1.1 SCOPE OF WORK

The Los Angeles County Department of Beaches and Harbors (Department) is issuing this Request for Statement of Qualifications (RFSQ) to seek qualified and experienced Vendors to assist with the legal pick-up, removal, transporting and disposal of Department generated and abandoned hazardous and contaminated non-hazardous wastes and materials from various sites, facilities and storm drains located in Los Angeles County (County), along with contaminated ocean water in Marina del Rey harbor. The Department will require the Contractor(s) to perform a “roundup” of waste materials at multiple sites within the County, on a periodic and as-needed basis, when notified by the County’s Contract Administrator.

The requested services will also require septic waste disposal and as-needed removal of hazardous waste in emergent situations. In addition, the Contractor(s) shall ensure that its employees are trained and equipped with all of the required safety equipment needed to work in confined areas (e.g., storm drains).

All requested services for work will be assigned via release of a Work Order (Exhibit C). Qualified Vendors may submit a Statement of Qualifications (SOQ) for the requested services provided the minimum qualifications prescribed in this RFSQ are met.

1.2 OVERVIEW OF SOLICITATION DOCUMENT

1.5 MASTER AGREEMENT PROCESS

The objective of this RFSQ process is to secure one or more qualified Contractors to provide as-needed emergency and non-emergency hazardous waste removal services. Specific tasks, deliverables, etc. will be determined at the time the Department requests Work Order bids.

1.5.1 Master Agreements will be executed with all Vendors determined to be qualified and who meet the minimum mandatory qualifications in Subparagraph 1.4.

1.5.2 Upon the Department’s execution of these Master Agreements, the qualified Vendors will become County Contractors, and thereafter be solicited under competitive conditions to provide as-needed emergency and non-emergency hazardous waste removal services under Work Orders to be issued by the County. Work Orders shall include a Statement of Work which shall describe in detail the particular project and the work required for the performance thereof.
1.5.3 Payment for all work shall be either on a time and materials basis or on a fixed price per deliverable basis, subject to the Total Maximum Compensation specified on each individual Work Order.

1.5.4 The execution of a Master Agreement does not guarantee a Contractor any minimum amount of business. County does not promise, warrant or guarantee that County will utilize any particular Contractor’s services or any services at all during the term of the Master Agreement.

1.6 MASTER AGREEMENT TERM

1.6.1 It is anticipated that the Master Agreement recommended to the Board of Supervisors for each qualified Contractor shall be for a period of three years, with five one-year renewal options. Renewal options may be exercised with each Contractor at the sole discretion of the Director.

1.6.2 The Master Agreement between the Contractor and County shall become effective upon the date of execution by the Director.

The Master Agreement will become effective upon the date of its execution by the Director of the Department of Beaches and Harbors or his designee and expire June 30, 2018, unless sooner extended or terminated.

1.7 COUNTY RIGHTS AND RESPONSIBILITIES

No oral amendments of the RFSQ are authorized and only the Director of the Department has the right to amend the RFSQ by written addendum. Such addendum shall be made available to each person or organization which the Department records indicate has received this RFSQ. Should such addendum require additional information not previously requested, failure to address the requirements of such addendum may result in the SOQ not being considered, as determined in the sole discretion of the Department. The County is not responsible for, and shall not be bound by, any representations otherwise made by any individual acting or purporting to act on its behalf.
The Department is responsible only for that which is expressly stated in the solicitation document and any authorized written addenda thereto.

1.8 **DIRECTOR TO INTERPRET RFSQ**

Should there be any uncertainty, ambiguity, or discrepancy in the terms of the RFSQ or any dispute about their meaning or applicability, the Director shall be consulted and will interpret them. The Director’s interpretation shall be binding upon all parties. Should any Vendor rely on any provision of the RFSQ that is alleged or determined to be uncertain or ambiguous without referring the matter for resolution to the Director, the Vendor does so at its own risk.

1.9 **CONTRACT TERM**

It is anticipated that the Master Agreement term recommended to the Board of Supervisors shall be for a period of three years with five one-year renewal options. Renewal options may be exercised at the sole discretion of the Director. 1.21.2 Vendors are hereby notified that, in accordance with Chapter 2.202 of the County Code, the County may determine whether the Vendor is responsible based on a review of the Vendor’s performance on any contracts, including but not limited to County contracts. Particular attention will be given to violations of labor laws related to employee compensation and benefits, and evidence of false claims made by the Vendor against public entities. Labor law violations which are the fault of the subcontractors and of which the Vendor had no knowledge shall not be the basis of a determination that the Vendor is not responsible.

1.21.3 The County may declare a Vendor to be non-responsible for purposes of this contract if the Board of Supervisors, in its discretion, finds that the Vendor has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Vendor’s quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or omission which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.

The Department shall provide the Vendor and/or the Vendor’s representative with an opportunity to present evidence as to why the Vendor should be found to
be responsible and to rebut evidence which is the basis for the Department’s recommendation.

1.21.5 If the Vendor presents evidence in rebuttal to the Department, the Department shall evaluate the merits of such evidence, and based on that evaluation, make a recommendation to the Board of Supervisors. The final decision concerning the responsibility of the Vendor shall reside with the Board of Supervisors.

1.21.6 These terms shall also apply to proposed subcontractors of Vendors on County contracts.

1.22 VENDOR DEBARMENT

1.22.1 The Vendor is hereby notified that, in accordance with Chapter 2.202 of the County Code, the County may debar the Vendor from bidding or proposing on, or being awarded, and/or performing work on other County contracts for a specified period of time, which generally will not exceed five (5) years but may exceed five (5) years or be permanent if warranted by the circumstances, and the County may terminate any or all of the Vendor’s existing contracts with County, if the Board of Supervisors finds, in its discretion, that the Vendor has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Vendor’s quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or offense which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.

1.22.2 If there is evidence that the apparent highest ranked Vendor may be subject to debarment, the Department shall notify the Vendor in writing of the evidence which is the basis for the proposed debarment, and shall advise the Vendor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
1.22.3 The Contractor Hearing Board shall conduct a hearing where evidence on the proposed debarment is presented. The Vendor and/or Vendor’s representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Vendor should be debarred, and, if so, the appropriate length of time of the debarment. The Vendor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

1.22.4 After consideration of any objections, or if no objections are received, a record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.

1.22.5 If a Vendor has been debarred for a period longer than five (5) years, that Vendor may, after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Vendor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.

1.22.6 The Contractor Hearing Board will consider requests for review of a debarment determination only where (1) the Vendor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will
provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

1.22.7 The Contractor Hearing Board’s proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

The policy may provide that employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the employee’s regular pay the fees received for jury service. For purposes of the Jury Service Program, “employee” means any California resident who is a full-time employee of a Contractor and “full-time” means 40 hours or more worked
per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) the Contractor has a long-standing practice that defines the lesser number of hours as full-time. Therefore, the Jury Service Program applies to all of a Contractor’s full-time California employees, even those not working specifically on the County project. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program.

1.32.2 There are two ways in which a Contractor might not be subject to the Jury Service Program. The first is if the Contractor does not fall within the Jury Service Program’s definition of “Contractor”. The Jury Service Program defines “Contractor” to mean a person, partnership, corporation or other entity which has a contract with the County or a Subcontract with a County Contractor and has received or will receive an aggregate sum of $50,000 or more in any 12-month period under one or more County contracts or subcontracts. The second is if the Contractor meets one of the two exceptions to the Jury Service Program. The first exception concerns small businesses and applies to Contractors that have 1) ten or fewer employees; and, 2) annual gross revenues in the preceding twelve months which, if added to the annual amount of this Contract is less than $500,000, and, 3) is not an “affiliate or subsidiary of a business dominant in its field of operation”. The second exception applies to Contractors that possess a collective bargaining agreement that expressly supersedes the provisions of the Jury Service Program. The Contractor is subject to any provision of the Jury Service Program not expressly superseded by the collective bargaining agreement.

1.32.3 If a Contractor does not fall within the Jury Service Program’s definition of “Contractor” or if it meets any of the exceptions to the Jury Service Program, then the Contractor must so indicate in the Certification Form and Application for Exception, Form P-6, and include with its submission all necessary documentation to support the claim such as tax returns or a collective bargaining agreement, if applicable. Upon reviewing the
Contractor’s application, the County will determine, in its sole discretion, whether the Contractor falls within the definition of Contractor or meets any of the exceptions to the Jury Service Program. The County’s decision will be final.

1.33 LOCAL SMALL BUSINESS ENTERPRISE PREFERENCE PROGRAM

1.33.1 In reviewing Work Order Bids the County will give Local SBE preference during the solicitation process to businesses that meet the definition of a Local Small Business Enterprise (Local SBE), consistent with Chapter 2.204.030C.1 of the Los Angeles County Code. A Local SBE is defined as: 1) A business certified by the State of California as a small business and 2) has had its principal office located in Los Angeles County for at least one year. The business must be certified by the Department of Consumer and Business Affairs as meeting the requirements set forth in 1 and 2 above prior to requesting the Local SBE Preference in a solicitation.

1.33.2 To apply for certification as a Local SBE, businesses may register at the Department of Consumer and Business Affairs web-site at: http://laosb.org

1.33.3 Certified Local SBEs must request the SBE Preference in their solicitation responses and may not request the preference unless the certification process has been completed and certification affirmed. Businesses must attach the Local SBE Certification Letter to the Required Form - Request for Local SBE Preference Program Consideration and CBE Firm/Organization Information Form – Form P-10 with their SOQ. Sanctions and financial penalties may apply to a business that knowingly, and with intent to defraud, seeks to obtain or maintain certification as a certified Local SBE.

1.33.4 Information about the State’s small business enterprise certification regulations is in the California Code of Regulations, Title 2, Subchapter 8, Section 1896 et seq., and is also available on the California Department of General Services Office of Small Business Certification and Resources Web site at http://www.pd.dgs.ca.gov/smbus/default

1.35 NOTIFICATION TO COUNTY OF PENDING ACQUISITIONS/MERGERS BY PROPOSING COMPANY

The Vendor shall notify the County of any pending acquisitions/mergers of their company. This information shall be provided by the Vendor on Form P-1. Failure of the Vendor to provide this information may eliminate its SOQ from any further consideration.

1.36 TRANSITIONAL JOB OPPORTUNITIES PREFERENCE PROGRAM

1.36.1 In reviewing Work Order bids, the County will give preference to businesses that are certified by the County as Transitional Job Opportunity vendors, consistent with Chapter 2.205 of the Los Angeles County Code. A Certified Transitional Job Opportunity vendor is, and has been such for three (3) years, an entity: 1) that is a non-profit organization recognized as tax exempt pursuant to section 501 (c) (3) of the Internal Revenue Code; set forth, under penalty of perjury, such information as requested by the County on either electronic or hard copy forms, along with their application form and three most recent annual tax returns to the department with their SOQ response to the contracting solicitation for which they are competing; 2) has been in operation for at least one year providing transitional job and the related supportive services to program participants; and 3) provide a profile of their program with a description of their program components designed to assist program participants, number of past program participants, and any other information requested by a contracting department.
1.36.2 Transitional Job Opportunities vendors must request the preference in their solicitation response and may not receive the preference until their certification has been affirmed by the applicable department. County must verify the Transitional Job Opportunity vendor certification prior to applying the preference. Sanctions and financial penalties may apply to a Vendor that knowingly and with intent to defraud seeks to obtain or maintain certification as a Transitional Job Opportunities vendor.

1.36.3 To request the Transitional Job Opportunities Preference, Vendor must complete the Transitional Job Opportunities Preference Application – Form P-11 and submit it along with all supporting documentation with their SOQ.

1.37 COUNTY’S DEFAULTED PROPERTY TAX REDUCTION PROGRAM

The prospective Master Agreement is subject to the requirements of the County’s Defaulted Property Tax Reduction Program (“Defaulted Tax Program”) (Los Angeles County Code, Chapter 2.206). Prospective Contractors should carefully read the Defaulted Property Tax Reduction Program, Exhibit H, and the pertinent provisions of the Master Agreement, Appendix A, Sub-paragraph 8.50 and 8.51, both of which are incorporated by reference into and made a part of this solicitation. The Defaulted Tax Programs applies to both Contractors and their Subcontractors.

Vendors shall be required to certify that they are in full compliance with the provisions of the Defaulted Tax Program and shall maintain compliance during the term of any contract that may be awarded pursuant to this solicitation or shall certify that they are exempt from the Defaulted Tax Program by completing Certification of Compliance with the County’s Defaulted Property Tax Reduction Program, Form P-14, Appendix C, Required Forms. Failure to maintain compliance, or to timely cure defects, may be cause for termination of a contract or initiation of debarment proceedings against the non-compliance contractor (Los Angeles County Code, Chapter 2.202).
SOQs that fail to comply with the certification requirements of the Defaulted Tax Program will be considered non-responsive and excluded from further consideration.

**1.38 DISABLED VETERAN BUSINESS ENTERPRISE PREFERENCE PROGRAM**

1.38.1 The County will give preference during the solicitation to businesses that meet the definition of a Disabled Veteran Business Enterprise, consistent with Chapter 2.211 of the Los Angeles County Code. A Disabled Veteran Business Enterprise vendor is defined as:

- A business which is certified by the State of California as a Disabled Veteran Business Enterprise; or
- A business which is certified by the Department of Veterans Affairs as a Service Disabled Veteran Owned Small Business (SDVOSB).

1.38.2 Certified Disabled Veteran Business Enterprise vendors must request the preference in their solicitation responses and may not request the preference unless the certification process has been completed and certification is affirmed.

1.38.3 In no case shall the Disabled Veteran Business Enterprise Preference Program price or scoring preference be combined with any other county preference program to exceed eight percent (8%) in response to any county solicitation.

1.38.4 Sanctions and financial penalties may apply to a business that knowingly, and with intent to defraud, seeks to obtain or maintain certification as a Certified Disabled Veteran Business Enterprise.

1.38.5 To request the Disabled Veteran Business Enterprise Preference, Vendor must complete and submit the Request for Disabled Veteran Business Enterprise Consideration form in Appendix C, Required Forms, Form P-15, with supporting documentation with their proposal.

3.0 SOQ REVIEW/SELECTION/QUALIFICATION PROCESS

3.1 REVIEW PROCESS

SOQs will be subject to a detailed review by qualified County staff. The review process will include the following steps:

3.1.1 Adherence to Minimum Mandatory Qualifications

County shall review the Vendor’s Organization and Questionnaire/Affidavit and Business and Financial Summary, Forms P-1 and P-3 of Appendix C, Required Forms, and determine if the Vendor meets the minimum mandatory qualifications as outlined in sub-paragraph 1.4 of this RFSQ. Failure of the Vendor to comply with the minimum qualifications may eliminate its SOQ from any further consideration. The Department may elect to waive any informality in an SOQ if the sum and substance of the SOQ is present.

3.1.2 Vendor’s Qualifications

County’s review shall include the following:

- Vendor’s Background and Experience as provided in Forms P-1 and P-2 of the SOQ.
- Vendor’s References as provided in Form P-3 of the SOQ. The review will include verification of references submitted, a review of the County’s Contract Database, if applicable, reflecting past performance history on County contracts, and a review of terminated contracts.
- A review to determine the magnitude of any pending litigation or judgments against the Vendor as provided in Section 2.7.4.

3.1.3 Required Forms

All forms identified in Section 2.7.4 and included in Appendix C must be submitted with the SOQ.

3.2 DISQUALIFICATION REVIEW

A SOQ may be disqualified from consideration because a Department determined it was non-responsive at any time during the review/evaluation process. If a Department determines that an SOQ is disqualified due to non-responsiveness, the Department shall notify the Vendor in writing.
Upon receipt of the written determination of non-responsiveness, the Vendor may submit a written request for a Disqualification Review within the timeframe specified in the written determination.

A request for a Disqualification Review may, in the Department’s sole discretion, be denied if the request does not satisfy all of the following criteria:

1. The person or entity requesting a Disqualification Review is a Vendor;
2. The request for a Disqualification Review is submitted timely (i.e., by the date and time specified in the written determination); and
3. The request for a Disqualification Review asserts that the Department’s determination of disqualification due to non-responsiveness was erroneous (e.g. factual errors, etc.) and provides factual support on each ground asserted as well as copies of all documents and other material that support the assertions.

The Disqualification Review shall be completed and the determination shall be provided to the requesting Vendor, in writing, prior to the conclusion of the evaluation process.

3.3 SELECTION/QUALIFICATION PROCESS

The Department will generally select Vendors that have experience in providing a broad range of as-needed emergency and non-emergency hazardous waste removal services. However, in order to ensure the Department has a varied pool of qualified Contractors, the Department may execute Master Agreements with Vendors that provide a more narrow scope of services in highly specialized areas.

3.4 MASTER AGREEMENT AWARD

Vendors who are notified by the Department that they appear to have the necessary qualifications and experience (i.e., they are qualified) may still not be recommended for a Master Agreement if other requirements necessary for award have not been met. Other requirements may include acceptance of the terms and conditions of the Master Agreement, and/or satisfactory documentation that required insurance will be obtained. Only when all such matters have been
demonstrated to the Department’s satisfaction can a Vendor, which is otherwise
deemed qualified, be regarded as “selected” for recommendation of a Master
Agreement.
The Department will execute Board of Supervisors-authorized Master
Agreements with each selected vendor. All Vendors will be informed of the final
selections.

3.0 WORK

3.1 Pursuant to the provisions of this Master Agreement, the Contractor shall fully perform, complete and deliver on time, all tasks, deliverables, services and other work as set forth herein.

3.2 County procedures for issuing and executing Work Orders are set forth in this Section. Upon determination by the Department, solicitation of as-needed hazardous waste removal services will be requested first by issuing a Work Order solicitation containing a Statement of Work to all Qualified Contractors from the list. Each interested Qualified Contractor contacted shall submit a bid to the Department within the timeframe specified in the Work Order. The County shall execute the Work Order with the lowest cost Qualified Contractor unless the Work Order specifies bid evaluation criteria other than lowest cost.
Should the County require emergency services, County has the sole discretion to issue a Work Order to the first available, lowest cost Qualified Contractor able to respond within the timeframe specified in the Work Order. It is understood by Contractor that County’s competitive bidding procedure may have the effect that no Work Orders are awarded to some Master Agreement Qualified Contractors. Failure of Contractor to provide a bid within the specified timeframe may disqualify Contractor for that particular Work Order.

3.3 Work Orders shall generally conform to Exhibit C, and shall include an attached Statement of Work, which shall describe in detail the particular project and the work required for the performance thereof. Payment for all work shall be either on a time and materials basis or on a fixed price per deliverable basis, subject to the Total Maximum Compensation specified on each individual Work Order.

3.4 If Contractor provides any task, deliverable, service, or other work to County that utilizes other than approved Contractor personnel, and/or that goes beyond the Work Order expiration date, and/or that exceeds the Total Maximum Compensation as specified in the Work Order as originally written or modified in accordance with Section 4.3 or Section 8.1, Amendments, these shall be gratuitous efforts on the part of Contractor for which Contractor shall have no claim whatsoever against County.

3.5 County estimates that selection of any Contractor shall occur within seven (7) business days of the selected bid. Following selection, all Contractors selected must be available to meet with the Department on the starting date specified in the Work Order. Inability of Contractor to comply with such commencement date may be cause for disqualification of Contractor from the particular Work Order as determined in the sole discretion of the Department’s Contract Administrator or authorized designee.

3.6 In the event Contractor defaults three times under Sub-Paragraph 3.5 within a given County fiscal year, then County may terminate this Master Agreement pursuant to Section 8.42, Termination for Default.
4.0 TERM OF MASTER AGREEMENT

4.1 Initial Term
This Master Agreement is effective upon the date of its execution by the Director or his/her designee as authorized by the Board of Supervisors. This Master Agreement shall expire on June 30, 2018 unless sooner extended or terminated, in whole or in part, as provided herein.

4.2 Five One-Year Extension Options
If the Director of the County’s Department of Beaches and Harbors (the “Director”) determines that it is in the best interest of the County to do so, he may grant up to five one-year extensions of the Contract term. Each such option and extension shall be exercised at the sole discretion of the Director or his designee. The Director may exercise the first option by notifying the Contractor in writing before the Contract expiration date. The Director may exercise the subsequent option years by notifying the Contractor in writing before the expiration of the proceeding optional Contract Year.

The County maintains databases that track/monitor contractor performance history. Information entered into such databases may be used for a variety of purposes, including determining whether the County will exercise a Contract term extension option.

4.3 Extension to Complete Work Orders
The Director may extend the Master Agreement term or any optional Contract Year on a month-to-month basis subject to the Master Agreement’s terms and conditions, but only to allow the contractor to complete a Work Order approved before the expiration of the Master Agreement term or optional Contract Year. Such extensions are further subject to the availability of funds in the Department’s budget. Up to 12 such one-month extensions may be granted, which shall be effective only if executed in writing by the Director or Chief Deputy.
4.4 **Contractor to Notify County when it is within Six Months from Expiration of Term**

The Contractor shall notify the County’s Department of Beaches and Harbors (the “Department”) when this Master Agreement is within six (6) months from the expiration of the term as provided for hereinabove. Upon occurrence of this event, Contractor shall send written notification to the Department.

5.0 **CONTRACT SUM**

5.1 Contractor shall not be entitled to any payment by County under this Master Agreement except pursuant to validly executed and satisfactorily performed Work Orders. In each year of this Master Agreement, the total of all amounts actually expended by County hereunder (“maximum annual expenditures”) may not exceed $242,000. The County has sole discretion to expend some, all or none of such budgeted amounts. The sum of such annual expenditures for the duration of the Master Agreement is the Contract Sum. The County may, at its discretion, expend any portion, all or none of the Contract Sum. However, aggregate annual payments for as-needed hazardous waste removal services may exceed the Contract Sum to the extent that another County department, a lessee or other third party is obligated to reimburse the Department of Beaches and Harbors and/or County for its as-needed hazardous waste removal services, except that such work performed must be limited to Marina del Rey and/or beaches owned, controlled or managed by Los Angeles County.

5.2 The Contractor shall not be entitled to payment or reimbursement for any tasks or services performed, nor for any incidental or administrative expenses whatsoever incurred in or incidental to performance hereunder, except as specified herein. Assumption or takeover of any of the Contractor’s duties, responsibilities, or obligations, or performance of same by any entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other
mechanism, with or without consideration for any reason whatsoever, shall occur only with the County’s express prior written approval.

5.3 **Increase of Contract Sum by Director**

Notwithstanding Section 5.1, the Director may increase the maximum amount payable under all Work Orders issued on this Master Agreement (as authorized by the Board of Supervisors) up to 10 percent in any year of the Master Agreement or any extension period to cover needed, increased services in the scope of the Master Agreement, subject to the availability of funds in the Department’s budget. Such increases shall not be cumulative.

5.4 **No Payment for Services Provided Following Expiration/Termination of Master Agreement**

Contractor shall have no claim against County for payment of any money or reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of this Master Agreement. Should Contractor receive any such payment it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration/termination of this Master Agreement shall not constitute a waiver of County’s right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Master Agreement.

5.5 **Invoices and Payments**

The Contractor shall invoice the County only for providing the tasks, deliverables, goods, services and other work as specified in an assigned Work Order issued under this Master Agreement. Payment for all work shall be subject to the Total Maximum Compensation specified in each Work Order less any amounts assessed in accordance with Section 8.25, Liquidated Damages. Contractor shall be paid only for the tasks, deliverables, goods, services and other work approved in writing by the County. If the County does not
approve work in writing, no payment shall be due to the Contractor for that work. County shall not pay Contractor for any overtime premiums, travel expenses, meals, lodging, holidays, vacation, sick leave, per diem, or miscellaneous expenses, etc.

5.5.1 Submission of Invoices
The Contractor shall submit its invoice to the Department by the 15th of the month following the month work was performed. The Contractor shall submit two copies of each invoice. Each invoice submitted shall identify:

- Itemized dates, hours and work performed
- Name of Work Order

Any legal defense pursuant to Contractor’s indemnification obligations under this Paragraph 8.5 shall be conducted by Contractor and performed by counsel selected by Contractor and approved by County. Notwithstanding the preceding sentence, County shall have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County shall be entitled to retain its own counsel, including, without limitation, County Counsel, and reimbursement from Contractor for all such costs and expenses incurred by County in doing so. Contractor shall not have the right to enter into any settlement, agree to any injunction or other equitable relief, or make any admission, in each case, on behalf of County without County’s prior written approval.
8.6 COMPLIANCE WITH CIVIL RIGHTS LAWS

The Contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000 (e) (1) through 2000 (e) (17), to the end that no person shall, on the grounds of race, creed, color, sex, religion, ancestry, age, condition of physical handicap, marital status, political affiliation, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Master Agreement or under any project, program, or activity supported by this Master Agreement. The Contractor shall comply with Form P-5 – Vendor’s EEO Certification, Appendix C, Required Forms.

8.7 COMPLIANCE WITH COUNTY’S JURY SERVICE PROGRAM

8.7.1 Jury Service Program: This Master Agreement is subject to the provisions of the County’s ordinance entitled Contractor Employee Jury Service (“Jury Service Program”) as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code, a copy of which is attached as Exhibit D and incorporated by reference into and made part of this Master Agreement.

8.7.2 Written Employee Jury Service Policy

1. Unless the Contractor has demonstrated to the County’s satisfaction either that the Contractor is not a “Contractor” as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that the Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), the Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee’s regular pay the fees received for jury service.
2. For purposes of this sub-paragraph, “Contractor” means a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of $50,000 or more in any 12-month period under one or more County contracts or subcontracts. “Employee” means any California resident who is a full time employee of Contractor. “Full-time” means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the County under the Master Agreement, the subcontractor shall also be subject to the provisions of this sub-paragraph. The provisions of this sub-paragraph shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.

3. If the Contractor is not required to comply with the Jury Service Program when the Master Agreement commences, the Contractor shall have a continuing obligation to review the applicability of its “exception status” from the Jury Service Program, and the Contractor shall immediately notify the County if the Contractor at any time either comes within the Jury Service Program’s definition of “Contractor” or if the Contractor no longer qualifies for an exception to the Jury Service Program. In either event, the Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Master Agreement and at its sole discretion, that the Contractor demonstrate to the County’s satisfaction that the Contractor either continues to remain outside of
the Jury Service Program’s definition of “Contractor” and/or that the Contractor continues to qualify for an exception to the Program.

4. Contractor’s violation of this sub-paragraph of the Master Agreement may constitute a material breach of the Master Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Master Agreement and/or bar the Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

8.8 CONFLICT OF INTEREST

8.8.1 No County employee whose position with the County enables such employee to influence the award of this Master Agreement or any competing Master Agreement, and no spouse or economic dependent of such employee, shall be employed in any capacity by the Contractor or have any other direct or indirect financial interest in this Master Agreement. No officer or employee of the Contractor who may financially benefit from the performance of work hereunder shall in any way participate in the County’s approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County’s approval or ongoing evaluation of such work.

8.8.2 The Contractor shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Master Agreement. The Contractor warrants that it is not now aware of any facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to the County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this Section 8.8 shall be a material breach of this Master Agreement.
8.9 CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFF/OR RE-EMPLOYMENT LIST

Should the Contractor require additional or replacement personnel after the effective date of this Master Agreement to perform the services set forth herein, the Contractor shall give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Master Agreement.

8.10 CONSIDERATION OF HIRING GAIN/GROW PARTICIPANTS

8.10.1 Should the Contractor require additional or replacement personnel after the effective date of this Master Agreement, the Contractor shall give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet the Contractor’s minimum qualifications for the open position. For this purpose, consideration shall mean that the Contractor will interview qualified candidates. The County will refer GAIN/GROW participants by job category to the Contractor. Contractors shall report all job openings with job requirements to: GainGrow@dpss.lacounty.gov to obtain a list of qualified GAIN/GROW job candidates.

8.10.2 In the event that both laid-off County employees and GAIN/GROW participants are available for hiring, County employees shall be given first priority.

8.11 CONTRACTOR RESPONSIBILITY AND DEBARMENT

8.11.1 Responsible Contractor

A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County’s policy to conduct business only with responsible Contractors.
8.11.2 Chapter 2.202 of the County Code

The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other contracts which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in this Master Agreement, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing Contracts the Contractor may have with the County.

8.11.3 Non-responsible Contractor

The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County, (2) committed an act or omission which negatively reflects on the Contractor’s quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.

8.11.4 Contractor Hearing Board

1. If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

2. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor’s representative shall be given an opportunity to submit
evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

3. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

4. If a Contractor has been debarred for a period longer than five (5) years, that Contractor may after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.

5. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Contractor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the
Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

6. The Contractor Hearing Board’s proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

8.13.2 As required by the County’s Child Support Compliance Program (County Code Chapter 2.200) and without limiting the Contractor’s duty under this Master Agreement to comply with all applicable provisions of law, the Contractor warrants that it is now in compliance and shall during the term of this Master Agreement maintain in compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

8.14 COUNTY’S QUALITY ASSURANCE PLAN

The County or its agent will evaluate the Contractor’s performance under this Master Agreement on not less than an annual basis. Such evaluation will include assessing the Contractor’s compliance with all Master Agreement terms and conditions and performance standards. Contractor deficiencies which the County determines are severe or continuing and that may place performance of the Master Agreement in jeopardy if not corrected will be reported to the Board of Supervisors. The report will include improvement/corrective action measures taken by the County and the Contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate this Master Agreement or impose other penalties as specified in this Master Agreement.

8.15.1 The Contractor shall repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings, or grounds caused by the Contractor or employees or agents of the Contractor. The Contractor shall obtain, from all employees performing work hereunder, all verification and other documentation of employment eligibility status required by Federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986, (P.L. 99-603), or as they currently exist and as they may be hereafter amended. The Contractor shall retain all such documentation for all covered employees for the period prescribed by law.

8.17 **FACSIMILE REPRESENTATIONS**

The County and the Contractor hereby agree to regard facsimile representations of original signatures of authorized officers of each party, when appearing in appropriate places on the Amendments prepared pursuant to Section 8.1, and received via communications facilities, as legally sufficient evidence that such original signatures have been affixed to Amendments to this Master Agreement, such that the parties need not follow up facsimile transmissions of such documents with subsequent (non-facsimile) transmission of “original” versions of such documents.

8.18 **FAIR LABOR STANDARDS**

The Contractor shall comply with all applicable provisions of the Federal Fair Labor Standards Act and shall indemnify, defend, and hold harmless the County and its agents, officers, and employees from any and all liability, including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys' fees arising under any wage and hour law, including, but not limited to, the Federal Fair Labor Standards Act, for work performed by the Contractor's employees for which the County may be found jointly or solely liable.

8.19 **FORCE MAJEURE**

8.19.2 Notwithstanding the foregoing, a default by a subcontractor of Contractor shall not constitute a force majeure event, unless such default arises out
of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, Contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this sub-paragraph, the term “subcontractor” and “subcontractors” mean subcontractors at any tier.

8.19.3 In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

8.20 GOVERNING LAW, JURISDICTION, AND VENUE
This Master Agreement shall be governed by, and construed in accordance with, the internal laws of the State of California. The Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Master Agreement and further agrees and consents that venue of any action brought hereunder shall be exclusively in the County of Los Angeles.

These minimum insurance coverage terms, types and limits (the “Required Insurance”) also are in addition to and separate from any other contractual obligation imposed upon Contractor.

- During the term of this Master Agreement, the Contractor shall not, and shall not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of the County without the prior written consent of the County's Contractor Administrator. The County shall not unreasonably withhold written consent.

8.36.2 The Contractor may, without the prior written consent of County, indicate in its proposals and sales materials that it has been awarded this Master Agreement with the County of Los Angeles, provided that the requirements of this Section 8.36 shall apply.

8.37 RECORD RETENTION AND INSPECTION/AUDIT SETTLEMENT

The Contractor shall maintain accurate and complete financial records of its activities and operations relating to this Master Agreement in accordance with generally accepted accounting principles. The Contractor shall also maintain accurate and complete employment and other records relating to its performance of this Master Agreement. The Contractor agrees that the County, or its authorized representatives, shall have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Master Agreement. All such material, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary
data and information, shall be kept and maintained by the Contractor and shall be made available to the County during the term of this Master Agreement and for a period of five (5) years thereafter unless the County’s written permission is given to dispose of any such material prior to such time. All such material shall be maintained by the Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the County’s option, the Contractor shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.

8.37.1 In the event that an audit of the Contractor is conducted specifically regarding this Master Agreement by any Federal or State auditor, or by any auditor or accountant employed by the Contractor or otherwise, then the Contractor shall file a copy of such audit report with the County’s Auditor-Controller within thirty (30) days of the Contractor’s receipt thereof, unless otherwise provided by applicable Federal or State law or under this Master Agreement. Subject to applicable law, the County shall make a reasonable effort to maintain the confidentiality of such audit report(s).

8.37.2 Failure on the part of the Contractor to comply with any of the provisions of this Section 8.37 shall constitute a material breach of this Master Agreement upon which the County may terminate or suspend this Master Agreement.

8.37.3 If, at any time during the term of this Master Agreement or within five (5) years after the expiration or termination of this Master Agreement, representatives of the County conduct an audit of the Contractor regarding the work performed under this Master Agreement, and if such audit finds that the County’s dollar liability for any such work is less than payments made by the County to the Contractor, then the difference shall be either: a) repaid by the Contractor to the County by cash payment upon demand or b) at the sole option of the County’s Auditor-Controller, deducted from any amounts due to the Contractor from the County, whether under this Master Agreement or otherwise. If such audit finds that the County’s dollar liability
for such work is more than the payments made by the County to the Contractor, then the difference shall be paid to the Contractor by the County by cash payment, provided that in no event shall the County's maximum obligation for this Master Agreement exceed the funds appropriated by the County for the purpose of this Master Agreement.

8.38 RECYCLED BOND PAPER
Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use recycled-content paper to the maximum extent possible on this Master Agreement.

8.39 SUBCONTRACTING
8.39.1 The requirements of this Master Agreement may not be subcontracted by the Contractor without the advance written approval of the County. Any attempt by the Contractor to subcontract without the prior consent of the County may be deemed a material breach of this Master Agreement.

8.39.2 If the Contractor desires to subcontract, the Contractor shall provide the following information promptly at the County's request:

- A description of the work to be performed by the Subcontractor;
- A draft copy of the proposed subcontract; and
- Other pertinent information and/or certifications requested by the County.

8.39.3 The Contractor shall indemnify, defend and hold the County harmless with respect to the activities of each and every Subcontractor in the same manner and to the same degree as if such Subcontractor(s) were the Contractor employees.

8.39.4 The Contractor shall remain fully responsible for all performances required of it under this Master Agreement, including those that the Contractor has determined to subcontract, notwithstanding the County's approval of the Contractor's proposed subcontract.
8.39.5 The County’s consent to subcontract shall not waive the County’s right to prior and continuing approval of any and all personnel, including Subcontractor employees, providing services under this Master Agreement. The Contractor is responsible to notify its Subcontractors of this County right.

8.39.6 The Department’s Director is authorized to act for and on behalf of the County with respect to approval of any subcontract and Subcontractor employees. After approval of the subcontract by the County, Contractor shall forward a fully executed subcontract to the County for their files.

8.39.7 The Contractor shall be solely liable and responsible for all payments or other compensation to all Subcontractors and their officers, employees, agents, and successors in interest arising through services performed hereunder, notwithstanding the County’s consent to subcontract.

8.39.8 The Contractor shall obtain certificates of insurance, which establish that the Subcontractor maintains all the programs of insurance required by the County from each approved Subcontractor. The Contractor shall ensure delivery of all such documents to:

Failure of the Contractor to maintain compliance with the requirements set forth in Section 8.13 - Contractor’s Warranty of Adherence to County’s Child Support Compliance Program, shall constitute default under this Master Agreement. Without limiting the rights and remedies available to the County under any other provision of this Master Agreement, failure of the Contractor to cure such default
within ninety (90) calendar days of written notice shall be grounds upon which the County may terminate this Master Agreement pursuant to Section 8.42 - Termination for Default and pursue debarment of the Contractor, pursuant to County Code Chapter 2.202.

8.41 TERMINATION FOR CONVENIENCE

8.41.1 This Master Agreement may be terminated, in whole or in part, from time to time, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by notice of termination to the Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than ten (10) days after the notice is sent.

8.41.2 After receipt of a notice of termination and except as otherwise directed by the County, the Contractor shall:

- Stop work under this Master Agreement on the date and to the extent specified in such notice, and
- Complete performance of such part of the work as shall not have been terminated by such notice.

8.41.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of the Contractor under this Master Agreement shall be maintained by the Contractor in accordance with Section 8.37, Record Retention & Inspection/Audit Settlement.

8.42 TERMINATION FOR DEFAULT

8.42.1 The County may, by written notice to the Contractor, terminate the whole or any part of this Master Agreement, if, in the judgment of the Department’s Director:

- Contractor has materially breached this Master Agreement; or
• Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Master Agreement; or
• Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this Master Agreement, or of any obligations of this Master Agreement and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.

8.42.2 In the event that the County terminates this Master Agreement in whole or in part as provided in Sub-Paragraph 8.42.1, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. The Contractor shall be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The Contractor shall continue the performance of this Master Agreement to the extent not terminated under the provisions of this Section.

8.42.3 Except with respect to defaults of any Subcontractor, the Contractor shall not be liable for any such excess costs of the type identified in Sub-Paragraph 8.42.2 if its failure to perform this Master Agreement arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a Subcontractor, and if such default arises out of causes beyond the control of both the Contractor and Subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any such excess costs for failure to
perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this Sub-Paragraph 8.42.3, the terms "Subcontractor" and "Subcontractors" mean Subcontractor(s) at any tier.

**8.42.4** If, after the County has given notice of termination under the provisions of this Section 8.42, it is determined by the County that the Contractor was not in default under the provisions of this Section 8.42, or that the default was excusable under the provisions of Sub-Paragraph 8.42.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Section 8.41-Termination for Convenience.

**8.42.5** The rights and remedies of the County provided in this Section 8.42 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Agreement.

**8.43** TERMINATION FOR IMPROPER CONSIDERATION

**8.43.1** The County may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Master Agreement if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Master Agreement or securing favorable treatment with respect to the award, amendment, or extension of this Master Agreement or the making of any determinations with respect to the Contractor’s performance pursuant to this Master Agreement. In the event of such termination, the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

**8.43.2** The Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee
or to the County Auditor-Controller’s Employee Fraud Hotline at (800) 544-6861.

8.43.3 Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

8.44.1 The County may terminate this Master Agreement forthwith in the event of the occurrence of any of the following:

8.46 TERMINATION FOR NON-APPROPRIATION OF FUNDS
Notwithstanding any other provision of this Master Agreement, the County shall not be obligated for the Contractor’s performance hereunder or by any provision of this Master Agreement during any of the County’s future fiscal years unless and until the County’s Board of Supervisors appropriates funds for this Master Agreement in the County’s Budget for each such future fiscal year. In the event that funds are not appropriated for this Master Agreement, then this Master Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

8.47 VALIDITY
If any provision of this Master Agreement or the application thereof to any person or circumstance is held invalid, the remainder of this Master Agreement and the application of such provision to other persons or circumstances shall not be affected thereby.

8.48 WAIVER
No waiver by the County of any breach of any provision of this Master Agreement shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Master Agreement shall not be construed as a waiver thereof. The rights and remedies set forth in this Section 8.48 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Agreement.

8.49 WARRANTY AGAINST CONTINGENT FEES
8.49.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Master Agreement upon any contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established

notice shall be grounds upon which County may terminate this Master Agreement
and/or pursue debarment of Contractor, pursuant to County Code Chapter 2.206.

SUBJECT: BEACH DRIVING AND VEHICLE OPERATION

1.0 INTRODUCTION/PURPOSE

The purpose of this Policy/Procedure is to establish guidelines for safe driving on County-owned or operated beaches, bike paths, and parking lots.

2.0 POLICY

2.1 All beach patrons have the right-of-way on beaches, bike paths, and parking lots.

2.2 The maximum speed while driving on the beach or in the parking lots is 10 M.P.H., and only when conditions allow. The maximum speed while driving on the bike path is 5 M.P.H., and only when conditions allow.

2.3 The Facilities and Property Maintenance Division (FPM) is responsible for off-highway and mileage vehicles on beaches, bike paths, and parking lots. Off-highway vehicles are defined as dump trucks, trash trucks, tractors, self-propelled sanitizers, water trucks, wheel loaders, and tracklaying equipment. Mileage vehicles are defined as pick-up trucks, sports utility vehicles, vans, and stake bed trucks.

2.4 Employees holding the positions of Power Equipment Operator and Utility Tractor Operator are required to maintain a valid Class “A” California Driver License. Refuse Truck and Medium Truck Drivers are required to maintain a valid Class “B” California Drivers License. Mileage vehicle drivers are required to maintain a valid Class “C” California Driver License.

2.5 Heavy equipment operators are required to wear earmuffs to mitigate the noise level(s) generated during vehicle operation. Usage of audio headphones is not permitted.

2.6 Employees whose positions require driving off-highway or mileage vehicles on beaches, bike paths, and parking lots are required to attend Department-sponsored driving programs each year.

2.7 Employees are forbidden to drive under the influence of alcohol and/or drugs. The use of prescribed drugs to such an extent that safe and effective performance is impaired is also prohibited (see Department Policy #2117).

2.8 Off-highway or mileage vehicles may be used on County business only and not to transport unauthorized persons, materials, or equipment.
2.9 Employees shall wear seat belts while operating an off-highway or mileage vehicle.

2.10 Employees are required to follow defensive driving practices established for their protection and that of fellow employees and the public.

2.11 All vehicles shall have back-up alarms, with no exceptions. If a vehicle's back-up alarm is not working, the vehicle shall not be driven.

2.12 Vehicles shall not drive on man-made sand berms.

3.0 PROCEDURES

3.1 Driving on the beach

3.1.1 Employees are required to inspect the off-highway or mileage vehicle prior to driving and report to their immediate supervisors evidence of vandalism or accident damage to the vehicle and/or evidence of any mechanical defect that could impair the safe operation of the vehicle (refer to Department Policy #2914 for preventative maintenance program). If the vehicle is potentially unsafe, it should not be driven, and its condition should be reported to the immediate supervisor.

3.1.2 Tire pressure for driving vehicles on the sand shall range between 18 psi and 20 psi and shall be maintained until inflation is required for highway driving.

3.1.3 When the vehicle is parked, an orange safety cone should be placed approximately five (5) feet both in front and behind the unit's bumpers. This will force the driver to walk around the vehicle before operating it, in order to notice any obstacles or people around the unit.

3.1.4 Operators and drivers must report, in writing, all mechanical defects noted during the vehicle operation. Stop driving immediately when: (1) the engine overheats; (2) it has a flat tire; (3) there is no steering; or (4) there is a fire.

3.1.5 Man-made and natural sand berms.

3.1.5.1 Vehicles shall not drive on man-made sand berms. Operators and drivers shall use extreme caution when driving through the access voids of man-made berms and shall repeatedly apply their horns while entering and exiting the site.

3.1.5.2 Vehicles shall avoid ascending or descending natural berms. There can be a drop where the sand has eroded or been cut off by the surf. If a natural berm must be ascended, the driver should stop the vehicle, survey the area, and proceed only when safe.

3.1.5.3 When ascending or descending a natural berm, do not drive
straight up or down the berm. Instead, the driver should position the vehicle at a 45-degree angle, ensuring that the uphill portion of the berm is on the driver's side.

3.1.5.4 Be aware of children playing near or around berms. Always check visibility from inside the vehicle at the top of the natural berm before beginning a descent.

3.1.6 Vehicle backing up shall be avoided whenever possible. If backing up is unavoidable, the driver should have a co-worker stand behind the vehicle to guide the vehicle back. If driving alone, the driver should employ other options such as: proceeding forward and turning around, or getting out of the vehicle, checking the area, and backing up slowly using extreme caution.

3.1.7 Driving on a jetty without a co-worker who can stand behind the vehicle and guide it when the driver backs up is prohibited.

3.1.8 Extreme caution must be exercised while driving on the beach. Beach patrons may not be aware of a vehicle's presence. Small children tend to run in front of the unit, and caretakers have a tendency to bolt in front of the unit to protect the child.

3.1.9 Storm drains also present driving hazards. Ascending or descending a drainage ditch should not be attempted unless the driver can clearly see that no one is in the vehicle's path. The vehicle should be positioned so that any attempt will be at a slight angle. Ditches and running storm drain water are notorious for soft sand. These areas should be avoided as much as possible, since it is easy to get stuck in the sand. Driving through water should be avoided to the extent possible.

3.1.10 Under normal weather conditions, vehicles on the sand shall not travel at an unsafe speed. Maximum speed is ten (10) M.P.H. for all vehicles except for trash trucks and dump trucks which shall not exceed 15 M.P.H.

3.1.11 When traveling past pier pilings or other obstructions, a driver should be particularly careful about viewing the area given that such obstructions will hamper the driver's ability to see. Children darting from crowds or covered by sand are of particular concern.

3.1.12 When driving on the beach, driving over boards or any other objects shall be avoided.

3.1.13 Whenever operating an off-highway or mileage vehicle, the operator is responsible for maintaining the headlights in the "on" position.

3.1.14 When operating a vehicle at night, the operator should drive on the hard sand closest to the shoreline and use the vehicle's high beams and headlights to locate holes and drainage ditches, as well as beach patrons.
3.2 Shifting into four-wheel drive

3.2.1 Vehicle operators should enter four-wheel drive when leaving the hard top, being certain to shift into the “H” range from wheel drive.

3.2.2 The correct procedure for shifting from two-wheel to four-wheel drive is to stop the vehicle, maintain the wheels in a straight (not turned) position, and shift gear into four-wheel drive before continuing to drive forward. Locking hubs are automatic.

3.2.3 To shift from four-wheel to two-wheel drive, stop the vehicle, shift gear to two-wheel drive, and drive in reverse for one meter (approximately 3 feet) to unlock the hubs. After a click is heard, the driver may proceed forward. When backing up, a co-worker, if present, should stand behind the vehicle to guide the driver.

3.3 Vehicle stuck in the sand

3.3.1 If a vehicle is bogged down in the sand, the driver should slow down using a lower gear and rock forward and backward. Once the vehicle starts to move, even accelerator pressure should be used to proceed safely.

3.3.2 The gas pedal should not be punched while trying to free a vehicle from the soft sand and/or a rut. If progress is not being made, some air pressure from the tires should be relieved. Be sure to restore the tire pressure later.

3.4 Driving on the bike bath

3.4.1 The bike path should be driven on only when safe at a maximum speed of 5 M.P.H. While driving on the bike bath, vehicle flashers and headlights shall be on.

3.4.2 All drivers shall stop their vehicle and look in both directions before crossing the bike bath. Proceed only when safe, and maintain a distance of at least three car lengths between the vehicle and the next moving object (pedestrian, cyclist, roller skater, etc.)

3.4.3 Off-highway and mileage vehicles are permitted to cross the bike path only when safe and when there is no other beach access available.

3.4.4 The Department’s beach restroom cleaning contractor is the only private contractor permitted to use the bike path at Torrance and Redondo Beaches between the hours of 12:00 midnight and 6:00 a.m. when conditions allow and it is safe.

3.4.5 All vehicles are restricted from using any of the vehicle ramps at Torrance and Redondo Beaches. Vehicles and equipment must enter and exit from the Redondo Pier Bike Path at Torrance Blvd.

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

Notice 1015
(Rev. December 2013)
Have You Told Your Employees About the Earned Income Credit (EIC)?

What is the EIC?
The EIC is a refundable tax credit for certain workers.

Which Employees Must I Notify About the EIC?
You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Allowance Certificate.

Note. You are encouraged to notify each employee whose wages for 2013 are less than $51,567 that he or she may be eligible for the EIC.

How and When Must I Notify My Employees?
You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2014.

You must hand the notice directly to the employee or send it by first-class mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice from IRS.gov or by calling 1-800-829-3676.

How Will My Employees Know If They Can Claim the EIC?
The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see Pub. 596, Earned Income Credit (EIC), or the instructions for Form 1040, 1040A, or 1040EZ.

How Do My Employees Claim the EIC?
Eligible employees claim the EIC on their 2013 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2013 and owes no tax but is eligible for a credit of $800, he or she must file a 2013 tax return to get the $800 refund.

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?
California’s Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

How does it work?
A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?
Parents who change their minds can begin the process of reclaiming their baby within 14 days. Those parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?
No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?
No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?
No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?
The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?
Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?
The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby’s death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby’s story
Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby’s aunt and stated the baby’s mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregó recibirá un brazalete igual.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?
No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregó al bebé que llene un cuestionario con la finalidad de recibir antecedentes médicos importantes. Los trabajadores del hospital o cuartel de bomberos le proporcionarán al padre/madre o adulto que entregó al bebé una copia del cuestionario.

¿Qué pasará con el bebé?
El bebé será examinado y le brindarán atención médica. Cuando deje el hospital, los trabajadores sociales de inmediato ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Por qué pasa si el padre/madre desea recuperar a su bebé?
Los padres que cambian de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Ángeles al 1-800-540-4080.

¿Sólo los padres podrán llevar al recién nacido?
No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen cuidado legal.

¿Los padres o el adulto que entregan al bebé deben llamar antes de llevar al bebé?
No. El padre/madre o adulto que lleva el bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen al bebé a un empleado del hospital o cuartel de bomberos.

Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Ángeles.

Historia de un bebé
A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó al recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Llevaban la ropa del bebé en un brazalete con un número que coincidía con el número de la madre del bebé. Esta identificación en caso de que la madre cambiara de opinión. La enfermera del bebé decidió recargarlo en el periodo de 14 días que permite esta ley. La tía le dio a la enfermera el número del cuestionario médico y ella dijo que la madre lo llevaba y lo envió por correo electrónico donde en otro hospital con un colegio pagado que le habían dado. El personal médico examinó al bebé y determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada por el Departamento de Servicios para Niños y Familias.

County of Los Angeles Policy on Doing Business with Small Business

Forty-two percent of businesses in Los Angeles County have five or fewer employees. Only about four percent of businesses in the area exceed 100 employees. According to the Los Angeles Times and local economists, it is not large corporations, but these small companies that are generating new jobs and helping move Los Angeles County out of its worst recession in decades.

WE RECOGNIZE... The importance of small business to the County...

- in fueling local economic growth
- providing new jobs
- creating new local tax revenues
- offering new entrepreneurial opportunity to those historically under-represented in business

The County can play a positive role in helping small business grow...

- as a multi-billion dollar purchaser of goods and services
- as a broker of intergovernmental cooperation among numerous local jurisdictions
- by greater outreach in providing information and training
- by simplifying the bid/proposal process
- by maintaining selection criteria which are fair to all
- by streamlining the payment process

WE THEREFORE SHALL:

1. Constantly seek to streamline and simplify our processes for selecting our vendors and for conducting business with them.

2. Maintain a strong outreach program, fully-coordinated among our departments and districts, as well as other participating governments to: a) inform and assist the local business community in competing to provide goods and services; b) provide for ongoing dialogue with and involvement by the business community in implementing this policy.

3. Continually review and revise how we package and advertise solicitations, evaluate and select prospective vendors, address subcontracting and conduct business with our vendors, in order to: a) expand opportunity for small business to compete for our business; and b) to further opportunities for all businesses to compete regardless of size.

4. Insure that staff who manage and carry out the business of purchasing goods and services are well trained, capable and highly motivated to carry out the letter and spirit of this policy.
