

Parking Lot 8 (Parcel OT) located at 4220 Admiralty Way will be turned into a 114-unit congregate care facility. The project will be one 5-story 65' tall residential building over ground floor retail and parking space. The retail space available will be about 3,500 square feet and a public access way from Washington to Admiralty is also planned. 92 public parking spaces will be retained on site and 92 public spaces will also be replaced off site near Marina Beach.
