

**Gerardo J. Pinedo, J.D.**  
**Director of Strategic Operations**  
**Department of Health Services**  
**County of Los Angeles**

Gerardo Pinedo is the Director of Strategic Operations for the County of Los Angeles Department of Health Services. In this position, Gerardo is the Executive Manager of three major divisions and three program units:

- Division of Capital Projects
- Division of Enterprise Health Information Management
- Division of Facilities Management
- Office of Government Affairs and Policy
- Office of Communications and Media Relations
- Office of Language Access Services and Competencies

In addition to ensuring that millions of medical records are coded properly and made readily available to patients, physicians, and vital program offices, Gerardo is responsible for representing the Department at the Board of Supervisors. He is also responsible for the State and Federal Legislative Affairs Program; administrative functions at the Department's headquarters; oversight of administration buildings and leases; internal and external communications; and many other essential functions serving the public, elected officials, and community stakeholders.

Previously, Gerardo served as Senior Deputy at the L.A. County Board of Supervisors where he had oversight of budget, information technology, operations, health and human services, human resources, and numerous other County functions, including serving as Chair of the County's Audit Committee where he focused on fiscal and program integrity. Prior to his public service with the County of Los Angeles, Gerardo served on the staffs of elected officials in the California State Senate and the United States Congress.

Gerardo holds a Juris Doctor degree from Southwestern University School of Law; and a Bachelor of Arts degree from California State University at Dominguez Hills where he also serves as a faculty member in the College of Business Administration and Public Policy.
