THE COUNTY OF LOS ANGELES

With a population of more than 10 million people, the County of Los Angeles has more residents than any county in the nation, and within its boundaries are 88 cities. It is rich in cultural diversity and home to world-renowned museums, theaters, the nation’s motion picture industry, major universities, and numerous five-star restaurants. The mountains, deserts, and the beautiful Pacific Ocean, along with some of the world’s finest urban recreational attractions, are freeway close.

The County of Los Angeles is governed by a five-member Board of Supervisors who are elected on a non-partisan basis and serve four-year terms. As the governing body, the Board of Supervisors (Board) serves as both the executive and legislative authority of the largest and most complex county government in the United States. There are seven appointed positions (Auditor-Controller, Chief Executive Officer, Chief Probation Officer, County Counsel, Director of Children and Family Services, Executive Officer of the Board of Supervisors, and Fire Chief) that report directly to the Board. The remaining department heads report to the Chief Executive Officer. There are also three elected officials (Assessor, District Attorney, and Sheriff), for a total of thirty-five (35) major administrative units or departments that currently serve the needs of the county’s residents.

In fiscal year 2013-14, the County has an annual budget in excess of $26 billion and funding for over 100,000 positions to serve its diverse population.
LAC + USC MEDICAL CENTER

Founded in 1878, Los Angeles County LAC+USC Medical Center is one of the largest public hospitals in the country. Through its affiliation with the Keck School of Medicine of the University of Southern California (USC) and the Los Angeles County College of Nursing and Allied Health, it is one of the premier academic teaching hospitals in the nation and one of the state’s leading hospitals for training health professionals. Originally established as a 100-bed hospital with 47 patients, it now is licensed for 600 beds and budgeted to staff 745 beds.

LAC+USC provides a full spectrum of emergency, inpatient and outpatient services. These include medical, surgical and emergency/trauma services in the General Hospital. The Medical Center also operates a hyperbaric chamber at Catalina Island. As the largest single provider of healthcare in the County, LAC+USC Medical Center provides the community with more than 28 percent of its trauma care. It operates one of three burn centers in the County and one of the few Level III Neonatal Intensive Care Units in Southern California. It provides care for half of both AIDS patients and sickle cell anemia patients in Southern California. It maintains inpatient and outpatient services for the most acute cases of mental illness. LAC+USC medical staff includes more than 700 full-time physicians from the USC Keck School of Medicine, nearly 900 medical interns and residents of various medical specialties, and about 2,600 nurses of all levels – including 900 registered nurses.
