Vacancy Announcement
Registered Nurse II (Infusion Clinic)
Ambulatory Care Services

Position:
Harbor-UCLA Medical Center, Infusion Clinic is seeking a well-qualified Registered Nurse II. To be responsible for working in a team environment using a multidisciplinary approach, with a team of care providers, providing nursing care adapted to individual patient needs based on the nursing process.

Responsibilities Include But Are Not Limited To The Following:
- Patient assessment, patient evaluation and preparation and administration of chemotherapeutic agents and other intravenous drugs.
- Patient education and psychosocial support.
- Organize, prioritize, and follow through multiple patient treatments on an ongoing basis.
- Provide care for the chemo patients using intravenous access, the management of central venous catheters, and chemotherapy delivery, including the management of anaphylaxis and extravasation.
- Screen and triage acute patients.
- Recognize abnormal laboratory values and report to the attending physician.
- Assume accountability to peers, and function as a strong team player in caring for patients.

Desirable Qualifications:
- Minimum of 3 years of active nursing experience with 2 years of Oncology experience, in an outpatient infusion center.
- Chemo certification
- Strong communication, critical analysis, independent worker and organization skills.
- Proficient experience using with ORCHID and Intellidose.

Candidates must currently hold a permanent County of Los Angeles payroll title of Registered Nurse II to be considered for a transfer or are reachable on a DHS certification list to be considered for a promotion or as a new hire.

The most qualified candidates will be contacted for an interview. Interested candidates must submit a cover letter, resume, the last two performance evaluations and a prime variance time report for the last two years, to:
