The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

APPROVAL OF AMENDMENT NO. 2 TO LEASE NO. 17694
SCE TAHITI SUBSTATION (PARCEL 200 at 13340 FIJI WAY)
MARINA DEL REY
(4th DISTRICT- 4 VOTES)

SUBJECT

This Board letter requests approval of a Marina del Rey lease amendment for Parcel 200 (SCE Tahiti Substation) that adjusts the annual rent and the insurance liability coverage.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that the proposed lease Amendment No. 2 is categorically exempt under the California Environmental Quality Act pursuant to class 1(r) of the County's Environmental Document Reporting Procedures and Guidelines and Section 15301 of the State CEQA Guidelines.

2. Approve and authorize the Chairman to sign the attached Amendment No. 2 to Lease No. 17694 pertaining to the readjustment of annual rent for a ten-year term ending January 31, 2022.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Marina del Rey leases generally provide for the periodic review of leasehold rents and liability insurance coverage to ensure that the rental rates payable to the County are maintained at current fair market levels and that the amount of general liability insurance is adequate to protect the County's interests. County rents are typically computed as the greater of either a fixed minimum rent or the total of varying percentages of the lessee's gross receipts from uses of the leasehold.
The Honorable Board of Supervisors  
April 2, 2013  
Page 2

The Parcel 200 lease requires adjustment of annual rent and insurance coverage amounts on February 1, 2012 (2012 Annual Adjustment Date) and every tenth anniversary thereafter. The parties have agreed to a new annual rent of $72,086, which, based upon an appraisal of the parcel, is equivalent to, or greater than, fair market value. The new annual rent is an increase of $7,286 above the current annual rent of $64,800. Amendment No. 2 also provides that, following the Amendment No. 2 Effective Date, all annual rent adjustments shall either increase the annual rent or maintain it at the then current amount. The current insurance coverage amounts were deemed adequate by the County and therefore no adjustment to the insurance provisions is being recommended at this time.

Implementation of Strategic Plan Goals

The recommended action will keep County annual rent at this parcel comparable to fair market rental in fulfillment of Strategic Plan Goal No. 1, “Operational Effectiveness”, Strategy 2, “Fiscal Sustainability”.

FISCAL IMPACT/FINANCING

Amendment No. 2 is projected to yield an additional $7,286 per annum in Fiscal Year 2012-13 and an increase of $72,860 over the ten-year period beginning February 1, 2012.

Operating Budget Impact

Upon your Board’s approval of Amendment No. 2, the Department of Beaches and Harbors will receive $7,286 in annual increases in leasehold rent revenue. The revenue increase was not budgeted in the FY 2012-13 Final Adopted Budget; therefore, the additional revenue will be accounted for as one-time over-realized revenue. The revenue increase is budgeted in the Department’s FY 2013-14 Recommended Budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Commonly known as the SCE Tahiti Substation, Parcel 200 contains underground transformer vaults. The leaseholder occupies 0.59 acres of land in Marina del Rey. It does not have a water area. The 60-year ground lease between the County and the lessee was executed in 1971.

This Amendment has been approved as to form by County Counsel. At its meeting of March 13, 2013, the Small Craft Harbor Commission ________ the Director’s recommendation that your Bcard approve and execute the proposed Amendment.
ENVIRONMENTAL DOCUMENTATION

The proposed Amendment No. 2 is categorically exempt under the provisions of the California Environmental Quality Act pursuant to Class 1(r) of the County's Environmental Document Reporting Procedures and Guidelines and Section 15301 of the State CEQA Guidelines (Existing Facilities).

IMPACT ON CURRENT SERVICES (OR PROJECTS)

There will be no impact on current services from your Board's approval of Amendment No. 2.

CONCLUSION

Please have the Chairman sign all three copies of Amendment No. 2 and have the Executive Officer of the Board return two executed copies, as well as a copy of the adopted Board letter, to the Department of Beaches and Harbors.

Respectfully submitted,

Santos H. Kreimann
Director

SUBJECT: ITEM 8 - ONGOING ACTIVITIES REPORT

BOARD ACTIONS ON ITEMS RELATING TO MARINA DEL REY
On February 12, 2013, the Board considered and adopted an Addendum to the Mitigated Negative Declaration (MND) for the Admiralty Way Street Improvement Project in the unincorporated community of Marina del Rey. The Board found that there is no substantial evidence the revised Project will have a significant effect on the environment and found that the Addendum to MND reflected the independent judgment and analysis of the Board. The Board approved the Project and authorized advertising the plans for bid and authorized the Director of Public Works to 1) execute a consultant services agreement for the preparation of a baseline construction schedule and storm water pollution prevention plan for a fee not to exceed $10,000 funded by existing Project funds, 2) award a construction contract with the apparent responsible contractor with the lowest responsive bid, 3) deliver the Project, 4) delegate certain responsibilities to the Director to carry out the Project.

On February 19, 2013, the Board authorized the Director of Public Works to amend the Rules and Regulations of the County Waterworks Districts and Marina del Rey Water System, and to implement the water rate changes effective 30 days after adjustment notices are sent to customers and found that the purpose of adjustments to the water rates shown in the Rules and Regulations are to meet the operating expenses necessary to maintain service within existing service areas.

On March 5, 2013, the Board consented to the change of ownership with respect to the existing lessee, Archstone Vista Del Rey, LLC (Archstone), for Parcel 64T, resulting from the sale of the leasehold by Archstone to Equity Residential. The Board also consented to the change of ownership with respect to the existing co-tenant lessees, Archstone Marina del Rey I LLC and Archstone Marina del Rey II LLC, for Parcel 102S, resulting from the sale of the leasehold by Archstone Enterprise LP to Equity Residential. The Board approved the receipt of transfer fees and escrow of funds by the Parcel 64T and Parcel 102S lessees to secure the lessees’ payment of the total transfer fees determined to be payable under the leases and authorized the Director of Beaches and Harbors to execute a ground lessor estoppel certificate with respect to each of Parcels 8T, Parcel 64T, Parcel 102S, and Parcel 103T, in form approved by outside Counsel and County Counsel.

VENICE PUMPING PLANT DUAL FORCE MAIN PROJECT UPDATE
There has been no update to this item since the last meeting. On January 29, 2013 the Court of Appeal heard oral arguments. We are awaiting the Court’s decision on the City’s appeal of the judgment entered on September 26, 2011 that was consistent with the tentative ruling issued on July 28, 2011, which barred the City from building a new 54-inch sewer main from Venice to Playa del Rey through unincorporated Marina del Rey when another comparable route along Pacific Avenue in City territory exists.

MARINA DEL REY SLIP REPORT

5. Old Business
   A. Parcel 64 – Archstone Breakwater – Consideration of new business identification signage and Design Control Board Review related thereto – DCB#10-015-B

   Mr. Lopez presented the project staff report.

   Vice-Chair Jubany asked to see the originally proposed signage and inquired about the reason for the change.
Mr. Favaro stated that the addition of the address and the change in the size of the lettering on the new sign were required changes requested by the Fire Department.

Chair Phinney stated that he understood the changes due to the Fire Department’s requirements but preferred the other aspects of the original design.

Mr. Favaro responded stated that the original sign was designed for Lyon Apartment Companies and their logo was incorporated into that design. The project is now under the ownership of Archstone and has redesigned the signage with their logo.

Vice-Chair Jubany asked if the architecture of the building changed since the original sign was proposed.

Mr. Favaro answered that he was not certain because his knowledge was limited to Archstone’s involvement with the project.

Chair Phinney suggested that staff include building architecture information when new items are proposed to make it easier for DCB members review the projects and then asked the DCB members for their input.

Vice-Chair Jubany stated that the original sign was more contemporary and elegant; she also inquired about the new base for the sign.

Mr. Favaro stated that the new sign would be surrounded by Archstone’s signature landscaping.

Mr. Wong inquired about the sign’s need of the Fire Department’s approval and if the address could be placed elsewhere, for example on the curb.

Mr. Favaro stated that the Fire Department gave them the option of placing the address, with the same size lettering, on a separate sign next to the entry.

Chair Phinney asked staff for clarification on the Fire Department’s requirements.

Mr. Jones stated that it was his assumption that during the permitting process, which usually takes place after the final DCB approval of the plan, the Fire Department would then impose their requirements on the Archstone project. Mr. Jones then asked Regional Planning staff for additional information.

Ms. Guiterrez stated that only the address block is required by the Fire Department.

Chair Phinney asked if the address would have been required on the old sign and Ms. Guiterrez answered affirmatively.

Mr. Wong clarified that the DCB Members’ duty has never been to intermingle with the Fire Department’s requirements.

Mr. Abelan asked for additional clarification on Archstone’s logo.

Mr. Favaro replied that the Logo consists of Archstone’s name placed above the project’s name.

Mr. Wong asked if the proposed sign was compatible with the other project signs.

Mr. Lopez replied that indeed the sign corresponds with the directional signs.
Mr. Jones pointed out that there is a similar Archstone Properties item also on the agenda and expressed his concern that the Archstone lettering on the signage may cause some confusion for wayfinding within the Marina.

**Public Comment**
Mr. Nahhas expressed his concern regarding the naming of properties within the Marina with corporate branding.

**Board Comment**
Vice-Chair Jubany asked if Archstone is the only property that has their branding on their signage.

Mr. Jones responded that other properties in the Marina also had corporate branding.

Chair Phinney asked the applicant to wait for another month for consideration of their sign with respect to other Archstone Properties in the Marina. Chair Phinney also requested additional information on the configuration and design of the buildings.

On a motion of Vice-Chair Jubany, seconded by Mr. Abelan, this item was tabled to the next Board meeting to give staff and the project applicant time to provide additional information and options.

* Ayes: 3 – Chair Phinney, Vice-Chair Jubany, Mr. Abelan
* Noes: 1 – Mr. Wong

**B. Parcel 145 – Hilton Garden Inn – Consideration of new hotel identification signage and Design Control Board Review related thereto – DCB#08-018-C**

Mr. Lopez presented the project staff report.

Mr. Berry stated that he had nothing to add to Mr. Lopez's report, but was available to answer questions.

Vice-Chair Jubany asked about the existing sign's design.

Mr. Berry stated that the Marina International Hotel had its main sign on a porte-cochère along Admiralty Way, which was demolished as part of the ongoing rehabilitation project, and had a free standing sign on the corner of Palawan way and Washington Blvd., which was also demolished.

Vice-Chair Jubany asked why the specific locations were chosen for the signage.

Mr. Berry replied that it's a large property, so they decided to place the signs at the corners of the building to identify that it's the Hilton Garden Inn.

Mr. Abelan asked how many signs were on the property previously, and inquired if Mr. Berry had a copy of the existing signs.

Mr. Berry replied that there were two signs, 1 monument sign and a tower sign, but had not brought any copies of the original signs.

Mr. Lopez stated that the original signs were omitted since the entire project is being renovated.

Vice-Chair Jubany suggested that in the future the existing signs should be included in the presentation to show the DCB members a point of reference.

Mr. Wong asked if the number of signs being replaced was the same as previously existed at the site.
Mr. Berry stated that the entire architecture of the hotel had changed, and that's the reason that the amount of signage seems different.

Mr. Abela asked for clarification on the amount of signage allowed. Mr. Lopez stated that there were limits on the amount of signage allowed, based on the type of sign, and the applicants have conformed to those limits.

Chair Phinney asked for clarification on the history of this project, the changes to the façade and any lessee changes.

Ms. Miyamoto informed Chair Phinney that the lessee is the same as when the renovation was first presented to the Board; however, the project is now partnered with Hilton.

Mr. Lopez stated that the architecture, color and materials of the project will remain the same as presented to the Board previously; the only change is the branding of the signage.

Mr. Berry added that the client preferred to refrain from using the typical red letters of the Hilton Garden Inn and opted for the stainless steel lettering for an upscale look.

On a motion of Mr. Wong, seconded by Vice-Chair Jubany, this item was approved.

Ayes: 4 – Chair Phinney, Vice-Chair Jubany, Mr. Abela and Mr. Wong

C. Parcel 8 – Archstone Marina Bay – Consideration of new business identification signage and Design Control Board Review related thereto – DCB#08-010-D

Mr. Lopez presented the project staff report.

Mr. Clark introduced himself as the applicant's representative and Mr. Underwood as the sign designer.

Mr. Underwood pointed out that the public arrives at this location from the left so the primary identification wall sign's function is getting the public's attention immediately. Mr. Underwood also mentioned that the second sign is for direction to the leasing center and the address numbers are located above every pedestrian entrance, which is required by code.

Public Comment
Mr. Nahhas spoke about public parcel name changes and asked for examples regarding previous corporate name signage.

Board Comment
Chair Phinney suggested to staff to add architectural drawings with signs incorporated into them to better understand what is being proposed.

Vice-Chair Jubany agreed and stated that there's color in the design being proposed but she has no idea how it relates to the building.

Mr. Underwood replied affirmatively to Vice-Chair Jubany's statement and stated that the yellow and orange colors are the same as the color on the entry canopy of the building.

On a motion of Vice-Chair Jubany, seconded by Mr. Wong, this item was approved.

Ayes: 4 – Chair Phinney, Vice-Chair Jubany, Mr. Abela and Mr. Wong

D. Report on Marina del Rey Mole Road median Replacement Tree Palette
Mr. Lopez presented the project staff report

Vice-Chair Jubany asked for the size of the new replacement trees. Ms. Miyamoto replied that the size of the trees had not yet been determined.

**Public Comment**
None

**Board Comment**
Chair Phinney expressed his support and stated that he was pleased to know that not all of the trees were being removed.

**E. Report on Marina del Rey Admiralty Way Street Improvement Project’s Median Tree Replacement Palette**

Ms. Pamela Manning, Brittany Barker, and Richard Sheih presented the project staff report.

Mr. Abelar asked if the trees being replanted would be deep rooted or shallow.

Mr. Sheih replied that the trees being replaced would be deep rooted.

**Public Comment**
Mr. Riley spoke about lessee concerns about Admiralty Way projects and the hardscape and landscape plans.

**Board Comment**
Chair Phinney expressed his personal preference of the size of non-native draught-tolerant species over the strictly native plants proposed and asked for clarification of where the directive came from regarding the strictly native plants usage.

Ms. Barker stated that the environmental documents presented to the Board of Supervisors specifically mentioned the usage of California native plants and therefore they must be used.

Ms. Miyamoto also added that the original presentation to the DCB members in April 2012 called for usage of both native and hybrid native species and just wanted to inform the Board of the changes.

Ms. Manning stated that because of the environmental document there isn’t room for changes.

Chair Phinney expressed his disappointment and stated the he felt the median has to be meaningful and fears that this median will not be meaningful for another 30 years. He also asked if the DCB members could write a letter to the Board of Supervisors expressing their concern regarding this issue and suggested that the presentation they had just seen be presented to the Board of Supervisors.

Ms. Manning replied saying that they are open to doing so.

Board Comment
Vice-Chair Jubany asked why the tenant chose the specific location for the sign placement. Ms. Peterson replied that the location of the sign was chosen due to the office location. Vice-Chair Jubany stated that she did not like the sign but wasn’t sure on how to give guidance as the sign has already been installed. She thought it should be more fun and whimsical.

Chair Phinney added that he also found it difficult to give suggestions on improving the sign due to the fact that it is already in place, and agreed with Vice-Chair Jubany’s suggestion of adding a more whimsical effect to the sign.

Vice-Chair Jubany asked why was the sign installed without prior approval and asked Mr. Wonka if he designed the sign.

Mr. Wonka replied that he did design the sign with the guidance of his client.

Mr. Lopez also replied by stating that the tenant is currently in violation and it is up to the Board members as to how they would like to proceed.

Chair Phinney suggested that the sign remain for a period of three months to allow the tenant time to return with a new and improved sign.

Mr. Wong suggested a temporary sign in the interim.

Ms. Gutierrez informed Mr. Wong that temporary banner signs are not permitted in the unincorporated area.

Mr. Abelar agreed with Chair Phinney in that there is no need to remove the sign until there is another sign.

On a motion of Vice-Chair Jubany, seconded by Mr. Wong, the item was denied as submitted. The sign is permitted to remain for three months while the applicant resubmits a new design for the signage.

Ayes: 4 – Chair Phinney, Vice-Chair Jubany, Mr. Abelar and Mr. Wong

B. Parcel 76 – Prostate Oncology Specialists, Inc. – Consideration of new business identification signage and Design Control Board Review related thereto – DCB#12-015

Board Comment
Vice-Chair Jubany asked to see the main entry sign and commented on her preference to have the wording on the sign justified to the left.

Chair Phinney asked Regional Planning staff to clarify the reason for this business having two signs. Ms. Gutierrez replied that this business has two frontages, which permits the additional signage.

Chair Phinney stated that he approved of the entrance sign but did not like the sign on the glass. He mentioned that the size and location looked very temporary.
Vice-Chair Jubany and Mr. Wong agreed.

Mr. Abelas suggested that the applicant return in 30 days with new a submittal.

Chair Phinney recommended to split the approval, and suggested approving the entrance sign, but requiring that the pin mounted letters be justified to the left and placed on the wall to the right-hand side of the entry door with the top word “Prostate” aligned with the top of the door.

On a motion of Vice-Chair Jubany, seconded by Mr. Abelas, the main entry sign is approved with modifications, and the second sign is denied. The applicant is to return to the Board with a revised design for the second sign.

Ayes: 4 – Chair Phinney, Vice-Chair Jubany, Mr. Abelas and Mr. Wong

C. Design Control Board 2013 Meeting and Submittal Deadline Schedule

Mr. Lopez presented the project staff report.

Chair Phinney requested that the hearing of the Parcel 44 project be scheduled for a night meeting, and Mr. Jones obliged.

She then stated that corrections would be made prior to the document being filed.
