

Department of Beaches and Harbors (DBH): Brock Ladewig, Deputy Director; Steve Penn, Asset Management Division Chief; Michael G. Rodriguez, Chief Property Manager; Amir Tadros, Real Property Agent II; Michael Tripp, Planning Division Chief; Marie Waite, Planner; Brenda Pondon, TMDL Manager

County: Byron Shibata, County Counsel

Item 1- Call to Order and Pledge of Allegiance
Chair Rifkin called the meeting to order at 10:04 a.m. and read the Commission’s policy on public comment. The Pledge of Allegiance was led by Michael G Rodriguez, Chief Property Manager

Item 2- Approval of Minutes

Motion to approve April 13, 2017, Special Night Meeting Minutes by Commissioner Delgado, seconded by Commissioner Alfieri, unanimously approved.

Ayes: 3 – Chair Rifkin, Mr. Alfieri, and Ms. Delgado

Item 3 – Communication from the Public
Peter Beale suggested adding an exclusive lane for paddle boarders and spoke about the pricing of the boat slips.

Captain Alex Bailan expressed concern about the dock masters allowing illegal boat chartering and alleged that the charter operator Charters 2000 is operating illegally. He added that enforcement needs to be consistent and alleged that Airbnb is also conducting illegal chartering.

Gustavo Santi from Charters 2000 stated that his company is completely legal and currently using dock 55.

Item 4 – Communication with the Commissioners
Commissioner Alfieri announced his new position as Chief Executive Officer of the Sheriff’s Youth Foundation.

Chair Rifkin disclosed his attendance at the Convention and Visitors Bureau’s meeting and mentioned that they also discussed the Airbnb issue.

Item 5a – Marina Sheriff
Chair Rifkin noted that there were no sheriffs in attendance to discuss the reports.
Commissioner Delgado suggested receiving and filing the Marina Sheriff’s reports.

**Motion to approve by Commissioner Delgado, seconded by Commissioner Alfieri, unanimously approved.**

  
  
  Ayes: 3 – Chair Rifkin, Mr. Alfieri, and Ms. Delgado

**Item 5b – MdR and Beach Special Events**

Carol Baker reported on success of the pop-up art event, “ARTsea,” at Marina Beach. She handed out the Department of Beaches and Harbors’ summer events brochure and announced that they are currently working on the Fourth of July traffic control.

**Item 5c – Marina Boating Section Report**

Carol Baker reported that the Boat House is progressing nicely and should be ready soon for staff and public use. She also announced the Anchorage 47 boat slip rates will increase in August. She further explained that the annual rate adjustment was approved by the Board of Supervisors (BOS) and the increase will be capped at 5% for the 17ft through 24ft slips and 7.5% for the 27ft through 34ft slips. She noted that all other slips will be priced at market rates. She stated that the last increase was in 2015, and that the prices are calculated by the weighted averages of posted rates of comparable slips in the Marina. She announced that the notices will be mailed out to the permittees. She also reported that the dry storage at pier 77 is full and has a waitlist, and that the anchorage has twelve vacant slips in the 17ft through 25ft range. She added that the dinghy agreements will expire on June 30th and have a waitlist with 92 names on it.

Ms. Delgado stated that the rates seem unaffordable and inquired if the rates were market rates.

Carol Baker replied affirmatively and stated that the formula was approved by the BOS and were a weighted average of posted rates.

Mr. Alfieri stated that the constituent quoted a rate that was double the current rate.

Carol Baker replied that the constituent is not a Los Angeles County tenant.

Chair Rifkin inquired about the commissioners’ opportunity to review the process of slip fee adjustments.

Steve Penn asked Chair Rifkin if he was referring to the Anchorage 47 slip fees adjustment or was he referring to the slip fee adjustments throughout the private leaseholds in the Marina.

Chair Rifkin replied that he was referring to both.

Steve Penn explained that the BOS approved a formula to calculate slip fee adjustments for Anchorage 47. But the adjustment at the private leaseholds do not require the County’s approval. However, there is a price control clause in their lease agreements that prevents price gouging.
Item 6a – The Process to Legalize Illegal Boat Charters
Steve Penn stated that this item is in response to the questions raised during the April Special Night Meeting regarding legalizing illegal boat charters.

Michael G. Rodriguez presented the staff report.

Ron Orr spoke about the price increase for slip fees and the unavailability of slips due to simultaneous construction.

Brian Mitchell spoke about the boat workers, the unfair competition with illegal charter vendors, and requested assistance with the illegal charter issues.

Peter Beale requested that the process to become a legal charter be publicized, and suggested that the County reexamine the management of the Marina to make bare-boat chartering realistic.

Bob Atkins spoke about the pier-to-pier boat chartering, and stated that Pier 55 does not work for bare-boat chartering.

Ms. Delgado explained that there seems to be a difference of opinion on how people see the facts. However, there seems to be the mechanisms to achieving operations. She further explained that one being the traditional sublease and the other is the process arranged to try and assist with the illegal, daily charters. She stated that she believes this is the best approach. However, to avoid conflict, she suggested posting the list on the website and keeping it updated, but does not know if much more can be done.

Chair Rifkin requested that the list be added under Item 8, Ongoing Activities report.

Mr. Alfieri requested that a letter be sent to the Sheriff and the Treasurer Tax Collector, and maybe the BOS stating the seriousness of the illegal charter issue, and soliciting their support. He also stated that the County needs to be consistent in this matter.

Chair Rifkin requested that staff draft a letter for consideration and provide it at the next meeting.

Steve Penn replied affirmatively.

Item 6b – Parcel 43 New Dock Extension into Channel Update
Michael Tripp provided the report.

Bob Atkins, expressed concern about the issues surrounding the slip fee increases and the shortage of slips due to redevelopment.
Brian Cassier stated that the new dock extension into the channel will drastically affect teaching, yacht club student programs, and chartering companies, and the issue needs to be addressed.

Chair Rifkin requested a diagram showing how the new dock expansion compares to others. Michael Tripp replied that they will provide the diagram.

**Item 7a – Proposed Hull Cleaning Ordinance Update in Response to the Marina del Rey Toxics and Bacteria TMDLs**

Maral Tashjian presented the staff report.

Simon Landt stated that he has been working on TMDL since 2013, and stated that he has changed the types of paints he has been using in the marina to low copper or zero copper paint to try and help. He expressed concern about individuals who are diving alone, and the enforcement of the hull cleaning ordinance. He also suggested diving identification cards.

Bob Atkins spoke about the lack of alternative paints.

Ms. Delgado inquired about the certification process.

Maral Tashjian replied that the hull cleaners must attend a workshop, where they are trained in the Best Management Practices (BMPs) for hull cleaning.

Ms. Delgado inquired if it would be a one day workshop or a few hours, and stated that she just wants to make sure it is easily accessible to everyone.

Maral Tashjian stated that DBH staff will assist with hosting the first training workshop.

Ms. Delgado asked about the outreach for the creation of the implementation measures.

Maral Tashjian replied that the BMPs are going to be taught by an independent vendor and the California Coastal Commission has given guidance on BMPs. She further explained that enforcement will be carried out through the Harbor Master, and she suggested having the information included on the identification card. She added that they will be requiring every marina manager to track all the vessel service repair and maintenance persons entering their marinas and working on the boats. She also stated that the marina managers will have to provide records to DBH monthly.

Chair Rifkin announced that staff is not ready for an action on this item, which will return before the SCHC later. However, he asked what the legal framework was because he recalled that a year ago there were extensive hearings about the promulgated standards coming from the State of California (State), that the SCHC opposed. He also inquired if the proposed standards were a result of an agreement with the State.
Maral Tashjian replied that she was not aware of that. She stated that staff is going to send the ordinances to the California State Department of Boating and Waterways for their review. She further explained that once the State’s review is complete, staff will present it to the SCHC for endorsement and then to the BOS for approval.

Chair Rifkin asked about the TMDL hearings.

Michael Tripp replied that the Regional Water Quality Control Board did make changes to the TMDLs, which were approved by the State Water Board and the Environmental Protection Agency (EPA), they instructed DBH to reduce the amount of copper coming off the boat hulls by 85%. The ordinance is only one effort to reduce the amount of copper in the water.

**Item 7b – Boat Lift Program Update in Response to the Marina del Rey Toxics and Bacteria TMDLs**

Marie Waite provided the staff report.

Bob Atkins stated boat lifts are good ideas but they do require a lot of maintenance.

Mr. Alfieri asked about the cost of the boat lift.

Marie Waite replied that it depends on the type of boat lift and the size of the boat that the prices could be largely different.

Brenda Ponton added that a 25ft boat lift cost in the range of approximately $3,500-$10,000.

Chair Rifkin inquired about the cost after the grant fund runs out and how it might contribute to slip fees.

Brenda Ponton stated that when the program moves on to private anchorages, lessees may or may not pass boat lift costs on to boaters through increased slip fees. According to a boat-owner cost analysis, any increases in slip rents could likely be offset by reduced maintenance costs, as boat lifts reduce the frequency of hull cleaning and repainting. At the end of the boat lift program term, boat owners may potentially be able to purchase the boat lifts at a reduced cost from the lessee.

Chair Rifkin asked about the cut off time for the usage of the boat lift.

Brenda Ponton replied that under the grant, the boat lifts must be used for three years. She explained that after that point keeping the boat lifts in use will continue to contribute to copper reduction.

**Item 8 – Staff Reports**

Steve Penn provided the staff report.

Mr. Alfieri asked about the Anchorage 47 Slip Fee increases.
Steve Penn replied that staff will provide that information.

Mr. Alfieri asked if the BOS approved it.

Steve Penn replied affirmatively.

Mr. Alfieri requested to see the formula and then asked about Fisherman’s Village status.

Chair Rifkin replied that there has been no updates on Fisherman’s Village.

Steve Penn stated that the lessee must take initiative and further explained that the County has no enforcement mechanism to force the lessee to provide a new development as long as they carry out the terms of their current contract.

**Adjournment**

Vice Chair Rifkin adjourned the meeting at 11:46 a.m.

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

CONSENT TO: ASSIGNMENT OF LEASE NO. 12450
THE WAREHOUSE RESTAURANT
(PARCEL 133S AT 4499 ADMIRALTY WAY);
ASSIGNMENT OF LEASE NO. 25740 – COMMODORE CLUB
(PARCEL 134R AT 4519 ADMIRALTY WAY);
OPTION TO ASSIGN AND FUTURE ASSIGNMENT OF LEASE NO. 17567 –
CAFÉ DEL REY
(PARCEL 131S AT 4451 ADMIRALTY WAY)
MARINA DEL REY
(FOURTH DISTRICT) (4 VOTES)

SUBJECT

This Board letter requests your Board’s consent to the proposed assignment of Lease Agreement No. 12450 for Parcel 133S and Lease Agreement No. 25740 for Parcel 134R, and an option to assign and future assignment of Lease Agreement No.17567 for Parcel 131S, in Marina del Rey from THE COMMODORE CLUB INC., a California corporation and the current lessee for all three parcels, to CAH ACQUISITION CO., LLC, a California limited liability company and its permitted successors and assigns under the respective leasehold purchase and sale agreements between those two parties.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that the proposed actions are exempt from the California Environmental Quality Act (CEQA) because such actions do not constitute a project pursuant to Sections 15378(b)(5) of the CEQA Guidelines.

2. Consent to the proposed assignment of the Parcel 133S Lease to CAH Acquisition Co., LLC.

3. Consent to the proposed assignment of the Parcel 134R Lease to CAH Acquisition Co., LLC.
4. Consent to proposed option to assign and future assignment of Parcel 131S to CAH Acquisition Co., LLC.

5. Authorize the Director of Beaches and Harbors to execute any consents, estoppels, and related documentation necessary to effectuate the assignment of the Parcel 133S Lease.

6. Authorize the Director of Beaches and Harbors to execute any consents, estoppels, and related documentation necessary to effectuate the assignment of the Parcel 134R Lease.

7. Authorize the Director of Beaches and Harbors to execute and deliver documentation to evidence the future assignment of the leasehold to the Assignee (if consummated), and other ancillary documentation (including, without limitation, an estoppel certificate and consent to lease assignment) as required to facilitate the assignment of Parcel 131S.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Commodore Club, Inc., a California corporation, is currently the lessee (Lessee) for three parcels in Marina del Rey: Parcel 134R, the Commodore Club; Parcel 133S, the Warehouse Restaurant; and Parcel 131S, the Café Del Rey. Lessee is requesting County’s consent to assign its leasehold interests in Parcels 133S and 134R (Parcels) to CAH Acquisition Co., LLC, a California limited liability company, which will transfer ownership to an affiliated company, CAH Marina I, LLC, a California limited liability company) (collectively “Assignee”). Lessee is also requesting County’s consent to an option to assign and a future assignment of the Parcel 131S leasehold to Assignee, for a fixed price ($779,075) at a time subsequent to the transfer of Parcel 133R leasehold and prior to the expiration of the Parcel 133R lease, which is coterminous with the Parcel 131S lease. Pursuant to the terms of the lease agreements, the Lessee must obtain the County’s consent to the proposed assignments of the Lease Agreements, but such consent may not be unreasonably withheld.

Pursuant to that certain Department of Beaches and Harbors Policy Statement No. 23 – Assignments of Lease dated January 16, 1974, the County’s decision whether to approve the proposed assignments shall be based on the following: a) the financial condition of the proposed assignee; b) the price to be paid for the leasehold as it relates to improvements or potential development thereon; and c) the management of the leasehold by the proposed assignee being in the best interest of the whole Marina.

The Department of Beaches and Harbors has reviewed the proposed assignment and has found that: a) the Assignee is affiliated with a portfolio of companies holding over 2.5 million square feet of commercial space with a multi-billion dollar value, and that Rick Caruso, its principal owner, has a published net worth of $3.8 billion; and b) the
proposed sale prices of $779,075 for Parcel 131S, $820,325 for Parcel 134R, and $1,150,600 for Parcel 133S appear to be justified based on the present income generated by the current uses on the respective parcels; and (c) the proposed Assignee’s property management company, CARUSO MANAGEMENT COMPANY, LTD, A CALIFORNIA LIMITED PARTNERSHIP, has requisite experience in managing and operating well-known Los Angeles area upscale properties, such as The Americana at Brand, The Grove, and Waterside, Marina del Rey.

In the separate purchase/sale agreements for Parcels 133S and 134R, Assignee has agreed to pay the current lessee an additional $125,520 for Parcel 133S and an additional $89,490 for Parcel 134R, if Assignee is able to negotiate an extended lease term of over 35 years under the respective agreements. The aforementioned terms were negotiated between the current lessee and the Assignee without any discussion with, representations by, or approvals by the Department of Beaches and Harbors.

IMPLEMENTATION OF STRATEGIC PLAN GOALS

The recommended action will ensure the County maximizes use of County assets, guides strategic investments, and supports economic development in ways that are fiscally responsible and align with the County’s highest priority needs, all of which promote Strategic Plan Goal No. III.3.2 (Manage and Maximize County Assets).

FISCAL IMPACT/FINANCING

The proposed actions will have no direct fiscal impact on the County, as the proposed transfers do not trigger any contractual obligation for the Lessee to pay a participation or other fee to County.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The existing Lease Agreements for Parcels 133S, 134R, and 131S all commenced on August 1, 1962, and will expire July 31, 2022. The current improvements include restaurants on Parcels 133S and 131S and an office building on Parcel 134R. Parcels 133S and 134R are contiguous and have frontage on Admiralty Way and are located west of the Lloyd W. Taber Marina del Rey Library along Admiralty Way. Parcel 131S is located on Admiralty Way, east of, but not contiguous to, Parcels 133S and 134R. Department staff and County Counsel have reviewed the Lease Agreements and proposed option and assignments and have determined that the County has no reasonable basis on which to withhold its consent. No participation fee is due to the County under the terms of any of the involved Leases.

Entering into leases of the County’s Marina del Rey real property is authorized by Government Code sections 25907 and 25536, and the proposed assignment is permitted by the Lease.
At its meeting of July 12, 2017, the Small Craft Harbor Commission _______ the recommendation of the Director of the Department of Beaches and Harbors that your Board consent to the assignment of the leases for Parcel 133S and Parcel 134R and the option to assign and the future assignment of the lease for Parcel 131S.

ENVIRONMENTAL DOCUMENTATION

The proposed County consent actions are not a project pursuant to the California Environmental Quality Act (CEQA) because such consent is an activity that is excluded from the definition of a project by Section 15378(b)(5) of the CEQA Guidelines. The proposed consent is an administrative activity of government which will not result in direct or indirect physical changes to the environment.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

There is no impact on current services or projects.

CONCLUSION

It is recommended that your Board approve the proposed consents to assignment of the Parcel 133S and Parcel 134R Leases and the option to assign and future assignment of the Parcel 131S Lease.

Please instruct the Executive Officer of the Board to send an adopted-stamped copy of this letter to the Department of Beaches and Harbors, 13837 Fiji Way, Marina del Rey, CA 90292. Should you have any questions, please contact Phyllis Bordenave-Priestley at (424) 526-7739 or PBordenave-Priestley@bh.lacounty.gov.

Respectfully submitted,

REDEVELOPMENT PROJECT STATUS REPORT
The updated “Marina del Rey Redevelopment Projects Report” is attached.

DESIGN CONTROL BOARD MINUTES
The February, March, April, May, and June 2017 DCB meetings were cancelled due to lack of new business and lack of a quorum. On April 26, 2017, the DCB held a Special Meeting where they approved the final design for a new Marriott Hotel on Parcel 9 and a new sign for the Beachside Restaurant on Parcel 27. The January 2017 and April 2017 meeting minutes are pending approval.
MARINA DEL REY SLIP REPORT
In May 2017, the overall vacancy rate across all anchorages in Marina del Rey stood at 4.6%. Adjusted to remove out-of-service slips and 50% of available double slips, the vacancy rate within Marina del Rey stood at 4.0%. The vacancy data by anchorage and slip length are attached.

CALIFORNIA COASTAL COMMISSION SLIP REPORT
Pursuant to certain conditions of the Coastal Development Permit (5-11-131) issued by the California Coastal Commission, the County is required to maintain certain minimum thresholds of slip sizes as a percentage of the entire Marina. A report of the percentage of each size category as a percentage of all available slips in the Marina is attached.

FISHERMAN’S VILLAGE PROGRESS REPORT
Lessee has not responded to staff’s request for an update.

ILLEGAL BOAT CHARTER ENFORCEMENT
An update was provided with a presentation at the SCHC’s meeting on June 14, 2017.

LIST OF LEGAL BOAT CHARTERS
