

City of Los Angeles Department of Public Works

Venice Dual Force Main Project

Construction of a new 54-inch diameter force main sewer line to operate as a parallel system in conjunction with the existing sewer line. The project will increase capacity, create pipeline redundancy and allow for maintenance.

Construction Activities scheduled for September 2017 through Fall 2018

Traffic Control Change scheduled for September 2017 through Fall 2018

Overall Project Dates: Spring 2017 through Summer 2020

Work scheduled for September 2017 through Fall 2018	Traffic control change on Via Marina; site prep and fencing installation; sound wall installation; demolition of concrete and asphalt; equipment and material deliveries; jet grouting and secant pile drilling; excavation; micro-tunneling.
Where are the construction areas?	Activities will occur at the following locations: Via Marina at Marquesas Way to Via Marina at Via Marina Court
What time are crews scheduled to work?	Expected work hours are: City of Los Angeles: Mon – Fri, 8am – 5pm; Sat, 8am – 5pm
What can I expect?	Noise associated with heavy equipment and drilling; 80 foot tall drill rig; large excavator; construction traffic; large equipment deliveries and dump trucks; vibration due to concrete and asphalt demolition; excavation.
Is local access impacted?	Through traffic will be maintained for local traffic access at all times. Driveway access will be maintained for businesses and residents for deliveries and trash pickup.
Safety Measures (to protect the public and construction crew)	Appropriate traffic handling measures will be implemented to safely divert traffic through the construction zone. Safety barriers will be used in all construction areas.
Who can I contact for information?
