QUESTIONS AND ANSWERS

Q: What is the difference between RFSQs DBH-59-A and DBH-59-B? They appear to be the same?

A: They are indeed the same. Two different Solicitation numbers were used for internal purposes.

Q: Is it required to register on County "Webven" site prior to or as part of the SOQ submittal?

A: RFSQ Section 1.10, MANDATORY REQUIREMENT TO REGISTER ON COUNTY'S WEBVEN states the following:

Prior to executing a Master Agreement, all potential Contractors must register in the County's WebVen. The WebVen contains the Vendor's business profile and identifies the goods/services the business provides. Registration can be accomplished online via the Internet by accessing the County's home page at <http://camisvr.co.la.ca.us/webven/>.

Q: Can the County provide Word format for Required Forms P-1 to P-18 to facilitate completion of these forms by submitters?

A: Unfortunately we are unable to provide these forms in Word format.

Q: What does the County mean by "performing work with respect to any beach in Los Angeles County"? This is referenced on Page 1 of Required Form P-18. What kind of work is the County referring to? For beaches only in unincorporated county locations or any beach within the County?

A: Any beach that is (Los Angeles) County-owned, controlled or managed. The work we are referencing is requested within this solicitation for an Economic Consultant to assist the Department's staff in managing real property assets in Marina del Rey and on County-owned, controlled or managed beaches on an as-needed basis. The consulting work requires the consultant(s) to analyze, evaluate and present financial and economic data; to assist in structuring lease extension fees, rent credits, option payments and other financial aspects of new and restructured. Vendors should familiarize themselves with Section 9.4 of the Master Agreement when completing form P-18.
