MEETING LOCATION

Burton W. Chace Park Community Room

1. CALL TO ORDER AND PLEDGE OF ALLEGIANCE

Chair Jeff Duclos called the meeting to order at 9:40 a.m. and asked Commissioner Margaret Levy to lead everyone in the Pledge of Allegiance.

2. APPROVAL OF MINUTES

Chair Duclos asked for approval of the October 24, 2018, minutes. Commissioner Al Lay noted the absence of Commissioner Rosi Dagit's name on the attendance for the October 24, 2018, meeting.

Note: Commissioner Dagit did not attend the October 24, 2018, meeting.

Chair Duclos asked for approval of the amended minutes. Commissioner Laura Emdee so moved; the motion was seconded by Commissioner Teresa Furey.

The minutes were approved.

Ayes: 12 –Chair Jeff Duclos, Vice Chair Francine Oschin, Commissioners Robert Bartlett, Laura Emdee, Teresa Furey, Keren M. Goldberg, Al Lay, Margaret Levy, Chris Liban, Peter Olpe, Scott Sachs, Bruce Saito.

3. ANNOUNCEMENTS

Chair Duclos announced the resignation of Commissioner Leslie Cortez from the Beach Commission.

Commissioner Cris Liban said he recently attended a meeting in Sacramento with the California Department of Natural Resources Agency. One topic of discussion was how to safeguard California's infrastructure against climate change. Commissioner Liban said he would like to invite the meeting's facilitators to present to the Commission with recommendations regarding sea level rise and infrastructure on the beaches.

Planning Specialist Cesar Espinosa said he attended the California Adaptation Forum Conference in Sacramento, where participants discussed the expected impacts of climate change. He said there will be two future Beach Commission presentations about to the latest scientific information and projections for the next 50 to 100 years, as well as how the County will adapt for short- and long-term impacts.

4. OLD BUSINESS

A. MEASURE W UPDATE

Community and Marketing Services Division Chief Carol Baker announced that County Measure W—the Los Angeles Region's Public Health and Safe, Clean Water Program—passed with more than 69 percent of the vote. Homeowners will see the program on their October 2019 property tax bills, and funds will be available in 2020. A representative of the Department of Public Works will present an update at a future Commission meeting.

B. CAN THE TRASH! POSTER CONTEST UPDATE

Project Manager Susana Espinosa used a PowerPoint presentation to provide an update on the *Can the Trash!* Clean Beach Poster Contest.

Commissioner Keren Goldberg suggested extending the contest deadline and contacting the Arts Commission to help with programming in schools. Ms. Espinosa said an extension has been considered, and she is working to establish more connections within the Arts Commission.

Ms. Baker thanked Commissioner Teresa Furey and others who helped distribute contest materials to schools.

Commissioner Scott Sachs asked if nonprofit organizations were contacted. Ms. Espinosa said she had communicated with many nonprofit organizations. Ms. Baker said Heal the Bay is a partner in the program and hopes they will be going to schools soon.

Chief Deputy Director Kerry Silverstrom said the program will grow. She said she is ecstatic about the work Ms. Baker and Ms. Espinosa have done.

Commissioner Laura Emdee suggested displaying the message "*Would you like to see your picture on here?*" with the website address on the barrels to encourage participation.

Commissioner Anthea Raymond asked if geographic distribution for entries was being tracked. Ms. Baker replied that they have received entries from several districts.

Commissioner Sachs asked if the Ocean Heroes activity guides would be distributed at the Snow Wonder event. Ms. Espinosa said they would be available.

Commissioner Margaret Levy asked if the Santa Monica Pier Aquarium is promoting the contest. Ms. Espinosa said as part of the partnership with Heal the Bay, the activity guides are available at the aquarium for children to take home.

Commissioner Al Lay asked if the newly reopened Manhattan Beach Roundhouse Aquarium is participating. Ms. Baker replied they haven't yet had a chance to reach out. She said the outreach strategy focused first on mass media, then on organizations.

C. COMMISSION SPECIAL MEETING UPDATE

This item was moved to New Business as Item 5Ca.

5. NEW BUSINESS

A. WOOLSEY FIRE RESPONSE

Ms. Baker and Operational Services Division Chief Kenneth Foreman showed a PowerPoint presentation about the Woolsey Fire. Mr. Foreman talked about the Department's response to the fire. There was fire damage to County structures; loss of electricity; and loss of cellphone and regular telephone service. After the fire, staff filled thousands of sandbags for the public in anticipation of upcoming storms. Mr. Foreman said staff went above and beyond to work as a team throughout the fire and recovery.

Ms. Baker added that Public Information Officer (PIO) Nicole Mooradian gave several interviews to news agencies to keep the public apprised of the Department's actions to help people in the Malibu area.

Ms. Silverstrom explained that Deputy Director John Kelly has been enlisted by the County and the Department of Public Works (DPW) to lead the recovery effort in Malibu. She also said how proud she is of Mr. Foreman and his staff, the Safety Officer, and all staff involved with the Department-wide efforts with the fire and recovery.

Chair Duclos asked if the sandbagging efforts were continuing in anticipation of the upcoming storms and high surf. Mr. Foreman said sandbags and truckloads of sand were still being distributed to the public.

Los Angeles County Fire Department Lifeguard Division Assistant Chief Fernando Boiteux said mud and debris flow will be a threat in the Malibu area for the next five years. He also said more than 50 lifeguards, including PIOs, worked throughout the Malibu area to support the evacuating community.

Ms. Silverstrom said Ms. Baker and Ms. Mooradian each spent a day at the County's Emergency Operations Center to assist with Countywide messaging about the fire.

Commissioner Sachs expressed concerns regarding potential devastating debris flows into the ocean. Chief Boiteux said DPW was currently assessing every area of Malibu for mud and debris flow.

Commissioner Goldberg said she was impressed with everyone's efforts and felt proud to be on the Beach Commission. She recommended that Commissioners send a message to their Supervisors complimenting the staff's hard work.

Commissioner Robert Bartlett applauded the work of Lifeguard Division paramedics and EMTs during the fire.

Vice Chair Francine Oschin called the staff's efforts "extraordinary." She asked which camps were lost in the fire. Ms. Silverstrom said the information was not yet available, though she was aware of several Jewish Summer Camps that were lost.

B. COMMISSIONER TRAINING

Ms. Baker introduced Staff Development Specialist Loi Sherman, who discussed mandatory training sessions for Beach Commissioners:

- County Policy of Equity
- Cultural Diversity Awareness Training for Commissioners
- AB1234 Ethics
- Sexual Harassment Prevention Training for Commissioners

All Commissioners are required to complete the training sessions, even if Commissioners had already completed them as part of a requirement for other employment, with the exception of the Ethics course. Training sessions will begin in the new year. Secretary Donalyn Anderson will be the Commission's contact.

Commissioner Levy asked if the in-person training sessions would cover more than one subject matter at a time. Ms. Sherman said the sessions will occur on different dates.

Ms. Silverstrom asked Ms. Sherman to inquire if the Department of Human Resources will conduct the same training sessions in the downtown Los Angeles area.

C. COMMISSION NOMINATION COMMITTEE

Ms. Baker requested volunteers from the Third and Fourth districts to nominate a Vice Chair from the Fourth District for the Beach Commission's 2019 calendar year, as current Vice Chair Oschin will ascend to the Chair position in January 2019. Commissioners Raymond, Peter Olpe, Sachs, Bartlett and Liban volunteered to be on the committee. Ms. Baker said a conference call would be arranged to discuss nominations.

Ca. COMMISSION SPECIAL MEETING UPDATE

Ms. Baker said UCLA Sustainability Officer Nurit Katz has agreed to facilitate the Commission's special meeting in February. Ms. Baker thanked Commissioner Raymond for recommending Ms. Katz. The special meeting will take place at the Lifeguard Training Center in Manhattan Beach on February 27, 2018. Ms. Baker asked Commissioners to raise their hand if they would be available for an extended meeting on that date. A majority of Commissioners raised their hands.

6. STAFF REPORTS

A. ONGOING ACTIVITIES REPORT

Ms. Baker submitted the written report. She noted that due to the Woolsey Fire, some smaller events and filming had to be rescheduled or canceled.

B. BEACH AND MARINA DEL REY SPECIAL EVENTS

Ms. Baker submitted the written report and highlighted the upcoming Winter Wonderland event on December 15, 2018, at Dockweiler State Beach, as well as multiple events in Marina del Rey.

C. BEACH PROJECTS REPORT

Division Chief Kenneth Foreman submitted the written report. He said the Department will have to revisit the Nicholas Canyon Beach Bluff Stabilization Concept Design because the bluff and some structures were affected by the fire. Some projects start dates may need to be delayed.

Ms. Silverstrom said since a Disaster Declaration was issued, the Department must document staff overtime, supplies and property loss. The State will issue grants to replace property and reimburse overtime costs.

Commissioner Bartlett asked if the jobs will be sent out for bid. Ms. Silverstrom replied that some projects will be done by the Internal Services Department, which may open a competitive process for emergency contractors.

Commissioner Liban asked what engineering practices would avoid widespread destruction during future fires. Ms. Silverstrom said General Plan requirements have been updated over the years to reflect newer standards.

Commissioner Bartlett asked if the Department would need to pull permits to build any major structures and said there may be a delay if the County and cities reevaluate building codes. Ms. Silverstrom replied that DBH has to pull permits with DPW, which regularly updates its codes to comply with new State and County standards.

Commissioner Sachs asked if the Department is having issues with insurance claims for damaged structures. Ms. Silverstrom said that to her recollection, none of the Department's facilities are insured because the Department can cover the replacement cost internally.

D. LIFEGUARD REPORT

Chief Fernando Boiteux submitted the staff report. He said that due to storm activity, additional staff was added to assist firefighters with mud and debris flow in the Malibu area. One drowning was reported in Santa Monica in October; law enforcement personnel determined it was a suicide.

Commissioner Levy asked for clarification regarding 2017-2018 beach attendance reports for the months of September and October. Chief Boiteux said the reduced attendance was probably related to the weather being cooler, but would research the information and update the Commission in January.

Commissioner Goldberg asked about trends between the two years. Chief Boiteux said the weather in 2018 was cooler than in 2017, and there was an increase of motorized scooter activity at the beaches, especially in Venice and Santa Monica.

7. COMMISSIONER COMMENTS

Commissioner Bartlett thanked the Department for widening the White Point/Royal Palm

road and asked about the installation of speed bumps. Mr. Foreman said Supervisor Janice Hahn visited the site to look at areas that need improvement. He will provide information on the speed bumps when he has been updated.

Commissioner Lay asked if the Lifeguard boats were involved in the Woolsey Fire response. Chief Boiteux answered in the affirmative.

Commissioner Jonathan Beutler asked if the County has taken a position on dockless, motorized scooters. Ms. Silverstrom said the Department of Regional Planning is working with various County departments to study the issue at the direction of the Board of Supervisors. Additionally, the Department has established its own task force.

Commissioner Bartlett asked if speed limits for the scooters could be included in any future agreements. Ms. Silverstrom said it's possible, but regulatory agreements must be carefully considered.

Commissioner Sachs said some cities have agreements with scooter companies to retrieve excess scooters left at certain venues. Ms. Baker said the Department has worked with Bird to manage the number of scooters dropped off during events.

Commissioner Levy asked about Supervisor Kathryn Barger's motion regarding motorized scooters. Ms. Silverstrom explained that the Board requested the County take a lead role in building a regional approach to the issue of scooters on bike paths.

Commissioner Raymond requested information regarding temporary rent control in Marina del Rey and an update on the community outreach program for Gladstones.

Chair Duclos recommended adding an item regarding motorized scooters and bicycles to an upcoming agenda.

8. COMMUNICATION FROM THE PUBLIC

There was no communication from the public.

The next Beach Commission Meeting is scheduled for January 23, 2019, at **BURTON CHACE PARK COMMUNITY ROOM** located at **13650 Mindanao Way, Marina del Rey, California, 90292.**

ADJOURNMENT

Chair Duclos adjourned the meeting at 11:22 a.m.

Respectfully Submitted, Donalyn Anderson
Commission Secretary

Carol R
SUBJECT: **ITEM 5A – MALIBU LIVING SHORELINE PROJECT**

The Malibu Living Shoreline Project aims to design and implement dune restoration and monitoring at Zuma and Point Dume County Beaches. The proposed project will restore three acres of sandy beach and dune habitat to increase the resiliency of the shoreline; implement "soft-scape" protection measures against sea level rise and coastal storms; and increase community engagement through enhanced beach experiences, outreach, and education.

Speaker: Melodie Grubbs, Director of Watershed Programs, The Bay Foundation

Melodie Grubbs is the Director of Watershed Programs at The Bay Foundation (TBF). Ms. Grubbs has more than 10 years of experience in coastal habitat restoration in southern and central California. She is an integral component of TBF, serving on the Management Team and several Committees, as well as directing multiple grants for restoration work in dunes, beaches, and wetlands. Ms. Grubbs develops, manages, and implements projects to implement the Santa Monica Bay National Estuary Programs Action Plan, which strives to clean up waterways and create healthy habitats in the Los Angeles region.

BOARD ACTIONS ON ITEMS RELATING TO BEACHES

On December 11, 2018, the Board approved proposed amendments to County Code, Title 2 - Administration, as reflected in a draft ordinance, to continue the Director of Beaches and Harbors' delegated authority to lease, sublease, license or permit harbors and beaches that are controlled or managed by the Department of Beaches and Harbors; instruct County Counsel to prepare a final ordinance and submit it to the Board for its consideration; and find that the proposed actions are exempt from the California Environmental Quality Act.

On January 8, 2019, the Board reduced the administration fee to \$100 and waived the \$1,200 gross receipts fee at the Manhattan Beach Pier, excluding the cost of liability insurance, for the Scholastic Surf Series Surf Competition on January 12 and 13, 2019.

SUBJECT: ITEM 6C – BEACH PROJECTS REPORT

Item 6C on your agenda provides the Commission with a listing of the Department's beach projects that exceed \$50,000 and are being planned, designed, or are under construction.

SUPERVISORIAL DISTRICT 3

- Nicholas Canyon – Beach Bluff Stabilization Concept Design – cost \$110,000
- Zuma Beach – Renovate restrooms (#6 and #8) – estimated cost \$1,000,000
- Zuma Beach – Renovate restrooms (#2, #4, #5, and #7) – estimated cost \$1,000,000
- Zuma Beach – Install sewer liners – estimated cost \$82,000
- Zuma Beach – Repair to food concession buildings – estimated cost \$200,000
- Point Dume Beach – Replace restrooms (#1 and #3) – estimated cost \$1,000,000
- Malibu Surfrider – Renovate restroom – estimated cost \$179,000
- Topanga Beach – Replace view pier stairs – estimated cost \$125,000
- Venice Beach – Lifeguard Headquarters Feasibility Study - TBD

SUPERVISORIAL DISTRICT 4

- Dockweiler Beach – RV Water line replacement – estimated cost \$645,000
- Dockweiler Beach – RV Park expansion – estimated cost \$1,965,000
- Manhattan Beach Maintenance Yard - Structural Repairs – estimated cost \$1,364,000
- Redondo Beach (Topaz) – Renovate restroom – estimated cost \$275,000
- Torrance Beach (Burnout) – Renovate restroom – estimated cost \$250,000
- Torrance Lifeguard Station – Renovate restroom – estimated cost \$300,000
- White Point – Sewer Main Installation – estimated cost \$1,750,000

SUPERVISORIAL DISTRICT 3

Nicholas Canyon Beach Bluff Stabilization Concept Design – \$110,000

The project includes development of a concept plan to remove the existing facilities at the end of Nicholas Canyon Beach, including the restrooms and septic system; picnic area adjacent to restrooms; and perform slope stabilization.

Status: The concept plan has been completed. Funding to develop construction design plans and begin construction is being sought.

Zuma Beach Restrooms Renovation (#6 and #8) – \$1,000,000

The scope of work includes repairing the damaged block; removing and installing a new tile roof; replacing the existing floor and wall tiles; installing new toilet and sink fixtures; and installing new partitions with benches and grab bars to comply with the Americans with Disabilities Act (ADA).

Status: Project is scheduled to begin winter 2019/20.

Zuma Beach Restrooms Renovation (#2, #4, #5 and #7) – \$1,000,000

The scope of work includes repairing the damaged block; removing and installing a new tile roof; replacing the existing floor and wall tiles; installing new toilet and sink fixtures; and installing new partitions with benches and grab bars to comply with ADA.

Status: Project is scheduled to begin winter 2019/20.

Zuma Beach Sewer Liners Installation – \$82,000

The scope includes installing liners in the sewage lines from restrooms #1 – #9 to the septic system.

Status: Project to be reviewed by the County's Chief Executive Office (CEO) for funding.

Zuma Beach Repair To Food Concession Buildings – \$200,000

This project is to replace three (3) metal roll-up window covers; swamp cooler equipment; and doors for two (2) food concession buildings.

Status: Project is scheduled to begin spring 2019.

Point Dume Beach Restrooms Replacement (#1 and #3) – \$1,000,000

The scope of work includes demolishing existing buildings; installing new prefabricated restrooms; and tie into existing utilities.

Status: Project is scheduled to begin winter 2019/20.

Malibu Surfrider Restroom Renovation – \$179,000

The scope includes replacing old plumbing fixtures with more efficient fixtures; replacing the partitions and benches; adding hand dryers; replacing the doors and tile; repairing the damaged sewer laterals; refinishing the floors; and painting the interior and exterior of the building. Compliance with ADA will be addressed during the construction.

Status: Project is scheduled to begin fall 2019.

Topanga Beach View Pier Stairs Replacement – \$125,000

The scope of work includes developing a set of plans; removing the existing stair structure; and installing a new one.

Status: Project is scheduled to begin spring 2019.

Venice Beach Lifeguard Headquarters Feasibility Study – TBD

Project involves development of feasibility study to determine the scope for the lifeguard tower and refurbishment of building.

Status: Project is currently on hold until funding is identified and secured.

SUPERVISORIAL DISTRICT 4

Dockweiler RV Water Line Replacement – \$645,000

The scope of work includes disconnecting and abandoning an existing water line and adding two new water mains and two new meters to service the RV Park.

Status: The County's Internal Services Department (ISD) is preparing the documentation required by the County's CEO staff, and the project is scheduled to begin winter 2019.

Dockweiler RV Park Expansion – \$1,965,000

Project includes expansion of RV Park to provide campervan campground spaces, including ADA accessibility.

Status: A hearing with the Coastal Commission will be set within the next few months for the project's coastal development permit approval.

Manhattan Beach Maintenance Yard Structural Repairs – \$1,364,000

The scope of work includes structural repairs to the cracked and damaged masonry walls, concrete columns, beams, stairs, second floor deck, and structural framing of roof and exterior balcony. Deferred maintenance repairs include replacement of exterior roll-up doors, roof exhaust fans, and exterior security lighting fixtures.

Status: Construction is on schedule with completion expected in February 2019.

Redondo Beach Restroom Renovation (Topaz) – \$275,000

The scope of work includes repairing the block wall; removing and installing a new tile roof; replacing damaged fascia; replacing the existing floor and wall tiles; installing new toilet and sink fixtures; and installing new partitions with benches and grab bars to comply with the ADA.

Status: Project is scheduled to begin late January 2019.

Torrance Beach Restroom Renovation (Burnout) – \$250,000

The scope of work includes removing and installing a new tile roof; replacing vent grid; replacing the existing floor and wall tiles; installing new toilet and sink fixtures; and installing new partitions with benches and grab bars to comply with ADA.

Status: Project is scheduled to begin by March 2019.

Torrance Lifeguard Station Restroom Renovation – \$300,000

The scope of work includes repairing the damaged block wall; removing and installing a new tile roof; replacing the existing floor and wall tiles; installing new toilet and sink fixtures; and installing new partitions with benches and grab bars to comply with ADA.

Status: Project is scheduled to be completed February 2019

White Point Sewer Main Installation – \$1,750,000

Installation of new sewer line and pump station for existing park restrooms.

Status: Construction documents are being developed with 100% design to be completed by February 2019. The regulatory permits application is under review with the City of Los Angeles.
