RECITALS

A. County and Concessionaire are parties to that certain Concession Agreement for Will Rogers State Beach Park Restaurant dated as of November 1, 1997, as amended by that certain First Amendment to Concession Agreement for Will Rogers State Beach Park Restaurant dated as of February 9, 1999 (as so amended, the "Concession Agreement"), pursuant to which Concessionaire operates a restaurant known as "Gladstone's" on certain real property located in the County of Los Angeles, State of California and more particularly described therein.

The Concession Agreement provides that Concessionaire must provide County, depending on Concessionaire's net worth, with an irrevocable letter of credit in the amount of either Two Million Dollars (\$2,000,000) or the amount that represents three times the Monthly Minimum Rent then in effect. Concessionaire has requested that County modify the letter of credit requirement to provide that the amount thereof must at all times equal the amount that represents three times the Monthly Minimum Rent then in effect, without regard to Concessionaire's net worth. County is willing to do so provided that, among other things, (i) Concessionaire grants County a security interest in the furniture, furnishings, fixtures, equipment and other tangible personal property at the restaurant, and (ii) California Beach Restaurants, Inc., a California corporation and Concessionaire's parent, guaranties the timely payment and performance of Concessionaire's obligations under the Concession Agreement and grants County a security interest in (a) all royalties derived from any licenses of "Gladstone's" name or trademarks and (b) the "Gladstone's" name, trademarks and related rights, all as more particularly provided in, and subject to the conditions contained in, this Amendment.

NOW, THEREFORE, with reference to the foregoing Recitals and the covenants contained herein, and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the parties hereby agree as follows:

1. DEFINITIONS

All initially-capitalized terms used but not defined in this Amendment have the meanings given such terms in the Concession Agreement.

2. EXISTING CONCESSION AGREEMENT

To induce County to enter into this Amendment, Concessionaire hereby represents, warrants, certifies and stipulates that each of the following statements is true and correct:

2.1 Enforceability. The Concession Agreement is valid, binding and enforceable against Concessionaire.

2.2 No Defenses. Concessionaire does not have any defenses, counterclaims or offsets to the payment of any amounts owed under the Concession Agreement.

“2.4.1 County’s Election to Receive Improvements. At the election of County, all structures, buildings, improvements and all alterations, additions, and betterments thereto, and all other improvements made to or upon the Premises shall remain upon and be surrendered with the Premises as part thereof and title thereto

shall vest in County at the expiration of the Term or earlier termination of this Agreement, without compensation therefor to Concessionaire. Nothing contained herein shall be construed to deny or abrogate the right of Concessionaire, prior to the expiration of the Term or termination of this Agreement, to receive any and all proceeds which are attributable to the Condemnation of business installations, improvements, structures and buildings belonging to Concessionaire immediately prior to the taking of possession by the Condemnor as said rights are set forth in Article 7 of this Agreement or, except as otherwise provided in the next sentence, to remove any furniture, any fixtures or equipment not intended to be permanently affixed, any signage, any personal property or any ornamental fixtures upon the expiration of the Term or earlier termination of this Agreement or at any time during the Term, subject to Concessionaire's obligations under this Agreement to use the Premises for the Permitted Uses. 3.7 Letter of Credit Requirement. Section 8.1 of the Concession Agreement is hereby amended and restated as follows:

"8.1. Letter of Credit Requirement. At all times during the Term, Concessionaire shall provide County with an irrevocable letter of credit, in form and content satisfactory to County, in the amount that equals three (3) times the Monthly Minimum Rent then in effect (i.e., if the Monthly Minimum Rent is increased during the Term, then the amount of the letter of credit also shall be increased so that it equals the amount that represents three times the new Monthly Minimum Rent). The letter of credit may be drawn on by County, in whole or in part, to cover delinquent rent not paid by Concessionaire within any applicable notice and cure period and for amounts due hereunder as a result of any other Events of Default of Concessionaire under this Agreement, and shall be applied at the discretion of County. Failure to maintain the required letter of credit shall constitute an Event of Default hereunder."

3.8 Additional Events of Default. The following are hereby added to the Concession Agreement as new subsections 14.1.7 and 14.1.8:

“14.1.7 Breach of Representations and Warranties. County’s good faith determination that any of the representations and warranties made by Concessionaire in Section 18 of this Agreement is incorrect or inaccurate in any material respect.

“14.1.8 Breach or Default Under Guarantor Documents. County’s good faith determination that Guarantor is in default in any material respect under the Guaranty or the Security Agreement or that any of the representations and warranties made by Guarantor in the Guaranty or Security Agreement is incorrect or inaccurate in any material respect.”

3.9 Additional Collateral. The following is hereby added to the Concession Agreement as a new Section 18:

“18. OTHER COLLATERAL.

“18.1 Representations and Warranties. Concessionaire hereby represents and warrants to County that each of the following statements is true and correct and will remain true and correct so long as the Agreement remains in effect:

“(1) Exhibit D sets forth (i) Concessionaire’s legal name as listed in its current organizational documents, (ii) the location of Concessionaire’s chief executive office, (iii) Concessionaire’s mailing address, and (iv) all names under which Concessionaire has conducted its business;

“(2) the FF&E is owned by Concessionaire and Concessionaire has the right to assign and grant security interests in its interest in the FF&E;

“(3) except as set forth on Exhibit E, no other person or entity has received an assignment of, or been granted a security interest in, the FF&E; and

“(4) the granting of the security interest provided in this Section 18 will not create a default or constitute an event that, with the giving of notice or the passage of time or both, would constitute a default under any other agreement to which Concessionaire is a party.

“18.2 Covenants. Concessionaire hereby covenants and agrees that so long as this Agreement remains in effect:

“(1) Concessionaire shall notify County in writing at least ten (10) days prior to changing any of the matters listed on Exhibit D;

(2) except for the existing lien described on Exhibit E, Concessionaire shall not grant or permit any liens, assignments for security purposes or security interests in, of or against the FF&E;

“(3) Concessionaire shall maintain the FF&E, in good working order and condition, reasonable wear and tear excepted; and

“(4) Concessionaire shall not sell or remove any FF&E from the Premises without County’s prior written consent (which shall not be unreasonably withheld), except for the property identified in the financing statement described on Exhibit E and except that any FF&E that is damaged or becomes obsolete may be replaced with comparable items of similar quality and condition without County’s prior consent.”

“18.3 Security Interest in FF&E. Concessionaire hereby grants County, as security for the payment and performance of Gladstone’s obligations under this Agreement, a continuing security interest in all of Concessionaire’s right, title and interest in and to the FF&E.

Upon the occurrence of an Event of Default, County shall have, in addition to its other rights and remedies under this Agreement or under any other applicable law or in equity, all of the rights and remedies of a secured party under the California Uniform Commercial Code in respect of the FF&E, all of which rights and remedies shall, to the fullest extent permitted by law, be cumulative.

“18.6 County’s Power of Attorney. Effective upon an Event of Default by Concessionaire under this Agreement, Concessionaire hereby irrevocably appoints County with full power of substitution as its attorney-in-fact for the purpose of carrying out the provisions of this Section 18 and taking any action and executing any instrument that County may deem necessary or advisable to accomplish the purposes of this Section 18. The power of attorney granted and all authority conferred by this Agreement are granted and conferred solely to protect County’s

interest in the FF&E, and shall not impose any duty upon the County to exercise such powers. Such powers of attorney are coupled with an interest, shall be irrevocable prior to the full payment and performance of all of Concessionaire's obligations under this Agreement and shall not be terminated prior thereto or affected by any act of Concessionaire or by operation of law."

3.10 Incorporation of Exhibits. Exhibits C through E are incorporated herein by this reference and are hereby incorporated into and made a part of the Concession Agreement as Exhibits C through E thereto.

4. AMENDMENT CONDITIONS

Section 3 of this Amendment, and the amendments to the Concession Agreement contained therein, shall become effective as of the first date (the "Effective Date") on which all of the conditions listed in Sections 4.1 through 4.6 below (the "Amendment Conditions") have been satisfied or waived by County in writing, but in no event later than April 30, 2005 (the "Outside Date"). If the Amendment Conditions are satisfied or waived on or before the Outside Date, then promptly after the satisfaction or waiver of the last Amendment Condition, County and Concessionaire shall execute a supplemental agreement confirming the Effective Date. 4.3 Trademark Search. County shall have received a lien search report, certified by the United States Patent and Trademark Office, that provides that, except for any trademark security agreement naming County as secured party, there are no trademark security agreements or similar instruments covering the name rights described in the Security Agreement on file with the United States Patent and Trademark Office.

4.4 Payments Under Concession Agreement. Concessionaire shall have paid to County all amounts due and payable under the Concession Agreement.

4.5 Payment of County's Transaction Costs. Concessionaire shall have paid or reimbursed County for all costs and expenses for which Concessionaire is responsible under Section 5 hereof.

4.6 Guarantor Documents. Guarantor shall have executed and delivered to County the following instruments, each of which must be in form and substance satisfactory to County: (i) a guaranty, pursuant to which Guarantor guaranties the timely payment and performance of all of Concessionaire's obligations under the Concession Agreement (the "Guaranty"); (ii) a security agreement, pursuant to which Guarantor grants County a security interest in all of Guarantor's right, title and interest in and to the name 'Gladstone's, all related trademarks and other name rights and all royalties, fees and other payments relating thereto as collateral for its obligations under the Guaranty (the "Security Agreement"); and (iii) such other additional security instruments (including, without limitation, Uniform Commercial Code financing statements and trademark security agreements) as County determines are necessary or desirable to create, evidence and perfect the liens and security interests granted to County in the Security Agreement, and such additional security instruments shall have been duly filed in the appropriate governmental offices, including, without limitation, the California Secretary of State and the United States Patent and Trademark Office.

5. COSTS AND EXPENSES

Regardless of whether the amendments to the Concession Agreement contained in Section 3 hereof become effective, upon County's demand therefor from time to time, Concessionaire shall immediately pay or reimburse County for all costs and expenses incurred by County in connection with the transaction described in this Amendment, including, without limitation, the attorneys' fees and costs of County's counsel in connection with the negotiation and preparation of this Amendment and the related term sheet, the costs of the lien searches described in Section 4 hereof and the filing and recording fees for the security instruments described in Section 4 hereof.

6. MISCELLANEOUS

6.3 Time of the Essence. Time is of the essence with respect to this Amendment.

6.4 Governing Law. This Amendment shall be governed by and construed in accordance with the laws of the State of California without giving effect to the conflict of law principles of said state.

Concession Agreement, including, without limitation, any default or Event of Default or any rights and remedies that County may have under the Concession Agreement, at law or in equity.

6.6 Controlling Provisions. In the event of any inconsistencies between the provisions of this Amendment and the provisions of the Concession Agreement, the provisions of this Amendment shall govern and prevail.

6.7 Integration and Merger. This Amendment and the Exhibits attached hereto contain the entire agreement of County and Concessionaire regarding the modification of the Concession Agreement and supersede all prior agreements, term sheets and understandings between County and Concessionaire, whether written or oral, with respect to the modification of the Concession Agreement.

6.8 Survival. All representations and warranties contained in this Amendment shall be deemed to be material and shall survive the effectiveness of the modifications to the Concession Agreement contemplated by this Amendment.

6.9 Further Assurances. At County's request, Concessionaire shall promptly execute any other document or instrument and/or seek any consent or agreement from any third party that County determines is necessary to evidence or carryout the intent of the parties, as set forth in this Amendment.

6.10 Captions; Use of Certain Terms. The Section titles and captions in this Amendment are for convenience only and shall not be deemed to be part of this Amendment. GUARANTY
(Gladstone's Concession Agreement)

MAR 29 2005

THIS GUARANTY (this "Guaranty") is made as of ~~February 9, 2005~~ by CALIFORNIA BEACH RESTAURANTS, INC., a California corporation ("Guarantor"), in favor of the COUNTY OF LOS ANGELES ("County"), with reference to the following facts:

RECITALS

- A. Guarantor is the sole owner of Sea View Restaurants, Inc., a California corporation ("Concessionaire").
- B. Concessionaire and County are parties to that certain Concession Agreement for Will Rogers State Beach Park Restaurant dated as of November 1, 1997, as amended by that certain First Amendment to Concession Agreement for Will Rogers State Beach Park Restaurant dated as of February 9, 1999 (as so amended, the "Original Concession Agreement").
- C. Concessionaire and County have agreed, subject to the satisfaction of certain conditions precedent for the benefit of County, to amend the Original Concession Agreement as provided in that certain Second Amendment to Concession Agreement for Will Rogers State Beach Park Restaurant dated as of even date herewith (the "Amendment"). Such conditions precedent include, among others, that Guarantor execute and deliver the following instruments to County: (i) a guaranty, pursuant which Guarantor guaranties the timely payment and performance of all of Concessionaire's obligations under the Concession Agreement, as amended by the Amendment (as so amended, the "Concession Agreement"); and (ii) a security agreement, pursuant to which Guarantor grants County a security interest in all of Guarantor's right, title and interest in and to the Name Rights and the Royalties (each as defined in the Security Agreement, as defined below) as collateral for its obligations under such guaranty.
- D. Guarantor desires that Concessionaire enter into the Amendment and that the same become effective, and Guarantor will realize a material and substantial benefit therefrom. Accordingly, to induce County to amend the Original Concession Agreement as provided in the Amendment, Guarantor has agreed to execute this Guaranty and that certain Security Agreement of even date herewith in favor of County (the "Security Agreement").

NOW, THEREFORE, with reference to the foregoing Recitals and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, Guarantor hereby agrees as follows:

1. Obligations. To induce County to enter into the Amendment, guarantor hereby guaranties, unconditionally and irrevocably, to County and to its successors and assigns the full and prompt payment and performance when due of all of Concessionaire's obligations under the Concession Agreement (collectively, the "Guarantied Obligations"). This Guaranty is a continuing guaranty.
2. Guaranty Absolute. Guarantor agrees that its obligations under this Guaranty are irrevocable, absolute, independent and unconditional and shall not be affected by any circumstance which constitutes a legal or equitable discharge of a guarantor or surety. In

furtherance of the foregoing and without limiting the generality thereof, Guarantor agrees as follows:

(a) The liability of Guarantor under this Guaranty is a guaranty of payment and not of collectibility, and is not conditional or contingent upon the genuineness, validity, regularity or enforceability of the Concession Agreement or the pursuit by County of any remedies which it now has or may hereafter have under the Concession Agreement;

(b) County may enforce this Guaranty upon the occurrence of an "Event of Default" by Concessionaire under and as defined in the Concession Agreement;

(c) The obligations of Guarantor under this Guaranty are independent of the obligations of Concessionaire under the Concession Agreement and a separate action or actions may be brought and prosecuted against Guarantor whether or not any action is brought against Concessionaire or any other guarantors and whether or not Concessionaire is joined in any such action or actions;

(d) The payment or performance of a portion, but not all, of the Guaranteed Obligations shall in no way limit, affect, modify or abridge any Guarantor's liability for that portion of the Guaranteed Obligations which is not paid or performed. Without in any way limiting the generality of the foregoing, if County is awarded a judgment in any suit brought to enforce a portion of the Guaranteed Obligations, such judgment shall not be deemed to release Guarantor from its covenant to perform that portion of the Guaranteed Obligations which is not the subject of such suit; and

(e) Guarantor shall continue to be liable under this Guaranty and the provisions hereof shall remain in full force and effect notwithstanding:

(1) any modification, amendment, supplement, extension, agreement or stipulation between Concessionaire and County or their respective successors and assigns with respect to the Concession Agreement or the obligations encompassed thereby;

(2) County's waiver of or failure to enforce any of the terms, covenants or conditions contained in the Concession Agreement;

(3) any release of Concessionaire or any other guarantor from any liability with respect to the Guaranteed Obligations or any portion thereof;

(4) any release, compromise or subordination of any real or personal property then held by County as security for the performance of the Guaranteed Obligations or any portion thereof, or any substitution with respect thereto;

(5) County's acceptance and/or enforcement of, or failure to enforce, any other guaranties;

(6) County's exercise of any other rights available under the Concession Agreement;

(7) County's consent to the change, reorganization or termination of the structure or existence of Concessionaire and to any corresponding restructuring of the Guaranteed Obligations by County;

(8) any failure to perfect or continue perfection of a security interest in any collateral that secures the Guaranteed Obligations;

(9) any defenses, setoffs or counterclaims that Concessionaire may allege or assert against County with respect to the Guaranteed Obligations, including, without limitation, failure of consideration, breach of warranty, statute of frauds, statute of limitations and accord and satisfaction; and

(10) any other act or thing or omission, or delay to do any other act or thing that might in any manner or to any extent vary the risk of Guarantor as an obligor with respect to the Guaranteed Obligations.

3. Waivers. Guarantor hereby waives, for the benefit of County:

(a) any right to require County, as a condition of payment or performance by Guarantor, to (i) proceed against Concessionaire, any other guarantor of the Guaranteed Obligations or any other person, (ii) proceed against or exhaust any security held from Concessionaire, any other guarantor of the Guaranteed Obligations or any other person, or (iii) pursue any other remedy whatsoever in the power of County;

(b) any defense arising by reason of the incapacity, lack of authority or any disability or other defense of Concessionaire, including, without limitation, any defense based on or arising out of the lack of validity or enforceability of the Guaranteed Obligations or by reason of the cessation of liability of the Concessionaire under the Concession Agreement for any reason;

(c) any defense based upon any statute or rule of law that provides that the obligation of a surety must be neither larger in amount nor in other respects more burdensome than that of the principal;

(d) any defense based upon County's errors or omissions in the administration of the Guaranteed Obligations;

(e) any principles of law, statutory or otherwise, that are or might be in conflict with the terms of this Guaranty and any legal or equitable discharge of any Guarantor's obligations hereunder;

(f) the benefit of any statute of limitations affecting any Guarantor's liability hereunder or the enforcement hereof;

(g) any rights to setoffs, recoupments or counterclaims against County;

(h) promptness, diligence and any requirement that County protect, secure, perfect or insure any security interest or lien or any property subject thereto;

(i) notices, demands, presentments, protests, notices of protest, notices of dishonor, notices of default under the Concession Agreement, notices of acceptance of this Guaranty and notices of any of the matters referred to in Section 2(e) and any right to consent thereof;

(j) any defenses or benefits that may be derived from or afforded by law which limit the liability of or exonerate guarantors or sureties, or which may conflict with the terms of this Guaranty;

(k) any rights or defenses that Guarantor may have under Sections 2899 and 3433 of the California Civil Code; and

(l) all of the rights and defenses described in subdivision (a) of Section 2856 of the California Civil Code. As used below in this subparagraph (l), "principal" refers to Concessionaire, "creditor" refers to County and "guarantor" refers to "Guarantor". Without limiting the generality of the waiver in the first sentence of this subparagraph (l), Guarantor desires and intends to, and hereby does, waive each and all of the rights and defenses described below in this subparagraph (l).

(1) The guarantor waives the guarantor's rights of subrogation, reimbursement, indemnification, and contribution and any other rights and defenses that are or may become available to the guarantor by reason of Sections 2787 to 2855, inclusive, of the California Civil Code; and

(2) The guarantor waives all rights and defenses arising out of an election of remedies by the creditor, even if that election of remedies, has destroyed the guarantor's rights of subrogation and reimbursement against the principal.

4. Subrogation Rights. Guarantor further agrees that to the extent the waiver of its rights of subrogation as set forth herein is found by a court of competent jurisdiction to be void or voidable for any reason, any rights of subrogation said Guarantor may have against Concessionaire or against such collateral or security shall be junior and subordinate to any rights County may have against Concessionaire and to all right, title and interest County may have in such collateral or security. County may use, sell or dispose of any item of collateral or security as it sees fit without regard to any subrogation rights that said Guarantor may have, and upon any disposition or sale, any rights of subrogation said Guarantor may have shall terminate.

5. Subordination. Any indebtedness of Concessionaire now or hereafter held by Guarantor is hereby subordinated by Guarantor in right of payment to the Guaranteed Obligations. Guarantor agrees to make no claim for such indebtedness at any time when Concessionaire is in default of its obligations under the Concession Agreement. Guarantor further agrees not to assign all or any part of such indebtedness unless County is given prior notice and such assignment is expressly made subject to the terms of this Guaranty.

6. Bankruptcy; Reinstatement of Guaranty.

(a) Guarantor shall not, without the prior written consent of County, commence or join with any other person in commencing any bankruptcy, reorganization or insolvency proceedings of or against Concessionaire. The obligations of Guarantor under this Guaranty shall not be reduced, limited, impaired, discharged, deferred, suspended or terminated by any proceeding, voluntary or involuntary, involving the bankruptcy, insolvency, receivership, reorganization, liquidation or arrangement of Concessionaire or by any defense which Concessionaire may have by reason of the order, decree or decision of any court or administrative body resulting from any such proceeding.

(b) In any bankruptcy, reorganization, insolvency or other proceeding involving Concessionaire in which the filing of claims is required by law, Guarantor shall file all claims which Guarantor may have against Concessionaire relating to any indebtedness of Concessionaire to Guarantor and shall assign to County all rights of Guarantor thereunder. If Guarantor does not file any such claim, County, as attorney-in-fact for Guarantor, is hereby authorized to do so in the name of Guarantor or, in County's discretion, to assign the claim to a nominee and to cause proof of claim to be filed in the name of County's nominee. The foregoing power of attorney is coupled with an interest and cannot be revoked. County or its nominee shall have the right, in its reasonable discretion, to accept or reject any plan proposed in such proceeding and to take any other action which a party filing a claim is entitled to do. In all such cases, whether in administration, bankruptcy or otherwise, the person or persons authorized to pay such claim shall pay to County the amount payable on such claim and, to the full extent necessary for that purpose. Guarantor hereby assigns to County all of Guarantor's rights to any such payments or distributions; provided, however, Guarantor's obligations hereunder shall be satisfied except to the extent that County receives cash by reason of any such payment or distribution. If County receives anything hereunder other than cash, the same shall be held as collateral for amounts due under this Guaranty.

(c) If all or any portion of the Guaranteed Obligations are paid by Concessionaire, the obligations of Guarantor hereunder shall continue and remain in full force and effect or be reinstated, as the case may be, in the event that all or any part of such payment(s) are rescinded or recovered directly or indirectly from County as a preference, fraudulent transfer or otherwise, and any such payments which are so rescinded or recovered shall constitute Guaranteed Obligations for all purposes under this Guaranty.

7. Termination. This Guaranty shall terminate upon the indefeasible payment and performance of all Guaranteed Obligations by Guarantor or Concessionaire.

8. Representations and Warranties. Guarantor hereby represents and warrants to County as follows:

(a) Guarantor owns Concessionaire, and County's agreement to enter into the Amendment with Concessionaire is of substantial and material benefit to Guarantor;

Guarantor now has and will continue to have full and complete access to any and all information concerning Concessionaire's financial status and its ability to perform the Guaranteed Obligations; and Guarantor has reviewed and approved the Concession Agreement and is fully informed of the remedies County may pursue, with or without notice to Concessionaire, in the event of a default by Concessionaire thereunder.

(b) No consent of any other person, including, without limitation, any creditors of Guarantor, and no license, permit, approval or authorization of, exemption by, notice or report to, or registration, filing or declaration with, any governmental authority is required by Guarantor in connection with this Guaranty or the execution, delivery, performance, validity or enforceability of this Guaranty and all obligations required hereunder or, if any such consents are required, the same have been obtained prior to the execution of this Guaranty. This Guaranty has been duly executed and delivered by Guarantor, and constitutes the legally valid and binding obligation of Guarantor enforceable against Guarantor in accordance with its terms.

(c) The execution, delivery and performance of this Guaranty will not violate any provision of any existing law or regulation binding on Guarantor, or any order, judgment, award or decree of any court, arbitrator or governmental authority binding on Guarantor, or of any mortgage, indenture, lease, contract or other agreement, instrument or undertaking to which Guarantor is a party or by which Guarantor or any of any Guarantor's assets may be bound, and will not result in, or require, the creation or imposition of any lien on any of Guarantor's property, assets or revenues pursuant to the provisions of any such mortgage, indenture, lease, contract or other agreement, instrument or undertaking.

9. Notices. the Master Agreement, any Trademark without the prior written consent of County, which consent shall not be unreasonably withheld.

5. POWER OF ATTORNEY

Subject to the provisions of Section 6.2 hereof, upon the occurrence of an Event of Default, Parent hereby irrevocably appoints the County with full power of substitution as its attorney-in-fact for the purpose of carrying out the provisions of this Agreement and taking any action and executing any instrument that the County may deem necessary or advisable to accomplish the purposes of this Agreement. Dear Supervisors:

**APPROVAL OF SECOND AMENDMENT TO CONCESSION AGREEMENT
SEA VIEW RESTAURANTS, INC.
(3rd DISTRICT)
(4 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

Approve and authorize the Chair to sign the attached Amendment and Security Agreement to existing Concession Agreement between the County and Sea View Restaurants, Inc., modifying the current letter of credit security requirements in favor of alternate security to the County.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The County and Sea View Restaurants, Inc. (Gladstone's) entered into a 20-year Concession Agreement (Agreement) on November 1, 1997. The Agreement, among other provisions, required Gladstone's to provide a \$2.7 million renovation of the Gladstone's 4 Fish Restaurant, located at Pacific Coast Highway and Sunset Boulevard, and for payment of annual minimum and percentage rents to the County. Gladstone's has completed the required renovation, continues to operate the restaurant facility and has, since inception of the Agreement, paid its minimum rent of \$145,833 per month (\$1.75 million annually), not having yet reached the threshold for payment of additional percentage rent.

The Agreement further requires Gladstone's to provide the County with a security deposit, in the form of an irrevocable letter of credit (LC) in an amount equal to three months' minimum rent (\$437,500), to secure payment of all rent and other obligations due the County under the Agreement. Further provisions of the Agreement require that unless

The Honorable Board of Supervisors
March 29, 2005
Page 2

Gladstone's maintains a net worth of not less than \$3 million, the LC must be increased to the amount of two million dollars (\$2,000,000).

During the most recent audit period, Gladstone's was unable to provide the County with verification of its net worth meeting the \$3 million threshold, thus triggering the larger (\$2 million) LC requirement. Gladstone's has indicated that, due to expenses incurred in a recent restructuring of its operations to provide increased financial stability, combined with the normal seasonal nature of its business (Gladstone's restaurant receipts have traditionally been much higher during summer months and have also been derived, in substantial part, from out-of-town visitors), it is unable to sustain the burden of providing the increased LC amount (for which it must post the full cash equivalent) and has requested that it be allowed to provide alternate security to the County.

The proposed amendment to the Agreement (Amendment), attached as Exhibit 1, provides for a pledge of additional collateral, evidenced by the security agreement (Security Agreement), attached as Exhibit 2, as well as a guaranty (Guaranty), attached as Exhibit 3, of Gladstone's parent corporation (California Beach Restaurants, Inc.) to secure Gladstone's performance under the Agreement, in exchange for a waiver of the increased security deposit requirement. Gladstone's will continue to maintain the LC in favor of the County in an amount equal to three months' minimum rent - \$437,500.

The terms of the Amendment provide that Gladstone's and its parent, as guarantor and as owner of certain of the name and trademark rights, will grant the County: (1) a security interest in all trademark rights in and to the name "Gladstone's", including all rights to the use of the "Gladstone's" name at the current restaurant site and throughout the United States (the Name Rights); (2) a security interest in all restaurant furniture, fixtures and equipment (FF & E); (3) a security interest in all current and future royalties derived from the licensing of Gladstone's name and trademark rights; and 4) the guaranty of Gladstone's parent corporation of the timely payment and performance of all Gladstone's obligations under the Agreement. Accordingly, in the event of default, the County would acquire the FF& E and name and trademark rights through foreclosure, and be in position to re-lease the restaurant premises on a "turn-key" basis with minimum delay, as well as the rights to any royalty and/or licensing payments derived from the use of the Gladstone's name and trademark rights.

The Honorable Board of Supervisors
March 29, 2005
Page 3

Implementation of Strategic Plan Goals

This recommendation is consistent with the County's Strategic Plan Goal of Service Excellence, in that it accommodates the lessee's economic needs and enables operational and management improvements to the leasehold, while ensuring that the County's interests are protected.

FISCAL IMPACT/FINANCING

The Amendment will have no impact on the rents that the County receives from Gladstone's as it provides solely for an alternative form of security.

The concessionaire is reimbursing costs of consultants and primary County staff involved in the negotiation of this Amendment and associated documentation.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Under the existing Agreement, Gladstone's must maintain an LC in favor of the County in an amount equal to three months' minimum rent to secure Gladstone's obligation to the County. This LC is current, as are all rental payments due the County.

The Amendment effects a waiver of Gladstone's obligation to maintain the required LC in the increased amount of \$2 million as a consequence of its failure to maintain a net worth in excess of \$3 million in exchange for additional collateral evidenced by a Security Agreement and by a Guaranty of its parent corporation of Gladstone's performance under the Agreement.

At its meeting held on February 23, 2005, the Beach Commission voted unanimously to endorse the Director's recommendation that your Board approve and authorize the Amendment and Security Agreement to existing Concession Agreement between the County and Sea View Restaurants, Inc.

A more detailed outline of the terms and conditions for the granting of this Amendment is as follows:
