Title 2 ADMINISTRATION
Chapter 2.203.010 through 2.203.090
CONTRACTOR EMPLOYEE JURY SERVICE

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés *Sin Peligro*

Los recién nacidos pueden ser entregados en forma segura al personal de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre o el adulto que lo entregue recibirá un brazaletes igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Ángeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazaletes con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

INFORMATION SECURITY AND PRIVACY REQUIREMENTS

This Exhibit J (Information Security And Privacy Requirements) is an attachment and addition to the Contracted and Non-Contracted Health Care Plan and Commercial Insurance Safety Net Services Agreement dated _____ (the “**Agreement**”) entered into by and between the County of Los Angeles (“**County**”) and _____ (“**Contractor**”) and is incorporated into the Agreement by reference hereof. This Exhibit J (Information Security And Privacy Requirements) sets forth information security procedures to be established by Contractor before the Effective Date of the Agreement and maintained throughout the Term of the Agreement. These procedures are in addition to the requirements of the Agreement and the Business Associate Agreement between the Parties. They present a minimum standard only. However, it is Contractor’s sole obligation to: (i) implement appropriate measures to secure its systems and data, including Personally Identifiable Information, Protected Health Information, and County Confidential Information, against internal and external threats and risks; and (ii) continuously review and revise those measures to address ongoing threats and risks. Failure to comply with the minimum standards set forth in this Exhibit J (Information Security and Privacy Requirements) will constitute a material, non-curable breach of the Agreement by Contractor, entitling County, in addition to and cumulative of all other remedies available to it at law, in equity, or under the Agreement, to immediately terminate the Agreement. Unless specifically defined in this Exhibit, capitalized terms shall have the meanings set forth in the Agreement.

1. **Security Policy.** Contractor shall establish and maintain a formal, documented, mandated, company-wide information security program, including security policies, standards and procedures (collectively “**Information Security Policy**”). The Information Security Policy will be communicated to all Contractor personnel and subcontractors in a relevant, accessible, and understandable form and will be regularly reviewed and evaluated to ensure its operational effectiveness, compliance with all applicable laws and regulations, and to address new threats and risks.
2. **Personnel and Contractor Protections.** Contractor shall screen and conduct background checks on all Contractor personnel and subcontractors contacting County Confidential Information, including Personally Identifiable Information and Protected Health Information, for potential security risks and require all employees, contractors, and subcontractors to sign an appropriate written confidentiality/non-disclosure agreement. All agreements with third-parties involving access to Contractor’s systems and data, including all outsourcing arrangements and maintenance and support agreements (including facilities maintenance), shall specifically address security risks, controls, and procedures for information systems. Contractor shall supply each of its Contractor personnel and subcontractors with appropriate, ongoing training regarding information security procedures, risks, and threats. Contractor shall have an established set of procedures to ensure Contractor personnel and subcontractors promptly report actual and/or suspected breaches of security.
3. **Removable Media.** Except in the context of Contractor’s routine back-ups or as otherwise specifically authorized by County in writing, Contractor shall institute strict physical and logical security controls to prevent transfer of Personally Identifiable Information and Protected Health Information to any form of Removable Media. For purposes of this Exhibit J (Information Security and Privacy Requirements), “**Removable Media**” means portable or removable hard disks, floppy disks, USB memory drives, zip disks, optical disks, CDs, DVDs, digital film, digital cameras, memory cards (e.g., Secure Digital (SD), Memory Sticks (MS), CompactFlash (CF), SmartMedia (SM), MultiMediaCard (MMC), and xD-Picture Card (xD)), magnetic tape, and all other removable data storage media.

4. **Storage, Transmission, and Destruction of Personally Identifiable Information and Protected Health Information.** All Personally Identifiable Information and Protected Health Information shall be rendered unusable, unreadable, or indecipherable to unauthorized individuals in accordance with HIPAA, as amended and supplemented by the HITECH Act and the California Civil Code section 1798 et seq. Without limiting the generality of the foregoing, Contractor shall encrypt (i.e., National Institute of Standards and Technology (NIST) Special Publication (SP) 800-111 Guide to Storage Encryption Technologies for End User Devices¹) all Personally Identifiable Information and electronic Protected Health Information (stored and during transmission) in accordance with HIPAA and the HITECH Act, as implemented by the U.S. Department of Health and Human Services. If Personally Identifiable Information and Protected Health Information is no longer required to be retained by Contractor under the Agreement and applicable law, Contractor shall destroy such Personally Identifiable Information and Protected Health Information by: (a) shredding or otherwise destroying paper, film, or other hard copy media so that the Personally Identifiable Information and Protected Health Information cannot be read or otherwise cannot be reconstructed; and (b) clearing, purging, or destroying electronic media containing Personally Identifiable Information and Protected Health Information consistent with NIST Special Publication 800-88, Guidelines for Media Sanitization² and US Department of Defense (DOD) 5220.22-M data sanitization and clearing directive³ such that the Personally Identifiable Information and Protected Health Information cannot be retrieved.
5. **Data Control; Media Disposal and Servicing.** Subject to and without limiting the requirements under Section 4 (Storage, Transmission and Destruction of Protected Health Information), Personally Identifiable Information, Protected Health Information, and County Confidential Information: (i) may only be made available and accessible to those parties explicitly authorized under the Agreement or otherwise expressly Approved by County in writing; (ii) if transferred across the Internet, any wireless network (e.g., cellular, 802.11x, or similar technology), or other public or shared networks, must be protected using industry standard encryption technology in accordance with the National Institute of Standards and Technology (NIST) Special Publication (SP) 800-52 Guidelines for the Selection and use of Transport Layer Security Implementations⁴; and (iii) if transferred using Removable Media (as defined above) must be sent via a bonded courier or protected using industry standard encryption technology in accordance with NIST SP 800-111 Guide to Storage Encryption Technologies for End User Devices⁵. The foregoing requirements shall apply to back-up data stored by Contractor at off-site facilities. In the event any hardware, storage media, or Removable Media must be disposed of or sent off-site for servicing, Contractor shall ensure all County Confidential Information, including Personally Identifiable Information and Protected Health Information, has been cleared, purged, or scrubbed from such hardware and/or media using industry best practices in accordance with NIST SP 800-88, Guidelines for Media Sanitization⁶).
6. **Hardware Return.** Upon termination or expiration of the Agreement or at any time upon County's request, Contractor will return all hardware, if any, provided by County containing Personally Identifiable Information, Protected Health Information, or County Confidential Information to County. The Personally Identifiable Information, Protected Health Information, and County Confidential Information shall not be removed or altered in any way. The hardware should be physically sealed and

The foregoing definition shall also include any Confidential Information provided by either Party’s contractors, subcontractors, agents, or vendors. To be deemed “Confidential Information”, trade secrets and mask works must be plainly and prominently marked with restrictive legends.

b. **Exclusions.** Confidential Information will not include any information or material, or any element thereof, whether or not such information or material is Confidential Information for the purposes of this Agreement, to the extent any such information or material, or any element thereof: (a) has previously become or is generally known, unless it has become generally known through a breach of this Agreement or a similar confidentiality or non-disclosure agreement, obligation or duty; (b) was already rightfully known to the Receiving Party prior to being disclosed by or obtained from the Disclosing Party as evidenced by written records kept in the ordinary course of business or by proof of actual use by the Receiving Party, (c) has been or is hereafter rightfully received by the Receiving Party from a third-party (other than the Disclosing Party) without restriction or disclosure and without breach of a duty of confidentiality to the Disclosing Party; or (d) has been independently developed by the Receiving Party without access to Confidential Information of the Disclosing Party. It will be presumed that any Confidential Information in a Receiving Party's possession is not within exceptions (b), (c) or (d) above, and the burden will be upon the Receiving Party to prove otherwise by records and documentation.

c. **Treatment of Confidential Information.** Each Party recognizes the importance of the other Party's Confidential Information. In particular, each Party recognizes and agrees that the Confidential Information of the other is critical to their respective businesses and that neither Party would enter into this Agreement without assurance that such information and the value thereof will be protected as provided in this Section 13 (Confidentiality) and elsewhere in this Agreement. Accordingly, each Party agrees as follows: (a) the Receiving Party will hold any and all Confidential Information it obtains in strictest confidence and will use and permit use of Confidential Information solely for the purposes of this Agreement. Without limiting the foregoing, the Receiving Party shall use at least the same degree of care, but no less than reasonable care, to avoid disclosure or use of this Confidential Information as the Receiving Party employs with respect to its own Confidential Information of a like importance; (b) the Receiving Party may disclose or provide access to its responsible employees, agents, and consultants who have a need to know and may make copies of Confidential Information only to the extent reasonably necessary to carry out its obligations hereunder; and (c) the Receiving Party currently has, and in the future will maintain in effect and enforce, rules and policies to protect against access to or use or disclosure of Confidential Information other than in accordance with this Agreement, including without limitation written instruction to and agreements with employees, agents, or consultants who are bound by an obligation of confidentiality no less restrictive than set forth in this Agreement to ensure that such employees, agents, and consultants protect the confidentiality of Confidential Information, including this Section 13 (Confidentiality) and Exhibit F (Acknowledgement and Confidentiality Agreement). The Receiving Party will require its employees, agents, and consultants not to disclose Confidential Information to third-parties, including without limitation customers, subcontractors, or consultants, without the Disclosing Party's prior written consent, will notify the Disclosing Party immediately of any unauthorized disclosure or use, and will cooperate with the Disclosing Party to protect all proprietary rights in and ownership of its Confidential Information.

d. **Non-Exclusive Equitable Remedy.** Each Party acknowledges and agrees that due to the unique nature of Confidential Information there can be no adequate remedy at law for any breach of its obligations hereunder, that any such breach or threatened breach may allow a Party or third-parties to unfairly compete with the other Party resulting in irreparable harm to such Party, and therefore, that upon any such breach or any threat thereof, each Party will be entitled to appropriate equitable remedies, and may seek injunctive relief from a court of competent jurisdiction without the necessity

of proving actual loss, in addition to whatever remedies either of them might have at law or equity. Any breach of this Section 13 (Confidentiality) shall constitute a material breach of this Agreement and be grounds for immediate termination of this Agreement in the exclusive discretion of the non-breaching Party.

e. **Compelled Disclosures.** To the extent required by applicable law or by lawful order or requirement of a court or governmental authority having competent jurisdiction over the Receiving Party, the Receiving Party may disclose Confidential Information in accordance with such law or order or requirement, subject to the following conditions: as soon as possible after becoming aware of such law, order, or requirement and prior to disclosing Confidential Information pursuant thereto, the Receiving Party will so notify the Disclosing Party in writing and, if possible, the Receiving Party will provide the Disclosing Party notice not less than five (5) Business Days prior to the required disclosure. The Receiving Party will use reasonable efforts not to release Confidential Information pending the outcome of any measures taken by the Disclosing Party to contest, otherwise oppose, or seek to limit such disclosure by the Receiving Party and any subsequent disclosure or use of Confidential Information that may result from such disclosure. The Receiving Party will cooperate with and provide assistance to the Disclosing Party regarding such measures. Notwithstanding any such compelled disclosure by the Receiving Party, such compelled disclosure will not otherwise affect the Receiving Party's obligations hereunder with respect to Confidential Information so disclosed.

ii. Treatment of Personally Identifiable Information. Without limiting any other warranty or obligations specified in this Agreement, and in particular the confidential provisions of Sub-Paragraph 9.2 (County Confidential Information), during the Term of this Agreement and thereafter in perpetuity, Contractor will not gather, store, log, archive, use, or otherwise retain any Personally Identifiable Information in any manner and will not disclose, distribute, sell, share, rent, or otherwise retain any Personally Identifiable Information to any third-party, except as expressly required to perform its obligations in this Agreement or as Contractor may be expressly directed in advance in writing by County. Contractor represents and warrants that Contractor will use and process Personally Identifiable Information only in compliance with (a) this Agreement, (b) County's then current privacy policy (available at http://myladhs.lacounty.gov/polproc/DHS/0300-0399%20Operations%20Policy/DHS_POLICY_0361_111_100114.pdf) and (c) all applicable local, state, and federal laws and regulations (including, but not limited to, current and future laws and regulations relating to spamming, privacy, confidentiality, data security, and consumer protection).

iii. Retention of Personally Identifiable Information. Contractor will not retain any Personally Identifiable Information for any period longer than necessary for Contractor to fulfill its obligations under this Agreement. As soon as Contractor no longer needs to retain such Personally Identifiable Information in order to perform its duties under this Agreement, Contractor will promptly return or destroy or erase all originals and copies of such Personally Identifiable Information.

h. **Return of Confidential Information.** On County's written request or upon expiration or termination of this Agreement for any reason, Contractor will promptly: (a) return or destroy, at County's option, all originals and copies of all documents and materials it has received containing County's Confidential Information; (b) if return or destruction is not permissible under applicable law, continue to protect such information in accordance with the terms of this Agreement; and (c) deliver or destroy, at County's option, all originals and copies of all summaries, records, descriptions, modifications, negatives, drawings, adoptions and other documents or materials, whether in writing or in machine-readable form, prepared by Contractor, prepared under its direction, or at its request, from the documents and materials referred to in Subsection 13(a), and provide a notarized written statement to County certifying that all documents and materials referred to in Subsections 13(a) and (b) have been delivered to County or destroyed, as requested by County.
