GUEST SPEAKERS

MEETING LOCATION

Burton W. Chace Park Community Room

1. CALL TO ORDER AND PLEDGE OF ALLEGIANCE

Commissioner Powell called the meeting to order at 9:36 a.m. He requested that Commissioner Thomas Brewer lead everyone in the Pledge of Allegiance. Commissioners, staff and guests rose and delivered the pledge.

2. APPROVAL OF MINUTES

(February 25, 2015)

Motion to approve made by Commissioner Powell. Commissioner Brewer seconded. Minutes unanimously approved by the Commission.

3. OLD BUSINESS

Film Presentation: "Lost and Found: Beach Sand Renourishment" 1992

The film detailed the movement and loss of sand on beaches. Main topics included:

- Winter storm turbulence moves sand below the wave base which narrows beaches.
- Long shore drift – This sand movement transports large quantities naturally to our beaches. Sand grains are carried up by waves onto the beach. "Edging up and dropping down".
- Submarine canyons – Sand is funneled down and lost in these canyons. They are responsible for the most sand loss. The sand sinks below the waves where it cannot be scooped up by currents.
- Impact of man-made channels - Sediment and common beach sand which would naturally move to our beaches is getting caught in man-made channels which impede natural streams.

4. NEW BUSINESS

Item 4A – Future Meeting Topics and possible Informational Presentations

Carol Baker asked the Beach Commission what topics might be presented and discussed in future meetings, then invited specific proposals and suggestions from the Commissioners

Commissioner Sallee: TMDLs (Total Maximum Daily Load) - What is polluting our waters in the Marina and the beaches?

Commissioner Brewer: What is affecting our sea lions? Perhaps schedule a presentation on water temperate rise?

Commissioner Ward: Sea lion and wildlife issues - public safety education on coastal wildlife, and marine life.

Chief Moseley: The number of stranded sea lion pups has grown far in excess of what we've seen before. Lifeguards are working closely with Peter Wallenstein and marine

mammal rescue experts, but the numbers are so large now that stranded sea lions can't always be placed. Signage is erected to warn beachgoers these are protected species and potentially dangerous. The Lifeguards' priority during warm weather is always public safety and beach rescues. But Lifeguards are doing all they can to rescue sea lions and educate the public with interaction and signage. Rescue groups are prioritizing/making triage decisions on a case by case basis.

Commissioner Powell: Marine Mammal Care Center in San Pedro and Save Our Sea Lions in Manhattan Beach are additional organizations dedicated to sea lion protection and public education. Public taking selfie photos with stranded sea lions need to know that even the pups have bite strength ten times that of a pit bull.

Commissioner Dagit: State Parks could update Beach Commission on Rindge Dam and Broad Beach

Commissioner Bruce Saito suggested the following topics:

- Water bond/drought measures
- Emergency drought education
- Prop P – How it is moving along?

5. **STAFF REPORTS**

A. ONGOING ACTIVITIES REPORT

Gary Jones presented the written report.

Commissioner Ward called for recognition of departing Commissioners Woodell and Dupont. Ginny and Maureen recommended sending appreciation letters to them recognizing their services. Carol will write letter.

B. BEACH AND MARINA DEL REY SPECIAL EVENTS

C. FACILITIES AND PROPERTY MAINTENANCE DIVISION REPORT

Ken Foreman presented the report and invited questions. The Commission had no questions and Commissioner Powell welcomed the next report.

D. CAPITAL PROJECTS STATUS REPORT/RELATED ACTIVITIES

Cesar Espinosa presented the report.

Commissioner Brewer asked if all beach bathrooms besides Malibu were septic systems.

E. LIFEGUARD REPORT

Chief Moseley presented the report. Current and last year were the busiest for rescues ever.

Lifeguards are closer to a vehicle sponsorship.

Lifeguard Medal of Valor dinner and kick-off scheduled for July 30.

6. COMMISSIONER COMMENTS

Commissioner O'Donnell: How many Commissioners will attend the 2015 Leadership Conference?
