MEETING LOCATION

Burton W. Chace Park Community Room

1. CALL TO ORDER AND PLEDGE OF ALLEGIANCE

Vice Chair Laura Emdee called the meeting to order at 9:40 a.m. and led everyone in the Pledge of Allegiance.

2. APPROVAL OF MINUTES

Vice Chair Emdee asked for approval of the April 24, 2019 minutes. Commissioner Kurt Weideman so moved; the motion was seconded by Commissioner Cris Liban.

The minutes were approved.

Ayes: 11. Vice Chair Laura Emdee, Commissioners Rosi Dagit, Jonathan Beutler, Kathryn Campbell, Rosie Dagit, Teresa Furey, Keren M. Goldberg, Al Lay, Cris B. Liban, Peter R. Olpe, Kurt Weideman

3. ANNOUNCEMENTS

Division Chief Carol Baker announced the County of Los Angeles Quality and Productivity Commission's 17th Annual Leadership Conference, scheduled for June 5, 2019. She said three Commissioners would be able to attend the conference on a first-come, first-served basis. Ms. Baker also noted the *Can the Trash!* Clean Beach Poster Contest winners were acknowledged at the Los Angeles County Board of Supervisors (Board) meeting, and thanked Chair Francine Oschin and Commissioners Al Lay, Teresa Furey and Anthea Raymond for attending.

Vice Chair Emdee reported that the Beach Life Festival in Redondo Beach was a success.

Commissioner Lay said the festival's music sounded great and the production of the event impressed him. He also said the Earth Day/Surf Day event in Hermosa Beach and Sea Level Rise presentation were wonderful.

4. OLD BUSINESS

A. MEASURE W UPDATE

Ms. Baker introduced Pamela Manning, Chief, Fleet Management, County of Los Angeles Department of Public Works. Ms. Manning provided the Commissioners with a handout about the Safe, Clean Water Program (Measure W). Ms. Manning said Measure W is a 2½ cent tax per square foot of impermeable area property tax, which would generate approximately \$300 million per year. The funds from the tax would be disbursed to the Los Angeles County Flood Control District Fund (10%), Municipal Fund (40%), and Regional Fund (50%). She also talked about the implementation timeline of the program.

Commissioner Cris Liban asked if a transportation project currently in the planning stage would be eligible to use funds to install landscaping on the project. Ms. Manning said yes, municipal or regional revenues could be used on landscaping as long as it is a water quality project.

Ms. Manning said educational programs could be funded from the 10% and 40% funds.

Commissioner Keren Goldberg suggested contacting the Los Angeles County Board of Education and Los Angeles County Office of Education to request water education programs be included in local school curriculums.

Commissioner Rosi Dagit asked if the Los Angeles County Department of Beaches and Harbors (Department) has a wish list for Measure W funds. Director Gary Jones said the Department has a wish list, but it is not specific to Measure W funds, noting the Department has access to other funding sources.

5. NEW BUSINESS

A. DEPARTMENT FY 19-20 BUDGET REQUEST

Director Jones said the Fiscal Year 2018-19 budget for the Department allowed just under \$68 million and was projected to produce \$71.2 million. To prepare the budget for FY 2019-20, the existing FY 2018-19 budget was used as the model and adapted for the Department's needs for FY 2019-20. In its initial budget proposal, the Department requested an additional 17 positions. That number was reduced to 10 positions during the first phase of budget discussions with the Chief Executive Office (CEO), and further reduced to one in the CEO's final recommended budget. The finalized FY 2019-20 budget will go into effect July 1, 2019.

Commissioner Goldberg asked what would be the appropriate protocol for Commissioners to advocate with their Supervisors at the Board for more positions for the Department. Mr. Jones said he wasn't sure if a defined protocol existed. He said that once the final budget is adopted, the process will move to the supplemental stage, when the Department will have the opportunity to discuss additional positions with the CEO.

Commissioner Anthea Raymond and Mr. Jones discussed the Department's budget and its relationship to the County General Fund. Because it generates more revenue than it spends, the Department may be able to secure more positions during the supplemental stage of budget discussions, according to Mr. Jones.

Commissioner Margaret Levy asked how the Department determines how many new positions it requests in a preliminary budget proposal. Mr. Jones said there are different strategies when putting together a budget. Vice Chair Emdee recommended that negotiation points not be divulged in a public setting.

Commissioner Levy asked if the Venice Beach Lifeguard Headquarters study is part of the FY 2019-20 budget submission. Mr. Jones said it is not part of the FY 2019-20 budget; it has already been budgeted and encumbered from previous surplus revenue.

Commissioner Raymond asked additional questions regarding the Department budget's relationship with the General Fund.

Commissioner Liban asked for clarification regarding the 17 positions originally requested. He asked if attrition and safety were taken into account, and how operations would be affected considering only one position was approved. Mr. Jones said attrition is accounted for in the budget. From a safety point of view, the Department will make sure employees are safe.

6. STAFF REPORTS

A. ONGOING ACTIVITIES REPORT

Vice Chair Emdee directed the Commissioners to review the report.

B. BEACH AND MARINA DEL REY SPECIAL EVENTS

Vice Chair Emdee directed the Commissioners to review the report. She encouraged the Commissioners to use their social media accounts to advertise the great things the Department is doing.

C. BEACH PROJECTS REPORT

Vice Chair Emdee directed the Commissioners to review the report.

D. LIFEGUARD REPORT

Assistant Lifeguard Chief Fernando Boiteux reported that the Lifeguards are ready for the Memorial Day weekend. He said the weather forecast will be cooler than usual and the water temperature will be in the low 60s. The Board approved an extension of the vehicle sponsorship agreement with Toyota through the end of the year.

Commissioner Bob Bartlett asked for an update on the Junior Lifeguard program. Chief Boiteux said there are about 4,500 children signed up for the summer's two sessions.

7. COMMISSIONER COMMENTS

Commissioner Lay said he has materials for the Commission from a meeting about the Los Angeles County Strategy for Homelessness. Ms. Baker said she would have the information copied and emailed to the Commissioners.

Commissioner Levy asked about the ARTsea event in Marina del Rey. Ms. Baker said the event was wonderful, but believed the attendance was lower due to the threat of bad weather, graduations and Mother's Day. She said that next year the event may be moved to June to avoid holidays and rainy weather.

Commissioner Raymond asked who produces the Summer Concert Series events for the Department. Ms. Baker replied that the Department produces the concerts.

Commissioner Kathryn Campbell asked what action is recommended when people are observed fishing in an unauthorized area. Chief Boiteux said to call the Lifeguards at 310-372-2162 in the South Bay or 310-457-2525 in Malibu; they will have an officer from the California Department of Fish and Wildlife respond right away. Commissioner Dagit said people can also contact the Fish and Wildlife reporting line CalTIP (888-334-2258), which operates 24 hours per day.

8. COMMUNICATION FROM THE PUBLIC

There was no communication from the public.

The next Beach Commission Meeting is scheduled for June 26, 2019, at **BURTON CHACE PARK COMMUNITY ROOM** located at **13650 Mindanao Way, Marina del Rey, California, 90292.**

ADJOURNMENT

Vice Chair Emdee adjourned the meeting at 10:48 a.m.

Respectfully Submitted, Donalyn Anderson

SUBJECT: Item 5B – POST WOOLSEY FIRE UPDATE - BEACH

Commissioner Rosi Dagit will present a post-Woolsey Fire update on fish, fire and flows in the Santa Monica Bay. There are several federally endangered fish that live within the Santa Monica Bay and rely on critical habitat found in the coastal lagoons. The presentation will provide a virtual tour of these important resources along the beach from the northern end of the county to Topanga and illustrate the dynamics of how the wildfires and subsequent storm flows have affected the habitat and fish.

Speaker: Rosi Dagit, Sr. Conservation Biologist for the RCDSMM

Rosi Dagit is a Senior Conservation Biologist for the Resource Conservation District of the Santa Monica Mountains who has coordinated a variety of research projects throughout the Santa Monica Mountains and Bay. As Principle Investigator for the Santa Monica Bay Steelhead Lifecycle Monitoring project, she has snorkeled the creeks monthly since 2001 to count endangered southern steelhead trout, and monitored changes in abundance and distribution. She has also been monitoring endangered tidewater gobies and other native fishes in Malibu Lagoon and assisted with that restoration effort in 2012. Since 2014, Ms. Dagit has also been working with Friends of the LA River to update the fish study of the upper LA River by surveying in the lower river near the estuary and in the western river drainages of the San Fernando Valley.

Ms. Dagit has coordinated several habitat restoration efforts, including the 2008 Rodeo Grounds Berm Removal and the Trancas Lagoon Restoration Feasibility Study (2015). She is currently collaborating with State Parks to update the 2004 Topanga Lagoon Restoration Plan under a new grant funded by the California Coastal Conservancy

Ms. Dagit has also served on the Los Angeles County Beach Commission since 1996.

BOARD ACTIONS ON ITEMS RELATING TO BEACHES

On May 21, 2019, the Los Angeles County Board of Supervisors directed all County Departments to ban the use of glyphosate-based products. The Board also instructed the Director of Public Works, in conjunction with County Counsel, the Directors of Public Health, Parks and Recreation, Beaches and Harbors and the Agricultural Commissioner/Director of Weights and Measures to work with experts that may include hiring a consultant(s) to explore options for vegetation management, especially in areas where the use of traditional alternatives to glyphosate-based products is problematic due to challenges with access, safety and habitat restoration; continue to solicit recommendations from the public on possible alternatives to the use of glyphosate-based products for vegetation management; and report back to the Board within 180 days with recommendations and any feasible alternatives for the control of vegetation management.

Also on May 21, 2019, the Board waived the estimated \$4,661.25 gross receipts fee and reduce the parking fee to \$5 per vehicle for 300 vehicles at Will Rogers State Beach, excluding the cost of liability insurance, for the AIDS/LifeCycle event hosted by the San Francisco AIDS Foundation on June 8, 2019.

Also on May 21, 2019, the Board waived the \$10 per vehicle parking fee for up to 75 vehicles for two days, totaling \$1,500, at the parking lot adjacent to the Burton W. Chace Park, and waived up to \$1,300 in slip fees for use of the Burton W. Chace Park's transient docks for boat exhibitors, excluding the cost of liability insurance, for the 9th Annual MarinaFest Boat Show on June 22 and 23, 2019.

On May 28, 2019, the Board reduced the permit fee to \$50, waived the gross receipts fee in the amount of \$1,500, waived the \$7 per vehicle parking fee for 30 vehicles totaling \$210, and reduced the \$7 per vehicle parking fee to \$5 per vehicle for 350 vehicles at

SUPERVISORIAL DISTRICT 3

Nicholas Canyon Beach Bluff Stabilization Concept Design – \$110,000

The project includes development of a concept plan to remove the existing facilities at the end of Nicholas Canyon Beach, including the restrooms and septic system; picnic area adjacent to restrooms; and perform slope stabilization.

Status: Due to the Woolsey Fire and continued erosion at the site, a new survey and concept plan needs to be developed. The Department is currently reviewing funding opportunities.

Zuma Beach Restrooms Renovation (#6 and #8) – \$1,000,000

The scope of work includes repairing the damaged block; removing and installing a new tile roof; replacing the existing floor and wall tiles; installing new toilet and sink fixtures; and installing new partitions with benches and grab bars to comply with the Americans with Disabilities Act (ADA).

Status: Project is scheduled to begin winter 2019/20.

Zuma Beach Restrooms Renovation (#2, #4, #5 and #7) – \$1,000,000

The scope of work includes repairing the damaged block; removing and installing a new tile roof; replacing the existing floor and wall tiles; installing new toilet and sink fixtures; and installing new partitions with benches and grab bars to comply with ADA.

Status: Project is scheduled to begin winter 2019/20.

Zuma Beach Sewer Liners Installation – \$82,000

The scope includes installing liners in the sewage lines from restrooms #1 – #9 to the septic system.

Status: Project to be reviewed by the County's Chief Executive Office for funding.

Zuma Beach Repair To Food Concession Buildings – \$120,000

This project is to replace three (3) metal roll-up window covers; swamp cooler equipment; and doors for two (2) food concession buildings.

Status: Project is expected to be completed by the end of July 2019

Point Dume Beach Restrooms Replacement (#1 and #3) – \$1,000,000

The scope of work includes demolishing existing buildings; installing new prefabricated restrooms; and tie into existing utilities.

Status: Project is scheduled to begin winter 2019/20.

Malibu Surfrider Restroom Renovation – \$179,000

The scope includes replacing old plumbing fixtures with more efficient fixtures; replacing the partitions and benches; adding hand dryers; replacing the doors and tile; repairing the damaged sewer laterals; refinishing the floors; and painting the interior and exterior of the building. Compliance with ADA will be addressed during the construction.

Status: Project is scheduled to begin fall 2019.

Topanga Beach View Pier Stairs Replacement – \$125,000

The scope of work includes developing a set of plans; removing the existing stair structure; and installing a new one.

Status: Project is scheduled to begin fall 2019.

Venice Beach Lifeguard Headquarters Feasibility Study – \$50,000

Project involves development of feasibility study to determine the scope for the lifeguard tower and refurbishment of building.

Status: Project funding has been identified, but will not be available until October 2019. Project is currently on hold until funding is secured.

SUPERVISORIAL DISTRICT 4

Dockweiler RV Water Line Replacement – \$645,000

The scope of work includes disconnecting and abandoning an existing water line and adding two new water mains and two new meters to service the RV Park.

Status: The project began in January 2019 and is now waiting for L.A. City's Department of Water and Power to replace the meter. Final tie-in is scheduled in January 2020.

Dockweiler RV Park Expansion – \$1,965,000

Project includes expansion of RV Park to provide campervan campground spaces, including ADA accessibility.

Status: A hearing with the Coastal Commission is to be set within the next two months for the project's coastal development permit approval.

Redondo Beach Restroom Renovation (Topaz) – \$275,000

The scope of work includes repairing the block wall; removing and installing a new tile roof; replacing damaged fascia; replacing the existing floor and wall tiles; installing new toilet and sink fixtures; and installing new partitions with benches and grab bars to comply with the ADA.

Status: Project is due for completion by the end of June 2019.

Torrance Beach Restroom Renovation (Burnout) – \$250,000

The scope of work includes removing and installing a new tile roof; replacing vent grid; replacing the existing floor and wall tiles; installing new toilet and sink fixtures; and installing new partitions with benches and grab bars to comply with ADA.

Status: Project is completed.

White Point Sewer Main Installation – \$1,750,000

Installation of new sewer line and pump station for existing park restrooms.

Status: The County's Department of Public Works has submitted the 90% construction documents to Building and Safety for plan check approval. Once plan check approval is obtained, 100% documents will be completed.
