1. CALL TO ORDER AND PLEDGE OF ALLEGIANCE

Chair Francine Oschin called the meeting to order at 9:35 a.m. and asked Commissioner Kurt Weideman to lead everyone in the Pledge of Allegiance.

2. APPROVAL OF MINUTES

Chair Oschin asked for approval of the March 27, 2019, minutes. Commissioner Margaret Levy noted that it was she who asked about the fee waiver for August 24, 2019, not Commissioner Rosi Dagit. Commissioner Levy also noted that the date for the next meeting was listed as May 22, 2019, instead of April 24, 2019. Chair Oschin asked for approval of the amended minutes. Commissioner Dagit so moved; the motion was seconded by Commissioner Cris Liban.

The minutes were approved.

Ayes: 13 – Chair Francine Oschin, Commissioners Rosi Dagit, Erin Darling, Jeff Duclos, Teresa Furey, Keren M. Goldberg, Al Lay, Margaret Levy, Cris B. Liban, Candace Nafissi, Peter R. Olpe, Anthea Raymond, Scott Sachs, Kurt Weideman

3. ANNOUNCEMENTS

Chair Oschin introduced Commissioner Weideman, who was appointed to in March. Commissioner Weideman, who was appointed by Supervisor Janice Hahn, is a retired aerospace executive and involved with many nonprofit organizations in the South Bay. He also said he lives in Torrance and is a former Torrance city councilman.

Division Chief Carol Baker thanked Commissioners who attended the County Policy of Equity and Sexual Harassment Prevention Training. She said those who could not attend would be contacted in June about another opportunity. Ms. Baker asked the Commissioners who had parking receipts from the training to submit them for reimbursement.

Ms. Baker also asked Commissioners to make sure to RSVP for Commission meetings. In the past, Commissioners who did not RSVP and were not at meetings had their absences excused; going forward, those who do not attend and do not RSVP will have their absences marked unexcused.

4. OLD BUSINESS

A. ENVIRONMENTAL EDUCATION PROGRAM *CAN THE TRASH! CLEAN BEACH* POSTER CONTEST WINNERS

Ms. Baker said Kids Earth Day was celebrated at Dockweiler Youth Center and thanked Commissioner Peter Olpe for attending. She said the winners of the contest will be honored at the Los Angeles County Board of Supervisors meeting on Tuesday, April 30,

2019. Ms. Baker introduced Susana Espinosa, Project Manager. Ms. Espinosa's PowerPoint presentation highlighted Kids Earth Day and the *Can The Trash!* Clean Beach Poster Contest results. She reminded the Commission that the contest is ongoing. She also said the Department will once again host a family friendly site for Coastal Cleanup Day in September.

5. NEW BUSINESS

A. BEACH FEES PACKAGE, LOS ANGELES REGION

Revenue and Systems Development Section Head Elayne Doucette summarized the new Beach Fees Package and requested the Commission's endorsement for the draft Board letter, which combines fees for Marina del Rey and County-owned beaches. She said the Commission's comments would be included in the final version of the letter.

Chair Oschin commented that the camping and parking fee increases seem appropriate and reasonable.

Commissioner Candace Nafissi asked for an explanation of the parking fee increase at Torrance Beach. Ms. Doucette said the current summer fee for parking at Torrance Beach is \$7, which will incrementally increase by \$1 per year. The maximum fee for parking will be \$10 in the summer and \$8 in the winter. She said the fee increases are consistent with other parking lots.

Commissioner Cris Liban asked how the Department planned to use the estimated \$873,000 increase in revenue. Ms. Doucette said the majority of the revenue would be used to fund additional positions and offset operational costs at the beaches.

Director Gary Jones discussed the new fees related to the planned Dockweiler RV Park expansion. He said the budget submitted to the Chief Executive Office (CEO) included additional positions with an explanation of the fees charged and increased cost of services. Mr. Jones also said the request for the additional positions has been deferred.

Commissioner Liban asked if the additional revenues will be deposited in the General Fund until the positions are authorized by CEO. Mr. Jones said yes, the monies flow into the General Fund until the positions are approved.

Commissioner Levy asked how the Department determined the proposed increase in security deposit. Ms. Doucette explained the Department is asking to increase the deposit to \$500 because of prior incidents where the security deposit did not cover the cost of damage. She said the deposit amount is based on the type of function and size of the group, and will be refunded. Commissioner Levy asked if survey information supports the comparisons to other facilities. Ms. Doucette said the survey shows room fees are consistent with those of other public and private facilities.

Commissioner Anthea Raymond asked if the revenue from facility rentals is deposited into the General Fund and then returned to the Department's budget. Mr. Jones said the majority of revenues the Department collects goes to the General Fund. Commissioner Raymond asked for information on the \$150 annual pass. Ms. Doucette said the parking pass cost \$100 when the fee increase was presented to the Board in 2014, and the Board allowed an increase of \$10 annually for five years. She added that since the pass costs \$150 now, a fee increase will be presented to the Board.

Commissioner Rosi Dagit asked how fees are negotiated with the Coastal Commission. Ms. Doucette said after the Board approves the parking fees, they are presented to the Coastal Commission. After the Coastal Commission approves the fee increases, they will go into effect.

Chair Oschin requested a motion to endorse the Beach Fees Package scheduled to be presented at the Board meeting on May 28, 2019. Commissioner Liban so moved; the motion was seconded by Commissioner Keren Goldberg.

The motion to endorse the Beach Fees Package was unanimously approved.

Ayes: 14 –Chair Oschin, Vice Chair Laura Emdee, Commissioners Dagit, Darling, Duclos, Furey, Goldberg, Lay, Levy, Liban, Nafissi, Olpe, Raymond, Sachs, Weideman.

6. STAFF REPORTS

A. ONGOING ACTIVITIES REPORT

Mr. Jones submitted the written report. He said the Board has instructed the Director of the Department of Public Works (DPW) to report back on Roundup weed killer use throughout the County. The Department has been included in the collection of the data. Mr. Jones also said Supervisor Hahn has requested DPW report back on the viability of an inner harbor waterwheel that would collect trash deposited by Ballona Creek.

Commissioner Erin Darling asked for a description of a waterwheel. Mr. Jones said a waterwheel is placed in a fixed location within a water channel. As it turns, it collects trash and other debris and deposits them into a bin for removal.

Mr. Jones reported the Board adopted an updated anti-smoking ordinance that prohibits smoking (cigarettes, marijuana and vaping) at County facilities, parking lots and in vehicles.

B. BEACH AND MARINA DEL REY SPECIAL EVENTS

Ms. Baker submitted the written report and highlighted the two-day ARTsea event at Marina "Mother's" Beach on May 18 and 19, 2019. She also noted the Summer Concert

Series, Discover Marina del Rey, Beach Eats, and the movies at Dockweiler Youth Center (DYC) and also at Burton Chace Park. Ms. Baker said the Yoga instructor at the DYC was honored as the Department's Volunteer of the Year.

C. BEACH PROJECTS REPORT

Division Chief Kenneth Foreman submitted the written report. He said two projects would be completed by the end of April, and the concession building project at Zuma Beach would be completed at the end of May. He noted most repair and construction projects will be on hold during the summer months. He said the Department is having a difficult time adding additional beach maintenance staff for the summer.

Commissioner Raymond asked if seasonal staff is hired for summer. Mr. Foreman said usually 30 people are hired for the summer months, but only eight have been hired this season.

Commissioner Liban asked if a future Beach Commission agenda topic could include how the Department will operationalize the Chief Sustainability Office's vision. Mr. Jones said the Department has been closely involved with the Sustainability Office and provided input on the draft Sustainability Plan. He said the topic would be a good idea for a Beach Commission meeting as implementing the plan will affect the Department's operations.

D. LIFEGUARD REPORT

Chief Boiteux submitted the report and said preparations for summer have started. He reported the drowning of a 27-year-old male tourist from Ireland in Santa Monica in early March. He also said the rescue of six people took place at Dockweiler Beach. Chief Boiteux announced the May Lifeguard Training Academy has 62 new trainees, and the Lifeguards will celebrate their 25-year anniversary with the Los Angeles County Fire Department on July 1, 2019. Commissioner Goldberg asked if cold water warnings are issued to beachgoers. Chief Boiteux said safety warnings and surf and weather conditions are posted on social media as well as at the Lifeguard towers along the beach.

7. COMMISSIONER COMMENTS

Commissioner Goldberg asked if any of last month's discussions included the topic of government's handling of requests to build close to the shoreline. Ms. Baker replied she didn't think that topic was discussed. The discussion was more focused on planned Los Angeles County projects that would reduce the impact of anticipated sea level rise.

Commissioner Al Lay announced the Annual Earth Day/Surf Day to be held April 27, 2019, in Hermosa Beach. He noted he would be attending a Sea Level Rise Town Hall held at Hermosa Valley School at 10:00 a.m. Chair Oschin asked him to report back to the Commission.

Vice Chair Emdee announced the first Beach Life Festival would be held at Seaside Lagoon in Redondo Beach the weekend of May 3 – 5, 2019. She said the main headliners would be Bob Weir on Friday, Brian Wilson on Saturday, and Willie Nelson on Sunday.

Commissioner Jeff Duclos noted that the festival would be a family-friendly event and would have shuttles between Beach Cities. Vice Chair Emdee also added that parking for 30,000 bicycles would be provided.

Mr. Jones asked for how many years the festival had been planned. Vice Chair Emdee replied that preparations took about eight months. Commissioner Duclos said the event's producer owns Saint Rocke in Hermosa Beach.

Commissioner Levy asked for information about an incident on Venice Beach when a Los Angeles Police Department car accidentally ran over a sunbather on the beach. Chief Boiteux said it happened on Sunday, April 21, 2019, in the back area of the beach.

Commissioner Raymond said she would like to arrange a Los Angeles River trip for the winners of the *Can The Trash!* contest.

Chair Oschin reminded the Commissioners to RSVP for Commission meetings. She also noted that Commissioners who did not yet attend the mandated Diversity Sensitivity Training will need to later in the year.
