Item 3 – Communication from the Public:

None.

Item 4 – Communication with the Commissioners

Chair Lumian spoke about his meeting with Mike Leneman, Multi Marine and Gary Jones and Steve Penn, Department of Beaches and Harbors on mast up storage issues.

Mr. Jones spoke about the changes made to facilitate mast up storage tenants to include free water available for wash down of the boats.

Chair Lumian complimented the Departments' prompt action.

Item 5a – Marina Sheriff

Deputy Bryan White provided the Liveaboard report.

Lieutenant Reginald Gautt provided the Crimestats report.

Chair Lumian complimented the Sheriff's Department for their continue support on Boys and Girls Club's sailing and paddling program.

Lieutenant Reginald Gautt spoke about the plan of starting a sailing program.

Commissioner Lesser talked about the Crimestats report and complimented the Sheriff's good work.

Item 5b – Marina del Rey and Beach Special Events

Ms. Baker talked about the upcoming concerts.

Commissioner Lesser made a correction on the event to be held on July 21, 2012 at the Fisherman Village.

Item 6a – Approval of Amendment No. 6 to Lease No. 14766 parcel 104

Mr. Jones gave a report on the amendment negotiation.

Dan Gottlieb commented the rent was based on an improper assumption instead of statistical study. He also asked if Santos Kreimann was aware of this negotiation.

John Rizzo expressed his concern on rents collected by the County do not constitute a market return.

Commissioner Lesser shared his thoughts on the land value of this parcel due to its size and shape rendering it unbuildable. He asked the Department when the lease was originally signed and its expiration date.

Mr. Jones replied the lease was signed in 1969 and that the lease would expire in 2029.

Commissioner Lesser asked what happen if the lessee refused to sign the amendment.

Mr. Jones answered it will then move into arbitration.

Commissioner Lesser inquired about the effectiveness of the arbitration.

Mr. Jones explained more on the process of the arbitration and the process of determining the percentage rent.

Chair Lumian recapped the Commission's request on the rent negotiation in December 2011's meeting.

Mr. Jones talked about the Department's intent in achieving the Commissioner's request and the result of the negotiations and described the costs and process of entering arbitration.

Commissioner Rifkin asked County Counsel for an opinion on whether terms of this deal can be construed as precedent setting.

Ms. Caves said each transaction is individually negotiated but pointed out that the items are all a matter of public record.

Commissioner Lesser asked for clarity on why the percentage rent comes up for negotiation.

Mr. Jones explained that the leases contain a clause to renegotiate percentage rents at 10 year intervals.

Commissioner Lesser stated he thought higher percentage rents were appropriate but that its not worth the battle because it is difficult of not impossible to justify higher rents with data.

Mr. Jones added that the County will be negotiating for floors in all future transactions.

John Rizzo commented on the developer's return on investment and department's failure in securing the County's fair share of the developer's return.

Commissioner Lesser moved to approve, seconded by Commissioner Rifkin, unanimously approved.

Item 7a – Presentation on the status of the Marina del Rey website and social media outreach programs

Ms. Baker gave the presentation and talked about various sites

Item 8 – Staff Reports

Mr. Jones provided the Ongoing Activities report.

Michael Tripp responded to the request received from "We are Marina del Rey" on May 9, 2012 regarding a reduction in parking at Parcel 42/43. He explained the nature of the request for reduction in parking and the process for evaluating the request.

Chair Lumian spoke about updates on the Department of Boating and Waterways integration in the California Department of Parks and Recreation. The Department of Boating and Waterways is currently scheduled to become a department within the Department of Parks and Recreation in July 2013. There is currently a bill

(AB 737) which would moderate the arrangement to create an independent advisory committee to provide guidance to staff and the Governor with one member on the state Parks and Recreation commission.

John Nahhas asked for light fixtures to be fixed in the meeting room. He then commented the Department had not been provided accurate information with respect to the nature of the proposed changes to the Department of Boating and Waterways. He also commented that the leases were not honoring "continuous public use" clauses in the leases, condition of docks, slip rental rates, and the fact that the public promenade was shut down during the July 4th's fireworks display for a private party.

Commissioner Lesser clarified his comments stated in Mr. Nahhas' handout.

Chair Lumian asked about the July 4th's firework event.

Ms. Baker said there was a lot of media's attention and a film was shot for the entire firework show.

Lieutenant Gautt said the event went through smoothly with only one minor boating collision.

Chair Lumian thanked the Department for bringing back the 4th July firework.

Ms. Baker thanked the sponsors for supporting the event.

Commissioner Lesser asked the Department about the promenade's shut down.

Mr. Jones said the Department had not been informed of the shutdown at the Esprit apartment project. The Department is in discussion with the lessee and will report back about plans for avoiding a similar situation in the future.

Adjournment

Chair Lumian adjourned the meeting at 11:12 a.m.

Subject: **ITEM 7b – APPROVAL OF AMENDMENT NO. 10 TO LEASE NO. 7974 – PARCEL 54 (WINDWARD YACHT CENTER) - MARINA DEL REY**

Item 7b on your agenda pertains to approval of Amendment No. 10 to the lease for Parcel 54 (Windward Yacht Center). The Amendment memorializes rental rate adjustments that occurred on the January 1, 1999 rental adjustment date, which weren't formalized at the time in a lease amendment, and those that occurred on the January 1, 2009 rental adjustment date. On the 1999 rental adjustment date, the square foot rental (minimum rent) increased, a new liveaboard category was added, and percentage rent rates increased for dry boat storage, land and water facilities, office rent, boat brokerage, do it yourself/haul out, do it yourself/dock, and commercial boating gross receipts. On the 2009 rental adjustment date, the anchorage and liveaboard rates remained the same, but the percentage rents for office rent and commercial boating increased. Additionally, the Amendment increases the security deposit, and updates the indemnity and insurance provisions. The Amendment also provides that, following Amendment Effective Date, all annual minimum rent adjustments shall either increase the annual minimum rent or maintain it at the then-current amount. Finally, the Amendment provides for a "Retroactive Rent and Interest" provision as allowed under the Lease.

The attached Board letter contains full background information with respect to the accompanying amendment. Staff will provide a presentation at the meeting.

Your Commission's endorsement of the recommendation to the Board of Supervisors, as contained in the attached letter, is requested.

Dear Supervisors:

**APPROVAL OF AMENDMENT NO. 10 TO LEASE NO. 7974
WINDWARD YACHT CENTER (PARCEL 54 at 13645 FIJI WAY)
MARINA DEL REY
(4th DISTRICT- 4 VOTES)**

SUBJECT

This Board letter requests approval of a Marina del Rey lease amendment for Parcel 54 (Windward Yacht Center) that adjusts the square foot rental, increases percentage rents, increases security deposit and updates the insurance provisions.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that the proposed lease Amendment No. 10 is categorically exempt under the California Environmental Quality Act pursuant to class 1(r) of the County's Environmental Document Reporting Procedures and Guidelines and Section 15301 of the State CEQA Guidelines.
2. Approve and authorize the Chairman to sign the attached Amendment No. 10 to Lease No. 7974 pertaining to the readjustment of rents and insurance for a ten-year term ending December 31, 2018, and adding a provision to safeguard minimum rent against future downward adjustments.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Marina del Rey leases generally provide for the periodic review of leasehold rents and liability insurance coverage to ensure that the rental rates payable to the County are maintained at current fair market levels and that the amount of general liability insurance is adequate to protect the County's interests. County rents are typically computed as the greater of either a fixed minimum rent or the total of varying percentages of the lessee's gross receipts from uses of the leasehold.

The Parcel 54 lease requires adjustment of rents and insurance on January 1, 1999 (1999 Rental Adjustment Date) and every tenth anniversary thereafter. Amendment No. 10 memorializes square foot rental (minimum rent) and percentage rate increases that occurred as of the 1999 Rental Adjustment Date but weren't formalized in a lease amendment. Specific to minimum rent, it provides for the minimum rent to be adjusted on the first day of January of every third year from January 1, 2002 to an amount equal to 75% of the average annual rent payable by the lessee to the County over the prior three years. With respect to changes of percentage rentals that occurred as of the 1999 Rental Adjustment Date, Amendment No. 10 reflects rate increases as follows: Dry Boat Storage from 20% to 25%; Land and Water Facilities from 7.5% to 12.5%; Office Rents from 11% to 12.5%; Do it Yourself/Haul Out from 4% to 5%; Do it Yourself/Dock from 3% to 25%. Also, a Liveaboard category was established at 25% and the Boat Brokerage percentage changed from 10% to the greater of 1) 5% of commissions, or 2) \$0.15 per square foot per month of defined outdoor display area, if any, plus 12.5% of rent received for broker's office rental.

With respect to the 2009 Rental Adjustment Date, Amendment No. 10 reflects rates that are within the range of comparable rates at other Marina del Rey leaseholds. Through a negotiated settlement, the lessee has agreed to maintain percentage rent for Boat Slips and Anchorage at 25% and increase the rate for the Commercial Boating category from 5% to 6% and the Office Rents category from 12.5% to 13.5%. As of the 2009 Rental Adjustment Date, the Amendment also provides that the rental security deposit be maintained at an amount equal to one month's minimum rent and, as of the date the Amendment is executed, incorporates changes to the indemnity clause, insurance requirements, and miscellaneous insurance provisions to conform to the Chief Executive Office Risk Management Branch's new and more stringent requirements. Finally, the Amendment provides for a "Retroactive Rent and Interest" provision as allowed under section 15 of the Lease.

Amendment No. 10 also provides that, following Amendment No. 10 Effective Date, all annual minimum rent adjustments shall either increase the annual minimum rent or maintain it at the then-current amount.

Implementation of Strategic Plan Goals

The recommended action will keep County percentage rent categories at this parcel comparable to other Marina del Rey leaseholds and incorporates the new insurance provisions, in fulfillment of Strategic Plan Goal No. 1, "Operational Effectiveness", Strategy 2, "Fiscal Sustainability".

FISCAL IMPACT/FINANCING

There will be no significant current financial impact, as the Lessee has been paying the new rates since 1999. Since the 1999 Rental Adjustment Date through the end of 2011, the total increase in revenue from the new rates has been \$94,411.

Operating Budget Impact

This leasehold is not reporting rent in the Commercial Boating Activities and Office Rents categories. Therefore, the 1% increase in those categories, as proposed in the 2009 rental Adjustment Date will not affect our Adopted 2011-12 Budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Commonly known as Windward Yacht Center, Parcel 54 contains 54 boat slips and a 1,500 square foot building for boat repair and retail businesses. The leasehold occupies 3.56 acres of land and 2.98 acres of water in Marina del Rey. The 60-year lease between the County and lessee's predecessor-in-interest was executed in 1964.

This Amendment has been approved as to form by County Counsel. At its meeting of _____, the Small Craft Harbor Commission _____ the Director's recommendation that your Board approve and execute the proposed Amendment.

ENVIRONMENTAL DOCUMENTATION

The proposed Amendment is exempt under the California Environmental Quality Act pursuant to Class 1(r) of the County's Environmental Document Reporting Procedures and Guidelines.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

There will be no impact on current services from your Board's approval of Amendment No. 10.

CONCLUSION

Please have the Chairman sign all three copies of Amendment No. 10 and have the Executive Officer of the Board return two executed copies, as well as a copy of the adopted Board letter, to the Department of Beaches and Harbors.

Respectfully submitted,
