Amy Caves, County Counsel  
Cesar Espinosa, Planning Specialist  
Susana Espinosa, Project Manager  
Fernando Boiteux, Assistant Chief, Lifeguard Division, Los Angeles County Fire Department  
Jose Acosta, Enforcement Services Supervisor

**GUEST SPEAKERS**

None

**MEETING LOCATION**

Burton W. Chace Park Community Room

**1. CALL TO ORDER AND PLEDGE OF ALLEGIANCE**

Chair Jeff Duclos called the meeting to order at 9:45 a.m. and asked Commissioner Peter Olpe to lead everyone in the Pledge of Allegiance.

## **2. APPROVAL OF MINUTES**

Chair Duclos asked for approval of the September 26, 2018, minutes. Commissioner Margaret Levy requested the minutes be amended to note the Enforcement Unit presentation was postponed due to the unavailability of the speaker. Commissioner Levy also requested the minutes be amended to note Director Gary Jones' mention of touring the Venice Lifeguard Station with Supervisor Sheila Kuehl's staff.

*Note: The tour of the Venice Lifeguard Station was conducted; however, there is no mention of such a tour on the audio recording of the September meeting.*

Chair Duclos asked for approval of the amended minutes. Commissioner Levy so moved; the motion was seconded by Vice Chair Francine Oschin.

**The minutes were approved.**

**Ayes: 10 –Chair Jeff Duclos, Vice Chair Francine Oschin, Commissioners Erin Darling, Laura Emdee, Teresa Furey, Al Lay, Margaret Levy, Candace Nafissi, Peter Olpe, Anthea Raymond.**

## **3. ANNOUNCEMENTS**

There were no announcements.

## **4. OLD BUSINESS**

### **A. Measure W Endorsement**

Division Chief Carol Baker briefly reviewed County Measure W, the Los Angeles Region's Public Health and Safe, Clean Water Program, and noted that a draft news release had been prepared should the Commission choose to support the measure. Vice Chair Francine Oschin expressed her support of Measure W and moved that the Commission endorse the measure.

Commissioner Anthea Raymond seconded the motion.

Commissioner Laura Emdee requested the news release include the URL for the parcel tax assessment calculator. There was no opposition.

Chair Duclos asked for the Commission's vote to support Measure W.

**The vote was unanimous:**

**Ayes: 11 –Chair Duclos, Vice Chair Oschin, Commissioners Beutler, Darling, Emdee, Furey, Lay, Levy, Nafissi, Olpe, and Raymond.**

Ms. Baker said the website link would be added at the bottom of the news release, which would be distributed to Board offices and local news media.

## B. COMMISSION SPECIAL MEETING

Ms. Baker thanked the Commissioners who submitted suggestions for pro-bono facilitators for the meeting, and noted Lifeguard Chief Fernando Boiteux's offer of the Lifeguard Training Headquarters in Manhattan Beach as the meeting's location. She said once a facilitator is chosen, a February working lunch meeting will be scheduled in place of the month's regular Commission meeting.

Commissioner Raymond asked if it would be possible to meet in the Third District if the facilitator is from the Third District. Ms. Baker said a Third District location would be considered, but the Lifeguard Training Headquarters was reserved to ensure a facility would be available in February.

## 5. NEW BUSINESS

### ENFORCEMENT UNIT OVERVIEW

Ms. Baker introduced Enforcement Services Supervisor Jose Acosta, who spoke about Code Enforcement responsibilities and challenges on beaches owned and/or managed by Los Angeles County. Most code violations come from dogs on the beach, unpermitted vendors, unpermitted surf camps, unpermitted vessels, homeless activity and beach bonfires. A PowerPoint presentation accompanied his talk.

Commissioner Erin Darling asked if people built bonfires north of the permitted area at Dockweiler Beach. Mr. Acosta confirmed this and noted that the main concern is that people will injure themselves by stepping on hot embers the next morning.

Mr. Acosta reviewed citations and the price of code violations.

Commissioner Raymond asked how payment is enforced on code violations. Mr. Acosta said most people pay the fines, but outstanding debts are sent to collections.

Mr. Acosta talked about challenges of the pay-and-display parking systems. He said the Department is considering license plate recognition, pay-on-foot kiosks and the CitySight parking enforcement program to help save time. Another challenge Mr. Acosta noted is that code enforcement officers, unlike police officers, cannot demand identification or remove items or individuals by force from homeless camps.

Commissioner Emdee asked about County policy on vendors at the beach. Mr. Acosta said Los Angeles County Code 17.12.345 governs vending. When approached, unpermitted vendors are told how to get a permit. If the same vendor is encountered again without a permit, the vendor may be cited.

Ms. Baker said concessionaires in buildings at beaches have exclusive rights to operate, so there should be no competition from vendors selling the same products.

Commissioner Al Lay asked where the predominant share of dog problems are. Mr. Acosta said the main dog problems are from the jetty at Venice Beach north to Rose Avenue, as well as at Zuma Beach.

Commissioner Levy asked for a breakdown of the code violation citations that are not parking related. Mr. Acosta said more than 50% of citations are issued because of dogs on the beach. Vending citations are not as significant.

Commissioner Raymond, referencing information she received at a conference she recently attended, said the Department should consider applying for federal funding to help combat homelessness on the beaches.

Vice Chair Oschin asked how often people provide false information when they are cited. Mr. Acosta said most people cooperate. He said the Department's two new Code Enforcement Officer Trainees are learning how to better obtain the necessary information for citations.

Commissioner Levy said a member of the public at the September Commission meeting reported unpermitted surf camps operating in the parking lot adjacent to the Venice Pier. She asked which agency has jurisdiction over that parking lot. Mr. Acosta replied that the Department is in charge of enforcement in the Venice parking lots.

## **6. STAFF REPORTS**

### **A. ONGOING ACTIVITIES REPORT**

Ms. Baker submitted the written report.

### **B. BEACH AND MARINA DEL REY SPECIAL EVENTS**

Ms. Baker submitted the written report and highlighted the upcoming Marina Spooktacular event on October 27 and 28. She noted the correct dates for the Venice Oceanarium's reading of *Moby Dick* are November 17 and 18. Ms. Baker also said the Department is planning multiple events for the holidays.

### **C. BEACH PROJECTS REPORT**

Division Chief Kenneth Foreman submitted the written report. He said the Department will start building sand berms on November 5.

Regarding the Enforcement Unit presentation, Mr. Foreman clarified that a third party processes citations; citations that are determined to be uncollectable are referred back to the Department.

Mr. Foreman also reported that Point Dume was experiencing high surf, causing erosion. The beach maintenance crews built up the road with sand and continue to monitor the

roadway. An emergency permit for additional materials to shore up the road will be necessary if the erosion continues.

#### **D. LIFEGUARD REPORT**

Chief Fernando Boiteux gave an overview of the 2017 – 2018 Lifeguard statistics:

- 11,500 rescues in 2018, which is about a 10% increase from 2017
- 1,100 average missing children reunited in 2018, which is a slight increase from 2017
- Automatic defibrillator uses increased from 12 in 2017 to 14 in 2018
- Drownings increased from one in 2017 to three in 2018—one off Venice Pier, one off Santa Monica Pier, and one at Second Street in Hermosa Beach

#### **7. COMMISSIONER COMMENTS**

Commissioner Emdee recommended the Commission study sea level rise to prepare a public relations campaign about how projects may be affected by rising seas.

Planning Specialist Cesar Espinosa said a U.S. Geological Survey scientist is interested in presenting to the Commission in January about the latest scientific studies, projections, and adaptation strategies regarding sea level rise. Mr. Espinosa added that a Bay Foundation scientist who is working on an LACO pilot project for dune restoration at Zuma and Point Dume will be presenting sometime in the future.

Commissioner Levy requested staff contact the California Coastal Commission again to request a speaker for the Beach Commission. Chair Duclos said he has talked to Coastal Commission Executive Director Jack Ainsworth about rescheduling a presentation and will follow up with him. Chair Duclos also recommended Beach Commissioners reach out to anyone they may know at the Coastal Commission.

Commissioner Levy asked if the Manhattan Beach Lifeguard Headquarters should be reserved in preparation for the special Beach Commission meeting in February. Ms. Baker replied the facility has already been reserved. She said she hopes the meeting will be on the same date as the regular Commission meeting and asked the Commissioners to hold that date.

Commissioner Raymond suggested creating an informal advisory committee to help develop the agenda for the special meeting. Chair Duclos said the suggestion would be considered.

Ms. Baker informed the Commission of an upcoming presentation regarding trainings the Commissioners are required to take.

Commissioner Lay asked if dredged sand from Marina del Rey is used to replenish Manhattan Beach. Mr. Espinosa explained when the Marina entrance is dredged, the

material is generally placed at Dockweiler Beach, either on shore or near the shore. If the material is placed near shore, it eventually moves south to Manhattan Beach.

Chair Duclos said Hermosa Beach is having a "*La La Land* Day at the Beach" event on October 27. The event will feature live music and a screening of the movie *La La Land* on the beach.

#### **8. COMMUNICATION FROM THE PUBLIC**

There was no communication from the public.

The next Beach Commission Meeting is scheduled for November 28, 2018, at **BURTON CHACE PARK COMMUNITY ROOM** located at 13650 Mindanao Way, Marina del Rey, California, 90292.

#### **ADJOURNMENT**

Chair Duclos adjourned the meeting at 10:39 a.m.

Respectfully Submitted, Donalyn Anderson  
Commission Secretary

SUBJECT: ITEM 6C – BEACH PROJECTS REPORT

Item 6C on your agenda provides the Commission with a listing of the Department's beach projects that exceed \$50,000 and are being planned, designed, or are under construction.

#### SUPERVISORIAL DISTRICT 3

- Nicholas Canyon – Beach Bluff Stabilization Concept Design – cost \$110,000
- Zuma Beach – Renovate restrooms (#6 and #8) – estimated cost \$1,000,000
- Zuma Beach – Renovate restrooms (#2, #4, #5, and #7) – estimated cost \$1,000,000
- Zuma Beach – Install sewer liners – estimated cost \$82,000
- Zuma Beach – Repair to food concession buildings – estimated cost \$200,000
- Point Dume Beach – Replace restrooms (#1 and #3) – estimated cost \$1,000,000
- Malibu Surfrider – Renovate restroom – estimated cost \$179,000
- Topanga Beach – Replace view pier stairs – estimated cost \$125,000
- Venice Beach – Lifeguard Headquarters Feasibility Study - TBD

#### SUPERVISORIAL DISTRICT 4

- Dockweiler Beach – RV Water line replacement – estimated cost \$645,000
- Dockweiler Beach – RV Park expansion – estimated cost \$1,965,000
- Manhattan Beach Maintenance Yard - Structural Repairs – estimated cost \$1,364,000
- Redondo Beach (Topaz) – Renovate restroom – estimated cost \$275,000
- Torrance Beach (Burnout) – Renovate restroom – estimated cost \$250,000
- Torrance Lifeguard Station – Renovate restroom – estimated cost \$300,000
- White Point – Sewer Main Installation – estimated cost \$1,750,000

### **SUPERVISORIAL DISTRICT 3**

#### **Nicholas Canyon Beach Bluff Stabilization Concept Design – \$110,000**

The project includes development of a concept plan to remove the existing facilities at the end of Nicholas Canyon Beach, including the restrooms and septic system; picnic area adjacent to restrooms; and perform slope stabilization.

Status: The concept plan has been completed. Funding to develop construction design plans and begin construction is being sought.

#### **Zuma Beach Restrooms Renovation (#6 and #8) – \$1,000,000**

The scope of work includes repairing the damaged block; removing and installing a new tile roof; replacing the existing floor and wall tiles; installing new toilet and sink fixtures; and installing new partitions with benches and grab bars to comply with the Americans with Disabilities Act (ADA).

Status: Project is scheduled to begin winter 2019/20.

#### **Zuma Beach Restrooms Renovation (#2, #4, #5 and #7) – \$1,000,000**

The scope of work includes repairing the damaged block; removing and installing a new tile roof; replacing the existing floor and wall tiles; installing new toilet and sink fixtures; and installing new partitions with benches and grab bars to comply with ADA.

Status: Project is scheduled to begin winter 2019/20.

#### **Zuma Beach Sewer Liners Installation – \$82,000**

The scope includes installing liners in the sewage lines from restrooms #1 – #9 to the septic system.

Status: Project to be reviewed by the County's Chief Executive Office (CEO) for funding.

#### **Zuma Beach Repair To Food Concession Buildings – \$200,000**

This project is to replace three (3) metal roll-up window covers; swamp cooler equipment; and doors for two (2) food concession buildings.

Status: Project is scheduled to begin winter 2018/19.

#### **Point Dume Beach Restrooms Replacement (#1 and #3) – \$1,000,000**

The scope of work includes demolishing existing buildings; installing new prefabricated restrooms; and tie into existing utilities.

Status: Project is scheduled to begin winter 2019/20.

**Malibu Surfrider Restroom Renovation – \$179,000**

The scope includes replacing old plumbing fixtures with more efficient fixtures; replacing the partitions and benches; adding hand dryers; replacing the doors and tile; repairing the damaged sewer laterals; refinishing the floors; and painting the interior and exterior of the building. Compliance with ADA will be addressed during the construction.

Status: Project is scheduled to begin winter 2018/19.

**Topanga Beach View Pier Stairs Replacement – \$125,000**

The scope of work includes developing a set of plans; removing the existing stair structure; and installing a new one.

Status: Project is scheduled to begin by December 2018.

**Venice Beach Lifeguard Headquarters Feasibility Study – TBD**

Project involves development of feasibility study to determine the scope for the lifeguard tower and refurbishment of building.

Status: Project is currently on hold until funding is identified and secured.

**SUPERVISORIAL DISTRICT 4**

**Dockweiler RV Water Line Replacement – \$645,000**

The scope of work includes disconnecting and abandoning an existing water line and adding two new water mains and two new meters to service the RV Park.

Status: The County's Internal Services Department (ISD) is preparing the documentation required by the County's CEO staff, and the project is scheduled to begin winter 2019/20.

**Dockweiler RV Park Expansion – \$1,965,000**

Project includes expansion of RV Park to provide campervan campground spaces, including ADA accessibility.

Status: A hearing with the Coastal Commission will be set within the next four (4) months for the project's coastal development permit approval.

**Manhattan Beach Maintenance Yard Structural Repairs – \$1,364,000**

The scope of work includes structural repairs to the cracked and damaged masonry walls, concrete columns, beams, stairs, second floor deck, and structural framing of roof and exterior balcony. Deferred maintenance repairs include replacement of exterior roll-up doors, roof exhaust fans, and exterior security lighting fixtures.

Status: Construction is on schedule with completion expected in December 2018.

**Redondo Beach Restroom Renovation (Topaz) – \$275,000**

The scope of work includes repairing the block wall; removing and installing a new tile roof; replacing damaged fascia; replacing the existing floor and wall tiles; installing new toilet and sink fixtures; and installing new partitions with benches and grab bars to comply with the ADA.

Status: Project is scheduled to begin winter 2018/19.

**Torrance Beach Restroom Renovation (Burnout) – \$250,000**

The scope of work includes removing and installing a new tile roof; replacing vent grid; replacing the existing floor and wall tiles; installing new toilet and sink fixtures; and installing new partitions with benches and grab bars to comply with ADA.

Status: Project is scheduled to begin by December 2018.

**Torrance Lifeguard Station Restroom Renovation – \$300,000**

The scope of work includes repairing the damaged block wall; removing and installing a new tile roof; replacing the existing floor and wall tiles; installing new toilet and sink fixtures; and installing new partitions with benches and grab bars to comply with ADA.

Status: Project is scheduled to begin winter 2018/19.

**White Point Sewer Main Installation – \$1,750,000**

Installation of new sewer line and pump station for existing park restrooms.

Status: Construction documents are being developed with 100% design to be completed by January 2019.
