

## COMING SOON: CHANGE TO THE LEARNING NET LOGIN CREDENTIALS

### What change is coming to the Learning Net?

Soon you will be able to use your *mylacity.gov* password to access the Learning Net.

### How will I access the Learning Net once the change goes into effect?

To access the Learning Net you will enter the same URLs as you currently use to access the Learning Net. This change will only affect the password used at login.

1. Go to the URL, <http://learningnet.lacounty.gov> when you login from within the Los Angeles County Network or <https://learningnet.lacounty.gov> when you login from outside the Los Angeles County Network (i.e. Internet).
2. Enter your **Username**. Type lowercase 'e' followed by your Employee Number or 'c' followed by your Contractor Number.
3. Enter your *mylacity.gov* Password.

### What will I see on the Learning Net login page when the change takes effect?

#### **ATTENTION:**

You will need to use your *mylacity.gov* user login credentials to access the Learning Net

Have you forgotten your password or do you need a new password? To change or have your password reset: Click this link: [Reset My Password](#)

If you need assistance with the Learning Net, you may contact your departmental administrators by dialing the following phone numbers or clicking the appropriate link:
