

**ADMIRALTY WAY
SETTLEMENT REPAIR PROJECT**

Dear Neighbor:

The County of Los Angeles Department of Public Works is pleased to inform you of an upcoming roadway improvement project in your neighborhood.

The project will address settlement of Admiralty Way adjacent to the Oxford Basin. It consists of the reconstruction of existing roadway pavement, sidewalk, curb and gutter, driveways, curb ramps, raised median, and installation of a new bus pad on the north side of Admiralty Way. Please see attached map for project limits. This project is located within the County unincorporated community of Marina del Rey. The project cost will be financed with County funds.

Access to the properties within the project limits will be maintained during construction; however, expect traffic delays as Admiralty Way will be reduced to one traffic lane in each direction during construction.

Construction is scheduled to start after September 3, 2012, and will take approximately 3 months to complete. If you have any questions regarding construction activities, please contact Brittany Barker, Program Coordinator, at (626) 458-4971, between the hours of 7 a.m. and 5:30 p.m., Monday through Thursday.
