Hello Everyone,

Early in the semester we all received an email notifying us that the Peer Review Policy #220 and the Peer Review form had been reviewed, updated and posted. College Credentials Committee would like everyone to be aware of a significant change that was made and approved upon our recommendation. Under the Procedure section, the reviewer submits a completed copy of the entire Faculty Peer Review form to the faculty member being reviewed and their semester coordinator (SON) or the Dean (EDCOS). The OES should continue to receive a copy of the cover page for their records. The form is available on the CONAH website under Forms; Faculty Peer Review Form (don't look under 'P' for Peer Review like I did).

Thank you,
College Credentials Committee
