

This is to inform you that Southern California Edison (SCE) has scheduled planned outages which will affect the following facility. The following is the planned outage information:

Service Address: **4433 ½ Admiralty Way, Marina Del Rey**
Date of Planned Outage: **Sunday, March 6 thru Monday March 7**
Start Time: **Mar 6, 2011 - 10:00 P.M.**
End Time: **Mar 7, 2011 - 8:00 A.M.**
Planned Outage Number (PON): **443437**
SCE telephone number for outage status: **888-759-6056**
Website: <http://www.sce.com/poweroutagecenter/poweroutagecenter.htm>

The facility will not have power during above stated time frame. Power may be off for the entire period or may be turned off more than once. If you would like to know the status of the outage, please call the above 888 number and reference the PON.

Please note: if there is an emergency during the planned outage, SCE's first priority will be to handle the emergency.
