DIVISIONAL REPORTS	<p>1. <u>Education and Consulting Services (EDCOS)</u> – T. Blass led the review of the 2014-2015 EDCOS Annual Report. She reported on the following:</p> <p>a Faculty positions– there are currently 12 full time educators. Six have MSNs and 6 have BSNs. A new Pediatric instructor has just been hired; the position has been vacant for three years. One ER instructor position remains vacant.</p> <p>b Continuing education (CE) and non-continuing education (non-CE) classes and programs – There were 423 classes and programs offered to 6483 workforce members to meet the College's mission of providing learning centered educational programs and career development opportunities for healthcare student. EDCOS faculty prepared 114 DHS nursing workforce members to safely care for the critically ill patients in the emergency department and critical care areas. In addition to nursing staff, participant categories included physicians who attended the Non-Violent Physical Crisis Intervention course. Mandatory programs – provides mandatory nursing education required by regulatory agencies such as orientation, DHS Competency validation, LAC + USC Annual Nursing Skills validation , Code Green Roles and Responsibilities and Life support courses; BLS, ACLS, PALS, Heartsavers. In addition, Mock Code Gold has been implemented at Augustus Hawkins and staff debriefings which have resulted in a decline in patient- related assault.</p> <p>c Specialty education– EDCOS provides critical care and emergency nursing didactic education for all DHS facilities as well as coordinates and teaches numerous specialty courses for LAC + USC nursing staff.</p> <p>d Committee memberships – Faculty are members/chairs of DHS, LAC + USC , and Nursing Service committees</p> <p>e Additional Contributions to DHS and the Community – Faculty are frequently consulted throughout the DHS and the community for their expertise in patient care management.</p>	1. 	70% passing rate is placed on warning by the California Board of Registered Nursing (BRN).		
RECRUITMENT STATUS	<p>1. <u>SON Student Projections</u> - M. Caballero reported: The goal for spring 2016 is to admit 55 students. Pre-registration is today, 11/20/15. There are 13 LVN students who will be enrolled for spring 2016. There were students who were not able to register for fall 2105 due faculty staffing shortage.</p> <p>2. <u>DHS Hiring Rate</u> - B. Collier reported: DHS Hiring Rate from 2010-II to 2015-I average is 37%. Goal is 50%. Class 2013-II has the highest rate at 73% coinciding with opening of RNI position as a response to the Board of Supervisor's hiring plan in 2014. RNI position opened once again on 10/21/15 and information were sent to graduates of 2014-I to 2015-I. Most hired graduates are working at LAC+USC Medical Center. There was much discussion on the hiring rate and when the position for RN I is opened. I. Milan suggested that a recommendation will be given to Human Resources to open the item twice a year; March for the December graduates and September for May graduates. Thus, CONAH graduates would have received their licenses and will be eligible to apply. M. Anderson emphasized the importance of setting a hiring goal for the School. The goal is at 50% but it would be better if at least 75% of the graduates are hired within the DHS. There was also much discussion on the BSN requirement for non-county facilities. The College needs s to explore collaboration with other Colleges and other strategies for graduates to obtain their BSN degrees.</p>	<p>1. Information</p> <p>2. Information</p>	<p>1. None</p> <p>2.
