QUESTIONS AND ANSWERS

Q: This RFSQ indicates that vendors should have 5 years min. experience in marine projects. How does an experienced engineer trying to enter into these types of projects can possibly be qualified if there is such a requirement?

A: As stated in the RFSQ, Section 1.4, Vendors' Minimum Mandatory Requirements, Proposers and/or their Principal Owner must have a minimum of five years' experience in engineering marine projects. For these particular services, the Department requires specialization in marine projects by those vendors who can demonstrate their experience with coastal engineering projects.

Q: Can you please confirm that, although there will be a preference for SBE work order bids (per Section 1.32 Local SBE Preference Program) and Transitional Job Opportunity Vendors (per Section 1.35 Transitional Job Opportunities Preference Program), there is not a requirement on this RFSQ for a Good Faith Effort (GFE) or a minimum percentage requirement for the County's Community Business Enterprise (CBE) program?

A: There is no requirement of the RFSQ for a Good Faith Effort, nor is there a minimum percentage requirement for the Community Business Enterprise (CBE) Program. The County will give a preference to any qualifying vendor meeting the program requirements as stated in the RFSQ, Sections 1.32, Local Small Business Enterprise Preference Program and 1.35, Transitional Job Opportunities Preference Program.

Q: Can the Indemnification clause be edited to be consistent with other County of Los Angeles Indemnification clauses? Specifically add the word NEGLIGENT after the word "Contractor's" and delete the word "SOLE" before the word negligence for Section 8.22 Indemnification?

A: The Indemnification clause as written in the RFSQ is the County's most current Indemnification clause. The RFSQ states in Section 2.8, Acceptance of Terms and Conditions of Master Agreement, "Vendors understand and agree that submission of the SOQ constitutes acknowledgement and acceptance of, and a willingness to comply with, all terms and conditions of Appendix A, Master Agreement." Therefore, the indemnification clause will not be edited.
