

LOS ANGELES COUNTY COLLEGE OF NURSING AND ALLIED HEALTH POLICY & PROCEDURE MANUAL

Page 1 Of 2

Subject: SAFETY EDUCATION	Original Issue Date: October 1, 2002	Policy #: 620
	Supersedes: September 8, 2011	Effective Date: October 26, 2017
Individuals / Committees Consulted: College Safety Officer College Safety Topic Coordinators	Reviewed & Approved by: College-Governance	Approved by: Provost, College of Nursing & Allied Health (Signature on File)

PURPOSE:

To educate College employees and students about safety and to lower the risk of injury or illness

Definition:

Safety Topic Coordinator: A staff member assigned from each division to present the safety topics to their division.

POLICY:

All employees and students:

- Receive emergency preparedness training (EPT)
- Complete safety orientation/education as required.

Safety education consists of DHS Patient Safety and LAC + USC Medical Center Employee Safety programs.

- DHS Patient Safety topics are written and updated by the DHS Safety Committee.
- LAC + USC Medical Center Employee Safety topics are written and updated by Medical Center Safety Officer

PROCEDURE:

Safety Topic Coordinator/designee:

- Compiles Safety Education packet including employee answer sheet annually
- Provides most current Safety Education packet and completion deadline to the Office of Educational Services (OES) for distribution to faculty and staff
- Obtains Employee Safety Education Program Roster and Tracking form from OES
- Completes Roster/Tracking form as faculty/staff submit answer sheets
- Submits completed Roster/Tracking form and answer sheets to OES

College employee:

- Obtains/maintains current EPT card and provides verification of completion to OES
- Reads the safety topics and completes the posttests using individual answer sheet,
- Submits completed answer sheet to Safety Coordinator within specified time frame

Designated OES staff:

- Distributes Safety Education packet including completion due date to College employees and students as requested/scheduled
- Files EPT verification/cards and completed safety posttests for all College employees

Subject:

SAFETY EDUCATION

- Maintains Employee Safety Education Program Roster/Tracking form and answer sheets for current and previous year.

PROCEDURE DOCUMENTATION:

Employee Safety Education Post Test Answer Sheet
Employee Safety Education Program Roster/Tracking form
Orientation Checklists: Faculty and Office Management Staff
