

MARINA DEL REY ODOR CONTROL

PURPOSE

This project is designed to help deal with the odor issue along Admiralty Way in front of the Marina City club, which is part of the Los Angeles County Department of Public Works ongoing program for the operation, maintenance and repair of sewer systems. This project is to install an air scrubber unit and for the construction of approximately 80 linear feet of high-density polyethylene pipe, a concrete pad, electrical work and landscaping. The location of the work is shown on the map.

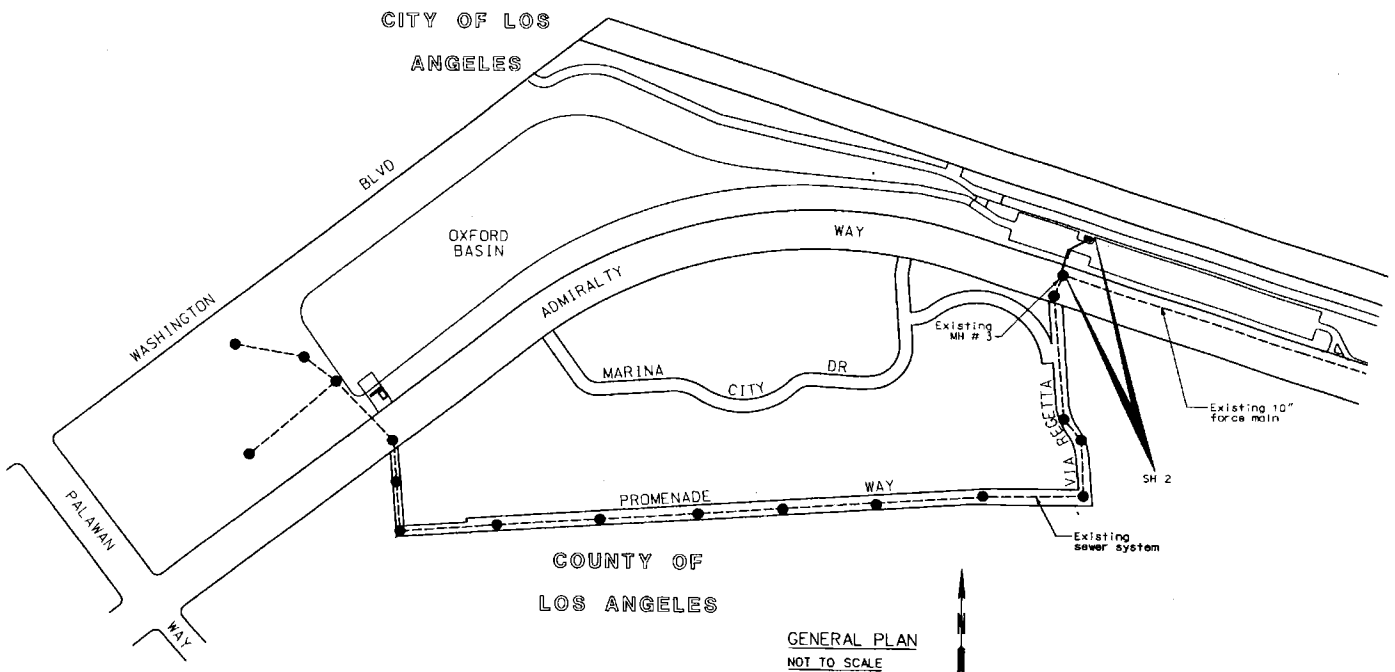

PUBLIC IMPACT

The construction work will occur within the streets shown on the map. On Admiralty Way, traffic in the westerly direction may be reduced to one lane and a left-turn lane where existing between the hours of 8:30 a.m. to 3:30 p.m. Eastbound traffic lanes will remain open at all times.

APPROXIMATE DURATION OF CONSTRUCTION

Construction is expected to begin in early March. Barring unforeseen difficulties, it will be completed by April 2011.
